The CIPC shall have a budget or warrant article for consultants and other expenses. It shall submit its projected expenses to the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the CIPC, and be subject to the Town's policies for such expenditures.

§ 9-31 Functions and definitions.

A.

Work with Town Finance Team to maintain town's 10-year capital plan. This will be achieved by regular meetings and discussions with Town Departments, Boards, and Committees that will put forward requests for Capital Funding as part of an Annual or Special Town Meeting. While this Committee will have no oversight of the annual operating budget, they need to be aware and receive regular updates of the operating budgets and other revolving or enterprise funds to ensure that capital needs are considered in an appropriate order and timing.

B.

The CIPC shall follow any capital or other financial policies adopted by the town and provide regular feedback for any potential improvements or enhancements to these policies.

§ 9-32 Project Oversight.

A.

In the absence of a formal building committee for a specific project, CIPC will serve as point of initial approval for all project expenses, change orders, and invoices. Projects falling under the oversight of the CIPC will specifically be decided as part of or immediately following any Town Meeting appropriation by a vote of the Board of Selectmen.

B.

If any elected board decides to have a separate Building Committee for any specific project, then at least one member but not more than two members of the CIPC shall be appointed.

§ 9-33 Reports

A.

Prior to any annual or special town meeting, CIPC shall provide a recommendation on any capital article to appear on the warrant. This recommendation should be communicated to both the Board of Selectmen and Advisory Committee.

, or act or do anything in relation thereto.

DRAFT

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation:
Advisory Committee Recommendation: Support
Summary: *The Capital Planning Committee has been an ad-hoc committee since March 2020. Since that time, the Committee has advised the Board of Selectmen on capital expenditures for Town Meeting, and worked collaboratively with the Finance Director and Town Administrator on the overall capital plan and funding/financing options for capital projects. Given the intention for the Committee to continue their work each year as part of the budget process, the Board of Selectmen agreed that the Committee should operate as a standing committee under the Town bylaws.*

ARTICLE 34: To see if the Town will vote to amend the Zoning Code of the Town of Southborough, Zoning Article I entitled "Miscellaneous Provisions" and Article V entitled "Nonconforming Uses and Structures" by amending thereto Section 174-9 entitled "Special Permit Requirements" and 174-19 entitled "Extensions" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

Article I: Miscellaneous provisions
§ 174-9 Special permit requirements.
[Amended 4-14-1986 ATM by Art. 46]

E. Nonconforming uses, lots and structures. Special permits may be issued for the extension**,** ~~or~~ alteration**, reconstruction or structural change** of legally nonconforming uses, structures and lots, including a change in the non-conforming use to another non-conforming use, provided that the Board of Appeals finds that such extension, alteration**, reconstruction** or **structural** change shall not be substantially more detrimental to the neighborhood, will not increase the extent of non-conformance in size or in impact and that the cost thereof shall not exceed 50% of the assessed value of the non-conforming structure at the time of application, and further provided that the estimate of the cost of any extension,~~ or~~ alteration**, reconstruction or structural change** utilized by the Board of Appeals in evaluating the above specified 50% requirement of the assessed value shall not be less than a cost estimate of such extension,~~ or~~ alteration**, reconstruction or structural change** based on a nationally recognized building cost estimate manual or system acceptable to the Zoning Board of Appeals. ~~No special permits under this subsection shall be granted for nonconforming signs subject to Chapter 93 or 93D of the General Laws.~~
[Amended 4-15-2008 ATM by Art. 38]

§ 174-19 **Extensions,** ~~or~~ alterations**, reconstruction or structural changes.**
[Amended 4-10-2000 ATM by Art. 55]

A. Nonconforming structures or uses shall not be extended**,** ~~or~~ altered**, reconstructed or structural changes made** except to make them conforming~~,~~ unless the Board of Appeals authorizes such extension**,** ~~or~~ alteration**, reconstruction or structural change** by special permit upon making findings as provided in § 174-9E.

B. ~~Single family and two family residential structures. In the following circumstances,~~ **Notwithstanding the provisions of Section A above, as provided in M.G.L. c.40A, § 6, if any proposed extension, alteration**, reconstruction**,** ~~extension~~ or structural change to a single or two-family residential **structure complies with one of the conditions set forth in subsections (1) through (5) below, such extension, alteration, reconstruction or structural change** ~~structure~~ shall not be considered an increase in the non-conforming nature of the structure and shall be permitted as of right.
[Amended 10-7-2013 STM by Art. 9]

(1) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which complies with all current setbacks, lot coverage and building height requirements but is located on a lot with insufficient area~~,~~ where the alteration will also comply with all of said current requirements.~~;~~

(2) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which complies with all current setbacks, lot coverage and building height requirements but is located on a lot with insufficient frontage~~,~~ where the alteration will also comply with all of said current requirements.~~;~~

(3) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which encroaches upon one or more required setbacks~~,~~ where the alteration will comply with all current setbacks, open lot coverage and building height requirements. The provisions of this ~~s~~**S**ubsection ~~B (3)~~ shall apply regardless of whether the lot complies with current area and frontage requirements.

(4) Extension, alteration, reconstruction or structural change to the rear, side or fascia of a structure which encroaches upon a required yard or setback area where the alteration will not encroach upon such area to a distance greater than the existing structure. The provisions of this subsection shall apply regardless of whether the lot complies with current area and frontage requirements.

(5) Extension, alteration, reconstruction or structural change to a non-conforming structure which will not increase the footprint of the existing structure providing that existing height restrictions shall not be exceeded.

In the event that the Building Commissioner determines that none of the exemptions set forth in subsections (1) through (5) apply, and the Building Commissioner determines that the non-conforming nature of such structure would be increased by the proposed extension, alteration, reconstruction or structural change, then the Board of Appeals may, by special permit, allow such extension, alteration, reconstruction or structural change where the proposed modification will not be substantially detrimental than the existing non-conforming structure to the neighborhood.

; or do or act anything in relation thereto.

Proposed by: ZONING BOARD OF APPEALS
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary: *This article proposes to amend the Special Permit Requirements and Exemptions by the addition of language for the purpose of clarity and the inclusion of exemptions to comply with current case law.*

***ARTICLE 35**:* To see if the Town will vote to amend the Zoning Code of the Town of Southborough Article III entitled "Use Regulations" by replacing thereto Section 174-12.1 thereof entitled "Outdoor illumination" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

§ 174-12.1. Outdoor illumination. [Added 4-11-2005 ATM by Art. 40]

A. Purpose. This section recognizes the benefits of outdoor lighting and provides clear guidelines for its installation, so as to help maintain and complement Southborough's character. The intent of this section is to:

(1) encourage lighting that provides safety, utility and security, **productivity, enjoyment and commerce;**

(2) prevent glare on public roadways;

(3) protect the privacy of residents;

(4) promote energy-efficient outdoor lighting;

(5) limit the total allowable illumination of lots located in the Town of Southborough; ~~to reduce atmospheric light pollution~~.

(6) minimize adverse offsite impact such as light trespass, and obtrusive light;

(7) curtail light pollution and reduce skyglow to create a healthy night-time environment for residents of Southborough

DRAFT

The Planning Board is authorized to promulgate rules and regulations to carry forth the purpose and intent of these Bylaw provisions. Appropriately regulated, and properly installed, outdoor lighting will contribute to the safety and welfare of the residents of Southborough.

B. Applicability. Outdoor illumination by flood or spot luminaries rated at 900 lumens or more (which is approximately equal to one sixty-watt incandescent light bulb) or by any other luminaires rated at 1,800 lumens or more (which is approximately equal to one one-hundred-twenty-watt incandescent light bulb) shall be subject to the provisions of this section **including application to single and two-family residential lots**, with the following exceptions:

(1) emergency lighting;

(2) hazard warning;

(3) temporary decorative or holiday lighting ~~or public roadway illumination~~.

It shall also not apply to any luminaire intended solely to illuminate any freestanding sign, flag or the walls of any building, but such luminaire shall be shielded so that its direct light is confined to the surface of such sign, flag or building.

~~(1) The replacement of existing fixtures shall be subject to the provisions of this section; however, the replacement of existing nonconforming lamps or fixtures with the same or lower output nonconforming lamps or fixtures is exempted.~~

The replacement of fixtures or luminaires shall be subject to the provisions of this section and comply with guidance outlined in the Rules and Regulations for Outdoor Illumination maintained by the Planning Board. Non-conforming fixtures or luminaires requiring replacement for any reason (including but not limited to end of life, breakdown, vandalism) shall be replaced in compliance with this Bylaw.

~~(2)~~ The Planning Board, in performing review pursuant to § 174-10, Site plan approval, may determine that special circumstances of the site, context or design make an alternative lighting design at least equally effective in meeting the purposes of this section and, in such cases, may modify the requirements of this section.

C. Enforcement. The owner of any lot or property on which a luminaire subject to this Bylaw is located or proposed to be located shall have the burden of demonstrating that the existing or proposed luminaire complies with the standards established by this Bylaw. Violations of this Bylaw shall be subject to the provisions of the Town of Southborough Article VI entitled "Administration" Section 174-24 thereof entitled "Enforcement; procedures; violations and penalties."

D. Definitions. For the purposes of this section, the following terms shall be defined as indicated below. Although set forth here for convenience, the terms shall have the same effect as if in § 174-2 of this Bylaw.

BACKLIGHT

For an exterior luminaire is the 90-degree quarter-sphere located behind and below the light source. For luminaires with symmetric distribution, backlight will be the same as front light.

BUG RATING

A luminaire classification system that classifies backlight (B), uplight (U), and glare (G) per IES TM-15-11.

CORRELATED COLOR TEMPERATURE (CCT)

A specification of the color appearance of the light emitted by a lamp, relating its color to the color of light from a reference source when heated to a particular temperature, measured in degrees Kelvin (K).

FIXTURE

The assembly that houses a lamp or lamps, and which may include a housing, a mounting bracket or pole socket, a lamp holder, a ballast, a reflector or mirror, and/or a refractor, lens or diffuser lens.

FRONTLIGHT

For an exterior luminaire is the 90-degree quarter-sphere located in front and below the luminaire.

DRAFT

FULL CUTOFF

A luminaire designed with an opaque shield surrounding and extending below the lamp, such that no direct light is emitted above a horizontal plane.

FULLY SHIELDED LUMINAIRE

A luminaire constructed and installed in such a manner that all light emitted by the luminaire, either directly from the lamp or a diffusing element, or indirectly by reflection or refraction from any part of the luminaire, is projected below the horizontal plane through the luminaire's lowest light-emitting part.

GLARE

Light emitted from a luminaire with intensity great enough to produce annoyance, discomfort or a reduction in a viewer's ability to see, and in extreme cases causing momentary blindness.

HARDSCAPE

Permanent hardscape improvements to the site including parking lots, drives, entrances, curbs, ramps, stairs, steps, medians, walkways, and non-vegetated landscaping that is 100 feet or less in width. Materials may include but are not limited to concrete, asphalt, stone, and gravel.

INDIRECT LIGHT

Light scatter caused by direct light being redirected from a surface.

LAMP

The component of a luminaire that produces the actual light.

LED (Light Emitting Diode) LAMP

An electric lamp with a much longer lifespan than incandescent lighting and low energy consumption.

LIGHT TRESPASS

The shining of direct **or indirect** light produced by a luminaire beyond the boundaries of the lot on which it is located.

LUMEN

A measure of light energy generated by a light source. One footcandle is one lumen per square foot. For purposes of this bylaw, the lumen output shall be the initial lumen output of a lamp, as rated by the manufacturer.

LUMINAIRE

A complete lighting ~~system, including a lamp or lamps and a fixture.~~ **unit (fixture), consisting of a lamp, or lamps and ballast(s) (when applicable), together with the parts designed to distribute the light (reflector, lens, diffuser), to position and protect the lamps, and to connect the lamps to the power supply.**

LUMINAIRE LUMENS

For luminaires with relative photometry per Illuminating Engineering Society (IES), it is calculated as the sum of the initial lamp lumens for all lamps within an individual luminaire, multiplied by the luminaire efficiency. If the efficiency is not known for a residential luminaire, assume 70%. For luminaires with absolute photometry per IES LM-79, it is the total luminaire lumens. The lumen rating of a luminaire assumes the lamp or luminaire is new and has not depreciated in light output.

MOUNTING HEIGHT

The height of the photometric center of a luminaire in feet above grade level. Feet above grade level refers to the overall average grade of the area being illuminated.

UPLIGHT

For an exterior luminaire is all of the light escaping above the luminaire.

E. Lighting zones. The Lighting Zone shall determine the limitations for lighting as specified in this section.

LZ-0: No ambient lighting

Areas where the natural environment will be seriously and adversely affected by lighting. Impacts include disturbing the biological cycles of flora and fauna and/or detracting from human enjoyment

DRAFT

and appreciation of the natural environment. Human activity is subordinate in importance to nature. The vision of human residents and users is adapted to the darkness, and they expect to see little or no lighting. When not needed, lighting should be extinguished.

Zoning Districts: Conservation and Research, Scientific & Professional

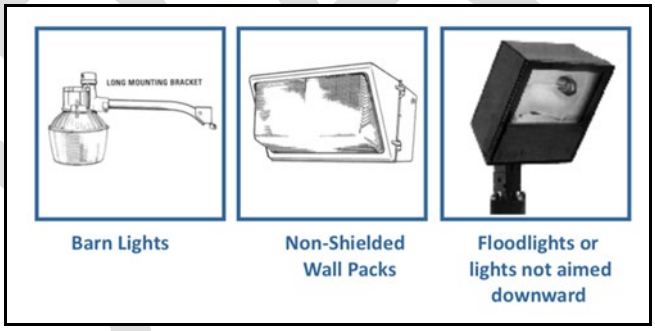
LZ-1: Low ambient lighting

Areas where lighting might adversely affect flora and fauna or disturb the character of the area. The vision of human residents and users is adapted to low light levels. Lighting may be used for safety and convenience but it is not necessarily uniform or continuous. After curfew, most lighting should be extinguished or reduced as activity levels decline.

Zoning Districts: Residence A and Residence B

LZ-2: Moderate ambient lighting

Areas of human activity where the vision of human residents and users is adapted to moderate light levels. Lighting may typically be used for safety and convenience, but it is not necessarily uniform or continuous. After curfew, lighting may be extinguished or reduced as activity levels decline.



Zoning Districts: Business Village

LZ-3: Moderately high ambient lighting

Areas of human activity where the vision of human residents and users is adapted to moderately high light levels. Lighting is generally desired for safety, security and/or convenience and it is often uniform and/or continuous. After curfew, lighting may be extinguished or reduced in most areas as activity levels decline.

Zoning Districts: Business Highway, Industrial and Industrial Park

Non-shielded wall-packs, barn lights, and floodlights not aimed downward are prohibited in all zones.

F. Total site lumen limit. The total installed initial luminaire lumens of all outdoor lighting shall not exceed the total site lumen limit. The total site lumen limit shall be determined using the hardscape area and table below. For sites with existing lighting, existing lighting shall be included in the calculation of total installed lumens. The total installed initial luminaire lumens are calculated as the sum of the initial luminaire lumens for all luminaires.

Table 1: Allowed Total Initial Lumens Per Site for Outdoor Lighting by Hardscape Method

LZ-0	LZ-1	LZ-2	LZ-3
• Conservation • Research, Scientific & Professional	• Residential A • Residential B	• Business Village	• Business Highway • Industrial • Industrial Park

0.5 lumens per SF of hardscape	1.25 lumens per SF of hardscape	2.5 lumens per SF of hardscape	5.0 lumens per SF of hardscape

G. Correlated Color Temperature (CCT). All proposed LEDs shall have a correlated color temperature (CCT) between 2200K and 3000K.

H. Exterior lighting plan. Applications subject to the provisions of § 174-10, Site plan approval, shall submit a lighting plan which shall include the following information, except to the extent waived by the Planning Board. All other lighting not subject to the provisions of said § 174-10 does not require a lighting plan but shall meet the standards as set forth in this **Bylaw** ~~section~~, unless as may otherwise be provided herein. **The installation of fixtures or luminaires shall be subject to the provisions of this bylaw and comply with guidance outlined in the Rules and Regulations for Outdoor Illumination maintained by the Planning Board. The** lighting plan shall include the following information **and comply with the regulations adopted pursuant to this Bylaw**:

(1) Location, orientation and type of outdoor luminaire, including the height of the luminaire, both existing and proposed;

(2) Type of lamp, such as metal halide, compact fluorescent, high pressure sodium**, LED;**

(3) Luminaire manufacturer's specification data, including lumen output and photometric data showing cutoff angles, as well as a description of all illuminating devices, fixtures, lamps, supports, reflectors, both existing and proposed; this may include, but is not limited to, catalog cuts and illustrations by manufacturers;

(4) Complete report of BUG rating data for all luminaires (if not already included in the manufacturer's specification data) calculated from photometric data (as per IES TM-15-11) showing compliance with the Planning Board Rules and Regulations for Outdoor Illumination;

(5) Photometric plan showing the intensity of illumination expressed in footcandles at ground level within the interior of the property and at the property boundaries **that also includes the Total Site Lumen Limit; Limits to Off Site Impact; Light Shielding for LED lighting; and the Correlated Color Temperature; according to adopted regulations;**

(6) Evidence that the plan complies with light trespass restrictions as set forth herein.

I. Waivers. An applicant may make a waiver request to the Planning Board for increased lighting levels within any given lighting zone and the Planning Board shall have such waiver authority hereunder.

J. Lighting control requirements. Automatic switch controls shall be provided that automatically extinguish all outdoor lighting when sufficient daylight is available using a control device or system such as a photoelectric switch, astronomic time switch or equivalent functions from a programmable lighting controller, building automation system or lighting energy management system, all with battery or similar backup power or device. The Exterior Lighting Plan shall establish curfew time(s) after which total outdoor lighting lumens shall be reduced by at least 30% or extinguished. Lighting reductions are not required for any of the following:

(1) Lighting for residential properties including multiple residential properties not having common areas; with the exception of landscape lighting

(2) When the outdoor lighting consists of only one luminaire.

(3) Code required lighting for steps, stairs, walkways, and building entrances.

(4) Lighting under canopies, in tunnels, parking garages, and similar conditions.

(5) When in the opinion of the Planning Board, lighting levels must be maintained.

(6) Motion activated lighting.

(7) Lighting regulated by special use in which times of operation are specifically identified.

(8) Businesses that operate on a 24-hour basis.

K. Community outdoor sports/recreational lighting requirements. These requirements are an exemption from the total site lumen limit based on hardscape metrics. Community outdoor sports or recreational facilities will be held to the IDA, IES criteria for outdoor sports lighting. On-field illuminance values will be determined by current IDA, IES set forth in the Rules and Regulations for Outdoor Illumination adopted to implement the intent and purpose of this bylaw. Standard regulations include:

(1) Color, luminaire correlated color temperature (CCT) may not exceed 5700 Kelvin;

(2) Other lighting, parking and concession area lighting will be considered a separate luminaire system and must meet the applicable lighting standards for the relevant lighting zones;

(3) Shut-off, curfew time shall be no later than 10:00PM (2200 hrs.); for good cause shown, the Planning Board may waive the compliance requirement of this subsection.

L. Street lights. Light emitted by the fixture shall have a correlated color temperature no greater than 3000 Kelvin and/or comply with Massachusetts DPU Tariff standards if applicable. All other street light features are exempt from regulation under this bylaw.

M. Light shielding for parking lot illumination. All parking lot lighting shall have no light emitted above 90 degrees from the installed vertical axis.

N. Flickering and flashing lights. No flickering or flashing lights shall be permitted. Processes, such as arc welding, which create light flashes shall be confined within buildings or shielded to prevent either direct glare or flashing.

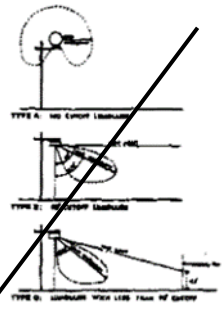
O. Fixture mounting heights.

(1) ~~F.~~ Wall-mounted fixtures. In nonresidential districts, a luminaire attached to the exterior of a building or structure for area lighting shall be mounted no higher than 15 feet above grade and shall be shielded to control glare. ~~"Wal pac" lighting fixtures are prohibited.~~

(2) ~~P.~~ Pole-mounted fixtures. Pole-mounted exterior lighting fixtures **shall not exceed the pole-mounted height limitation of 20 feet in all zones.** ~~types are defined and restricted as follows:~~

Existing non-conforming light heights may remain as mounted until modification is proposed, at which time the height must be brought into compliance.

~~(1) Type A: no light cutoff.~~



~~(2) Type B: luminaire shielded such that peak candlepower is at an angle of 75° or less from straight down, and essentially no light is emitted above the horizontal.~~

~~(3) Type C: luminaire shielded such that total cutoff is at less than 90° from straight down, and no light source is in direct view of an observer five feet above the ground at any point off the premises.~~

~~H. Pole mounted fixtures height limitation. Illustrations of pole mounted exterior lighting fixture types are shown in Chart I herein. Pole mounted fixtures shall not exceed the applicable pole mounted height limitation set forth in Chart II in any district. The Type A pole mounted exterior lighting fixture is prohibited in all nonresidential districts, unless equipped with shields.~~

~~CHART I. ILLUSTRATIONS~~

DRAFT

~~**CHART II. POLE MOUNTING HEIGHT LIMITATIONS**~~

	~~**Maximum Luminaire Mounting Height (feet above grade)***~~ ~~"District" is that in which fixtures are located.~~	
	~~**District**~~	
	~~**Residential**~~	~~**Nonresidential**~~
~~Fixture Type A~~	~~10~~	~~Not allowed (unless shielded)~~
~~Fixture Type B~~	~~15~~	~~20~~
~~Fixture Type C~~	~~20~~	~~20~~

~~* Note: Feet above grade refers to the overall average grade of the area being illuminated.~~

P. Ceiling-mounted fixtures. In nonresidential districts, luminaires mounted on an exterior ceiling such as under a canopy shall be mounted with the refractor or lens flush with or recessed in the ceiling or fixture.

Q. Lighting levels. Any luminaire with a lamp or lamps rated at a total of 1,800 lumens or more (which is approximately equal to one one-hundred-twenty-watt incandescent light bulb) and all flood or spot luminaires rated at 900 lumens or more (which is approximately equal to one 60-watt incandescent light bulb) shall not emit any direct light above a horizontal plane through the lowest direct-light-emitting part of the luminaire. If any spot or flood luminaire rated 900 lumens or less is directed or focused such as to cause direct light from the luminaire to be cast toward residential buildings on adjacent or nearby land, or to create glare perceptible to persons operating motor vehicles on public ways, the luminaire shall be redirected or its light output controlled as necessary to eliminate such conditions. The Planning Board reserves the right to limit and regulate the amount of illumination on a project site between the hours of 10:00 p.m. and 6:00 a.m., while understanding the need for safety and security lighting.

R. Light trespass limitations. There shall be no light trespass by a luminaire beyond the property boundaries of the lot on which it is located, except as within a street right-of-way for which there shall be no limit.

; or do or act anything in relation thereto

Proposed by: PLANNING BOARD
Board of Selectmen Recommendation:
Advisory Committee Recommendation:

Summary: *The article proposes to replace the current language in Section 174-12.1 Outdoor illumination with new language to reduce blue lighting and increase public health based on recommendations from the American Medical Association and the International Dark-sky Association.*

DRAFT

***ARTICLE 36**:* To see if the Town will vote to amend the Zoning Code of the Town of Southborough, Article III entitled "Use Regulations" by amending thereto Section 174-10, entitled "Site Plan Approval" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

§ 174-10. Site plan approval.

[Amended 4-8-1985 ATM by Art. 39; 4-14-1986 ATM by Art. 48; 4-13-1987 ATM by Art. 43; 4-11-1988 STM by Art. 4; 4-26-1990 ATM by Art. 41]

A. The purpose of the site plan review procedure is to encourage a desirable and compatible character of development within the Town of Southborough and to assure safety, promote logic, imagination and innovation in the design process while complying with all zoning requirements. The requirements of this section shall be applicable to the following:

   (1) Any nonresidential development that results in an increase in on-site parking.

   (2) All modifications to existing development projects which fall within the applicability of the Town's regulations for parking and loading (§ 174-12) or landscaping (§ 174-13).

   (3) Any change in use or reactivation of a facility that has not been in use for a period of two years.
   [Added 4-8-1996 ATM by Art. 51]

   (4) Multifamily housing for the elderly.
   [Added 4-15-1997 ATM by Art. 56]

   (5) Adaptive reuse of historic buildings.
   [Added 4-25-2017 ATM by Art. 30]

B. Site plan review will be processed by one of the following means:

   (1) Minor plan review. Any new development, or expansion in use other than a single-family or two-family residence which adds less than 2,000 square feet of floor area or which would require at least five but fewer than 20 parking spaces regardless of the number of parking spaces existing on the premises, or any change of use of a facility that totals less than 2,000 square feet shall be subject to minor plan review by the **Planning Board** ~~Site Plan Review Committee. The Site Plan Review Committee shall be chaired by the Town Planner and will consist of a Selectmen or its designee, Building Inspector, Highway Superintendent, Board of Health Agent, Superintendent of the Water Department, Police Chief and Fire Chief or their designee, who will meet at a regularly scheduled time and place to review plans.~~ The **Planning Board** ~~Committee~~ shall also seek the advice of the Conservation Commission in the review of all minor plan submissions.
   [Amended 4-8-1996 ATM by Art. 51]

      (a) ~~Minor plan review will require 10 copies of the site plan to be submitted to the office of the Planning Board, together with an application form and filing fee.~~ **A complete application form, filing fee and multiple copies of all submission documents shall be submitted to the office of the Planning Board according to instructions on the application form.** All plans will be prepared at a scale no greater than one-inch equals 40 feet on standard twenty-four-by-thirty-six-inch sheets and shall show, as a minimum:

         [1] All existing and proposed buildings, including setbacks.

         [2] Existing and proposed parking.

         [3] Driveway openings.

         [4] All property and street lines.

         [5] Existing and proposed landscaping.

         [6] Existing and proposed signs.

         [7] Surfacing, indicating treatment of all surfaces.

         [8] Location of all wetlands.

DRAFT

[9] Method of sewage disposal.

[10] Water supply.

[11] Stormwater drainage.

[12] Such other information as the **Planning Board** ~~Site Plan Review Committee~~ may reasonably request.

~~(b) Any dispute arising from the minor plan review process or any plan not receiving unanimous approval from the Site Plan Review Committee shall be referred to the Planning Board for action. The Committee may also refer any site plan that, due to unusual circumstances or a unique situation, it feels should be approved by the Planning Board. All site plans sent to the Planning Board by the Site Plan Review Committee for action will be handled through the minor plan review process.~~
~~[Amended 4-8-1996 ATM by Art. 51]~~

(b) Minor site plan is not a public hearing.

(c) The **Planning Board** ~~Site Plan Review Committee~~ shall approve, **or** disapprove ~~or refer to the Planning Board~~ all submittals for minor **site** plan review within **the required** 30 days of a completed application to the office of the Planning Board**, but the required time may be extended by written agreement between the applicant and the Board, a copy of said agreement to be filed with the Town Clerk. The actions allowed by the minor site plan approval are authorized for a one-year period from the date of grant thereof. The applicant shall be granted a single one-year extension by applying to the Planning Board, in writing, prior to the date of expiration. If the actions permitted are not exercised or the approval not extended, they shall lapse, and a new application will be required.**

(d) Where applicable, all other criteria and conditions of this section will govern minor plan review.

(2) Major plan review. Any new development, or expansion in use other than a single-family or two-family residence which adds 2,000 square feet or more of floor area or which would require 20 or more parking spaces, regardless of the number of parking spaces existing on the premises, or any change of use of a facility that totals 2,000 square feet or more shall be subject to major plan review by the Planning Board. The major site plan submission shall consist of the following elements:
[Amended 4-8-1996 ATM by Art. 51]

(a) Ownership, zoning, use and the general location of structure and topography within 300 feet of the property lines of the site or adjacent land contiguously owned with the site.

(b) All **plans will be prepared at a scale no greater than one-inch equals 40 feet on standard twenty-four-by-thirty-six-inch sheets and shall show, as a minimum, all** site features, existing or proposed, including but not limited to the following:

[1] Driveways, including widths.

[2] Parking facilities, including dimensions thereof.

[3] Loading facilities.

[4] Service areas.

[5] Street line, including widths.

[6 Roadways, including widths.

[7] Pedestrian walks, including widths and types of surface.

[8] Landscaping designation, specific plantings.

[9] Screening.

[10] Signs, including proposed sizes, mounting heights, types and drafted design.

[11] Lighting, including plan location and detail information, size, type and wattage.

[12] Surfacing, indicating treatment of all surfaces.

[13] Existing trees on the site which are a caliper of six inches or larger.

[14] Wetlands.

DRAFT

[15] Drainage, including detailed design data, pipe sizing, etc.

[16] Stone walls.

[17] Topography at two-foot contour intervals.

[18] Sewage disposal, including detailed design information.

[19] Water supply.

[20] Curbing.

[21] Such other information as the Planning Board may reasonably request.

(c) The construction of the work as detailed on the site plan shall not deviate from the work shown on the approved site plan. Accordingly, the site plan shall contain a sufficient level of detail to ensure the constructability of the project. Supporting details and documentation shall be presented as part of the site plan submission. **Suitable space to record action of the Planning Board including signature lines shall be provided on each plan sheet.**

(3) Incomplete applications for both the minor and major review shall not be accepted by the Planning Board. Following submission of a site plan to the Planning Board, the Board or its designee shall review the **application**/plan for completeness within three business days of the submission. Completeness shall be based on the requirements of **the** ~~this~~ **respective** subsection**s for minor or major review.** If the submission is determined incomplete by the Planning Board or its agent, notice will be **provided** ~~mailed~~ to the applicant ~~by certified mail~~ within three business days of the submission specifying the deficiencies.

C. The plan**s for minor or major site plan approval** shall be prepared by a professional engineer, land surveyor, architect or landscape architect registered to practice in the Commonwealth of Massachusetts**. A complete application form, filing fee and multiple copies of all submission documents shall be submitted to the office of the Planning Board according to instructions on the application form.** ~~and shall be submitted with 11 copies to the office of the Planning Board, together with an application form and a filing fee, if any.~~

D. Approval required.

(1) Site plan approval shall be granted **by a majority vote** upon determination by the Planning Board that the following are complied with. Any new building construction or other site alteration shall provide adequate access to each structure for fire and service equipment**; shall provide** ~~and~~ adequate provision for utilities and stormwater drainage consistent with the functional requirements of the Southborough Planning Board's Rules and Regulations for the Subdivision of Land**;** ~~and~~ shall be so designed that for the given location, ~~and~~ type and extent of land use, the design of building form, building location, egress points, grading and other elements of the development shall be so as to:

(a) Minimize the volume of cut and fill, the number of removed trees six inches in caliper and larger, the length of removed stone walls, the area of wetland vegetation displaced, the extent of stormwater flow increase from the site, soil erosion and the threat of air or water pollution.

(b) Maximize pedestrian and vehicular safety and convenience within the site and egressing from it.

(c) Minimize obstruction of scenic views from publicly accessible locations.

(d) Minimize visual intrusion by minimizing the visibility of parking, storage or other outdoor service areas viewed from public ways or premises residentially used or zoned; minimizing glare from headlights through plantings or other screening; minimizing lighting intrusion through use of such devices as cutoff luminaires confining direct rays to the site; fixture mounting height not higher than 20 feet ~~except adjacent to Route 9~~; and avoiding unreasonable departure from the character of building**s** in the vicinity.

(2) The Planning Board shall adopt and from time to time amend reasonable regulations for the administration of these guidelines.

E. The Planning Board shall hold a public hearing on the application for **major** site plan approval, with a written notice of the time and place of said hearing being given the applicant and the Board of Selectmen. The applicant

DRAFT

is responsible for sending this notice to the certified abutters by certified mail return receipt requested, at least 10 days before the scheduled hearing. The Planning Board shall not act on the application until it has received and given due consideration to the recommendations of the Board of Selectmen or until 10 days have elapsed after the public hearing without receipt of the Selectmen's comments.

F. The Planning Board shall act on **~~an~~ complete** application for **major** site plan approval and shall notify, in writing, the applicant, the Board of Selectmen and the Building **Commissioner** ~~Inspector~~ of its action within 60 days of the receipt of **a** ~~the~~ **complete** application **filed with the Town Clerk, but the required time may be extended by written agreement between the applicant and the Board, a copy of said agreement to be filed with the Town Clerk.** ~~Failure of the Planning Board to so act and to notify the applicant within said 60 days shall constitute approval of the site plan.~~ **Upon site plan approval, applicant shall provide final plan sets for Planning Board endorsement, followed by a digital copy after Planning Board signatures.** The actions allowed by the **major** site plan approval are authorized for a one-year period from the date of grant thereof. The applicant shall be granted a single one-year extension by applying to the Planning Board, in writing, prior to the date of expiration. If the actions permitted are not exercised or the approval not extended, they shall lapse, and a new application, notice and hearing will be required.

G. Any person aggrieved by the action of the Planning Board on **~~a~~ either minor or major** site plan approval application may appeal said action to a Court of competent jurisdiction in accordance with M.G.L. c.40A, Section 17**, as amended. No action shall take effect until twenty days have lapsed after the decision has been filed in the office of the Town Clerk and any appeals have been resolved.**
[Amended 5-22-2018 STM by Art. 3]

H. Minor departures from the site plan as approved**,** may be authorized by the Building **Commissioner** ~~Inspector~~ after approval of the **Planning Board** ~~Site Plan Review Committee~~ if required by engineering or other circumstances not foreseen at the time of plan approval. Any change increasing the size of any building or structure, changing the location of any building, parking or access road by more than 10 feet or reducing landscaping or screening **or increase to site lighting levels** may be made only through review by the Planning Board following the same procedures as for an original submittal. Any departure must be requested, in writing, with the basis for the change given. Any change authorized shall be recorded on the file copy of the site plan with the Building **Commissioner** ~~Inspector~~s signature and the date.

I. The removal, fill or change of grade of earth materials, including soil, loam, sand or gravel, undertaken in order to construct or locate buildings, structures and such features accessory thereto as ways, driveways, areaways, walks or parking areas, and therefore exempt from regulations under Chapter 85 of this Code, is a part of construction and development process regulated by the Zoning Chapter. Except as necessary for the construction of detached one- or two-family dwellings and of features accessory thereto, the removal, fill or change of grade of earth materials for the purposes defined above shall be subject to approval under this section. Where the commencement of removal, fill or change of grade of earth materials precedes construction by three months or more, the submission and approval of the site plan may be undertaken in two stages, with the information for the first stage limited to property boundaries, existing and proposed topography at two-foot or lesser contour intervals, the character of the soil to be removed, added or relocated, the location and depth of any service and drainage conduits or pipes and the approximate location of any existing or proposed buildings, structures or physical features accessory thereto. Each stage shall be treated as a separate site plan for the purposes of this section, and the approval of Stage 1 of a site plan shall not be construed to assure the subsequent approval of Stage 2.

J. Compliance. The issuance of an occupancy permit will not be given prior to the satisfactory completion of all elements and conditions of the approved site plan. A temporary occupancy permit may be issued after the satisfactory completion of all items essential to public health and safety and sufficient bonding acceptable to the Planning Board is provided to the Town to cover all outstanding items.

; or do or act anything in relation thereto

Proposed by: PLANNING BOARD

DRAFT

Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary: *This article proposes to amend the Site Plan Approval bylaw by bringing minor site plan approval under the purview of the Planning Board, as opposed to the Site Plan Review Committee and further clarify steps for minor and major site plan approval.*

ARTICLE 37: To see if the Town of Southborough will vote to approve the Southborough Noise Bylaw proposal attached to this document, as amended, or do or act anything in relation thereto.

SOUTHBOROUGH NOISE BYLAW

1.1 **Declaration of Policy**
Whereas excessive sound can be a serious hazard to the public health and welfare and safety and the quality of life; and whereas a substantial body of science and technology exists by which excessive sound may be substantially abated; and whereas the citizens of Southborough have a right to and should be ensured an environment free from excessive sound that may jeopardize their health or welfare or safety or degrade the quality of life; now, therefore, it is the policy of the Town of Southborough (the "Town") to prevent excessive sound which may jeopardize the health and welfare or safety of its citizens and/or degrade the quality of life.

It shall be unlawful for any person to make, continue to make, permit or cause to be made or continued, any loud, excessive, unnecessary or unusually loud noise or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of reasonable persons of normal sensitivities. Furthermore, it shall be unlawful for any person who has custody and control of the premises to allow or permit another person to make, continue or permit to be made or continued any loud, excessive, unnecessary or unusually loud noise or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of reasonable persons of normal sensitivities within the limits of the Town of Southborough.

1.2 **Definitions**
Except as may be specified herein, acoustical terminology used throughout this Bylaw is that approved as American National Standard Acoustical Terminology [ANSI S1.1-1994] by the American National Standards Institute (ANSI). The following words, phrases and terms as used in this Bylaw shall have the meanings as indicated below:

A. BACKGROUND SOUND LEVEL shall mean the sound level associated with a given environment, being a composite of sounds from all sources excluding the alleged offensive noise, at the location and approximate time at which a comparison with the alleged offensive noise is to be made.

B. CONSTRUCTION shall mean those activities requiring a building permit, and shall also include any site preparation, cemetery burial and caretaking operations, seismic surveys grading, assembly, erection, substantial repair, alteration, or similar action, including demolition, for or of public or private rights-of-way, structures, utilities or similar property.

C. The abbreviation dBA shall mean the A-weighted sound pressure level expressed in decibels and referenced to 20 Micropascals. The abbreviation dBC shall mean the C-weighted sound pressure level expressed in decibels and referenced to 20 Micropascals.

D. EMERGENCY VEHICLE: shall mean any vehicle operated in an effort to protect, provide or restore public safety, including, but not limited to, ambulances, police vehicles and fire vehicles.

E. EMERGENCY WORK: shall mean any work performed in an effort to protect, provide or restore public safety, or work by private or public utilities when restoring utility service or any work performed for the purpose of preventing or alleviating the physical trauma or physical damage threatened or caused by an emergence – an occurrence or set of circumstances involving actual or imminent physical trauma or property damage.

DRAFT

F. ENFORCING PERSON: shall mean any police officer, building official or public health official of the Town or any other Town employee designated by the Town Manager for this purpose.

G. IMPACT DEVICE: shall mean a construction device in which or by which a hammer, meaning a moving mass of hard solid material, is mechanically by means of a working fluid or compressed air caused to repetitively impact upon and transmit kinetic energy to a tool. The tool may be included as a part of the device, as in the case of a moil on a paving breaker or the drill steel of a jackhammer, or it may be a mass to which the impact device is temporarily connected as in the case of a pile and pile driver. Examples of impact devices are pile drivers, paving breakers, power impact hammers, impact wrenches, riveters and stud drivers.

H. INTRUDING NOISE: shall mean the total sound level created, caused, maintained by, or originating from an alleged offensive source at a specified location while the alleged offensive source is in operation.

I. PERSON: shall mean a person, firm, association, co-partnership, joint venture, corporation or any entity recognized by applicable law, public or private in nature.

J. SOUND LEVEL: shall mean the instantaneous A-weighted sound pressure level, in decibels, (dBA) as measured with a sound level meter set to the "A" weighting scale, slow response. On the decibel scale a sound level increase of 10 means the sound is 10 times more intense or powerful.

Decibel levels of some common activities are listed below:

Sound Level - dB	**Source**
50 - 65	normal conversation
60 - 65	laughter
70	hair dryer, vacuum
V Increasing risk of hearing loss V	
80	garbage disposal
85 - 90	lawnmower
100	garbage truck
120	walk behind leaf blower
130	jet takeoff/landing
145	fireworks

K. SOUND LEVEL METER: shall mean an instrument meeting American National Standard Institute's (ANSI) Standard S1.4-1983 for Type 1 or Type 2 sound level meters or an instrument and the associated recording and analyzing equipment, which will provide equivalent data.

1.3 **Designated Noise Zones**

The properties hereinafter described are hereby assigned to the following noise zones:

NOISE ZONE I: All properties utilized as residential uses in accordance with the Town of Southborough Zoning Bylaws and the grounds of any school, hospital or similar health care institution, house of worship or library while the same is in use, and any Cemetery or Open Space.

NOISE ZONE II: All other property used in accordance with the Town's Zoning Bylaw.

DRAFT

1.4 **Exterior Noise Standards**
It shall be unlawful for any person at any location within the area of the Town to create any loud noise, or to allow the creation of any noise, on property owned, leased, occupied or otherwise controlled by such person, which causes the sound level when measured on complainant's property to exceed the greater of:

A. The maximum allowable exterior sound level outlined in Table I; or
B. Five dB over the background sound level.

Table 1. Maximum Allowable Exterior Sound Level		
Noise Level	Daytime level 7:00 AM to 10:00 PM	Nighttime level 10:00 PM to 7:00 AM
I	60 dBA	50 dBA
II	70 dBA	65 dBA

If the intruding noise source is continuous and cannot reasonably be discontinued or stopped for a time period whereby the background sound level can be determined, the measured sound level obtained while the source is in operation shall be compared directly to the maximum allowable exterior sound level outlined in Table I.

1.5 **Construction Noise Standards**
A. Noise associated with construction is permitted between 7:00 AM and 6:00 PM on weekdays and 9:00 AM and 5:00 PM Saturdays provided the sound level from:

1. Non-impact devices do not exceed 70 dBA as measured over a time interval of 1 minute with the sound meter set to slow located on any other property, but at least 50 feet from the construction activity;

2. Impact devices does not exceed 90 dBA as measured with a sound level meter set to slow response located on any other property, but at least 30 feet from the construction activity.

B. Between the hours of 6:00 PM and 7:00 AM on weekdays and Saturday, noise associated with construction, shall be limited by the standards of Section 1.4.

C. Construction activities shall not be allowed on Sundays or legal holidays.

1.6 **Maintenance Noise Standards**
A. Noise associated with maintenance is permitted between 7:00 AM and 6:00 PM on weekdays, 8:00 AM and 6:00 PM on Saturdays and between the hours of 9:00 AM and 6:00 PM on Sunday, provided the sound level does not exceed 70 dBA as measured with a sound level meter set to slow response on any other property, but at least 50 feet from the maintenance;

B. Between the hours of 6:00 PM and 7:00 AM on weekdays, 6:00 PM and 8:00 AM on Saturday and between the hours of 6:00 PM and 9:00 AM on Sunday or a legal holiday, noise associated with maintenance, shall be limited by the standards of Section 1.4.

1.7 **Commercial Trash Collection and Deliveries or Pick-up**
A. The operation of commercial trash compactors or collection of trash, rubbish, refuse or debris, which generates noise in excess of the criteria given in Section 1.4 at any point of public or common pass-by between the hours of 7:00 PM and 7:00 AM is prohibited.

DRAFT

B. Deliveries or pick-ups for commercial or business purposes between 10:00 PM and 6:00 AM are prohibited unless the noise level of such deliveries or pick-ups in nearby residential areas does not exceed the noise criteria listed in Section 1.4.

1.8 **Motor Vehicles or Motorcycles**
Motor vehicles or motorcycles operated on public ways in the Town of Southborough or in any place where the public has the right of access as invitees or licensees may not exceed a maximum sound level of 85 dBA. It is also in violation of the Bylaw to operate a motor vehicle or motorcycle without a sound-limiting device connected to the exhaust system. This prohibits so-called "straight pipe" exhaust systems. This section shall not include screeching sounds emitted from emergency braking. Measurement for the purposes of this Section shall be at a distance of 36 inches from the noise source.

1.9 **Special Provisions**
Noise associated with the following activities shall be exempted from the provisions of this Bylaw:

A. Emergency work or emergency vehicles.

B. The operation of any vehicular alarm provided it terminates within 15 minutes of the initially recorded complaint.

C. Occasional outdoor gatherings, public dances, shows, and sporting and entertainment events provided said events are conducted pursuant to a permit or license issued by the appropriate jurisdiction relative to the staging of said events.

D. The intermittent or occasional use, during the daytime, of homeowners' light residential outdoor equipment

E. Snow removal performed by snow blowers, snow throwers or snow plows when appropriately outfitted with a muffler.

F. Any activity to the extent regulation thereof has been preempted by Town, State or Federal Law or by agreement between Town, State or the Federal Government.

1.10 **Prima Facie Violations**
Any measured noise exceeding the sound level standards as specified in Sections 1.4 through 1.10 may be deemed by the enforcing person to be prima facie evidence of a violation of the provisions of this Bylaw.

1.11 **Penalties for Violations**
A. Violations under Article 1, in the discretion of the enforcing person, may be enforced by non-criminal disposition as provided in MGL Chapter 40, Section 21D.

B. The penalty for a violation under this Bylaw shall be $100 for a first offense, $250 for a second offense, $500 for a third offense, and for each succeeding offense each day or part thereof shall constitute a separate offense.

Proposed by: PETER LAPINE, et al.
Board of Selectmen Recommendation:
Advisory Committee Recommendation: Not support
Summary: *As the population of Southborough grows, it has transitioned from a rural community to one that is more suburban. People move to Southborough to enjoy its natural beauty and peaceful environment. With increased housing density, practices of earlier times increasingly encroach upon the tranquility of Town residents, resulting in conditions characterized as being out of balance. There is an ever-growing requirement to place limits on these practices – a rebalancing - so that everyone, business owners and homeowners alike, may prosper. This article, a Noise Bylaw, seeks to harmonize the needs of Town residents with those of local business owners.*

***ARTICLE 38**:* To see if the Town of Southborough will vote to pass a bylaw to reduce plastic waste

DRAFT

Section 1 Purpose and Intent

The production and use of single-use plastics such as polystyrene food packing and thin-film plastic checkout bags have significant impacts on the environment, including, but not limited to, contributing to the potential death of aquatic and land animals through ingestion and entanglement; contributing to pollution of the natural environment; creating a burden to solid waste collection and recycling facilities; clogging drainage systems; and requiring the use of millions of barrels of crude oil nationally for their manufacture. Additionally, polystyrene contains known carcinogens, and readily leaches into certain foodstuffs. Measurable levels of polystyrene are now found almost 100% of human fat samples.

The purpose of this bylaw is to preserve the Town's water, wildlife and natural resources—as well as to enhance the health of its citizens—by banning within the Town of Southborough two of the largest contributors of non-recyclable plastics to the environment—single-use polystyrene retail food packaging and single-use plastic checkout bags—while promoting the adoption of more environmentally friendly alternatives.

Section 2 Definitions

"Polystyrene food packaging" – means any holder of food or beverage made from polystyrene, either in solid or foam (Styrofoam) form, such as cups, plates, or take-out containers, as well all other single-use plastic products made to facilitate the consumption of foods, such as straws, lids and utensils made from polystyrene or other non-compostable plastic materials.

"Checkout bag" – means a carryout bag provided by a store to a customer at the point of sale. Checkout bags shall not include bags, whether plastic or not, in which loose produce or products are placed by the consumer to deliver such items to the point of sale or checkout area of the store.

"Retail Store" – means any business facility that sells goods directly to the consumer whether for or not-for-profit, including, but not limited to, retail stores, restaurants, pharmacies, convenience and grocery stores, liquor stores, as well as seasonal and temporary businesses.

"Reusable checkout bag" – means a bag with handles that is specifically designed and manufactured for multiple reuse and is either polyester, polypropylene, cotton or other durable material, or durable plastic that is at least 4.0 mils in thickness.

"Thin-film single-use plastic bags" – are those bags typically with handles, constructed of high-density polyethylene (HDPE), low density polyethylene (LDPE), linear low density polyethylene (LLDPE), polyvinyl chloride (PVC), polyethylene terephthalate (PET), or polypropylene (other than woven and non -woven polypropylene fabric), if said film is less than 4.0 mils in thickness

"Recyclable paper bag" – means a paper bag that is 100 percent recyclable and contains at least 40% post–consumer recycled content, and displays the words "recyclable" and "made from 40% post-consumer recycled content" in a visible manner on the outside of the bag

Section 3 Use Regulations
(A) Polystyrene food packaging shall not be distributed, used, or sold by any retail store within the town of Southborough.

(B) Thin-film single-use plastic bags shall not be distributed, used, or sold for checkout or other purposes at any retail store within the Town of Southborough.

(C) If a retail store provides or sells checkout bags to customers, the bags must be one of the following (1) recyclable paper bags, or (2) reusable checkout bags. The retail store may charge for said bags.

DRAFT

(D) Thin-film plastic bags used to contain dry cleaning, newspapers, produce, meat, bulk foods, wet items and other similar merchandise, typically without handles, are still permissible.

(E) Violation of the By-Law to Reduce Plastic Waste: First offense – written warning; 2nd offense - $100 per offense; 3rd and subsequent offenses - $250 per offense.

Section 4 Effective Date

This bylaw shall take effect six (6) months following Town Meeting approval of the bylaw. Upon application of the owner or the owner's representative, the Board of Selectmen or their designee may exempt a retail store from the requirements of this section for a period of up to two (2) months upon a finding by the Board of Selectmen or their designee that (1) the requirements of this section would cause undue hardship; or (2) a retail store requires additional time in order to draw down an existing inventory of straws or checkout bags.

Section 5 Enforcement

Enforcement of this bylaw shall be the responsibility of the Board of Selectmen or their designee. The Board of Selectmen or their designee shall determine the monitoring process to be followed, which may be limited to responding to citizen reports, and incorporating the monitoring process into other town duties as appropriate. Any retail store distributing plastics in violation of this bylaw shall be subject to fines as described in Section 3 (E) above. Any such fines shall be paid to the Town of Southborough. No licenses shall be renewed for any establishment with outstanding violations under this section.

Section 6 Severability

If any provision of this bylaw is declared invalid or unenforceable the other provisions shall not be affected thereby.

; or to do or act anything in relation thereto.

Proposed by: MICHAEL WEISHAN, ET AL.
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary: *This proposed bylaw would make a marked contribution to the heath of both the citizens of Southborough and the overall environment by banning single-use plastic bags, Polystyrene cups, straws, utensils etc. at all retail establishments in Southborough.*

ARTICLE 39: To see if the Town of Southborough will vote to strongly request that the Board of Selectmen direct DPW to conduct an analysis of Flagg Road for the purpose of instituting a commercial truck exclusion (similar to Latisquama Road), or do or act anything in relation thereto.

Proposed by: JONAS LINDEN, ET AL.
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary: *Due to increased pedestrian and bicycle activity on Flagg Rd and documented cases of trucks driving into yards and destroying property, including dangerous tractor trailer activity resulting in a tow off Trottier School children's path, we are strongly requesting the Board of Selectmen direct DPW to conduct an analysis of Flagg Road for the purpose of instituting a commercial truck exclusion.*

DRAFT

And you are to give notice hereby by posting true and attested copies of the Warrant on the Town website, the Southborough Town House, 17 Common Street, Southborough Senior Center, 9 Cordaville Road, Southborough Library, 25 Main Street, and Southborough Transfer Station, 147 Cordaville Road; seven (7) days at least before the time appointed for such meeting.

Given under our hand this 20th day of April, 2021.

BOARD OF SELECTMEN OF THE TOWN OF SOUTHBOROUGH

DRAFT

MEMORANDUM

TO: BOARD OF SELECTMEN

FROM: VANESSA HALE, ASSISTANT TOWN ADMINISTRATOR

SUBJECT: ADMINISTRATIVE ASSISTANT APPOINTMENT

DATE: APRIL 23, 2021

I would respectfully request that the Board of Selectmen appoint Katie Barry as the Administrative Assistant for the Board of Selectmen's Office. As you may recall, this position has been reconfigured to be a shared position with Selectmen, Treasurer/Collector, and Conservation offices.

The Interview Panel consisted of Melissa Danza and myself [first round], as well as Mark Purple and Brian Ballantine [second round]. Four individuals were interviewed in the first round.

Mr. Purple and I do recommend we start Ms. Barry at an hourly rate of $24.50. Since it is a promotion of an existing employee, it requires the approval of the Personnel Board and they are scheduled to meet next on May 12, 2021.

We are confident her skill set is very strong and that she possesses the knowledge required, as well as the ability, to make this reconstituted position successful. You will recall that Ms. Barry has been taking the minutes for the Board of Selectmen since January of 2018 which has allowed her to have great comprehension of the matters that are conducted in the Selectmen's Office.

Ms. Barry has been filling the position temporarily, as well as handling her ZBA responsibilities. She will continue to assist ZBA until a replacement is found.

Thank you for your consideration.

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, April 27, 2021, 8:00 A.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 8:00 A.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Class II License Application – RAD Exotics, LLC at 251 Turnpike Road

Mr. Purple read the public hearing notice. Mr. David Sigler, proposed manager, presented the proposal. 20+ years in car sales for higher-end vehicles. Lives in Southborough within walking proximity to the location. Ms. Braccio asked if box 7 was checked. Mr. Sigler said that the form was resubmitted correctly. Mr. Sigler said soft opening in June, full opening in September. Mr. Stivers asked if plans to sell new or used vehicle. Mr. Sigler said that most would be pre-owned at this time. May be able to add new vehicles in the future, but pre-owned would be the business model. Mr. Stivers asked about number of employees. Mr. Sigler said that they will open with 5 employees, ramp up to 8-10 when fully functioning. Not doing external service, just to own vehicles. Mr. Healey asked about volume of cars on lot. Maximum of 70-75 cars when fully functioning. Good to see business opening in this climate.

Marnie Hoolahan, 26 Clifford Street – would hope that test drives would obey speed limits in the abutting neighborhoods, as the previous business did. Mr. Sigler said that they don't intend to test drive many of the cars, and not in the abutting neighborhood. Ms. Hoolahan wanted to know about the new paint color for the building. Mr. Sigler said that it is still in progress, but will remain blue.

Mr. Shea Motion to close the public hearing, seconded by Mr. Healey. Unanimous approved, all.

Mr. Healey motion to approve the Class II License as submitted, seconded by Mr. Shea. Unanimous approved, all.

III. Consent Agenda

a. Mr. Health motion to appoint Ms. Barry to the Administrative Assistant position in the Selectmen's Office as recommended by the Town Administrator, Ms. Braccio seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

IV. Other Matters Properly Before the Board

None

V. Public Comment

None

VI. On a motion made by Mr. Healey, seconded by Mr. Stivers and voted all in favor (5-0-0) by roll call, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye, the meeting was adjourned at 8:13 A.M.

Upcoming Meetings	
May 4, 2021	*May 18, 2021*

Respectfully submitted,

Mark Purple, Town Administrator

Traffic Constables

POLICY & PROCEDURE NO.		PAGES:	5
4.19		ISSUE DATE:	
MASSACHUSETTS POLICE ACCREDITATION STANDARDS REFERENCED:		EFFECTIVE DATE:	
ISSUING AUTHORITY: Kenneth M. Paulhus **Chief Kenneth M. Paulhus**		REVISION DATE:	

DRAFT

GENERAL CONSIDERATIONS AND GUIDELINES

Special Traffic Constables direct and control traffic to insure its smooth and safe flow. *Special Traffic Constables* must demonstrate a firm commitment to carry out assignments in a competent, timely and professional manner. It is the policy of the Southborough Police Department to provide guidance to *Special Traffic Constables* through various policies, procedures, and regulations, which have been established to direct members in the performance of their duties and responsibilities.

POLICY

It is the policy of this department that:

A. *Special Traffic Constables* are not sworn police officers and are not covered by MGL 41 sect. 98. *Special Traffic Constables* have absolutely no authority to issue citations, effect seizures, serve arrest warrants and other process, or make arrests.

B. *Special Traffic Constables* are appointed, pursuant to G.L. c. 41 . section

91A, by the Board of Selectpersons, upon the recommendation of the Chief of Police.

C. *Special Traffic Constables* are not covered by any collective bargaining unit and as such do not have the right of grievance.

PROCEDURE

A. *Special Traffic Constables*

1. **AUTHORITY**: The power of *special traffic constables* is strictly limited to the direction, control, and regulation of vehicular traffic. Such power shall only be exercised when in uniform, and only while performing an official assignment given by the Police Department.

2. *Special Traffic Constables* shall obey, without reservation, the regulations of the department and all lawful commands of police officers.

3. *Special Traffic Constables* are used, at the sole discretion of the Chief of Police, to direct traffic and facilitate the smooth flow of vehicular and pedestrian traffic.

4. Upon request by an officer, *Special Traffic Constables* shall support, aid, and assist police officers in the lawful performance of their duties.

5. *Special Traffic Constables*, who are not fulltime Town or State Employees, shall provide the Lieutenant a letter each year by May 1, signed by a registered physician stating that such person is capable of performing the duties of a *Special Traffic Constable*, as described in this policy. The Special Traffic Constable must be between of the age of 18 years and 69 years of age.

DRAFT

6. All *Special Traffic Constables* must pass a criminal background check prior to assuming any duties, if not a fulltime Town or State employee.

Duties

A. Working at assigned locations, performs traffic control duties including manually directing traffic, operating traffic signal controls and placing traffic cones and barricades to safely direct and control traffic flow.

B. Renders assistance to motorists when appropriate

C. Assists the public with information regarding directions, street locations, points of interest, etc.

D. Observes and reports Hazardous conditions/situations.

Weapons

Special traffic Constables are not authorized to carry a firearm, baton, pepper spray or any other weapon of any kind while on duty as a Special Traffic Constable.

TRAINING/KNOWLEDGE/SKILLS

1) *Special Traffic Constables* shall receive eight (8) hours of training in traffic control as required by the Chief of Police. Retired officers may have this waived. CPR will be required annually.

2) Knowledge of hand traffic signals, cone/traffic patterns and manual operation of traffic signals is required. An initial traffic management class will be required for all constables not formally police officers.

3) Knowledge of the Town's geography, streets and business is required.

DRAFT

Uniforms and Equipment

Special Traffic Constables shall wear the following uniform on duty as a *Special Traffic Constable*:

1. Pants: Blauer BDU Blue Trousers

2. Shirt: Shirt- HI-VIS ANSI 107-2010 polo shirt long or short sleeve with department patch on left and US flag on right. Short sleeve is authorized between April- October (specific dates determined by the Chief of Police).

3. Hat: Baseball hat will have Southborough Police Patch, not a badge.

4. Suitable Black uniform shoes or boots consistent with what a police officer is authorized shall be worn.

5. *Special Traffic Constables* must be equipped with a flashlight when working in evening lighting conditions.

6. High Visibility reflective vests and outerwear jackets must be stenciled "Traffic" or "Public Safety".

7. All uniforms and equipment will be purchased by the *Special Traffic Constable.*

Communication

Special Traffic Constables shall sign out a portable radio when available through dispatch after accepting a detail assignment in order to effectively keep two-way communications. Portables must be returned at the end of daily detail assignments.

Violations

DRAFT

Any violation of this policy may result in a suspension or revocation of appointment as a *special traffic constable*, as determined by the Chief of Police.

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, May 4, 2021, 6:30 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 6:30 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Public Comment
None

III. Scheduled Appointments
Karen Wheeler – Proposed Energy/Sustainability Committee
Mr. Healey asked Ms. Wheeler for an overview of her requests. Ms. Wheeler shared her screen to propose the establishment of an Energy and Sustainability Committee. She gave background about discussions about climate change at the federal, state and local levels. Ms. Wheeler expressed her concern about the "human cost" if we don't get our climate issues under control. She is looking to establish a committee that can research, advise, and advocate for these issues.

Mr. Healey asked if Ms. Wheeler looked at the committee charges in other Towns for similar committees. Ms. Wheeler said that she did, and that creating a committee charge would not be reinventing the wheel. Mr. Healey asked if she had spoken with John Parent. Ms. Wheeler said that she had, and Mr. Parent was initially a little concerned about a new committee infringing on his Green Community initiatives. She viewed the committee focusing on broader projects that may need more ideas and more funding. Mr. Healey said that he appreciates Ms. Wheeler's work on this, and asked that she continue to evaluate the best way to move this forward. Ms. Braccio thanked her for her presentation, and asked to bring Mr. Parent over.

Ms. Braccio asked Mr. Parent if he agrees with the direction that Ms. Wheeler is proposing for this committee. Mr. Parent said that the only problem he has with the committee as currently proposed is that it could conflict with the current and future Green Communities projects as

planned. Mr. Parent explained his work with State officials, his counterpart at the School, National Grid and others, and how much of the work is dictated by tight timelines and schedules. He said that any large projects would be run through Capital Committee, who would work with him to advocate for the project. Adding a committee into the mix may impact timelines, which in turn could impact funding opportunities. Mr. Parent did say that a committee could be helpful in trying to educate residents on green initiatives such as energy conservation and alternative energy sources. He would be supportive of reconstituting the Green Technology Committee, which is something that Town residents could relate to. Ms. Braccio said that her concern was creating redundancy, and that Ms. Wheeler should continue her conversations, including with Capital Committee, to create a committee focusing on educating residents. Mr. Healey asked Ms. Wheeler what percentage of the committee work she saw as educational, and she said about 30%. Ms. Wheeler also questioned the bandwidth of the Town to take on larger, more complex projects.

Mr. Healey thanked Ms. Wheeler for her presentation, adding that he really liked the idea of resident engagement on climate issues. He said that this committee could be following current issues, and keeping both Mr. Parent and residents updated, as well as any potential grant opportunities. Mr. Shea said that Ms. Wheeler came to Selectmen office hours a few months ago, and talked about what other towns were doing for energy and sustainability. He asked if Wayland, Sudbury and/or Stow have a residential education component to their committee charges. Ms. Wheeler said that at least one of them had something to that effect. Mr. Stivers said that while he supported the concept, he was unsure how to put something in place to make progress on these issues. While he was also concerned about creating another committee, he thought it was a worthy idea that should be explored further. Mr. Healey said that he didn't think this would be a committee that you'd have trouble getting people involved in, but that some due diligence still needed to be done. He asked Ms. Wheeler to continue her conversations with Mr. Parent and others, and that the Board would be back in touch with her. Ms. Wheeler thanked the Board for entertaining the discussion.

ZBA – ATM warrant article 34

Katie Barry gave an overview of the intent of the article, which was to clean up some of the existing language in the bylaw to make it consistent with recent legal decisions. Mr. Stivers concurred with what the article was trying to do, but said that a future town meeting should continue the effort. Mr. Healey said that the purpose seemed straightforward, but this was not something that the Board had to take a position on tonight because it would direct our board to take an action.

Jonas Linden – ATM warrant article 39

Mr. Linden was not present for the discussion; he was at the earlier pre-Town Meeting with the Moderator. Mr. Stivers said that Mr. Linden likely understands the process now for getting an HCVE. The Board agreed to take no position on the article.

Police Chief Paulhus – Policy on Traffic Constables

Chief Paulhus spoke to his request, noting that the Department is filling 14-20 details a day, which is nearly impossible even with officers from neighboring towns. The City of Framingham and Town of Hopkinton both have this policy, and it has worked well for them for a number of years. The Chief said that his plan is to keep the pool of traffic constables within the public safety building, which would limit it to Dispatch and Fire personnel. Chief Achilles had already polled the firefighters, and there definitely is some interest. Chief Paulhus said it was also something

good to try and attract and retain dispatchers. Mr. Healey asked what changes on day one if this policy is approved. Chief Paulhus said that his preference is still to have sworn police officers maintain the details, and that traffic constables would fill in the vacancies. Mr. Healey asked if there is any training required, and the Chief said there would some minimal training for traffic control. Mr. Shea supports the plan to use Police officers first, and then supplement with constables, but wondered if there was any CBA language that could affect his plan. Chief Paulhus said it is spelled out clearly in the union contract, and explained why there were no conflicts.

Mr. Stivers questioned the Chief as to whether the constables would get the same rate of pay as the Police officers. Chief Paulhus said that they would get the same rate of pay per the CBA, and that he has already had the discussion with the Union and they didn't have any objections.

Ms. Braccio made a motion to approve the policy as presented by Chief Paulhus, seconded by Mr. Stivers. Roll call vote: Braccio – aye; Malinowski – aye; Shea – aye; Stivers – aye; Healey – aye. Motion passed unanimously, 5-0-0.

IV. Reports

Chairman's Report

i. Upcoming meeting schedule

Mr. Healey noted the number of RFPs that have been issued for Legal services and South Union School, which will require review and decisions. He said that it makes sense to have a meeting on May 10, but also to meet on May 18 after the Town election. Given that there will be a new member, Mr. Healey suggested that the Board reorganize on May 18, and the Board concurred.

Members' Reports

i. Rent & Mortgage Assistance Program update

Ms. Malinowski informed the Board that she received 4 applications so far for the rent and mortgage assistance program. The Trust has approved another $25,000 to be used out of CARES funds to support additional applications. The application process is underway, and two checks have been issued, while two other application are under review. Ms. Malinowski said that overall the process is working well, and encouraged anyone who has suffered a loss of income due to COVID-19 to go to the town website and see if they qualify. Mr. Stivers asked for an agenda item concerning the federal stimulus program, which he continues to follow with great interest. He urged the Board to have a plan in place on how the federal funds should be spent.

Town Administrator Report

i. COVID-19 vaccination update

Mr. Purple updated the Board on the regional vaccination clinic in Westborough, and noted that things are going very well. He said that the Public Health Agent in Northborough, Kristen Black, deserved much of the credit for spearheading and shepherding the effort. He also recognized Chief Achilles, our Public Health Director Heather Alker, and the MRC and CERT teams. Mr. Purple said that the clinic was able to secure an additional tray of Pfizer vaccine, and this will be reserved for a special vaccination day for high school students in the participating communities. The data provided by Dr. Alker showed that 61% of all Southborough residents have at least 1 dose of vaccine, and that Southborough is trending better than our surrounding communities with vaccinating our younger populations.

Mr. Purple noted that the Town did receive notification that the shared services grant for health services, spearheaded by Northborough, was awarded at the full amount of $300,000 annually for three years. There are also 3 renewal options for three years each, and a work plan is being put in place by the four communities to determine how the funds will be used by each community. The grant focuses on nursing and inspectional services, and is used to enhance existing health services. Mr. Stivers offered his thanks to the Board of Health for making this happen. He noted that the FDA is likely going to approve Pfizer for those in the 12-15 age group, and did we have a plan to vaccinate that population. Mr. Purple said that the group would be meeting to discuss that rollout soon. Ms. Braccio said that based on all the positive feedback that we have been hearing about our regional site, the Board should be sending a letter of thanks and recognition to Ms. Black in Northborough for her efforts on our behalf. Mr. Healey concurred and asked that Mr. Purple can work with Ms. Hale to put together a draft letter.

Mr. Purple informed the Board that Conservation Commissioner Judith Watson recently completed her Fundamentals Certificate from the Mass. Association of Conservation Commissions (MACC). He said that a majority of commissioners have this certification, as it helps them to be better prepared when discussing permits, and that it was nice to see our permitting boards staying up on continuing education.

Mr. Purple said that he received a message from Advisory Committee member Andrew Pfaff, who has been working with Ms. Danza on the MVP grant. The deadline is later this week, and the grant would be to develop an impervious surface layer for the Town's GIS system. Several other communities have used the grant for the same purpose, and have been successful. The dollar amount for the grant is $30,500, and the Town needs to match $7,625, which Advisory is willing to provide. Mr. Purple wanted to make sure that the Board was aware, and that there were no issues with submitting the grant. Mr. Stivers said that this is an important tool for stormwater management, and fully supported the effort.

Ms. Hale updated the Board on the subject of diversity, equity, and inclusion (DEI), which was discussed earlier in the year during goal setting sessions. At this time of year, we are looking at scheduling employee trainings, and wanted to use some of the training funds in the Selectmen budget for this purpose. Personnel Board would be asked to pay for half of the course. Mr. Healey said that it sounds like a good idea, but how much would it cost. Ms. Hale said between $2,500 and $4,000 three-part virtual sessions, to come out of the Selectmen's employee training line item. The Board agreed with the use of the funds for the training.

Ms. Hale talked about other municipalities are using technology to get their boards and committees back in the building to meet in-person. IT Manager Jay Montijo joined Ms. Hale for a site visit in Medfield to see how they do it, in conjunction with their local cable studio. SAM is not ready to come back yet, which could complicate efforts on our end, but we are exploring how to do it with Zoom. Mr. Healey said that he wants to have meetings in person as soon as possible, to send the message that things are moving toward normal. Ms. Braccio said that she is very happy to move in this direction. Ms. Malinowski asked if we are looking at outfitting the public safety meeting room and senior center the same way. Ms. Hale said that the goal was to start with the McAuliffe Room and go from there. Mr. Shea and Mr. Stivers agreed. Mr. Montijo said that Medfield had been very helpful in getting him information on their setup, and that he has been talking with SAM.

V. Consent Agenda

a. Approve Meeting Minutes: April 27, 2021
b. Accept donations totaling $125.00 for Fire Dept. Ambulance Fund
c. Accept donation of $750.00 for Southborough Youth and Family Services donation account
d. Appoint Julia Fontana as a Student Police Officer, effective May 10, 2021

Mr. Healey made a motion to approve all Consent Agenda items as presented, seconded by Mr. Shea. Roll call vote: Braccio – aye; Malinowski – aye; Shea – aye; Stivers – aye; Healey – aye. Motion passed unanimously, 5-0-0.

VI. Other Matters Properly Before the Board

Discussion regarding field dedication at Mooney Complex in honor of Brian G. Shifrin

Mr. Healey said that members of the Board had time to review the request from Southborough Little League, and Ms. Braccio noted that this effort has been going on for the better part of 18 months. She also said that she and Brian Shea served with Mr. Shifrin, and everyone felt strongly about the naming of the field when approached by baseball about this. The dedication would be held on June 2nd, which is Lou Gehrig's Day, and his daughter will have the honor of playing on that field. Kristine Shifrin said that this acknowledgement of Brian means the world to her and her kids. Ms. Braccio said that we know how involved Brian was with baseball, which makes this decision a relatively easy one for to make. Mr. Shea said that discussions of getting this done sooner were put on hold with COVID-19, and that was beyond everyone's control. Ms. Braccio asked that the Recreation Commission be involved in the discussions for the dedication, and that it be reflected in the vote that both baseball and the Commission should work collaboratively on the signage.

Ms. Braccio made a motion that the Board support the naming of Brian Shifrin Memorial Field at Mooney Field at Finn School with the stipulation that the baseball league collaborate with the Recreation Commission on the event, seconded by Mr. Shea. Roll call vote: Braccio – aye; Malinowski – aye; Shea – aye; Stivers – aye; Healey – aye. Motion passed unanimously, 5-0-0. Ms. Shifrin thanked the Board for their support.

Discussion regarding flag placements at the Old Burial Ground

Mr. Healey set the table for proceeding with the discussion. He wanted to hear from the veterans to have them elaborate on their proposal for what they think should happen with the flag placements at the Old Burial Ground. He then would like to hear from the people who submitted a petition to express their concerns over the placement of the flags. Having talked to Mr. Kolenda, he was of the understanding that the veterans had a modest presentation, and he wanted to try to accommodate everyone within a reasonable amount of time. Mr. Healey also said that he wanted people to know that there will be a final opportunity to submit written materials before the Board takes a vote on how to proceed. Mr. Healey then gave a brief summary of the Gadsden flag based on research he had done. He understands that in recent times the use of the flag has been corrupted by individuals and groups whose views are antithetical to those who fought in the armed services, but he has not found any indication that there's been any such co-opting here. Mr. Healey also discussed ways to identify the history of the flags, if it was decided that they remain in the Old Burial Ground. He said that he was expecting a civil discussion this evening, even if we have different views and disagree, and said that he would ask any speaker who could not follow the rules to be muted. Mr. Healey said he wouldn't have any tolerance for any sort of personal attacks or suggestions that people's positions on this are anything but thoughtful and honorable in their views of the Town.

Mr. Kolenda said that he and Mr. Whynot were asked to represent the veterans, and thanked the Board for inviting them. He provided a history of the Gadsden flag. He said that veterans respect everyone's opinion, as they fought for the right of freedom of speech. Mr. Kolenda said that he and Mr. Whynot heard from many veterans about this issue, and not one thought that any of the flags, including the Gadsden flag, should be removed. He is requesting the flags be allowed to remain as they are. The historical nature of these flags cannot be understated. Mr. Kolenda broached the verbal threat made by Mr. Weishan against Mr. Whynot, and Mr. Healey intervened and said that particular issue would be discussed in due time. Mr. Kolenda then did a brief presentation on each of the flags flying in the Old Burial Ground. He referenced a recent case that came before the EEOC where a government employee was wearing a hat with a Gadsden emblem, and another employee found it offensive. The EEOC did not determine that the Gadsden flag was racist or discriminatory and did not ban it, so why should Southborough. Mr. Kolenda doesn't think that flags should lose their historical significance because some misguided people tried to misuse them.

Mr. Healey liked the idea of some literature or a plaque to explain the context of the flags, assuming that the Board votes for them to remain. Mr. Kolenda and Mr. Whynot said that they are both completely supportive, and that they think that this can only help to educate our residents about their history.

Ms. Braccio said that she had the opportunity to speak to some of the military contacts that she has as well. She asked about their thoughts on this particular flag, and they agreed it's a hot topic right now. Ms. Braccio said that she was told that the Gadsden flag was standard on the sleeve of their uniform, and on the front of their ship for the 2002 – 2019 mission global war on terror. She also said that our Navy officers are currently wearing this patch. Mr. Kolenda thanked Ms. Braccio for her comments, and that was his understanding as well. He said that he is an Army guy, but he knows that many Naval officers wear a version of the Gadsden flag that has the words "don't tread on me". Ms. Braccio said that she may have other comments, but will leave it at that for now.

Ms. Malinowski asked if when Mr. Stearns reached out to his counterparts, did he get feedback on other municipalities flying the Gadsden flag. Mr. Kolenda said that he reached out to his fellow colleagues, and that they were 100% in agreement that the flag is historic and should remain flying there. Mr. Shea and Mr. Stivers had no comments at this time.

Steve Whynot said that his thoughts were pretty well covered by Mr. Kolenda's opening statement, and noted that Mr. Stearns is here and asked him to be recognized to speak.

Brian Stearns, Veteran's Agent, did reach out to his counterparts in other Towns around the state. He reached out to the vast majority of communities in Worcester and Middlesex counties, and those he did reach were all in agreement to keep the Gadsden flag. He agreed with Mr. Kolenda's assertion that the Gadsden flag is a flag of hope, not hate, and wanted it to remain as a flag of hope for our soldiers and sailors.

Mr. Whynot offered additional information about the Gadsden Flag, and specifically about Mr. Bertonazzi, who is a Revolutionary War veteran buried in the Old Burial Ground.

Claire Deans Rowe said that she can't imagine when these flags were originally placed that they would take on the representation that they have. She noted that Gadsden was not just a slave

owner, but also a slave trader. Ms. Deans Rowe brought forward a petition on March 14th with 262 signatures supporting the removal of the Gadsden flag from the Old Burial Ground. She said that the flag has been used pretty widely by hate groups for about 30 years now, and that the younger generation sees it as a symbol of hate. She said that she wants to honor veterans and the work they did to fight for our country, and she doesn't think the Gadsden flag represents what the veterans fought for. Mr. Healey asked Ms. Deans Rowe if she would be supportive if the various revolutionary flags were displayed with context. She said that she worried about people just driving through Town and seeing the flags would send the wrong message.

Pamela Saitta, 2 Brookside Road, said that she the signed petition because she was really concerned about the Gadsden flag serving as a symbol of the Town. She is asking to remove the flag display in the Old Burial Ground, including the Gadsden flag, and find a more suitable way to honor the veterans who are buried there. Ms. Saitta noted that 95% of those buried in the Old Burian Ground and not Revolutionary War veterans. She learned from Sally Watters that none of the people buried in that cemetery ever served in theaters that are represented by the flags that are displayed. Ms. Saitta suggested that the Gadsden flag be changed out with the Navy Jack flag, that it would be easy to switch it out. She is concerned with the message that we are sending to residents by flying this flag, and it is important to respond to modern times. Ms. Saitta feels that people can work together to find historically accurate flags that are non-controversial.

Michael Weishan said that he has nothing to add to the discussion this evening, and that it is more important to hear from Ms. Watters.

Sally Watters said that she has a great deal of respect for veterans, and she reached out to a few people that she knows who are veterans; two retired Navy captains, a Navy commander, and an Army colonel. They all concurred that the use of the flag in protest changed its meaning, unfortunately, and that it was not a great idea to be flying it on Town property. Ms. Watters has great reverence for those that are buried in the Old Burial Ground. 26 unmarked graves are Revolutionary War veterans; 36 marked graves are Revolutionary War veterans. She gave the history of some of the soldiers buried in the Old Burial Ground, and said that she would like to see historically appropriate flags being flown there. She said that that symbols change meaning to people, and this had unfortunately happened with the Gadsdenflag.

Rebecca Deans- Rowe spoke about the placement of the flags, and how the placement is problematic given the number of unmarked graves. She feels that it is more appropriate for the Town to find a different place to display the flags, and made it clear that this issue is not about not supporting the veterans.

Mr. Healey closed the discussion by thanking all who came and weighed in on the issue. He said that the Board will take a vote at their May 10 meeting.

<u>Town Meeting preparation – Assignment of articles, presentations</u>

Mr. Healey asked Mr. Purple if this needed to be tonight, or if it could be done at the May 10 meeting. Mr. Healey said that he went through the list, and he thought it was pretty straightforward to assign the 21 Selectmen articles amongst the four current members (three groups of five, and one member with six). Articles could be shuffled or reassigned when a new member is elected. Mr. Purple said that he was fine with that. Mr. Cimino added that he had not

finalized his consent list of warrant articles yet. Mr. Purple said that based on the consent list, many of the Selectmen articles could be voted without individual motions. Ms. Braccio said that since she had been on the Board, it was the luck of the draw if one of your assigned articles was included in the consent list. Mr. Purple asked if there were any articles that people specifically wanted to speak to. Mr. Healey said he should talk about the PILOT article. He asked Mr. Purple to send out his suggested assignment of articles to the Board members, and that the Board would take them up on May 10. Mr. Healey also noted that the new member could be assigned articles that were not addressed in the consent agenda. The Board and Mr. Purple agree.

VII. Public Comment

None

VIII. On a motion made by Chairman Healey, seconded by Mr. Shea and voted all in favor by roll call vote: Braccio – aye; Malinowski – aye; Shea – aye; Stivers – aye; Healey – aye. Motion passed unanimously, 5-0-0. The meeting was adjourned at 9:09 P.M.

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, April 27, 2021, 8:00 A.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 8:00 A.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Class II License Application – RAD Exotics, LLC at 251 Turnpike Road

Mr. Purple read the public hearing notice. Mr. David Sigler, proposed manager, presented the proposal. 20+ years in car sales for higher-end vehicles. Lives in Southborough within walking proximity to the location. Ms. Braccio asked if box 7 was checked. Mr. Sigler said that the form was resubmitted correctly. Mr. Sigler said soft opening in June, full opening in September. Mr. Stivers asked if plans to sell new or used vehicle. Mr. Sigler said that most would be pre-owned at this time. May be able to add new vehicles in the future, but pre-owned would be the business model. Mr. Stivers asked about number of employees. Mr. Sigler said that they will open with 5 employees, ramp up to 8-10 when fully functioning. Not doing external service, just to own vehicles. Mr. Healey asked about volume of cars on lot. Maximum of 70-75 cars when fully functioning. Good to see business opening in this climate.

Marnie Hoolahan, 26 Clifford Street – would hope that test drives would obey speed limits in the abutting neighborhoods, as the previous business did. Mr. Sigler said that they don't intend to test drive many of the cars, and not in the abutting neighborhood. Ms. Hoolahan wanted to know about the new paint color for the building. Mr. Sigler said that it is still in progress, but will remain blue.

Mr. Shea Motion to close the public hearing, seconded by Mr. Healey. Unanimous approved, all.

Mr. Healey motion to approve the Class II License as submitted, seconded by Mr. Shea. Unanimous approved, all.

III. Consent Agenda

a. Mr. Health motion to appoint Ms. Barry to the Administrative Assistant position in the Selectmen's Office as recommended by the Town Administrator, Ms. Braccio seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

IV. Other Matters Properly Before the Board

None

V. Public Comment

None

VI. On a motion made by Mr. Healey, seconded by Mr. Stivers and voted all in favor (5-0-0) by roll call, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye, the meeting was adjourned at 8:13 A.M.

Upcoming Meetings	
May 4, 2021	*May 18, 2021*

Respectfully submitted,

Mark Purple, Town Administrator

From: Chief Kenneth M. Paulhus

Subject: Appointment of Student Officer Julia Fontana

Date: April 27, 2021

Dear Board of Selectmen:

Please consider my request to appoint Ms. Julia Fontana as a Student Police Officer with the Town of Southborough, effective May 10, 2021. Ms. Fontana is currently a part-time Telecommunications Officer with the Department. She will begin attending the Reading MPTC Academy on the start date.

The position is available due to the resignation of Probationary Officer Brandon Donahue in January of 2021.

Ms. Fontana's compensation will be seven-hundred dollars per week (Local 167 Contract), until her MPTC Graduation when she will transition to Probationary Officer.

Please contact me with any questions or concerns.

Chief of Police

From: Claire Deans-Rowe
To: SelectmenOffice
Subject: Request to speak at meeting
Date: Wednesday, March 31, 2021 10:06:26 PM

[EXTERNAL]

Dear Members of the Southborough Board of Selectmen,

My name is Claire Deans-Rowe and I am the author of a change.org petition requesting that the Gadsden Flag be removed from the Old Burial Grounds. To date, this petition has 258 signatures. I have included the text of the petition.

I respectfully request the opportunity for me and Pamela Saitta (another resident and supporter of the petition) to express our concerns regarding the Gadsden Flag. Please contact me with any questions or a possible date for presenting.

Best,

Claire Deans-Rowe

(Petition text)
Since the summer of last year the struggles of people of color in the United States of America have finally been pushed to the forefront of our media. This has made many of us question our own beliefs and prejudices, and has started some real change in our country. I'm making this petition because I want to keep that change moving forward, not forgetting where we came from but recognizing that it doesn't reflect where we are.

In the Old Burial Ground in Southborough, Massachusetts a flag is displayed that has become strongly associated with groups who promote white supremacy and racism. The Gadsden Flag is recognized by the "Don't Tread on Me" phrase under a coiled rattlesnake. While it started as a symbol of the American Revolution, it has evolved to become a symbol of hatred towards people of color, especially African Americans. The flag was also created by a man from South Carolina named Christopher Gadsden. Gadsden was a slave owner and trader who's trading site, Gadsden's Wharf, saw as much as 40% of slaves pass through it. Nowadays, the flag is displayed at radical rallies, and most notably flown prominently in the takeover of the Capitol Building by extremists on January 6th alongside those of the Proud Boys, a well known neo-fascist organization.

Displaying a flag now closely associated with white supremacy suggests that this town is alright with white supremacy and hatred towards people of color, and even sees it as

something to be brandished with pride. We can honor our veterans without flying what is now a symbol of hate. I urge you to sign this petition and call on Southborough to make ending racism a priority in our town.

Cc: Steve Whynot
Subject: FW: Proposed letter to Southborough BOS
Date: Tuesday, April 13, 2021 5:28:56 PM

Marty, please see below, which was sent by Steve and me to the Veterans. We remain overwhelmingly supportive of keeping the flags as they are, and as they have been for decades.

We would all love for some resolution to this before our Memorial Day Observances, as this issue has affected many of our Veterans.

Finally, we don't want to forget the verbal threat (and he has misled the BOS and the pubic by publishing his written email to Steve and stating no threat was made – it was made over the phone) that was made to Steve if he did not come to a resolution with him regarding the historic flags – Mr. Weishan, Chair of the Historical Commission, said he would go to the BOS and the press. Well, he followed through with the threat and went to MySouthborough. This behavior happened once, and he was not reappointed to the Commission in a unanimous vote of the BOS. He's done it now a second time, at least, and there has to be a serious consequence. It should not have happened again, and should never happen again to any resident, any Veteran.

Dan

From: Steve Whynot

To: [redacted]
Subject: Proposed letter to Southborough BOS

[redacted]

Fellow Veterans,

As you know, over the last few weeks an issue was created through some anonymous complaints

about certain historical flags at the Old Burial Ground. Commander Kolenda and I have heard from many of you and the overwhelming consensus is that the historical flags located there should remain as is. We plan on sharing this sentiment with the Board of Selectman, as they will likely soon take a position and vote. If any veteran has any additional information you would like us to share, please do so now.

As Veterans, we have fought oppression and defended our Constitution as we served the American people. We understand history and value the flags, symbols and markers that have inspired Americans from the Colonial Revolution, to the Great World Wars, Korea, Vietnam and the War on Terrorism. No act of a misguided few can suddenly cause an historic flag of hundreds of years to suddenly lose its historical significance. The flags at our Old Burial Ground are historic, with many dating back hundreds of years. They should remain exactly where they are.

Please let us know within the next few days so that we can proceed.

Thanks everyone...

Steve Whynot
VFW Commander

Dan Kolenda

Southborough, MA 01772

RE: Naming of Finn 1 Field in Honor of Brian Shifrin

Members of the Board:

I am writing this correspondence to request that the Board of Selectmen vote to approve the naming of the Finn 1 field (the field closest to the school gymnasium) at the Mary Finn School in honor of the late Brian Shifrin, with the new name being "Brian Shifrin Memorial Field". The Southborough Little League ("SLL") Board of Directors voted unanimously to name this field in honor of Brian, who was a vital part of and a huge contributor to our league for many years. Quite simply, Brian truly showed us all what it means to give of yourself, coaching and volunteering even after his diagnosis and battle with ALS had begun, much like he did as a member of the Board of Selectmen of Southborough. He left enduring memories on the boys and girls he coached – which of course included his own children, Charlie and Courtney – as well as those with whom he coached, many later becoming close friends.

If approved, SLL will time the unveiling of the new field name to coincide with the recently introduced 4ALS/Lou Gehrig Day (June 2), announced by Major League Baseball as an annual day of remembrance for both Lou Gehrig and for those who have battled through ALS, a disease which has (unfortunately) had an outsized effect on the baseball community at large. We will hold a small ceremony on that Wednesday afternoon (June 2, 2021) at the field prior to a pair of Majors-division baseball games being played, with Courtney Shifrin, a 12-year-old in her final year on the small Little League diamond, playing in the first game on "Brian Shifrin Memorial Field".

Thank you for your time and consideration in this matter.

Respectfully,

Michael P. Murphy
President
Southborough Little League

To: Martin Healey <mhealey@southboroughma.com>
Subject: Down the garden path

Dear Marty

So I pulled the public records request and obtained a copy of the email you referenced.

It appears that you have been led down the garden path by Mr. Kolenda:

Finally, we don't want to forget the verbal threat (and he has misled the BOS and the pubic by publishing his written email to Steve and stating no threat was made – it was made over the phone) that was made to Steve if he did not come to a resolution with him regarding the historic flags – Mr. Weishan, Chair of the Historical Commission, said he would go to the BOS and the press. Well, he followed through with the threat and went to MySouthborough. This behavior happened once, and he was not reappointed to the Commission in a unanimous vote of the BOS. He's done it now a second time, at least, and there has to be a serious consequence. It should not have happened again, and should never happen again to any resident, any Veteran.

What I said to Mr. Whynot was along the lines of "it would be great if we could deal directly with you veterans about subbing out and potentially moving some of these flags to address the complaints we received and make the flags more historically appropriate, because if this goes to the BOS and gets press, it will get blown entirely out of proportion."

Mr. Kolenda has deliberately twisted that into: Mr. Weishan, Chair of the Historical Commission, said he would go to the BOS and the press, which doesn't even make sense if you think about it, because you were unhappy with me for NOT bringing it to your attention!

This is Mr. Kolenda at his best, trying to stir up trouble by waving the flag (literally), inventing this verbal "threat" and suggesting that this will in any way impact the Memorial Day activities, all of which is pure nonsense.

I have already warned you about the naked animus Mr. Kolenda bears towards me and the Historical Commission in general. He has done everything in his power to delay, dismiss and destroy the work we have achieved, and when he failed at that, he decided that if you can't kill the message, perhaps with lies and distortions you can character assassinate the lead messenger. That tactic in fact worked for a while. Fortunately however, his long history of bullying and aggressive behavior finally caught up with him, and hopefully he will remain a sad asterisk in Southborough's history.

If you follow through with your intention to share Mr. Kolenda's letter with the BOS, I trust you will share this one as well.

Additionally, in your role as Chair, I hope you'll insure that our discussion on the 4th is not tainted by the baseless accusations above. The real issue here was and is: are these flags historical, is their placement proper, and are these the images we want to be seen as representing Southborough in 2021?

Best
M

Michael Weishan, Chair
Southborough Historical Commission

Subject:	May 4 Board of Selectmen Discussion of Gadsden Flags
Date:	Monday, April 19, 2021 7:59:01 PM

[EXTERNAL]

Dear Mr. Healy and fellow Selectmen,

I am writing to request an opportunity to speak about the issue of the Gadsden flags at the Old Burial Ground when you consider this topic at your May 4 meeting.

I saw that Mr.Kolenda and Mr. Whynot are listed on the agenda to speak in defense of the current flag display. I would like to have the opportunity to co-present with Claire Deans-Rowe our opposition to the flags to provide balance to the discussion before the Board. On March 31 and April 12, Ms. Deans-Rowe wrote to the Board of Selectmen asking to present her petition which received more than 250 signatures. Given the high level of community interest, we believe it is important for the Board to have all of the information necessary to make an informed decision as community leaders.

Though Ms. Deans-Rowe's and my concerns developed independently, we share a strong belief that the Gadsden flag should be removed and that more suitable means of recognizing Revolutionary War veterans can be implemented. Thank you for considering my request to briefly present on this issue with Ms. Deans- Rowe when you consider it at the Board of Selectmen meeting.

Kind regards,

Pamela Saitta

Ladies and Gentlemen

For the record, here is the email I sent to Steve Whynot immediately after my call, which as I have already related, was entirely amicable, though Mr. Whynot was clearly not amenable to any changes. As you can read for yourself, there was no "threats or intimidation" as Mr. Healey alleged last night. Nor was it true that the veterans were not invited to the meeting or somehow excluded, as the email clearly shows. In fact, that is why Mr. Whynot was called two days before the meeting—to give him advance notice of what was on the agenda and invite him to attend. He declined. As for the reappearance of Mr. Kolenda last night, I don't know that I can put any credence in the motivation of the only selectman ever to be sued for verbally assaulting a citizen at a BOS meeting.

I also have very detailed notes from my conversation with Mr. Healey, and I stand by my direct quotes of his inappropriate tenor and heated language.

Finally, I want to refute another charge that has been leveled at me twice now, one that seems to so enrage certain members of your board, that I as an officer of the town I "ran to the press" or "fought this out in the press." Ladies and gentlemen, I am a bona fide member of the press, and I don't have to run anywhere. I am an active NPR contributor, I spent 7 years as a host on PBS, and have close to two million words in print in hundreds of periodicals across the US. While it is true that a majority of my work is in lifestyle issues, I am the editor of two very active special interest blogs, one for the Historical Society, and one at Harvard. Together, these two reach almost 20K readers. And, as a member of the press, and as a member of town government, I will continue to use my constitutionally guaranteed rights to shine truth on issues that I think are important.

I hope this settles these baseless accusations, and look forward to a *substantive* discussion about the problems at the Old Burial ground that actually deals with the very important issues at hand.

Dear Steve,

Thanks so much for taking my call, and agreeing to speak to the other Veterans about potentially moving and swapping out some of the flags. As I mentioned to you on the phone, the Historical Commission is in the process of working with the town to renovate and restore the Old Burial Ground, and recently several issues have come up.

The first, and most important in our minds, is that the current six small flags impale unmarked graves. The flags were installed before we had the site researched with ground radar, and we now know that this is an active burial site. We are looking at ways to mark some of these individual graves so that they are no longer in the public way, and it would be great to consider removing the six smaller flags to another area.

Secondly, as we discussed, several of the flags currently flying have been seized by white supremacists as their banners, and we have had a number of complaints that these flags should not be displayed on public land, as they have become offensive to people of color. Equally relevant, too, I think is that these flags don't pertain to any burials associated with the graves in the Old Burial Ground, as they represent regiments of Southern colonies, namely South Carolina and Virginia. I might be worthwhile to do a little more research on the veterans buried in the OBD and represent instead the actual flags under which they served. One suggestion, in particular, is for the Continental Colors flag, detailed below. Another might be the personal flag of George Washington. Both would be great on the large flagpole, which, just to be clear, would be maintained where it is and given a fresh coat of paint.

As I mentioned I would love to work out a compromise here that would keep all parties, if not totally happy, at least satisfied that their voices were being heard—and in the process, make the banners better reflect the men who fought beneath them.

Get back to me when you can, and feel free to share this email with the other Veterans.

Michael Weishan, Chair
Southborough Historical Commission

The Continental Colors Flag

Although unofficial, the is considered to be the first American flag. It was used from 1775-1777, preceding the Betsy Ross flag Betsy Ross flag and aiding in its design. The Continental Colors includes a field of 13 alternating red and white stripes with a British Union Jack in the canton.

Records show that Philadelphia seamstress Margaret Manny sewed the first Continental Colors for the *Alfred*, and in December of 1775, the flag was raised for the first time on any fighting vessel. A year later, the flag was considered the official flag of the American naval forces by the Maritime Committee of the Continental Congress.

On New Year's Day in 1776, George Washington ordered the Continental Colors to be raised on Prospect Hill in Somerville, Massachusetts in celebration of the birth of the Continental Army. Although many flags protesting British rule were in existence at that time, including those with icons of snakes, pine trees and the word "liberty", Washington choose to use the Continental Colors. It was hoisted on a 76 foot flagpole and could be seen all the way in Boston. Washington referred to the flag as the "Union Flag in Compliment to the United Colonies." It was also known as the Grand Union flag, the Union flag, the Continental flag, the Somerville flag and the Great Union.

The flag's designer is unknown, but it is speculated that Benjamin Franklin, Thomas Lynch and Benjamin Harrison were responsible. They were appointed by Continental Congress to advise George Washington in creating the Continental Army in 1775. It is also possible that Washington himself or one of his staff members designed the flag.

On the other side of the world the East India Company had used a strikingly similar flag since 1701. The flag contained between nine and 13 red and white stripes with a red Cross of St. George on a white field in the canton. Most flag experts dismiss the similarity, calling it coincidence since there is no record that the East India Company flag flew in American waters and few colonists were familiar with it.

While the Continental Colors is symbolic, the exact meaning of its design is uncertain. It is generally believed that the stripes, like those of the Betsy Ross flag, represent the 13 colonies, while the Union Jack in the canton was meant to show colonial loyalty to the crown or to traditional British values and laws. Since the flag was supposed to express the colonies' desire for independence from Britain, the use of the Union Jack seems slightly contradictory and would prove to be a mistake. When British troops noticed the Continental Colors in Boston, they interpreted the use of the Union Jack as a sign of surrender.

By June 14 1777, the Continental Colors was replaced by the first Stars and Stripes. The canton was changed from the British Union Jack to a blue field with thirteen white stars, representing a "new constellation" and America's new found independence.

Subject: Inappropriate Flags in the Old Burial Ground
Date: Friday, March 12, 2021 12:40:51 PM

Ladies and Gentlemen,

As we have already alerted you, the Historical Commission has received complaints about the choice of flags flying the Old Burial Ground. Particularly egregious to many are the two variants of the Gadsden flag, which was designed by a slave owning South Carolinian and has become linked to white supremacist groups including the Ku Klux Klan. These associations are not new; many date back to the 1960s. You may also wish to read this recent article in the Miami Herald by Harvard Professor Noah Feldman noting that the Federal Equal Employment Opportunity Commission has called for "a careful investigation to see whether recent uses of the flag have been sufficiently "racially tinged" that it could count as harassment."

Last night, the SHC voted 6-0 to urge the BOS to undertake an immediate review of these flags, with an aim to:

1) moving the current semi-circle of flags out of the actual burial area to preserve the integrity of those buried beneath the poles. The current poles are actually piercing the unmarked graves below.
2) removing flags of the South Carolina and Virginia regiments that carry such negative associations to people of color, and replacing them with flags that actually represent the veterans buried there.

The Historical Commission has done considerable research as to which flags would be appropriate for the period and to the individual buried veterans involved, and would be happy to share that guidance with you if requested.

Cordially,

Michael Weishan, Chair
Southborough Historical Commission

Hi Mark

We is the Commission, the number of calls was six, and the callers did not wish their names made public, which is probably why they called me personally, and the calls all occurred in the last week. I am sure that you will shortly be hearing from a lot more citizens as certain people have decided to make this a very public issue, rather than just quietly subbing out the flags as I suggested.

Best, M

From: Claire Deans-Rowe
To: SelectmenOffice
Subject: Request to speak at meeting
Date: Wednesday, March 31, 2021 10:06:26 PM

[EXTERNAL]

Dear Members of the Southborough Board of Selectmen,

My name is Claire Deans-Rowe and I am the author of a change.org petition requesting that the Gadsden Flag be removed from the Old Burial Grounds. To date, this petition has 258 signatures. I have included the text of the petition.

I respectfully request the opportunity for me and Pamela Saitta (another resident and supporter of the petition) to express our concerns regarding the Gadsden Flag. Please contact me with any questions or a possible date for presenting.

Best,

Claire Deans-Rowe

(Petition text)
Since the summer of last year the struggles of people of color in the United States of America have finally been pushed to the forefront of our media. This has made many of us question our own beliefs and prejudices, and has started some real change in our country. I'm making this petition because I want to keep that change moving forward, not forgetting where we came from but recognizing that it doesn't reflect where we are.

In the Old Burial Ground in Southborough, Massachusetts a flag is displayed that has become strongly associated with groups who promote white supremacy and racism. The Gadsden Flag is recognized by the "Don't Tread on Me" phrase under a coiled rattlesnake. While it started as a symbol of the American Revolution, it has evolved to become a symbol of hatred towards people of color, especially African Americans. The flag was also created by a man from South Carolina named Christopher Gadsden. Gadsden was a slave owner and trader who's trading site, Gadsden's Wharf, saw as much as 40% of slaves pass through it. Nowadays, the flag is displayed at radical rallies, and most notably flown prominently in the takeover of the Capitol Building by extremists on January 6th alongside those of the Proud Boys, a well known neo-fascist organization.

Displaying a flag now closely associated with white supremacy suggests that this town is alright with white supremacy and hatred towards people of color, and even sees it as

something to be brandished with pride. We can honor our veterans without flying what is now a symbol of hate. I urge you to sign this petition and call on Southborough to make ending racism a priority in our town.

Subject: FW: Proposed letter to Southborough BOS
Date: Tuesday, April 13, 2021 5:28:56 PM

Marty, please see below, which was sent by Steve and me to the Veterans. We remain overwhelmingly supportive of keeping the flags as they are, and as they have been for decades.

We would all love for some resolution to this before our Memorial Day Observances, as this issue has affected many of our Veterans.

Finally, we don't want to forget the verbal threat (and he has misled the BOS and the pubic by publishing his written email to Steve and stating no threat was made – it was made over the phone) that was made to Steve if he did not come to a resolution with him regarding the historic flags – Mr. Weishan, Chair of the Historical Commission, said he would go to the BOS and the press. Well, he followed through with the threat and went to MySouthborough. This behavior happened once, and he was not reappointed to the Commission in a unanimous vote of the BOS. He's done it now a second time, at least, and there has to be a serious consequence. It should not have happened again, and should never happen again to any resident, any Veteran.

Dan

Fellow Veterans,

As you know, over the last few weeks an issue was created through some anonymous complaints

about certain historical flags at the Old Burial Ground. Commander Kolenda and I have heard from many of you and the overwhelming consensus is that the historical flags located there should remain as is. We plan on sharing this sentiment with the Board of Selectman, as they will likely soon take a position and vote. If any veteran has any additional information you would like us to share, please do so now.

As Veterans, we have fought oppression and defended our Constitution as we served the American people. We understand history and value the flags, symbols and markers that have inspired Americans from the Colonial Revolution, to the Great World Wars, Korea, Vietnam and the War on Terrorism. No act of a misguided few can suddenly cause an historic flag of hundreds of years to suddenly lose its historical significance. The flags at our Old Burial Ground are historic, with many dating back hundreds of years. They should remain exactly where they are.

Please let us know within the next few days so that we can proceed.

Thanks everyone…

Steve Whynot
VFW Commander

Ladies and Gentlemen

For the record, here is the email I sent to Steve Whynot immediately after my call, which as I have already related, was entirely amicable, though Mr. Whynot was clearly not amenable to any changes. As you can read for yourself, there was no "threats or intimidation" as Mr. Healey alleged last night. Nor was it true that the veterans were not invited to the meeting or somehow excluded, as the email clearly shows. In fact, that is why Mr. Whynot was called two days before the meeting—to give him advance notice of what was on the agenda and invite him to attend. He declined. As for the reappearance of Mr. Kolenda last night, I don't know that I can put any credence in the motivation of the only selectman ever to be sued for verbally assaulting a citizen at a BOS meeting.

I also have very detailed notes from my conversation with Mr. Healey, and I stand by my direct quotes of his inappropriate tenor and heated language.

Finally, I want to refute another charge that has been leveled at me twice now, one that seems to so enrage certain members of your board, that I as an officer of the town I "ran to the press" or "fought this out in the press." Ladies and gentlemen, I am a bona fide member of the press, and I don't have to run anywhere. I am an active NPR contributor, I spent 7 years as a host on PBS, and have close to two million words in print in hundreds of periodicals across the US. While it is true that a majority of my work is in lifestyle issues, I am the editor of two very active special interest blogs, one for the Historical Society, and one at Harvard. Together, these two reach almost 20K readers. And, as a member of the press, and as a member of town government, I will continue to use my constitutionally guaranteed rights to shine truth on issues that I think are important.

I hope this settles these baseless accusations, and look forward to a *substantive* discussion about the problems at the Old Burial ground that actually deals with the very important issues at hand.

> Dear Steve,

Thanks so much for taking my call, and agreeing to speak to the other Veterans about potentially moving and swapping out some of the flags. As I mentioned to you on the phone, the Historical Commission is in the process of working with the town to renovate and restore the Old Burial Ground, and recently several issues have come up.

The first, and most important in our minds, is that the current six small flags impale unmarked graves. The flags were installed before we had the site researched with ground radar, and we now know that this is an active burial site. We are looking at ways to mark some of these individual graves so that they are no longer in the public way, and it would be great to consider removing the six smaller flags to another area.

Secondly, as we discussed, several of the flags currently flying have been seized by white supremacists as their banners, and we have had a number of complaints that these flags should not be displayed on public land, as they have become offensive to people of color. Equally relevant, too, I think is that these flags don't pertain to any burials associated with the graves in the Old Burial Ground, as they represent regiments of Southern colonies, namely South Carolina and Virginia. I might be worthwhile to do a little more research on the veterans buried in the OBD and represent instead the actual flags under which they served. One suggestion, in particular, is for the Continental Colors flag, detailed below. Another might be the personal flag of George Washington. Both would be great on the large flagpole, which, just to be clear, would be maintained where it is and given a fresh coat of paint.

As I mentioned I would love to work out a compromise here that would keep all parties, if not totally happy, at least satisfied that their voices were being heard—and in the process, make the banners better reflect the men who fought beneath them.

Get back to me when you can, and feel free to share this email with the other Veterans.

The Continental Colors Flag

Although unofficial, the is considered to be the first American flag. It was used from 1775-1777, preceding the Betsy Ross flag Betsy Ross flag and aiding in its design. The Continental Colors includes a field of 13 alternating red and white stripes with a British Union Jack in the canton.

Records show that Philadelphia seamstress Margaret Manny sewed the first Continental Colors for the *Alfred*, and in December of 1775, the flag was raised for the first time on any fighting vessel. A year later, the flag was considered the official flag of the American naval forces by the Maritime Committee of the Continental Congress.

On New Year's Day in 1776, George Washington ordered the Continental Colors to be raised on Prospect Hill in Somerville, Massachusetts in celebration of the birth of the Continental Army. Although many flags protesting British rule were in existence at that time, including those with icons of snakes, pine trees and the word "liberty", Washington choose to use the Continental Colors. It was hoisted on a 76 foot flagpole and could be seen all the way in Boston. Washington referred to the flag as the "Union Flag in Compliment to the United Colonies." It was also known as the Grand Union flag, the Union flag, the Continental flag, the Somerville flag and the Great Union.

The flag's designer is unknown, but it is speculated that Benjamin Franklin, Thomas Lynch and Benjamin Harrison were responsible. They were appointed by Continental Congress to advise George Washington in creating the Continental Army in 1775. It is also possible that Washington himself or one of his staff members designed the flag.

On the other side of the world the East India Company had used a strikingly similar flag since 1701. The flag contained between nine and 13 red and white stripes with a red Cross of St. George on a white field in the canton. Most flag experts dismiss the similarity, calling it coincidence since there is no record that the East India Company flag flew in American waters and few colonists were familiar with it.

While the Continental Colors is symbolic, the exact meaning of its design is uncertain. It is generally believed that the stripes, like those of the Betsy Ross flag, represent the 13 colonies, while the Union Jack in the canton was meant to show colonial loyalty to the crown or to traditional British values and laws. Since the flag was supposed to express the colonies' desire for independence from Britain, the use of the Union Jack seems slightly contradictory and would prove to be a mistake. When British troops noticed the Continental Colors in Boston, they interpreted the use of the Union Jack as a sign of surrender.

By June 14 1777, the Continental Colors was replaced by the first Stars and Stripes. The canton was changed from the British Union Jack to a blue field with thirteen white stars, representing a "new constellation" and America's new found independence.

Subject:	Inappropriate Flags in the Old Burial Ground
Date:	Friday, March 12, 2021 12:40:51 PM

Ladies and Gentlemen,

As we have already alerted you, the Historical Commission has received complaints about the choice of flags flying the Old Burial Ground. Particularly egregious to many are the two variants of the Gadsden flag, which was designed by a slave owning South Carolinian and has become linked to white supremacist groups including the Ku Klux Klan. These associations are not new; many date back to the 1960s. You may also wish to read this recent article in the Miami Herald by Harvard Professor Noah Feldman noting that the Federal Equal Employment Opportunity Commission has called for "a careful investigation to see whether recent uses of the flag have been sufficiently "racially tinged" that it could count as harassment."

Last night, the SHC voted 6-0 to urge the BOS to undertake an immediate review of these flags, with an aim to:

1) moving the current semi-circle of flags out of the actual burial area to preserve the integrity of those buried beneath the poles. The current poles are actually piercing the unmarked graves below.
2) removing flags of the South Carolina and Virginia regiments that carry such negative associations to people of color, and replacing them with flags that actually represent the veterans buried there.

The Historical Commission has done considerable research as to which flags would be appropriate for the period and to the individual buried veterans involved, and would be happy to share that guidance with you if requested.

Cordially,

Michael Weishan, Chair

Hi Mark

We is the Commission, the number of calls was six, and the callers did not wish their names made public, which is probably why they called me personally, and the calls all occurred in the last week. I am sure that you will shortly be hearing from a lot more citizens as certain people have decided to make this a very public issue, rather than just quietly subbing out the flags as I suggested.

Best, M

Ladies and Gentlemen

As I am sure you have heard, we have had a number of calls asking why we are flying the flags of Southern regiments in the Old Burial ground that have recently become popularly associated with white supremacists. The SHC, while not having paid particularly attention to the flags themselves, has long suggested moving the six smaller flags as they are impaling burials. I reached out to Steve Whynot with some suggestions to potentially move the flags and switch them out with banners that would better reflect the occupants of the cemetery. This is on our agenda this evening to hand off to you, with our recommendation below.

Proposal to Board of Selectmen: Energy and Sustainability Committee

May 4, 2020

Background – Federal, State, Local

- Climate emergency
- Biden administration climate agenda
  - Limit global warming to 1.5 degrees C
  - Target emissions reduction by 50% by 2030
  - Net zero emissions by 2050
  - Infrastructure investment
- Governor Baker climate legislation passed in 2021
  - Target net zero emissions by 2050
  - Transportation and Climate Initiative multi-state program
- Surrounding towns have active committees
  - Viewed as successful by town government

Background - Southborough

- Facilities Department/Energy Manager
  - MA Green Communities grants
    - Four grants totaling $850K
    - Funding energy conservation
- Southborough school properties Solar Committee
  - Keith Lavoie managing
  - To be reconvened
  - Connected with Superintendent Greg Martineau to volunteer on the committee

Background - Me

- Concerned about our planet
- Passionate about carbon neutrality
- Professional experience in finance and process management
  - Currently work at Second Nature, focused on accelerating carbon reduction in the higher education sector
  - Not a climate technology expert
- Committed to putting in the time and energy to foster an effective committee

Committee Purpose

- Research, advise and advocate sustainability solutions with the BOS, other town committees and residents
  - Energy conservation
  - HVAC
  - Renewable building technologies and equipment
  - Electric vehicles
  - Energy solution funding
- Engage residents in home sustainability awareness and opportunities
  - Solar panels
  - Heat pumps
  - Composting
  - Electric vehicles
- Save the town money

Additional Considerations

- Committee would work closely with town's Energy Manager
  - Share knowledge
  - Develop strategy
  - Integrate and support projects
- Timing is right to take advantage of anticipated government program funding incentives
- Resurrect the Green Technology and Recycling Committee instead of establishing new committee?
- Expect growing climate concern to motivate committee membership

Committee Charge – Draft Proposal

The Energy and Sustainability Committee (ESC) is charged with assisting the Board of Selectmen and Town Administrator in developing programs and projects to foster energy conservation, energy efficiency, renewable energy generation and sustainability planning. This committee will gather, study and evaluate information that will help determine various approaches for improving the energy efficiency of operating town and school buildings and vehicles, investigate alternative energy technologies and identify funding opportunities to help the Town achieve its energy and sustainability related goals.

Build sustainability awareness and action among town residents through educational programming.

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions.

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a none-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Board of Selectmen. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Introduction to the Rules of Town Meeting (continued)

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group have are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless it's substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend

18.	Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19.	Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

ANNUAL TOWN MEETING

Worcester, ss. April 20, 2021

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet at the baseball field adjacent to Neary School, 53 Parkerville Road, in said Southborough, on

Saturday, May 22, 2021

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To hear reports of the various Town Officers and Committees and to take such action thereon as the Town may vote.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To hear reports of Town Boards, Committees or Commissions.*

ARTICLE 2: To see if the Town will vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To allow the Board of Selectmen to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 3: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2021 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 4: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Board of Selectmen or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Board of Selectmen or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Board Recommendation: Support
Summary: *This article allows the Selectmen and/or the School Committee to enter into contracts in excess of*

three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.

ARTICLE 5: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"
[revised at May 22, 2021 Annual Town Meeting]

This bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town or encompassed in any officially recognized labor union and/or association. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through G ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,**)** (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D, E, F and G of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee.

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is required to work when the need requires; oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time Employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range

.

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall rate such new or changed position, and allocate it to its appropriate classification grade and establish the rate therefor.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Board of Selectmen or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D, E, F and G of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40 hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: Employees shall be eligible to earn a weekly stipend not to exceed $200.00 per week for on-call service if the department head has required them to work outside of their normal schedule. This need is likely to occur on an evening or weekend basis as the need requires. There is no provision to accrue compensation time in lieu of payment.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible annually for consideration of a salary increase, one year from the date of his/her latest increase. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Board of Selectmen or their designated appointee in the case of departments within the jurisdiction of the Board of Selectmen, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Board of Selectmen.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

An evaluation of the employee's performance, in a format approved by the Personnel Board, must accompany a request for an increase in the case of all employees in Full-Time Graded Positions under Schedule A. Evaluations of employees in Part-Time Hourly Graded Positions under Schedule C and Seasonal Personnel under Schedule F may require performance evaluations under Personnel Policy enacted hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Board of Selectmen or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Regular Part-Time employees shall be eligible for consideration for salary increases within their grade one year from the date of their last increase, absent exceptional circumstances as may be authorized by the Personnel Board.

c. Special and other Part-Time personnel for whose positions there is a single rate established in Schedule D shall not be eligible for adjustment.

d. Probationary Employees:

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Board of Selectmen or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience at a rate not exceeding the mid-point of the pay scale set forth in Schedules A and C of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Independence Day	Christmas Day
	Day before or after Christmas Day (as set by the Town annually)

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval**.** Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 5	6.666	Two weeks
5+ - 10	10.0	Three weeks
10+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of three weeks' vacation [pro-rated] for the first year of employment with the Town. Employees commencing employment with three weeks per year will be required to complete five years of service before ascending to the next band in the vacation schedule chart.

(3) Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. The employee must have the Department Head's approval to take any portion of a

prior year's unused vacation in addition to the days earned in the current fiscal year.

(4) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(5) In the event of termination of employment other than for cause, the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(6) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree... $ 800.00
Bachelors Degree.. $1,200.00
Masters Degree..... $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for a period of no longer than one month if requested by their Department Head due to exigent circumstances, or for longer if approved by the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding. The Personnel Board shall entertain such requests at the first available opportunity.

SECTION 14. APPOINTMENT OF "ACTING" DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Board of Selectmen or appropriate board or commission may appoint an "Acting" Department Head to serve for a period ofnot more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Board of Selectmen or other appropriate board or commission for each such extension. In no case shall an appointment of an "Acting" Department Head exceed one year.

b. Duly appointed "Acting" employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the "Acting" employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation. For purposes of this section, Election Workers and Wardens shall not be considered "employees of the Town."

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern.

c. The Board shall meet annually in July and organize by the choice of a Chair and Clerk. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the

Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. Not later than six (6) months prior to Annual Town Meeting, the Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented by a signed petition to, and acted upon by, the Personnel Board. Upon receipt of such a written petition, the Board, after giving the petitioner(s), the Department Head(s) and the affected employee(s) at least two weeks' written notice, shall hold a hearing to consider the proposed amendment. If the Personnel Board approves of any proposed amendment, it shall bring it before the next available Special or Annual Town Meeting for its consideration. If the Personnel Board disapproves any proposed amendment or shall fail to act thereof within fifteen days after the hearing (which failure shall be deemed disapproval), the petitioner(s) may the present the petition to the next available Town Meeting for its consideration. The Board of its own motion, after a similar hearing and/or conference with parties interested, may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

TOTAL WATER - PUBLIC WORKS	2,056,373	2,336,937	2,340,692	2,904,951	24.11%

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates, which supports all aspects of the department's operation. The first year of funding for those capital items that are being leased for use by the Water Department, in whole or in part, are included in this budget.*

Hook Lift Truck - This item will replace a 2002 version. This truck is critical to a variety of operations throughout the year. It was scheduled to be replaced in the last fiscal year in the event of a Fall Town Meeting. The truck that it is replacing is currently sitting idle and is no longer on the road and was not used during the last winter plow season. This portion represents the amount to come out of the water fund.

Pick-Up Diesel Truck F-350 - This item will replace a 2011 version of the same make/model. This truck is used by DPW water staff on a daily basis to carry out their duties.

ARTICLE 9: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article. The funding amount has been the same each year since 2015, and is not changing for FY22.*

ARTICLE 10: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Other Funds
A.	LIBRARY: Interior Renovations, Floor Coverings and Painting	$115,000	$115,000	
B.	TOWN HOUSE: Bathroom Renovation	$ 40,000	$ 40,000	
C.	DPW: Chipper	$ 30,000	$ 30,000	
D.	DPW: Equipment Trailer Replacement	$ 12,000	$ 12,000	
E.	DPW: Road Maintenance	$325,000	$325,000	
F.	FIRE: Thermal Imaging Cameras	$ 30,000	$ 30,000	
G.	FIRE: Fire Hose & Nozzle Replacement	$ 20,000	$ 20,000	
H.	FIRE: Turnout Gear Fund	$ 40,000	$ 40,000	
I.	INFORMATION TECHNOLOGY: Server and Storage	$ 40,000	$ 40,000	
J.	POLICE: Defibrillators	$ 18,200	$ 18,200	
K.	POLICE: Police Cruisers (2)	$101,000	$101,000	

, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. This item will provide the funds needed to replace various sections of floor coverings installed in the late 1980's, repaint interior walls, and make upgrades to interior finish surfaces on the upper level of the Southborough Library;
B. This item will provide the funds needed for the purpose of renovating the men's and/or women's restroom at the Southborough Town House. Elements of renovation work will include tile replacement, installation of new privacy components, and plumbing upgrades in the subject restroom, which has not had any major betterments for over 40 years;
C. This item will replace a chipper that is beyond its useful life. The chipper is used in both emergency and non-emergency situations by DPW crews;
D. This item will replace an equipment trailer purchased in 2006. The current trailer no longer meets the standards needed to carry the weight of the equipment towed around on the trailer;
E. These funds are for public roadway, sidewalks and walkway maintenance, repair and construction throughout town. These are expended in conjunction with Chapter 90 roadway improvement funding from the Commonwealth;
F. This item will replace two (2) thermal imaging cameras carried on the fire department pumpers. These cameras are the end of their life expectancy and are critical to firefighting operations to protect life and property;
G. This item will replace miscellaneous fire hose and nozzles carried on the department's fire apparatus that is beyond its life expectancy or has failed during regular maintenance checks. This is part of an ongoing maintenance of the equipment. On average, this is replacing items that are 15 – 20 years old.
H. These funds will be used to fund an initial contribution for new and replacement fire turnout gear. These funds are anticipated to cover approximately ten full sets of turnout gear that will reach the end of their useful life in the next fiscal year. Funds expended from this item will be approved by the Capital Planning Committee based on recommendations from the Fire Chief;
I. These funds will cover any onsite or cloud infrastructure needs for municipal IT as part of a formal plan developed by the IT Manager and Municipal Technology Committee;
J. This item is for the replacement of ten (10) portable defibrillator units that are located in each of the marked patrol vehicles. The current units were purchased in 2008, and are well past their useful life expectancy of ten years;
K. This item is for the replacement of two front line cruisers nearing or over 100,000 miles (2016 Ford Taurus currently 92,088 miles, 2016 Ford Explorer currently 109,110 miles). They will be replaced with a 2021 Ford Police Interceptor Utility AWD Hybrid, and a 2021 Dodge Charger AWD gas engine. The hybrid model is eligible for Green Communities funds, which if awarded would defray the purchase price by $5,000. The anticipated gas savings with the hybrid model is $3,179, according to the manufacturer.

ARTICLE 11: To see if the Town will vote to appropriate a sum of money to pay costs of acquiring all or a portion of the following equipment and to see if this appropriation shall be met by borrowing or otherwise, and/or authorize, under General Laws Chapter 30B, Chapter 44, Section 21C, upon the recommendation of the Board of Selectmen, the following lease purchase financing agreements for the acquisition of all or a portion of the following equipment that may be acquired through the issuance of debt under G.L. c. 44 or improvement of a capital asset the improvement of which may be financed by the issuance of debt under G.L. c. 44, the term of such agreement not to exceed the useful life of the equipment or improvement as determined by the Board of Selectmen, and to authorize the Town Administrator to enter into such agreements on behalf of the Town, and to approve appropriation for the first year payments of the agreements as stated below in the column "First Year Amount":

	Equipment	Authorized Department	Source of Appropriation	First Year Amount
A.	1 - Fire Tender 2,000 Gallon	Fire Department	FY22 Capital Budget - Ambulance Fund or Borrowing	$61,127
B.	1 - Horton Type Ambulance	Fire Department	FY22 Capital Budget - Ambulance Fund	$42,025
C.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY22 Capital Budget - General Fund	$25,215
D.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY22 Capital Budget - General Fund	$10,697
E.	1 - Fire Dept Chief Vehicle	Fire Department	FY22 Capital Budget - General Fund	$9,169

, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. This item will add a Fire Tender that is capable of carrying 2,000 gallons of water to a fire scene. This is a newly proposed vehicle for the Department that will be used both in areas of town without hydrants, but also supplement operations in areas with hydrants. The Department is also seeking a grant for the acquisition of this asset. The request originated after a full operational review of the Fire Department by the Chief.
B. This item will replace a 2014 Ambulance that is used in rotation with a 2nd ambulance. This ambulance responds to approximately 500 emergencies a year. Due to the long lead time to manufacture these vehicles, this ambulance is being requested now to avoid costly repairs on the 2014 Ambulance.
C. This item will replace a 2002 version. This truck is critical to a variety of operations throughout the year. It was scheduled to be replaced in the last fiscal year in the event of a Fall Town Meeting. The truck that it is replacing is currently sitting idle and is no longer on the road and was not used during the last winter plow season. This portion represents the amount to come out of the general fund.
D. This item will replace a 2008 version of the same make/model. This truck is used by DPW staff on a daily basis to carry out their duties.
E. This item will replacement of a Fire Department SUV to be utilized by the Fire Chief. The current vehicle is a 2013 Ford Explorer which will be retained to replace the Facilities Director's vehicle (2003 Ford Crown Victoria). The Fire Department SUV is used for department business, emergency response, and as a mobile incident command post. This item will purchase and appropriately equip a Chevrolet Tahoe 4-wheel drive SUV or equivalent.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of $5,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support

Advisory Committee Recommendation: Support
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 13: To see if the Town will vote to raise and appropriate, borrow and appropriate or transfer from available funds the sum of $100,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Advisory Committee as requested, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 14: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2022:

1. Immunization/emergency dispensing clinic; $12,000.
2. Inspectional services; $100,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous materials; $75,000.
6. CPR classes; $6,500.
7. Community garden; $2,500.
8. Recreation programs; $400,000.
9. Tobacco Control Program; $4,000.
10. Golf Course maintenance; $30,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, BOARD OF SELECTMEN, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 15: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY 2022 Community Preservation Projected Receipts and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:

Estimated Surcharge Receipts (based on Town Treasurer's projections)…….. $386,300
State Match (projected FY2022 State match)……..…….. $ 75,275
FY2021 State Match Adjustment……. $ 49,976
Total Projected Revenue…….. $511,551

Set Aside- Open Space

$51,155 to be set aside, held in the Community Preservation Fund, and spent in FY2022 or later years for acquisition, creation or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation

$51,155 to be set aside, held in the Community Preservation Fund, and spent in FY2022 or later years for the acquisition, preservation, rehabilitation and restoration of historic resources.

Set Aside – Community Housing

$51,155 to be set aside, held in the Community Preservation Fund, and spent in FY2022 or later years for the creation, preservation and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.

Administrative Costs – Community Preservation Committee

$25,578 to defray the administrative and operating expenses of the Community Preservation Committee in FY2022 for the Community Preservation Fund

, or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The budget and set asides are an annual requirement under the Community Preservation Act.*

ARTICLE 16: To see if the Town will vote to appropriate $82,938 to be applied towards the bond for the Perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of Historic Preservation from the CPA FY2022 estimated CPA annual revenue. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is the Community Preservation Fund payment towards the FY2022 debt funding for the Preservation Restriction of 84 Main Street as approved at the 2016 Annual Town Meeting.*

ARTICLE 17: To see if the Town will vote to appropriate $13,033 towards FY21 Interest for the renovation and restoration of the Historic Southborough Library building from the Historic Reserve Fund; and to also vote to appropriate $71,705 to be applied towards the FY22 bond payment for the renovation and restoration of the Historic Southborough Library building for the purpose of Historic Preservation. $38,122 from the CPA Historic Preservation Reserve Fund and $33,583 from the FY21 CPA Fund Balance. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is the Community Preservation Fund payment toward the debt funding for the renovation and restoration of the Historic Southborough Library as approved at the 2019 Annual Town Meeting.*

ARTICLE 18: To see if the Town will vote to appropriate $238,750 from the CPA Fund FY2021 Budgeted Reserve for the renovation and restoration of Kallander Field, located on Kallander Drive in Southborough (Parcel ID 56-0000-012-0) for recreation purposes as requested by the Recreation Department. This consists of $210,100 in project costs and an additional $28,650 in contingency funding. Contingency funds only available after approval of the CPC for unexpected costs unforeseen at the time of application. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of the Recreation Director Tim Davis and the Southborough Recreation Department, said funds will be used to restore and renovate Kallander Field, to address significant drainage issues that plague the field.*

ARTICLE 19: To see if the Town will vote to appropriate $300,000 for the restoration and preservation of the Historic St. Mark's Bell Tower located at 27 Main Street Southborough for Historic purposes. $23,061.76 from the CPA Historic Preservation Reserve Fund and $276,938.24 from FY21 CPA Fund Balance. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *Under the direction of the St. Mark's Building Committee said funds will be used to restore and preserve the St. Marks Bell Tower in conformance with a Preservation Restriction held by the Massachusetts Historical Commission. The goal is to preserve St. Mark's Bell Tower for many future generations of Southborough residents to enjoy. Built in 1891 on land donated by Joseph Burnett, the tower has fallen into major disrepair over the years. Issues include water penetration, unevenly faced stones, cracked mortar joints, and stone slippage. Without restoration of the tower, the historic viewscape of our town will be forever changed. Satisfying the Community Preservation Act goal to preserve and maintain historic landmarks, this project would preserve the tower and keep its historical significance. St. Mark's Church is part of the Southborough Historical Commission project to add downtown Southborough to the State and National Register of Historic Places. The tower restoration project strictly falls under historic preservation and does not contain any religious depiction. This $300,000 request is for partial funding of total project costs of $565,000 with remainder raised by St. Mark's.*

ARTICLE 20: To see if the Town will vote, pursuant to Mass. General Laws in Chapter 44, as amended, Chapter 44B, or any other enabling authority, to appropriate and borrow a sum of money not to exceed the amount of two million, thirty thousand dollars ($2,030,000) for historic restoration of the Southborough Town House, including costs incidental or related thereto, for a period of twenty (20) years, excluding the term of any temporary loans issued and in anticipation therefor, and allow the Treasurer to apply the net premium and any accrued interest to the costs of the project and reduce the amount authorized to be borrowed for the project by like amount.

Additionally to appropriate two hundred eight thousand, two hundred eighty-four dollars ($208,284) with one hundred ninety-two thousand, six hundred and nine dollars ($192,609) from the FY22 estimated CPA annual revenues and fifteen thousand, six hundred seventy-five dollars ($15,675) from the 2021 CPA Fund Balance for a total project cost of two million, two hundred thirty eight thousand, two hundred eighty four dollars ($2,238,284) for historic preservation purposes.

This consists of $1,986,644 for historic preservation /restoration project costs and $251,640 contingency funding, for the Southborough Town House Exterior Preservation and Restoration Project, as requested by the Southborough Facilities Department for historic purposes. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with M.G.L. c. 44 §20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

And to further authorize the Board of Selectmen and/or a qualified Historical Organization with the Board of Selectmen's express approval to submit on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from The Commonwealth of Massachusetts or the United States and/or any other state or federal programs including those in aid of Historic Preservation and/or any others in any way connected with the scope of this article. Said gifts or grants to be deposited in the Historic Reserve Community Preservation Fund.

The Board of Selectmen is hereby directed to grant a Perpetual Preservation Restriction on the historical exterior and windows of the Town House Building, 17 Common Street, Southborough, MA 01772 to be recorded in conformance with the requirements of Massachusetts General Laws and to enter into all agreements and execute any and all instruments as may be necessary to effect said Perpetual Preservation Restriction. The cost of the Perpetual Preservation Restriction to be paid from funds from this appropriation and the holder of the Perpetual Preservation Restriction shall be approved by a majority vote of the Community Preservation Committee.

The Town of Southborough shall retain ownership of this building in perpetuity except as authorized by a vote of the citizens at a town election with a margin of 90% approval of the total ballots cast.

Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding.

All of the work will comply with the Building and Architectural Access Board codes as applicable, the historic district review requirements, and The Secretary of the Interior's Standards for the Treatment of Historic Properties.

The Town shall prepare a draft Perpetual Preservation Restriction and submit the Perpetual Preservation Restriction to the MA Historical Commission no later than 180 days after the commencement of construction activities.

Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer, or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support; reserve pending review of motion
Advisory Committee Recommendation: Support
Summary: *Under the direction of John Parent, Southborough's Director of Facilities the Southborough Town House Exterior Preservation and Restoration Project is focused on restoring various original elements of the building structure, where deemed prudent. Projects at the Town House include window sash replacement*, exterior renovation work and roof replacement *Great care has also been taken to ensure that any replacement components will be designed in such a fashion as to authentically replicate the original components they would replace. The proposed project has been structured in a way that helps preserve the overall original appearance and integrity of the Town House, while also taking into consideration the functional needs of building occupants. The Preservation Restriction will ensure that Southborough benefits from the presence of this historic property gracing our Historic Town Center in perpetuity.*

***ARTICLE 21**:* To see if the Town will vote to appropriate $9,950 from the FY22 estimated CPA annual revenue for the Southborough History Museum Condition Assessment for historical purposes as requested by the Southborough Historical Society. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the Direction of the Historical Society and with review by Southborough Facilities Department Director John Parent, the Southborough Historical Society will hire a historical architect to conduct a Condition Assessment of the historic 1859 Flagg School. The assessment will include historic paint research on the building, draw up plans and budgets for the window restoration and other relevant exterior issues such as redesigning the unsafe front and rear stairs which is needed to preserve the building into the 21st century and beyond.*

***ARTICLE 22**:* To see if the Town will vote to appropriate $47,011 from the FY22 estimated CPA annual revenue for the 1.6 mile Peninsula Trail for recreation purposes as requested by the Southborough Trails Committee (STC) with $42,737 in project costs and an additional $4,274 in contingency funding. The STC shall apply for the Massachusetts Department of Conservation and Recreation trails grant for matching funds. In the event the grant funds are not awarded, these CPA funds will be used to provide signage and install required fencing to enable use of the property. Contingency funds only available after approval of the CPC for unexpected costs unforeseen at the time of application. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of the Southborough Trails Committee (STC), said funds will be used for improvements of a 1.6 mile trail segment to close a gap in the 33-mile regional Boroughs Loop Trail (BLT) that connects the trail networks of Marlborough, Northborough, Westborough and Southborough. The trail will also be part of MWRA's Aqueduct Trail system and will serve as a future connection to Framingham's Aqueduct Trail on the east side off Pine Hill Road. The BLT is adjacent to, and intersects with, the Bay Circuit Trail, a 230-mile regional trail extending through 37 communities. Constructing this section of trail will help to close an important trail gap in Southborough and fulfill the town's commitment to complete this initiative. Parking will be available for 2-4 cars at the Rt.30/Central street location. This project consists of two components: • Wayfinding/regulatory interpretive and historical signage • Fencing to enclose the Hosmer Riser. Additionally this funding allows the STC to apply for the Massachusetts DCR trails grant to improve Trail accessibility at Route 30 and Central Street.*

***ARTICLE 23**:* To see if the Town will vote to authorize the Board of Selectmen to dispose of a parcel of land with structures thereon deemed surplus property with no further public purpose, by deed of conveyance, grant or transfer after appraisals have been obtained and upon such terms and conditions as the Board of Selectmen deem appropriate. Said parcel of land being described as follows: 21 Highland Street, having been acquired by deed dated June 26, 1911 and recorded in the Worcester Registry of Deeds at Book 1974, Page 229; or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary: *The former South Union School at 21 Highland Street currently houses the Recreation and Youth & Family Services departments. The building will require some significant maintenance in the coming years, including boiler and roof replacement, and exterior maintenance work which are estimated to cost in excess of $400,000. In consultation with the Capital Planning Committee, the Board of Selectmen have issued a Request for Proposals (RFP) for the disposition of the building and the property (excluding playground equipment), to determine its best value. The results of that bid process will be available in early-May, and will form the basis of the motion to be made in relation to this article.*

ARTICLE 24: To see if the Town will vote to amend the interest rate per annum from 4% to 2% and increase the income limit (gross receipts) from $20,000 to $45,000 under the provisions of Massachusetts General Laws, Chapter 59, §5 (41A) which regulates tax deferral for homeowners 65 years or older pursuant to the authority contained in Chapter 136 of the Acts of 2005 of the General Court thereby amending M.G.L. Ch. 59, §5 (41A), or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN, BOARD OF ASSESSORS & COUNCIL ON AGING
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The senior property tax deferral program, known as Clause 41A, allows people 65 or over to defer their property taxes until their home is sold or conveyed. This article will change the interest rate charged on "deferred tax" liens from the current 4% to 2%. It also will increase the income limits of applicants from $20,000 to $45,000.*

ARTICLE 25: To see if the Town will vote to amend Section 9-24 "Qualification of elected and appointed officials" of the Town Code, by deleting the text in its entirety, and replacing with the following:

"All elected and appointed officials shall be qualified by the Town Clerk within 30 days of their election except where a different period is specified in the General Laws. If an appointed official is not qualified in this period, his/her appointment shall terminate, and the appointing authority shall be so notified by the Town Clerk."

; or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Currently, elected and appointed officials have 15 days to be sworn in by the Town Clerk's office; this article will allow those officials additional time to be sworn in following their appointment or election. The current requirement of 15 days was found to be too limiting, as appointment dates often conflicted with the 4th of July holiday and summer vacations. The Board of Selectmen was having to reappoint certain positions multiple times due to the inability of individuals to be sworn in within the required timeframe.*

ARTICLE 26: To see if the Town will vote to amend the provisions of the Southborough Code, Chapters 41-2 9 entitled Notice of Town Meetings and § 41-26 Availability of Annual Report and Warrant by:

1) Deleting § 41-2 in its entirety and replacing it with:
A. Notice of every Town Meeting shall be given by posting attested copies of the warrant on the Town website, at the Town House, the Southborough Library, the Senior Center and the Transfer Station seven days at least before the time appointed for the Annual Town Meeting and fourteen days at least before the time appointed for a Special Town Meeting.

Creating a new section §41-2.1 entitled Location of Town Meeting
B. The warrant for an annual or special town meeting may specify that the meeting is to be held in a suitable auditorium or other facility in Southborough or in any town contiguous to Southborough. Town Meeting may also vote to adjourn to such a facility if it deems appropriate.

2) Change the Title of Article III from Availability of Annual Report and Warrant to Availability of Annual Report.

3) Strike § 41-26 in its entirety and replace with:
§ 41-26 Availability of Annual Report.
At least fourteen (14) days prior to the Annual Town Meeting, the Selectmen shall place a notice on the town website and on Southborough Access Media advising that copies of the Annual Town Report are available to the public on the town website, at the Southborough Town House, at the Southborough Library and at the Southborough Senior Center.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article would correct the conflicting language in Southborough Code sections 41-2 and 41-26. This article would also allow a Town Meeting to be held in any of the towns contiguous to Southborough. For example, a town meeting could be held at Algonquin Regional High School if the town were unable to hold the meeting in Southborough for any reason.*

ARTICLE 27*:* To see if the Town will accept the provisions of Chapter 41, Sec. 110A of the Massachusetts General Laws "Office hours on Saturday": "Any public office in any city or town may remain closed on any or all Saturdays as may be determined from time to time, in a city by the city council, subject to the provisions of the city charter, or, in a town, by vote of the town at a special or regular town meeting, and the provisions of section nine of chapter four shall apply in the case of such closing of any such office on any Saturday to the same extent as if such Saturday were a legal holiday."

;or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Acceptance of this provision of the General Law would extend a voter registration deadline which occurs on a Saturday to the following Monday.*

ARTICLE 28*:* To see if the Town will vote to adopt the provisions of MGL c.90, Section 17C to allow the Board of Selectmen to reduce the statutory speed limit from 30MPH to 25MPH on any or all town-owned roadways in thickly settled or business district areas, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article provides the Selectmen with the authority to reduce speed limits on certain town-owned streets in the interest of public safety.*

ARTICLE 29: To see if the Town will vote to adopt the provisions of MGL c.90, Section 18B to allow the Board of Selectmen to establish regulatory 20MPH safety zones on public streets within the Town of Southborough in the interest of public safety, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article provides the Selectmen with the authority to establish safety zones on streets in the interest of public safety.*

ARTICLE 30*:* To see if the Town will vote to impose a .75% meals tax on the sales of restaurant meals by accepting Massachusetts General Laws, Chapter 64L, Section 2(a), or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support

Summary: *This article will require all local restaurants to charge an additional .75% in meals tax, which will come back to the Town as unallocated revenue through State Local Aid. Most other communities in our area have adopted this local option as well. The local meals tax has been identified as an additional revenue source to help alleviate increases to residential property taxes.*

ARTICLE 31: To see if the Town will vote to adopt in Chapter 9 of the General Bylaws, Article X to be entitled **"**Southborough Public Accessibility Committee", Sections 9.34 through 9.35 of the Town bylaws, the following:

Article IX Southborough Public Accessibility Committee

§9.34 Purpose

Numerous laws, statutes, policies and regulations require and/or encourage access to facilities, programs and services for all members of the public. These include, but are not limited to:

- The Americans with Disabilities Act of 1990 - 42 U.S.C. ch. 126 § 12101 et seq
- Regulations promulgated by the Massachusetts Architectural Access Board (521 CMR)
- The Voting Accessibility for the Elderly and Handicapped Act of 1984 - P.L. 98-435, 42 U.S.C. §§ 1973ee–1973ee-6
- The Individuals with Disabilities Education Act – 20 U.S.C. §§ 1400 et seq.
- The Rehabilitation Act of 1973 – USC 31-41c, 29 U.S.C. § 701 et seq
- The Architectural Barriers Act - 42 U.S.C. §§ 4151 et seq.
- Massachusetts Employment Law MGL ch 151B
- Massachusetts Public Accommodation Law - MGL ch 272
- Massachusetts Equal Rights Act - MGL Ch. 93 §§ 102
- Massachusetts Constitution Article CXIV (114)
- Massachusetts Service Animals Law – MGL Ch. 272 §§ 98A

Southborough supports a coordinated approach to monitoring and increasing public accessibility and ensuring compliance with local, state and federal requirements. In addition, it is desirable to encourage property owners to consider adopting optional policies that increase accessibility. As more fully described in the remainder of this Article IX, this article establishes a committee that will be responsible for developing and implementing this coordination. It will report on status and progress to the Board of Selectmen and the Town Meeting.

§9.34.A Establishment; Membership; Qualifications

There shall be a Southborough Public Accessibility Committee ("SPAC"), which shall consist of five voting members appointed by the Board of Selectmen, plus the non-voting, ex-officio members identified below. Any non-voting, ex-officio member shall not count toward the calculation of a quorum for the SPAC for voting purposes.

Each voting member shall be a registered voter in the Town and shall not be a Town officer (where a "Town officer" means a Town official who serves in an elected position) or a Town employee (where a "Town employee" is any person holding a non-elected, paid position in the Town other than a volunteer who is deemed a Special Municipal employee solely for the purposes of MGL Chapter 268A).

The Board of Selectmen shall designate a Public Accessibility Coordinator ("Coordinator"), in consultation with the SPAC. The Coordinator shall be responsible for accepting and recording concerns, coordinating reviews, and such other duties as may be assigned.

The Building Commissioner and Coordinator shall be ex-officio members of the SPAC.

§9.34.B Appointments; Terms

Voting members shall be appointed for two-year terms. The initial appointments shall be divided between one and two-year terms, so as to establish overlapping terms.

§9.34.C Organization
The voting SPAC members shall select annually, from among themselves by majority vote, a Chairman and a Secretary.

§9.34.D Funding
The SPAC shall have a budget, as may be approved through the Town's regular budget process, for consultants and other expenses. The SPAC shall submit its projected expenses annually as input to the Town's regular budget process. Any expenditures from the SPAC budget shall require a majority vote of the SPAC, and shall be subject to the Town's policies for such expenditures.

§9.35 Powers and Duties
The SPAC Powers and Duties include, but are not limited to, the following:

- To monitor and enhance the Town's compliance with all applicable laws, statutes, policies, and regulations that require (or encourage) access to facilities, programs and services for all members of the public.
- In coordination with Town officers, departments, and other government entities, to endeavor to ensure that all Town citizens have equal access to:
  - Town government offices and communications
  - Public and commercial buildings
  - Programs
  - Goods and services
  - Transportation
  - Telecommunications, including the internet
  - Recreational facilities and programs
- To review existing and proposed facilities, programs, and projects undertaken by the Town, and to notify the responsible official or entity of its comments. The SPAC may request that other Town officials, committees, departments, and/or entities provide input to these reviews.
- To undertake public outreach and advocacy for accessibility in the Town,
- To periodically, but no less than once per calendar year, report to the Board of Selectmen and the Town Meeting on its activities and findings.
- To provide a mechanism for the public and/or any Town employee to raise concerns about the accessibility of any Town facility, service or program.
- The SPAC (or its designee) shall maintain records of such concerns and their dispositions. To the extent permissible by law, the identities of persons raising such concerns shall be confidential, unless confidentiality is waived by such person.

, or act or do anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article replaces the current ad-hoc Accessibility Compliance Committee with a standing committee. The existing committee was established to address the issues raised by the 1990 Americans with Disabilities Act, and was thought to be needed for a short time. In the time since, regulations in this area have increased and public demand for accessibility has increased. Since the need has persisted for several decades, a standing committee that is not limited to the ADA is the more appropriate construct.*

ARTICLE 32: To see if the Town will vote to amend the provisions of the Southborough Code, Section 9.8 and 9.12 thereof, as follows:

§ 9-8 Establishment; membership; residence requirements. [Amended 4-12-1999 STM by Art. 1; 10-21-2002 STM by Art. 7; 4-15-2008 ATM by Art. 34]
There shall be an Advisory Committee, which shall consist of nine voters of the Town. No member shall be appointed who is a Town officer, employee or member of another Town committee, appointed or elected; provided, however,

that an Advisory Committee member may ~~belong~~be appointed to: a) one ad hoc committee that is appointed by an elected board or official, or b) one other committee appointed by the Moderator, or c) one committee chartered to consider capital appropriations under the following restrictions:

A. The Advisory member's ~~participation~~ appointment is approved in advance by majority vote of the Advisory Committee excluding the member desiring to participate in the above committees.

B. The Advisory member may not vote or be counted for purposes of a quorum during Advisory meetings when matters subject to ~~the jurisdiction of~~consideration by the above other committees are ~~presented to~~ considered by the Advisory Committee.

§ 9-12. Appointment of Chairman and Secretary.
Said Committee shall choose from its membership a Chairman, a Vice-Chairman and a Secretary.

, or act or do anything in relation thereto.

Proposed by: ADVISORY COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The proposed article makes the following changes to the current Advisory by-law:*

§ 9-8 - Proposed article (1) reduces the number of members on the Advisory committee from nine to seven; (2) allows Advisory committee members to sit on a standing committee whose purpose is to consider capital appropriations and (3) allows all Advisory committee members to count toward a meeting quorum even when other committee matters are being considered and Advisory members also sit on that other committee. Advisory members who sit on the other committees must recuse themselves from any discussion or votes taken regarding the other committees' subject matters.

§ 9-12 –Proposed article adds the office of Vice-Chairman.

ARTICLE 33: To see if the Town will vote to adopt in Chapter 9 of the General Bylaws, a new Article IX to be entitled "Capital Improvement and Planning Committee", Sections 9-30 through 9-33 the following:

§ 9-30 Purpose.
As more fully described in the remainder of this Article IX, this article establishes a committee that will be responsible for creating and maintaining a rolling ten-year Capital Plan across all government entities and will ensure consistent interpretation and execution of that plan. The Committee will work in collaboration with the various government entities that propose capital expenditures. It will report on the plan to the Town Meeting and advise Town Meeting on proposed capital expenditures.

§ 9-30.1 Establishment; membership; qualifications.
A.
There shall be a Capital Improvement and Planning Committee ("CIPC"), which shall consist of seven voting members and the two nonvoting ex-officio members identified below.
B.
Each voting member shall be a resident of the Town.
C.
The voting members shall be appointed by the Board of Selectmen.
D.
One appointed member should be a member of the Board of Selectmen and one member should be a member of the Advisory Committee.
E.
At no time should any elected or appointed board, committee or commission have more than one representative that also is appointed to CIPC.
F.

The Town Administrator and Finance Director shall be appointed as ex-officio members and may be nonresident Town employees. The Town Administrator or Finance Director, after collaboration with the Board of Selectmen as appointing authority, may recommend that another member of the town's finance team (treasurer, assessor, or accounting departments) serve as ex-officio in their place.

§ 9-30.2 Appointments; terms; vacancies; removal.

A.

Voting members shall be appointed for three-year terms. The initial appointments shall be three members for three years, two members for two years, and two members for one year, so as to establish overlapping terms. For subsequent appointments, the appointing authority shall request that the CIPC review the qualifications of prospective appointees, but the final determination of who is selected shall rest with the appointing authority.

§ 9-30.3 Organization; meetings.

A.

The members shall select, from among themselves, a Chairperson, Vice Chairperson and a Clerk.

B.

The CIPC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.

C.

All reports and recommendations of the CIPC made to the Town shall be voted by a majority of the voting members of the CIPC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the nonvoting members.

§ 9-30.4 Funding.

The CIPC shall have a budget or warrant article for consultants and other expenses. It shall submit its projected expenses to the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the CIPC, and be subject to the Town's policies for such expenditures.

§ 9-31 Functions and definitions.

A.

Work with Town Finance Team to maintain town's 10-year capital plan. This will be achieved by regular meetings and discussions with Town Departments, Boards, and Committees that will put forward requests for Capital Funding as part of an Annual or Special Town Meeting. While this Committee will have no oversight of the annual operating budget, they need to be aware and receive regular updates of the operating budgets and other revolving or enterprise funds to ensure that capital needs are considered in an appropriate order and timing.

B.

The CIPC shall follow any capital or other financial policies adopted by the town and provide regular feedback for any potential improvements or enhancements to these policies.

§ 9-32 Project Oversight.

A.

In the absence of a formal building committee for a specific project, CIPC will serve as point of initial approval for all project expenses, change orders, and invoices. Projects falling under the oversight of the CIPC will specifically be decided as part of or immediately following any Town Meeting appropriation by a vote of the Board of Selectmen.

B.

If any elected board decides to have a separate Building Committee for any specific project, then at least one member but not more than two members of the CIPC shall be appointed.

§ 9-33 Reports

A.

Prior to any annual or special town meeting, CIPC shall provide a recommendation on any capital article to appear on the warrant. This recommendation should be communicated to both the Board of Selectmen and Advisory Committee.

, or act or do anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Capital Planning Committee has been an ad-hoc committee since March 2020. Since that time, the Committee has advised the Board of Selectmen on capital expenditures for Town Meeting, and worked collaboratively with the Finance Director and Town Administrator on the overall capital plan and funding/financing options for capital projects. Given the intention for the Committee to continue their work each year as part of the budget process, the Board of Selectmen agreed that the Committee should operate as a standing committee under the Town bylaws.*

ARTICLE 34: To see if the Town will vote to amend the Zoning Code of the Town of Southborough, Zoning Article I entitled "Miscellaneous Provisions" and Article V entitled "Nonconforming Uses and Structures" by amending thereto Section 174-9 entitled "Special Permit Requirements" and 174-19 entitled "Extensions" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

Article I: Miscellaneous provisions
§ 174-9 Special permit requirements.
[Amended 4-14-1986 ATM by Art. 46]

E. Nonconforming uses, lots and structures. Special permits may be issued for the extension**,** ~~or~~ alteration**, reconstruction or structural change** of legally nonconforming uses, structures and lots, including a change in the non-conforming use to another non-conforming use, provided that the Board of Appeals finds that such extension, alteration**, reconstruction** or **structural** change shall not be substantially more detrimental to the neighborhood, will not increase the extent of non-conformance in size or in impact and that the cost thereof shall not exceed 50% of the assessed value of the non-conforming structure at the time of application, and further provided that the estimate of the cost of any extension~~, or~~ alteration**, reconstruction or structural change** utilized by the Board of Appeals in evaluating the above specified 50% requirement of the assessed value shall not be less than a cost estimate of such extension~~, or~~ alteration**, reconstruction or structural change** based on a nationally recognized building cost estimate manual or system acceptable to the Zoning Board of Appeals. ~~No special permits under this subsection shall be granted for nonconforming signs subject to Chapter 93 or 93D of the General Laws.~~
[Amended 4-15-2008 ATM by Art. 38]

§ 174-19 **Extensions,** ~~or~~ alterations**, reconstruction or structural changes.**
[Amended 4-10-2000 ATM by Art. 55]

A. Nonconforming structures or uses shall not be extended**,** ~~or~~ altered**, reconstructed or structural changes made** except to make them conforming~~,~~ unless the Board of Appeals authorizes such extension**,** ~~or~~ alteration**, reconstruction or structural change** by special permit upon making findings as provided in § 174-9E.

B. ~~Single family and two family residential structures. In the following circumstances,~~ **Notwithstanding the provisions of Section A above, as provided in M.G.L. c.40A, § 6, if any proposed extension, alteration**, reconstruction**,** ~~extension~~ or structural change to a single or two-family residential **structure complies with one of the conditions set forth in subsections (1) through (5) below, such extension, alteration, reconstruction or structural change** ~~structure~~ shall not be considered an increase in the non-conforming nature of the structure and shall be permitted as of right.
[Amended 10-7-2013 STM by Art. 9]

(1) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which complies with all current setbacks, lot coverage and building height requirements but is located on a lot with insufficient area~~,~~ where the alteration will also comply with all of said current requirements.~~;~~

(2) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which complies with all current setbacks, lot coverage and building height requirements but is located on a lot with insufficient frontage~~,~~ where the alteration will also comply with all of said current requirements.~~;~~

(3) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which encroaches upon one or more required setbacks~~,~~ where the alteration will comply with all current setbacks, open lot coverage and building height requirements. The provisions of this s~~S~~ubsection ~~B (3)~~ shall apply regardless of whether the lot complies with current area and frontage requirements.

(4) Extension, alteration, reconstruction or structural change to the rear, side or fascia of a structure which encroaches upon a required yard or setback area where the alteration will not encroach upon such area to a distance greater than the existing structure. The provisions of this subsection shall apply regardless of whether the lot complies with current area and frontage requirements.

(5) Extension, alteration, reconstruction or structural change to a non-conforming structure which will not increase the footprint of the existing structure providing that existing height restrictions shall not be exceeded.

In the event that the Building Commissioner determines that none of the exemptions set forth in subsections (1) through (5) apply, and the Building Commissioner determines that the non-conforming nature of such structure would be increased by the proposed extension, alteration, reconstruction or structural change, then the Board of Appeals may, by special permit, allow such extension, alteration, reconstruction or structural change where the proposed modification will not be substantially detrimental than the existing non-conforming structure to the neighborhood.

; or do or act anything in relation thereto.

Proposed by: ZONING BOARD OF APPEALS
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary: *This article proposes to amend the Special Permit Requirements and Exemptions by the addition of language for the purpose of clarity and the inclusion of exemptions to comply with current case law.*

***ARTICLE 35**:* To see if the Town will vote to amend the Zoning Code of the Town of Southborough Article III entitled "Use Regulations" by replacing thereto Section 174-12.1 thereof entitled "Outdoor illumination" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

§ 174-12.1. Outdoor illumination. [Added 4-11-2005 ATM by Art. 40]

A. Purpose. This section recognizes the benefits of outdoor lighting and provides clear guidelines for its installation, so as to help maintain and complement Southborough's character. The intent of this section is to:

(1) encourage lighting that provides safety, utility and security, **productivity, enjoyment and commerce;**

(2) prevent glare on public roadways;

(3) protect the privacy of residents;

(4) promote energy-efficient outdoor lighting;

(5) limit the total allowable illumination of lots located in the Town of Southborough; ~~to reduce atmospheric light pollution~~.

(6) minimize adverse offsite impact such as light trespass, and obtrusive light;

(7) curtail light pollution and reduce skyglow to create a healthy night-time environment for residents of Southborough

The Planning Board is authorized to promulgate rules and regulations to carry forth the purpose and intent of these Bylaw provisions. Appropriately regulated, and properly installed, outdoor lighting will contribute to the safety and welfare of the residents of Southborough.

B. Applicability. Outdoor illumination by flood or spot luminaries rated at 900 lumens or more (which is approximately equal to one sixty-watt incandescent light bulb) or by any other luminaires rated at 1,800 lumens or more (which is approximately equal to one one-hundred-twenty-watt incandescent light bulb) shall be subject to the provisions of this section **including application to single and two-family residential lots**, with the following exceptions:

(1) emergency lighting;

(2) hazard warning;

(3) temporary decorative or holiday lighting ~~or public roadway illumination~~.

It shall also not apply to any luminaire intended solely to illuminate any freestanding sign, flag or the walls of any building, but such luminaire shall be shielded so that its direct light is confined to the surface of such sign, flag or building.

~~(1) The replacement of existing fixtures shall be subject to the provisions of this section; however, the replacement of existing nonconforming lamps or fixtures with the same or lower output nonconforming lamps or fixtures is exempted.~~

The replacement of fixtures or luminaires shall be subject to the provisions of this section and comply with guidance outlined in the Rules and Regulations for Outdoor Illumination maintained by the Planning Board. Non-conforming fixtures or luminaires requiring replacement for any reason (including but not limited to end of life, breakdown, vandalism) shall be replaced in compliance with this Bylaw.

~~(2)~~ The Planning Board, in performing review pursuant to § 174-10, Site plan approval, may determine that special circumstances of the site, context or design make an alternative lighting design at least equally effective in meeting the purposes of this section and, in such cases, may modify the requirements of this section.

C. Enforcement. Violations of this Bylaw shall be subject to the provisions of the Town of Southborough Article VI entitled "Administration" Section 174-24 thereof entitled "Enforcement; procedures; violations and penalties."

D. Definitions. For the purposes of this section, the following terms shall be defined as indicated below. Although set forth here for convenience, the terms shall have the same effect as if in § 174-2 of this Bylaw.

BACKLIGHT

For an exterior luminaire is the 90-degree quarter-sphere located behind and below the light source. For luminaires with symmetric distribution, backlight will be the same as front light.

BUG RATING

A luminaire classification system that classifies backlight (B), uplight (U), and glare (G) per IES TM-15-11.

CORRELATED COLOR TEMPERATURE (CCT)

A specification of the color appearance of the light emitted by a lamp, relating its color to the color of light from a reference source when heated to a particular temperature, measured in degrees Kelvin (K).

FIXTURE

The assembly that houses a lamp or lamps, and which may include a housing, a mounting bracket or pole socket, a lamp holder, a ballast, a reflector or mirror, and/or a refractor, lens or diffuser lens.

FRONTLIGHT

For an exterior luminaire is the 90-degree quarter-sphere located in front and below the luminaire.

FULL CUTOFF

A luminaire designed with an opaque shield surrounding and extending below the lamp, such that no direct light is emitted above a horizontal plane.

FULLY SHIELDED LUMINAIRE

A luminaire constructed and installed in such a manner that all light emitted by the luminaire, either directly from the lamp or a diffusing element, or indirectly by reflection or refraction from any part of the luminaire, is projected below the horizontal plane through the luminaire's lowest light-emitting part.

GLARE

Light emitted from a luminaire with intensity great enough to produce annoyance, discomfort or a reduction in a viewer's ability to see, and in extreme cases causing momentary blindness.

HARDSCAPE

Permanent hardscape improvements to the site including parking lots, drives, entrances, curbs, ramps, stairs, steps, medians, walkways, and non-vegetated landscaping that is 100 feet or less in width. Materials may include but are not limited to concrete, asphalt, stone, and gravel.

INDIRECT LIGHT

Light scatter caused by direct light being redirected from a surface.

LAMP

The component of a luminaire that produces the actual light.

LED (Light Emitting Diode) LAMP

An electric lamp with a much longer lifespan than incandescent lighting and low energy consumption.

LIGHT TRESPASS

The shining of direct **or indirect** light produced by a luminaire beyond the boundaries of the lot on which it is located.

LUMEN

A measure of light energy generated by a light source. One footcandle is one lumen per square foot. For purposes of this bylaw, the lumen output shall be the initial lumen output of a lamp, as rated by the manufacturer.

LUMINAIRE

A complete lighting ~~system, including a lamp or lamps and a fixture.~~ **unit (fixture), consisting of a lamp, or lamps and ballast(s) (when applicable), together with the parts designed to distribute the light (reflector, lens, diffuser), to position and protect the lamps, and to connect the lamps to the power supply.**

LUMINAIRE LUMENS

For luminaires with relative photometry per Illuminating Engineering Society (IES), it is calculated as the sum of the initial lamp lumens for all lamps within an individual luminaire, multiplied by the luminaire efficiency. If the efficiency is not known for a residential luminaire, assume 70%. For luminaires with absolute photometry per IES LM-79, it is the total luminaire lumens. The lumen rating of a luminaire assumes the lamp or luminaire is new and has not depreciated in light output.

MOUNTING HEIGHT

The height of the photometric center of a luminaire in feet above grade level. Feet above grade level refers to the overall average grade of the area being illuminated.

UPLIGHT

For an exterior luminaire is all of the light escaping above the luminaire.

E. Lighting zones. The Lighting Zone shall determine the limitations for lighting as specified in this section.

LZ-0: No ambient lighting

Areas where the natural environment will be seriously and adversely affected by lighting. Impacts include disturbing the biological cycles of flora and fauna and/or detracting from human enjoyment and appreciation of the natural environment. Human activity is subordinate in importance to nature.

The vision of human residents and users is adapted to the darkness, and they expect to see little or no lighting. When not needed, lighting should be extinguished.

Zoning Districts: Conservation and Research, Scientific & Professional

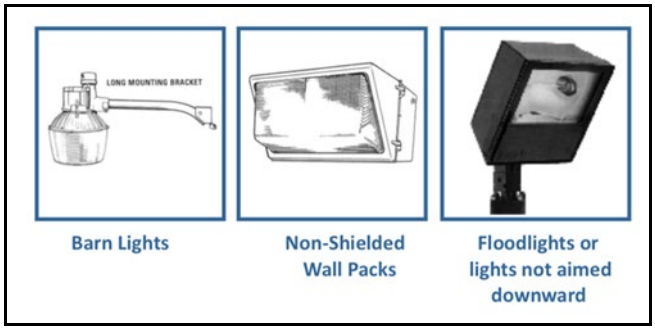
LZ-1: Low ambient lighting

Areas where lighting might adversely affect flora and fauna or disturb the character of the area. The vision of human residents and users is adapted to low light levels. Lighting may be used for safety and convenience but it is not necessarily uniform or continuous. After curfew, most lighting should be extinguished or reduced as activity levels decline.

Zoning Districts: Residence A and Residence B

LZ-2: Moderate ambient lighting

Areas of human activity where the vision of human residents and users is adapted to moderate light levels. Lighting may typically be used for safety and convenience, but it is not necessarily uniform or continuous. After curfew, lighting may be extinguished or reduced as activity levels decline.



Zoning Districts: Business Village

LZ-3: Moderately high ambient lighting

Areas of human activity where the vision of human residents and users is adapted to moderately high light levels. Lighting is generally desired for safety, security and/or convenience and it is often uniform and/or continuous. After curfew, lighting may be extinguished or reduced in most areas as activity levels decline.

Zoning Districts: Business Highway, Industrial and Industrial Park

Non-shielded wall-packs, barn lights, and floodlights not aimed downward are prohibited in all zones.

F. Total site lumen limit. The total installed initial luminaire lumens of all outdoor lighting shall not exceed the total site lumen limit. The total site lumen limit shall be determined using the hardscape area and table below. For sites with existing lighting, existing lighting shall be included in the calculation of total installed lumens. The total installed initial luminaire lumens are calculated as the sum of the initial luminaire lumens for all luminaires.

Table 1: Allowed Total Initial Lumens Per Site for Outdoor Lighting by Hardscape Method

LZ-0	LZ-1	LZ-2	LZ-3
• Conservation • Research, Scientific & Professional	• Residential A • Residential B	• Business Village	• Business Highway • Industrial • Industrial Park
0.5 lumens per SF of hardscape	1.25 lumens per SF of hardscape	2.5 lumens per SF of hardscape	5.0 lumens per SF of hardscape

G. Correlated Color Temperature (CCT). All proposed LEDs shall have a correlated color temperature (CCT) between 2200K and 3000K.

H. Exterior lighting plan. Applications subject to the provisions of § 174-10, Site plan approval, shall submit a lighting plan which shall include the following information, except to the extent waived by the Planning Board. All other lighting not subject to the provisions of said § 174-10 does not require a lighting plan but shall meet the standards as set forth in this **Bylaw** ~~section~~, unless as may otherwise be provided herein. **The installation of fixtures or luminaires shall be subject to the provisions of this bylaw and comply with guidance outlined in the Rules and Regulations for Outdoor Illumination maintained by the Planning Board. The** lighting plan shall include the following information **and comply with the regulations adopted pursuant to this Bylaw**:

(1) Location, orientation and type of outdoor luminaire, including the height of the luminaire, both existing and proposed;

(2) Type of lamp, such as metal halide, compact fluorescent, high pressure sodium**, LED;**

(3) Luminaire manufacturer's specification data, including lumen output and photometric data showing cutoff angles, as well as a description of all illuminating devices, fixtures, lamps, supports, reflectors, both existing and proposed; this may include, but is not limited to, catalog cuts and illustrations by manufacturers;

(4) Complete report of BUG rating data for all luminaires (if not already included in the manufacturer's specification data) calculated from photometric data (as per IES TM-15-11) showing compliance with the Planning Board Rules and Regulations for Outdoor Illumination;

(5) Photometric plan showing the intensity of illumination expressed in footcandles at ground level within the interior of the property and at the property boundaries **that also includes the Total Site Lumen Limit; Limits to Off Site Impact; Light Shielding for LED lighting; and the Correlated Color Temperature; according to adopted regulations;**

(6) Evidence that the plan complies with light trespass restrictions as set forth herein.

I. Waivers. An applicant may make a waiver request to the Planning Board for increased lighting levels within any given lighting zone and the Planning Board shall have such waiver authority hereunder.

J. Lighting control requirements. Automatic switch controls shall be provided that automatically extinguish all outdoor lighting when sufficient daylight is available using a control device or system such as a photoelectric switch, astronomic time switch or equivalent functions from a programmable lighting controller, building automation system or lighting energy management system, all with battery or similar backup power or device. The Exterior Lighting Plan shall establish curfew time(s) after which total outdoor lighting lumens shall be reduced by at least 30% or extinguished. Lighting reductions are not required for any of the following:

(1) Lighting for residential properties including multiple residential properties not having common areas; with the exception of landscape lighting

(2) When the outdoor lighting consists of only one luminaire.

(3) Code required lighting for steps, stairs, walkways, and building entrances.

(4) Lighting under canopies, in tunnels, parking garages, and similar conditions.

(5) When in the opinion of the Planning Board, lighting levels must be maintained.

(6) Motion activated lighting.

(7) Lighting regulated by special use in which times of operation are specifically identified.

(8) Businesses that operate on a 24-hour basis.

K. Community outdoor sports/recreational lighting requirements. These requirements are an exemption from the total site lumen limit based on hardscape metrics. Community outdoor sports or recreational facilities

will be held to the IDA, IES criteria for outdoor sports lighting. On-field illuminance values will be determined by current IDA, IES set forth in the Rules and Regulations for Outdoor Illumination adopted to implement the intent and purpose of this bylaw. Standard regulations include:

(1) Color, luminaire correlated color temperature (CCT) may not exceed 5700 Kelvin;

(2) Other lighting, parking and concession area lighting will be considered a separate luminaire system and must meet the applicable lighting standards for the relevant lighting zones;

(3) Shut-off, curfew time shall be no later than 10:00PM (2200 hrs.); for good cause shown, the Planning Board may waive the compliance requirement of this subsection.

L. Street lights. Light emitted by the fixture shall have a correlated color temperature no greater than 3000 Kelvin and/or comply with Massachusetts DPU Tariff standards if applicable. All other street light features are exempt from regulation under this bylaw.

M. Light shielding for parking lot illumination. All parking lot lighting shall have no light emitted above 90 degrees from the installed vertical axis.

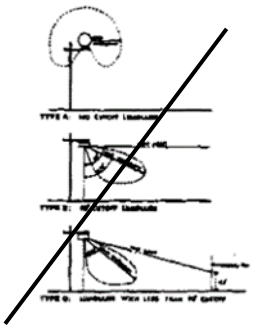
N. Flickering and flashing lights. No flickering or flashing lights shall be permitted. Processes, such as arc welding, which create light flashes shall be confined within buildings or shielded to prevent either direct glare or flashing.

O. Fixture mounting heights.

(1) ~~F.~~ Wall-mounted fixtures. In nonresidential districts, a luminaire attached to the exterior of a building or structure for area lighting shall be mounted no higher than 15 feet above grade and shall be shielded to control glare. ~~"Wal-pac" lighting fixtures are prohibited.~~

(2) ~~P.~~ Pole-mounted fixtures. Pole-mounted exterior lighting fixtures **shall not exceed the pole-mounted height limitation of 20 feet in all zones.** ~~types are defined and restricted as follows:~~

Existing non-conforming light heights may remain as mounted until modification is proposed, at which time the height must be brought into compliance.



~~(1) Type A: no light cutoff.~~

~~(2) Type B: luminaire shielded such that peak candlepower is at an angle of 75° or less from straight down, and essentially no light is emitted above the horizontal.~~

~~(3) Type C: luminaire shielded such that total cutoff is at less than 90° from straight down, and no light source is in direct view of an observer five feet above the ground at any point off the premises.~~

~~H. Pole-mounted fixtures height limitation. Illustrations of pole-mounted exterior lighting fixture types are shown in Chart I herein. Pole-mounted fixtures shall not exceed the applicable pole-mounted height limitation set forth in Chart II in any district. The Type A pole-mounted exterior lighting fixture is prohibited in all nonresidential districts, unless equipped with shields.~~

~~CHART I. ILLUSTRATIONS~~

~~**CHART II. POLE MOUNTING HEIGHT LIMITATIONS**~~

	~~**Maximum Luminaire Mounting Height (feet above grade)***~~ ~~"District" is that in which fixtures are located.~~	
	~~**District**~~	
	~~**Residential**~~	~~**Nonresidential**~~
~~Fixture Type A~~	~~10~~	~~Not allowed (unless shielded)~~
~~Fixture Type B~~	~~15~~	~~20~~
~~Fixture Type C~~	~~20~~	~~20~~

~~* Note: Feet above grade refers to the overall average grade of the area being illuminated.~~

P. Ceiling-mounted fixtures. In nonresidential districts, luminaires mounted on an exterior ceiling such as under a canopy shall be mounted with the refractor or lens flush with or recessed in the ceiling or fixture.

Q. Lighting levels. Any luminaire with a lamp or lamps rated at a total of 1**,**800 lumens or more (which is approximately equal to one one-hundred-twenty-watt incandescent light bulb) and all flood or spot luminaires rated at 900 lumens or more (which is approximately equal to one 60-watt incandescent light bulb) shall not emit any direct light above a horizontal plane through the lowest direct-light-emitting part of the luminaire. If any spot or flood luminaire rated 900 lumens or less is directed or focused such as to cause direct light from the luminaire to be cast toward residential buildings on adjacent or nearby land, or to create glare perceptible to persons operating motor vehicles on public ways, the luminaire shall be redirected or its light output controlled as necessary to eliminate such conditions. The Planning Board reserves the right to limit and regulate the amount of illumination on a project site between the hours of 10:00 p.m. and 6:00 a.m., while understanding the need for safety and security lighting.

R. Light trespass limitations. There shall be no light trespass by a luminaire beyond the property boundaries of the lot on which it is located, except as within a street right-of-way for which there shall be no limit.

; or do or act anything in relation thereto

Proposed by: PLANNING BOARD
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: At Town Meeting

Summary: *The article proposes to replace the current language in Section 174-12.1 Outdoor illumination with new language to reduce blue lighting and increase public health based on recommendations from the American Medical Association and the International Dark-sky Association.*

***ARTICLE 36**:* To see if the Town will vote to amend the Zoning Code of the Town of Southborough, Article III entitled "Use Regulations" by amending thereto Section 174-10, entitled "Site Plan Approval" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

§ 174-10. Site plan approval.

[Amended 4-8-1985 ATM by Art. 39; 4-14-1986 ATM by Art. 48; 4-13-1987 ATM by Art. 43; 4-11-1988 STM by Art. 4; 4-26-1990 ATM by Art. 41]

A. The purpose of the site plan review procedure is to encourage a desirable and compatible character of development within the Town of Southborough and to assure safety, promote logic, imagination and innovation

in the design process while complying with all zoning requirements. The requirements of this section shall be applicable to the following:

(1) Any nonresidential development that results in an increase in on-site parking.

(2) All modifications to existing development projects which fall within the applicability of the Town's regulations for parking and loading (§ 174-12) or landscaping (§ 174-13).

(3) Any change in use or reactivation of a facility that has not been in use for a period of two years.
[Added 4-8-1996 ATM by Art. 51]

(4) Multifamily housing for the elderly.
[Added 4-15-1997 ATM by Art. 56]

(5) Adaptive reuse of historic buildings.
[Added 4-25-2017 ATM by Art. 30]

B. Site plan review will be processed by one of the following means:

(1) Minor plan review. Any new development, or expansion in use other than a single-family or two-family residence which adds less than 2,000 square feet of floor area or which would require at least five but fewer than 20 parking spaces regardless of the number of parking spaces existing on the premises, or any change of use of a facility that totals less than 2,000 square feet shall be subject to minor plan review by the **Planning Board** ~~Site Plan Review Committee. The Site Plan Review Committee shall be chaired by the Town Planner and will consist of a Selectmen or its designee, Building Inspector, Highway Superintendent, Board of Health Agent, Superintendent of the Water Department, Police Chief and Fire Chief or their designee, who will meet at a regularly scheduled time and place to review plans.~~ The **Planning Board** ~~Committee~~ shall also seek the advice of the Conservation Commission in the review of all minor plan submissions.
[Amended 4-8-1996 ATM by Art. 51]

(a) ~~Minor plan review will require 10 copies of the site plan to be submitted to the office of the Planning Board, together with an application form and filing fee.~~ **A complete application form, filing fee and multiple copies of all submission documents shall be submitted to the office of the Planning Board according to instructions on the application form.** All plans will be prepared at a scale no greater than one-inch equals 40 feet on standard twenty-four-by-thirty-six-inch sheets and shall show, as a minimum:

[1] All existing and proposed buildings, including setbacks.

[2] Existing and proposed parking.

[3] Driveway openings.

[4] All property and street lines.

[5] Existing and proposed landscaping.

[6] Existing and proposed signs.

[7] Surfacing, indicating treatment of all surfaces.

[8] Location of all wetlands.

[9] Method of sewage disposal.

[10] Water supply.

[11] Stormwater drainage.

[12] Such other information as the **Planning Board** ~~Site Plan Review Committee~~ may reasonably request.

~~(b) Any dispute arising from the minor plan review process or any plan not receiving unanimous approval from the Site Plan Review Committee shall be referred to the Planning Board for action. The Committee may also refer any site plan that, due to unusual circumstances or a unique situation, it feels should be approved by the Planning Board. All site plans sent to the Planning Board by the Site Plan Review Committee for action will be handled through the minor plan review process.~~
~~[Amended 4-8-1996 ATM by Art. 51]~~

(b) Minor site plan is not a public hearing.

(c) The **Planning Board** ~~Site Plan Review Committee~~ shall approve, **or** disapprove ~~or refer to the Planning Board~~ all submittals for minor **site** plan review within **the required** 30 days of a completed application to the office of the Planning Board**, but the required time may be extended by written agreement between the applicant and the Board, a copy of said agreement to be filed with the Town Clerk. The actions allowed by the minor site plan approval are authorized for a one-year period from the date of grant thereof. The applicant shall be granted a single one-year extension by applying to the Planning Board, in writing, prior to the date of expiration. If the actions permitted are not exercised or the approval not extended, they shall lapse, and a new application will be required.**

(d) Where applicable, all other criteria and conditions of this section will govern minor plan review.

(2) Major plan review. Any new development, or expansion in use other than a single-family or two-family residence which adds 2,000 square feet or more of floor area or which would require 20 or more parking spaces, regardless of the number of parking spaces existing on the premises, or any change of use of a facility that totals 2,000 square feet or more shall be subject to major plan review by the Planning Board. The major site plan submission shall consist of the following elements:
[Amended 4-8-1996 ATM by Art. 51]

(a) Ownership, zoning, use and the general location of structure and topography within 300 feet of the property lines of the site or adjacent land contiguously owned with the site.

(b) All **plans will be prepared at a scale no greater than one-inch equals 40 feet on standard twenty-four-by-thirty-six-inch sheets and shall show, as a minimum, all** site features, existing or proposed, including but not limited to the following:

[1] Driveways, including widths.
[2] Parking facilities, including dimensions thereof.
[3] Loading facilities.
[4] Service areas.
[5] Street line, including widths.
[6 Roadways, including widths.
[7] Pedestrian walks, including widths and types of surface.
[8] Landscaping designation, specific plantings.
[9] Screening.
[10] Signs, including proposed sizes, mounting heights, types and drafted design.
[11] Lighting, including plan location and detail information, size, type and wattage.
[12] Surfacing, indicating treatment of all surfaces.
[13] Existing trees on the site which are a caliper of six inches or larger.
[14] Wetlands.
[15] Drainage, including detailed design data, pipe sizing, etc.
[16] Stone walls.
[17] Topography at two-foot contour intervals.
[18] Sewage disposal, including detailed design information.
[19] Water supply.
[20] Curbing.
[21] Such other information as the Planning Board may reasonably request.

(c) The construction of the work as detailed on the site plan shall not deviate from the work shown on the approved site plan. Accordingly, the site plan shall contain a sufficient level of detail to ensure the constructability of the project. Supporting details and documentation shall be presented as part of the

site plan submission. **Suitable space to record action of the Planning Board including signature lines shall be provided on each plan sheet.**

(3) Incomplete applications for both the minor and major review shall not be accepted by the Planning Board. Following submission of a site plan to the Planning Board, the Board or its designee shall review the **application**/plan for completeness within three business days of the submission. Completeness shall be based on the requirements of **the** ~~this~~ **respective** subsection**s for minor or major review.** If the submission is determined incomplete by the Planning Board or its agent, notice will be **provided** ~~mailed~~ to the applicant ~~by certified mail~~ within three business days of the submission specifying the deficiencies.

C. The plan**s for minor or major site plan approval** shall be prepared by a professional engineer, land surveyor, architect or landscape architect registered to practice in the Commonwealth of Massachusetts**. A complete application form, filing fee and multiple copies of all submission documents shall be submitted to the office of the Planning Board according to instructions on the application form.** ~~and shall be submitted with 11 copies to the office of the Planning Board, together with an application form and a filing fee, if any.~~

D. Approval required.

(1) Site plan approval shall be granted **by a majority vote** upon determination by the Planning Board that the following are complied with. Any new building construction or other site alteration shall provide adequate access to each structure for fire and service equipment**; shall provide** ~~and~~ adequate provision for utilities and stormwater drainage consistent with the functional requirements of the Southborough Planning Board's Rules and Regulations for the Subdivision of Land**;** ~~and~~ shall be so designed that for the given location, ~~and~~ type and extent of land use, the design of building form, building location, egress points, grading and other elements of the development shall be so as to:

(a) Minimize the volume of cut and fill, the number of removed trees six inches in caliper and larger, the length of removed stone walls, the area of wetland vegetation displaced, the extent of stormwater flow increase from the site, soil erosion and the threat of air or water pollution.

(b) Maximize pedestrian and vehicular safety and convenience within the site and egressing from it.

(c) Minimize obstruction of scenic views from publicly accessible locations.

(d) Minimize visual intrusion by minimizing the visibility of parking, storage or other outdoor service areas viewed from public ways or premises residentially used or zoned; minimizing glare from headlights through plantings or other screening; minimizing lighting intrusion through use of such devices as cutoff luminaires confining direct rays to the site; fixture mounting height not higher than 20 feet ~~except adjacent to Route 9~~; and avoiding unreasonable departure from the character of building**s** in the vicinity.

(2) The Planning Board shall adopt and from time to time amend reasonable regulations for the administration of these guidelines.

E. The Planning Board shall hold a public hearing on the application for **major** site plan approval, with a written notice of the time and place of said hearing being given the applicant and the Board of Selectmen. The applicant is responsible for sending this notice to the certified abutters by certified mail return receipt requested, at least 10 days before the scheduled hearing. The Planning Board shall not act on the application until it has received and given due consideration to the recommendations of the Board of Selectmen or until 10 days have elapsed after the public hearing without receipt of the Selectmen's comments.

F. The Planning Board shall act on **a** ~~an~~ **complete** application for **major** site plan approval and shall notify, in writing, the applicant, the Board of Selectmen and the Building **Commissioner** ~~Inspector~~ of its action within 60 days of the receipt of **a** ~~the~~ **complete** application **filed with the Town Clerk, but the required time may be extended by written agreement between the applicant and the Board, a copy of said agreement to be filed with the Town Clerk.** ~~Failure of the Planning Board to so act and to notify the applicant within said 60 days shall constitute approval of the site plan.~~ **Upon site plan approval, applicant shall provide final plan sets for Planning Board endorsement, followed by a digital copy after Planning Board signatures.** The actions

allowed by the **major** site plan approval are authorized for a one-year period from the date of grant thereof. The applicant shall be granted a single one-year extension by applying to the Planning Board, in writing, prior to the date of expiration. If the actions permitted are not exercised or the approval not extended, they shall lapse, and a new application, notice and hearing will be required.

G. Any person aggrieved by the action of the Planning Board on ~~a~~ **either minor or major** site plan approval application may appeal said action to a Court of competent jurisdiction in accordance with M.G.L. c.40A, Section 17**, as amended. No action shall take effect until twenty days have lapsed after the decision has been filed in the office of the Town Clerk and any appeals have been resolved.**
[Amended 5-22-2018 STM by Art. 3]

H. Minor departures from the site plan as approved**,** may be authorized by the Building **Commissioner** ~~Inspector~~ after approval of the **Planning Board** ~~Site Plan Review Committee~~ if required by engineering or other circumstances not foreseen at the time of plan approval. Any change increasing the size of any building or structure, changing the location of any building, parking or access road by more than 10 feet or reducing landscaping or screening **or increase to site lighting levels** may be made only through review by the Planning Board following the same procedures as for an original submittal. Any departure must be requested, in writing, with the basis for the change given. Any change authorized shall be recorded on the file copy of the site plan with the Building **Commissioner** ~~Inspector~~s signature and the date.

I. The removal, fill or change of grade of earth materials, including soil, loam, sand or gravel, undertaken in order to construct or locate buildings, structures and such features accessory thereto as ways, driveways, areaways, walks or parking areas, and therefore exempt from regulations under Chapter 85 of this Code, is a part of construction and development process regulated by the Zoning Chapter. Except as necessary for the construction of detached one- or two-family dwellings and of features accessory thereto, the removal, fill or change of grade of earth materials for the purposes defined above shall be subject to approval under this section. Where the commencement of removal, fill or change of grade of earth materials precedes construction by three months or more, the submission and approval of the site plan may be undertaken in two stages, with the information for the first stage limited to property boundaries, existing and proposed topography at two-foot or lesser contour intervals, the character of the soil to be removed, added or relocated, the location and depth of any service and drainage conduits or pipes and the approximate location of any existing or proposed buildings, structures or physical features accessory thereto. Each stage shall be treated as a separate site plan for the purposes of this section, and the approval of Stage 1 of a site plan shall not be construed to assure the subsequent approval of Stage 2.

J. Compliance. The issuance of an occupancy permit will not be given prior to the satisfactory completion of all elements and conditions of the approved site plan. A temporary occupancy permit may be issued after the satisfactory completion of all items essential to public health and safety and sufficient bonding acceptable to the Planning Board is provided to the Town to cover all outstanding items.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary: *This article proposes to amend the Site Plan Approval bylaw by bringing minor site plan approval under the purview of the Planning Board, as opposed to the Site Plan Review Committee and further clarify steps for minor and major site plan approval.*

***ARTICLE 37**:* To see if the Town of Southborough will vote to approve the Southborough Noise Bylaw proposal attached to this document, as amended, or do or act anything in relation thereto.

SOUTHBOROUGH NOISE BYLAW

1.1 **Declaration of Policy**
Whereas excessive sound can be a serious hazard to the public health and welfare and safety and the quality of life; and whereas a substantial body of science and technology exists by which excessive sound may be substantially abated; and whereas the citizens of Southborough have a right to and should be ensured an environment free from excessive sound that may jeopardize their health or welfare or safety or degrade the quality of life; now, therefore, it is the policy of the Town of Southborough (the "Town") to prevent excessive sound which may jeopardize the health and welfare or safety of its citizens and/or degrade the quality of life.

It shall be unlawful for any person to make, continue to make, permit or cause to be made or continued, any loud, excessive, unnecessary or unusually loud noise or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of reasonable persons of normal sensitivities. Furthermore, it shall be unlawful for any person who has custody and control of the premises to allow or permit another person to make, continue or permit to be made or continued any loud, excessive, unnecessary or unusually loud noise or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of reasonable persons of normal sensitivities within the limits of the Town of Southborough.

1.2 **Definitions**
Except as may be specified herein, acoustical terminology used throughout this Bylaw is that approved as American National Standard Acoustical Terminology [ANSI S1.1-1994] by the American National Standards Institute (ANSI). The following words, phrases and terms as used in this Bylaw shall have the meanings as indicated below:

A. BACKGROUND SOUND LEVEL shall mean the sound level associated with a given environment, being a composite of sounds from all sources excluding the alleged offensive noise, at the location and approximate time at which a comparison with the alleged offensive noise is to be made.

B. CONSTRUCTION shall mean those activities requiring a building permit, and shall also include any site preparation, cemetery burial and caretaking operations, seismic surveys grading, assembly, erection, substantial repair, alteration, or similar action, including demolition, for or of public or private rights-of-way, structures, utilities or similar property.

C. The abbreviation dBA shall mean the A-weighted sound pressure level expressed in decibels and referenced to 20 Micropascals. The abbreviation dBC shall mean the C-weighted sound pressure level expressed in decibels and referenced to 20 Micropascals.

D. EMERGENCY VEHICLE: shall mean any vehicle operated in an effort to protect, provide or restore public safety, including, but not limited to, ambulances, police vehicles and fire vehicles.

E. EMERGENCY WORK: shall mean any work performed in an effort to protect, provide or restore public safety, or work by private or public utilities when restoring utility service or any work performed for the purpose of preventing or alleviating the physical trauma or physical damage threatened or caused by an emergence – an occurrence or set of circumstances involving actual or imminent physical trauma or property damage.

F. ENFORCING PERSON: shall mean any police officer, building official or public health official of the Town or any other Town employee designated by the Town Manager for this purpose.

G. IMPACT DEVICE: shall mean a construction device in which or by which a hammer, meaning a moving mass of hard solid material, is mechanically by means of a working fluid or compressed air caused to repetitively impact upon and transmit kinetic energy to a tool. The tool may be included as a part of the device, as in the case of a moil on a paving breaker or the drill steel of a jackhammer, or it may be a mass to which the impact device is temporarily connected as in the case of a pile and pile driver. Examples of impact devices are pile drivers, paving breakers, power impact hammers, impact wrenches, riveters and stud drivers.

H. INTRUDING NOISE: shall mean the total sound level created, caused, maintained by, or originating from an alleged offensive source at a specified location while the alleged offensive source is in operation.

I. PERSON: shall mean a person, firm, association, co-partnership, joint venture, corporation or any entity recognized by applicable law, public or private in nature.

J. SOUND LEVEL: shall mean the instantaneous A-weighted sound pressure level, in decibels, (dBA) as measured with a sound level meter set to the "A" weighting scale, slow response. On the decibel scale a sound level increase of 10 means the sound is 10 times more intense or powerful.

Decibel levels of some common activities are listed below:

Sound Level - dB	**Source**
50 - 65	normal conversation
60 - 65	laughter
70	hair dryer, vacuum
V Increasing risk of hearing loss V	
80	garbage disposal
85 - 90	lawnmower
100	garbage truck
120	walk behind leaf blower
130	jet takeoff/landing
145	fireworks

K. SOUND LEVEL METER: shall mean an instrument meeting American National Standard Institute's (ANSI) Standard S1.4-1983 for Type 1 or Type 2 sound level meters or an instrument and the associated recording and analyzing equipment, which will provide equivalent data.

1.3 **Designated Noise Zones**
The properties hereinafter described are hereby assigned to the following noise zones:

NOISE ZONE I: All properties utilized as residential uses in accordance with the Town of Southborough Zoning Bylaws and the grounds of any school, hospital or similar health care institution, house of worship or library while the same is in use, and any Cemetery or Open Space.

NOISE ZONE II: All other property used in accordance with the Town's Zoning Bylaw.

1.4 **Exterior Noise Standards**
It shall be unlawful for any person at any location within the area of the Town to create any loud noise, or to allow the creation of any noise, on property owned, leased, occupied or otherwise controlled by such person, which causes the sound level when measured on complainant's property to exceed the greater of:

A. The maximum allowable exterior sound level outlined in Table I; or
B. Five dB over the background sound level.

Table 1. Maximum Allowable Exterior Sound Level		
Noise Level	Daytime level 7:00 AM to 10:00 PM	Nighttime level 10:00 PM to 7:00 AM
I	60 dBA	50 dBA
II	70 dBA	65 dBA

If the intruding noise source is continuous and cannot reasonably be discontinued or stopped for a time period whereby the background sound level can be determined, the measured sound level obtained while the source is in operation shall be compared directly to the maximum allowable exterior sound level outlined in Table I.

1.5 **Construction Noise Standards**

A. Noise associated with construction is permitted between 7:00 AM and 6:00 PM on weekdays and 9:00 AM and 5:00 PM Saturdays provided the sound level from:

1. Non-impact devices do not exceed 70 dBA as measured over a time interval of 1 minute with the sound meter set to slow located on any other property, but at least 50 feet from the construction activity;

2. Impact devices does not exceed 90 dBA as measured with a sound level meter set to slow response located on any other property, but at least 30 feet from the construction activity.

B. Between the hours of 6:00 PM and 7:00 AM on weekdays and Saturday, noise associated with construction, shall be limited by the standards of Section 1.4.

C. Construction activities shall not be allowed on Sundays or legal holidays.

1.6 **Maintenance Noise Standards**

A. Noise associated with maintenance is permitted between 7:00 AM and 6:00 PM on weekdays, 8:00 AM and 6:00 PM on Saturdays and between the hours of 9:00 AM and 6:00 PM on Sunday, provided the sound level does not exceed 70 dBA as measured with a sound level meter set to slow response on any other property, but at least 50 feet from the maintenance;

B. Between the hours of 6:00 PM and 7:00 AM on weekdays, 6:00 PM and 8:00 AM on Saturday and between the hours of 6:00 PM and 9:00 AM on Sunday or a legal holiday, noise associated with maintenance, shall be limited by the standards of Section 1.4.

1.7 **Commercial Trash Collection and Deliveries or Pick-up**

A. The operation of commercial trash compactors or collection of trash, rubbish, refuse or debris, which generates noise in excess of the criteria given in Section 1.4 at any point of public or common pass-by between the hours of 7:00 PM and 7:00 AM is prohibited.

B. Deliveries or pick-ups for commercial or business purposes between 10:00 PM and 6:00 AM are prohibited unless the noise level of such deliveries or pick-ups in nearby residential areas does not exceed the noise criteria listed in Section 1.4.

1.8 **Motor Vehicles or Motorcycles**

Motor vehicles or motorcycles operated on public ways in the Town of Southborough or in any place where the public has the right of access as invitees or licensees may not exceed a maximum sound level of 85 dBA. It is also in violation of the Bylaw to operate a motor vehicle or motorcycle without a sound-limiting device connected to the exhaust system. This prohibits so-called "straight pipe" exhaust systems. This section shall not include screeching sounds emitted from emergency braking. Measurement for the purposes of this Section shall be at a distance of 36 inches from the noise source.

1.9 **Special Provisions**
Noise associated with the following activities shall be exempted from the provisions of this Bylaw:

A. Emergency work or emergency vehicles.

B. The operation of any vehicular alarm provided it terminates within 15 minutes of the initially recorded complaint.

C. Occasional outdoor gatherings, public dances, shows, and sporting and entertainment events provided said events are conducted pursuant to a permit or license issued by the appropriate jurisdiction relative to the staging of said events.

D. The intermittent or occasional use, during the daytime, of homeowners' light residential outdoor equipment

E. Snow removal performed by snow blowers, snow throwers or snow plows when appropriately outfitted with a muffler.

F. Any activity to the extent regulation thereof has been preempted by Town, State or Federal Law or by agreement between Town, State or the Federal Government.

1.10 **Prima Facie Violations**
Any measured noise exceeding the sound level standards as specified in Sections 1.4 through 1.10 may be deemed by the enforcing person to be prima facie evidence of a violation of the provisions of this Bylaw.

1.11 **Penalties for Violations**
A. Violations under Article 1, in the discretion of the enforcing person, may be enforced by non-criminal disposition as provided in MGL Chapter 40, Section 21D.

B. The penalty for a violation under this Bylaw shall be $100 for a first offense, $250 for a second offense, $500 for a third offense, and for each succeeding offense each day or part thereof shall constitute a separate offense.

Proposed by: PETER LAPINE, et al.
Board of Selectmen Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary: *As the population of Southborough grows, it has transitioned from a rural community to one that is more suburban. People move to Southborough to enjoy its natural beauty and peaceful environment. With increased housing density, practices of earlier times increasingly encroach upon the tranquility of Town residents, resulting in conditions characterized as being out of balance. There is an ever-growing requirement to place limits on these practices – a rebalancing - so that everyone, business owners and homeowners alike, may prosper. This article, a Noise Bylaw, seeks to harmonize the needs of Town residents with those of local business owners.*

ARTICLE 38*:* To see if the Town of Southborough will vote to pass a bylaw to reduce plastic waste

Section 1 Purpose and Intent

The production and use of single-use plastics such as polystyrene food packing and thin-film plastic checkout bags have significant impacts on the environment, including, but not limited to, contributing to the potential death of aquatic and land animals through ingestion and entanglement; contributing to pollution of the natural environment; creating a burden to solid waste collection and recycling facilities; clogging drainage systems; and requiring the use of millions of barrels of crude oil nationally for their manufacture. Additionally, polystyrene contains known carcinogens, and readily leaches into certain foodstuffs. Measurable levels of polystyrene are now found almost 100% of human fat samples.

The purpose of this bylaw is to preserve the Town's water, wildlife and natural resources—as well as to enhance the health of its citizens—by banning within the Town of Southborough two of the largest contributors of non-recyclable

plastics to the environment—single-use polystyrene retail food packaging and single-use plastic checkout bags—while promoting the adoption of more environmentally friendly alternatives.

Section 2 Definitions

"Polystyrene food packaging" – means any holder of food or beverage made from polystyrene, either in solid or foam (Styrofoam) form, such as cups, plates, or take-out containers, as well all other single-use plastic products made to facilitate the consumption of foods, such as straws, lids and utensils made from polystyrene or other non-compostable plastic materials.

"Checkout bag" – means a carryout bag provided by a store to a customer at the point of sale. Checkout bags shall not include bags, whether plastic or not, in which loose produce or products are placed by the consumer to deliver such items to the point of sale or checkout area of the store.

"Retail Store" – means any business facility that sells goods directly to the consumer whether for or not-for-profit, including, but not limited to, retail stores, restaurants, pharmacies, convenience and grocery stores, liquor stores, as well as seasonal and temporary businesses.

"Reusable checkout bag" – means a bag with handles that is specifically designed and manufactured for multiple reuse and is either polyester, polypropylene, cotton or other durable material, or durable plastic that is at least 4.0 mils in thickness.

"Thin-film single-use plastic bags" – are those bags typically with handles, constructed of high-density polyethylene (HDPE), low density polyethylene (LDPE), linear low density polyethylene (LLDPE), polyvinyl chloride (PVC), polyethylene terephthalate (PET), or polypropylene (other than woven and non -woven polypropylene fabric), if said film is less than 4.0 mils in thickness

"Recyclable paper bag" – means a paper bag that is 100 percent recyclable and contains at least 40% post–consumer recycled content, and displays the words "recyclable" and "made from 40% post-consumer recycled content" in a visible manner on the outside of the bag

Section 3 Use Regulations
(A) Polystyrene food packaging shall not be distributed, used, or sold by any retail store within the town of Southborough.

(B) Thin-film single-use plastic bags shall not be distributed, used, or sold for checkout or other purposes at any retail store within the Town of Southborough.

(C) If a retail store provides or sells checkout bags to customers, the bags must be one of the following (1) recyclable paper bags, or (2) reusable checkout bags. The retail store may charge for said bags.

(D) Thin-film plastic bags used to contain dry cleaning, newspapers, produce, meat, bulk foods, wet items and other similar merchandise, typically without handles, are still permissible.

(E) Violation of the By-Law to Reduce Plastic Waste: First offense – written warning; 2nd offense - $100 per offense; 3rd and subsequent offenses - $250 per offense.

Section 4 Effective Date

This bylaw shall take effect six (6) months following Town Meeting approval of the bylaw. Upon application of the owner or the owner's representative, the Board of Selectmen or their designee may exempt a retail store from the requirements of this section for a period of up to two (2) months upon a finding by the Board of Selectmen or their designee that (1) the requirements of this section would cause undue hardship; or (2) a retail store requires additional time in order to draw down an existing inventory of straws or checkout bags.

Section 5 Enforcement

Enforcement of this bylaw shall be the responsibility of the Board of Selectmen or their designee. The Board of Selectmen or their designee shall determine the monitoring process to be followed, which may be limited to responding to citizen reports, and incorporating the monitoring process into other town duties as appropriate. Any retail store distributing plastics in violation of this bylaw shall be subject to fines as described in Section 3 (E) above. Any such fines shall be paid to the Town of Southborough. No licenses shall be renewed for any establishment with outstanding violations under this section.

Section 6 Severability

If any provision of this bylaw is declared invalid or unenforceable the other provisions shall not be affected thereby.

; or to do or act anything in relation thereto.

Proposed by: MICHAEL WEISHAN, ET AL.
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary: *This proposed bylaw would make a marked contribution to the heath of both the citizens of Southborough and the overall environment by banning single-use plastic bags, Polystyrene cups, straws, utensils etc. at all retail establishments in Southborough.*

ARTICLE 39: To see if the Town of Southborough will vote to strongly request that the Board of Selectmen direct DPW to conduct an analysis of Flagg Road for the purpose of instituting a commercial truck exclusion (similar to Latisquama Road), or do or act anything in relation thereto.

Proposed by: JONAS LINDEN, ET AL.
Board of Selectmen Recommendation: No position
Advisory Committee Recommendation: At Town Meeting
Summary: *Due to increased pedestrian and bicycle activity on Flagg Rd and documented cases of trucks driving into yards and destroying property, including dangerous tractor trailer activity resulting in a tow off Trottier School children's path, we are strongly requesting the Board of Selectmen direct DPW to conduct an analysis of Flagg Road for the purpose of instituting a commercial truck exclusion.*

And you are to give notice hereby by posting true and attested copies of the Warrant on the Town website, the Southborough Town House, 17 Common Street, Southborough Senior Center, 9 Cordaville Road, Southborough Library, 25 Main Street, and Southborough Transfer Station, 147 Cordaville Road; seven (7) days at least before the time appointed for such meeting.

Given under our hand this 20th day of April, 2021.

Martin F. Healey, Chairman

Lisa M. Braccio, Vice Chairman

Brian E. Shea

BOARD OF SELECTMEN OF THE TOWN OF SOUTHBOROUGH

Attest:

Kenneth M. Paulhus, Constable

Traffic Constables

POLICY & PROCEDURE NO. **5.08**		PAGES:	4
		ISSUE DATE: **TBD**	
MASSACHUSETTS POLICE ACCREDITATION STANDARDS REFERENCED: **None**		EFFECTIVE DATE: **TBD**	
ISSUING AUTHORITY: Kenneth M. Paulhus **Chief Kenneth M. Paulhus**		REVISION DATE:	

GENERAL CONSIDERATIONS AND GUIDELINES

Special Traffic Constables direct and control traffic to insure its smooth and safe flow. *Special Traffic Constables* must demonstrate a firm commitment to carry out assignments in a competent, timely and professional manner. It is the policy of the Southborough Police Department to provide guidance to *Special Traffic Constables* through various policies, procedures, and regulations, which have been established to direct members in the performance of their duties and responsibilities.

POLICY

It is the policy of this department that:

A. *Special Traffic Constables* are not sworn police officers and are not covered by MGL 41 sect. 98. *Special Traffic Constables* have absolutely no authority to issue citations, effect seizures, serve arrest warrants and other process, or make arrests.

B. *Special Traffic Constables* are appointed, pursuant to G.L. c. 41 section

91A, by the Board of Selectmen, upon the recommendation of the Chief of Police.

C. *Special Traffic Constables* are not covered by any collective bargaining unit and as such do not have the right of grievance.

PROCEDURE

A. *Special Traffic Constables*

1. **AUTHORITY**: The power of *special traffic constables* is strictly limited to the direction, control, and regulation of vehicular traffic. Such power shall only be exercised when in uniform, and only while performing an official assignment given by the Police Department.

2. *Special Traffic Constables* shall obey, without reservation, the regulations of the department and all lawful commands of police officers.

3. *Special Traffic Constables* are used, at the sole discretion of the Chief of Police, to direct traffic and facilitate the smooth flow of vehicular and pedestrian traffic. **Use of Cruisers by Traffic Constables is prohibited.**

4. Upon request by an officer, *Special Traffic Constables* shall support, aid, and assist police officers in the lawful performance of their duties.

5. *Special Traffic Constables*, who are not fulltime Town or State Employees, shall provide the Lieutenant a letter each year by July 1st, signed by a registered physician, stating that such person is capable of performing the duties of a *Special Traffic Constable*, as described in this policy. The Special Traffic Constable must be between of the age of 18 years and 69 years of age.

6. All *Special Traffic Constables* must pass a criminal background check

prior to assuming any duties, if not a fulltime Town or State employee.

DUTIES

A. Working at assigned locations, performs traffic control duties including manually directing traffic, operating traffic signal controls and placing traffic cones and barricades to safely direct and control traffic flow.

B. Renders assistance to motorists when appropriate

C. Assists the public with information regarding directions, street locations, points of interest, etc.

D. Observes and reports Hazardous conditions/situations.

WEAPONS

Special traffic Constables are not authorized to carry a firearm, baton, pepper spray or any other weapon of any kind while on duty as a Special Traffic Constable.

TRAINING/KNOWLEDGE/SKILLS

1) *Special Traffic Constables* shall receive eight (8) hours of training in traffic control as required by the Chief of Police. Retired officers may have this waived. CPR will be required annually.

2) Knowledge of hand traffic signals, cone/traffic patterns and manual operation of traffic signals is required. Initial traffic management training will be required for all constables not formally police officers.

3) Knowledge of the Town's geography, streets and business' is required.

Uniforms and Equipment

Special Traffic Constables shall wear the following uniform on duty

as a *Special Traffic Constable*:

1. Pants: Black or Navy tactical BDU style pant.

2. Shirt: Polo shirt, long or short

sleeve yellow hi-visibility, with department patch on left and US flag on right (non-military style), stenciled with "TRAFFIC" on the back.

3. Hat: Baseball hat will have Southborough Police Patch, not a badge. Cold weather, black watch cap with Department patch. Hats shall be worn at all times while in the public view.

4. Suitable Black uniform shoes or boots consistent with what a police officer is authorized shall be worn.

5. *Special Traffic Constables* must be equipped with a flashlight when working in evening lighting conditions.

6. High Visibility reflective vests and yellow hi vis outerwear jackets must be stenciled "TRAFFIC", with Department patch and flag.

7. **All uniforms and equipment will be purchased by the *Special Traffic Constable at their own expense at an approved Department vendor.***

Communication

Special Traffic Constables shall sign out a portable radio when available through dispatch after accepting a detail assignment in order to effectively keep two-way communications. Portables must be returned at the end of daily detail assignments.

Violations

Any violation of this policy may result in a suspension or revocation of appointment as a *special traffic constable*, as determined by the Chief of Police.

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Monday, May 10, 2021, 7:00 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 7:00 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Public Comment

Tim Litt (148 Woodland Road) stated he sent an email to the Board to urge them to reconsider their vote to supersede the Board of Health budget and asked them to support the budget as presented. He cautioned the Board against disagreeing with the Board of Health at Town Meeting.

III. Scheduled Appointments

Joint Meeting with Advisory Committee – FY22 Budget

Kathy Cook, Chair of Advisory, called the meeting to order at 7:03 P.M. Ms. Cook provided a summary of the 90-minute Advisory meeting that was held at 5:30 P.M. and the Board of Health budget changes that were reviewed at that meeting. The changes included restoring employee training to the amount printed in the warrant ($2,000) and restoring $300 in advertising. The Advisory Committee voted (7-0) to support the health budget at $176,863 which would equal a $57,418 amendment.

Ms. Cook gave a summary of the budget as follows:

- Health Director and nurse – is $3,000 more than the column E numbers as it fixes an error. It provides 19 hours for the health director (salary of 110k/annually) and 15 hours for the nurse (salary of 90k/annually)

- Admin/Business Associate – Board of Health requests Barbara Spiri fully within in their budget (not in Assessors) and raise her step from 4 to 5 to make her a business associate. The salary in column G is at the step 4 rate with the SAP recommended 2.8% increase. The number is for 24 hours/week.
- Per diem nurse is in addition to the requested full-time nurse.
- $10,000 scanner as Board of Health has concerns about HIPAA violations – Advisory feels $10,000 should be taken out and put into the Reserve fund (increasing the fund from $180,000 to $190,000). The new IT Director will be making a recommendation as to HIPAA compliance for all departments, not just the Board of Health.
- Phones were moved to budget line item 159 Utilities – Facilities Department budget.
- Ms. Cook stated she was going to skip over contracted services and the $800 for office supplies remains unchanged.
- Instate travel was put back to the FY 21 (Advisory has an issue with instate travel from all departments, not just the Board of Health)

Ms. Cook explained that the $300K Shared Services grant (shared with 3 other towns) has a 1.5 full-time nurse that is included. Advisory felt that was sufficient and changed the Board of Health number to zero.

Regarding contracted services, the town has an inspector who works 3 days/week. (He also works for Boylston.) Boylston is one of the towns included in the Shared Services grant. Advisory felt that would be a way to work together for some shared services using the inspector. Advisory voted 4-3 to reduce the Health Department budget by $57,418 and amend the Reserve Fund to increase by $10,000.

Discussion continued regarding the $57,000 difference as outlined below:

- Contracted services and per diem nurse – assertion that the cost would be covered by the Shared Services Grant.
- Removal of the $10,000 for the scanner
- Salary (proposed) for the business associate
- Length of contracts for full-time nurse and full-time director. Ms. Cook corrected her previous understanding of the nurse's contract length. The contract is through 12/31/21. It was later clarified that the Director's contract ends 6/30/21. A new contract is planned to be written for the July '21 through June '22 fiscal year.

Marylou Woodford was brought in for explanation on the Shared Services Grant. She stated that no Title 5 inspections will be covered by the grant. She explained that she felt Southborough will not be getting much money from the grant and added the grant is $300,000 for 3 years to be shared among 4 towns. Northborough is the fiscal agent and will receive the $300k/annually for 3 years. There is an advisory team (with one person from each town) that will help manage the money.

The grant includes:

- 1.5 public health nurse that will be shared by 4 towns.

- Southborough will be getting software for managing inspection services for food and housing. Software will get paid out of the grant. Ms. Woodford stated that since the town

doesn't have a lot of food inspections and housing inspections/violations, the grant does not provide much funding to the town.

The $16,800 amount that Advisory removed (states "to be covered by Shared Services") will actually be covered by CARES Act funding. Also, the contracted services for septic inspections will not be covered by Shared Services and that needs to be removed.

The contractor services budget number increased $12,000 (from $52K to $64K). This is to increase inspection service availability from the current 3 days to 5 days. Ms. Woodford stated that almost 90% of the contracted services line (for inspection services) goes back to the town and that almost $50,000 has been received this year.

Ms. Woodford said there is a new requirement that every house and business that is bought and sold has to go through the Health Department. While she agreed with Ms. Cook that Title 5 inspections have been in place, she feels that since Mr. Pisinski's contract ends at the end of June, there will not be coverage for Mondays & Tuesdays when he used to be available for emergency inspections.

Mr. Stivers mentioned the pending American Rescue plan that has a lot of funding sources. It is a grant that Southborough will get potentially within a month at approximately 500k. It is for COVID related expenses and will be available to be used during the full FY22 period.

Ms. Cook continued that Advisory has worked with the Board of Health on their budget. The Board of Health has asked to leave Ms. Spiri at her 24/16 hour schedule (Health/Assessors) and Advisory worked out a plan to pay for more than the 24 hours, if needed. The Board of Health would like her to have her at the office daily, she needs to be given her own laptop (which would allow her to do Assessor work from the Health office). Mr. Cibelli said Ms. Spiri could work most of his 16-hour allocation and that he would only need her occasionally for special projects. Any additional hours above the 24 would be paid for by CARES Act funding.

Ms. Cook suggested that the CARES Act funding be maximized. Reimbursement will not be made if there is funding in the budget. She stated that the Board of Health budget is more likely to get funded than the Assessor's budget and that is why Advisory wanted to keep the 24/16 split. She feels that in the fall and with the status of COVID, there is an opportunity to revisit staffing needs versus what is being requested. Ms. Cook stated that she has an issue with comments that Advisory is micromanaging the Health Department budget. Advisory was trying to work with them in a fiscally responsible manner so they could take advantage of CARES Act funding and not double their budget in one year.

Ms. Woodford was still uncomfortable with not having all the business associate's hours in the Health budget due to possible unforeseen situations.

Chairman Healey made a motion to support the budget that was approved by the Advisory Committee this evening (7-0) with the exception of the contracted services line item. Ms. Braccio seconded. The motion passed by roll call vote (4-1-0), Braccio, aye; Malinowski, aye; Shea, aye; Stivers, nay; Healey, aye. Chairman Healey made a motion to amend the reserve fund amount from $180,000 to $190,000. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

The Capital Planning Committee joined the meeting and Chair, Jason Malinowski called the meeting to order at 8:14 P.M. Mr. Shea indicated that he was surprised at how high the bid

price was. He did not have any concerns with the façade and the demolition delay bylaw is still in play. Mr. Shea expressed concern with fact that one of partners that submitted the bid is also a part of the Capital Planning Committee and that this needs to be vetted, including timeframes for when this member participated in votes on the Capital Planning Committee with respect to the timing of the RFP. Placing a call to the AG's office is in order per Mr. Shea. Mr. Healey agreed that this was fair.

Ms. Malinowski wanted to see more than one bid to give residents a comparison on (1) the price and (2) what was going to be done with the property. Ms. Malinowski is on fence on whether to bring to Town Meeting.

Ms. Braccio was also surprised that there was only one bid. She was also surprised by the amount of the bid. Ms. Braccio indicated that the Town needs to weigh the opportunity of the bid and what the value is, as opposed to looking into affordable units. As it stands today, Ms. Braccio indicated that she was not ready to bring forward to Town Meeting.

Mr. Healey indicated that his initial inclination is to bring to Town Meeting. He also indicated that if the Town's requirement was to protect the façade, the amount of the bid will go way down. Taking into consideration that a decent amount of maintaining the structure was included in the bid, Mr. Healey indicated that $700,000 is a decent price, looking in the prism of what happened with Fayville Hall.

Mr. Malinowski prefaced to the Board that the Capital Planning Committee has not met since bid came in and scoring was performed. Mr. Malinowski reminded the BOS that the main reason that the Capital Planning Committee recommended that the BOS go out to RFP was: (1) $37k per year to maintain to house two departments; (2) over $500k of capital to be spent in the next ten years on the building, with a good majority coming sooner rather than later. Mr. Malinowski reconfirmed these numbers with Mr. Parent in advance of tonight's meeting and Mr. Parent stood by the aforementioned figures. Other items he outlined for the BOS to consider as they decide on next steps include the fact that two departments in South Union would need a home. Also, the playground was scoped out of the plan and there would be expenditures to repurpose. With respect to the scoring, it was all or none; for the façade, the intent was to say that they were trying to honor that request.

Mr. Healey asked the Board if the board needs more time and expressed that he is agnostic with respect to this. Ms. Cook, Chair of Advisory, added that the impact of adding heads on schools is a red herring; school costs are fixed. Ms. Cook also brought up the possibility of real estate tax income if the building were to be sold.

Ms. Braccio agreed the decision on South Union is the decision of Town Meeting. She is willing to change her opinion to let Town Meeting vote. Ms. Malinowski added that she is not opposed to bring to Town Meeting but the BOS needs to vet what Mr. Shea brought up earlier in the discussion. Mr. Shea would be in favor to bring to Town Meeting if there were a vote tonight, assuming a positive outcome from the vetting process. Mr. Stivers asked what would be brought to Town Meeting and Mr. Healey indicated that it would be the article in the Town Warrant with the bid figure added. Mr. Stivers added he is on the fence and it is call of the voters. Mr. Stivers felt the Town could get a better bid if they went back out with another RFP. Mr. Healey indicated

that the consensus is that this will be addressed more on May 18th. Mr. Purple agreed nothing needs to be done for Town meeting since it is already on a warrant article.

Ms. Braccio asked Mr. Healey how this would be presented at Town Meeting. Mr. Healey expects that the Capital Planning Committee would be heavily involved in a presentation and participation in any Q&A.

Mr. Malinowski asked the BOS if there was an appetite to reach out to the party that made the bid. He also opined that the BOS needs to be able to articulate why it is worth moving forward with, including pros and cons. Mr. Healey responded that he is not prepared to take a vote on the merits of the proposal. Ms. Cook offered her opinion to move to the Fall Town Meeting. When asked by Mr. Healey if this would be an option, Mr. Purple indicated that this is something that could be investigated, with counsel involvement.

Mr. Palmer asked if Town Meeting could be used as a forum to set the criteria for the P&S. Mr. Healey did not believe so and Ms. Braccio indicated that any suggestion by Town Meeting would not be binding. Ms. Cook thanked Mr. Shea for his service to the Town as a Board member. The Advisory meeting adjourned at 8:42 P.M. The Capital Planning Committee meeting adjourned at 8:43 P.M.

IV. Reports

Chairman's Report

Mr. Healey gave accolades to Mr. Shea for his time and effort given to the Town as his role on multiple boards and committees and especially the Board of Selectmen. Ms. Braccio thanked him for his work and stated she learned a lot from him and enjoyed working with him. Ms. Malinowski said she enjoyed working with Mr. Shea and thanked him for volunteering his time. Mr. Stivers echoed his colleagues' comments and he appreciates his service to the Town. Mr. Purple stated each member brings something different to the Board and Mr. Shea brings a calming presence to the Board and is very much a bridge builder. He added that Mr. Shea has helped navigate many difficult issues. Mr. Shea thanked Mr. Purple and Ms. Hale for their assistance over the years and all the department heads. He stated the Town is well served and thanked all nine members he served with over the years.

Members' Reports

None

Town Administrator Report

None

V. Consent Agenda

a. Chairman Healey made a motion to approve Meeting Minutes: April 13, 2021 Open Session. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

b. Chairman Healey made a motion to accept the donation of $250.00 from Main Street Bank for Recreation Summer Concert Series. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

c. Chairman Healey made a motion to approve Police Department Policy for Traffic Constables. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

VI. Other Matters

Continued discussion regarding flag placements at the Old Burial Ground

Mr. Healey stated he did some additional research on topics that was raised at the discussion last week including the EOC decision regarding this flag. He stated that none of the decisions found that any of the flags currently in the Old Burial Ground were problematic themselves. He summarized the purpose of the flags in the Old Burial Ground. He gave the recommendation that the Board not vote whether to remove the flags as the authorization has been given to the veterans to fly the flags and he did not see any basis to do remove them. He added that concern was shown that the flags are being presented in an inappropriate way across the country. Chairman Healey stated that is not being done here, but there is concern that the Town could be seen in a bad light. He suggested a collaboration to solve that issue through a plaque, literature or other avenues to ensure that misappropriation of important American History is not represented here and to make clear that it is not the intent of the flags.

Ms. Braccio stated she also looked at some additional history of the flags. She said the foundation of the Country is to allow every person to stand up and be heard. She gave the example of athletes kneeling at the presentation of the flag and added that having the discussions of these flags is allowed but does not change history. Ms. Braccio stated the intent is not for misappropriation but education is key. She suggested adding literature and collaborating with the veterans and Historical Society to present both the positives and negatives of the flag. She stated she would like additional history added to the historical walk about the Burial Ground and she supports Chairman Healey's suggestion.

Ms. Malinowski thanked all the speakers from the previous meeting for educating her and giving all perspectives. She stated that the takeaway she took was the intent of the flag and its original meaning and about Ms. Deans-Rowe stating her generation has a different view of the flag. She likes the idea of educating the public on the original intent of the flag and what it is currently used for and how it's been misrepresented. Ms. Malinowski stated she supports Chairman Healey's suggestion to collaborate and to educate.

Mr. Shea gave an example of political parties and politicians using a popular song to tie their campaign theme to. He described some instances where there were agreements between the artists and politicians and some where it was not allowed. He stated that it is up to society to stand up for Mr. Gadsden who is no longer alive and to stand up for the original meaning of the flag. He suggested using CPC funds to share the information Mr. Kolenda presented regarding the flag at last meeting. He quoted James Madison and he felt the Board needs to provide the knowledge and education of the true meaning of the symbols. He added he is in favor of keeping the flags and teach the historical significance of all the flags.

Mr. Stivers stated he felt there should be historical materials for the entirety of the Old Burial Ground and suggested looking into making it a part of the National Register of Historic Places. He stated he appreciated the opinions of both the veterans and the younger generation who identified the flag with a different meaning than its original. He added that he hopes the continued conversations address the fact that Southborough does not support any

misrepresentation of the flags and that some flags may be placed on grave locations. He asked for an investigation into whether flags are placed on graves sites and if so, that they are moved.

Chairman Healey stated he appreciated the presentations from Ms. Deans-Rowe and Ms. Watters regarding the history of the Old Burial Ground. He asked for authorization from the Board to invite those interested to continue conversations to honor those buried in the Old Burial Ground and educate the public on the intent and meaning of the flags. The Board agreed. Chairman Healey stated he will reach out to Mr. Kolenda, Mr. Whynot, Ms. Deans-Rowe, Ms. Watters and the Historical Commission to ensure the representation and placement of flags are accurate. Ms. Braccio said that she may be misinterpreting the text, but thought in the book "Lost Southborough" by Michael Weishan, he stated the Old Burial Ground is also a Nipmuc Indian Burial Ground. She added if this is true, she would like that to be included in the history. She asked Chairman Healey to reach out to Mr. Weishan for clarity and he agreed to do so.

Review of bid submittals for disposition of South Union School

This item was discussed under item three.

Town Meeting preparation – Assignment of articles, presentations

Mr. Purple explained the process for assigning articles to Board members as outlined and listed in the packet. Chairman Healey stated this was reasonable and asked that he be removed from the capital budget bonding article. Mr. Purple agreed to do so.

Discussion of next steps for bid submittals for Legal Services RFP

Chairman Healey asked Mr. Stivers and Mr. Purple to review the bid responses to ensure all five followed submittal protocols. He recommended that all applications that qualified for Board review be brought forward to a meeting for public discussion. The Board and Mr. Purple agreed. Chairman Healey asked that any representatives or firms whose applications meet the RFP requirements be contacted to schedule interviews for lead counsel. The Board agreed.

VII. Public Comment

None

VII. Chairman Healey made a motion to enter into Executive Session per M.G.L. Chapter 30A, Section 21, and not returning to Open Session – to discuss strategy with respect to litigation for the listed items (Exemption 3), Louise Barron, et al. v. Southborough Board of Selectmen, et al. [Exemption 3] and Huang, et al. v. Southborough Zoning Board of Appeals, et al. [Exemption 3] as the Chair declares that an open meeting may have a detrimental effect on the litigating position of the public body at 9:13 P.M. Mr. Shea seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

Upcoming Meetings
May 18, 2021
Annual Town Meeting May 22, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

- May 22, 2021 Town Meeting Warrant
- Bid opening document, May 5, 2021

From: Katie Barry
To: Amy Berry
Subject: RE: Request for Minutes - Board of Selectmen 5/10/2021
Date: Friday, July 16, 2021 11:39:25 AM

Good morning,

The minutes are in the process of being updated from requests from members at the 7.13 meeting and should be ready next week.

Thank you.

From: Amy Berry

Subject: FW: Request for Minutes - Board of Selectmen 5/10/2021

Southborough Town Code § 9-25 requires that minutes of each public meeting and the documents used at the meeting be submitted to the Town Clerk within 45 days of the meeting and that the Town Clerk notify the board or committee chair when that reporting requirement is not met.

I'm writing to advise you that as of today, the Town Clerk's Office has not received the minutes and documents used at the **5/10/2021** meeting of the **Board of Selectmen**.

The Attorney General has determined that a document is considered to be "**used at a meeting**" when the document is:

- Physically present, and
- Identified by name, and
- Its contents are discussed at the meeting.

As a reminder, please submit the documents as individual files and ensure the name of **each separate file** matches how it is identified in the **Documents Used at This Meeting** section of the minutes.

Please reply to this email with your response which will be posted on the town website until the minutes and documents are received.

Please advise if you are unable to provide minutes for one of the following reasons:

1. The meeting was cancelled.
2. No meeting was held due to the lack of a quorum.

The meeting involved executive session(s) and the minutes for the executive session portion(s) cannot be released at this time. Note that minutes for the open session portion of a meeting must be released. Also, the board or committee must review any withheld executive session minutes regularly to ensure there is still a valid reason to withhold minutes from the public. We suggest you consult with Town Counsel on any matters concerning the release of executive session minutes.

Thank you, Amy

Amy Berry

MOTIONS FOR ARTICLES – MAY 22, 2021 TOWN MEETING

ARTICLE 1: **SELECTMEN - TBD**

I move that the Town hear reports of the various Town Officers and Committees and to take such action thereon as the Town may vote.

ARTICLE 2: **SELECTMEN - TBD**

I move that the Town vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, Harvard University, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted.

ARTICLE 3: **SELECTMEN - TBD**

I move that the Town vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2021 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended.

ARTICLE 4: **SELECTMEN - TBD**

I move that the Town vote in accordance with Massachusetts General Laws Chapter 30B, Section 12(b) to authorize the Board of Selectmen and Superintendent of Schools to solicit and award contracts for terms exceeding three years to a maximum of seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Board of Selectmen or the School Committee.

ARTICLE 5: **BETSY ROSENBLOOM**

I move that the Town approve changes to the Salary Administration Plan, as codified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL, as printed in the warrant.

ARTICLE 6: **SELECTMEN - TBD**

I move that the Town vote to indefinitely postpone this article.

ARTICLE 7: **SELECTMEN - TBD**

I move that the Town raise a sum of money not to exceed the sum of **$55,283,945** as may be necessary for the Town's use, and make appropriations of the same.

Transfer from the Cemetery Perpetual care	25,000.00
Transfer from Free Cash	1,400,293.00
Transfer from Overlay Reserve	272,031.00
Transfer from Ambulance Fund, Receipts Reserved (Fund 23)	411,000.00
Transfer from Septic Betterment Fund	30,078.00
Transfer from Reserve SBAB Fund Balance	4,017.00
Transfer from Water Enterprise Fund	204,695.00
Transfer from Fund 2261 "911 Revolving"	25,000.00

AND that the Balance of **$52,911,831** be raised and appropriated.

ARTICLE 8: **SELECTMEN - TBD**

I move that $2,700,256 be appropriated for the Water Enterprise Fund and that $204,695 be included in appropriations from the general fund for indirect costs and be allocated to the Water Enterprise Fund, and that $2,904,951 be raised as follows:

FY22 Revenues:	2,904,951.00

ARTICLE 9: **SELECTMEN - TBD**

I move that the Town raise and appropriate the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees.

DRAFT

ARTICLE 10: **SELECTMEN - TBD**

I move that the Town raise and appropriate:

- $115,000 for Library Interior renovations;
- $40,000 for Town House bathroom renovations;
- $30,000 for a DPW Chipper;
- $12,000 for a DPW Equipment trailer;
- $325,000 for DPW Road Maintenance;
- $30,000 for Fire Thermal Imaging cameras;
- $20,000 for Fire hose & nozzle replacement;
- $40,000 for Fire turnout gear fund;
- $18,200 for Police defibrillators; and
- $101,000 for Police cruisers

ARTICLE 11: **SELECTMEN - TBD**

I move that the Town:

(i) appropriate $400,000 to pay costs of purchasing a Fire Tender 2,000 Gallon, including costs incidental or related thereto, and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount under and pursuant to M.G.L. c. 44, §7(1), or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor. Any premiums received by the Town upon the sale of any bonds or notes issued pursuant to this vote, less any premium applied to the payment of costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with M.G.L. c. 44, §20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount; and

(ii) authorize, under General Laws Chapters 30B or Chapter 44, and upon the recommendation of the Board of Selectmen, lease purchase financing agreements for the acquisition of the following equipment that may be acquired through the issuance of debt under G.L. c. 44 or improvement of a capital asset the improvement of which may be financed by the issuance of debt under G.L. c. 44, the term of such agreement not to exceed the useful life of the equipment or improvement as determined by the Board of Selectmen, and to authorize the Town Administrator to enter into such agreements on behalf of the town, and to appropriate the amounts for the first year payments of the agreements as stated below in the column “First Year Amount”:

DRAFT

Equipment	Authorized Department	Source of Appropriation	First Year Amount
1 - Horton Type Ambulance	Fire Department	FY22 Capital Budget - Ambulance Fund	$42,025
1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY22 Capital Budget - General Fund	$25,215
1 - Pick Up Diesel F-350	Dept. of Public Works	FY22 Capital Budget - General Fund	$10,697
1 - Fire Dept Chief Vehicle	Fire Department	FY22 Capital Budget - General Fund	$9,169

ARTICLE 12: **SELECTMEN - TBD**

I move that the Town vote to raise and appropriate the sum of $5,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies,

ARTICLE 13: **SELECTMEN - TBD**

I move that the Town vote to raise and appropriate the sum of $100,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Advisory Committee as requested.

ARTICLE 14: **SELECTMEN - TBD**

I move that the Town vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2022:

1. Immunization/emergency dispensing clinic; $12,000;
2. Inspectional services; $100,000;
3. 9-11 Field Maintenance; $100,000;
4. Wetland Protection; $30,000;
5. Hazardous materials; $75,000;
6. CPR classes; $6,500;
7. Community garden; $2,500;
8. Recreation programs; $400,000;
9. Tobacco Control Program; $4,000;
10. Golf Course Maintenance; $30,000.

ARTICLE 15: **CPC - MILLS**

I move that the Town vote to accept the report of the Community Preservation Committee for the FY 2022 Community Preservation Projected Receipts and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as printed in the warrant.

ARTICLE 16: **CPC - MILLS**

I move that the Town vote to appropriate $82,938 to be applied towards the bond for the Perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of Historic Preservation from the CPA FY2022 estimated CPA annual revenue. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 17: **CPC - MILLS**

I move that the Town vote to appropriate $13,033 towards FY21 Interest for the renovation and restoration of the Historic Southborough Library building from the Historic Reserve Fund; and to also vote to appropriate $71,705 to be applied towards the FY22 bond payment for the renovation and restoration of the Historic Southborough Library building for the purpose of Historic Preservation. $38,122 from the CPA Historic Preservation Reserve Fund and $33,583 from the FY21 CPA Fund Balance. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 18: **CPC - MILLS**

I move that the Town vote to appropriate $238,750 from the CPA Fund FY2021 Budgeted Reserve for the renovation and restoration of Kallander Field, located on Kallander Drive in Southborough (Parcel ID 56-0000-012-0) for recreation purposes as requested by the Recreation Department. This consists of $210,100 in project costs and an additional $28,650 in contingency funding. Contingency funds only available after approval of the CPC for unexpected costs unforeseen at the time of application. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 19: **CPC - MILLS**

I move that the Town vote to appropriate $300,000 for the restoration and preservation of the Historic St. Mark's Bell Tower located at 27 Main Street Southborough for Historic purposes. $23,061.76 from the CPA Historic Preservation Reserve Fund and $276,938.24 from FY21 CPA Fund Balance. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 20: **CPC - MILLS**

I move that the Town vote, pursuant to Mass. General Laws in Chapter 44, as amended, Chapter 44B, or any other enabling authority, to appropriate and borrow a sum of money not to exceed the amount of two million, thirty thousand dollars ($2,030,000) for historic restoration of the Southborough Town House, including costs incidental or related thereto, for a period of twenty (20) years, excluding the term of any temporary loans issued and in anticipation therefor, and allow the Treasurer to apply the net premium and any accrued interest to the costs of the project and reduce the amount authorized to be borrowed for the project by like amount.

Additionally to appropriate two hundred eight thousand, two hundred eighty-four dollars ($208,284) with one hundred ninety-two thousand, six hundred and nine dollars ($192,609) from the FY22 estimated CPA annual revenues and fifteen thousand, six hundred seventy-five dollars ($15,675) from the 2021 CPA Fund Balance for a total project cost of two million, two hundred thirty eight thousand, two hundred eighty four dollars ($2,238,284) for historic preservation purposes.

This consists of $1,986,644 for historic preservation /restoration project costs and $251,640 contingency funding, for the Southborough Town House Exterior Preservation and Restoration Project, as requested by the Southborough Facilities Department for historic purposes. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with M.G.L. c. 44 §20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

And to further authorize the Board of Selectmen and/or a qualified Historical Organization with the Board of Selectmen's express approval to submit on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from The Commonwealth of Massachusetts or the United States and/or any other state or federal programs including those in aid of Historic Preservation and/or any others in any way connected with the scope of this article. Said gifts or grants to be deposited in the Historic Reserve Community Preservation Fund.

The Board of Selectmen is hereby directed to grant a Perpetual Preservation Restriction on the historical exterior and windows of the Town House Building, 17 Common Street, Southborough, MA 01772 to be recorded in conformance with the requirements of Massachusetts General Laws and to enter into all agreements and execute any and all instruments as may be necessary to effect said Perpetual Preservation Restriction. The cost of the Perpetual Preservation Restriction to be paid from funds from this appropriation and the holder of the Perpetual Preservation Restriction shall be approved by a majority vote of the Community Preservation Committee.

The Town of Southborough shall retain ownership of this building in perpetuity except as authorized by a vote of the citizens at a town election with a margin of 90% approval of the total ballots cast.

Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding.

All of the work will comply with the Building and Architectural Access Board codes as applicable, the historic district review requirements, and The Secretary of the Interior's Standards for the Treatment of Historic Properties.

The Town shall prepare a draft Perpetual Preservation Restriction and submit the Perpetual Preservation Restriction to the MA Historical Commission no later than 180 days after the commencement of construction activities.

Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 21: **CPC - MILLS**

I move that the Town vote to appropriate $9,950 from the FY22 estimated CPA annual revenue for the Southborough History Museum Condition Assessment for historical purposes as requested by the Southborough Historical Society. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

DRAFT

ARTICLE 22: **CPC - MILLS**

I move that the Town vote to appropriate $47,011 from the FY22 estimated CPA annual revenue for the 1.6 mile Peninsula Trail for recreation purposes as requested by the Southborough Trails Committee (STC) with $42,737 in project costs and an additional $4,274 in contingency funding. The STC shall apply for the Massachusetts Department of Conservation and Recreation trails grant for matching funds. In the event the grant funds are not awarded, these CPA funds will be used to provide signage and install required fencing to enable use of the property. Contingency funds only available after approval of the CPC for unexpected costs unforeseen at the time of application. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 23: **SELECTMEN – TBD**

I move that the Town vote to authorize the Board of Selectmen to dispose of a parcel of land with structures thereon deemed surplus property with no further public purpose, by deed of conveyance, grant or transfer after appraisals have been obtained and upon such terms and conditions as the Board of Selectmen deem appropriate. Said parcel of land being described as follows: 21 Highland Street, having been acquired by deed dated June 26, 1911 and recorded in the Worcester Registry of Deeds at Book 1974, Page 229.

ARTICLE 24: **SELECTMEN – TBD**

I move that the Town vote to amend the interest rate per annum from 4% to 2% and increase the income limit (gross receipts) from $20,000 to $45,000 under the provisions of Massachusetts General Laws, Chapter 59, §5 (41A) which regulates tax deferral for homeowners 65 years or older pursuant to the authority contained in Chapter 136 of the Acts of 2005 of the General Court thereby amending M.G.L. Ch. 59, §5 (41A).

ARTICLE 25: **SELECTMEN – TBD**

I move that the Town vote to amend Section 9-24 "Qualification of elected and appointed officials" of the Town Code, by deleting the text in its entirety, and replacing with the following:

"All elected and appointed officials shall be qualified by the Town Clerk within 30 days of their election except where a different period is specified in the General Laws. If an appointed official is not qualified in this period, his/her appointment shall terminate, and the appointing authority shall be so notified by the Town Clerk."

ARTICLE 26: **TOWN CLERK – HEGARTY**

I move that the Town vote to amend the provisions of the Southborough Code, Chapters 41-2 9 entitled Notice of Town Meetings and § 41-26 Availability of Annual Report and Warrant as printed in the warrant.

ARTICLE 27: **TOWN CLERK – HEGARTY**

I move that the Town vote to accept the provisions of Chapter 41, Sec. 110A of the Massachusetts General Laws "Office hours on Saturday": "Any public office in any city or town may remain closed on any or all Saturdays as may be determined from time to time, in a city by the city council, subject to the provisions of the city charter, or, in a town, by vote of the town at a special or regular town meeting, and the provisions of section nine of chapter four shall apply in the case of such closing of any such office on any Saturday to the same extent as if such Saturday were a legal holiday."

ARTICLE 28: **SELECTMEN – TBD**

I move that the Town vote to adopt the provisions of MGL c.90, Section 17C to allow the Board of Selectmen to reduce the statutory speed limit from 30MPH to 25MPH on any or all town-owned roadways in thickly settled or business district areas.

ARTICLE 29: **SELECTMEN – TBD**

I move that the Town vote to adopt the provisions of MGL c.90, Section 18B to allow the Board of Selectmen to establish regulatory 20MPH safety zones on public streets within the Town of Southborough in the interest of public safety.

ARTICLE 30: **SELECTMEN – TBD**

I move that the Town vote to impose a .75% meals tax on the sales of restaurant meals by accepting Massachusetts General Laws, Chapter 64L, Section 2(a). The implementation date of the meals tax will be at the discretion of the Board of Selectmen, but not before January 1, 2022.

ARTICLE 31: **SELECTMEN – TBD**

I move that the Town vote to adopt in Chapter 9 of the General Bylaws, Article X to be entitled **"**Southborough Public Accessibility Committee", Sections 9.34 through 9.35 of the Town bylaws, as printed in the warrant.

ARTICLE 32: **ADVISORY COMMITTEE – TBD**

I move that the Town vote to amend the provisions of the Southborough Code, Section 9.8 and 9.12 thereof, as printed in the warrant.

ARTICLE 33: **SELECTMEN – TBD**

I move that the Town vote to adopt in Chapter 9 of the General Bylaws, a new Article IX to be entitled "Capital Improvement and Planning Committee'', Sections 9-30 through 9-33, as printed in the warrant.

ARTICLE 34: **ZONING BOARD – TBD**

I move that the Town vote to amend the Zoning Code of the Town of Southborough, Zoning Article I entitled "Miscellaneous Provisions" and Article V entitled "Nonconforming Uses and Structures" by amending thereto Section 174-9 entitled "Special Permit Requirements" and 174-19 entitled "Extensions", as printed in the warrant.

ARTICLE 35: **PLANNING BOARD – TBD**

I move that the Town vote to amend the Zoning Code of the Town of Southborough Article III entitled "Use Regulations" by replacing thereto Section 174-12.1 thereof entitled "Outdoor illumination", as printed in the warrant.

ARTICLE 36: **PLANNING BOARD – TBD**

I move that the Town vote to amend the Zoning Code of the Town of Southborough, Article III entitled "Use Regulations" by amending thereto Section 174-10, entitled "Site Plan Approval", as printed in the warrant.

ARTICLE 37: **PETER LAPINE**

I move that the Town vote to approve the Southborough Noise Bylaw proposal, as printed in the warrant.

ARTICLE 38: **MICHAEL WEISHAN**

I move that the Town vote to indefinitely postpone this article.

ARTICLE 39: **JONAS LINDEN**

I move that the Town vote to strongly request that the Board of Selectmen direct DPW to conduct an analysis of Flagg Road for the purpose of instituting a commercial truck exclusion (similar to Latisquama Road).

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, April 13, 2021, 6:30 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 6:30 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

I. Public Comment

Claire Reynolds, CCR Consulting, stated that the Planning Board asked the EDC at their April 2019 meeting to create a document regarding the Downtown District that the Planning Board could review. She added that the initial intent and request was to add mixed-buildings into the current bylaw. She explained that there are eight items the Planning Board considers outstanding and the implications of brining this bylaw to Town Meeting without full support of all involved. Chairman Healey stated he understood the impact on funding that could transpire if this bylaw is not supported and stated the Board will try to ensure that fact is punctuated in the future.

I. Scheduled Appointments

Joint Meeting with Advisory Committee

i. FY22 Budget

Kathy Cook, Chair of the Advisory Committee called their meeting to order at 6:36 P.M. Chairman Healey asked for Mr. Probst and Ms. Varner to join as participants.

Angela Varner, member of the Municipal Technology Committee, presented the IT budget that included the salary for the IT Director and IT Manager as full-time positions. The MTC has begun a department review to understand technical issues. They have funding to conduct this study which reviews the types of data departments handle, technical issues and the security they have in place. There is funding for software costs, contracted services and a small amount of funding for employee training. Funding for additional workstations has been moved from the IT budget and placed in the Capital budget. Mr. Probst reiterated that while they are looking at regional

DRAFT

staffing models the need to fund two full-time positions is necessary. Ms. Cook stated that the ClearGov software price was removed from the budget but requested adding $4,000 back into that line item. The Capital Committee and Mr. Ballantine agreed. Mr. Probst added that the new IT Director while not in place as yet, has been updated on the MTC's discussions. Ms. Malinowski reminded the Board that the town auditor recommended to stop hiring for new positions. She suggested that if a new position is added then a position needs to be identified as being cut.

Mr. Martel addressed the urgency of cyber security and sited an article outlining one out of six communities in Massachusetts that have had a ransomware demand. The average payment in the form of bitcoin is $400,000. He indicated that in addition to hospitals being vulnerable, town governments and schools are the primary targets. He feels the Town's two key risks are cyber security and HIPPA compliance.

Mr. Pfaff referenced State guidance on the CARES Act outlining uses for the funds that included accelerated telework capacity, infrastructure subscriptions for free meeting services and hardware laptops. Jason Malinowski addressed the consulting budget and how to determine what the correct amount is for that line item. He stated that the budget would allow for the new IT Director to get the needed expertise whether it would be for cyber expertise, desktop support or any other numerous capacities. He feels that instead of creating a permanent benefited position, a consulting budget would allow for access to temporary expertise for the IT Director to determine as necessary. The benefit is having access to multiple individuals of focused expertise. He clarified that the $40,000 in the Capital budget is not for workstations. It was voted for infrastructure to support recommendations for moving to the cloud. If that were to change, then the article would have to be changed. Mr. Pfaff stated that both permanent IT positions were necessary along with a consulting budget to bring in cyber security expertise. Mr. Stivers stated that the MTC has very qualified volunteers who have agreed to work with the town and are viable resources. The IT budget of $447,285 has not been voted on by the Advisory Committee. There was discussion and a suggestion to include $26,000 into the budget for laptops and to remove the $5,000 previously discussed for line item forty-one if it is identified as not being needed.

Ms. Cook presented the Board of Health budget as updated from their April 9, 2021 meeting. The Board of Health is seeking three full-time positions starting July 1, 2021 which include Health Director, Public Health Nurse, and an administrative assistant. They are also seeking a $10,000 scanner. All of these additions were presented as increasing inspectional services for food and septic systems. Ms. Cook walked the Board through the Board of Health's agreed spending for fiscal year 2021 and how they will be using the CARES Act funding to offset costs. She stated that Advisory has agreed to support the Public Health Director full-time position. Ms. Malinowski and Ms. Braccio agreed that delaying this decision until a fall town meeting would increase the possibility of finding a mutually agreeable plan as the Shared Services Grant already will be in effect. There was discussion between the Board and Advisory regarding delaying the decision, supporting the requests from the Board of Health and how to present this article at Town Meeting.

Ms. Cook stated that the Advisory Committee has not voted on the proposed addition of a meals tax or the Advisory bylaw change. She added that Advisory will take a position on the South Union School at Town Meeting, the noise bylaw was not supported and final votes on the CPC articles will be taken at a future meeting. Chairman Healey stated he was concerned about the

enforcement aspect of the lighting bylaw. Ms. Cook added that Recreation will need to look at how the lighting bylaw could impact their lighting projects for fields. Mr. Stivers asked for the proposed changes to the noise bylaw and a revised version was not provided. Chairman Healey outlined his concerns on the Site Plan Review article presented by the Planning Board regarding timeframe of approval.

Ms. Cook gave an overview of the Advisory bylaw and invited Mr. Butler to summarize the changes that would be implemented if this article were to pass. Those included officially adding a position of Vice Chair, decreasing the number of committee members from nine to seven, adding language to allow an Advisory member to sit on a committee that is charged with capital planning for the Town and changing the language so that all members of ad-hoc committees present at a meeting are included the quorum. These members must recuse themselves from the discussion. Ms. Cook added that the Advisory Committee is in full support of the proposed changes. The Board agreed to support this article.

The Board and Advisory supported the addition of a 0.75% meals tax at prior meetings. Ms. Cook gave an overview of how those votes were decided and when implementation would occur. Mr. Malinowski made a motion for Advisory to support the addition of a 0.75% meals tax to the 2021 Annual Town Meeting warrant article with the condition that the Board has the final authority of setting a start date to be no earlier than January 1, 2022. Ms. Budz seconded. The motion passed (6-1-0). Mr. Pfaff made a motion to adjourn the Advisory Committee meeting at 9:30 P.M. Ms. Budz seconded and the roll call vote passed (7-0-0) all in favor. The committee members left the meeting.

ii. ATM warrant articles

Chairman Healey asked the Board to send any articles they would like to discuss before voting on for the next meeting. Mr. Purple stated that the warrant needs to be voted on by next Tuesday. Mr. Shea stated he cannot make the next meeting but asked the Board to proceed to vote in his absence. Mr. Stivers stated that it is important to reach a consensus on both the Board of Health and IT budgets before Town Meeting. The Board agreed.

II. Reports

Chairman's Report

i. Scheduling of upcoming agenda items

Chairman Healey asked the Board to send any Selectmen goal items they would like to discuss at the May 4th meeting to Mr. Purple. The Board agreed.

Chairman Healey stated that Southborough Little League Baseball will be sending a letter to name a baseball field after Brian Shifrin. Ms. Braccio stated that they will be moving forward with the dedication on June 2, 2021 which is also Lou Gherig's Day. Chairman Healey stated this topic will be on the May 4th agenda.

Chairman Healey updated the Board that the Downtown Initiative zoning article will need a 50% vote to pass at Town Meeting. He added John Wood requested the Board be very deliberate on their positioning of this article.

Chairman Healey stated he had a series of meetings with St. Mark's and Fay School for targeted PILOT donations. He added that Fay contributions funded materials related to the COVID-19

pandemic. He stated that the approach to these conversations will be as partners as opposed to adversaries.

Chairman Healey said he has had discussions with representatives of the veterans regarding the flags at the Old Burial Ground and the letter from Mr. Kolenda and Mr. Whynot's were included in the packet. He added that he does not want this issue to impact Memorial Day celebrations. This topic will be added to the May 4th agenda.

Mr. Stivers stated that the flagpole at the Town House looks great. Chairman Healey agreed and gave Mr. Purple, Mr. Parent and Attorney Cipriano accolades for their work to ensure the flag was restored.

Members' Reports

None

Town Administrator Report

Mr. Purple stated that the regional vaccination clinic opens tomorrow and there are 1,500 doses of Moderna and sixty dedicated appointments for each community. He thanked Ms. Hale, Dr. Alker and members of the Board for assisting in filling the appointments. He stated there should be 1,500 more doses next week and thanked Kristin Black, Northborough Health Agent, for coordinating the clinic. Chairman Healey stated that with more people vaccinated, the Board should strive to meet in person and coordinate with the IT Department. He asked that this topic be added to the May 4th agenda. Mr. Purple agreed and stated the issue is bringing the public into the meetings safely.

Mr. Purple stated that Mr. Ballantine and he are working with Mr. Parent to open the Town House first floor on a limited capacity for the public to pay their taxes in person.

Ms. Braccio stated there are six volunteers from CERT/MRC each day at the vaccination clinic and thanked them for their service. Mr. Stivers asked if there are any State guidelines regarding meeting participation electronically. Chairman Healey stated he had not seen anything and Ms. Braccio stated she attended the MMA Board meeting today and they discussed hybrid and outdoor town meetings. She stated that she will send this question to the MMA.

III. Consent Agenda

a. Chairman Healey made a motion to approve the March 23, 2021 Open Session minutes. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

IV. Other Matters Properly Before the Board

Selectmen recommendations on ATM warrant articles

Mr. Ballantine recommended three DPW pieces and three fire pieces that would be eligible for leasing. He explained that interest rates are lower for leasing and it could save $230,000 - $240,000 in this budget to be spread over the term of the lease. He explained leasing versus bonding the fire tender and the impact a potential FEMA grant could have on both options. He stated that if the grant is not granted by Town Meeting, he would recommended bonding the fire tender. Mr. Ballantine explained an upcoming recommendation from the Capital Planning Committee regarding the use of life for equipment. He explained all are seven years except the

ambulance which is to be recommended at five years. Mr. Purple asked the Board to decide whether to move forward with supporting a lease or bonding for the tender as Bond Counsel would have to restructure the article if it is not supported. Chairman Healey stated that he was comfortable with leasing the tender. The Board agreed.

Ms. Braccio updated the Board that she will be sending letters out to lot owners next week and there are five outstanding issues the Planning Board is seeking resolution to in regards to the Downtown District. She asked the Board to consider delaying the Downtown Initiative to a fall town meeting. She outlined outstanding issues including an opinion from Attorney Costa regarding the zoning map. Ms. Braccio listed reasons to hold this until a fall town meeting which included having more time for public outreach, time to create a presentation, addressing outstanding issues and holding more public forums. She added that there is still grant money available and she has reached out to Ms. Connelly and Mr. Wood to ensure them this is not an attempt to hinder progress. Ms. Malinowski agreed to postponing this article to a fall town meeting as there will be more time at a fall town meeting for a full debate. Mr. Shea stated he is in support of a fall town meeting as well and praised the EDC for their work. Mr. Stivers agreed to postponing the article and felt that having time to do more could substantially increase its ability to pass. Ms. Braccio asked about withdrawing the article from the warrant. Mr. Purple stated that based on the sentiment of the Board, he can simply remove the article and begin to plan for a fall town meeting. Ms. Braccio added that she spoke with Ms. Connelly and Mr. Wood and they would like to hold a final joint meeting with the Board and Planning Board prior to fall town meeting.

Chairman Healey stated the warrant articles will be on the April 20th meeting agenda.

V. Public Comment

Kevin Miller stated that Ms. Braccio's comments regarding the Downtown District were encouraging. He added that he attended the meetings where the EDC and Planning Board spoke about the Board sending letters to split lot owners. He asked that the letters are also sent to abutters as he felt this could impact abutters as well as split lot owners. Mr. Miller asked that the letter be made public. Ms. Braccio thanked him for his comments and stated that she will be reaching out to him this week for a larger discussion.

VI. On a motion made by Mr. Shea, seconded by Mr. Stivers and voted by roll call all in favor, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye, the meeting was adjourned at 10:17 P.M.

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions.

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a none-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Board of Selectmen. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Introduction to the Rules of Town Meeting (continued)

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group have are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless it's substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend
3. Point of no quorum	no	no	no	none	none
4. Recess	no	yes	limited	majority	amend

18.	Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19.	Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

ANNUAL TOWN MEETING

Worcester, ss. April 20, 2021

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet at the baseball field adjacent to Neary School, 53 Parkerville Road, in said Southborough, on

Saturday, May 22, 2021

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To hear reports of the various Town Officers and Committees and to take such action thereon as the Town may vote.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To hear reports of Town Boards, Committees or Commissions.*

ARTICLE 2: To see if the Town will vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To allow the Board of Selectmen to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 3: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2021 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 4: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Board of Selectmen or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Board of Selectmen or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Board Recommendation: Support
Summary: *This article allows the Selectmen and/or the School Committee to enter into contracts in excess of*

three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.

ARTICLE 5: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"
[revised at May 22, 2021 Annual Town Meeting]

This bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town or encompassed in any officially recognized labor union and/or association. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through G ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,**)** (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D, E, F and G of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee.

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is required to work when the need requires; oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time Employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range

.

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall rate such new or changed position, and allocate it to its appropriate classification grade and establish the rate therefor.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Board of Selectmen or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D, E, F and G of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40 hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: Employees shall be eligible to earn a weekly stipend not to exceed $200.00 per week for on-call service if the department head has required them to work outside of their normal schedule. This need is likely to occur on an evening or weekend basis as the need requires. There is no provision to accrue compensation time in lieu of payment.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible annually for consideration of a salary increase, one year from the date of his/her latest increase. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Board of Selectmen or their designated appointee in the case of departments within the jurisdiction of the Board of Selectmen, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Board of Selectmen.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

An evaluation of the employee's performance, in a format approved by the Personnel Board, must accompany a request for an increase in the case of all employees in Full-Time Graded Positions under Schedule A. Evaluations of employees in Part-Time Hourly Graded Positions under Schedule C and Seasonal Personnel under Schedule F may require performance evaluations under Personnel Policy enacted hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Board of Selectmen or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Regular Part-Time employees shall be eligible for consideration for salary increases within their grade one year from the date of their last increase, absent exceptional circumstances as may be authorized by the Personnel Board.

c. Special and other Part-Time personnel for whose positions there is a single rate established in Schedule D shall not be eligible for adjustment.

d. Probationary Employees:

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Board of Selectmen or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience at a rate not exceeding the mid-point of the pay scale set forth in Schedules A and C of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Independence Day	Christmas Day
	Day before or after Christmas Day (as set by the Town annually)

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval**.** Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 5	6.666	Two weeks
5+ - 10	10.0	Three weeks
10+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of three weeks' vacation [pro-rated] for the first year of employment with the Town. Employees commencing employment with three weeks per year will be required to complete five years of service before ascending to the next band in the vacation schedule chart.

(3) Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. The employee must have the Department Head's approval to take any portion of a

prior year's unused vacation in addition to the days earned in the current fiscal year.

(4) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(5) In the event of termination of employment other than for cause, the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(6) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree... $ 800.00
Bachelors Degree.. $1,200.00
Masters Degree..... $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for a period of no longer than one month if requested by their Department Head due to exigent circumstances, or for longer if approved by the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding. The Personnel Board shall entertain such requests at the first available opportunity.

SECTION 14. APPOINTMENT OF "ACTING" DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Board of Selectmen or appropriate board or commission may appoint an "Acting" Department Head to serve for a period ofnot more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Board of Selectmen or other appropriate board or commission for each such extension. In no case shall an appointment of an "Acting" Department Head exceed one year.

b. Duly appointed "Acting" employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the "Acting" employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation. For purposes of this section, Election Workers and Wardens shall not be considered "employees of the Town."

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern.

c. The Board shall meet annually in July and organize by the choice of a Chair and Clerk. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the

Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. Not later than six (6) months prior to Annual Town Meeting, the Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented by a signed petition to, and acted upon by, the Personnel Board. Upon receipt of such a written petition, the Board, after giving the petitioner(s), the Department Head(s) and the affected employee(s) at least two weeks' written notice, shall hold a hearing to consider the proposed amendment. If the Personnel Board approves of any proposed amendment, it shall bring it before the next available Special or Annual Town Meeting for its consideration. If the Personnel Board disapproves any proposed amendment or shall fail to act thereof within fifteen days after the hearing (which failure shall be deemed disapproval), the petitioner(s) may the present the petition to the next available Town Meeting for its consideration. The Board of its own motion, after a similar hearing and/or conference with parties interested, may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

SECTION 20: CLASSIFICATION SCHEDULE

TOTAL WATER - PUBLIC WORKS	2,056,373	2,336,937	2,340,692	2,904,951	24.11%

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates, which supports all aspects of the department's operation. The first year of funding for those capital items that are being leased for use by the Water Department, in whole or in part, are included in this budget.*

Hook Lift Truck - This item will replace a 2002 version. This truck is critical to a variety of operations throughout the year. It was scheduled to be replaced in the last fiscal year in the event of a Fall Town Meeting. The truck that it is replacing is currently sitting idle and is no longer on the road and was not used during the last winter plow season. This portion represents the amount to come out of the water fund.

Pick-Up Diesel Truck F-350 - This item will replace a 2011 version of the same make/model. This truck is used by DPW water staff on a daily basis to carry out their duties.

ARTICLE 9: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article. The funding amount has been the same each year since 2015, and is not changing for FY22.*

ARTICLE 10: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Other Funds
A.	LIBRARY: Interior Renovations, Floor Coverings and Painting	$115,000	$115,000	
B.	TOWN HOUSE: Bathroom Renovation	$ 40,000	$ 40,000	
C.	DPW: Chipper	$ 30,000	$ 30,000	
D.	DPW: Equipment Trailer Replacement	$ 12,000	$ 12,000	
E.	DPW: Road Maintenance	$325,000	$325,000	
F.	FIRE: Thermal Imaging Cameras	$ 30,000	$ 30,000	
G.	FIRE: Fire Hose & Nozzle Replacement	$ 20,000	$ 20,000	
H.	FIRE: Turnout Gear Fund	$ 40,000	$ 40,000	
I.	INFORMATION TECHNOLOGY: Server and Storage	$ 40,000	$ 40,000	
J.	POLICE: Defibrillators	$ 18,200	$ 18,200	
K.	POLICE: Police Cruisers (2)	$101,000	$101,000	

, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. This item will provide the funds needed to replace various sections of floor coverings installed in the late 1980's, repaint interior walls, and make upgrades to interior finish surfaces on the upper level of the Southborough Library;
B. This item will provide the funds needed for the purpose of renovating the men's and/or women's restroom at the Southborough Town House. Elements of renovation work will include tile replacement, installation of new privacy components, and plumbing upgrades in the subject restroom, which has not had any major betterments for over 40 years;
C. This item will replace a chipper that is beyond its useful life. The chipper is used in both emergency and non-emergency situations by DPW crews;
D. This item will replace an equipment trailer purchased in 2006. The current trailer no longer meets the standards needed to carry the weight of the equipment towed around on the trailer;
E. These funds are for public roadway, sidewalks and walkway maintenance, repair and construction throughout town. These are expended in conjunction with Chapter 90 roadway improvement funding from the Commonwealth;
F. This item will replace two (2) thermal imaging cameras carried on the fire department pumpers. These cameras are the end of their life expectancy and are critical to firefighting operations to protect life and property;
G. This item will replace miscellaneous fire hose and nozzles carried on the department's fire apparatus that is beyond its life expectancy or has failed during regular maintenance checks. This is part of an ongoing maintenance of the equipment. On average, this is replacing items that are 15 – 20 years old.
H. These funds will be used to fund an initial contribution for new and replacement fire turnout gear. These funds are anticipated to cover approximately ten full sets of turnout gear that will reach the end of their useful life in the next fiscal year. Funds expended from this item will be approved by the Capital Planning Committee based on recommendations from the Fire Chief;
I. These funds will cover any onsite or cloud infrastructure needs for municipal IT as part of a formal plan developed by the IT Manager and Municipal Technology Committee;
J. This item is for the replacement of ten (10) portable defibrillator units that are located in each of the marked patrol vehicles. The current units were purchased in 2008, and are well past their useful life expectancy of ten years;
K. This item is for the replacement of two front line cruisers nearing or over 100,000 miles (2016 Ford Taurus currently 92,088 miles, 2016 Ford Explorer currently 109,110 miles). They will be replaced with a 2021 Ford Police Interceptor Utility AWD Hybrid, and a 2021 Dodge Charger AWD gas engine. The hybrid model is eligible for Green Communities funds, which if awarded would defray the purchase price by $5,000. The anticipated gas savings with the hybrid model is $3,179, according to the manufacturer.

ARTICLE 11: To see if the Town will vote to appropriate a sum of money to pay costs of acquiring all or a portion of the following equipment and to see if this appropriation shall be met by borrowing or otherwise, and/or authorize, under General Laws Chapter 30B, Chapter 44, Section 21C, upon the recommendation of the Board of Selectmen, the following lease purchase financing agreements for the acquisition of all or a portion of the following equipment that may be acquired through the issuance of debt under G.L. c. 44 or improvement of a capital asset the improvement of which may be financed by the issuance of debt under G.L. c. 44, the term of such agreement not to exceed the useful life of the equipment or improvement as determined by the Board of Selectmen, and to authorize the Town Administrator to enter into such agreements on behalf of the Town, and to approve appropriation for the first year payments of the agreements as stated below in the column "First Year Amount":

	Equipment	Authorized Department	Source of Appropriation	First Year Amount
A.	1 - Fire Tender 2,000 Gallon	Fire Department	FY22 Capital Budget - Ambulance Fund or Borrowing	$61,127
B.	1 - Horton Type Ambulance	Fire Department	FY22 Capital Budget - Ambulance Fund	$42,025
C.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY22 Capital Budget - General Fund	$25,215
D.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY22 Capital Budget - General Fund	$10,697
E.	1 - Fire Dept Chief Vehicle	Fire Department	FY22 Capital Budget - General Fund	$9,169

, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. This item will add a Fire Tender that is capable of carrying 2,000 gallons of water to a fire scene. This is a newly proposed vehicle for the Department that will be used both in areas of town without hydrants, but also supplement operations in areas with hydrants. The Department is also seeking a grant for the acquisition of this asset. The request originated after a full operational review of the Fire Department by the Chief.
B. This item will replace a 2014 Ambulance that is used in rotation with a 2nd ambulance. This ambulance responds to approximately 500 emergencies a year. Due to the long lead time to manufacture these vehicles, this ambulance is being requested now to avoid costly repairs on the 2014 Ambulance.
C. This item will replace a 2002 version. This truck is critical to a variety of operations throughout the year. It was scheduled to be replaced in the last fiscal year in the event of a Fall Town Meeting. The truck that it is replacing is currently sitting idle and is no longer on the road and was not used during the last winter plow season. This portion represents the amount to come out of the general fund.
D. This item will replace a 2008 version of the same make/model. This truck is used by DPW staff on a daily basis to carry out their duties.
E. This item will replacement of a Fire Department SUV to be utilized by the Fire Chief. The current vehicle is a 2013 Ford Explorer which will be retained to replace the Facilities Director's vehicle (2003 Ford Crown Victoria). The Fire Department SUV is used for department business, emergency response, and as a mobile incident command post. This item will purchase and appropriately equip a Chevrolet Tahoe 4-wheel drive SUV or equivalent.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of $5,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support

Advisory Committee Recommendation: Support
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 13: To see if the Town will vote to raise and appropriate, borrow and appropriate or transfer from available funds the sum of $100,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Advisory Committee as requested, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 14: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2022:

1. Immunization/emergency dispensing clinic; $12,000.
2. Inspectional services; $100,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous materials; $75,000.
6. CPR classes; $6,500.
7. Community garden; $2,500.
8. Recreation programs; $400,000.
9. Tobacco Control Program; $4,000.
10. Golf Course maintenance; $30,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, BOARD OF SELECTMEN, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 15: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY 2022 Community Preservation Projected Receipts and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:

Estimated Surcharge Receipts (based on Town Treasurer's projections)…….. $386,300
State Match (projected FY2022 State match)……..…….. $ 75,275
FY2021 State Match Adjustment……. $ 49,976
Total Projected Revenue…….. $511,551

Set Aside- Open Space

$51,155 to be set aside, held in the Community Preservation Fund, and spent in FY2022 or later years for acquisition, creation or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation

$51,155 to be set aside, held in the Community Preservation Fund, and spent in FY2022 or later years for the acquisition, preservation, rehabilitation and restoration of historic resources.

Set Aside – Community Housing

$51,155 to be set aside, held in the Community Preservation Fund, and spent in FY2022 or later years for the creation, preservation and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.

Administrative Costs – Community Preservation Committee

$25,578 to defray the administrative and operating expenses of the Community Preservation Committee in FY2022 for the Community Preservation Fund

, or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The budget and set asides are an annual requirement under the Community Preservation Act.*

ARTICLE 16: To see if the Town will vote to appropriate $82,938 to be applied towards the bond for the Perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of Historic Preservation from the CPA FY2022 estimated CPA annual revenue. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is the Community Preservation Fund payment towards the FY2022 debt funding for the Preservation Restriction of 84 Main Street as approved at the 2016 Annual Town Meeting.*

ARTICLE 17: To see if the Town will vote to appropriate $13,033 towards FY21 Interest for the renovation and restoration of the Historic Southborough Library building from the Historic Reserve Fund; and to also vote to appropriate $71,705 to be applied towards the FY22 bond payment for the renovation and restoration of the Historic Southborough Library building for the purpose of Historic Preservation. $38,122 from the CPA Historic Preservation Reserve Fund and $33,583 from the FY21 CPA Fund Balance. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is the Community Preservation Fund payment toward the debt funding for the renovation and restoration of the Historic Southborough Library as approved at the 2019 Annual Town Meeting.*

ARTICLE 18: To see if the Town will vote to appropriate $238,750 from the CPA Fund FY2021 Budgeted Reserve for the renovation and restoration of Kallander Field, located on Kallander Drive in Southborough (Parcel ID 56-0000-012-0) for recreation purposes as requested by the Recreation Department. This consists of $210,100 in project costs and an additional $28,650 in contingency funding. Contingency funds only available after approval of the CPC for unexpected costs unforeseen at the time of application. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of the Recreation Director Tim Davis and the Southborough Recreation Department, said funds will be used to restore and renovate Kallander Field, to address significant drainage issues that plague the field.*

ARTICLE 19: To see if the Town will vote to appropriate $300,000 for the restoration and preservation of the Historic St. Mark's Bell Tower located at 27 Main Street Southborough for Historic purposes. $23,061.76 from the CPA Historic Preservation Reserve Fund and $276,938.24 from FY21 CPA Fund Balance. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *Under the direction of the St. Mark's Building Committee said funds will be used to restore and preserve the St. Marks Bell Tower in conformance with a Preservation Restriction held by the Massachusetts Historical Commission. The goal is to preserve St. Mark's Bell Tower for many future generations of Southborough residents to enjoy. Built in 1891 on land donated by Joseph Burnett, the tower has fallen into major disrepair over the years. Issues include water penetration, unevenly faced stones, cracked mortar joints, and stone slippage. Without restoration of the tower, the historic viewscape of our town will be forever changed. Satisfying the Community Preservation Act goal to preserve and maintain historic landmarks, this project would preserve the tower and keep its historical significance. St. Mark's Church is part of the Southborough Historical Commission project to add downtown Southborough to the State and National Register of Historic Places. The tower restoration project strictly falls under historic preservation and does not contain any religious depiction. This $300,000 request is for partial funding of total project costs of $565,000 with remainder raised by St. Mark's.*

ARTICLE 20: To see if the Town will vote, pursuant to Mass. General Laws in Chapter 44, as amended, Chapter 44B, or any other enabling authority, to appropriate and borrow a sum of money not to exceed the amount of two million, thirty thousand dollars ($2,030,000) for historic restoration of the Southborough Town House, including costs incidental or related thereto, for a period of twenty (20) years, excluding the term of any temporary loans issued and in anticipation therefor, and allow the Treasurer to apply the net premium and any accrued interest to the costs of the project and reduce the amount authorized to be borrowed for the project by like amount.

Additionally to appropriate two hundred eight thousand, two hundred eighty-four dollars ($208,284) with one hundred ninety-two thousand, six hundred and nine dollars ($192,609) from the FY22 estimated CPA annual revenues and fifteen thousand, six hundred seventy-five dollars ($15,675) from the 2021 CPA Fund Balance for a total project cost of two million, two hundred thirty eight thousand, two hundred eighty four dollars ($2,238,284) for historic preservation purposes.

This consists of $1,986,644 for historic preservation /restoration project costs and $251,640 contingency funding, for the Southborough Town House Exterior Preservation and Restoration Project, as requested by the Southborough Facilities Department for historic purposes. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with M.G.L. c. 44 §20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

And to further authorize the Board of Selectmen and/or a qualified Historical Organization with the Board of Selectmen's express approval to submit on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from The Commonwealth of Massachusetts or the United States and/or any other state or federal programs including those in aid of Historic Preservation and/or any others in any way connected with the scope of this article. Said gifts or grants to be deposited in the Historic Reserve Community Preservation Fund.

The Board of Selectmen is hereby directed to grant a Perpetual Preservation Restriction on the historical exterior and windows of the Town House Building, 17 Common Street, Southborough, MA 01772 to be recorded in conformance with the requirements of Massachusetts General Laws and to enter into all agreements and execute any and all instruments as may be necessary to effect said Perpetual Preservation Restriction. The cost of the Perpetual Preservation Restriction to be paid from funds from this appropriation and the holder of the Perpetual Preservation Restriction shall be approved by a majority vote of the Community Preservation Committee.

The Town of Southborough shall retain ownership of this building in perpetuity except as authorized by a vote of the citizens at a town election with a margin of 90% approval of the total ballots cast.

Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding.

All of the work will comply with the Building and Architectural Access Board codes as applicable, the historic district review requirements, and The Secretary of the Interior's Standards for the Treatment of Historic Properties.

The Town shall prepare a draft Perpetual Preservation Restriction and submit the Perpetual Preservation Restriction to the MA Historical Commission no later than 180 days after the commencement of construction activities.

Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer, or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support; reserve pending review of motion
Advisory Committee Recommendation: Support
Summary: *Under the direction of John Parent, Southborough's Director of Facilities the Southborough Town House Exterior Preservation and Restoration Project is focused on restoring various original elements of the building structure, where deemed prudent. Projects at the Town House include window sash replacement*, exterior renovation work and roof replacement *Great care has also been taken to ensure that any replacement components will be designed in such a fashion as to authentically replicate the original components they would replace. The proposed project has been structured in a way that helps preserve the overall original appearance and integrity of the Town House, while also taking into consideration the functional needs of building occupants. The Preservation Restriction will ensure that Southborough benefits from the presence of this historic property gracing our Historic Town Center in perpetuity.*

***ARTICLE 21**:* To see if the Town will vote to appropriate $9,950 from the FY22 estimated CPA annual revenue for the Southborough History Museum Condition Assessment for historical purposes as requested by the Southborough Historical Society. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the Direction of the Historical Society and with review by Southborough Facilities Department Director John Parent, the Southborough Historical Society will hire a historical architect to conduct a Condition Assessment of the historic 1859 Flagg School. The assessment will include historic paint research on the building, draw up plans and budgets for the window restoration and other relevant exterior issues such as redesigning the unsafe front and rear stairs which is needed to preserve the building into the 21st century and beyond.*

***ARTICLE 22**:* To see if the Town will vote to appropriate $47,011 from the FY22 estimated CPA annual revenue for the 1.6 mile Peninsula Trail for recreation purposes as requested by the Southborough Trails Committee (STC) with $42,737 in project costs and an additional $4,274 in contingency funding. The STC shall apply for the Massachusetts Department of Conservation and Recreation trails grant for matching funds. In the event the grant funds are not awarded, these CPA funds will be used to provide signage and install required fencing to enable use of the property. Contingency funds only available after approval of the CPC for unexpected costs unforeseen at the time of application. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of the Southborough Trails Committee (STC), said funds will be used for improvements of a 1.6 mile trail segment to close a gap in the 33-mile regional Boroughs Loop Trail (BLT) that connects the trail networks of Marlborough, Northborough, Westborough and Southborough. The trail will also be part of MWRA's Aqueduct Trail system and will serve as a future connection to Framingham's Aqueduct Trail on the east side off Pine Hill Road. The BLT is adjacent to, and intersects with, the Bay Circuit Trail, a 230-mile regional trail extending through 37 communities. Constructing this section of trail will help to close an important trail gap in Southborough and fulfill the town's commitment to complete this initiative. Parking will be available for 2-4 cars at the Rt.30/Central street location. This project consists of two components: • Wayfinding/regulatory interpretive and historical signage • Fencing to enclose the Hosmer Riser. Additionally this funding allows the STC to apply for the Massachusetts DCR trails grant to improve Trail accessibility at Route 30 and Central Street.*

***ARTICLE 23**:* To see if the Town will vote to authorize the Board of Selectmen to dispose of a parcel of land with structures thereon deemed surplus property with no further public purpose, by deed of conveyance, grant or transfer after appraisals have been obtained and upon such terms and conditions as the Board of Selectmen deem appropriate. Said parcel of land being described as follows: 21 Highland Street, having been acquired by deed dated June 26, 1911 and recorded in the Worcester Registry of Deeds at Book 1974, Page 229; or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary: *The former South Union School at 21 Highland Street currently houses the Recreation and Youth & Family Services departments. The building will require some significant maintenance in the coming years, including boiler and roof replacement, and exterior maintenance work which are estimated to cost in excess of $400,000. In consultation with the Capital Planning Committee, the Board of Selectmen have issued a Request for Proposals (RFP) for the disposition of the building and the property (excluding playground equipment), to determine its best value. The results of that bid process will be available in early-May, and will form the basis of the motion to be made in relation to this article.*

ARTICLE 24: To see if the Town will vote to amend the interest rate per annum from 4% to 2% and increase the income limit (gross receipts) from $20,000 to $45,000 under the provisions of Massachusetts General Laws, Chapter 59, §5 (41A) which regulates tax deferral for homeowners 65 years or older pursuant to the authority contained in Chapter 136 of the Acts of 2005 of the General Court thereby amending M.G.L. Ch. 59, §5 (41A), or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN, BOARD OF ASSESSORS & COUNCIL ON AGING
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The senior property tax deferral program, known as Clause 41A, allows people 65 or over to defer their property taxes until their home is sold or conveyed. This article will change the interest rate charged on "deferred tax" liens from the current 4% to 2%. It also will increase the income limits of applicants from $20,000 to $45,000.*

ARTICLE 25: To see if the Town will vote to amend Section 9-24 "Qualification of elected and appointed officials" of the Town Code, by deleting the text in its entirety, and replacing with the following:

"All elected and appointed officials shall be qualified by the Town Clerk within 30 days of their election except where a different period is specified in the General Laws. If an appointed official is not qualified in this period, his/her appointment shall terminate, and the appointing authority shall be so notified by the Town Clerk."

; or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Currently, elected and appointed officials have 15 days to be sworn in by the Town Clerk's office; this article will allow those officials additional time to be sworn in following their appointment or election. The current requirement of 15 days was found to be too limiting, as appointment dates often conflicted with the 4th of July holiday and summer vacations. The Board of Selectmen was having to reappoint certain positions multiple times due to the inability of individuals to be sworn in within the required timeframe.*

ARTICLE 26: To see if the Town will vote to amend the provisions of the Southborough Code, Chapters 41-2 9 entitled Notice of Town Meetings and § 41-26 Availability of Annual Report and Warrant by:

1) Deleting § 41-2 in its entirety and replacing it with:
A. Notice of every Town Meeting shall be given by posting attested copies of the warrant on the Town website, at the Town House, the Southborough Library, the Senior Center and the Transfer Station seven days at least before the time appointed for the Annual Town Meeting and fourteen days at least before the time appointed for a Special Town Meeting.

Creating a new section §41-2.1 entitled Location of Town Meeting
B. The warrant for an annual or special town meeting may specify that the meeting is to be held in a suitable auditorium or other facility in Southborough or in any town contiguous to Southborough. Town Meeting may also vote to adjourn to such a facility if it deems appropriate.

2) Change the Title of Article III from Availability of Annual Report and Warrant to Availability of Annual Report.

3) Strike § 41-26 in its entirety and replace with:
§ 41-26 Availability of Annual Report.
At least fourteen (14) days prior to the Annual Town Meeting, the Selectmen shall place a notice on the town website and on Southborough Access Media advising that copies of the Annual Town Report are available to the public on the town website, at the Southborough Town House, at the Southborough Library and at the Southborough Senior Center.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article would correct the conflicting language in Southborough Code sections 41-2 and 41-26. This article would also allow a Town Meeting to be held in any of the towns contiguous to Southborough. For example, a town meeting could be held at Algonquin Regional High School if the town were unable to hold the meeting in Southborough for any reason.*

ARTICLE 27*:* To see if the Town will accept the provisions of Chapter 41, Sec. 110A of the Massachusetts General Laws "Office hours on Saturday": "Any public office in any city or town may remain closed on any or all Saturdays as may be determined from time to time, in a city by the city council, subject to the provisions of the city charter, or, in a town, by vote of the town at a special or regular town meeting, and the provisions of section nine of chapter four shall apply in the case of such closing of any such office on any Saturday to the same extent as if such Saturday were a legal holiday."

;or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Acceptance of this provision of the General Law would extend a voter registration deadline which occurs on a Saturday to the following Monday.*

ARTICLE 28*:* To see if the Town will vote to adopt the provisions of MGL c.90, Section 17C to allow the Board of Selectmen to reduce the statutory speed limit from 30MPH to 25MPH on any or all town-owned roadways in thickly settled or business district areas, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article provides the Selectmen with the authority to reduce speed limits on certain town-owned streets in the interest of public safety.*

ARTICLE 29: To see if the Town will vote to adopt the provisions of MGL c.90, Section 18B to allow the Board of Selectmen to establish regulatory 20MPH safety zones on public streets within the Town of Southborough in the interest of public safety, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article provides the Selectmen with the authority to establish safety zones on streets in the interest of public safety.*

ARTICLE 30*:* To see if the Town will vote to impose a .75% meals tax on the sales of restaurant meals by accepting Massachusetts General Laws, Chapter 64L, Section 2(a), or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support

Summary: *This article will require all local restaurants to charge an additional .75% in meals tax, which will come back to the Town as unallocated revenue through State Local Aid. Most other communities in our area have adopted this local option as well. The local meals tax has been identified as an additional revenue source to help alleviate increases to residential property taxes.*

ARTICLE 31: To see if the Town will vote to adopt in Chapter 9 of the General Bylaws, Article X to be entitled **"**Southborough Public Accessibility Committee", Sections 9.34 through 9.35 of the Town bylaws, the following:

Article IX Southborough Public Accessibility Committee

§9.34 Purpose

Numerous laws, statutes, policies and regulations require and/or encourage access to facilities, programs and services for all members of the public. These include, but are not limited to:

- The Americans with Disabilities Act of 1990 - 42 U.S.C. ch. 126 § 12101 et seq
- Regulations promulgated by the Massachusetts Architectural Access Board (521 CMR)
- The Voting Accessibility for the Elderly and Handicapped Act of 1984 - P.L. 98-435, 42 U.S.C. §§ 1973ee–1973ee-6
- The Individuals with Disabilities Education Act – 20 U.S.C. §§ 1400 et seq.
- The Rehabilitation Act of 1973 – USC 31-41c, 29 U.S.C. § 701 et seq
- The Architectural Barriers Act - 42 U.S.C. §§ 4151 et seq.
- Massachusetts Employment Law MGL ch 151B
- Massachusetts Public Accommodation Law - MGL ch 272
- Massachusetts Equal Rights Act - MGL Ch. 93 §§ 102
- Massachusetts Constitution Article CXIV (114)
- Massachusetts Service Animals Law – MGL Ch. 272 §§ 98A

Southborough supports a coordinated approach to monitoring and increasing public accessibility and ensuring compliance with local, state and federal requirements. In addition, it is desirable to encourage property owners to consider adopting optional policies that increase accessibility. As more fully described in the remainder of this Article IX, this article establishes a committee that will be responsible for developing and implementing this coordination. It will report on status and progress to the Board of Selectmen and the Town Meeting.

§9.34.A Establishment; Membership; Qualifications

There shall be a Southborough Public Accessibility Committee ("SPAC"), which shall consist of five voting members appointed by the Board of Selectmen, plus the non-voting, ex-officio members identified below. Any non-voting, ex-officio member shall not count toward the calculation of a quorum for the SPAC for voting purposes.

Each voting member shall be a registered voter in the Town and shall not be a Town officer (where a "Town officer" means a Town official who serves in an elected position) or a Town employee (where a "Town employee" is any person holding a non-elected, paid position in the Town other than a volunteer who is deemed a Special Municipal employee solely for the purposes of MGL Chapter 268A).

The Board of Selectmen shall designate a Public Accessibility Coordinator ("Coordinator"), in consultation with the SPAC. The Coordinator shall be responsible for accepting and recording concerns, coordinating reviews, and such other duties as may be assigned.

The Building Commissioner and Coordinator shall be ex-officio members of the SPAC.

§9.34.B Appointments; Terms

Voting members shall be appointed for two-year terms. The initial appointments shall be divided between one and two-year terms, so as to establish overlapping terms.

§9.34.C Organization
The voting SPAC members shall select annually, from among themselves by majority vote, a Chairman and a Secretary.

§9.34.D Funding
The SPAC shall have a budget, as may be approved through the Town's regular budget process, for consultants and other expenses. The SPAC shall submit its projected expenses annually as input to the Town's regular budget process. Any expenditures from the SPAC budget shall require a majority vote of the SPAC, and shall be subject to the Town's policies for such expenditures.

§9.35 Powers and Duties
The SPAC Powers and Duties include, but are not limited to, the following:

- To monitor and enhance the Town's compliance with all applicable laws, statutes, policies, and regulations that require (or encourage) access to facilities, programs and services for all members of the public.
- In coordination with Town officers, departments, and other government entities, to endeavor to ensure that all Town citizens have equal access to:
  - Town government offices and communications
  - Public and commercial buildings
  - Programs
  - Goods and services
  - Transportation
  - Telecommunications, including the internet
  - Recreational facilities and programs
- To review existing and proposed facilities, programs, and projects undertaken by the Town, and to notify the responsible official or entity of its comments. The SPAC may request that other Town officials, committees, departments, and/or entities provide input to these reviews.
- To undertake public outreach and advocacy for accessibility in the Town,
- To periodically, but no less than once per calendar year, report to the Board of Selectmen and the Town Meeting on its activities and findings.
- To provide a mechanism for the public and/or any Town employee to raise concerns about the accessibility of any Town facility, service or program.
- The SPAC (or its designee) shall maintain records of such concerns and their dispositions. To the extent permissible by law, the identities of persons raising such concerns shall be confidential, unless confidentiality is waived by such person.

, or act or do anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article replaces the current ad-hoc Accessibility Compliance Committee with a standing committee. The existing committee was established to address the issues raised by the 1990 Americans with Disabilities Act, and was thought to be needed for a short time. In the time since, regulations in this area have increased and public demand for accessibility has increased. Since the need has persisted for several decades, a standing committee that is not limited to the ADA is the more appropriate construct.*

ARTICLE 32: To see if the Town will vote to amend the provisions of the Southborough Code, Section 9.8 and 9.12 thereof, as follows:

§ 9-8 Establishment; membership; residence requirements. [Amended 4-12-1999 STM by Art. 1; 10-21-2002 STM by Art. 7; 4-15-2008 ATM by Art. 34]
There shall be an Advisory Committee, which shall consist of nine voters of the Town. No member shall be appointed who is a Town officer, employee or member of another Town committee, appointed or elected; provided, however,

that an Advisory Committee member may ~~belong~~be appointed to: a) one ad hoc committee that is appointed by an elected board or official, or b) one other committee appointed by the Moderator, or c) one committee chartered to consider capital appropriations under the following restrictions:

A. The Advisory member's ~~participation~~ appointment is approved in advance by majority vote of the Advisory Committee excluding the member desiring to participate in the above committees.

B. The Advisory member may not vote or be counted for purposes of a quorum during Advisory meetings when matters subject to ~~the jurisdiction of~~consideration by the above other committees are ~~presented to~~ considered by the Advisory Committee.

§ 9-12. Appointment of Chairman and Secretary.
Said Committee shall choose from its membership a Chairman, a Vice-Chairman and a Secretary.

, or act or do anything in relation thereto.

Proposed by: ADVISORY COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The proposed article makes the following changes to the current Advisory by-law:*

§ 9-8 - Proposed article (1) reduces the number of members on the Advisory committee from nine to seven; (2) allows Advisory committee members to sit on a standing committee whose purpose is to consider capital appropriations and (3) allows all Advisory committee members to count toward a meeting quorum even when other committee matters are being considered and Advisory members also sit on that other committee. Advisory members who sit on the other committees must recuse themselves from any discussion or votes taken regarding the other committees' subject matters.

§ 9-12 –Proposed article adds the office of Vice-Chairman.

ARTICLE 33: To see if the Town will vote to adopt in Chapter 9 of the General Bylaws, a new Article IX to be entitled "Capital Improvement and Planning Committee", Sections 9-30 through 9-33 the following:

§ 9-30 Purpose.
As more fully described in the remainder of this Article IX, this article establishes a committee that will be responsible for creating and maintaining a rolling ten-year Capital Plan across all government entities and will ensure consistent interpretation and execution of that plan. The Committee will work in collaboration with the various government entities that propose capital expenditures. It will report on the plan to the Town Meeting and advise Town Meeting on proposed capital expenditures.

§ 9-30.1 Establishment; membership; qualifications.
A.
There shall be a Capital Improvement and Planning Committee ("CIPC"), which shall consist of seven voting members and the two nonvoting ex-officio members identified below.
B.
Each voting member shall be a resident of the Town.
C.
The voting members shall be appointed by the Board of Selectmen.
D.
One appointed member should be a member of the Board of Selectmen and one member should be a member of the Advisory Committee.
E.
At no time should any elected or appointed board, committee or commission have more than one representative that also is appointed to CIPC.
F.

The Town Administrator and Finance Director shall be appointed as ex-officio members and may be nonresident Town employees. The Town Administrator or Finance Director, after collaboration with the Board of Selectmen as appointing authority, may recommend that another member of the town's finance team (treasurer, assessor, or accounting departments) serve as ex-officio in their place.

§ 9-30.2 Appointments; terms; vacancies; removal.

A.

Voting members shall be appointed for three-year terms. The initial appointments shall be three members for three years, two members for two years, and two members for one year, so as to establish overlapping terms. For subsequent appointments, the appointing authority shall request that the CIPC review the qualifications of prospective appointees, but the final determination of who is selected shall rest with the appointing authority.

§ 9-30.3 Organization; meetings.

A.

The members shall select, from among themselves, a Chairperson, Vice Chairperson and a Clerk.

B.

The CIPC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.

C.

All reports and recommendations of the CIPC made to the Town shall be voted by a majority of the voting members of the CIPC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the nonvoting members.

§ 9-30.4 Funding.

The CIPC shall have a budget or warrant article for consultants and other expenses. It shall submit its projected expenses to the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the CIPC, and be subject to the Town's policies for such expenditures.

§ 9-31 Functions and definitions.

A.

Work with Town Finance Team to maintain town's 10-year capital plan. This will be achieved by regular meetings and discussions with Town Departments, Boards, and Committees that will put forward requests for Capital Funding as part of an Annual or Special Town Meeting. While this Committee will have no oversight of the annual operating budget, they need to be aware and receive regular updates of the operating budgets and other revolving or enterprise funds to ensure that capital needs are considered in an appropriate order and timing.

B.

The CIPC shall follow any capital or other financial policies adopted by the town and provide regular feedback for any potential improvements or enhancements to these policies.

§ 9-32 Project Oversight.

A.

In the absence of a formal building committee for a specific project, CIPC will serve as point of initial approval for all project expenses, change orders, and invoices. Projects falling under the oversight of the CIPC will specifically be decided as part of or immediately following any Town Meeting appropriation by a vote of the Board of Selectmen.

B.

If any elected board decides to have a separate Building Committee for any specific project, then at least one member but not more than two members of the CIPC shall be appointed.

§ 9-33 Reports

A.

Prior to any annual or special town meeting, CIPC shall provide a recommendation on any capital article to appear on the warrant. This recommendation should be communicated to both the Board of Selectmen and Advisory Committee.

, or act or do anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Capital Planning Committee has been an ad-hoc committee since March 2020. Since that time, the Committee has advised the Board of Selectmen on capital expenditures for Town Meeting, and worked collaboratively with the Finance Director and Town Administrator on the overall capital plan and funding/financing options for capital projects. Given the intention for the Committee to continue their work each year as part of the budget process, the Board of Selectmen agreed that the Committee should operate as a standing committee under the Town bylaws.*

ARTICLE 34: To see if the Town will vote to amend the Zoning Code of the Town of Southborough, Zoning Article I entitled "Miscellaneous Provisions" and Article V entitled "Nonconforming Uses and Structures" by amending thereto Section 174-9 entitled "Special Permit Requirements" and 174-19 entitled "Extensions" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

Article I: Miscellaneous provisions
§ 174-9 Special permit requirements.
[Amended 4-14-1986 ATM by Art. 46]

E. Nonconforming uses, lots and structures. Special permits may be issued for the extension**,** ~~or~~ alteration**, reconstruction or structural change** of legally nonconforming uses, structures and lots, including a change in the non-conforming use to another non-conforming use, provided that the Board of Appeals finds that such extension, alteration**, reconstruction** or **structural** change shall not be substantially more detrimental to the neighborhood, will not increase the extent of non-conformance in size or in impact and that the cost thereof shall not exceed 50% of the assessed value of the non-conforming structure at the time of application, and further provided that the estimate of the cost of any extension~~, or~~ alteration**, reconstruction or structural change** utilized by the Board of Appeals in evaluating the above specified 50% requirement of the assessed value shall not be less than a cost estimate of such extension~~, or~~ alteration**, reconstruction or structural change** based on a nationally recognized building cost estimate manual or system acceptable to the Zoning Board of Appeals. ~~No special permits under this subsection shall be granted for nonconforming signs subject to Chapter 93 or 93D of the General Laws.~~
[Amended 4-15-2008 ATM by Art. 38]

§ 174-19 **Extensions,** ~~or~~ alterations**, reconstruction or structural changes.**
[Amended 4-10-2000 ATM by Art. 55]

A. Nonconforming structures or uses shall not be extended**,** ~~or~~ altered**, reconstructed or structural changes made** except to make them conforming~~,~~ unless the Board of Appeals authorizes such extension**,** ~~or~~ alteration**, reconstruction or structural change** by special permit upon making findings as provided in § 174-9E.

B. ~~Single family and two family residential structures. In the following circumstances,~~ **Notwithstanding the provisions of Section A above, as provided in M.G.L. c.40A, § 6, if any proposed extension, alteration**, reconstruction**,** ~~extension~~ or structural change to a single or two-family residential **structure complies with one of the conditions set forth in subsections (1) through (5) below, such extension, alteration, reconstruction or structural change** ~~structure~~ shall not be considered an increase in the non-conforming nature of the structure and shall be permitted as of right.
[Amended 10-7-2013 STM by Art. 9]

(1) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which complies with all current setbacks, lot coverage and building height requirements but is located on a lot with insufficient area~~,~~ where the alteration will also comply with all of said current requirements.~~;~~

(2) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which complies with all current setbacks, lot coverage and building height requirements but is located on a lot with insufficient frontage~~,~~ where the alteration will also comply with all of said current requirements.~~;~~

(3) **Extension, a**~~A~~lteration**, reconstruction or structural change** to a structure which encroaches upon one or more required setbacks~~,~~ where the alteration will comply with all current setbacks, open lot coverage and building height requirements. The provisions of this s~~S~~ubsection ~~B (3)~~ shall apply regardless of whether the lot complies with current area and frontage requirements.

(4) Extension, alteration, reconstruction or structural change to the rear, side or fascia of a structure which encroaches upon a required yard or setback area where the alteration will not encroach upon such area to a distance greater than the existing structure. The provisions of this subsection shall apply regardless of whether the lot complies with current area and frontage requirements.

(5) Extension, alteration, reconstruction or structural change to a non-conforming structure which will not increase the footprint of the existing structure providing that existing height restrictions shall not be exceeded.

In the event that the Building Commissioner determines that none of the exemptions set forth in subsections (1) through (5) apply, and the Building Commissioner determines that the non-conforming nature of such structure would be increased by the proposed extension, alteration, reconstruction or structural change, then the Board of Appeals may, by special permit, allow such extension, alteration, reconstruction or structural change where the proposed modification will not be substantially detrimental than the existing non-conforming structure to the neighborhood.

; or do or act anything in relation thereto.

Proposed by: ZONING BOARD OF APPEALS
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary: *This article proposes to amend the Special Permit Requirements and Exemptions by the addition of language for the purpose of clarity and the inclusion of exemptions to comply with current case law.*

***ARTICLE 35**:* To see if the Town will vote to amend the Zoning Code of the Town of Southborough Article III entitled "Use Regulations" by replacing thereto Section 174-12.1 thereof entitled "Outdoor illumination" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

§ 174-12.1. Outdoor illumination. [Added 4-11-2005 ATM by Art. 40]

A. Purpose. This section recognizes the benefits of outdoor lighting and provides clear guidelines for its installation, so as to help maintain and complement Southborough's character. The intent of this section is to:

(1) encourage lighting that provides safety, utility and security, **productivity, enjoyment and commerce;**

(2) prevent glare on public roadways;

(3) protect the privacy of residents;

(4) promote energy-efficient outdoor lighting;

(5) limit the total allowable illumination of lots located in the Town of Southborough; ~~to reduce atmospheric light pollution~~.

(6) minimize adverse offsite impact such as light trespass, and obtrusive light;

(7) curtail light pollution and reduce skyglow to create a healthy night-time environment for residents of Southborough

The Planning Board is authorized to promulgate rules and regulations to carry forth the purpose and intent of these Bylaw provisions. Appropriately regulated, and properly installed, outdoor lighting will contribute to the safety and welfare of the residents of Southborough.

B. Applicability. Outdoor illumination by flood or spot luminaries rated at 900 lumens or more (which is approximately equal to one sixty-watt incandescent light bulb) or by any other luminaires rated at 1,800 lumens or more (which is approximately equal to one one-hundred-twenty-watt incandescent light bulb) shall be subject to the provisions of this section **including application to single and two-family residential lots**, with the following exceptions:

(1) emergency lighting;

(2) hazard warning;

(3) temporary decorative or holiday lighting ~~or public roadway illumination~~.

It shall also not apply to any luminaire intended solely to illuminate any freestanding sign, flag or the walls of any building, but such luminaire shall be shielded so that its direct light is confined to the surface of such sign, flag or building.

~~(1) The replacement of existing fixtures shall be subject to the provisions of this section; however, the replacement of existing nonconforming lamps or fixtures with the same or lower output nonconforming lamps or fixtures is exempted.~~

The replacement of fixtures or luminaires shall be subject to the provisions of this section and comply with guidance outlined in the Rules and Regulations for Outdoor Illumination maintained by the Planning Board. Non-conforming fixtures or luminaires requiring replacement for any reason (including but not limited to end of life, breakdown, vandalism) shall be replaced in compliance with this Bylaw.

~~(2)~~ The Planning Board, in performing review pursuant to § 174-10, Site plan approval, may determine that special circumstances of the site, context or design make an alternative lighting design at least equally effective in meeting the purposes of this section and, in such cases, may modify the requirements of this section.

C. Enforcement. Violations of this Bylaw shall be subject to the provisions of the Town of Southborough Article VI entitled "Administration" Section 174-24 thereof entitled "Enforcement; procedures; violations and penalties."

D. Definitions. For the purposes of this section, the following terms shall be defined as indicated below. Although set forth here for convenience, the terms shall have the same effect as if in § 174-2 of this Bylaw.

BACKLIGHT

For an exterior luminaire is the 90-degree quarter-sphere located behind and below the light source. For luminaires with symmetric distribution, backlight will be the same as front light.

BUG RATING

A luminaire classification system that classifies backlight (B), uplight (U), and glare (G) per IES TM-15-11.

CORRELATED COLOR TEMPERATURE (CCT)

A specification of the color appearance of the light emitted by a lamp, relating its color to the color of light from a reference source when heated to a particular temperature, measured in degrees Kelvin (K).

FIXTURE

The assembly that houses a lamp or lamps, and which may include a housing, a mounting bracket or pole socket, a lamp holder, a ballast, a reflector or mirror, and/or a refractor, lens or diffuser lens.

FRONTLIGHT

For an exterior luminaire is the 90-degree quarter-sphere located in front and below the luminaire.

FULL CUTOFF

A luminaire designed with an opaque shield surrounding and extending below the lamp, such that no direct light is emitted above a horizontal plane.

FULLY SHIELDED LUMINAIRE

A luminaire constructed and installed in such a manner that all light emitted by the luminaire, either directly from the lamp or a diffusing element, or indirectly by reflection or refraction from any part of the luminaire, is projected below the horizontal plane through the luminaire's lowest light-emitting part.

GLARE

Light emitted from a luminaire with intensity great enough to produce annoyance, discomfort or a reduction in a viewer's ability to see, and in extreme cases causing momentary blindness.

HARDSCAPE

Permanent hardscape improvements to the site including parking lots, drives, entrances, curbs, ramps, stairs, steps, medians, walkways, and non-vegetated landscaping that is 100 feet or less in width. Materials may include but are not limited to concrete, asphalt, stone, and gravel.

INDIRECT LIGHT

Light scatter caused by direct light being redirected from a surface.

LAMP

The component of a luminaire that produces the actual light.

LED (Light Emitting Diode) LAMP

An electric lamp with a much longer lifespan than incandescent lighting and low energy consumption.

LIGHT TRESPASS

The shining of direct **or indirect** light produced by a luminaire beyond the boundaries of the lot on which it is located.

LUMEN

A measure of light energy generated by a light source. One footcandle is one lumen per square foot. For purposes of this bylaw, the lumen output shall be the initial lumen output of a lamp, as rated by the manufacturer.

LUMINAIRE

A complete lighting ~~system, including a lamp or lamps and a fixture.~~ **unit (fixture), consisting of a lamp, or lamps and ballast(s) (when applicable), together with the parts designed to distribute the light (reflector, lens, diffuser), to position and protect the lamps, and to connect the lamps to the power supply.**

LUMINAIRE LUMENS

For luminaires with relative photometry per Illuminating Engineering Society (IES), it is calculated as the sum of the initial lamp lumens for all lamps within an individual luminaire, multiplied by the luminaire efficiency. If the efficiency is not known for a residential luminaire, assume 70%. For luminaires with absolute photometry per IES LM-79, it is the total luminaire lumens. The lumen rating of a luminaire assumes the lamp or luminaire is new and has not depreciated in light output.

MOUNTING HEIGHT

The height of the photometric center of a luminaire in feet above grade level. Feet above grade level refers to the overall average grade of the area being illuminated.

UPLIGHT

For an exterior luminaire is all of the light escaping above the luminaire.

E. Lighting zones. The Lighting Zone shall determine the limitations for lighting as specified in this section.

LZ-0: No ambient lighting

Areas where the natural environment will be seriously and adversely affected by lighting. Impacts include disturbing the biological cycles of flora and fauna and/or detracting from human enjoyment and appreciation of the natural environment. Human activity is subordinate in importance to nature.

The vision of human residents and users is adapted to the darkness, and they expect to see little or no lighting. When not needed, lighting should be extinguished.

Zoning Districts: Conservation and Research, Scientific & Professional

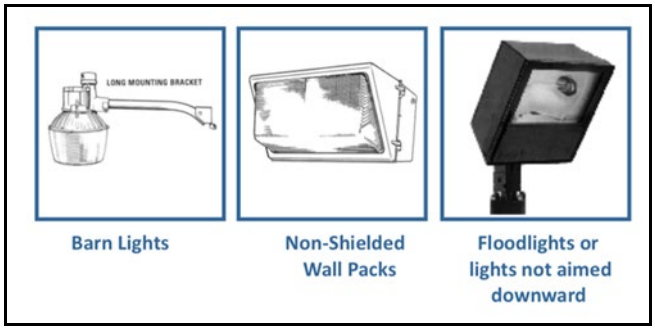
LZ-1: Low ambient lighting

Areas where lighting might adversely affect flora and fauna or disturb the character of the area. The vision of human residents and users is adapted to low light levels. Lighting may be used for safety and convenience but it is not necessarily uniform or continuous. After curfew, most lighting should be extinguished or reduced as activity levels decline.

Zoning Districts: Residence A and Residence B

LZ-2: Moderate ambient lighting

Areas of human activity where the vision of human residents and users is adapted to moderate light levels. Lighting may typically be used for safety and convenience, but it is not necessarily uniform or continuous. After curfew, lighting may be extinguished or reduced as activity levels decline.



Zoning Districts: Business Village

LZ-3: Moderately high ambient lighting

Areas of human activity where the vision of human residents and users is adapted to moderately high light levels. Lighting is generally desired for safety, security and/or convenience and it is often uniform and/or continuous. After curfew, lighting may be extinguished or reduced in most areas as activity levels decline.

Zoning Districts: Business Highway, Industrial and Industrial Park

Non-shielded wall-packs, barn lights, and floodlights not aimed downward are prohibited in all zones.

F. Total site lumen limit. The total installed initial luminaire lumens of all outdoor lighting shall not exceed the total site lumen limit. The total site lumen limit shall be determined using the hardscape area and table below. For sites with existing lighting, existing lighting shall be included in the calculation of total installed lumens. The total installed initial luminaire lumens are calculated as the sum of the initial luminaire lumens for all luminaires.

Table 1: Allowed Total Initial Lumens Per Site for Outdoor Lighting by Hardscape Method

LZ-0	LZ-1	LZ-2	LZ-3
• Conservation • Research, Scientific & Professional	• Residential A • Residential B	• Business Village	• Business Highway • Industrial • Industrial Park
0.5 lumens per SF of hardscape	1.25 lumens per SF of hardscape	2.5 lumens per SF of hardscape	5.0 lumens per SF of hardscape

G. Correlated Color Temperature (CCT). All proposed LEDs shall have a correlated color temperature (CCT) between 2200K and 3000K.

H. Exterior lighting plan. Applications subject to the provisions of § 174-10, Site plan approval, shall submit a lighting plan which shall include the following information, except to the extent waived by the Planning Board. All other lighting not subject to the provisions of said § 174-10 does not require a lighting plan but shall meet the standards as set forth in this **Bylaw** ~~section~~, unless as may otherwise be provided herein. **The installation of fixtures or luminaires shall be subject to the provisions of this bylaw and comply with guidance outlined in the Rules and Regulations for Outdoor Illumination maintained by the Planning Board. The** lighting plan shall include the following information **and comply with the regulations adopted pursuant to this Bylaw**:

(1) Location, orientation and type of outdoor luminaire, including the height of the luminaire, both existing and proposed;

(2) Type of lamp, such as metal halide, compact fluorescent, high pressure sodium**, LED;**

(3) Luminaire manufacturer's specification data, including lumen output and photometric data showing cutoff angles, as well as a description of all illuminating devices, fixtures, lamps, supports, reflectors, both existing and proposed; this may include, but is not limited to, catalog cuts and illustrations by manufacturers;

(4) Complete report of BUG rating data for all luminaires (if not already included in the manufacturer's specification data) calculated from photometric data (as per IES TM-15-11) showing compliance with the Planning Board Rules and Regulations for Outdoor Illumination;

(5) Photometric plan showing the intensity of illumination expressed in footcandles at ground level within the interior of the property and at the property boundaries **that also includes the Total Site Lumen Limit; Limits to Off Site Impact; Light Shielding for LED lighting; and the Correlated Color Temperature; according to adopted regulations;**

(6) Evidence that the plan complies with light trespass restrictions as set forth herein.

I. Waivers. An applicant may make a waiver request to the Planning Board for increased lighting levels within any given lighting zone and the Planning Board shall have such waiver authority hereunder.

J. Lighting control requirements. Automatic switch controls shall be provided that automatically extinguish all outdoor lighting when sufficient daylight is available using a control device or system such as a photoelectric switch, astronomic time switch or equivalent functions from a programmable lighting controller, building automation system or lighting energy management system, all with battery or similar backup power or device. The Exterior Lighting Plan shall establish curfew time(s) after which total outdoor lighting lumens shall be reduced by at least 30% or extinguished. Lighting reductions are not required for any of the following:

(1) Lighting for residential properties including multiple residential properties not having common areas; with the exception of landscape lighting

(2) When the outdoor lighting consists of only one luminaire.

(3) Code required lighting for steps, stairs, walkways, and building entrances.

(4) Lighting under canopies, in tunnels, parking garages, and similar conditions.

(5) When in the opinion of the Planning Board, lighting levels must be maintained.

(6) Motion activated lighting.

(7) Lighting regulated by special use in which times of operation are specifically identified.

(8) Businesses that operate on a 24-hour basis.

K. Community outdoor sports/recreational lighting requirements. These requirements are an exemption from the total site lumen limit based on hardscape metrics. Community outdoor sports or recreational facilities

will be held to the IDA, IES criteria for outdoor sports lighting. On-field illuminance values will be determined by current IDA, IES set forth in the Rules and Regulations for Outdoor Illumination adopted to implement the intent and purpose of this bylaw. Standard regulations include:

(1) Color, luminaire correlated color temperature (CCT) may not exceed 5700 Kelvin;

(2) Other lighting, parking and concession area lighting will be considered a separate luminaire system and must meet the applicable lighting standards for the relevant lighting zones;

(3) Shut-off, curfew time shall be no later than 10:00PM (2200 hrs.); for good cause shown, the Planning Board may waive the compliance requirement of this subsection.

L. Street lights. Light emitted by the fixture shall have a correlated color temperature no greater than 3000 Kelvin and/or comply with Massachusetts DPU Tariff standards if applicable. All other street light features are exempt from regulation under this bylaw.

M. Light shielding for parking lot illumination. All parking lot lighting shall have no light emitted above 90 degrees from the installed vertical axis.

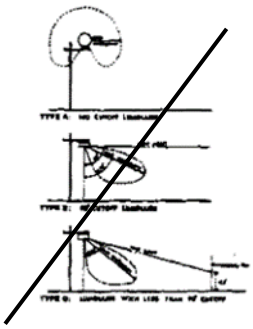
N. Flickering and flashing lights. No flickering or flashing lights shall be permitted. Processes, such as arc welding, which create light flashes shall be confined within buildings or shielded to prevent either direct glare or flashing.

O. Fixture mounting heights.

(1) ~~F.~~ Wall-mounted fixtures. In nonresidential districts, a luminaire attached to the exterior of a building or structure for area lighting shall be mounted no higher than 15 feet above grade and shall be shielded to control glare. ~~"Wal-pac" lighting fixtures are prohibited.~~

(2) ~~P.~~ Pole-mounted fixtures. Pole-mounted exterior lighting fixtures **shall not exceed the pole-mounted height limitation of 20 feet in all zones.** ~~types are defined and restricted as follows:~~

Existing non-conforming light heights may remain as mounted until modification is proposed, at which time the height must be brought into compliance.



~~(1) Type A: no light cutoff.~~

~~(2) Type B: luminaire shielded such that peak candlepower is at an angle of 75° or less from straight down, and essentially no light is emitted above the horizontal.~~

~~(3) Type C: luminaire shielded such that total cutoff is at less than 90° from straight down, and no light source is in direct view of an observer five feet above the ground at any point off the premises.~~

~~H. Pole-mounted fixtures height limitation. Illustrations of pole-mounted exterior lighting fixture types are shown in Chart I herein. Pole-mounted fixtures shall not exceed the applicable pole-mounted height limitation set forth in Chart II in any district. The Type A pole-mounted exterior lighting fixture is prohibited in all nonresidential districts, unless equipped with shields.~~

~~CHART I. ILLUSTRATIONS~~

~~Fixture Type B~~	~~15~~	~~20~~
~~Fixture Type C~~	~~20~~	~~20~~

~~* Note: Feet above grade refers to the overall average grade of the area being illuminated.~~

P. Ceiling-mounted fixtures. In nonresidential districts, luminaires mounted on an exterior ceiling such as under a canopy shall be mounted with the refractor or lens flush with or recessed in the ceiling or fixture.

Q. Lighting levels. Any luminaire with a lamp or lamps rated at a total of 1**,**800 lumens or more (which is approximately equal to one one-hundred-twenty-watt incandescent light bulb) and all flood or spot luminaires rated at 900 lumens or more (which is approximately equal to one 60-watt incandescent light bulb) shall not emit any direct light above a horizontal plane through the lowest direct-light-emitting part of the luminaire. If any spot or flood luminaire rated 900 lumens or less is directed or focused such as to cause direct light from the luminaire to be cast toward residential buildings on adjacent or nearby land, or to create glare perceptible to persons operating motor vehicles on public ways, the luminaire shall be redirected or its light output controlled as necessary to eliminate such conditions. The Planning Board reserves the right to limit and regulate the amount of illumination on a project site between the hours of 10:00 p.m. and 6:00 a.m., while understanding the need for safety and security lighting.

R. Light trespass limitations. There shall be no light trespass by a luminaire beyond the property boundaries of the lot on which it is located, except as within a street right-of-way for which there shall be no limit.

; or do or act anything in relation thereto

Proposed by: PLANNING BOARD
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: At Town Meeting

Summary: *The article proposes to replace the current language in Section 174-12.1 Outdoor illumination with new language to reduce blue lighting and increase public health based on recommendations from the American Medical Association and the International Dark-sky Association.*

***ARTICLE 36**:* To see if the Town will vote to amend the Zoning Code of the Town of Southborough, Article III entitled "Use Regulations" by amending thereto Section 174-10, entitled "Site Plan Approval" as hereinafter specified.

****Bold text are insertions. Strikethrough text are deletions.*

§ 174-10. Site plan approval.

[Amended 4-8-1985 ATM by Art. 39; 4-14-1986 ATM by Art. 48; 4-13-1987 ATM by Art. 43; 4-11-1988 STM by Art. 4; 4-26-1990 ATM by Art. 41]

A. The purpose of the site plan review procedure is to encourage a desirable and compatible character of development within the Town of Southborough and to assure safety, promote logic, imagination and innovation

in the design process while complying with all zoning requirements. The requirements of this section shall be applicable to the following:

(1) Any nonresidential development that results in an increase in on-site parking.

(2) All modifications to existing development projects which fall within the applicability of the Town's regulations for parking and loading (§ 174-12) or landscaping (§ 174-13).

(3) Any change in use or reactivation of a facility that has not been in use for a period of two years.
[Added 4-8-1996 ATM by Art. 51]

(4) Multifamily housing for the elderly.
[Added 4-15-1997 ATM by Art. 56]

(5) Adaptive reuse of historic buildings.
[Added 4-25-2017 ATM by Art. 30]

B. Site plan review will be processed by one of the following means:

(1) Minor plan review. Any new development, or expansion in use other than a single-family or two-family residence which adds less than 2,000 square feet of floor area or which would require at least five but fewer than 20 parking spaces regardless of the number of parking spaces existing on the premises, or any change of use of a facility that totals less than 2,000 square feet shall be subject to minor plan review by the **Planning Board** ~~Site Plan Review Committee. The Site Plan Review Committee shall be chaired by the Town Planner and will consist of a Selectmen or its designee, Building Inspector, Highway Superintendent, Board of Health Agent, Superintendent of the Water Department, Police Chief and Fire Chief or their designee, who will meet at a regularly scheduled time and place to review plans.~~ The **Planning Board** ~~Committee~~ shall also seek the advice of the Conservation Commission in the review of all minor plan submissions.
[Amended 4-8-1996 ATM by Art. 51]

(a) ~~Minor plan review will require 10 copies of the site plan to be submitted to the office of the Planning Board, together with an application form and filing fee.~~ **A complete application form, filing fee and multiple copies of all submission documents shall be submitted to the office of the Planning Board according to instructions on the application form.** All plans will be prepared at a scale no greater than one-inch equals 40 feet on standard twenty-four-by-thirty-six-inch sheets and shall show, as a minimum:

[1] All existing and proposed buildings, including setbacks.

[2] Existing and proposed parking.

[3] Driveway openings.

[4] All property and street lines.

[5] Existing and proposed landscaping.

[6] Existing and proposed signs.

[7] Surfacing, indicating treatment of all surfaces.

[8] Location of all wetlands.

[9] Method of sewage disposal.

[10] Water supply.

[11] Stormwater drainage.

[12] Such other information as the **Planning Board** ~~Site Plan Review Committee~~ may reasonably request.

~~(b) Any dispute arising from the minor plan review process or any plan not receiving unanimous approval from the Site Plan Review Committee shall be referred to the Planning Board for action. The Committee may also refer any site plan that, due to unusual circumstances or a unique situation, it feels should be approved by the Planning Board. All site plans sent to the Planning Board by the Site Plan Review Committee for action will be handled through the minor plan review process.~~
~~[Amended 4-8-1996 ATM by Art. 51]~~

(b) Minor site plan is not a public hearing.

(c) The **Planning Board** ~~Site Plan Review Committee~~ shall approve, **or** disapprove ~~or refer to the Planning Board~~ all submittals for minor **site** plan review within **the required** 30 days of a completed application to the office of the Planning Board**, but the required time may be extended by written agreement between the applicant and the Board, a copy of said agreement to be filed with the Town Clerk. The actions allowed by the minor site plan approval are authorized for a one-year period from the date of grant thereof. The applicant shall be granted a single one-year extension by applying to the Planning Board, in writing, prior to the date of expiration. If the actions permitted are not exercised or the approval not extended, they shall lapse, and a new application will be required.**

(d) Where applicable, all other criteria and conditions of this section will govern minor plan review.

(2) Major plan review. Any new development, or expansion in use other than a single-family or two-family residence which adds 2,000 square feet or more of floor area or which would require 20 or more parking spaces, regardless of the number of parking spaces existing on the premises, or any change of use of a facility that totals 2,000 square feet or more shall be subject to major plan review by the Planning Board. The major site plan submission shall consist of the following elements:
[Amended 4-8-1996 ATM by Art. 51]

(a) Ownership, zoning, use and the general location of structure and topography within 300 feet of the property lines of the site or adjacent land contiguously owned with the site.

(b) All **plans will be prepared at a scale no greater than one-inch equals 40 feet on standard twenty-four-by-thirty-six-inch sheets and shall show, as a minimum, all** site features, existing or proposed, including but not limited to the following:

[1] Driveways, including widths.
[2] Parking facilities, including dimensions thereof.
[3] Loading facilities.
[4] Service areas.
[5] Street line, including widths.
[6 Roadways, including widths.
[7] Pedestrian walks, including widths and types of surface.
[8] Landscaping designation, specific plantings.
[9] Screening.
[10] Signs, including proposed sizes, mounting heights, types and drafted design.
[11] Lighting, including plan location and detail information, size, type and wattage.
[12] Surfacing, indicating treatment of all surfaces.
[13] Existing trees on the site which are a caliper of six inches or larger.
[14] Wetlands.
[15] Drainage, including detailed design data, pipe sizing, etc.
[16] Stone walls.
[17] Topography at two-foot contour intervals.
[18] Sewage disposal, including detailed design information.
[19] Water supply.
[20] Curbing.
[21] Such other information as the Planning Board may reasonably request.

(c) The construction of the work as detailed on the site plan shall not deviate from the work shown on the approved site plan. Accordingly, the site plan shall contain a sufficient level of detail to ensure the constructability of the project. Supporting details and documentation shall be presented as part of the

site plan submission. **Suitable space to record action of the Planning Board including signature lines shall be provided on each plan sheet.**

(3) Incomplete applications for both the minor and major review shall not be accepted by the Planning Board. Following submission of a site plan to the Planning Board, the Board or its designee shall review the **application**/plan for completeness within three business days of the submission. Completeness shall be based on the requirements of **the** ~~this~~ **respective** subsection**s for minor or major review.** If the submission is determined incomplete by the Planning Board or its agent, notice will be **provided** ~~mailed~~ to the applicant ~~by certified mail~~ within three business days of the submission specifying the deficiencies.

C. The plan**s for minor or major site plan approval** shall be prepared by a professional engineer, land surveyor, architect or landscape architect registered to practice in the Commonwealth of Massachusetts**. A complete application form, filing fee and multiple copies of all submission documents shall be submitted to the office of the Planning Board according to instructions on the application form.** ~~and shall be submitted with 11 copies to the office of the Planning Board, together with an application form and a filing fee, if any.~~

D. Approval required.

(1) Site plan approval shall be granted **by a majority vote** upon determination by the Planning Board that the following are complied with. Any new building construction or other site alteration shall provide adequate access to each structure for fire and service equipment**; shall provide** ~~and~~ adequate provision for utilities and stormwater drainage consistent with the functional requirements of the Southborough Planning Board's Rules and Regulations for the Subdivision of Land**;** ~~and~~ shall be so designed that for the given location, ~~and~~ type and extent of land use, the design of building form, building location, egress points, grading and other elements of the development shall be so as to:

(a) Minimize the volume of cut and fill, the number of removed trees six inches in caliper and larger, the length of removed stone walls, the area of wetland vegetation displaced, the extent of stormwater flow increase from the site, soil erosion and the threat of air or water pollution.

(b) Maximize pedestrian and vehicular safety and convenience within the site and egressing from it.

(c) Minimize obstruction of scenic views from publicly accessible locations.

(d) Minimize visual intrusion by minimizing the visibility of parking, storage or other outdoor service areas viewed from public ways or premises residentially used or zoned; minimizing glare from headlights through plantings or other screening; minimizing lighting intrusion through use of such devices as cutoff luminaires confining direct rays to the site; fixture mounting height not higher than 20 feet ~~except adjacent to Route 9~~; and avoiding unreasonable departure from the character of building**s** in the vicinity.

(2) The Planning Board shall adopt and from time to time amend reasonable regulations for the administration of these guidelines.

E. The Planning Board shall hold a public hearing on the application for **major** site plan approval, with a written notice of the time and place of said hearing being given the applicant and the Board of Selectmen. The applicant is responsible for sending this notice to the certified abutters by certified mail return receipt requested, at least 10 days before the scheduled hearing. The Planning Board shall not act on the application until it has received and given due consideration to the recommendations of the Board of Selectmen or until 10 days have elapsed after the public hearing without receipt of the Selectmen's comments.

F. The Planning Board shall act on **a** ~~an~~ **complete** application for **major** site plan approval and shall notify, in writing, the applicant, the Board of Selectmen and the Building **Commissioner** ~~Inspector~~ of its action within 60 days of the receipt of **a** ~~the~~ **complete** application **filed with the Town Clerk, but the required time may be extended by written agreement between the applicant and the Board, a copy of said agreement to be filed with the Town Clerk.** ~~Failure of the Planning Board to so act and to notify the applicant within said 60 days shall constitute approval of the site plan.~~ **Upon site plan approval, applicant shall provide final plan sets for Planning Board endorsement, followed by a digital copy after Planning Board signatures.** The actions

allowed by the **major** site plan approval are authorized for a one-year period from the date of grant thereof. The applicant shall be granted a single one-year extension by applying to the Planning Board, in writing, prior to the date of expiration. If the actions permitted are not exercised or the approval not extended, they shall lapse, and a new application, notice and hearing will be required.

G. Any person aggrieved by the action of the Planning Board on ~~a~~ **either minor or major** site plan approval application may appeal said action to a Court of competent jurisdiction in accordance with M.G.L. c.40A, Section 17**, as amended. No action shall take effect until twenty days have lapsed after the decision has been filed in the office of the Town Clerk and any appeals have been resolved.**
[Amended 5-22-2018 STM by Art. 3]

H. Minor departures from the site plan as approved**,** may be authorized by the Building **Commissioner** ~~Inspector~~ after approval of the **Planning Board** ~~Site Plan Review Committee~~ if required by engineering or other circumstances not foreseen at the time of plan approval. Any change increasing the size of any building or structure, changing the location of any building, parking or access road by more than 10 feet or reducing landscaping or screening **or increase to site lighting levels** may be made only through review by the Planning Board following the same procedures as for an original submittal. Any departure must be requested, in writing, with the basis for the change given. Any change authorized shall be recorded on the file copy of the site plan with the Building **Commissioner** ~~Inspector~~s signature and the date.

I. The removal, fill or change of grade of earth materials, including soil, loam, sand or gravel, undertaken in order to construct or locate buildings, structures and such features accessory thereto as ways, driveways, areaways, walks or parking areas, and therefore exempt from regulations under Chapter 85 of this Code, is a part of construction and development process regulated by the Zoning Chapter. Except as necessary for the construction of detached one- or two-family dwellings and of features accessory thereto, the removal, fill or change of grade of earth materials for the purposes defined above shall be subject to approval under this section. Where the commencement of removal, fill or change of grade of earth materials precedes construction by three months or more, the submission and approval of the site plan may be undertaken in two stages, with the information for the first stage limited to property boundaries, existing and proposed topography at two-foot or lesser contour intervals, the character of the soil to be removed, added or relocated, the location and depth of any service and drainage conduits or pipes and the approximate location of any existing or proposed buildings, structures or physical features accessory thereto. Each stage shall be treated as a separate site plan for the purposes of this section, and the approval of Stage 1 of a site plan shall not be construed to assure the subsequent approval of Stage 2.

J. Compliance. The issuance of an occupancy permit will not be given prior to the satisfactory completion of all elements and conditions of the approved site plan. A temporary occupancy permit may be issued after the satisfactory completion of all items essential to public health and safety and sufficient bonding acceptable to the Planning Board is provided to the Town to cover all outstanding items.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary: *This article proposes to amend the Site Plan Approval bylaw by bringing minor site plan approval under the purview of the Planning Board, as opposed to the Site Plan Review Committee and further clarify steps for minor and major site plan approval.*

***ARTICLE 37**:* To see if the Town of Southborough will vote to approve the Southborough Noise Bylaw proposal attached to this document, as amended, or do or act anything in relation thereto.

SOUTHBOROUGH NOISE BYLAW

1.1 **Declaration of Policy**
Whereas excessive sound can be a serious hazard to the public health and welfare and safety and the quality of life; and whereas a substantial body of science and technology exists by which excessive sound may be substantially abated; and whereas the citizens of Southborough have a right to and should be ensured an environment free from excessive sound that may jeopardize their health or welfare or safety or degrade the quality of life; now, therefore, it is the policy of the Town of Southborough (the "Town") to prevent excessive sound which may jeopardize the health and welfare or safety of its citizens and/or degrade the quality of life.

It shall be unlawful for any person to make, continue to make, permit or cause to be made or continued, any loud, excessive, unnecessary or unusually loud noise or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of reasonable persons of normal sensitivities. Furthermore, it shall be unlawful for any person who has custody and control of the premises to allow or permit another person to make, continue or permit to be made or continued any loud, excessive, unnecessary or unusually loud noise or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of reasonable persons of normal sensitivities within the limits of the Town of Southborough.

1.2 **Definitions**
Except as may be specified herein, acoustical terminology used throughout this Bylaw is that approved as American National Standard Acoustical Terminology [ANSI S1.1-1994] by the American National Standards Institute (ANSI). The following words, phrases and terms as used in this Bylaw shall have the meanings as indicated below:

A. BACKGROUND SOUND LEVEL shall mean the sound level associated with a given environment, being a composite of sounds from all sources excluding the alleged offensive noise, at the location and approximate time at which a comparison with the alleged offensive noise is to be made.

B. CONSTRUCTION shall mean those activities requiring a building permit, and shall also include any site preparation, cemetery burial and caretaking operations, seismic surveys grading, assembly, erection, substantial repair, alteration, or similar action, including demolition, for or of public or private rights-of-way, structures, utilities or similar property.

C. The abbreviation dBA shall mean the A-weighted sound pressure level expressed in decibels and referenced to 20 Micropascals. The abbreviation dBC shall mean the C-weighted sound pressure level expressed in decibels and referenced to 20 Micropascals.

D. EMERGENCY VEHICLE: shall mean any vehicle operated in an effort to protect, provide or restore public safety, including, but not limited to, ambulances, police vehicles and fire vehicles.

E. EMERGENCY WORK: shall mean any work performed in an effort to protect, provide or restore public safety, or work by private or public utilities when restoring utility service or any work performed for the purpose of preventing or alleviating the physical trauma or physical damage threatened or caused by an emergence – an occurrence or set of circumstances involving actual or imminent physical trauma or property damage.

F. ENFORCING PERSON: shall mean any police officer, building official or public health official of the Town or any other Town employee designated by the Town Manager for this purpose.

G. IMPACT DEVICE: shall mean a construction device in which or by which a hammer, meaning a moving mass of hard solid material, is mechanically by means of a working fluid or compressed air caused to repetitively impact upon and transmit kinetic energy to a tool. The tool may be included as a part of the device, as in the case of a moil on a paving breaker or the drill steel of a jackhammer, or it may be a mass to which the impact device is temporarily connected as in the case of a pile and pile driver. Examples of impact devices are pile drivers, paving breakers, power impact hammers, impact wrenches, riveters and stud drivers.

H. INTRUDING NOISE: shall mean the total sound level created, caused, maintained by, or originating from an alleged offensive source at a specified location while the alleged offensive source is in operation.

I. PERSON: shall mean a person, firm, association, co-partnership, joint venture, corporation or any entity recognized by applicable law, public or private in nature.

J. SOUND LEVEL: shall mean the instantaneous A-weighted sound pressure level, in decibels, (dBA) as measured with a sound level meter set to the "A" weighting scale, slow response. On the decibel scale a sound level increase of 10 means the sound is 10 times more intense or powerful.

Decibel levels of some common activities are listed below:

Sound Level - dB	**Source**
50 - 65	normal conversation
60 - 65	laughter
70	hair dryer, vacuum
V Increasing risk of hearing loss V	
80	garbage disposal
85 - 90	lawnmower
100	garbage truck
120	walk behind leaf blower
130	jet takeoff/landing
145	fireworks

K. SOUND LEVEL METER: shall mean an instrument meeting American National Standard Institute's (ANSI) Standard S1.4-1983 for Type 1 or Type 2 sound level meters or an instrument and the associated recording and analyzing equipment, which will provide equivalent data.

1.3 **Designated Noise Zones**
The properties hereinafter described are hereby assigned to the following noise zones:

NOISE ZONE I: All properties utilized as residential uses in accordance with the Town of Southborough Zoning Bylaws and the grounds of any school, hospital or similar health care institution, house of worship or library while the same is in use, and any Cemetery or Open Space.

NOISE ZONE II: All other property used in accordance with the Town's Zoning Bylaw.

1.4 **Exterior Noise Standards**
It shall be unlawful for any person at any location within the area of the Town to create any loud noise, or to allow the creation of any noise, on property owned, leased, occupied or otherwise controlled by such person, which causes the sound level when measured on complainant's property to exceed the greater of:

A. The maximum allowable exterior sound level outlined in Table I; or
B. Five dB over the background sound level.

Table 1. Maximum Allowable Exterior Sound Level		
Noise Level	Daytime level 7:00 AM to 10:00 PM	Nighttime level 10:00 PM to 7:00 AM
I	60 dBA	50 dBA
II	70 dBA	65 dBA

If the intruding noise source is continuous and cannot reasonably be discontinued or stopped for a time period whereby the background sound level can be determined, the measured sound level obtained while the source is in operation shall be compared directly to the maximum allowable exterior sound level outlined in Table I.

1.5 **Construction Noise Standards**

A. Noise associated with construction is permitted between 7:00 AM and 6:00 PM on weekdays and 9:00 AM and 5:00 PM Saturdays provided the sound level from:

1. Non-impact devices do not exceed 70 dBA as measured over a time interval of 1 minute with the sound meter set to slow located on any other property, but at least 50 feet from the construction activity;

2. Impact devices does not exceed 90 dBA as measured with a sound level meter set to slow response located on any other property, but at least 30 feet from the construction activity.

B. Between the hours of 6:00 PM and 7:00 AM on weekdays and Saturday, noise associated with construction, shall be limited by the standards of Section 1.4.

C. Construction activities shall not be allowed on Sundays or legal holidays.

1.6 **Maintenance Noise Standards**

A. Noise associated with maintenance is permitted between 7:00 AM and 6:00 PM on weekdays, 8:00 AM and 6:00 PM on Saturdays and between the hours of 9:00 AM and 6:00 PM on Sunday, provided the sound level does not exceed 70 dBA as measured with a sound level meter set to slow response on any other property, but at least 50 feet from the maintenance;

B. Between the hours of 6:00 PM and 7:00 AM on weekdays, 6:00 PM and 8:00 AM on Saturday and between the hours of 6:00 PM and 9:00 AM on Sunday or a legal holiday, noise associated with maintenance, shall be limited by the standards of Section 1.4.

1.7 **Commercial Trash Collection and Deliveries or Pick-up**

A. The operation of commercial trash compactors or collection of trash, rubbish, refuse or debris, which generates noise in excess of the criteria given in Section 1.4 at any point of public or common pass-by between the hours of 7:00 PM and 7:00 AM is prohibited.

B. Deliveries or pick-ups for commercial or business purposes between 10:00 PM and 6:00 AM are prohibited unless the noise level of such deliveries or pick-ups in nearby residential areas does not exceed the noise criteria listed in Section 1.4.

1.8 **Motor Vehicles or Motorcycles**

Motor vehicles or motorcycles operated on public ways in the Town of Southborough or in any place where the public has the right of access as invitees or licensees may not exceed a maximum sound level of 85 dBA. It is also in violation of the Bylaw to operate a motor vehicle or motorcycle without a sound-limiting device connected to the exhaust system. This prohibits so-called "straight pipe" exhaust systems. This section shall not include screeching sounds emitted from emergency braking. Measurement for the purposes of this Section shall be at a distance of 36 inches from the noise source.

1.9 **Special Provisions**
Noise associated with the following activities shall be exempted from the provisions of this Bylaw:

A. Emergency work or emergency vehicles.

B. The operation of any vehicular alarm provided it terminates within 15 minutes of the initially recorded complaint.

C. Occasional outdoor gatherings, public dances, shows, and sporting and entertainment events provided said events are conducted pursuant to a permit or license issued by the appropriate jurisdiction relative to the staging of said events.

D. The intermittent or occasional use, during the daytime, of homeowners' light residential outdoor equipment

E. Snow removal performed by snow blowers, snow throwers or snow plows when appropriately outfitted with a muffler.

F. Any activity to the extent regulation thereof has been preempted by Town, State or Federal Law or by agreement between Town, State or the Federal Government.

1.10 **Prima Facie Violations**
Any measured noise exceeding the sound level standards as specified in Sections 1.4 through 1.10 may be deemed by the enforcing person to be prima facie evidence of a violation of the provisions of this Bylaw.

1.11 **Penalties for Violations**
A. Violations under Article 1, in the discretion of the enforcing person, may be enforced by non-criminal disposition as provided in MGL Chapter 40, Section 21D.

B. The penalty for a violation under this Bylaw shall be $100 for a first offense, $250 for a second offense, $500 for a third offense, and for each succeeding offense each day or part thereof shall constitute a separate offense.

Proposed by: PETER LAPINE, et al.
Board of Selectmen Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary: *As the population of Southborough grows, it has transitioned from a rural community to one that is more suburban. People move to Southborough to enjoy its natural beauty and peaceful environment. With increased housing density, practices of earlier times increasingly encroach upon the tranquility of Town residents, resulting in conditions characterized as being out of balance. There is an ever-growing requirement to place limits on these practices – a rebalancing - so that everyone, business owners and homeowners alike, may prosper. This article, a Noise Bylaw, seeks to harmonize the needs of Town residents with those of local business owners.*

ARTICLE 38*:* To see if the Town of Southborough will vote to pass a bylaw to reduce plastic waste

Section 1 Purpose and Intent

The production and use of single-use plastics such as polystyrene food packing and thin-film plastic checkout bags have significant impacts on the environment, including, but not limited to, contributing to the potential death of aquatic and land animals through ingestion and entanglement; contributing to pollution of the natural environment; creating a burden to solid waste collection and recycling facilities; clogging drainage systems; and requiring the use of millions of barrels of crude oil nationally for their manufacture. Additionally, polystyrene contains known carcinogens, and readily leaches into certain foodstuffs. Measurable levels of polystyrene are now found almost 100% of human fat samples.

The purpose of this bylaw is to preserve the Town's water, wildlife and natural resources—as well as to enhance the health of its citizens—by banning within the Town of Southborough two of the largest contributors of non-recyclable

plastics to the environment—single-use polystyrene retail food packaging and single-use plastic checkout bags—while promoting the adoption of more environmentally friendly alternatives.

Section 2 Definitions

"Polystyrene food packaging" – means any holder of food or beverage made from polystyrene, either in solid or foam (Styrofoam) form, such as cups, plates, or take-out containers, as well all other single-use plastic products made to facilitate the consumption of foods, such as straws, lids and utensils made from polystyrene or other non-compostable plastic materials.

"Checkout bag" – means a carryout bag provided by a store to a customer at the point of sale. Checkout bags shall not include bags, whether plastic or not, in which loose produce or products are placed by the consumer to deliver such items to the point of sale or checkout area of the store.

"Retail Store" – means any business facility that sells goods directly to the consumer whether for or not-for-profit, including, but not limited to, retail stores, restaurants, pharmacies, convenience and grocery stores, liquor stores, as well as seasonal and temporary businesses.

"Reusable checkout bag" – means a bag with handles that is specifically designed and manufactured for multiple reuse and is either polyester, polypropylene, cotton or other durable material, or durable plastic that is at least 4.0 mils in thickness.

"Thin-film single-use plastic bags" – are those bags typically with handles, constructed of high-density polyethylene (HDPE), low density polyethylene (LDPE), linear low density polyethylene (LLDPE), polyvinyl chloride (PVC), polyethylene terephthalate (PET), or polypropylene (other than woven and non -woven polypropylene fabric), if said film is less than 4.0 mils in thickness

"Recyclable paper bag" – means a paper bag that is 100 percent recyclable and contains at least 40% post–consumer recycled content, and displays the words "recyclable" and "made from 40% post-consumer recycled content" in a visible manner on the outside of the bag

Section 3 Use Regulations
(A) Polystyrene food packaging shall not be distributed, used, or sold by any retail store within the town of Southborough.

(B) Thin-film single-use plastic bags shall not be distributed, used, or sold for checkout or other purposes at any retail store within the Town of Southborough.

(C) If a retail store provides or sells checkout bags to customers, the bags must be one of the following (1) recyclable paper bags, or (2) reusable checkout bags. The retail store may charge for said bags.

(D) Thin-film plastic bags used to contain dry cleaning, newspapers, produce, meat, bulk foods, wet items and other similar merchandise, typically without handles, are still permissible.

(E) Violation of the By-Law to Reduce Plastic Waste: First offense – written warning; 2nd offense - $100 per offense; 3rd and subsequent offenses - $250 per offense.

Section 4 Effective Date

This bylaw shall take effect six (6) months following Town Meeting approval of the bylaw. Upon application of the owner or the owner's representative, the Board of Selectmen or their designee may exempt a retail store from the requirements of this section for a period of up to two (2) months upon a finding by the Board of Selectmen or their designee that (1) the requirements of this section would cause undue hardship; or (2) a retail store requires additional time in order to draw down an existing inventory of straws or checkout bags.

Section 5 Enforcement

Enforcement of this bylaw shall be the responsibility of the Board of Selectmen or their designee. The Board of Selectmen or their designee shall determine the monitoring process to be followed, which may be limited to responding to citizen reports, and incorporating the monitoring process into other town duties as appropriate. Any retail store distributing plastics in violation of this bylaw shall be subject to fines as described in Section 3 (E) above. Any such fines shall be paid to the Town of Southborough. No licenses shall be renewed for any establishment with outstanding violations under this section.

Section 6 Severability

If any provision of this bylaw is declared invalid or unenforceable the other provisions shall not be affected thereby.

; or to do or act anything in relation thereto.

Proposed by: MICHAEL WEISHAN, ET AL.
Board of Selectmen Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary: *This proposed bylaw would make a marked contribution to the heath of both the citizens of Southborough and the overall environment by banning single-use plastic bags, Polystyrene cups, straws, utensils etc. at all retail establishments in Southborough.*

ARTICLE 39: To see if the Town of Southborough will vote to strongly request that the Board of Selectmen direct DPW to conduct an analysis of Flagg Road for the purpose of instituting a commercial truck exclusion (similar to Latisquama Road), or do or act anything in relation thereto.

Proposed by: JONAS LINDEN, ET AL.
Board of Selectmen Recommendation: No position
Advisory Committee Recommendation: At Town Meeting
Summary: *Due to increased pedestrian and bicycle activity on Flagg Rd and documented cases of trucks driving into yards and destroying property, including dangerous tractor trailer activity resulting in a tow off Trottier School children's path, we are strongly requesting the Board of Selectmen direct DPW to conduct an analysis of Flagg Road for the purpose of instituting a commercial truck exclusion.*

And you are to give notice hereby by posting true and attested copies of the Warrant on the Town website, the Southborough Town House, 17 Common Street, Southborough Senior Center, 9 Cordaville Road, Southborough Library, 25 Main Street, and Southborough Transfer Station, 147 Cordaville Road; seven (7) days at least before the time appointed for such meeting.

Given under our hand this 20th day of April, 2021.

Martin F. Healey, Chairman

Lisa M. Braccio, Vice Chairman

Brian E. Shea

Sam Stivers

RE: Consent Agenda Request – Donation Acceptance

The Recreation Department received a generous donation of $250.00 from Main Street Bank to be used towards the Southborough Recreation Summer Concert Series. I am writing to request the acceptance of the amount to be deposited into the Recreation Donation account. If you have any question, please do not hesitate to reach out to my office at TDavis@southboroughma.com or 508-229-4452

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, May 18, 2021, 6:30 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 6:30 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Chairman Healey welcomed and congratulated the newest Board of Selectmen member, Andrew Dennington.

I. Public Comment

Timothe Litt (148 Woodland Road) reminded the Board they have not appointed the ex-officio member to the MTC. Chairman Healey suggested adding this item to the June 1st meeting.

II. Reorganization of the Board

Chairman Healey nominated Ms. Braccio to be Selectmen Chair for fiscal year 2022. Ms. Malinowski seconded. Chairman Healey stated that as Vice-Chair, Ms. Braccio has been invaluable and Mr. Stivers agreed. The motion passed (4-0-1) by roll call vote, Dennington, aye; Malinowski, aye; Stivers, aye; Healey, aye; Braccio, abstained.

Mr. Stivers stated he was interested in being vice-chair of the Board for fiscal year 2022. Ms. Malinowski stated she was interested in the position as well. Mr. Healey made a motion to appoint Ms. Malinowski as Selectmen Vice-Chair for fiscal year 2021. Mr. Dennington seconded. Mr. Stivers stated traditionally this position rotated and added that as it is his last year of his first term, he felt he would be an appropriate choice. He added Ms. Malinowski will do a great job as well. The motion passed (4-0-1) by roll call vote, Dennington, aye; Stivers, aye; Healey, aye; Braccio, aye, Malinowski, abstained.

III. Scheduled Appointments

Kevin D. Miller - Historical Commission, term to expire 6/30/2022

Mr. Miller was brought into the meeting and explained his background and interest in history, architecture and photography. He added that he would like to participate in government after having discussions on multiple town government matters. Chairman Braccio stated she spoke with Mr. Miller regarding the Downtown Initiative. Mr. Dennington asked if Mr. Miller was filling a vacancy. Chairman Braccio stated that Mr. Miller is filling a vacancy for a three-year term. Ms. Malinowski asked what he was most excited about accomplishing on the Historical Commission. Mr. Miller replied that Southborough is rich in history and he would like to be part of educating residents of town history. Mr. Stivers made a motion to appoint Kevin D. Miller to the Historical Commission, term to expire 6/30/2022. Mr. Healey seconded. The motion passed (5-0-0) by roll call vote, Dennington, aye; Malinowski, aye; Stivers, aye; Healey, aye; Braccio, aye.

Brian Ballantine, Finance Director; Carla McAuliffe, Town Accountant - Quarterly Financial update

Mr. Ballantine and Ms. McAuliffe were brought into the meeting. Mr. Ballantine walked the Board through the revenue reports included in the packet. He stated that he felt the town will be ending the year in a more positive financial state than he previously thought. He added that some larger building permit fees were recently submitted which boosted revenues and cautioned that these are one-time fees. Chairman Braccio thanked Mr. Ballantine, Ms. McAuliffe and Ms. Malinowski for all their work creating the reports.

Ms. McAuliffe stated the Town Clerk has moved out $86,000 of expenses into CARES Act reimbursements and the town received $12,500 for early voting reimbursement. She anticipates receiving that revenue after June 30th. She added that Mr. Hegarty should have more reimbursements from town meeting and the elections. Ms. McAuliffe stated that approximately $45,000 was moved out of the Board of Health budget and will be part of a FEMA reimbursement. She summarized staffing changes at the DPW and shifting salary money that will be shifted as outlined in the packet. The next CARES Act reporting application is due in June and she will be doing a reimbursement request. She added the vaccination clinic costs will be a separate application which will be filed after the insurance reimbursement is understood. The American Recovery Protection Act Funds will be upcoming. She stated there were four transfers mentioned in packet to the Reserve Fund and another from Facilities for energy costs. Ms. Malinowski stated she spoke with Ms. Galligan regarding items listed that fall under the capital policy. She added that Ms. Galligan will be reaching out to work with the Capital Committee. Chairman Healey gave an update on PILOT discussions and contributions from Fay School and St. Mark's Schools. He said he suggested to St. Mark's and Fay Schools to summarize their in-kind contributions to the community for the benefit of the public. Mr. Stivers asked about a projection of revenues for 2022. Mr. Ballantine replied that there are a lot of uncertainties and listed options where revenues could rise in the coming year. Mr. Stivers stated he has been researching the ARPA funds and felt they will be flexible and encouraged maximizing the use of these funds. Mr. Purple summarized a webinar regarding these funds and agreed the requirements seem broad. He stated Ms. McAuliffe will be ensuring all requirements are met. Mr. Purple explained the funding for infrastructure projects.

Ms. Braccio asked about current tax accounts in arrears and Mr. Ballantine stated there are approximately six outstanding that are between $10,000 - $30,000. Chairman Braccio asked if the insurance reimbursement from the vaccine clinic will be low as insurance is not required. Ms. McAuliffe replied that she plans to meet with Dr. Alker when the clinic is finished in the end of June. Chairman Braccio stated that the ambulance fund was consistent and Mr. Ballantine agreed. Chairman Braccio asked if there is an anticipated shortfall in the DPW budget. Ms.

McAuliffe replied there was not and explained. Chairman Braccio asked about a possible deficit in the postage line item from the Board of Selectmen. Mr. Purple replied there should be no issues and explained what is done if there are excess fund.

IV. Reports

Chairman's Report

Chairman Braccio stated that the flags will be replaced at the Rural Cemetery on Friday, May 28th at 6:00 P.M. On Monday, May 31st the parade will start at Main Street bank at 9:00 A.M. and proceed to the cemetery ending at the All Wars Memorial. She stated she would be happy to speak at the Memorial Day Ceremony on behalf of the Board. The Board agreed.

Chairman Braccio stated that Attorney Costa supplied feedback on the Downtown District Initiative and in order to keep momentum for the article for a fall town meeting, there will be a joint meeting in June with the stakeholders.

Members' Reports

i. Update on Youth & Family Services strategic plan

Ms. Malinowski summarized the strategic plan process and the strategic plan group has since disbanded. Ms. Cassell is now working on the plan and Ms. Malinowski stated there were four goals and most are planned to be completed in the next six months to five years. She gave details on the report and will be sharing future progress with the Board.

Chairman Healey stated last year was the best revenue year for the Southborough Golf Course and added that this year seems to be even stronger.

Mr. Stivers stated the MTC is working on a town survey and trying to get responses before Town Meeting. He asked the public to go to www.mysouthborough.com and www.bettersouthboro.org to take the survey.

Town Administrator Report

Mr. Purple stated the golf bid for the putting green should be completed by end of this month and should be out to bid by the beginning of June. Work is anticipated to begin in August with the putting green ready for play when the course opens next spring.

Mr. Purple updated the Board regarding the One Stop Grant. He had a virtual meeting with stakeholders last week. He summarized the status of the four projects applied for through the grant. Mr. Purple explained that two of the proposed projects were identified by reviewers from the State as falling under the planning/zoning category and only one can be awarded under the grant. He stated stakeholders discussed the two projects and Mr. Malinowski of the Capital Planning Committee and Ms. Quinn of the Planning Department both highlighted the fact that ARPA funds are available to address the transit orientated overlay studies. They suggested focusing on ARPA funds for this project and the One Stop Grant for the Route 9 Business Corridor District. Mr. Purple suggested submitted the Route 9 Business Corridor District to the grant for the planning/zoning category and to hold off on the Southville Transit Orientated Feasibility Study to apply for funds through ARPA. There was discussion regarding the projects. The Board agreed to the process Mr. Purple described.

Mr. Purple stated the regional vaccination clinic is open to those aged 12-16 and thanked everyone for publicizing this. Mr. Purple stated Mr. Healey pointed out that the Board could be

meeting in person next week. He added that Southborough Access Media is coming to the Town House to test their equipment.

V. Consent Agenda

a. Mr. Healey made a motion to accept Brian Shea's resignation from Affordable Housing Trust Fund Committee. Ms. Malinowski seconded. The motion passed (4-0-1) by roll call vote, Malinowski, aye; Healey, aye; Stivers, aye; Braccio, aye, Dennington abstained.

b. Mr. Healey made a motion to appoint Andrew Dennington to Affordable Housing Trust Fund Committee, term 6/30/21. The motion passed (4-0-1) by roll call vote, Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye, Dennington abstained.

VI. Other Matters Properly Before the Board

Town Meeting preparation

i. Article 7 – FY22 Budget

Chairman Braccio stated the Board of Health budget was the only outstanding issue with the FY22 budget. Ms. Malinowski summarized the latest Board of Health meeting which also included Ms. Cook from Advisory and Ms. McAuliffe, the Town Accountant. She stated the Board of Health re-voted their budget and removed the printer/scanner and added it to the reserve fund as recommended by Advisory. She stated that they also re-voted to reduce their budget to continue to have their administrative assistant role split between the Board of Health and Assessor's Office. Ms. Malinowski summarized the amendments she will be making at Town Meeting regarding the budget. She confirmed that with these amendments, the Board is in alignment with Advisory regarding the FY22 budget. Ms. Malinowski made a motion to support the Board of Health budget in total of $202,692. Mr. Stivers seconded. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye. Ms. Malinowski made a motion to support the reserve fund, department 132 to increase from $180,000 to $190,000 for the FY22 budget. Mr. Stivers seconded. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

ii. Article 23 – Disposition of 21 Highland Street (South Union School)

Chairman Braccio stated that the Board received a request for permission to withdraw the proposal from Gregory Zurlo of Street Block Development today. She stated that the Board should take a vote to accept the withdrawal of the bid and to indefinitely postpone this warrant article. Mr. Healey made a motion to accept the withdrawal of the bid from Gregory Zurlo of Street Block Development. Mr. Stivers seconded. Ms. Malinowski requested that the process for this bid be discussed at a future meeting. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye. Mr. Stivers made a motion to indefinitely postpone warrant article 23, the disposition of 21 Highland Street. Mr. Healey seconded. Mr. Healey requested options for this parcel to be discussed at a future meeting. Chairman Braccio agreed. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

iii. Assignment of BOS articles for motions

Mr. Purple overviewed the change he made to the list from the earlier version supplied at the previous meeting. He added that the Moderator will be supplying the consent agenda list soon. Mr. Dennington asked about the amendments for the zoning articles and Mr. Stivers explained the Planning Board would be presenting the articles and amendments. Chairman Braccio stated the Board will be leaving the assignments of articles as is for now.

iv. BOS positions on articles

Chairman Braccio stated the Board has taken a position on a majority of the articles and asked for Mr. Dennington's votes. Mr. Dennington stated he reviewed the spreadsheet and stated he can update the Board on his votes. Chairman Braccio asked if he agreed with the votes to support and not support on articles. She suggested a general vote leaving off article 19, 34, 36, 38, and 39. She asked Mr. Dennington if he agreed with the Board's vote on the rest of the articles. Mr. Dennington stated that Advisory voted 5-0 to wait for Town Meeting for article 20. He explained that it is a significant amount of money and thought it may make sense to hold off on this article to see if there are other CPC opportunities in the next few years. He stated he agrees with the Board votes on the rest of the articles. Mr. Stivers made a motion to reaffirm the Board's support for articles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 21, 22, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33 and 35. Mr. Dennington seconded. Mr. Healey noted he is abstaining to any article pertaining to bonding. The motion passed by roll call vote, Dennington, aye; Healey, aye with the exception of bonding articles where he abstains; Malinowski, aye; Stivers, aye; Braccio, aye.

Mr. Healey made a motion to support article 20 – Town House Restoration. Ms. Malinowski seconded. The motion passed (4-1-0) by roll call vote, Dennington, nay; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

Mr. Dennington stated that their votes to not support the noise bylaw should not be taken as a sign that the Board or Advisory is against any noise bylaw in the future. Chairman Braccio stated the Board voted not to support the article as written. Mr. Stivers made a motion to not support article 32 – noise bylaw as written. Mr. Healey seconded. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

Chairman Braccio stated that a meeting is not scheduled for Town Meeting and asked the Board if they'd like to leave the rest of the votes for Town Meeting or to discuss this evening. The Board agreed to discuss tonight.

Chairman Braccio stated article 19 – St. Mark's Church Bell Tower was not voted by the Board. She asked if Mr. Dennington took a vote at Advisory and he said he had. Mr. Healey made a motion to support article 19 – St. Mark's Church Bell Tower. Mr. Stivers seconded. The motion failed (2-3-0) by roll call vote, Dennington, nay; Healey, aye; Malinowski, nay; Stivers, aye; Braccio, nay.

Chairman Braccio asked for discussion on article 34 – zoning bylaw – Miscellaneous Provisions, Special Permits, Extensions and Alterations. Mr. Stivers made a motion to support article 34 – zoning bylaw – Miscellaneous Provisions, Special Permits, Extensions and Alterations. Mr. Healey seconded. Mr. Healey asked if Mr. Stivers' concerns were addressed. Mr. Stivers stated he had no concerns. Mr. Dennington stated that this article needs an additional revision as the language where the cost of an alteration to a pre-existing non-conforming structure cannot exceed X% of

the assessed value of the property was no longer enforceable. He added that when he was on the ZBA, they were instructed that case law makes supersedes this provision. This revision is not included in this article and would like this to be brought back to Town Meeting in the future. Mr. Stivers agrees. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

Chairman Braccio asked Mr. Purple to clarify that as the Board is aware of an amendment for article 36 if they must vote on the article as written. Mr. Purple confirmed and stated that the Moderator will ask the Board for their position of the article and after the amendment is presented, the Moderator will ask for the Board's opinion on the article with the amendment. The Board agreed to wait until Town Meeting to vote.

Chairman Braccio asked if an amendment has been submitted for the plastics ban warrant article. Mr. Purple stated that he did receive a notice from Mr. Weishan a month ago was that he fully intended to indefinitely postpone the article until the meeting can be held indoors. He suggested the Board vote at Town Meeting when the motion to indefinitely postpone is made. The Board agreed.

Chairman Braccio stated the last article for discussion is the citizen's petition for a truck exclusion on Flagg Road. She suggested the Board hold this vote until Town Meeting. The Board agreed. Mr. Healey stated he agreed to hold on the vote and suggested the Board take no position as it is an article asking the Board to take an action.

<u>Update on Legal Services RFP proposals; next steps</u>

Mr. Dennington recused himself from this discussion and he left the Zoom room. Mr. Healey stated that recusing means the Board member cannot participate in the discussion and Mr. Dennington could have stayed in the room as a member of the public. Mr. Stivers summarized the RFP review process and application review he conducted with Mr. Purple. Mr. Stivers asked the Board when interviews should be conducted and if West should be included regardless that their application is missing a wet signature. Mr. Healey suggested the Board speak to the four applicants with complete applications but if an applicant did not respond properly to the RFP, an interview should not be conducted. He added that having solely an electronic signature from West complies. Chairman Braccio and Ms. Malinowski agreed. Mr. Purple agreed to invite the four firms to the June 1st meeting for interviews. Mr. Healey suggested each Board member send a list of 2-3 questions for the firms. Mr. Purple agreed to compile a list of approximately 8-10 questions to ask each firm. Mr. Purple asked for some guidelines to give the firms for the interview. Mr. Healey stated that a 5-7-minute introduction followed by 8-10 minutes of questions with the last question being for them to make a statement as to why they are the best option.

VII. Public Comment

Mr. Reed asked if the withdrawal letter sent to the Board the from Gregory Zurlo of Street Block Development today regarding the RFP for South Union was public record. Mr. Purple replied that it was and asked Mr. Reed to email him and he will send the letter. Mr. Reed agreed to do so.

VIII. On a motion made by Mr. Stivers, seconded by Ms. Malinowski and voted all in favor (5-0-0) by roll call vote, the meeting was adjourned at 8:18 P.M.

Upcoming Meetings
Annual Town Meeting, May 22, 2021
June 1, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

Reorganization of Selectmen Office	XX		Interviews for AA position in process; hope to have appointment for 4/20 meeting.
Sustainability of golf course operations; renewal of management contract			Putting green design early May; bidding in June; construction to start in August.

MEMO

TO: MARK PURPLE, TOWN ADMINISTRATOR

FROM: JASON MONTIJO, IT MANAGER

SUBJECT: JUSTIFICATION OF FULL TIME EMPLOYEE/ADDITIONAL CONTRACTED SERVICES

DATE: 05/13/2021

CC: N/A

This document pertains to the justification and documentation of a full time Help Desk employee and possible part time System Admin (Chris McGinn). Currently the Town of Southborough's IT maintenance is tasked to one full time IT Manager. Daily tasks that are requested by each Town employee are currently tracked in an application called Itarian. A report will be requested from this application to show what work has been done over the last 3 weeks for justification purposes.

1. During the last 3 weeks since starting with the Town I have worked on 25 tickets requiring help desk support. Here are a few examples:
    a. Laptop frozen needs refresh
    b. Printer jammed
    c. Printer queue not working in the Public Safety building
    d. Locked users\reset passwords
    e. Adding and removing email accounts etc…

Some of these issues have required multiple hours of troubleshooting to resolve and support tickets with software vendors. The majority of these issues could have been handled by a lower-level employee (Help Desk Technician) to resolve. It is possible that the IT Manager may need to be involved with some higher-level troubleshooting, but in most cases quick troubleshooting by a Help Desk Technician can get this resolved.

A part time System Administrator would play a vital role for an IT Manager in keeping all systems up to date with weekly server & system patches. Most servers\systems need to be restarted when updated and with the current tasks assigned to Chris McGinn working after hours, it would make sense to keep him on staff part time to apply these patches. It would also work in the benefit of the Town when the IT Manager is away in any form to have a second person who can easily maintain the current server\systems in place if an issue should arise. We are currently working very closely together to review time schedule to update servers, maintain Active Directory, and purge past employees from AD/email.

I am currently in talks with a couple of MSP (managed service providers) vendors on how we can increase our cyber security defense with our network. This service would provide us with real-

time monitoring and protection based on the latest threat intelligence as well as in-depth assessments and guidance to meet our compliance requirements. I will also review MFA (multi-factor authentication) with these vendors to provide us with an additional layer of security for our users. MSP's have multiple layers of support including training videos on cyber security awareness that are catered to the user base. Some of the many topics include phishing, email threats, public Wi-Fi security and avoiding malware to name a few. It is important to keep our user base as informed as possible.

Once I have revied each option that the MSP's will provide, I will report this to the Town Administrator and the MTC for review.

Annual Town Meeting Record

Article #	Article Description	Sponsor	Amount	Funding Source	Motion	Quantum of Vote	BOS	Advisory	Town Meeting Action	Date

MOTIONS FOR ARTICLES – MAY 22, 2021 TOWN MEETING

ARTICLE 1: **SELECTMEN - TBD**

I move that the Town hear reports of the various Town Officers and Committees and to take such action thereon as the Town may vote.

ARTICLE 2: **SELECTMEN - TBD**

I move that the Town vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, Harvard University, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted.

ARTICLE 3: **SELECTMEN - TBD**

I move that the Town vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2021 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended.

ARTICLE 4: **SELECTMEN - TBD**

I move that the Town vote in accordance with Massachusetts General Laws Chapter 30B, Section 12(b) to authorize the Board of Selectmen and Superintendent of Schools to solicit and award contracts for terms exceeding three years to a maximum of seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Board of Selectmen or the School Committee.

ARTICLE 5: **BETSY ROSENBLOOM**

I move that the Town approve changes to the Salary Administration Plan, as codified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL, as printed in the warrant.

ARTICLE 6: **SELECTMEN - TBD**

I move that the Town vote to indefinitely postpone this article.

ARTICLE 7: **SELECTMEN - TBD**

I move that the Town raise a sum of money not to exceed the sum of **$55,283,945** as may be necessary for the Town's use, and make appropriations of the same.

Transfer from the Cemetery Perpetual care	25,000.00
Transfer from Free Cash	1,400,293.00
Transfer from Overlay Reserve	272,031.00
Transfer from Ambulance Fund, Receipts Reserved (Fund 23)	411,000.00
Transfer from Septic Betterment Fund	30,078.00
Transfer from Reserve SBAB Fund Balance	4,017.00
Transfer from Water Enterprise Fund	204,695.00
Transfer from Fund 2261 "911 Revolving"	25,000.00

AND that the Balance of **$52,911,831** be raised and appropriated.

ARTICLE 8: **SELECTMEN - TBD**

I move that $2,700,256 be appropriated for the Water Enterprise Fund and that $204,695 be included in appropriations from the general fund for indirect costs and be allocated to the Water Enterprise Fund, and that $2,904,951 be raised as follows:

FY22 Revenues:	2,904,951.00

ARTICLE 9: **SELECTMEN - TBD**

I move that the Town raise and appropriate the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees.

DRAFT

ARTICLE 10: **SELECTMEN - TBD**

I move that the Town raise and appropriate:

- $115,000 for Library Interior renovations;
- $40,000 for Town House bathroom renovations;
- $30,000 for a DPW Chipper;
- $12,000 for a DPW Equipment trailer;
- $325,000 for DPW Road Maintenance;
- $30,000 for Fire Thermal Imaging cameras;
- $20,000 for Fire hose & nozzle replacement;
- $40,000 for Fire turnout gear fund;
- $18,200 for Police defibrillators; and
- $101,000 for Police cruisers

ARTICLE 11: **SELECTMEN - TBD**

I move that the Town:

(i) appropriate $400,000 to pay costs of purchasing a Fire Tender 2,000 Gallon, including costs incidental or related thereto, and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount under and pursuant to M.G.L. c. 44, §7(1), or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor. Any premiums received by the Town upon the sale of any bonds or notes issued pursuant to this vote, less any premium applied to the payment of costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with M.G.L. c. 44, §20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount; and

(ii) authorize, under General Laws Chapters 30B or Chapter 44, and upon the recommendation of the Board of Selectmen, lease purchase financing agreements for the acquisition of the following equipment that may be acquired through the issuance of debt under G.L. c. 44 or improvement of a capital asset the improvement of which may be financed by the issuance of debt under G.L. c. 44, the term of such agreement not to exceed the useful life of the equipment or improvement as determined by the Board of Selectmen, and to authorize the Town Administrator to enter into such agreements on behalf of the town, and to appropriate the amounts for the first year payments of the agreements as stated below in the column “First Year Amount”:

DRAFT

Equipment	Authorized Department	Source of Appropriation	First Year Amount
1 - Horton Type Ambulance	Fire Department	FY22 Capital Budget - Ambulance Fund	$42,025
1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY22 Capital Budget - General Fund	$25,215
1 - Pick Up Diesel F-350	Dept. of Public Works	FY22 Capital Budget - General Fund	$10,697
1 - Fire Dept Chief Vehicle	Fire Department	FY22 Capital Budget - General Fund	$9,169

ARTICLE 12: **SELECTMEN - TBD**

I move that the Town vote to raise and appropriate the sum of $5,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies,

ARTICLE 13: **SELECTMEN - TBD**

I move that the Town vote to raise and appropriate the sum of $100,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Advisory Committee as requested.

ARTICLE 14: **SELECTMEN - TBD**

I move that the Town vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2022:

1. Immunization/emergency dispensing clinic; $12,000;
2. Inspectional services; $100,000;
3. 9-11 Field Maintenance; $100,000;
4. Wetland Protection; $30,000;
5. Hazardous materials; $75,000;
6. CPR classes; $6,500;
7. Community garden; $2,500;
8. Recreation programs; $400,000;
9. Tobacco Control Program; $4,000;
10. Golf Course Maintenance; $30,000.

ARTICLE 15: **CPC - MILLS**

I move that the Town vote to accept the report of the Community Preservation Committee for the FY 2022 Community Preservation Projected Receipts and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as printed in the warrant.

ARTICLE 16: **CPC - MILLS**

I move that the Town vote to appropriate $82,938 to be applied towards the bond for the Perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of Historic Preservation from the CPA FY2022 estimated CPA annual revenue. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 17: **CPC - MILLS**

I move that the Town vote to appropriate $13,033 towards FY21 Interest for the renovation and restoration of the Historic Southborough Library building from the Historic Reserve Fund; and to also vote to appropriate $71,705 to be applied towards the FY22 bond payment for the renovation and restoration of the Historic Southborough Library building for the purpose of Historic Preservation. $38,122 from the CPA Historic Preservation Reserve Fund and $33,583 from the FY21 CPA Fund Balance. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 18: **CPC - MILLS**

I move that the Town vote to appropriate $238,750 from the CPA Fund FY2021 Budgeted Reserve for the renovation and restoration of Kallander Field, located on Kallander Drive in Southborough (Parcel ID 56-0000-012-0) for recreation purposes as requested by the Recreation Department. This consists of $210,100 in project costs and an additional $28,650 in contingency funding. Contingency funds only available after approval of the CPC for unexpected costs unforeseen at the time of application. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

DRAFT

ARTICLE 19: **CPC - MILLS**

I move that the Town vote to appropriate $300,000 for the restoration and preservation of the Historic St. Mark's Bell Tower located at 27 Main Street Southborough for Historic purposes. $23,061.76 from the CPA Historic Preservation Reserve Fund and $276,938.24 from FY21 CPA Fund Balance. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 20: **CPC - MILLS**

I move that the sum of two million, thirty thousand dollars ($2,030,000) is appropriated pursuant to Mass. General Laws in Chapter 44, as amended, Chapter 44B, or any other enabling authority, for historic restoration of the Southborough Town House, including costs incidental or related thereto, for a period of twenty (20) years, excluding the term of any temporary loans issued and in anticipation therefor. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with M.G.L. c. 44 §20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

Additionally, that the sum of two hundred eight thousand, two hundred eighty-four dollars ($208,284) consisting of one hundred ninety-two thousand, six hundred and nine dollars ($192,609) from the FY22 estimated CPA annual revenues and fifteen thousand, six hundred seventy-five dollars ($15,675) from the 2021 CPA Fund Balance is appropriated for a total project cost of two million, two hundred thirty eight thousand, two hundred eighty four dollars ($2,238,284) for historic preservation purposes.

This appropriation consists of $1,986,644 for historic preservation /restoration project costs and $251,640 contingency funding, for the Southborough Town House Exterior Preservation and Restoration Project, as requested by the Southborough Facilities Department for historic purposes.

And further, that

(i) the Board of Selectmen and/or a qualified Historical Organization with the Board of Selectmen's express approval is authorized to submit on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from The Commonwealth of Massachusetts or the United States and/or any other state or federal programs including those in aid of Historic Preservation and/or any others in any way connected with the scope of this article. Said gifts or grants to be deposited in the Historic Reserve Community Preservation Fund;

(ii) the Board of Selectmen is hereby directed to grant a Perpetual Preservation Restriction on the historical exterior and windows of the Town House Building, 17 Common Street, Southborough, MA 01772 to be recorded in conformance with the requirements of Massachusetts General Laws and to enter into all agreements and execute any and all instruments as may be necessary to effect said Perpetual Preservation Restriction. The cost of the Perpetual Preservation Restriction to be paid from funds from this appropriation and the holder of the Perpetual Preservation Restriction shall be approved by a majority vote of the Community Preservation Committee;

(iii) the Town of Southborough shall retain ownership of this building in perpetuity except as authorized by a vote of the citizens at a town election with a margin of 90% approval of the total ballots cast;

(iv) the Project is to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding;

(v) all of the work will comply with the Building and Architectural Access Board codes as applicable, the historic district review requirements, and The Secretary of the Interior's Standards for the Treatment of Historic Properties;

(vi) the Town shall prepare a draft Perpetual Preservation Restriction and submit the Perpetual Preservation Restriction to the MA Historical Commission no later than 180 days after the commencement of construction activities; and

(vii) the funds appropriated hereunder are to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 21: **CPC - MILLS**

I move that the Town vote to appropriate $9,950 from the FY22 estimated CPA annual revenue for the Southborough History Museum Condition Assessment for historical purposes as requested by the Southborough Historical Society. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 22: **CPC - MILLS**

I move that the Town vote to appropriate $47,011 from the FY22 estimated CPA annual revenue for the 1.6 mile Peninsula Trail for recreation purposes as requested by the Southborough Trails Committee (STC) with $42,737 in project costs and an additional $4,274 in contingency funding. The STC shall apply for the Massachusetts Department of Conservation and Recreation trails grant for matching funds. In the event the grant funds are not awarded, these CPA funds will be used to provide signage and install required fencing to enable use of the property. Contingency funds only available after approval of the CPC for unexpected costs unforeseen at the time of application. Project to be completed in conformance with details as presented to the members of the CPC and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer.

ARTICLE 23: **SELECTMEN – TBD**

I move that the Town vote to authorize the Board of Selectmen to dispose of a parcel of land with structures thereon deemed surplus property with no further public purpose, by deed of conveyance, grant or transfer after appraisals have been obtained and upon such terms and conditions as the Board of Selectmen deem appropriate. Said parcel of land being described as follows: 21 Highland Street, having been acquired by deed dated June 26, 1911 and recorded in the Worcester Registry of Deeds at Book 1974, Page 229.

ARTICLE 24: **SELECTMEN – TBD**

I move that the Town vote to amend the interest rate per annum from 4% to 2% and increase the income limit (gross receipts) from $20,000 to $45,000 under the provisions of Massachusetts General Laws, Chapter 59, §5 (41A) which regulates tax deferral for homeowners 65 years or older pursuant to the authority contained in Chapter 136 of the Acts of 2005 of the General Court thereby amending M.G.L. Ch. 59, §5 (41A).

ARTICLE 25: **SELECTMEN – TBD**

I move that the Town vote to amend Section 9-24 "Qualification of elected and appointed officials" of the Town Code, by deleting the text in its entirety, and replacing with the following:

"All elected and appointed officials shall be qualified by the Town Clerk within 30 days of their election except where a different period is specified in the General Laws. If an appointed official is not qualified in this period, his/her appointment shall terminate, and the appointing authority shall be so notified by the Town Clerk."

ARTICLE 26: **TOWN CLERK – HEGARTY**

I move that the Town vote to amend the provisions of the Southborough Code, Chapters 41-2 9 entitled Notice of Town Meetings and § 41-26 Availability of Annual Report and Warrant as printed in the warrant.

ARTICLE 27: **TOWN CLERK – HEGARTY**

I move that the Town vote to accept the provisions of Chapter 41, Sec. 110A of the Massachusetts General Laws "Office hours on Saturday": "Any public office in any city or town may remain closed on any or all Saturdays as may be determined from time to time, in a city by the city council, subject to the provisions of the city charter, or, in a town, by vote of the town at a special or regular town meeting, and the provisions of section nine of chapter four shall apply in the case of such closing of any such office on any Saturday to the same extent as if such Saturday were a legal holiday."

ARTICLE 28: **SELECTMEN – TBD**

I move that the Town vote to adopt the provisions of MGL c.90, Section 17C to allow the Board of Selectmen to reduce the statutory speed limit from 30MPH to 25MPH on any or all town-owned roadways in thickly settled or business district areas.

ARTICLE 29: **SELECTMEN – TBD**

I move that the Town vote to adopt the provisions of MGL c.90, Section 18B to allow the Board of Selectmen to establish regulatory 20MPH safety zones on public streets within the Town of Southborough in the interest of public safety.

ARTICLE 30: **SELECTMEN – TBD**

I move that the Town vote to impose a .75% meals tax on the sales of restaurant meals by accepting Massachusetts General Laws, Chapter 64L, Section 2(a). The implementation date of the meals tax will be at the discretion of the Board of Selectmen, but not before January 1, 2022.

ARTICLE 31: **SELECTMEN – TBD**

I move that the Town vote to adopt in Chapter 9 of the General Bylaws, Article X to be entitled **"**Southborough Public Accessibility Committee", Sections 9.34 through 9.35 of the Town bylaws, as printed in the warrant.

ARTICLE 32: **ADVISORY COMMITTEE – TBD**

I move that the Town vote to amend the provisions of the Southborough Code, Section 9.8 and 9.12 thereof, as printed in the warrant.

ARTICLE 33: **SELECTMEN – TBD**

I move that the Town vote to adopt in Chapter 9 of the General Bylaws, a new Article IX to be entitled "Capital Improvement and Planning Committee'', Sections 9-30 through 9-33, as printed in the warrant.

ARTICLE 34: **ZONING BOARD – TBD**

I move that the Town vote to amend the Zoning Code of the Town of Southborough, Zoning Article I entitled "Miscellaneous Provisions" and Article V entitled "Nonconforming Uses and Structures" by amending thereto Section 174-9 entitled "Special Permit Requirements" and 174-19 entitled "Extensions", as printed in the warrant.

ARTICLE 35: **PLANNING BOARD – TBD**

I move that the Town vote to amend the Zoning Code of the Town of Southborough Article III entitled "Use Regulations" by replacing thereto Section 174-12.1 thereof entitled "Outdoor illumination", as printed in the warrant.

ARTICLE 36: **PLANNING BOARD – TBD**

I move that the Town vote to amend the Zoning Code of the Town of Southborough, Article III entitled "Use Regulations" by amending thereto Section 174-10, entitled "Site Plan Approval", as printed in the warrant.

ARTICLE 37: **PETER LAPINE**

I move that the Town vote to approve the Southborough Noise Bylaw proposal, as printed in the warrant.

ARTICLE 38: **MICHAEL WEISHAN**

I move that the Town vote to indefinitely postpone this article.

ARTICLE 39: **JONAS LINDEN**

I move that the Town vote to strongly request that the Board of Selectmen direct DPW to conduct an analysis of Flagg Road for the purpose of instituting a commercial truck exclusion (similar to Latisquama Road).

DRAFT

Quarter Report BOS

Revenues and Expenses

Quarter 3 FY2021 ending 3-31-2021

Revenues:

- General fund revenues $229 less through March 31st year over year.
- Areas of positive material revenue growth – tax lien interest, building permits, BOH permits, other miscellaneous revenue.
    - Several tax lien accounts have settled out this year.
    - Fourteen building permits issued totaling almost $230,000 during quarter.
    - 3 large permits which make up 61% of the building fees collected through March are a new dormitory for St. Mark's for $195,310, a warehouse that is being converted to self storage units for $47,500 and various projects at Fay School which total $28,000.
- Areas that have materially declined – interest earnings, RMV fines, BOS license fees.
    - Investment Income was lowered by 70K this year – low interest rate environment expected to continue.
    - The cell tower lease for the flagpole in front of the Town House has ended. In past year's we have budgeted $25,000 for that revenue category and for FY 22 we will estimate 0 dollars for rentals.
- First billing for motor vehicle excise released and it is approximately $125,000 lower than 2020, or just over 6%. Commitment 2 will be issued May – this will then represent approximately 87% of the annual billed amount and should be a more reliable indicator on revenue estimates.
    - May be a collection delay in commitment 2 and 3 – RMV had a coding error that has delayed all billings at least one month. This may result in less FY21 revenue.
- Water fund through 3-31 is approximately $890,000 year over year increase. The strong revenue growth is a result of the new rate structure and the dry season that has now passed. Will continue to monitor to gauge if rate structure needs further analysis.
- In the aggregate all revenues have stayed flat through a very difficult year. This was better than the possibility of a significant decline. With the new ARPA funds the Town will soon have guidance as to how the available funding may be drawn down to account for the areas where the Town did realize reduced revenue. Initial ARPA reg's are somewhat generic with finer rules to come later in month.

Expenses:

- Town Clerk- To date in FY 21 $8,647 of election expenses related to COVID have been moved out of the general fund and into the CARES special revenue fund. The Clerk is tracking the unbudgeted COVID costs for the town election and outdoor town meeting. Those costs will be included in the upcoming CARES reporting and application.
- Board of Health- To date in FY 21 $45,382.30 of supplies and salary related to COVID have been moved out of the general fund and into the CARES and FEMA special revenue funds. These costs will be included in the next FEMA application.
- Conservation and EDC will need minor amounts of $67.88 and $213.40 from their non-salary funds respectively to cover their FY 21 salary expenses for the year.

- DPW- was anticipating the need for a reserve fund transfer but due to salary savings will be in the black overall. They had a vacancy in their mechanic position and replaced the position at a lower pay rate and had savings in OT due to a lighter than anticipated snow season. A conservative estimate is $80,000 in excess salary funds and the DPW director is looking to use a total of $71,500 detailed on the list below.

Traffic count on Flagg	$1,500
Attachment for the sidewalk plow	$5,000
Tires for one of the loaders	$15,000
Repair transfer station yard tractor	$15,000
Driver Feedback Signs	$7,500
Driver Feedback signs install	$20,000
Engineering Framingham Road	$7,500
TOTAL	**$71,500**

The equipment pieces would have come from the expense budget, but the expense budget was used to pay for a contracted mechanic in the interim before the new hire came onboard. The traffic count and driver feedback items are requests from residents. The Framingham Road concept plans would come from the road article but the Director would rather use available budget funds at this time if available.

- The next CARES reporting application which covers the period 1/1/2021 – 3/31/2021 is due to the State on 6/4/2021. They have opened the reimbursement portal as well so I will be filing a reimbursement request as well for CARES within the same timeframe. The State's most recent guidance said they will be updating cities and towns on a monthly basis through 12/31/2021 with regard to uses and procedures.
- Currently FEMA is covering vaccination costs less any insurance reimbursements received. The vaccination costs we have incurred to date totals $6,462.36. We should see these costs continue through mid-June. A FEMA vaccination application will be submitted once the regional vaccination clinic wraps up.
- A portion of the ARPA funds should arrive from the State shortly. The Division of Local Services have issued no guidance as of yet with regard to these funds and they are available for use through December 31, 2024. The funds can be used to backfill revenue shortfalls. We are looking forward to seeing how these funds align with the other reimbursement sources and making the most of these economic recovery funds. Some revenue areas of loss may be motel, excise, ambulance, and some smaller revenue areas (library fees, etc).
- The Reserve fund has several potential transfers being tracked. Currently on the list is a transfer to cover the overage for the Northborough court judgement $2,586.19, Advisory to cover their minute taker $1,000.00, Fire for the antenna on the Public Safety Building $8,640.00, BOH to cover the expense of Paul Pisinski's 6 hour a week contract Jan to June $7,050.00, and there is potential for a transfer for Town Clerk amount to be determined. The Town Accountant will be meeting with the Clerk after Town Meeting to go over his costs and will be in touch with departments

weekly in June to monitor their budgets. We do not foresee a need for any other transfers at this time but will keep you in the loop if a situation develops.

- We had a department meeting last week and the Town Accountant made a point to remind departments to please make an effort to curb unnecessary year end spending. The more we can save this year the stronger position we will be in with Free Cash for next year. We expect to review balances post June 30th and travel budgets will be reviewed accordingly for spending patterns.

	FY20 BUDGET	3/31/2020	FY20. vs Estimate	FY21 BUDGET	3/31/2021	FY21 vs Estimate	3/31/21 VS 3/31/20
Motor Vehicle Excise	2,075,000	1,907,826	(167,174)	2,125,000	1,735,353	(389,647)	(172,473)
Other Excise	85,000	95,194	10,194	85,000	61,557	(23,443)	(33,637)
Fees/Int. - Taxes & Excise	70,000	56,222	(13,778)	60,000	118,136	58,136	61,914
Pymnts in Lieu of Taxes	400,000	76,469	(323,531)	430,000	76,329	(353,671)	(140)

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 7, 2021, 6:30 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Chelsea Malinowski, Sam Stivers, Andrew Dennington (BOS)
Don Morris, Andrew Mills, Meme Luttrell, Marnie Hoolahan, Jesse Stein (Planning Board), Town Planner Karina Quinn.

This was a joint meeting with the Planning Board. The preamble was already read by Planning Board Chairman Don Morris, so Vice-Chairman Chelsea Malinowski called the Selectmen to order at 6:07PM. The purpose of the meeting was to discuss the Downtown District bylaw with the Planning Board and with Special Counsel Adam Costa.

Mr. Morris indicated that the Planning Board had reviewed the comments back from Attorney Costa on the ten items on the Downtown District bylaw, and asked if the group wanted to go over them one by one. Attorney Costa gave a brief overview of the bylaw process to date, and hoped to answer any lingering questions that remained regarding the legal aspects of the bylaw. Mr. Morris said that Attorney Costa's answers were helpful and provided clarity. Mr. Mills still has questions about the lot coverage size. Attorney Costa said that those questions are more discretionary to the community, and what the community wants to see for development in the downtown. The lot size in the current version falls about in the middle of what other communities allow in their bylaws for lot size. Mr. Stein asked about the zoning lines cutting through lots, and if that was an issue. Attorney Costa said that was fairly common within municipal governance, and it is almost impossible to have zoning boundaries line up with parcel boundaries. The Town's zoning bylaw already addresses split lots. Mr. Stein asked what the threshold is to be considered part of a zoning district. Attorney Costa said that the portion of the lot in a current district is subject to that district unless otherwise determined in the bylaw. Ms. Luttrell wanted to reiterate on the 2/3 approval requirement for a zoning bylaw. Attorney Costa said that most of the proposed changes would fall under the new State legislation that requires the higher quantum of vote, which is 2/3, if taken all in one article. Separating the changes into multiple articles may change the quantum of vote required. Ms. Luttrell still has an issue with the definition of mixed use, and the use of mixed use in the Code. Attorney Costa said that a subsequent conversation after the meeting could probably clarify Ms. Luttrell's concerns. Ms. Hoolahan shares the same concern with Ms. Luttrell, and can be part of any follow up with Attorney Costa. She thanked Costa for doing a thorough job with his review and answering the questions.

Mr. Morris talked about next steps with regard to the bylaw, and reviewed Attorney Costa's answers to each question individually. Mr. Morris said that if the neighbors have reasonable objections to the bylaws, then Town Meeting will likely support those concerns and the article will have a hard time getting the necessary 2/3 vote. Mr. Morris asked about what the next steps were for making further revisions to the bylaw. Ms. Malinowski said the purpose of this meeting was to get Planning Board's questions answered, and that Selectmen will discuss next steps at their meeting next week. Mr. Healey said that the Selectmen had several meetings in the fall to determine where the common ground fell. The goal remains for Selectmen and Planning Board to identify where they agree on the proposed bylaw. Mr. Healey said that hopefully the legal issues are simply a drafting issue that can be resolved in a straightforward manner. Mr. Healey asked Planning Board if there are issues outstanding beyond legal

issues, then those need to be identified and hashed out. Ms. Quinn said one of the things that has been difficult from the beginning is to have some examples about how certain changes will apply based on a given project; maybe Attorney Costa or Ms. Barrett could help with that. Ms. Luttrell said that the 80% lot coverage is a non-starter for her in supporting the bylaw, as well as building height. Ms. Luttrell also has an issue with the density. Mr. Mills said that the proposed density is also an issue for him, and that it doesn't conform to the downtown. Mr. Healey asked what the preferred density is to be considered acceptable. Mr. Stivers agreed with Ms. Luttrell on the density issue, as well as the height issue and various inconsistencies pointed out by Attorney Costa. Mr. Mills is concerned about having these discussions outside of a public hearing, but Mr. Healey said that these discussions are necessary to come up with a proposal to bring to a public hearing. Mr. Stivers suggested that the Planning Board should come up with a proposal for the Selectmen to consider. Attorney Costa had to leave the meeting to attend another meeting at 7:00PM, but agreed to work with all parties to come up with an acceptable proposal to bring to a public hearing. Mr. Healey said that it has been a focus of Selectperson Braccio as to what the landowners and abutters think about the split lots and zoning changes, and that will have to be taken into account in the process. Ms. Hoolahan said that Planning Board did provide their opinion on the FAR and the density, but that they were not in agreement with EDC. She said that the zoning has to be appropriate to the lots, and take into account the comments of the abutters. Mr. Stein agreed with Ms. Hoolahan, and also said that the affordable housing piece was changed to his liking. Ms. Malinowski said that the comments from tonight will be taken back to the 6/15 Selectmen meeting, and we can circle back as to where everyone stands after that. The hope being that both boards are in agreement heading into a fall town meeting.

Mr. Dennington asked about the process of drawing the map for the article, and was it complicated. Mr. Healey said that it was not.

Ms. Malinowski made a motion to adjourn the meeting at 7:05PM, seconded by Mr. Healey. Roll call vote: Healey – aye; Stivers – aye; Dennington – aye; Malinowski – aye. Motion was approved unanimously, 4-0-0.

Respectfully submitted,

Mark Purple
Town Administrator

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 8, 2021, 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough
Present: Marty Healey, Chelsea Malinowski, Sam Stivers, Lisa Braccio, Town Administrator Mark Purple. Ms. Braccio was participating remotely by Zoom. Mr. Dennington had previously recused himself from participating in the counsel interviews, and was not present.

Ms. Malinowski called the meeting to order at 6:31P.M., and read the preamble. She noted that Ms. Braccio was participating remotely and had filled out the required paperwork.

Ms. Malinowski said that the Board is interviewing four firms for town counsel, and one firm is not available this evening. She said the Board will be conducting that interview next Tuesday, and then will schedule a special meeting to make a determination. Ms. Malinowski said that the meeting is being recorded this evening on Zoom, and it will be made available to the public after the last interview is complete. She directed the counsel candidates that in order to speak, you had to hit the spacebar to unmute and mute again. The Board has allocated 30 minutes for the interview: 3-5 minutes for an introduction, and 25 minutes to answer 8 questions; the eighth question is a wrap-up question, and should be 3-4 minutes. Mr. Purple will signal when there is 5 minutes remaining. Ms. Malinowski recommended that the candidates pace themselves with the questions and the time requirements.

<u>Mead, Talerman & Costa, LLC</u>
Attorneys Jay Talerman and Katherine Feodoroff were present. Attorney Talerman introduced the firm, which grew out of the firm Blatman, Bobrowski & Mead. He noted that they are offering different billing options, as billable hours is not always the best fit for a community. Attorney Talerman noted that he and his firm are responsive, available, and has a passion for municipal law. He also noted that he currently does special counsel work for Southborough. Attorney Feodoroff addressed the firm's team approach to counsel services.

On the question of policy, Attorney Talerman said that he tries to get as close to the policy line without crossing it in his opinions. Opinions can be by phone or email, and expectations are defined up front. He noted that with flat or hybrid fee options, decision are more defensible and litigation is shown to decrease. The issues that he sees coming for Southborough in the future are managing expenses, regional school, land use, and town/gown relations. He added that they will conduct monthly office hours and attend three board meetings.

Attorney Feodoroff reiterated the firm's passion for municipal law, and their collaborative approach to finding solutions. Attorney Talerman noted his prior work in Southborough, including town meeting issues, and the successful financial resolution to a regional school issue.

<u>West Group Law, PLLC</u>
Ms. Malinowski repeated her earlier introduction and instructions to the firm for the interview.

Attorneys Steven Torres and Jillian Jagling were present. Attorney Torres began by congratulating the Town on its response to the COVID-19 pandemic. He said that is firm consists of a team of lawyers with small town and international experience; big experience with local commitment.

Attorney Torres outlined his process for issuing opinions, and said that no advice on policy is given until it is asked for. He tries to provide options for the Town to consider, and places a price tag on risk. Attorney Jagling said that in almost all cases, the firm would issue written legal opinions. Attorney Torres said that education is vital to mitigate liability, and sets up trainings for employees and volunteers on OML, ethics, and public records, both annually and as-needed. He noted the Park Central issue, and that his firm has 40B experience. Attorney Torres identified public safety and compliance issues as well as infrastructure and funding needs as those impacting Southborough moving forward. He said that when special counsel needs to be retained for an issue, that it would be negotiated at the same rates as his firm had with the Town. Attorney Jagling said that they issue monthly status and summary reports on current cases, by category.

Attorney Jagling said that the Town deserves a suite of legal services, and that their firm is the best choice because of their depth and experience.

<u>Petrini & Associates, P.C.</u>

Ms. Malinowski repeated her earlier introduction and instructions to the firm for the interview.

Attorneys Christopher Petrini, Christopher Brown, Amanda Zuretti, and Michael Terry were present. Attorney Petrini introduced his firm and the attorneys present. The Framingham firm was established in 2004 as a boutique firm to represent cities and towns with expertise, accessibility and a team approach.

Attorney Brown said that he leaves policy decisions to the Board of Selectmen. Opinions are rendered in a number of ways, through email, memo, or in person. He noted that ethical issues are not always straightforward. Attorney Petrini said that risk is mitigated by legal advice being given in advance of decisions being made. He suggested that there be a policy to control the use of counsel, and has templates available to that effect. The attorneys identified development, growth, and labor issues as the biggest issues facing communities in the future. While most legal issues are handled in-house, Attorney Petrini noted that tax title and cable are two things that outside counsel services would be engaged, and that would be done in collaboration with the Board. Attorney Brown noted that their firm is a “green firm” for the most part, meaning paperless. Cases are tracked through a management system to index matters, including cloud storage. Attorneys work through the Town Administrator, keeping the Board apprised as needed. With regards to litigation, Attorney Brown said that their firm tries to find ways to effectively end the litigation. Attorney Petrini said that the best cases are resolved through mediation and pleadings. Cases must be assessed based on cost and likelihood of success to control the impact on the budget.

Attorney Brown said that he prides himself on municipal representation, and that he finds legal work rewarding. He cares about his clients, and limiting their liability. He also stressed the importance of the educational aspect of counsel to employees and volunteers. Attorney Petrini reiterated the firm’s legal expertise and team approach, as well as their knowledge of local issues.

Mr. Healey made a motion to adjourn the meeting at 8:26PM, seconded by Mr. Stivers. Roll call vote: Healey – aye; Stivers – aye; Braccio – aye; Malinowski – aye. Motion was approved unanimously, 4-0-0.

Upcoming Meetings
June 15, 2021
July 13, 2021

Respectfully submitted,

Mark Purple
Town Administrator

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 15, 2021, 6:00 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers, Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 6:00 P.M.

II. At 6:00 P.M. the Board entered into Executive Session per M.G.L. Chapter 30A, Section 21, and returning to Open Session, to discuss strategy with respect to pending litigation (Exemption 3) for the following: (I) Huang vs. ZBA, et al.; and (2) Paul A. Dwiggins vs. Kenneth Paulhus, Chief of Southborough Police, as the Chair has determined that discussion in an open meeting may have a detrimental effect on the Town's litigating position.

Mr. Dennington left the meeting.

III. Scheduled Appointments

Town Counsel Interview: Aldo Cipriano, Esq.

Ms. Malinowski read the information consistently presented to all interviewees outlining the process. Attorney Cipriano gave a brief background of his education and professional history. He introduced assistants Attorney James Lampke, Attorney James Scanlon and Attorney Michael Tromblay and gave a brief background on their education and professional history. He added that each of these attorneys act as a team along with Attorney Leger when needed and all have done work with the Town of Southborough. Ms. Braccio read the first question and Attorney Cipriano replied that his role is to give legal advice and guidance and not creating policy. Mr. Stivers read the second question and Attorney Cipriano described his most compelling ethical issue with the City of Marlborough. Ms. Malinowski read question number three and Attorney Cipriano explained that education is key for boards and committees to avoid risk of litigation. He explained the free workshops and seminars he provides for citizen volunteers. Mr. Healey asked the fourth question and Attorney Cipriano explained the challenges the Town has and will have in the future. He described issues with development and zoning, growth and the restatement of use of parcels and protection and preservation of assets of the Town. Ms. Braccio asked the fifth question and Attorney Cipriano explained his approach to determining whether he needs assistance with additional counsel as needed. Mr. Stivers asked the six question and Attorney Cipriano explained his system of organizing documents and informing the Town and boards and committees of decisions and litigation. Ms. Malinowski asked the seventh question and Attorney Cipriano gave examples of cases in the City of Marlborough and Town of Southborough regarding zoning and affordable housing. Mr. Healey asked the eighth question, for a closing argument for why he wants the Town Counsel position and why he would be the best fit along with what would be expected for the first year if selected for the position. Attorney Cipriano explained his deep understanding, passion and compassion for the Town. He stated he is not just a lawyer of the day and he takes pride in representing his Town and he has qualified backup if it is needed.

Chairman Braccio requested the Board take a two-minute recess at 6:55 P.M. and returned at 6:57 P.M. Mr. Dennington returned to the meeting.

IV. Public Comment

None

Supt. Of Schools Greg Martineau – SOI for Neary School

Mr. Martineau explained the District's interest in submitting a statement of interest to the MSBA. He explained the two programs the MSBA applied for by the District which included the Finn boiler which was successful. Another statement of interest was submitted for roof replacements at Neary, Finn and Trottier Schools. Mr. Martineau explained the CORE program and the grant he wishes to apply for in order to support the renovation of Neary School. He requested support to submit a statement of interest to the MSBA which is due June 21st. Mr. Martineau explained that this will not commit the schools to any work but opens the door for the possibility of funding for a town supported building project. Ms. Braccio asked if the School Committee supported the submittal of an SOI to the MSBA and Mr. Martineau replied they voted to support at the last meeting. Mr. Healey asked about the timeline for next steps after submitting the SOI and Mr. Martineau described the four to six-month eligibility review process from the MSBA. Mr. Martineau explained how and when a cost would be determined for the project. Mr. Stivers stated that he has reviewed the information and the work needs to be done. The right decision is to move forward. Chairman Braccio read the motion to authorize the Superintendent to submit to the Massachusetts School Building Authority the statement of interest form dated June 25, 2021 for the Margaret E. Neary Elementary School. Ms. Malinowski moved the motion. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Healey, aye; Dennington, aye; Stivers, aye; Braccio, aye.

Transfer Station Rules & Regulations for Fiscal Year 2022

DPW Superintendent, Karen Galligan gave an update on the fiscal year 2022 Transfer Station rules and regulations. She outlined the changes to the needs-based free sticker and the removal of replacement transfer station stickers fees. She explained the budgetary allotment for the funds from the sticker fees. Mr. Stivers stated usually there is a chart outlining options for fees. He said he felt that the Town should subsidize $100,000 for the Transfer Station, spoke to ideas about senior stickers, fees for replacement stickers and fees for multiple stickers which were not included. Ms. Galligan stated there was a fee for a third sticker and that came out and became unlimited. She added because the funds go to the general fund, it is a decision of the Board. She explained the reasons for the changes that were made previously. She added that the DPW will enforce any amendments by the Board. Mr. Dennington stated under the proposal that the senior sticker fee is free and asked if that is how it is currently and Ms. Galligan replied that it was. There was discussion regarding Town income if there was a $50 senior sticker fee. Ms. Malinowski stated she agreed with Mr. Stivers with the $100,000 coming from the general fund and suggested a fee for a second sticker or increasing the initial fee and having an additional sticker to be fee. She would like to steer away from having a senior sticker fee. She explained a suggested streamlined process for need-based stickers. Ms. Malinowski explained a process similar to the Rent and Mortgage Assistance Plan. She added that the applications should not be discussed in a public meeting but it would be an electronic application. Ms. Malinowski volunteered to be the board's representative to review and approve need-based sticker applications and forward to DPW. Mr. Healey stated he agreed with this process and asked Ms. Galligan if there were many households with four or more stickers and she replied there was not. Chairman Braccio stated she was not in support of a senior sticker fee. She suggested instituting a $25-$50 fee for a second sticker. There was discussion regarding increasing fees. The Board agreed to not increase Transfer Station sticker fees. Mr. Stivers made a motion to accept the

Transfer Station Rules & Regulations for Fiscal Year 2022 as written. Mr. Dennington seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye. Mr. Stivers made a motion to accept transfer sticker fee waiver form as shown in the packet with Ms. Malinowski representing the Board to review the paperwork submitted. The motion was seconded by Mr. Healey. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Discussion of Flagg Road HCVE request

Mr. Linden walked the Board through his PowerPoint presentation as included in the packet. He asked the Board to begin submitting this to the State to have a truck exclusion on Flagg Road. Mr. Healey asked what the alternate route would be for the trucks to take instead of Flagg Road. Ms. Galligan stated that it would not be optimal for the trucks to turn further down to the end of Deerfoot Road and said the alternate route would be through Westborough. She explained that they would need to ask permission from the Town of Westborough to use their road as an alternate route. She explained that Route 30 is already excluded and how truck exclusions work. She explained the difference between Gilmore and Flagg Roads. Ms. Galligan then gave a summary of her report provided to the Board as included in the packet. Chairman Braccio asked for clarification on the process to begin and Ms. Galligan described the steps. Mr. Dennington stated that the truck exclusion would be aimed at only extremely large trucks and explained the options they had on Route 9 and 85 for use. He felt there is merit to a truck exclusion. Ms. Malinowski clarified that there were six trucks over a three-day period which she felt were not that many. She asked if there would be more trucks on Parkerville and if the problem will be diverted to another road if the truck exclusion were done on Flagg Road. She added she did not want to make a safety issue elsewhere. Ms. Galligan stated that is a concern. She explained current truck traffic, concerns and issues in these areas. Mr. Linden stated that Parkerville has sidewalks and speedhumps where Flagg Road does not. Ms. Malinowski replied that she understood but Parkerville also has a school which needs to be accommodating to students. There was discussion regarding possible alternate routes and the impact on those streets. Mr. Healey asked Ms. Galligan if it was known if the trucks on Flagg Road were from Ken's Foods, Inc. Ms. Galligan stated she did not know and Mr. Healey asked for this to be looked into. He asked if there could be an exclusion in one direction and Ms. Galligan replied that she will find an answer.

Mr. Stivers stated the amount of large trucks which are the primary concern are less than 10% of traffic and could be managed. He suggested finding a way to physically limit the intersection at Route 9 and Flagg Road so large trucks could not make the turn but a school bus or a fire truck could. Ms. Galligan replied that may be possible and explained potential issues this could cause. Mr. Stivers asked to inquire about permission from Westborough before any other steps are taken. Ms. Galligan explained the conversation had with Westborough for the Gilmore Road truck exclusion. Chairman Braccio requested to find out if a northbound exclusion could be done on Flagg Road. Mr. Healey suggested Ms. Galligan inquire about permission from Westborough for an alternate route and whether a northbound truck exclusion is possible. The Board agreed to continue the discussion at a future meeting.

V. Reports

Chairman's Report

i. Earmarking of funds

Chairman Braccio cautioned against earmarking funds because the Town is still understanding guidelines as far as distributing funds from grants and ARPA. The Board also has not discussed how to distribute these funds.

ii. Use of Town email by Town officials

Chairman Braccio stated that the Board enforced the use of Town emails and it is not being done globally. She stated that the Town email can be forwarded to a personal email but responses must copy the Town email as well. She suggested working with Mr. Montijo to put a path in place that Town business cannot be conducted on personal email in any way. Chairman Braccio stated Town email use is a requirement. She suggested a discussion at a future meeting and the Board agreed.

iii. Volunteer event

Chairman Braccio stated the volunteer appreciation breakfast is Thursday morning. She added the employee lunch was spectacular and she heard a lot of positive feedback. Chairman Braccio thanked the employees for all their work through COVID and throughout the year.

Members' Reports

i. Brian Shifrin Field dedication

Ms. Malinowski stated on June 2nd the Brian Shifrin Field signage was revealed and a beautiful ceremony was hosted by Recreation and Southborough Little League. She added Carolyn Dykema was in attendance and it lined up with ALS Day. The sign is up on the old Finn 1 Field. An Eric Green sign was erected that was similar.

ii. June 13th Eagle Scout Ceremony

Mr. Healey stated the ceremony was on Sunday at Neary and Representative Dykema was in attendance. He said he looked at all the Eagle Scouts projects done throughout Town and thought having a compilation of all the projects would be a great. He listed those who received their Eagle Scout as follows:

Gabrielius Lukas Bazikas who designed and installed an engraved granite bench honoring our long-term Town Moderator, Lt. Col (ret.) John Wilson at the All Wars Memorial in Southborough which also received some maintenance.

Garrett Evan Goodney who created an outdoor learning area consisting of a stage platform and benches at the Neary Elementary School in Southborough and installed two tetherball play areas.

Eric Christopher Hanson who designed and built several trailhead kiosks for the Southborough Trails Committee.

Brendan Patrick Hermanspan who replaced a railroad-tie bordered garden area at St. Matthews Church in Southborough with a masonry wall and all new plantings.

Adam Rainer Ramondo who refurbished the softball field at the Woodward Elementary School in Southborough including some landscaping and replacing the dugout benches.

Matthew Scott Richardson who designed, built, and placed a series of cedar benches along trails at the Chestnut Hill Farm in Southborough.

Zane J Walter who created a parking area with a kiosk at a trailhead adjacent to the Chestnut Hill Farm in Southborough.

Andrew Alexander Zalev who designed, manufactured, and installed 13 permanent flagpoles at the All Wars Memorial in Southborough.

iii. ARPA funding

Mr. Stivers stated he attended the groundbreaking ceremony for the new dorms at St. Mark's School. He added that they expressed appreciation for the Town's land swap with the Golf Course as it allowed them to place the dorm in an advantageous place.

Mr. Stivers stated that earmarking should not be done but boards and committees could begin to think about potential projects that could be done with funding from ARPA. He added there is value to understanding the details regarding guidelines and how the funding works as updates are released from the Treasury weekly. He stated the faster the Town is able to prepare, the more of an advantage Southborough will have to use some of these funds. Ms. Malinowski agreed that the Board should be aware of the guidelines as they come out. She stated she was disappointed watching the Conservation and subsequent Recreation Committee meeting in the last two weeks. She added that to have a member of the Board endorsing a presentation of a project not even on the radar gives the wrong impression from this Board. She asked the Board to hear department heads and listen to needs and ensure the Board is on the same page before misrepresentations are brought to other boards and committees. Mr. Stivers stated he appreciated the point and said he was responding to a resident request at the Conservation Commission and was not endorsing the project. Ms. McAuliffe gave an overview of the webinar she will be attending tomorrow regarding the ARPA funding. She explained they did apply and she is not aware of anyone who has received funds yet. Ms. McAuliffe explained that she will be continuing to investigate ARPA funding.

Town Administrator's Report

Mr. Purple reminded the public that scholarship applications are due to the Town House on Friday, June 18th by 12:00 P.M.

VI. Consent Agenda

a. Ms. Malinowski asked to hold agenda item "a." She asked that a change be made on page June 7th minutes, row 33. The Board agreed. Mr. Stivers stated that in the April 6th minutes, there should be a change on row 55. He asked for a change in the May 18th meeting minutes on line 205. The Board agreed. Mr. Healey made a motion to approve Open Session Meeting Minutes: April 6, 2021; May 18, 2021; June 7,2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.
b. Ms. Malinowski asked to hold agenda item "b." She informed the Board she is abstaining from this vote. Ms. Malinowski left the meeting while the Board discussed this topic. Chairman Braccio asked the Board to approve the makeup of the group change from seven to five members. She explained that they are losing two members. Mr. Healey stated he is ok with this and asked how the committee feels about it. Chairman Braccio stated she is unsure and added she will ask before the next Board meeting. The approval of new charge for Capital Planning Committee was held until the next meeting.
c. Ms. Malinowski returned to the meeting. She asked to hold agenda item "c." She stated she would like to wait to approve these and reach out to the chair of each committee to ensure that

those identified here would like to be reappointed. She asked for the Selectmen's Office to reach out to the chairs to clarify who may not want to be appointed. Chairman Braccio stated that she knows of at least one person that is on the list that do not want to be reappointed. Mr. Healey stated that before he votes to reappoint anyone on the Historical Commission, there needs to be a conversation with the Board. The Board agreed to hold the appointment Board/Committee members FY22 until the June 22nd meeting.

d. Mr. Healey made a motion to accept donations totaling $135.00 for Fire Department Ambulance Fund. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

e. Mr. Healey made a motion to extend the charge term of the Capital Planning - School Research Subcommittee to December 31, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

f. Ms. Malinowski asked to hold agenda item "f." She informed the Board she will be abstaining. Mr. Healey made a motion to authorize Town Administrator to sign Statement of Commitment for Public Health Shared Services program. Mr. Stivers seconded. The motion passed all in favor (4-0-1) by roll call vote, Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye. Ms. Malinowski abstained.

g. Mr. Healey made a motion to approve departmental expenditures for FY21 per Financial policy. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

VII. Other Matters Properly Before the Board

Draft Charge for Noise Bylaw Ad Hoc Committee

Mr. Stivers walked the Board through the process he took to create the draft charge and why he chose the suggested members. Ms. Malinowski stated the Board of Health would like voting member or ex-officio on this committee. She added she was unsure of the Building Commissioner's role on the committee. Mr. Healey echoed Ms. Malinowski's comments and suggested including the Police Chief and a member of the Board of Health. He added he would not have a Board or Advisory member. He asked to see what was considered and rejected along with what was proposed as there are various ways a noise bylaw could be approached. Mr. Dennington gave his feedback which included having at least three at-large member. Chairman Braccio stated she had the same opinions regarding the Board and Advisory. She suggested the Building Commissioner be removed as she has no enforcement and asked a Board of Health member be added. She said she would approve three at-large members as Mr. Dennington suggested. Mr. Healey stated there should be five at-large members and two ex-officio members. The Board agreed. The Board discussed the timing of fall Town Meeting and suggested removing the language in the charge alluding to that timing. Chairman Braccio asked Mr. Stivers to make revisions based on the feedback for the June 22nd meeting. Mr. Stivers agreed.

Liability insurance for notary services provided by the Town

Ms. Malinowski stated MIIA changed their coverage for additional liability insurance for notarizing residential documents. She explained what will not be covered in the insurance beginning July 1st and the additional fees. She gave a summary of her discussion with those departments that have a notary which included the Town Clerk, Treasurer/Collector and Conservation Commission. Jim Hegarty, Town Clerk gave his thoughts on the matter. He asked the Board to make the policy decision of whether it makes sense for the Town to offer these services when notaries are readily available outside of Town offices. He explained the amount of time it takes to notarize certain documents and the hours it is offered throughout the week. Mr.

Hegarty explained the $1,000 ($250/per employee) increase in liability per year to notarize residential documents. Mr. Healey said he felt that cost was worth offering the service to the public. Mr. Stivers agreed. Ms. Malinowski made a motion to increase the liability insurance for the four employees that proved notary services to the Town with the limitations Mr. Hegarty outlined. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye

Review of Special Municipal Employee designations

Chairman Braccio stated the list of municipal employees are included in the packet and asked the Board review them. Mr. Purple stated he will review the Advisory designation and there was discussion regarding whether the committee members and EDC members should hold the exemption or not. Mr. Healey and Mr. Dennington stated they felt more people should have the designation and explained why. Ms. Malinowski and Chairman Braccio stated they felt the designation should be more restrictive. Mr. Stivers stated he would like to talk to the committees to understand their opinion on the designation. The Board agreed to reach out to the committee chairs to understand the interest of Advisory, Council on Aging and the EDC. This topic will be added to the June 22nd meeting.

Discussion of Counsel review of IMA for Shared Services

Ms. Malinowski reported an update on the Counsel review. MAHB will be conducting a legal review of the IMA document as well as KP Law, Town Counsel from Northborough. She asked the Board if they would prefer Southborough Town Counsel to review this as well. She stated she would like our Town Counsel to review. The Board discussed and Ms. Malinowski requested the IMA be sent to Town Counsel for review. The Board agreed.

Update/discussion of 15 Main Street

Chairman Braccio stated the Historical Commission was invited to attend tonight but could not attend. She stated the chair of the Historical Commission asked that the Board does not have any substantive discussion of 15 Main Street tonight. He requested the item be removed from the agenda. She added that this topic is on their next meeting on June 17th and read the agenda items which included a review of the discussions the Board had this evening, the legal opinion requested by the Board and revisions to the rules and regulations sheet. Ms. Braccio reviewed the timeline of 15 Main Street as included in the packet. She referenced sections of the bylaw that were violated during public hearings held by the Historical Commission regarding 15 Main Street. She shared concerns on the one-page fact sheet being used as rules and regulations by the Commission. She stated the homeowner was being required to sell her house. Chairman Braccio and Town Counsel do not believe the demo delay bylaw can enforce this nor does the Commission have the authority to stop a demolition permit. She stated that only the Building Commissioner can stop a permit. Chairman Braccio reviewed the processes outlined by Town Counsel that could have be done to mitigate issues but the permit was closed by the Commission which is not allowed. She concluded that nine months had passed since the Historical Commission public hearing and the applicant was then issued the demo permit by the Building Commissioner. Chairman Braccio and Mr. Purple support Ms. Livoli's decision to issue the permit. The Chair of the Historical Commission does not agree. Mr. Healey stated that he reviewed previous minutes and he does not think this is an isolated incident and that this was done to other homeowners. He added that the actions of the Historical Commission may have opened the Town to significant liability. Mr. Healey stated he looked at 75 other demolition delay bylaws and it is clear that it is a delay and not a demolition deny. He stated that the Historical Commission created their own law. He added that forcing homeowners to sell their

homes is not what Town Meeting voted on and he is embarrassed as a town official that this behavior has taken place. Mr. Healey committed to reaching out to previous homeowners treated in this way. He outlined more concerns regarding the rules and regulations and the lack of review from Town Counsel after being told it was approved by Attorney Cipriano. Mr. Healey stated it is dangerous to have the Historical Commission continue with this level of authority with the current member composition and it needs to be addressed.

Mr. Stivers stated he reviewed this as well and there are process steps that need to be fixed through education. He stated that he felt that after nine months of review with the Historical Commission, the demolition permit could be issued. He said Town Counsel's involvement is necessary in the demo delay process and reviewing the bylaw itself to correct any issues. Chairman Braccio gave a summary of Town Counsel's multiple offers to work with the Commission to refine their documents. She stated he was never taken up on his offers. Mr. Healey clarified that Attorney Cipriano is at not fault in this situation as he made himself available and made multiple offers to assist the Commission. Mr. Dennington pointed out inconsistencies between the Demo Delay Bylaw and the Historical Commission's fact sheet. Ms. Malinowski stated she was disappointed the actions of the Commission took away from the point of the demolition delay bylaw to preserve the historical nature of homes in Southborough and added it is the responsibility of the Board to ensure residents are being treated appropriately and appropriate processes are followed. She stated that this is very concerning and the Board needs to ensure the Historical Commission has the tools to enforce what is in their purview. There was discussion regarding including this topic on future meetings. Chairman Braccio stated she will invite the Historical Commission to their July 13th meeting.

Selectmen's Representative to SHOPC

Chairman Braccio volunteered to be the Board representative for SHOPC. She added she would like to speak with Mr. Dennington regarding his interests. The Board will discuss and vote at the next meeting. Ms. Jasinski told the Board that SHOPC meet Wednesday mornings at 8:00 A.M.

VIII. Public Comment

Howard Rose (2 Bantry Road) thanked the Board for reviewing the truck exclusion. He encouraged the Board to see the urgency for and to walk the road to see how dangerous it is. He explained the difference between Flagg and Parkerville Roads. Mr. Rose requested the hiring of an environmental noise specialist to work on a noise bylaw.

Tim Litt (148 Woodland Road) stated it is important to find out what the barriers are to board and committee members who are not using town email. He outlined some reasons given in the past. Mr. Litt stated he misses the table that was in the room previously. He stated that he is baffled that Board has not appointed the ex-officio member to the MTC. He asked the Board to do so.

IX. On a motion made by Mr. Stivers, seconded by Mr. Healey and voted all in favor by roll call vote, the meeting was adjourned at 9:51 P.M.

Subject: Capital SRC Subcommittee - Extension of Charge End Date
Date: Monday, June 07, 2021 10:43:30 AM

Hi Mark,

Based on the recommendation of the Superintendent, I would like to formally request that the BOS extend the charge of the Capital Planning Committee - School Research Subcommittee to December 31, 2021.

It is currently set to expire on June 30, 2021, so I'd greatly appreciate if you can add this to the Board's agenda on 6/15.

Thanks,

Jason

CAPITAL PLANNING COMMITTEE

The Capital Planning Committee shall be an ad-hoc committee made up of seven (7) members, all appointed by the Board of Selectmen. The positions shall be filled by residents of the community who are willing to volunteer their time in assisting with the review and evaluation of capital items and projects ~~contained within the Town's Capital Plan, and developing strategies to move these projects forward for approval in a financially responsible manner~~brought forth by Departments, Boards, Committees, and Commissions to maintain the town's 10-year Capital Plan. The Finance Director and Town Administrator shall act as ex-officio members of the Committee. As such, these positions will not count toward the quorum, nor will they have a vote on committee matters.

CHARGE

The primary charge of the Capital Planning Committee is as follows:

- Work with Town Finance Team to maintain town's capital plan. This will be achieved by regular meetings and discussions with Town Departments, Boards, and Committees that will put forward requests for Capital Funding as part of an Annual or Special Town Meeting. While this Committee will have no oversight of the annual operating budget, they need to be aware and receive regular updates of the operating budgets to ensure that capital needs are considered in an appropriate order and timing.
- ~~In the immediate term, perform a comprehensive assessment of all owned town facilities and property (including school properties). Work collaboratively with other town boards and committees to provide a plan for construction, remodeling, consolidation, or sale. Provide status report on or before September 1, 2020 to Board of Selectmen and Advisory Committee with a formal report on all initial recommendations by December 31, 2020.~~
- In the absence of a formal building committee for a specific project, this Committee will serve as point of initial approval for all project expenses, change orders, and invoices. Projects falling under the oversight of this Committee will specifically be decided as part of or immediately following any Town Meeting appropriation by a vote of the Board of Selectmen based on a recommendation from the Town Administrator.
- If the Board of Selectmen decide to have a separate Building Committee for any specific project, then a member of this Committee shall be appointed.

TERM

The Capital Planning Committee appointments will be for one year terms.

Approved: February 11, 2020; Amended August 18, 2020

Board of Selectmen
Town of Southborough
17 Common Street
Southborough, MA 01772

Dear Town of Southborough Board of Selectmen,

Enclosed, please find the following donation made to the Town of Southborough Ambulance Fund for your acceptance.

RECEIVED FROM:	AMOUNT:	ACCOUNT SPECIFIED:
Patricia A. Aspinwall	$10	Ambulance Fund (2659-4-220-483-48310)
Kathleen B. Bartolini	$50	Ambulance Fund (2659-4-220-483-48310)
Natalie J. Fantony	$25	Ambulance Fund (2659-4-220-483-48310)
Josephine A. & John B. Shea	$50	Ambulance Fund (2659-4-220-483-48310)

Thank you for your consideration of this request.

Sincerely,

Steven E. Achilles
Southborough Fire Chief

Noise Bylaw Ad-hoc Committee

Charge and Process

The Noise Bylaw Ad-hoc Committee (the "Committee") is charged with the task of preparing a draft of a proposed Noise Bylaw for Southborough (the "Draft Bylaw") , for consideration at the Fall, 2021, Special Town Meeting.

The work of the Committee is expected to include, but not be limited to, the following:

- Review of the previous versions of noise bylaws prepared for Southborough's Town Meetings;
- Review of the noise bylaw experience of other towns, particularly with respect to measurement of noise levels and flexibility for homeowners and commercial landscapers to maintain properties; and
- Consideration of enforcement issues.

Membership

The Committee shall be made up of seven (7) members, all appointed by the Board of Selectmen, as follows:

- Three (3) "at-large" residents of the Town of Southborough
- One (1) representative from the Board of Selectmen
- One (1) representative from the Advisory Committee
- The Southborough Chief of Police
- The Southborough Building Commissioner

Term, Administration and Organization

- The Committee members shall be appointed in June, 2021, for an initial term ending December 31. 2021;
- All records of the Committee shall be filed with the Town Clerk and open to public inspection in accordance with applicable Open Meeting Law and Public Record statutes;
- Members shall serve without financial compensation; and
- The Committee shall determine what, if any, officers should be elected.

Schedule

The Committee shall perform the work as detailed in the charge to deliver the Draft Bylaw by at least 30 days before the Fall, 2021, Special Town Meeting. The Committee will be expected to provide periodic reports of their progress, as may be requested by the Board of Selectmen. The Committee's work may continue beyond the Fall, 2021, Special Town Meeting, at the discretion of the Board of Selectmen.

DRAFT

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, April 6, 2021, 6:30 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 6:30 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. **Public Comment**
None

I. **Scheduled Appointments**
Volunteer Interview: Alexandra S. Mills, Scholarship Advisory Committee, term 6/30/22
Chairman Healey asked for Ms. Mills to give an overview of her background and interest in the Committee. Ms. Mills stated Isabelle Murphy approached her to join the Committee and felt it was a great opportunity to volunteer. She added that she is a teacher and parent to three children and she understands the importance of student scholarships. Ms. Braccio asked if this were her first time on a Board. Ms. Mills replied it was her first time on a town board but she was involved in Kindergroup and committees within the school system. Chairman Healey made a motion to appoint Alexandra S. Mills to the Scholarship Advisory Committee, term 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

Review of FY22 Departmental Budgets
Chairman Healey stated that the Fire and Police Department budgets will be covered in the consent agenda and he gave accolades to Mr. Purple and Mr. Ballantine for their coordination with department heads. Ms. Malinowski praised Mr. Purple, Mr. Ballantine and the Fire and Police Chiefs for their work in the budget process. Ms. Braccio praised the department heads and Mr. Stivers praised the Advisory Committee for their work throughout the budget process.

i. Fire Department

There were no questions or comments from the Board regarding the Fire Department budget.

ii. Police Department

There were no questions or comments from the Board regarding the Police Department budget.

iii. Library

Ms. Malinowski asked for an outline on the short-term staffing projections. Mr. Donovan stated that staffing is consistent and he may add a team librarian position into the SAP. He explained that he is not looking to add a seventh full-time staff member but will add the position through attrition. He plans to engage the Personnel Board in this matter next year.

iv. Information Technology

Mr. Purple informed the Board that the new IT Director will be starting on April 20th. Chairman Healey asked for a summary of staffing for IT and reasons the staffing levels in the FY22 budget are suitable. Mr. Purple stated that currently the budget includes an IT Director and an Assistant IT position at 19.5 hours. He added that a discussion needs to be had for a potential increase for that assistant position from part-time to full-time. He outlined options for increasing the budget and suggested that additional money be added to the contracted services line in the technology budget to give the manager the ability to contract out services. Mr. Purple suggested the IT Manager take some time to understand the role and give a recommendation for his staffing.

Mr. Shea agreed with Mr. Purple's approach and suggested this be reviewed a year after the IT Manager has taken his position. Mr. Stivers stated that the need for IT staff is abundantly clear and suggested adding funds to the budget to increase staffing for January 1st. Ms. Braccio stated that she would like to have the IT Manager review his needs after taking the position and added she is not ready to add another benefitted position. Ms. Malinowski agreed with Mr. Purple's suggestion. Chairman Healey stated the consensus is for the IT Manager to take his position and review his staffing needs for the future.

v. Building Department

There were no questions or comments from the Board regarding the Building Department budget.

vi. Board of Health

Chairman Healey stated that there will not be formal votes on department budgets this evening and gave a summary of previous discussions regarding the proposed Board of Health budget. He asked Mary Lou Woodford if the Board of Health budget request is a 100% increase from one year to another. Ms. Woodford gave reasonings for this increase which include three additional full-time positions. Mr. Stivers stated he supports the request and asked if any items could be funded through the CARES Act or stimulus package aid. Ms. Woodford explained how it could be funded and requested a revolving fund for inspectional fees. Ms. Braccio stated that other departments propose increases such as this through a staggered strategy plan. She outlined her concerns regarding the tax rate increase for FY22. Ms. Malinowski made a motion that the Board commit to holding a fall town meeting to allow for the Board of Health to bring forward their budgetary plan. Chairman Healey seconded for discussion. Ms. Malinowski explained that by holding a fall town meeting, the Board of Health will continue to operate with current staffing levels and any expenses above their budget would be covered by CARES Act funding. She added

that with the shared services grant, the Board of Health will have time to understand their needs on a long-term basis without removing any request at this time. Mr. Purple reminded the Board that budgetary items do not qualify for CARES reimbursement. He explained the impact of waiting until a fall town meeting. Mr. Shea stated that there are advantages to tax payers with this strategy but could also pose hiring challenges for the Board of Health. He said he was not comfortable voting this evening and asked to hear from the Board of Health and Advisory on this option. Ms. Braccio stated that this strategy gives flexibility and that CARES Act funding should be used to fund these positions. Chairman Healey made an amendment to the motion that the Board continue to explore and pursue a fall town meeting and if it is appropriate, to pursue as much CARES Act funding as possible. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye. Ms. Woodford asked for clarity on what is being proposed. Ms. Malinowski stated that the FY21 budget remain intact until a fall town meeting and any overages in the Board of Health budget be covered by the CARES Act. Ms. Woodford outlined her reasons to increase the Board of Health budget as soon as possible. Chairman Healey stated there would be no vote this evening and the Board will speak with Advisory next week.

vii. Public Works

Ms. Malinowski wanted to remind the Board not to lose sight of where the $100,000 should be allotted from and noted the increase in the price of recycling. Mr. Purple stated that when the Board consisted of three members, it was determined that $100,000 was included in the tax rate to fund the Transfer Station and the rest of the costs would be covered by sticker fees. Mr. Stivers stated that the Public Works Planning Board has consistently agreed that this amount is appropriate. Ms. Braccio asked Mr. Stivers if he were bringing information from the Public Works Planning Board regarding this topic. He agreed to look into this.

<u>Review of Annual Town Meeting warrant articles</u>

i. Article 5 – Amend the Personnel Salary Administration Plan

Ms. Rosenbloom stated that all revisions for the SAP were forwarded to the Selectmen's Office and thanked Ms. Esposito for her work implementing it into the warrant. She stated that a summary was supplied to the Board and the Personnel Board has not yet met to approve it. She stated that they plan to proceed with the language and thanked Ms. Hale, Mr. Purple and Mr. Ballantine for their contribution to the SAP. Ms. Braccio shared her thanks to the Personnel Board and the rest of the Board echoed her comments.

ii. Article 19 – CPC – Kallander Field Construction

Chairman Healey asked Mr. Mills from the CPC for clarification on the process to bring these articles forward. Mr. Mills explained. Mr. Davis from Recreation explained the construction needed to bring the Kallander Field online for use. Ms. Malinowski asked about the timing of bids and opening and Mr. Davis stated that there are some stormwater permits that need to be approved and they hope to open the field in spring of 2022.

iii. Article 20 – CPC – St. Mark's Church Bell Tower Renovation

Brad Blanchette and Mark Weiler, representatives of St. Mark's Church, were invited to give an overview of their town meeting proposal. Mr. Blanchette gave a history of the bell tower and the repairs needed to be done which total $750,000. They are asking the Town for $300,000 of CPC funds. He stated that $50,000 was awarded from the Massachusetts Historical Commission and parishioners raised approximately $352,000. Mr. Weiler stated he forwarded documents to

the Board that outlined other congregations that have used CPA funds to repair historical monuments. He stated that they spoke to ten other towns who had successfully used CPA funding for similar projects and none were threatened with litigation. Mr. Weiler outlined sixty active congregations that have been approved for $9.6 million in CPA funding in Massachusetts since the Kaplan case. Mr. Shea stated that CPC articles from last year were held until this year and that State funding has dropped. Mr. Stivers asked about potential amendments to the preservation restriction as outlined by Attorney Cipriano. Mr. Weiler stated that no one had come to them regarding amending the current restriction but they were open to doing so. Chairman Healey stated that seeing as part of this was already state funded the risk of litigation was low. Ms. Malinowski asked what would happen to the tower if this were not funded and Mr. Weiler stated that the current funds generated would go to restoration and a future restoration project would need to be done in the very near future.

iv. Article 21 – CPC – Town House Historical Preservation

Chairman Healey stated that because there is bonding in this article and he has yet to receive clearance from the Ethics Office, he will not be participating in this discussion. Mr. Mills outlined the maintenance that is needed to be done and explained that the it has been deferred in the past and rehabilitation is needed. He stated the project is $2,238,284 and as it is bonding and such an expensive project, it makes sense to do all of the work at once. Mr. Parent stated the engineering firm Spencer and Sullivan were hired to do a full site assessment. He gave a summary of what is needed to be done at the Town House and its historical significance. He stated that the structure has been neglected and all residents benefit from the use of this building. He added that he believes it needs to be preserved in a true historic fashion. Mr. Stivers agreed this is long overdue.

v. Article 22 – CPC – Flagg School Assessment

Mr. Mills gave an overview of the CPC request of $9,950 to repair the Flagg School Building that houses the Southborough Historical Museum. Ms. Deans-Rowe of the Historical Commission gave an overview of the results of the Spencer and Sullivan review. Ms. Braccio asked how old the building was and Ms. Dean-Rowe replied that it is 162 years old.

vi. Article 23 – CPC – Trail on DCR Land

Kathryn McKee of the Trails Committee presented an overview of the project that is included in the packet. She explained the work needed to be done to connect the last major piece of the Boroughs Trail Loop.

vii. Article 36 – Outdoor Illumination

Ms. Hoolahan, Ms. Hoecker from the Planning Board and Mr. Heilman were brought into the meeting. Ms. Hoolahan outlined the document presented this evening and the updates that will be coming to the language. She explained the difference between the bylaw language and the purpose of the rules and regulations. Chairman Healey stated he looked into how other towns approach their illumination bylaw. He asked what steps would need to be taken by a complainant in order to trigger enforcement. Ms. Hoolahan stated that the writing committee would need to address the process. Chairman Healey asked how the violation would get resolved, who has the authority to enforce it and how evidence is collected. Ms. Hoolahan stated the collection of evidence would be defined by the committee and that the enforcement lies with the Building Commissioner. Chairman Healey asked about a potential burden to the Building Department for enforcement. Ms. Hoolahan stated there is no additional burden as it

has been opined by Town Counsel that the current bylaw applies to residences. Chairman Healey noted that the Building Commissioner does not agree. There were no other questions from the Board. Chairman Healey asked that the warrant article proponents forward the illumination bylaws they have been using as references from other towns. Ms. Hoolahan agreed.

viii. Article 37 – Site Plan Review

Ms. Luttrell of the Planning Board stated that this warrant article will bring the bylaw in line with Town Code § 23. There was discussion regarding the ninety-day time period prior to a constructive approval. Chairman Healey stated that Town Counsel's opinion was that the constructive approval should be stricken from the language. He added that if that is taken out, there should be a provision that allows relief for the applicant. Ms. Luttrell explained that projects do not come before the Planning Board solely for site plan review. She stated that there is always another component such as a special permit or building permit. There was discussion on whether a time limit for a Planning Board decision should be included. Mr. Shea stated that the bylaw already stated that the Planning Board shall act within sixty days of receipt of an application. Ms. Luttrell described the challenges with the current language and Chairman Healey stated this language was unnecessarily unclear.

ix. Article 38 – Zoning – Downtown District

Ms. Braccio stated there was a meeting to discuss sending a letter to split lot owners which will be sent at the end of the week. She added that there will be an invitation to homeowners and the goal is to set two dates for opportunities to speak with Attorney Costa. She added she received three additional pieces of correspondence; one from Ms. Quinn of the Planning Board, one from Mr. Hokenson and another from Mr. Parry. She gave an overview of the larger five outstanding issues which include the floor area ratio number, the zoning map, the ability to build a four-story building and the language regarding mixed use on the bottom floor. She added that she hopes to meet with homeowners next week.

Ms. Quinn from the Planning Board asked to speak to the site plan warrant article. She read the legal opinion from Town Counsel regarding the article. She explained that extension requests occur often and have worked very well for the Planning Board and applicants. Ms. Quinn added that regarding the zoning article, any changes of the name of the district or to the map should be included as part of the warrant article.

x. Article 39 – Noise Bylaw

Mr. Purple stated that Mr. Lapine requested through email that any questions from the Board be provided to him in advance and he stated he could not make the meeting this evening. Mr. Purple stated that Mr. Lapine is scheduled to meet with Advisory tomorrow evening.

II. Reports

Chairman's Report

None

Members' Reports

Mr. Stivers stated that the Board of Health is making good progress on the regional vaccination clinic in Westborough.

Ms. Braccio gave her condolences to the Hubley family on the passing of Linda Hubley. She stated Ms. Hubley volunteered at the schools, as an election worker, as a photographer for the Fire Department and she received several awards including being one of the first women to receive the Unsung Heroine Award. She gave her deepest condolences to the family on behalf of the Board.

Town Administrator Report

Mr. Purple thanked Ms. Hale for covering the office while he was out last week.

Mr. Purple stated that the target date for the regional vaccine clinic is April 15th.

Mr. Purple stated that the architect is coming to the Southborough Golf Course for a site visit on Saturday with the goal to have plans for the putting green completed in the next month. The hope is to have the project bid and ready to begin construction in August.

III. Consent Agenda

a. Ms. Malinowski asked to hold agenda item "a." Ms. Malinowski stated she will need to abstain from this vote. Chairman Healey made a motion to approve the Signing of the May 11, 2021 Annual Town Election Warrant. Mr. Shea seconded. The motion passed (4-0-1) by roll call vote, Braccio, aye; Shea, aye; Stivers, aye; Healey, aye; Malinowski, abstained.

b. Chairman Healey made a motion to approve the Town Clerk's fee increase recommendation for fuel storage tanks. Ms. Braccio seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

c. Chairman Healey made a motion to accept donations totaling $275.00 for Southborough Youth and Family Services. Ms. Braccio seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

d. Chairman Healey made a motion to revise the charge for Capital Planning - School Research Subcommittee. Ms. Braccio seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

e. Chairman Healey made a motion to appointment Kathy Cook to Capital Planning - School Research Subcommittee, term 6/30/21. Ms. Braccio seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

f. Chairman Healey made a motion to approve the Arbor Day Proclamation 2021. Ms. Braccio seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

IV. Public Comment

None

V. On a motion made by Chairman Healey seconded by Mr. Stivers and voted all in favor by roll call, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye; the meeting was adjourned at 9:29 P.M.

Upcoming Meetings

DRAFT

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 7, 2021, 6:30 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Chelsea Malinowski, Sam Stivers, Andrew Dennington (BOS) Don Morris, Andrew Mills, Meme Luttrell, Marnie Hoolahan, Jesse Stein (Planning Board), Town Planner Karina Quinn.

This was a joint meeting with the Planning Board. The preamble was already read by Planning Board Chairman Don Morris, so Vice-Chairman Chelsea Malinowski called the Selectmen to order at 6:07PM. The purpose of the meeting was to discuss the Downtown District bylaw with the Planning Board and with Special Counsel Adam Costa.

Mr. Morris indicated that the Planning Board had reviewed the comments back from Attorney Costa on the ten items on the Downtown District bylaw, and asked if the group wanted to go over them one by one. Attorney Costa gave a brief overview of the bylaw process to date, and hoped to answer any lingering questions that remained regarding the legal aspects of the bylaw. Mr. Morris said that Attorney Costa's answers were helpful and provided clarity. Mr. Mills still has questions about the lot coverage size. Attorney Costa said that those questions are more discretionary to the community, and what the community wants to see for development in the downtown. The lot size in the current version falls about in the middle of what other communities allow in their bylaws for lot size. Mr. Stein asked about the zoning lines cutting through lots, and if that was an issue. Attorney Costa said that was fairly common within municipal governance, and it is almost impossible to have zoning boundaries line up with parcel boundaries. The Town's zoning bylaw already addresses split lots. Mr. Stein asked what the threshold is to be considered part of a zoning district. Attorney Costa said that the portion of the lot in a current district is subject to that district unless otherwise determined in the bylaw. Ms. Luttrell wanted to reiterate on the 2/3 approval requirement for a zoning bylaw. Attorney Costa said that most of the proposed changes would fall under the new State legislation that requires the higher quantum of vote, which is 2/3, if taken all in one article. Separating the changes into multiple articles may change the quantum of vote required. Ms. Luttrell still has an issue with the definition of mixed use, and the use of mixed use in the Code. Attorney Costa said that a subsequent conversation after the meeting could probably clarify Ms. Luttrell's concerns. Ms. Hoolahan shares the same concern with Ms. Luttrell, and can be part of any follow up with Attorney Costa. Thanked Costa for doing a thorough job with his review and answering the questions.

Mr. Morris talked about next steps with regard to the bylaw, and reviewed Attorney Costa's answers to each question individually. Mr. Morris said that if the neighbors have reasonable objections to the bylaws, then Town Meeting will likely support those concerns and the article will have a hard time getting the necessary 2/3 vote. Mr. Morris asked about what the next steps were for making further revisions to the bylaw. Ms. Malinowski said the purpose of this meeting was to get Planning Board's questions answered, and that Selectmen will discuss next steps at their meeting next week. Mr. Healey said that the Selectmen had several meetings in the fall to determine where the common ground fell. The goal remains for Selectmen and Planning Board to identify where they agree on the proposed bylaw. Mr. Healey said that hopefully the legal issues are simply a drafting issue that can be resolved in a straightforward manner. Mr. Healey asked Planning Board if there are issues outstanding beyond legal

issues, then those need to be identified and hashed out. Ms. Quinn said one of the things that has been difficult from the beginning is to have some examples about how certain changes will apply based on a given project; maybe Attorney Costa or Ms. Barrett could help with that. Ms. Luttrell said that the 80% lot coverage is a non-starter for her in supporting the bylaw, as well as building height. Ms. Luttrell also has an issue with the density. Mr. Mills said that the proposed density is also an issue for him, and that it doesn't conform to the downtown. Mr. Healey asked what the preferred density is to be considered acceptable. Mr. Stivers agreed with Ms. Luttrell on the density issue, as well as the height issue and various inconsistencies pointed out by Attorney Costa. Mr. Mills is concerned about having these discussions outside of a public hearing, but Mr. Healey said that these discussions are necessary to come up with a proposal to bring to a public hearing. Mr. Stivers suggested that the Planning Board should come up with a proposal for the Selectmen to consider. Attorney Costa had to leave the meeting to attend another meeting at 7:00PM, but agreed to work with all parties to come up with an acceptable proposal to bring to a public hearing. Mr. Healey said that it has been a focus of Selectperson Braccio as to what the landowners and abutters think about the split lots and zoning changes, and that will have to be taken into account in the process. Ms. Hoolahan said that Planning Board did provide their opinion on the FAR and the density, but that they were not in agreement with EDC. She said that the zoning has to be appropriate to the lots, and take into account the comments of the abutters. Mr. Stein agreed with Ms. Hoolahan, and also said that the affordable housing piece was changed to his liking. Ms. Malinowski said that the comments from tonight will be taken back to the 6/15 Selectmen meeting, and we can circle back as to where everyone stands after that. The hope being that both boards are in agreement heading into a fall town meeting.

Mr. Dennington asked about the process of drawing the map for the article, and was it complicated. Mr. Healey said that it was not.

Ms. Malinowski made a motion to adjourn the meeting at 7:05PM, seconded by Mr. Healey. Roll call vote: Healey – aye; Stivers – aye; Dennington – aye; Malinowski – aye. Motion was approved unanimously, 4-0-0.

Respectfully submitted,

Mark Purple
Town Administrator

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, May 18, 2021, 6:30 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 6:30 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Chairman Healey welcomed and congratulated the newest Board of Selectmen member, Andrew Dennington.

I. **Public Comment**

Timothe Litt (148 Woodland Road) reminded the Board they have not appointed the ex-officio member to the MTC. Chairman Healey suggested adding this item to the June 1st meeting.

II. **Reorganization of the Board**

Chairman Healey nominated Ms. Braccio to be Selectmen Chair for fiscal year 2022. Ms. Malinowski seconded. Chairman Healey stated that as Vice-Chair, Ms. Braccio has been invaluable and Mr. Stivers agreed. The motion passed (4-0-1) by roll call vote, Dennington, aye; Malinowski, aye; Stivers, aye; Healey, aye; Braccio, abstained.

Mr. Stivers stated he was interested in being vice-chair of the Board for fiscal year 2022. Ms. Malinowski stated she was interested in the position as well. Mr. Healey made a motion to appoint Ms. Malinowski as Selectmen Vice-Chair for fiscal year 2021. Mr. Dennington seconded. Mr. Stivers stated traditionally this position rotated and added that as it is his last year of his first term, he felt he would be an appropriate choice. He added Ms. Malinowski will do a great job as well. The motion passed (4-0-1) by roll call vote, Dennington, aye; Stivers, aye; Healey, aye; Braccio, aye, Malinowski, abstained.

III. **Scheduled Appointments**

Kevin D. Miller - Historical Commission, term to expire 6/30/2022

Mr. Miller was brought into the meeting and explained his background and interest in history, architecture and photography. He added that he would like to participate in government after having discussions on multiple town government matters. Chairman Braccio stated she spoke with Mr. Miller regarding the Downtown Initiative. Mr. Dennington asked if Mr. Miller was filling a vacancy. Chairman Braccio stated that Mr. Miller is filling a vacancy for a three-year term. Ms. Malinowski asked what he was most excited about accomplishing on the Historical Commission. Mr. Miller replied that Southborough is rich in history and he would like to be part of educating residents of town history. Mr. Stivers made a motion to appoint Kevin D. Miller to the Historical Commission, term to expire 6/30/2022. Mr. Healey seconded. The motion passed (5-0-0) by roll call vote, Dennington, aye; Malinowski, aye; Stivers, aye; Healey, aye; Braccio, aye.

Brian Ballantine, Finance Director; Carla McAuliffe, Town Accountant - Quarterly Financial update

Mr. Ballantine and Ms. McAuliffe were brought into the meeting. Mr. Ballantine walked the Board through the revenue reports included in the packet. He stated that he felt the town will be ending the year in a more positive financial state than he previously thought. He added that some larger building permit fees were recently submitted which boosted revenues and cautioned that these are one-time fees. Chairman Braccio thanked Mr. Ballantine, Ms. McAuliffe and Ms. Malinowski for all their work creating the reports.

Ms. McAuliffe stated the Town Clerk has moved out $86,000 of expenses into CARES Act reimbursements and the town received $12,500 for early voting reimbursement. She anticipates receiving that revenue after June 30th. She added that Mr. Hegarty should have more reimbursements from town meeting and the elections. Ms. McAuliffe stated that approximately $45,000 was moved out of the Board of Health budget and will be part of a FEMA reimbursement. She summarized staffing changes at the DPW and shifting salary money that will be shifted as outlined in the packet. The next CARES Act reporting application is due in June and she will be doing a reimbursement request. She added the vaccination clinic costs will be a separate application which will be filed after the insurance reimbursement is understood. The American Recovery Protection Act Funds will be upcoming. She stated there were four transfers mentioned in packet to the Reserve Fund and another from Facilities for energy costs. Ms. Malinowski stated she spoke with Ms. Galligan regarding items listed that fall under the capital policy. She added that Ms. Galligan will be reaching out to work with the Capital Committee. Chairman Healey gave an update on PILOT discussions and contributions from Fay School and St. Mark's Schools. He said he suggested to St. Mark's and Fay Schools to summarize their in-kind contributions to the community for the benefit of the public. Mr. Stivers asked about a projection of revenues for 2022. Mr. Ballantine replied that there are a lot of uncertainties and listed options where revenues could rise in the coming year. Mr. Stivers stated he has been researching the ARPA funds and felt they will be flexible and encouraged maximizing the use of these funds. Mr. Purple summarized a webinar regarding these funds and agreed the requirements seem broad. He stated Ms. McAuliffe will be ensuring all requirements are met. Mr. Purple explained the funding for infrastructure projects.

Ms. Braccio asked about current tax accounts in arrears and Mr. Ballantine stated there are approximately six outstanding that are between $10,000 - $30,000. Chairman Braccio asked if the insurance reimbursement from the vaccine clinic will be low as insurance is not required. Ms. McAuliffe replied that she plans to meet with Dr. Alker when the clinic is finished in the end of June. Chairman Braccio stated that the ambulance fund was consistent and Mr. Ballantine

agreed. Chairman Braccio asked if there is an anticipated shortfall in the DPW budget. Ms. McAuliffe replied there was not and explained. Chairman Braccio asked about a possible deficit in the postage line item from the Board of Selectmen. Mr. Purple replied there should be no issues and explained what is done if there are excess fund.

IV. Reports

Chairman's Report

Chairman Braccio stated that the flags will be replaced at the Rural Cemetery on Friday, May 28th at 6:00 P.M. On Monday, May 31st the parade will start at Main Street bank at 9:00 A.M. and proceed to the cemetery ending at the All Wars Memorial. She stated she would be happy to speak at the Memorial Day Ceremony on behalf of the Board. The Board agreed.

Chairman Braccio stated that Attorney Costa supplied feedback on the Downtown District Initiative and in order to keep momentum for the article for a fall town meeting, there will be a joint meeting in June with the stakeholders.

Members' Reports

i. Update on Youth & Family Services strategic plan

Ms. Malinowski summarized the strategic plan process and the strategic plan group has since disbanded. Ms. Cassell is now working on the plan and Ms. Malinowski stated there were four goals and most are planned to be completed in the next six months to five years. She gave details on the report and will be sharing future progress with the Board.

Chairman Healey stated last year was the best revenue year for the Southborough Golf Course and added that this year seems to be even stronger.

Mr. Stivers stated the MTC is working on a town survey and trying to get responses before Town Meeting. He asked the public to go to www.mysouthborough.com and www.bettersouthboro.org to take the survey.

Town Administrator Report

Mr. Purple stated the golf bid for the putting green should be completed by end of this month and should be out to bid by the beginning of June. Work is anticipated to begin in August with the putting green ready for play when the course opens next spring.

Mr. Purple updated the Board regarding the One Stop Grant. He had a virtual meeting with stakeholders last week. He summarized the status of the four projects applied for through the grant. Mr. Purple explained that two of the proposed projects were identified by reviewers from the State as falling under the planning/zoning category and only one can be awarded under the grant. He stated stakeholders discussed the two projects and Mr. Malinowski of the Capital Planning Committee and Ms. Quinn of the Planning Department both highlighted the fact that ARPA funds are available to address the transit orientated overlay studies. They suggested focusing on ARPA funds for this project and the One Stop Grant for the Route 9 Business Corridor District. Mr. Purple suggested submitted the Route 9 Business Corridor District to the grant for the planning/zoning category and to hold off on the Southville Transit Orientated Feasibility Study to apply for funds through ARPA. There was discussion regarding the projects. The Board agreed to the process Mr. Purple described.

Mr. Purple stated the regional vaccination clinic is open to those aged 12-16 and thanked everyone for publicizing this. Mr. Purple stated Mr. Healey pointed out that the Board could be meeting in person next week. He added that Southborough Access Media is coming to the Town House to test their equipment.

V. Consent Agenda

a. Mr. Healey made a motion to accept Brian Shea's resignation from Affordable Housing Trust Fund Committee. Ms. Malinowski seconded. The motion passed (4-0-1) by roll call vote, Malinowski, aye; Healey, aye; Stivers, aye; Braccio, aye, Dennington abstained.

b. Mr. Healey made a motion to appoint Andrew Dennington to Affordable Housing Trust Fund Committee, term 6/30/21. The motion passed (4-0-1) by roll call vote, Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye, Dennington abstained.

VI. Other Matters Properly Before the Board

Town Meeting preparation

i. Article 7 – FY22 Budget

Chairman Braccio stated the Board of Health budget was the only outstanding issue with the FY22 budget. Ms. Malinowski summarized the latest Board of Health meeting which also included Ms. Cook from Advisory and Ms. McAuliffe, the Town Accountant. She stated the Board of Health re-voted their budget and removed the printer/scanner and added it to the reserve fund as recommended by Advisory. She stated that they also re-voted to reduce their budget to continue to have their administrative assistant role split between the Board of Health and Assessor's Office. Ms. Malinowski summarized the amendments she will be making at Town Meeting regarding the budget. She confirmed that with these amendments, the Board is in alignment with Advisory regarding the FY22 budget. Ms. Malinowski made a motion to support the Board of Health budget in total of $202,692. Mr. Stivers seconded. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye. Ms. Malinowski made a motion to support the reserve fund, department 132 to increase from $180,000 to $190,000 for the FY22 budget. Mr. Stivers seconded. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

ii. Article 23 – Disposition of 21 Highland Street (South Union School)

Chairman Braccio stated that the Board received a request for permission to withdraw the proposal from Gregory Zurlo of Street Block Development today. She stated that the Board should take a vote to accept the withdrawal of the bid and to indefinitely postpone this warrant article. Mr. Healey made a motion to accept the withdrawal of the bid from Gregory Zurlo of Street Block Development. Mr. Stivers seconded. Ms. Malinowski requested that the process for this bid be discussed at a future meeting. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye. Mr. Stivers made a motion to indefinitely postpone warrant article 23, the disposition of 21 Highland Street. Mr. Healey seconded. Mr. Healey requested options for this parcel to be discussed at a future meeting. Chairman Braccio agreed. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

iii. Assignment of BOS articles for motions

Mr. Purple overviewed the change he made to the list from the earlier version supplied at the previous meeting. He added that the Moderator will be supplying the consent agenda list soon. Mr. Dennington asked about the amendments for the zoning articles and Mr. Stivers explained

the Planning Board would be presenting the articles and amendments. Chairman Braccio stated the Board will be leaving the assignments of articles as is for now.

iv. BOS positions on articles

Chairman Braccio stated the Board has taken a position on a majority of the articles and asked for Mr. Dennington's votes. Mr. Dennington stated he reviewed the spreadsheet and stated he can update the Board on his votes. Chairman Braccio asked if he agreed with the votes to support and not support on articles. She suggested a general vote leaving off article 19, 34, 36, 38, and 39. She asked Mr. Dennington if he agreed with the Board's vote on the rest of the articles. Mr. Dennington stated that Advisory voted 5-0 to wait for Town Meeting for article 20. He explained that it is a significant amount of money and thought it may make sense to hold off on this article to see if there are other CPC opportunities in the next few years. He stated he agrees with the Board votes on the rest of the articles. Mr. Stivers made a motion to reaffirm the Board's support for articles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 21, 22, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33 and 35. Mr. Dennington seconded. Mr. Stivers noted he is abstaining to any article pertaining to bonding. The motion passed by roll call vote, Dennington, aye; Healey, aye with the exception of bonding articles where he abstains; Malinowski, aye; Stivers, aye; Braccio, aye.

Mr. Healey made a motion to support article 20 – Town House Restoration. Ms. Malinowski seconded. The motion passed (4-1-0) by roll call vote, Dennington, nay; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

Mr. Dennington stated that their votes to not support the noise bylaw should not be taken as a sign that the Board or Advisory is against any noise bylaw in the future. Chairman Braccio stated the Board voted not to support the article as written. Mr. Stivers made a motion to not support article 32 – noise bylaw as written. Mr. Healey seconded. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

Chairman Braccio stated that a meeting is not scheduled for Town Meeting and asked the Board if they'd like to leave the rest of the votes for Town Meeting or to discuss this evening. The Board agreed to discuss tonight.

Chairman Braccio stated article 19 – St. Mark's Church Bell Tower was not voted by the Board. She asked if Mr. Dennington took a vote at Advisory and he said he had. Mr. Healey made a motion to support article 19 – St. Mark's Church Bell Tower. Mr. Stivers seconded. The motion failed (2-3-0) by roll call vote, Dennington, nay; Healey, aye; Malinowski, nay; Stivers, aye; Braccio, nay.

Chairman Braccio asked for discussion on article 34 – zoning bylaw – Miscellaneous Provisions, Special Permits, Extensions and Alterations. Mr. Stivers made a motion to support article 34 – zoning bylaw – Miscellaneous Provisions, Special Permits, Extensions and Alterations. Mr. Healey

seconded. Mr. Healey asked if Mr. Stivers' concerns were addressed. Mr. Stivers stated he had no concerns. Mr. Dennington stated that this article needs an additional revision as the language where the cost of an alteration to a pre-existing non-conforming structure cannot exceed X% of the assessed value of the property was no longer enforceable. He added that when he was on the ZBA, they were instructed that case law makes supersedes this provision. This revision is not included in this article and would like this to be brought back to Town Meeting in the future. Mr. Stivers agrees. The motion passed (5-0-0) by roll call vote, Dennington aye; Healey, aye; Malinowski, aye; Stivers, aye; Braccio, aye.

Chairman Braccio asked Mr. Purple to clarify that as the Board is aware of an amendment for article 36 if they must vote on the article as written. Mr. Purple confirmed and stated that the Moderator will ask the Board for their position of the article and after the amendment is presented, the Moderator will ask for the Board's opinion on the article with the amendment. The Board agreed to wait until Town Meeting to vote.

Chairman Braccio asked if an amendment has been submitted for the plastics ban warrant article. Mr. Purple stated that he did receive a notice from Mr. Weishan a month ago was that he fully intended to indefinitely postpone the article until the meeting can be held indoors. He suggested the Board vote at Town Meeting when the motion to indefinitely postpone is made. The Board agreed.

Chairman Braccio stated the last article for discussion is the citizen's petition for a truck exclusion on Flagg Road. She suggested the Board hold this vote until Town Meeting. The Board agreed. Mr. Healey stated he agreed to hold on the vote and suggested the Board take no position as it is an article asking the Board to take an action.

<u>Update on Legal Services RFP proposals; next steps</u>

Mr. Dennington recused himself from this discussion and he left the Zoom room. Mr. Healey stated that recusing means the Board member cannot participate in the discussion and Mr. Dennington could have stayed in the room as a member of the public. Mr. Stivers summarized the RFP review process and application review he conducted with Mr. Purple. Mr. Stivers asked the Board when interviews should be conducted and if West should be included regardless that their application is missing a wet signature. Mr. Healey suggested the Board speak to the four applicants with complete applications but if an applicant did not respond properly to the RFP, an interview should not be conducted. He added that having solely an electronic signature from West complies. Chairman Braccio and Ms. Malinowski agreed. Mr. Purple agreed to invite the four firms to the June 1st meeting for interviews. Mr. Healey suggested each Board member send a list of 2-3 questions for the firms. Mr. Purple agreed to compile a list of approximately 8-10 questions to ask each firm. Mr. Purple asked for some guidelines to give the firms for the interview. Mr. Healey stated that a 5-7-minute introduction followed by 8-10 minutes of questions with the last question being for them to make a statement as to why they are the best option.

VII. Public Comment

Mr. Reed asked if the withdrawal letter sent to the Board the from Gregory Zurlo of Street Block Development today regarding the RFP for South Union was public record. Mr. Purple replied that it was and asked Mr. Reed to email him and he will send the letter. Mr. Reed agreed to do so.

VIII. On a motion made by Mr. Stivers, seconded by Ms. Malinowski and voted all in favor (5-0-0) by roll call vote, the meeting was adjourned at 8:18 P.M.

Upcoming Meetings
Annual Town Meeting, May 22, 2021
June 1, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

List of Documents referred to at the May 18, 2021 BOS Meeting:

- Goals for Town Administrator
- Citizen Activity Form, Kevin D. Miller
- Quarter Report BOS - Quarter 3 FY2021 ending 3.31.2021
- Letter from Jason Montijo to Mark Purple re: justification of full-time employee-additional contracted services
- Resignation Letter from Brian Shea to Jim Hegarty dated 5.12.21
- May 22, 2021 Annual Town Meeting Record
- MOTIONS FOR ARTICLES – MAY 22, 2021 TOWN MEETING

DRAFT

TOWN OF SOUTHBOROUGH
DEPARTMENT OF PUBLIC WORKS

147 Cordaville Road
Southborough, MA 01772

Tel: 508-485-1210
Fax: 508-229-4444

DATE: June 10, 2021

MEMORANDUM

TO: **Town of Southborough Board of Selectmen**
CC: **Mark Purple, Town Administrator**
FROM: **Karen Galligan, DPW Superintendent**
SUBJECT: **2021-2022 Transfer Station Rules and Regulations**

Attached is a draft version of the transfer station rules and regulations for the coming fiscal+ year, (7/1/21-9/15/22).

Dates were changed and are not noted. Items that were added, or significantly changed are in red.

The items below were removed or replaced:

(replaced)

a) Transfer Station Permit Fees may be waived upon recommendation by the Youth and Family Services Department or the Senior Center Department.
b) Any recommendation will be forwarded to the DPW who currently process payments and issues stickers. Any recommendation will be based on confidential circumstances that the two Departments (above) are familiar with. Recommendations will be based on an inability to pay or an extreme hardship to pay the fee for a permit.
c) Recommendations are valid for one permit year at a time.

(removed)

REPLACEMENT PERMIT	
w/ Return of Original Permit	$0.00
w/o Return of Original Permit	$10.00

Also attached is the summary of the transfer station costs. As you know, the Transfer Station is not an enterprise fund and all money from the permit fees are deposited into the General Fund. However, every year the DPW provides the Selectmen with the costs of running the Transfer Station in order to provide the Board with data to assist in setting the permit costs. The last 2 Harvey bills and the last Wheelabrator bill were estimated for this year and added into the spreadsheet.

In the past the Selectmen had elected to set the permit fees in order to "cover" the costs of the Transfer Station less about $100,000.

TOWN OF SOUTHBOROUGH TRANSFER STATION
LOCATED AT THE JOHN BOLAND PUBLIC WORKS FACILITY
147 CORDAVILLE ROAD, SOUTHBOROUGH, MA 01772

HOURS OF OPERATION: WEDNESDAY THROUGH SATURDAY 8AM-6PM

The SWAP SHOP closes daily at 5:00pm and will be closed if conditions warrant. Gate at entrance & exit will close promptly at 6:00 p.m. All users should plan on coming well before 6:00 p.m., especially if they are recycling materials & brush or discarding large quantities of refuse.

GENERAL

The Southborough Transfer Station is for the disposal of **RESIDENTIAL** refuse and the recycling of **RESIDENTIAL** materials generated in Southborough by Southborough residents. Residents are required to obtain and display a Transfer Station permit, in the form of a sticker, each year to gain access to the Transfer Station. See the Town's website, southboroughtown.com, for further clarification regarding residential versus commercial refuse.

DISPOSAL RULES

a) The attendants on duty have full authority over the disposal and recycling areas. Residents using the transfer station must follow the attendant's directions. If a DPW attendant sees that a permit is not affixed they have the authority to affix it for you, if the registration number does not match your vehicle, they will confiscate your permit and you will be fined.
b) Identification, proof of payment (permit) and temporary passes must be shown upon request of the attendant.
c) Only household trash generated in Southborough shall be disposed.

OBTAINING TRANSFER STATION PERMITS

Please call the DPW at 508-485-1210 with any questions

WHEN TO PURCHASE PERMITS

a) New permits may be purchased starting on July 1; they are valid to use upon purchase.
b) The new permit must be in place by September 15 of each year or the vehicle will be denied access to the transfer station.

HOW TO PURCHASE PERMITS

ONLINE	https://www.southboroughtown.com/stickers	There is a transaction fee of 2.95% for credit or debit card transactions
BY MAIL	City Hall Systems 3 Rosenfeld Drive Hopedale, MA 01747	Please use enclosed mail-in application or the online form. Make checks payable to: **TOWN OF SOUTHBOROUGH**
IN PERSON AT THE DPW	Southborough DPW 147 Cordaville Road Southborough, MA 01772	Check, credit or debit (there is a transaction fee of 2.95%), ***NO CASH***, proof of residency and a copy of your current vehicle registration(s). Monday through Friday 7:30AM to 4:00 PM

Permits CANNOT be purchased at the Transfer Station

PERMIT FEE SCHEDULE

PERMIT FEE IS NON-REFUNDABLE	**Non-Senior Residents**	**Senior Residents ***
	Any time After July 1	**Any time After July 1**
1st Permit	$250.00	$0.00
Additional Permits	$0.00	$0.00
PRO-RATED PERMIT		
New Residents ONLY	$20/mo. includes purchase month thru August 30	

*** SENIOR RESIDENTS** - Residents who are owners of record of a Southborough residence who will turn age 65 on or before 12/31/21

PLACEMENT OF PERMIT

a) The Transfer Station permit must be permanently affixed on the outside of the vehicle on the VERTICAL SURFACE of the driver's side FRONT bumper or driver's side FRONT windshield on the vehicle permitted. Transfer Station permits must be visible at all times. Permits are valid upon purchase so please affix permit to vehicle immediately.

TEMPORARY PASSES

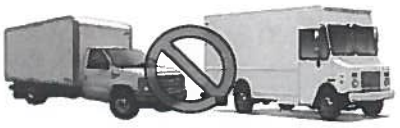
a) Sometimes valid permit holders may require the use of an un-permitted vehicle to transport refuse and other items to the transfer station. In such instances, a temporary pass may be issued. A temporary pass will be valid for not more than two (2) weeks and may be renewed one (1) time, at the discretion of the DPW Office. To receive a temporary pass residents must:
   - Be a valid permit holder
   - Supply the make, model, color, owner's name, address, and registration number of the alternate vehicle
   - Request a temporary permit at the DPW Office

INABILITY TO PAY

a) Transfer Station Permit Fee may be waived upon approval by the Board of Selectmen. Approval will be based on an inability to pay or an extreme hardship. A confidential online application for one (1) free permit is available at:_____
b) The DPW will issue the permit for an approved waiver.
c) Waivers are valid for one permit year at a time.

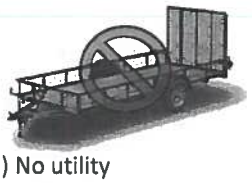
VEHICLES

Only cars and pickup trucks that have a current Southborough transfer station permit, or a valid temporary pass, and that are carrying **residential household trash** will be admitted to the town transfer station.



RESIDENTIAL VEHICLE DESCRIPTIONS

a) ***Cars***: All passenger cars, station wagons, SUVs, mini-vans and full-size window vans registered as passenger vehicles.
b) ***Pickups***: All **single** rear wheel pickup trucks and vans with a gross vehicle weight (GVW) rating less than 11,500 lbs., registered to a resident.



VEHICLES NOT ALLOWED (regardless of GVW or registration)

(1) No pickups with bed hoists or dump

(2) No high cube vans or Delivery Box Trucks

(3) No utility trailer over 10 ft. long

FOR INFORMATION ABOUT DISPOSAL OR FUNDRAISING CALL THE TRANSFER STATION (508) 485-2511 or DPW (508) 485-1210

HOUSEHOLD HAZARDOUS WASTE DAY - CRT COLLECTION DAY – October 23, 2021
YOU MUST HAVE A VALID PERMIT TO PARTICIPATE IN HAZARDOUS WASTE DAY

CRTs WILL BE COLLECTED FOR A FEE

Please note the transfer station is under video surveillance.

GENERAL INFORMATION

- All Permits must have the license plate numbers of the vehicle that they are assigned to written on them.
- Vehicles with permits that do not match the vehicle's plate number will be in violation of the Transfer Station Rules and Regulations.
- Residents whose plate number is on a permit that is attached to a vehicle with a different plate number are also in violation of the Transfer Station Rules and Regulations.
- A permit is only valid if it is affixed in the correct location, to a vehicle whose plate number matches that written on the permit.
- All areas of the Transfer Station, including the Swap Shop and all donation containers, are restricted to use only by current Southborough residents with a valid permit.
- A permit is no longer valid if the resident has moved from Southborough.
- Removing materials from recycling bins, compactors, Goodwill and Habitat ReStore is prohibited.
- Salvaging parts in the metal pile is prohibited.
- Climbing over fences or into or onto bins, compactors or the metal pile is prohibited.
- The Southborough transfer station does not accept cathode ray tubes (CRTs) or flat screen monitors and TVs. CRTs are computer monitors and televisions that have picture tubes. There is a yearly CRT collection at Household hazardous waste day when these can be recycled for a fee. Information regarding other recycling options is available at the DPW.

IT IS AGAINST THE LAW TO DISPOSE OF CRTS AS REFUSE

HOUSEHOLD HAZARDOUS WASTE DAY - CRT COLLECTION DAY – October 23, 2021 -- YOU MUST HAVE A VALID PERMIT TO PARTICIPATE IN HHW DAY– CRTs WILL BE COLLECTED FOR A FEE

2021 - 2022 ALL FINES $250.00

VIOLATIONS AND FINES

In compliance with Article III entitled, "Transfer Station, Violations and Fines" of Chapter 36 of the Code of the Town of Southborough entitled "Selectmen" the following shall apply:

36.6 Pursuant to the duly promulgated Rules and Regulations of the Board of Selectmen, valid transfer station permits will be required for all residents utilizing the transfer station and its related facilities.

36.7 Failure to adhere to the provisions of the Selectmen's Rules and Regulations, as duly posted at the Transfer Station, will result in the issuance of a warning letter from the Superintendent of the Department of Public Works.

36.8 Subsequent violations of the Rules and Regulations at the Transfer Station, after the first warning letter has been issued, will result in a fine for each subsequent violation. Fines are set annually by the Board of Selectmen and shall be paid within thirty (30) days on notification from the Board of Selectmen or their designee.

36.9 The Board of Selectmen will govern the process for administrating the imposition of fines, which may be appealed to the Board of Selectmen or their designee within thirty (30) days of the date of notification by the Town. After due notice and hearing, the Board of Selectmen or their designee shall have the authority to uphold, modify or repeal any such fine imposed. No fine will be delinquent while an appeal is pending before the Board or their designee. Violators shall have ten (10) days to pay said fines if notified by the Selectmen or their designee that the appeal has been denied. No transfer station permit will be issued to residents with delinquent fines.

36.10 The Police Department is further authorized to prosecute any delinquent unpaid fines pursuant to the applicable provisions of state statute.

Open: Wednesday through Saturday 8 a.m. to 6 p.m.

FOR INFORMATION ABOUT DISPOSAL OR FUNDRAISING CALL THE TRANSFER STATION (508) 485-2511 or DPW (508) 485-1210

Please note the transfer station is under video surveillance.

UNACCEPTABLE WASTE

(1) State Waste Ban Law

The following items **MUST** be **RECYCLED** per Massachusetts State Regulations **310 CMR 19.017** and thereby are prohibited from disposal in the Transfer Station Compactor.

Paper	Glass Containers	Recyclable Plastic Containers (Single Polymer Plastics)	Yard Waste	Lead Acid Batteries
Cardboard	Metal Containers		Leaves	White Goods

These recyclables in addition to many others are collected at the Recycling Center. Refer to the Recycling Guide for a complete list of all acceptable items.

(2) Other items in addition to (1) above that **ARE PROHIBITED** from the Transfer Station Compactor per Massachusetts State Regulations or contractual agreement with Wheelabrator Millbury, Inc. are:

• Acids • Ammunitions, Explosives & Ordinance Material • Animal & Human Remains • Asbestos • Asphalt • Bath Tubs • Biological Waste • Brick • Cable • Cathode Ray Tubes (TVs and Computer Monitors) • Caustics	• Cesspool or Other Human Waste • Chemicals Cleaning Fluids • Commercial Food Waste • Concrete • Drugs • Empty Chemical Containers • Fill • Firearms • Flammables • Fluorescent Bulbs • Gravel	• Hazardous Waste • Hot Loads • Home Sharps • Insecticides • Liquid Waste • Loam • Non-burnable Construction Material • Oil Based Paint • Oils-Crankcase, Cutting, Drained • Paints (liquid) • Pathological Waste	• Pesticides • Petroleum Products • Poisons • Radioactive Material • Scrap Metal • Sheetrock • Tree Logs, Stumps • Wallboard • Wire • Wood (GREATER than 2 ft. long or 2 ft. wide and/or 4 in. diameter)

ACCEPTABLE WASTE

ITEMS THAT CAN BE DISPOSED IN TRANSFER STATION COMPACTOR

• Ashes & sawdust (cold & bagged) • Construction Debris (limit 2-32 gal barrels) • Demolition Debris, incl. carpet (limit 2-32 gal barrels) • DRIED LATEX Paint	• Furniture (Some furniture may be left at Swap Shop) (remove springs from sofa beds) • Garbage (wrapped, bagged – discard with household rubbish) • Mattresses and box springs (all types) • Miscellaneous hardware (screws, nails, bolts and nuts)	• Non-recyclable plastics • Plastic toys • Pots and pans • Porcelain sinks	• Small kitchen appliances (may also be left at Swap Shop if useable) • Toilets • Wood LESS than 2ft long and 2 ft wide and 4 in thick (limited to same amounts as construction and demolition debris 2-32 gal barrels)

TRANSFER STATION STICKER FEE WAIVER REQUIREMENTS

To determine if you are eligible to have your Transfer Station sticker fee waived, you must meet the residency and income requirements outlined below.

1. **RESIDENCY:** You must be a Southborough resident, and provide the following to verify residency:

   → Record of **most recent mortgage payment** (if home no longer has a mortgage, a copy of the deed); OR copy of current lease (including HUD leases); AND

   → A **utility bill or work order** dated within the past 60 days, including:
   - Gas bill
   - Electric bill
   - Cable bill
   - Property tax bill
   - Oil bill
   - Home telephone bill
   - Bank statement

2. **INCOME:** You may qualify for an income-based fee waiver if you qualify based on EITHER of the following*:

   a. *Household Income.* Your household income must be at or below an income level standard set by the State, and cannot exceed the limits shown below, according to your household size. Verification of your income must be provided using a copy of your most recent tax return.

Household Size	Maximum Gross Income for the year
1	$39,105
2	$51,137
3	$63,169
4	$75,201
5	$87,233
6	$99,265
7	$101,521

   b. *Automatic Income Eligibility.* Certain applicants can be determined automatically income- eligible based on their current participation in the following programs: individuals:
   - SNAP benefits
   - Medicaid
   - Temporary Assistance for Needy Families (TANF, formerly known as AFDC, Aid to Families with Dependent Children)
   - Fuel assistance
   - SSDI or SSI

To verify your participation in any of the above programs you must provide documentation showing you are receiving these benefits. You, the recipient, must be the owner of the car on which the Transfer Station sticker will be placed and the registration must match the sticker number. Other recipients of these benefits living in your household may not get a sticker on your behalf and must apply on their own.

If you think you are eligible to have your Transfer Station Sticker fee waived, please complete the attached application and send with the required documents to _____, or call to schedule an appointment at 508-485-0710 ext. 3000 and leaving a message.

*If you are not income eligible as defined above but your household has been affected financially by COVID-19, please call 508-485-0710 x.3000 to discuss your eligibility. Assistance may be available.

MEMORANDUM

TO: **Southborough Board of Selectmen**
CC: **Mark Purple, Southborough Town Administrator**
FROM: **Karen Galligan, DPW Superintendent**
SUBJECT: **Flagg Road Traffic Counts and Summary for Citizen's Petition**

Attached is a report summarizing the truck counts on Flagg Road. The counts were collected from around 10:30AM on Tuesday May 4th through 11:30AM on Thursday, May 6th.

As you can see from VHB's Memo (attached), Flagg Road carries enough heavy commercial vehicles (HCVs) to meet the State's warrant for a heavy commercial vehicle exclusion (HCVE). However, it is important for people to note that, of the 78 trucks counted, 27 (or 34.6%) were buses, 45 (or 57.8%) were likely delivery or landscape trucks and 6 (or 7.7%) of them were vehicles that were 10-wheelers or larger. As stated in the memo, an HCVE would not exclude most of the 78 HCVs from using Flagg Road.

I have attached, for your reference, a map of the streets in Southborough with HCVEs. As you can see, the HCVE on Route 30 makes it difficult for HCVs to move through town from east to west, or west to east, in order to get from Marlborough or Westborough to Framingham, or vice versa, without using Route 9. It also makes it difficult to set an alternate route for a proposed HCVE because vehicles have to use route 30 as an alternate route for so many roads.

If the Board would like to pursue this exclusion the next step would be for the Selectmen to request that the Selectmen of the Town of Westborough agree to allow East Main Street in Westborough to be used as part of the alternate route.

Once the Southborough Selectmen can get that permission in writing, VHB, the Town's traffic consultant, can prepare the appropriate paperwork to submit to MassDOT for the HCVE approval. The Southborough Selectmen should also vote to agree to use the excluded portion of Main Street, from the Westborough Town line to Deerfoot Road as part of the alternate route.

Subject: Notary Info

Follow Up Flag: Follow up
Flag Status: Flagged

Hi Mark,

There have been some changes in relation to MIIA's coverage for notarizing third party documents. I am including some bullet points below clarifying MIIA's change in coverage. If we decide to obtain additional coverage for third party documents it would be $250 per notary. I did gather some data points for the board's review on the number of documents notarized yearly. (Town Clerk - average of 4 years, Treasurer/Collector - annualized over a 19 month period, Conservation - estimate pre-Covid).

1. MIIA is not requiring Municipalities to obtain additional liability insurance.
2. As of 7/1/2021 MIIA has stated that they will not be covering Third Party claims for notarized documents as this falls outside the umbrella of chapter 258.
3. We are offering an alternative for this coverage for those municipalities who are looking for the coverage but this is not a required coverage. It is each towns decision to cover or to take on the exposure.

Dept	Town Docs	Resident/Other Docs	Total Average Per Year
Town Clerk	5	69	74
Treasurer/Collector	12	28	40
Conservation	0	130	130
Total Per Year	**17**	**227**	**244**

Thanks,
Chelsea

To: Board of Selectmen

From: Chief Kenneth M. Paulhus

Date: June 4, 2021

Subject: Police FY21 Budget

Dear Board of Selectmen:

Please be advised that the Computer Equipment Repair Maintenance line item (0100-5-210-000-52540) is projected to be in deficit greater than $5,000. The reason is two-fold, there is an open purchase order to replace a broken cruiser laptop which is currently on backorder and an additional laptop was required to run critical taser updates.

Please feel free to contact me with any questions you might have.

Kenneth M. Paulhus

Dear Ms. Teehan,

I am writing to notify the State Ethics Commission that on December 17, 2019, the Southborough Board of Selectmen voted to designate the Special Counsel to the Conservation Commission for the Park Central project as a Special Municipal Employee.

The complete list of Special Municipal Employees now consists of:

- Advisory Committee
- Board of Assessors
- Council on Aging
- Economic Development Committee
- Election/Poll workers
- Special Counsel to the Conservation Commission for the Park Central project
- Tree Warden

If you have any questions, please contact me at 508.485.0710 ext. 3007.

Very truly yours,

James F. Hegarty

REQUIRED FORM OF VOTE TO SUBMIT A STATEMENT OF INTEREST

REQUIRED VOTES

If the SOI is being submitted by a City or Town, a vote in the following form is required from both the City Council/Board of Aldermen **OR** the Board of Selectmen/equivalent governing body **AND** the School Committee.

If the SOI is being submitted by a regional school district, a vote in the following form is required from the Regional School Committee only.

Current votes for each SOI submission are required.

FORM OF VOTE

Please use the text below to prepare your City's, Town's or District's required vote(s).

Resolved: Having convened in an open meeting on _____, prior to the SOI submission closing date, the __[Board of Selectmen / School Committee] ____ of Southborough, Massachusetts, in accordance with its charter, by-laws, and ordinances, has voted to authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest Form dated _____ for the [Margaret A. Neary Elementary School] located at 53 Parkerville Road which describes and explains the following deficiencies and the priority category(s) for which an application may be submitted to the Massachusetts School Building Authority in the future:
(5) replacement, renovation or modernization of school facility systems, such as roofs, windows, boilers, heating and ventilation systems, to increase energy conservation and decrease energy related costs.
(7) replacement of or addition to obsolete buildings in order to provide for a full range of programs consistent with state and approved local requirements;
and hereby further specifically acknowledges that by submitting this Statement of Interest Form, the Massachusetts School Building Authority in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment from the Massachusetts School Building Authority, or commits the Town of Southborough to filing an application for funding with the Massachusetts School Building Authority.

DOCUMENTATION OF VOTE

Documentation of each vote must be submitted **in hard copy** to the MSBA as follows:

1) For the vote of the City Council/Board of Aldermen or Board of Selectmen/equivalent governing body, a copy of the text of the vote must be submitted **with a certification** of the City/Town Clerk that the vote was duly recorded and the date of the vote must be provided.

2) For the vote of the School Committee, Minutes of the School Committee meeting at which the vote was taken must be submitted **with the original signature** of the Committee Chairperson.

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 22, 2021, 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 6:30 P.M.

II. Public Comment

Betsy Rosenbloom (5 Strawberry Hill Road) asked if there will be painted crosswalks on Main Street and Route 85. Mr. Healey stated that DPW presented higher end crosswalks at Town Meeting and they were approved. He added that he is not sure when they will be added but it is in the plan.

Chris Robbins stated he is on the EDC but is speaking as resident. He stated that the downtown initiative has been worked on for years and if approved, will be a remarkable legacy for the Town. He stated there should be no more delay and now is the time to set the standard to revitalizing the community as other surrounding towns have. Mr. Robbins stated collaboration is key in order for the downtown initiative to be approved to leave a legacy everyone can be proud of.

Paul Cimino (3 Austin Kelly Lane) asked if there would be an opportunity for public comment during the agenda item regarding the appointment of town, special and labor counsel. Chairman Braccio stated now would be the time to comment. Mr. Cimino said that in his personal opinion, not as Moderator, that absent of a compelling difference between current counsel and those interviewed, the choice should be to keep current counsel. He added he watched all the interviews and did not see a compelling difference. He stated he hoped if a change is made that there would be good substantive reasons articulated for the change.

III. Scheduled Appointments

Brian Ballantine & Carla McAuliffe – Award contract for Town Auditor, effective July 1, 2021

Mr. Ballantine explained that the contract for Town Auditor expires June 30th. An RFQ was released and four responses were submitted. He stated interviews were conducted for all four firms and explained their professional experience and background. He explained the interview process and how each firm ranked. Both Ms. McAuliffe and Mr. Ballantine agreed that a major deciding factor was how much time on site the auditor was willing to make. They explained their reasons for asking to appoint Roselli, Clark and Associates. Ms. Malinowski asked when the Board could meet the associates. Mr. Ballantine stated he would set up a meeting. Mr. Healey stated he supported the recommendation. Mr. Stivers stated he was impressed with the reports this firm had given other towns.

Mr. Stivers made a motion to award the contract for Town Auditor effective July 1, 2021 to Roselli, Clark and Associates. Mr. Healey seconded. The motion passed all in favor (5-0-0).

Jason Montijo – IT Update

Mr. Montijo explained the work he has been doing with the Board of Health which includes installing a new multifunction printer, enabling HIPAA guidelines for the printer and scanner,

email encryption and supplying Ms. Spiri with a laptop. He explained an upcoming penetration test being conducted with the National Guard and the purchase of a DNS filter called Umbrella. Mr. Montijo outlined his meeting with the MTC and his need of a Senior IT Specialist. Chairman Braccio thanked him for putting the steps in place for cyber security. Mr. Healey asked about the process with the National Guard and Mr. Montijo explained. Mr. Healey stated the Board delayed the decision to hire an additional staff member to the IT Department and asked if the Senior IT Specialist is exactly what Mr. Montijo needed. Mr. Montijo stated that after taking the time to understand his goals and weaknesses he believes he needs someone with a high level of understanding of networking and systems. He added he is comfortable with requesting this role. Ms. Malinowski asked if this position was defined in the SAP. Mr. Purple stated it was not but he has had discussions with the Personnel Board. He added that there is potential this role could be hired under an existing position and work towards establishing a Senior IT Specialist job description. Ms. Rosenbloom stated that discussions have been had and the Personnel Board is ready to begin the process to including this into the SAP for fall town meeting. She added the Personnel Board has not taken a position on the role as it has not been presented to them on merit.

Ms. Braccio asked to discuss agenda item "6-E" regarding the continued use of virtual/zoom meetings for boards and committees. She asked for discussion and a recommendation to give boards and committees regarding the use of Zoom moving forward. She suggested permitting boards begin to meeting in person. The Board agreed that the use of Zoom has been very convenient and hopes some capacity could be used for remote participation for those not able to make an in-person meeting. They also agreed that public participation and viewing has increased since using Zoom and YouTube to broadcast meetings. Mr. Purple explained that an integral piece of equipment used by Southborough Access Media has broken and they have been meeting to create a plan to get back up and running. Mr. Purple explained that his expectation is for SAM to record at the same capacity as pre-pandemic schedules. Ms. Malinowski asked about the possibility of using a Zoom environment that is simpler to conduct in order to provide the public to participate remotely. Mr. Montijo explained he has been looking into this in other towns and will continue to do so.

Mr. Healey described a "Zoom Light" approach which included the use of SAM to create a visual record but also enabling Zoom to include those that cannot be present in the room without the entire environment being conducted through Zoom. He suggested a policy be created for this. Chairman Braccio asked if he would like to create a draft policy and Mr. Healey agreed to do so. Mr. Montijo stated that an ambassador for each board and committee would need to be able to handle the setup and breakdown of a hybrid Zoom environment. Chairman Braccio asked Mr. Purple to send an email to all boards and committees the directives of the Board regarding meetings. Mr. Purple agreed.

IV. Reports

Chairman's Report

i. Volunteer Breakfast

Chairman Braccio stated that this was a great turnout with over forty people in attendance. She said that many different boards and committees were able to network. She thanked all volunteers for their dedication and work throughout the year and thanked Ms. Hale for coordinating the breakfast.

Chairman Braccio reminded the Board that input for Ms. Galligan and Mr. Ballantine's reviews are due Friday to Mr. Purple.

Members' Reports

i. Master Plan Update

Mr. Dennington stated he spoke with Bill Sines from the Master Plan Committee and discussed collaborating to meet the goals from the Master Plan. He suggested working with the Planning Board to outline and prioritize objectives that the Board can assist to accomplish.

Mr. Stivers stated that the 2008 Master Plan had 100 objectives and 250 implementation steps. He stated the goal is to narrow the focus with the new Master Plan. He stated the Board should collaborate to identify and focus on priorities.

Town Administrator Report

Mr. Purple stated the vaccination clinic in Westborough closed its doors today after a successful effort to vaccinate the public throughout multiple communities. He thanked the Board of Health, Health Directors, CERT Teams, MRC, staff, Chiefs, volunteers and Ms. Black from Northborough in coordinating and executing the clinic.

V. Consent Agenda

a. Ms. Malinowski asked to hold agenda item "a." She requested that in the paragraph at line 34, include "monthly office hours and three board meetings." She asked to include language regarding infrastructure and funding needs as well as public safety compliance issues in row 52 and 53. The Board agreed to both. Mr. Healey made a motion to approve the Open Session Meeting Minutes: June 8, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

b. Chairman Braccio asked to hold agenda item "b." Chairman Braccio stated that Ms. Duka is not seeking reappointment and asked she be removed from the list. Mr. Healey made a motion to appoint Board/Committee members FY22 as amended. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

c. Mr. Healey made a motion to appoint Capital Planning Committee members FY22. Mr. Stivers seconded. The motion passed (4-0-1). Ms. Malinowski abstained.

d. Mr. Healey made a motion to reappoint staff positions for FY22. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

e. Mr. Healey made a motion to accept Crown Castle Flag Pole Assembly Bill of Sale. Mr. Stivers seconded. The motion passed (4-0-1). Ms. Malinowski abstained.

f. Mr. Healey made a motion to accept a donation of $15.00 for the Fire Dept. Ambulance Fund. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

g. Mr. Healey made a motion to award the contract for Golf Club improvements. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

h. Mr. Healey made a motion to approve the Hazard Mitigation Plan. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

i. Mr. Healey made a motion to approve departmental expenditures for FY21 per Financial policy. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

j. Ms. Malinowski stated she has revisions she would like to make to the Executive Session Meeting Minutes: June 15, 2021. She requested a meeting in Executive Session to discuss and the Board agreed.

VI. Other Matters Properly Before the Board

Discussion of Downtown District bylaw initiative

John Wood of the EDC stated the Committee called their meeting to order at 6:30 P.M. Chairman Braccio outlined the main outstanding issues with the Planning Board regarding the bylaw which included the 2,000-3,000 square feet per establishment, four story height allowance, FAR ground coverage and the zoning map. She explained an email was forwarded to the Board which included a conversation Attorney Costa had with Ms. Luttrell and Ms. Hoolahan of the Planning Board regarding mixed use. She also stated an email from the Planning Board that came in late afternoon was provided at the meeting and is included in the packet posted with the meeting minutes. She explained that Marijke Munsiff, EDC Coordinator, crafted design guidelines and provided them to the Planning Board in November. The feedback from Planning was that the guidelines were a great start. Chairman Braccio read part of the email from the Planning Board which in summary stated the Board consensus was they will be reviewing and not crafting design guidelines and the proposed bylaw should be in final draft and reviewed by a consultant. Chairman Braccio explained that the grant money for this project will expire in eight days which is an incredibly tight schedule. She added that consultant Judi Barrett strongly suggests the guidelines be completed in conjunction with the bylaw for Town Meeting.

Julie Connelly of the EDC gave a timeline summary of the creation of the guidelines in November with a clear message that the grant money was available through June. She explained that the design guidelines were well received by the Planning Board and had heard nothing substantive about them since. She explained the importance of design guidelines and the rationale for the Planning Board to have authority over enforcement. She expressed her concerns regarding funding and timing. Chairman Braccio stated she spoke briefly with Ms. Barrett regarding this issue and she will reach out to her tomorrow regarding next steps. John Wood of the EDC stated he will reach out to other consultants used previously by the EDC in hopes of reaching someone who had time to work with them in the eight remaining funding days.

Mr. Healey expressed his frustration in the timing of the feedback from the Planning Board and lack of support of this initiative from other boards and committees; specifically, the Master Plan Committee. He added that this feedback could have been expressed six to eight months ago. Mr. Stivers stated that the Master Plan Committee has the downtown as an open area of focus. Mr. Healey replied that putting this initiative on a list and collaborating to bring it to Town Meeting are not the same idea. Mr. Stivers stated he is more hopeful and added that the guidelines proposed by the EDC are very good and part of the Planning Board public hearings is to revise and edit the document. Mr. Healey asked Mr. Stivers to commit to discussing this topic at the next Master Plan Committee meeting on June 30th and Mr. Stivers agreed.

Mr. Dennington asked if the design guidelines were discussed at the last joint meeting and Ms. Connelly replied that they were not. He explained that he felt the design guidelines did not have to be done in conjunction with the bylaw for Town Meeting. Ms. Connelly explained why the EDC felt they were an integral part of the bylaw passing at Town Meeting. Chairman Braccio explained why she agreed with Ms. Connelly. Chairman Braccio recommended making every attempt to find a consultant to review the design guidelines drafted by Ms. Munsiff in the last eight days of grant funding. Mr. Belniak of the EDC cautioned both Boards about analysis paralysis with the document. Chairman Braccio asked the Board if they agree to move forward with her suggestion. Mr. Dennington asked if the EDC agreed with that path. Mr. Wood stated he does not think the guidelines are imperative for Town Meeting and added that it was clearly stated these were not under the purview of the EDC. He added that the redesign of the map and the design guidelines should be under the purview of the Planning Board. He expressed his frustration with the timing of the Planning Board feedback and suggested the Board and the EDC

come to agreement on the four outstanding issues in the bylaw. Ms. Connelly asked the opinion of the Board regarding next steps and who will own the design guidelines and map if the Planning Board will not. Mr. Healey agreed that the Board could come to an agreement on the outstanding issues in the proposed bylaw and stated that there is a zoning map. He explained that the current zoning map will work with the bylaw and once all is delivered to the Planning Board, it is their responsibility to hold public hearings. There was lengthy discussion regarding the outstanding issues, next steps and timeframes.

Mr. Healey made a motion that for the purposes of the downtown district final bylaw draft, they Board adopt the 3,000 square feet per establishment under zoning as stated by Chairman Braccio earlier. There was discussion regarding where in the bylaw this motion would be applied. Mr. Healey withdrew his motion. Ms. Malinowski made a motion that the Board adopt under 174-8.12 (B) the 3,000 square feet for permitted use as well as under Section (C) (1) the 3,000 square feet being the lower part of the threshold for a special permit. Mr. Healey seconded. The motioned passed all in favor (5-0-0). Mr. Anderson made the same motion for the EDC. Mr. Robbins seconded. The motion passed all in favor (5-0-0).

Mr. Dennington made a motion that the Board support eliminating Section 174-8.12 (G) from the proposed bylaw together with the portion of Section 174-8.12 (F) (8) (a) after the comma following "three stories." Mr. Healey seconded. The motion passed all in favor (5-0-0). Mr. Anderson of the EDC made the same motion. Mr. Robbins seconded and the motion passed all in favor (5-0-0).

Mr. Dennington made a motion that on the top of page 4, Section 174-8.12 (F) (5) the Board strike the max lot coverage of 80% and replace the language with "max FAR: .35 as of right or max .5 with a special permit from the Planning Board." Mr. Healey seconded. The motion passed all in favor (5-0-0). Mr. Anderson of the EDC made the same motion. Mr. Robbins seconded and the motion passed (4-1-0). Ms. Connelly opposed.

Mr. Stivers made a motion to support the changes made in version eight of the document in blue to clarify several definitional issues as shown in this document. Mr. Stivers withdrew his motion. Mr. Healey made a motion to accept for purposes of transmitting to the Planning Board the downtown bylaw version eight with the blue amendments which were input from Attorney Costa and Planning Board as well as reflecting the votes taken on items 1, 2 and 3 as taken tonight. Mr. Stivers seconded. The motion passed all in favor (5-0-). Mr. Healey made a motion that the Board transmit version eight as voted on and transmit the draft design guidelines to the Planning Board as part of this package with the proviso that the Board designate Ms. Braccio on behalf of the Board to make any changes after input from a consultant between now and the end of the consultancy pay. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Mr. Healey made a motion that the current zoning map as written in the Town of Southborough Zoning Code be transmitted as part of the package. Mr. Stivers seconded. Ms. Malinowski asked the next steps for the map. There was lengthy discussion regarding using the current map, making changes this evening and receiving input from the public. There was discussion regarding the split lots on Latisquama Road. Mr. Healey amended his motion to state that the Board convey to the Planning Board that the proposed zoning article for the Downtown District as voted on tonight along with draft design guidelines as voted on tonight with the message that the Board will continue to review and discuss the zoning map with landowners with the anticipation that the discussion of that map will be part of the public hearing regarding the downtown district bylaw being proposed. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Mr.

Anderson made a motion to send the current zoning map to the Planning Board as a separate discussion from the bylaw. Mr. Robbins seconded. The motion passed all in favor (5-0-0). Mr. Anderson made a motion that the EDC send the downtown district bylaw version eight with the changes made tonight and edits from Attorney Costa along with the design guidelines. Mr. Belniak seconded. Chairman Braccio stated that the Board will not "transmit" but will be sending all documents voted on to the Planning Board. The motion passed all in favor (5-0-0). Mr. Wood made a motion to adjourn the EDC meeting at 9:26 P.M. Mr. Belniak seconded. The motion passed all in favor (5-0-0).

The Board went into recess at 9:27 P.M. The Board returned from recess at 9:34 P.M.

Review and approve Charge for Noise Bylaw Ad Hoc Committee

Mr. Stivers stated he made updates to the charge based on the discussion at the previous meeting. He stated there is a typo in the fifth bullet. Mr. Healey agreed that the proposed charge incorporated the points the Board discussed. Ms. Malinowski described an update on this charge as described at a Board of Health meeting. The concern was that the three Board of Health members are not able to participate on this committee. She suggested that a Board of Health employee and a resident could apply as a resident at large to be a voting member. Ms. Malinowski reminded the Board that the Board of Health owns a portion of the noise bylaw. Chairman Braccio stated she approved that change. She asked that interviews be conducted for the committee appointments at their July 13th meeting. Mr. Healey made a motion to approve the Noise Bylaw Ad Hoc Committee charge as proposed with the single amendment. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Chairman Braccio asked Mr. Purple to advertise volunteer openings on this committee and he agreed to do so.

Review and approve new charge for Capital Planning Committee

The Board discussed a change in membership number for the Capital Planning Committee from seven to five. The Board felt leaving the number at seven will suffice. Chairman Braccio discussed changing the word "oversight" to "collaboration" in the second bullet of the charge. Mr. Healey asked to change the wording in this section to "under the purview." The Board agreed. Mr. Healey made a motion to approve the Capital Planning Committee charge with the discussed amendment and no change in membership. Mr. Stivers seconded. The motion passed (4-0-1). Ms. Malinowski abstained.

Review and approve Capital Planning recommendation for oversight of FY22 Capital projects

Chairman Braccio explained that there is a self-explanatory email from Mr. Malinowski included in the packet. It referenced three projects; the Town House, the Fire tender and Library renovations. Chairman Braccio said the Community Preservation Committee agreed to have some oversight on these projects and is part of the request. Mr. Healey made a motion to approve the recommendation from the Capital Planning Committee regarding oversight of FY22 capital projects. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

Discussion of the continued use of virtual/Zoom meetings for boards/committees

This was discussed under agenda item III.

Discussion of date for Special Town Meeting

Mr. Purple explained the timeline from a finance and assessor's department perspective. He suggested the last week of September or the first week in October for the Board to consider for a fall town meeting. Chairman Braccio summarized her discussion with Town Clerk, Jim Hegarty

and stated that the schools have availability these weeks. She added the Town is not bound to a Saturday. The Town Moderator, Paul Cimino gave his opinion on which weeks and days to hold a fall town meeting. The Board discussed their schedules. Mr. Hegarty explained why the town is not bound to a Saturday to hold a fall town meeting. Mr. Stivers made a motion to set the date of special town meeting for October 4th at 7:00 P.M. at the Trottier auditorium. Mr. Healey seconded. The motion passed (4-0-1). Ms. Malinowski abstained.

SHOPC & Capital Planning Committee Affordable Housing Subcommittee

i. Approve committee charge

Chairman Braccio explained that Andrew Pfaff of the Capital Planning Committee worked with SHOPC Chair, Doriann Jasinski and SHOPC approved the charge with five members. Mr. Dennington asked how this relates to the aftermath of the bid for South Union. Chairman Braccio replied that it does not except that the public response was to continue to explore options for the South Union School. Mr. Healey made a motion to approve the SHOPC and Capital Planning Committee 21 Highland Street Affordable Housing subcommittee as proposed. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

ii. ii. Appointment of committee members

Chairman Braccio updated the Board on board and committee votes to approve Mr. Bhisitkul, Mr. Frisch, Mr. Stein, Mr. Pfaff and Mr. Palmer. She informed the Board that they will need to vote to approve these members to their respective appointments as supplied in the packet. Mr. Dennington moved to approve the above appointments as presented in the packet. Mr. Healey seconded. The motion passed all in favor (5-0-0).

Discussion of Counsel appointments (Town, Special, Labor)

Mr. Dennington left the meeting at 9:59 P.M.

Chairman Braccio summarized that the Board brought in four candidates for bids for legal services and they had the opportunity to interview each. Mr. Healey summarized that the Board has been talking about putting legal services out to bid for two years and how they came to do so this year. He explained he felt the representatives from West Group Law, LLC had more experience in dealing with cities than towns. He stated that the other three representatives would be fine choices. Mr. Healey explained that Mead, Talerman & Costa, LLC stood out with their breadth of experience and the packets that they delivered in their bid. He explained that he felt the size of this firm is advantageous to the Town. Mr. Healey added that there would be a cost savings to the Town if this firm was chosen. He stated his first choice was Mead, Talerman & Costa, LLC.

Mr. Stivers stated Petrini & Associates, P.C. was his first choice based on their municipal law experience and the responses to the interview questions. He stated that he appreciated their firm approach and felt they could offer more than a solo practice. Mr. Stivers added that Petrini & Associates, P.C. were more expensive and Mead, Talerman & Costa, LLC were his second choice.

Chairman Braccio stated that the West Group was not one of her top choices and Petrini & Associates, P.C. were third on her list. She added that she was not impressed with their answers to the interview questions and had the same concerns for covering multiple states. She stated that current Town Counsel is her second choice. She outlined his longevity with the Town, vast experience and workshops provided to Town boards and committees as positives. She outlined

concerns being the amount of turnaround time for a decision, tenor of current emails and the thought that lines could be blurred between being a tax payer and counsel to the Town. She stated that she has chosen Mead, Talerman & Costa, LLC as her first choice due to the experience she has had with Special Counsel and Attorney Costa, her impression of the other attorney brought to the interview, the office hours and availability and team approach they offer.

Ms. Malinowski stated Petrini & Associates, P.C. was her fourth choice as they did not have enough of an understanding of Southborough and she had the same concerns with West Group Law, LLC. She stated that Attorney Cipriano has served the Town well and had many successes here but felt Mead, Talerman & Costa, LLC were a better choice. She outlined the fact that deadlines are driven by the Town with this firm, the option for office hours and their breadth of education as reasons for her choice. She added that Attorney Cipriano is excelllent with tax title issues, dealing with Stockwell Lane and quarterly meetings provided to the Board. Ms. Malinowski stated that she liked the idea of a bigger firm as opposed to a solo practice. Mr. Stivers stated Mead, Talerman & Costa, LLC were second on his list and he would support that appointment.

Mr. Healey made a motion that the Town of Southborough appoint Town Counsel for fiscal year 2022 beginning July 1, 2021 to Mead, Talerman & Costa, LLC under the proposed fee structure "A" of $84,000 annually. Ms. Malinowski seconded. The motion passed all in favor (4-0-0).

Ms. Braccio thanked Town Counsel for his service of the years. Mr. Purple asked the Board if they were appointing labor counsel this evening. Chairman Braccio stated that Labor Counsel's contract would expire on June 30th. The Board decided they would like Mead, Talerman & Costa, LLC to present what they could offer for labor counsel. Mr. Healey made a motion to extend the labor counsel contract for 90 days. Mr. Stivers seconds. The motion passed all in favor (4-0-0).

VII. Public Comment

None

VIII. On a motion made by Mr. Healey, seconded by Mr. Stivers and voted all in favor, the meeting was adjourned at 10:24 P.M.

Upcoming Meetings
July 13, 2021
August 17, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

Downtown District Bylaw/ Planning Board re: Design Guidelienes

---

From: Karina G. Quinn <kquinn@southboroughma.com>
Sent: Tuesday, June 22, 2021 2:56 PM
To: Lisa Braccio <lbraccio@southboroughma.com>
Subject: RE: Downtown District --FW: design guidelines

Hi Lisa:
The Planning Board asked me to follow up with you. At last night's 6/21/21 Planning Board meeting, the members discussed the timing for review of the Design Guidelines associated with the proposed Downtown District bylaw (DD). Sam Stivers was present at the in-person meeting, provided some insight, but emphasized that you are the BOS point person for the DD.

The PB members in consensus want to clarify that they will be reviewing the Design Guidelines but not creating them, in their opinion a task best left to a consultant. They also indicated that since the Design Guidelines are predicated on the DD bylaw, the proposed bylaw should be in *final* draft version prior to Design Guideline review. They anticipate providing review and feedback of Design Guidelines once it is understood what the *final* draft DD bylaw is, which should also address the Zoning Map. Then when ready, a complete *final* draft package would be submitted to the Planning Board to initiate the required Planning Board public hearing process of the proposed zoning amendment.

Please let me know if you have any questions.
Thanks,

Karina G. Quinn, P.E.

Subject: Re: Downtown District --FW: design guidelines

[EXTERNAL]

Hi Lisa
I think the PB agrees that the design guidelines are an essential part of the proposed zoning revisions. It may not be productive to work on the guidelines until a final draft of the Downtown District zoning change is ready. I will recommend that we discuss this at our PB meeting on Monday so you can update the BOS on Tuesday.

I hope all is well and thank you for your hard work.
Don

Subject: design guidelines

Hi Don,

Thank you for hosting the joint meeting last week. I think it was extremely helpful and is another step in moving much needed changes Downtown forward. As we continue to progress with the zoning change, I think the importance of the design guidelines for the Downtown District are pretty clear. I was wondering if you had any thoughts on when the Planning Board will continue the discussion? I would like to update the BOS/EDC next Tuesday as we talk about next steps.

As always, much thanks for all you do,

Lisa

Lisa M. Braccio
Board of Selectmen

CAPITAL PLANNING COMMITTEE

The Capital Planning Committee shall be an ad-hoc committee made up of seven (7) members, all appointed by the Board of Selectmen. The positions shall be filled by residents of the community who are willing to volunteer their time in assisting with the review and evaluation of capital items and projects ~~contained within the Town's Capital Plan, and developing strategies to move these projects forward for approval in a financially responsible manner~~brought forth by Departments, Boards, Committees, and Commissions to maintain the town's 10-year Capital Plan. The Finance Director and Town Administrator shall act as ex-officio members of the Committee. As such, these positions will not count toward the quorum, nor will they have a vote on committee matters.

CHARGE

The primary charge of the Capital Planning Committee is as follows:

- Work with Town Finance Team to maintain town's capital plan. This will be achieved by regular meetings and discussions with Town Departments, Boards, and Committees that will put forward requests for Capital Funding as part of an Annual or Special Town Meeting. While this Committee will have no oversight of the annual operating budget, they need to be aware and receive regular updates of the operating budgets to ensure that capital needs are considered in an appropriate order and timing.
- ~~In the immediate term, perform a comprehensive assessment of all owned town facilities and property (including school properties). Work collaboratively with other town boards and committees to provide a plan for construction, remodeling, consolidation, or sale. Provide status report on or before September 1, 2020 to Board of Selectmen and Advisory Committee with a formal report on all initial recommendations by December 31, 2020.~~
- In the absence of a formal building committee for a specific project, this Committee will serve as point of initial approval for all project expenses, change orders, and invoices. Projects falling under the oversight of this Committee will specifically be decided as part of or immediately following any Town Meeting appropriation by a vote of the Board of Selectmen based on a recommendation from the Town Administrator.
- If the Board of Selectmen decide to have a separate Building Committee for any specific project, then a member of this Committee shall be appointed.

TERM

The Capital Planning Committee appointments will be for one year terms.

Approved: February 11, 2020; Amended August 18, 2020

Noise Bylaw Ad-hoc Committee Charge

Charge and Process
The Noise Bylaw Ad-hoc Committee (the "Committee") is charged with the task of preparing a draft of a proposed Noise Bylaw for Southborough (the "Draft Bylaw").

The work of the Committee shall include, but not be limited to, the following:

- Review of previous versions of noise bylaws prepared for Southborough's Town Meetings;
- Review of the noise bylaw experience of other towns, particularly with respect to measurement of noise levels and flexibility for homeowners and commercial landscapers to maintain properties;
- Consideration of enforcement issues;
- Consideration and evaluation of other approaches to selected aspects of the Draft Bylaw, and providing a report describing the "pros" and "cons" of these other approaches and the reason(s) that these alternatives were not recommended; and
- Providing periodic reports progress, as may be requested by the Board of Selectmen.

Membership
The Committee shall consist of five (5) "at-large" voting members, and two (2) ex-officio, non-voting members as follows:

- Five (5) "at-large" residents of the Town of Southborough, appointed by the Board of Selectmen;
- The Southborough Chief of Police, as an ex-officio, non-voting member; and
- One member of, or designee of, the Southborough Board of Health, as an ex-officio, non-voting member.

Term, Administration and Organization

- The Committee members shall be appointed for a term ending June 30, 2022;
- Ex-officio, non-voting Committee members shall not be counted for purposes of determining a quorum;
- Members shall serve without financial compensation; and
- The Committee shall determine what, if any, officers should be elected.

Schedule

- The Committee shall perform the work as detailed in the charge to deliver the Draft Bylaw and related reports by no later than 30 days before the printing deadline for the warrant for a Town Meeting (regular or special, as applicable) where the bylaw will be considered.
- The Committee shall work to produce a Draft Bylaw for consideration by Town Meeting as soon as reasonably possible, with the timing objective of no later than the 2022 Annual Town Meeting.

DRAFT

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 8, 2021, 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough
Present: Marty Healey, Chelsea Malinowski, Sam Stivers, Lisa Braccio, Town Administrator Mark Purple. Ms. Braccio was participating remotely by Zoom. Mr. Dennington had previously recused himself from participating in the counsel interviews, and was not present.

Ms. Malinowski called the meeting to order at 6:31P.M., and read the preamble. She noted that Ms. Braccio was participating remotely and had filled out the required paperwork.

Ms. Malinowski said that the Board is interviewing four firms for town counsel, and one firm is not available this evening. She said the Board will be conducting that interview next Tuesday, and then will schedule a special meeting to make a determination. Ms. Malinowski said that the meeting is being recorded this evening on Zoom, and it will be made available to the public after the last interview is complete. She directed the counsel candidates that in order to speak, you had to hit the spacebar to unmute and mute again. The Board has allocated 30 minutes for the interview: 3-5 minutes for an introduction, and 25 minutes to answer 8 questions; the eighth question is a wrap-up question, and should be 3-4 minutes. Mr. Purple will signal when there is 5 minutes remaining. Ms. Malinowski recommended that the candidates pace themselves with the questions and the time requirements.

DRAFT

Mead, Talerman & Costa, LLC

Attorneys Jay Talerman and Katherine Feodoroff were present. Attorney Talerman introduced the firm, which grew out of the firm Blatman, Bobrowski & Mead. He noted that they are offering different billing options, as billable hours is not always the best fit for a community. Attorney Talerman noted that he and his firm are responsive, available, and has a passion for municipal law. He also noted that he currently does special counsel work for Southborough. Attorney Feodoroff addressed the firm's team approach to counsel services.

On the question of policy, Attorney Talerman said that he tries to get as close to the policy line without crossing it in his opinions. Opinions can be by phone or email, and expectations are defined up front. He noted that with flat or hybrid fee options, decision are more defensible and litigation is shown to decrease. The issues that he sees coming for Southborough in the future are managing expenses, regional school, land use, and town/gown relations.

Attorney Feodoroff reiterated the firm's passion for municipal law, and their collaborative approach to finding solutions. Attorney Talerman noted his prior work in Southborough, including town meeting issues, and the successful financial resolution to a regional school issue.

West Group Law, PLLC

Ms. Malinowski repeated her earlier introduction and instructions to the firm for the interview.

Attorneys Steven Torres and Jillian Jagling were present. Attorney Torres began by congratulating the Town on its response to the COVID-19 pandemic. He said that is firm consists of a team of lawyers with small town and international experience; big experience with local commitment.

Attorney Torres outlined his process for issuing opinions, and said that no advice on policy is given until it is asked for. He tries to provide options for the Town to consider, and places a price tag on risk. Attorney Jagling said that in almost all cases, the firm would issue written legal opinions. Attorney Torres said that education is vital to mitigate liability, and sets up trainings for employees and volunteers on OML, ethics, and public records, both annually and as-needed. He noted the Park Central issue, and that his firm has 40B experience. Attorney Torres identified public safety and compliance issues as those impacting Southborough moving forward. He said that when special counsel needs to be retained for an issue, that it would be negotiated at the same rates as his firm had with the Town. Attorney Jagling said that they issue monthly status and summary reports on current cases, by category.

Attorney Jagling said that the Town deserves a suite of legal services, and that their firm is the best choice because of their depth and experience.

Petrini & Associates, P.C.

Ms. Malinowski repeated her earlier introduction and instructions to the firm for the interview.

Attorneys Christopher Petrini, Christopher Brown, Amanda Zuretti, and Michael Terry were present. Attorney Petrini introduced his firm and the attorneys present. The Framingham firm was established in 2004 as a boutique firm to represent cities and towns with expertise, accessibility and a team approach.

Attorney Brown said that he leaves policy decisions to the Board of Selectmen. Opinions are rendered in a number of ways, through email, memo, or in person. He noted that ethical issues are not always straightforward. Attorney Petrini said that risk is mitigated by legal advice being given in advance of decisions being made. He suggested that there be a policy to control the use of counsel, and has templates available to that effect. The attorneys identified development, growth, and labor issues as the biggest issues facing communities in the future. While most legal issues are handled in-house, Attorney Petrini noted that tax title and cable are two things that outside counsel services would be engaged, and that would be done in collaboration with the Board. Attorney Brown noted that their firm is a "green firm" for the most part, meaning paperless. Cases are tracked through a management system to index matters, including cloud storage. Attorneys work through the Town Administrator, keeping the Board apprised as needed. With regards to litigation, Attorney Brown said that their firm tries to find ways to effectively end the litigation. Attorney Petrini said that the best cases are resolved through mediation and pleadings. Cases must be assessed based on cost and likelihood of success to control the impact on the budget.

Attorney Brown said that he prides himself on municipal representation, and that he finds legal work rewarding. He cares about his clients, and limiting their liability. He also stressed the importance of the educational aspect of counsel to employees and volunteers. Attorney Petrini reiterated the firm's legal expertise and team approach, as well as their knowledge of local issues.

Mr. Healey made a motion to adjourn the meeting at 8:26PM, seconded by Mr. Stivers. Roll call vote: Healey – aye; Stivers – aye; Braccio – aye; Malinowski – aye. Motion was approved unanimously, 4-0-0.

Respectfully submitted,

Mark Purple
Town Administrator

Subject: SHOPC & Capital Planning Committee Affordable Housing Subcommittee Charge (Draft) 6-10-21.docx
Attachments: SHOPC & Capital Planning Committee Affordable Housing Subcommittee Charge (Draft) 6-10-21.docx

Ms. Braccio,
After meeting with the Capital Planning Committee we decided to join together and create a sub-committee to research the affordable housing possibilities for Southborough. One possibility discussed was the South Union School.
At our SHOPC Meeting on Wednesday morning, the Board voted to approve the sub-committee charge and voted two members to participate on the sub-committee.
Our two representatives will be Tom Bhisitkul and Alex Frisch. Jesse Stein said he would volunteer to be the Planning Board member as well.
The Capital Committee voted to include two members to the sub-committee. Those two members are Andrew Pfaff and Joe Palmer.
Let me know if you have any other questions or if there is anything else I can do to help move this along.
It Looks like we have our five member sub-committee all set as soon as Planning votes to approve Jesse Stein.
We are hoping the board of Selectmen will approve the sub-committee charge at their June 22nd meeting.
We are all looking forward to working together to accomplish our commitment to bring more affordable housing to Southborough.

Thank you for your consideration and time.

Best Regards,
Doriann Jasinski

SHOPC/ CAPITAL PLANNING COMMITTEE- 21 HIGHLAND ST. AFFORDABLE HOUSING SUBCOMMITTEE

The 21 Highland Street Affordable Housing Subcommittee shall be an ad-hoc committee of the Southborough Housing Opportunity Partnership Committee (SHOPC) made up of five (5) members. Two (2) members will be from the Southborough Housing Opportunity Partnership Committee (SHOPC), two (2) members will be from the Capital Planning Committee, and one (1) member will be from the Planning Board. Each committee will recommend members for the respective membership positions, subject to appointment by the Board of Selectmen.

Town administration and facilities members may participate in the meetings in an advisory manner, but do not count towards a quorum, nor will they have a vote.

CHARGE

The primary charge of the 21 Highland Street Affordable Housing Subcommittee is as follows:

- Work collaboratively to assess the property at 21 Highland Street (former South Union School) owned by the Town for potential redevelopment into affordable/market rate housing.
- To explore the creation of a transit-oriented overlay district near the train station to comply with the section 3A of chapter 40A (by right multifamily housing for MBTA communities)
- The subcommittee will report to SHOPC, with ongoing communication with the Capital Planning Committee for support.
- Provide formal read-out and recommendation to SHOPC and Capital Planning Committee; and
- Upon votes from 21 Highland Street Affordable Housing Subcommittee and SHOPC, make presentation to joint meeting of Board of Selectmen and Advisory Committee.

TERM

The 21 Highland Street Affordable Housing Subcommittee appointments will be through June 30, 2022.

Re: Crown Castle Flag Pole Assembly Bill of Sale

Greetings Madam Chairperson and Board Members,

Enclosed herewith please find the negotiated proposed Bill of Sale for the Select Board's consideration of acceptance. Once this has been duly executed and filed with the Town, this would conclude the legal issues relative to the replacement flag pole.

Thank you for your attention in this regard.

Very truly yours,

Aldo A. Cipriano, Esq.
Town Counsel

AAC/fc

Enclosures

BILL OF SALE

This Bill of Sale (this "**Bill of Sale**") is made and entered into as of the ____ day of May, 2021 (the "**Effective Date**"), by Crown Castle USA Inc., a Pennsylvania corporation ("**Seller**"), in favor of the Town of Southborough, a duly organized and existing municipal corporation in the County of Worcester, Commonwealth of Massachusetts ("**Buyer**").

1. For and in consideration of the sum of One and 00/100 Dollars ($1.00) and other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, and intending to be legally bound hereby, Seller hereby sells, assigns and transfers to Buyer all of Seller's right, title and interest in and to Seller's owned personal property and/or real estate fixtures identified in Exhibit A (collectively, the "**Property**"), at the former telecommunications site(s) identified in Exhibit A (the "Site(s)").

2. The Property is transferred "AS IS and WHERE IS." Seller hereby covenants with, and represents and warrants to, Buyer that, as of the Transfer Date:

a. Seller is lawfully seized and possessed of the Property;
b. Seller has the right to sell, transfer and convey the Property to Buyer;
c. the Property at the Site(s) is, and will be transferred to Buyer, free and clear of all security interests, liens, and other encumbrances of any type or description; and
d. Seller will forever defend the right and title to the Property unto Buyer against the claims of all persons claiming otherwise by, through or under Seller.

SELLER OTHERWISE MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY except as provided by applicable law. Seller hereby transfers and assigns to Buyer any and all warranties or guarantees Seller has received with respect to the Property and such warranties are attached hereto as Exhibit B. Furthermore, Seller and Buyer hereby incorporate by reference the Final Construction Control Affidavit dated April 14, 2021 together with the Final Construction Control Document from ETS Engineered Tower Solutions, PLLC dated May 5, 2021 with Modification Inspection Report dated April 19, 2021, all of which are attached hereto respectively as Exhibits C, D and E, and the parties hereto affirm said documents conclusively establish the propriety of the installation of the Property and the acceptance of this installation by the Buyer.

3. This Bill of Sale supersedes all prior discussions and agreements between Buyer (and Buyer's affiliates) and Seller with respect to the purchase and sale of the Property and other matters contained herein, and this Bill of Sale contains the sole and entire understanding and agreement between Seller and Buyer with respect thereto.

4. This Bill of Sale shall be governed by and construed and enforced in accordance with the laws of the Commonwealth of Massachusetts, regardless of conflict of law principles.

[Remainder of Page Intentionally Left Blank, Signature Page Follows]

IN WITNESS WHEREOF, this Bill of Sale has been executed by the parties hereto as of the date first set forth above.

DATE: June 16, 2021

TO: Honorable Board of Selectmen
Mark J. Purple, Town Administrator

FROM: Brian Ballantine, Finance Director T/C
Carla McAuliffe, Town Accountant

RE: Audit Services FY21-FY23

As the Board may be aware, the Town issued an RFP for audit services for a three-year term beginning in FY22. The Town received four responses to this bid. The four firms that issued responses were:

- Clifton Larson Allen
- Robert E. Brown II CPA
- Hague, Sahady & Co.
- Roselli, Clark and Associates

The proposed pricing for these were as follows:

	AUDIT FY21	AUDIT FY22	AUDIT FY23	SINGLE FY21	SINGLE FY22	SINGLE FY23
CLA	37,000	38,000	39,000	6,000	6,000	6,000
Brown	27,000	27,000	27,000	5,000	5,000	5,000
Sahady	25,000	26,000	27,000	7,000	7,000	7,000
Roselli	27,000	27,000	27,000	5,000	5,000	5,000

During the week of June 14th the Town Administrator, Finance Director, and Town Accountant met with all four respondents. Three of the four were held by Zoom, per request. The RFP's were also ranked as received and the following were those results:

	A. Auditor Level Experience	B. Audit Manager / Partner Level Experience	C. Firm Municipal Audit Experience
Clifton Larsen Allen	Highly Advantageous	Highly Advantageous	Highly Advantageous
Robert E. Brown II, CPA	Advantageous	Highly Advantageous	Highly Advantageous
Hague, Sahady & Co, P.C.	Highly Advantageous	Highly Advantageous	Not Advantageous
Roselli, Clark & Assoc.	Highly Advantageous	Highly Advantageous	Highly Advantageous

After meeting with all respondents and asking various questions, we are recommending to award the three year contract to Roselli, Clark & Associates. The major reasons for this are:

- In-person review was positive, courteous, and the partner showed a willingness for flexibility for on-site visits and organizing the fieldwork;
- Well known in the industry and maintains a close relationship with the finance associations for Treasurers and Accountants (MCTA & MMAAA) as well as the MGFOA;
- The firm is based in Woburn, so it is geographically advantageous;
- The firm dedicates 80% of its services to municipal audits, thereby indicating a broad range of knowledge in this area;
- Currently performs audits for 65 Cities and Towns in Massachusetts. Comparable communities to Southborough include Holliston, Hull, Lincoln, Salisbury and Upton;
- References provided for the firm all proved to be indicative of a firm that is knowledgeable and positive to work with;
- Cost and ranking were both competitive.

Should you have any further questions please do not hesitate to contact us.

Subject: FW: Capital Planning - Requests for Collaboration on 2021 Annual Town Meeting Capital Items

From: Jason W. Malinowski <jmalinowski@southboroughma.com>
Sent: Monday, June 21, 2021 1:40 PM
To: Mark Purple <mpurple@southboroughma.com>
Cc: Lisa Braccio <lbraccio@southboroughma.com>; Andrew Mills <amills@southboroughma.com>; John Parent <jparent@southboroughma.com>; Steven Achilles <sachilles@southboroughma.com>; Tim Davis <tdavis@southboroughma.com>
Subject: Capital Planning - Requests for Collaboration on 2021 Annual Town Meeting Capital Items

Mark,

As you are aware, the Capital Planning Committee charge currently has an oversight section in its existing charge. With the 2021 Town Meeting now in the rear view mirror, Capital Planning has had the chance to meet publicly, as well as join a few other Committee meetings.

We would like to formally request the BOS authorization to collaborate with the Department Heads on the following projects:

Town House (CPA Funded)* - Overseen by John Parent
Fire Tender - Overseen by Chief Achilles
Library Renovations - Overseen by John Parent

If approved, Capital would appoint a member to collaborate with the Department Head throughout the project and be able to report on status regularly at our public meetings. The nature of the collaboration would likely vary by project/item, but it has primary goals: 1) enhancing the transparency on how approved funds are used, 2) providing a sounding board for the department head throughout the process, 3) assisting with any unforeseen change orders, and 4) helping to inform future Capital Planning Committee recommendations on similar articles in the future specific to scope, timing, and cost.

* I attended the CPC meeting on 6/16 to specifically discuss this given their oversight process already in place. We discussed the pros and cons of the approach and view this as a collaboration to add to the process before invoices actually coming to CPC for their normal review. We also stressed the need for feedback from them on what is and is not working as we collaborate.

Capital has also discussed the Kallander Field article but given that we have only had a chance to discuss that with CPC and not the full Recreation Commission, we are not requesting anything related to that article at this time but may come back after a discussion with the Recreation Commission.

We are not planning to request formal collaboration on the Town House bathrooms or IT Server Infrastructure upgrades, but plan to be made aware of expenses to inform future recommendations to Town Meeting related to similar projects scheduled in the near term.

If you or other members of the Board have any questions, please let me know.

Respectfully Submitted,

Jason Malinowski

Board of Selectmen

FROM: Karina Quinn, Town Planner

DATE: June 15, 2021

RE: **FY21 Misc. Contracted Services 0100-5-175-000-53880**

Please be advised that Planning anticipates the Misc. Contract Services line item of the Planning Budget FY21 to be increased by $5,800.00. The Misc. Contract Services line item adjustment will be covered within the Planning Budget for FY21. The line item increase is due to the following:

Recording Secretary Services for PB/SHOPC/MPC	+ $ 1,200.00
Open Space Monitoring Services	+ $ 1,900.00
Master Plan Update Assistance	+ $ 200.00
Outdoor Illumination Bylaw/Rules & Regs Review	+ $ 2,500.00
Total:	$ 5,800.00

It is my intent to utilize the $334.14 remaining in the Salaries Full-Time 0100-5-175-000-51100 line item for an office supply order, with an anticipated remaining overall budget amount of $76.76.

Should you have further questions please let me know.

Re: Information Technology Update

Thank you for allowing me some time to update you on where the IT department is and the many changes coming to the town employees. Below is a list of some of some key items I will be discussing at your June 22nd meeting.

1. Board of Heath
    a. New multi-function printer;
    b. PaperCut License;
    c. Access to BOH portion of town website;
    d. Email encryption.
2. Cyber-Security updates
    a. Massachusetts Army National Guard Cyber Scans;
    b. Multi-factor authentication;
    c. Umbrella DNS website security.
3. Full-time employee job description
    a. MTC meeting;
    b. High-level overview of expectations.

Town of Southborough
Emergency Management
ENHANCING COMMUNITY SAFETY THROUGH EDUCATION AND PREPAREDNESS

June 1, 2021

Board of Selectmen
Town of Southborough
C/O Mr. Mark Purple, Town Administrator
17 Common Street
Southborough, MA 01772

Mr. Purple,

I am pleased to notify you that the Federal Emergency Management Agency (FEMA) has approved the 2021 update to the Town of Southborough's Local Hazard Mitigation Plan (HMP). Final FEMA approval is contingent upon the Board of Selectmen voting to approve and accept the HMP. *Accompanying this letter is the standard HMP acceptance form letter to be signed by the Chair of the Board of Selectmen. The original should be returned to me to be filed with the HMP.*

The Local Hazard Mitigation Plan (HMP) is a document developed through the input of multiple town, local, regional, state and federal partners to identify various natural and technological hazards that threaten Southborough and associated potential mitigation actions to eliminate/reduce the impacts from these hazards. The HMP is used to jointly identify the most significant threats that the Town should focus mitigation in planning, action and funding. The HMP compliments serval areas of the Southborough Municipal Vulnerability Program (MVP) plan, recently completed by the Conservation Commission.

The HMP update process and final document was coordinated though a third-party vendor and managed locally through a joint effort of the Town Emergency Management Director of Operations and Town Conservation Agent. The third-party vendor costs were funded through a federal mitigation grant awarded to the Town, with the required Town match of 25% funded through the MVP grant award.

In addition to the hazard mitigation benefits of the updated HMP, final approval by FEMA will reinstate Southborough's eligibility to apply for State/Federal Hazard Mitigation Grant Program (HMGP) funding opportunities.

An unofficial copy of the FEMA approved HMP and Appendices, as well as the FEMA review checklist accompanies this letter. Please note, these are not the public versions of the HMP. Upon the Board of Selectmen signing and returning the approval/acceptance form letter, the final version of the 2021 Southborough Local Hazard Mitigation Plan (HMP) will be distributed to the public and applicable town departments/entities.

The HMP is valid until 2026 and should be reviewed/updated annually by those having vested interest.

Regards,
Neal P. Aspesi

June 18, 2021

Lisa Braccio, Chairman
Board of Selectmen
17 Common Street
Southborough, MA 01772

Dear Chairman Braccio:

Please be advised that on Wednesday, June 16, 2021, a bid opening for **Southborough Golf Club New Practice Putting Green** was held. The summary sheet of bid results is attached.

Architect Stephen Kay has reviewed the low bid, and having worked with the contractor on previous projects, has given a favorable recommendation for approval.

I therefore recommend that the contract for the sum of $64,700.00 (comprised of the base bid, plus alternate option for a practice sand bunker) be awarded to the lowest bidder, Bowditch Excavating Inc., PO Box 527, Andover MA.

This contract will be funded from the CPA General Unreserved Fund as voted at the April 9, 2018 Annual Town Meeting, Article #29 for Golf Course Improvements.

Sincerely,

Lori Esposito
Executive Assistant

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, July 13, 2021, 6:00 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairman Braccio opened the meeting at 6:01 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via both in-person and remote participation to the greatest extent possible. Members of the public and/or parties with a right and/or requirement to attend this meeting may do so in-person. They also may watch or participate in the meeting remotely by finding the meeting at: https://www.southboroughtown.com/remotemeetings. Specific information and the general guidelines for remote participation can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. In the event that, despite best efforts, the public is not able to access the proceedings in real time via those technological means, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Public Comment

None

Chairman Braccio moved agenda item "m" to accommodate Town Clerk Jim Hegarty who was in attendance to notarize the document. Chairman Braccio made a motion to approve the Halloran Property Conservation Restriction. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

III. Scheduled Appointments

Volunteer Interviews

i. Matthew Berger – Economic Development Committee, term through 6/30/24

Chairman Braccio asked Mr. Berger to give his professional background and to describe his interest in this committee. Mr. Berger did so and highlighted his relevant expertise that would benefit the EDC. Chairman Braccio stated EDC Chair John Wood is supportive of this appointment. Ms. Malinowski asked about his goals with the EDC. Mr. Berger explained his interest in opportunities for small business in Town. Mr. Stivers asked if he had any specific suggestions for small businesses to form and foster in Southborough. Mr. Berger replied that he would like to educate himself regarding limitations with downtown and opportunities to meet the needs of small business owners. Mr. Dennington asked if he had thoughts on how to address vacancies in office buildings on Route 9. Mr. Berger described the vacant buildings on Route 9 by Parkerville Road and explained potential opportunity for a small retail facility. Mr. Stivers made a motion to appoint Matthew Berger to the Economic Development Committee, term through 6/30/24. Mr. Healey seconded. The motion passed all in favor (5-0-0).

ii. Isabelle B. Bogdanski – Stewardship Committee & Trails Committee, terms through 6/30/22

Chairman Braccio asked Ms. Bogdanski for a brief background and to describe her motivation for volunteering for these committees. Ms. Bogdanski outlined her educational background in environmental studies and environmental restoration and her desire to help connect residents with the trails available in Southborough. She outlined some initiatives she would like to undertake for both committees. There was discussion regarding appointing her to the Stewardship Committee and promoting the opening for the Trails Committee. Mr. Dennington stated he knew of someone who may be interested who would also be a good fit. Chairman Braccio asked Ms. Bogdanski for her preferences and she responded that she would like both but would choose the Stewardship Committee first. Mr. Healey made a motion to appoint Isabelle B. Bogdanski to the Stewardship Committee, term through 6/30/22 and the Board will promote the opening on the Trails Committee to appoint at the August 17th meeting. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

iii. Karen Wheeler – Capital Planning Committee

Chairman Braccio stated that Jason Malinowski, Chair of the Capital Planning Committee supported Ms. Wheeler. She asked Ms. Wheeler to give her professional background and reason for applying. Ms. Wheeler gave her background in finance and outlined how her skills could help contribute to the committee. Mr. Stivers asked about prospective initiatives she might have for the committee and she replied that she reviewed minutes and agendas but did not have enough information to recommend a path. Mr. Dennington asked about her opinion regarding historic preservation and investing in repairs of older buildings. She responded that there needs to be a balance to preserving historic structures and applying an economic element to the decision. Mr. Healey made a motion to appoint Karen Wheeler to the Capital Planning Committee, term through 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

iv. Noise Bylaw Ad-Hoc Committee

Chairman Braccio laid out the process for the interviews. She invited Mr. Lapine to the podium.

a. Peter Lapine

Chairman Braccio asked why he would like to join the committee. He stated he brought the previous bylaw to Town Meeting and gave background of the process he took to create the first warrant article. Chairman Braccio asked how restrictive he felt a noise bylaw should be. Mr. Lapine stated at a minimum hours and day limitations and noise types should be identified and restricted. Mr. Dennington asked for Mr. Lapine's professional background. Mr. Lapine stated he was retired and described his career in software and development. Mr. Healey clarified that the mandate of the committee is to create a proposed noise bylaw from scratch.

b. Betsy Rosenbloom

Chairman Braccio stated Ms. Rosenbloom withdrew her application.

c. Doris Cahill

Ms. Cahill gave her professional background as a CPA. She explained why she would like to be on the committee and that a bylaw should provide balance. She stated that she does believe in quiet enjoyment and explained her experience on the ZBA. Chairman Braccio asked about her thoughts regarding noise restrictions. Ms. Cahill replied that on a scale of one to ten, she is at an eight. Mr. Healey asked how she would have voted on the previous bylaw and she replied that she felt it needed development and would have voted against it. Mr. Stivers asked how she would interpret balance between rights of peace for residents and rights of small businesses like landscapers. Ms. Cahill explained how she interprets balance between the two including hours for higher volumes and hours for lower volumes.

d. Tabitha Bennet

Chairman Braccio stated Ms. Bennett withdrew her application.

e. Jake Hashash

Mr. Hashash gave background on his skills and expertise with noise measurement and control. He added that his desire to be on the committee is to assist the Town in their first noise bylaw and not to infringe on daily activity for residents or small businesses. He explained his views regarding balance between homeowner rights and small businesses. Mr. Healey asked how he would have voted on the previous bylaw and Mr. Hashash responded that he was not aware of the previous bylaw.

f. Lisa Dunderdale

Ms. Dunderdale gave her background as a health promotion specialist and her interest in the committee regarding health repercussions with loud noises. She stated she was a proponent of the previous noise bylaw brought to Town meeting. She explained her prior issues with construction noise and her challenge for enforcement. Chairman Braccio asked how restrictive she thought the bylaw should be and Ms. Dunderdale stated the Attorney General could provide guidance. Mr. Healey explained the Attorney General's role.

g. Cynthia Foster

Ms. Foster gave her professional background in project management for high-tech companies. She explained her work in Town departments. She said she currently works at a landscaping company and explained the concerns landscapers had with the previously proposed bylaw. She stated she would not support the original bylaw as it was too restrictive, complicated and not enforceable. Ms. Foster stated because of her jobs, she is skilled at conducting research and felt that much research should be done to ensure this bylaw is enforceable. Chairman Braccio asked her how she felt about restrictions and she replied that the homeowners should be allowed to use their property how they like and small business owners should be able to conduct their businesses as well.

h. Karen Muggeridge

Ms. Muggeridge gave a summary of her professional background as a nurse and her interest in public health. She explained that she has experience with construction near her home and why she feels a noise bylaw is important. Ms. Muggeridge gave an outline of her ideas for restrictions and stated she was leaning towards supporting the previously presented bylaw.

i. Krishna Kandarpa

Mr. Kandarpa was not present at the meeting.

Chairman Braccio explained her desire to have a diverse and balanced committee. Mr. Dennington said he felt balance and experience on other committees were important. He stated he is interested in hearing from Dr. Kandarpa as he felt he would make a good member of the committee. He asked the Board hold on a decision until he is heard from. Ms. Malinowski stated balance, understanding of financial impacts and understanding of Open Meeting Law should be a large factor in the layout of the bylaw. There was discussion regarding the candidates and the Board agreed to wait for appointment until they heard from Dr. Kandarpa on the July 22nd meeting. Mr. Healey made a motion to table the appointments for the Noise Bylaw Ad-Hoc Committee until July 22nd to give Dr. Kandarpa the opportunity to appear for an interview. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

The Board went into recess at 7:15 P.M. The Board returned from recess at 7:20 P.M.

Update on new IT position

Chairman Braccio asked to move this item to accommodate IT Manager Jason Montijo. Ms. Hale gave an overview of the job description. There was discussion regarding qualifications and Mr. Montijo described how the description would attract a candidate with the skills he requires. Mr. Purple stated that with Town Meeting scheduled for October, Mr. Montijo plans to outsource services to bridge the gap. Mr. Stivers made a motion to approve the Senior IT Specialist job description as presented. Mr. Healey seconded. The motion passed all in favor (5-0-0).

7:30 P.M.: ADA Hearing – CMRPC presentation of Draft Self-Evaluation and Transition Plan

Chairman Braccio opened the public hearing at 7:33 P.M. She stated that the ADA Committee has called their meeting to order. Mike Kennedy of the Center for Living and Working, Jim Mazik of James M. Mazik, AICP and Connor Robichaud of CMRPC joined the meeting and introduced themselves. Mr. Mazik informed the Board that the self-evaluation and transition plan should be a resource for the Town and provide guidance to the community. He explained the format of the plan and addressed the feedback from the Board that was provided to them. Mr. Mazik outlined the next steps for their review which included the schools. There was discussion regarding funding the projects and changes outlined in the review. Chairman Braccio opened the discussion to the ADA Committee. There was discussion regarding timeframes for changes, waivers, expectations and next steps. Mr. Robichaud and Mr. Mazik outlined many of the suggested updates and changes for the Town to undertake to be more compliant. Issues with Mr. Kennedy's technology were addressed as he was unable to be heard through his remote connection. Chairman Braccio informed the public that the entire document is on the Town website. Mr. Purple asked if Southborough is inline with other similar Towns. Mr. Mazik described other towns that had many more improvements to make and stated that Southborough is better than most towns when it comes to current ADA compliance. Ms. Phaneuf of the ADA Committee asked for the Board's support in asking for CPC funding for many of the suggested projects. Mr. Healey gave his full support and stated the Town may need to rethink the way they currently use CPC funds. Mr. Purple stated that through the MOD process, Complete Streets grants, the funding of the facility maintenance articles and CPC funding, the Town can aggressively work on the suggested list.

Mr. Mazik reminded the Board that the costs listed are estimates and he outlined less costly options for various suggested projects. Ms. Malinowski asked if there were remaining funds from the article for the self-evaluation to put towards this work. Mr. Purple replied that the school study needs to be completed to understand the needs and costs. Bill Sines, Chair of the ADA Committee asked about next steps. Chairman Braccio replied that prioritizing the list of suggested updates would be the first step. Mr. Healey stated that this will be a topic for the Board's August goal setting meeting.
Tim Litt (148 Woodland Road) stated that he made a lot of comments on the report and it was not distributed. He asked that they be distributed and reviewed.

Chairman Braccio moved agenda item "p." Ms. Malinowski gave an update on the shared IMA for Health shared services. She said both Town Counsel from Southborough and Northborough have reviewed and made minor revisions. She hopes that the Board and the Board of Health will sign off on the document soon. Mr. Healey made a motion to approve the Approval of Revised Health Shared Services IMA as written and presented. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

IV. Reports

Chairman's Report

j. Downtown District bylaw update

Chairman Braccio stated that Judi Barrett reviewed the draft design guidelines and she will continue to work with Ms. Connelly and Ms. Barrett to improve upon these. She added that Mr. Wood is comfortable with funding two hours of Ms. Barrett's time through the EDC consulting budget. Chairman Bracco informed the Board that the Planning Board will hold its first public hearing on this matter on July 19th.

k. July 22 meeting

Chairman Braccio informed the Board that the Historical Commission is unable to attend the July 22nd meeting but will have Town Counsel present to answer process questions. She stated they will discuss the Noise Bylaw Ad-Hoc Committee on the 22nd as well.

Members' Reports

i. Halloran property access update

Mr. Stivers informed the Board that a request was sent to MASSDOT and they are awaiting a response.

ii. Master Plan Committee update

Mr. Stivers updated the Board on the Master Plan Committee's position on the Downtown District bylaw. He said that as a board made up of representatives of other committees, they are not comfortable taking a position without the support of those respective boards and committees. He added that the Downtown District bylaw is inline with a major goal of the Master Plan Committee and he believes most boards and committees will be in support.

iii. YFS Strategic Plan presentation

Ms. Malinowski informed the Board that a strategic plan was done for Youth and Family Services by Ann Budner of ABudner Strategy Consulting. She stated the plan will be presented this evening through Zoom and she encouraged the public to watch.

Town Administrator Report

i. Update on new IT position

Mr. Purple stated this was taken care of and thanked the Board for their support.

ii. Police grant award

Mr. Purple stated that Chief Paulhus applied for the Executive Office of Public Safety and Security Competitive Grant and received $7,500.

iii. EOY update

Mr. Purple stated that the budgets are not yet finalized for fiscal year 2021 as there is another warrant but added that it will be included in the next quarterly update. He outlined the reserve fund transfers of $30,498.47 for fiscal year 2021. He explained each request which included $8,445 for the Board of Health, $997.81 for the Town Clerk, $7,759.47 for Facilities Department, $2586.19 for the school court judgement and $1,700 for Advisory. Ms. Malinowski asked if there were any interdepartmental transfers and Mr. Purple replied that there were not.

Mr. Purple updated the Board regarding SAM recording the Board meetings. He said the SAM Board has voted and approved the equipment needed to repair their system and an additional quote for Zoom integration. He explained that it can be used with or without SAM recording the meeting and

once that is setup they will look to duplicate the same system in the training room at the Public Safety Building.

Mr. Purple informed the Board that the Senior Tax Work-Off applications have been coming in and the submission deadline is open through the end of the week. He advised those submitting applications to do so through the drop box at the Senior Center.

V. Consent Agenda

a. Chairman Braccio asked to hold agenda item, "a." Chairman Braccio thanked Ms. Barry for her diligence in completing the meeting minutes. Chairman Braccio, Ms. Malinowski, Mr. Dennington and Mr. Stivers provided revision requests for the meeting minutes listed. Ms. Malinowski asked to hold the approval of the May 10, 2021 minutes to confirm a line regarding the Board of Health budget. The Board agreed. Mr. Healey made a motion to approve the May 4, 20201 regular session minutes as amended. Mr. Stivers seconded. The motion passed all in favor (4-0-1). Mr. Dennington abstained. Mr. Healey made a motion to approve the June 1, June 15 and June 22, 2021 regular session meeting minutes as amended. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

b. Mr. Healey made a motion to accept Luisa Vargas' resignation from Trails Committee, effective June 17, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

c. Mr. Healey made a motion to approve 1-day Alcohol License Application on behalf of RxAdvance events:

i. Flora's Wine Bar / Andrew Li, July 16, 2021 Employee Appreciation
ii. Latitude Beverage, July 23, 2021 Company Outing

Mr. Stivers seconded. The motion passed all in favor (5-0-0).

d. Chairman Braccio asked to hold agenda item, "d." She stated she would like Mr. Healey to speak to items "d, e and f." Accept donations from St. Mark's School totaling $88,050.00.

e. Chairman Braccio asked to hold agenda item, "e." Accept donations from Fay School totaling $20,000.00.

f. Chairman Braccio asked to hold agenda item, "f." Accept Recreation Department donations totaling $7,000.00 to support 2021 Southborough Summer Nights event.

Mr. Healey stated that he felt this was a successful year working with Fay and St. Mark's Schools. He spoke to past commitments from both schools compared to what is being contributed this year. He added both schools stated they appreciated the process and are amenable to ongoing discussions regarding contributing to the funding of the Town. Mr. Healey stated that they funded part of the Summer Nights event. He explained in-kind payments that both schools have contributed. Mr. Healey stated that Fay School and St. Mark's School would like to attend a meeting to speak to the Board. Mr. Healey made a motion to accept agenda items d, e, and f. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

g. The Board discussed the changes made to the remote participation form and the reasons for the changes. Mr. Healey voiced his concerns regarding meeting remotely and encouraged all boards and committees to meet in person if possible. Mr. Dennington made a motion to approve the revised policy and form for Remote Participation. Mr. Healey seconded. The motion passed all in favor (5-0-0).

h. Mr. Healey made a motion to appoint new Constables: Jonjy Ananth, Rajoo Ananth. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

i. Mr. Healey made a motion to appoint Student Officer Tyler Lu to Probationary Police Officer, effective July 2, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

j. Mr. Healey made a motion to appoint Jason Montijo, IT Manager:

i. Southborough Emergency Planning Committee, IT Representative (unlimited term)
ii. Municipal Technology Committee, IT Manager, Ex-Officio (unlimited term)

Mr. Stivers seconded. The motion passed all in favor (5-0-0).
k. Mr. Healey made a motion to appoint Marty Healey as MWRTA representative, term to expire 6/30/2022. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
l. Mr. Healey made a motion to appoint Police Chief Paulhus to the Noise Bylaw Ad-hoc Committee, Ex-Officio member, term 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
m. The approval of the Halloran Property Conservation Restriction was addressed at the beginning of the meeting.
n. Mr. Healey made a motion to award FY22 Heating Oil Contract to Falconi Energy as recommended by John Parent, Director of Facilities. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
o. Mr. Healey made a motion to award the contract for Space Needs Study. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
p. This item was addressed earlier in the meeting.
q. Mr. Healey made a motion to appoint the Facilities Maintenance position. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
r. Mr. Healey made a motion to accept the resignation of Chelsea Malinowski from SHOPC. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
s. Mr. Healey made a motion to approve departmental expenditures for FY21 per Financial policy. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

VI. Other Matters Properly Before the Board

Assignment of Board members as Department Liaisons

Chairman Braccio asked if the Board had any issues or concerns regarding the liaison assignments. Mr. Stivers asked about liaisons with the schools. There was discussion and it was agreed to review this item at the goal setting meeting in August.

Review of Special Municipal Employee designations

Chairman Braccio stated that in order for Andrew Pfaff to continue on the Advisory Committee, he would require this designation. She summarized the decision for EDC members to hold the designation. The Board agreed to leave the designations that are in place and to remove the designation for Special Counsel to the Conservation Commission for the Park Central project. Mr. Purple stated he will inform the Town Clerk of this decision.

Request to raise the Indian flag to commemorate India's 75th Independence Day celebration

Chairman Braccio stated that the Veterans submitted the section of the Massachusetts General Laws that outlines the requirements for flying another country's flag. Chairman Braccio suggested creating a proclamation instead of flying the Indian flag. The Board agreed and Chairman Braccio asked Mr. Purple to begin working on the creation of a proclamation for the July 22nd meeting.

Discussion of potential items for ARPA funding

Ms. Malinowski stated that Ms. Hale reached out to department heads and boards and committees for suggestions regarding the spending of the ARPA funding allotted to Southborough. She said she is looking for high priority projects and changes to guidelines are anticipated. She stated that Carla McAuliffe, Town Accountant suggested the Board reach out to DPW Superintendent Karen Galligan regarding infrastructure needs. Ms. Malinowski stated the needs must be prioritize and asked the Board if a working group should be created. Mr. Stivers and Mr. Healey agreed that a working group would not be needed and may slow progress. Mr. Dennington suggested the Board look at a larger and more ambitious project as he views this funding as once in a lifetime. Ms. Malinowski cautioned the Board to ensure they followed the four Connors of the Federal guidelines. The Board agreed to put this item on the June 22nd goal setting agenda.

Discussion of Special Town Meeting date

Chairman Braccio stated that concerns were raised from the Chair of the Planning Board regarding timing of required public hearings for warrant articles for the October 4th date. She added that there could be potential timing issues from the Assessor with setting the tax rate. Chairman Braccio proposed a new Town Meeting date of November 1st. Mr. Healey made a motion to reset the date for Special Town Meeting from October 4, 2021 to November 1, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Chairman Braccio stated she will speak to the Town Moderator before the July 22nd meeting.

VII. Public Comment

None

At 10:26 P.M. the Board entered into Executive Session per M.G.L. Chapter 30A, Section 21, and not returning to Open Session, to comply with, or act under the authority of, any general or special law (Exemption 7) to review and approve the Executive Session minutes of May 10, 2021 and June 15, 2021; and to discuss strategy with respect to litigation (assignment of pending legal cases), as the Chair has determined that an open meeting may have a detrimental effect on the Town's litigating position (Exemption 3) by roll call vote, Malinowski, aye; Healey, aye; Dennington, aye; Stivers, aye; Braccio, aye.

"Our California firm needed a subpoena issued and served in Massachusetts. I highly recommend Johjyi Jonjy was a one stop shop! Very professional kept us apprised at every step and most importantly got it done correctly! In the past we had used other services in the area and it was a mess! So glad we found Jonjy. Hire Jonjy if you want your work done correctly and efficiently!"
-Rose G. V.

NEW APPLICANTS ONLY:

I understand that the Police Chief shall review my application and conduct a background check prior to making a recommendation to the Board of Selectmen as to whether I am suitable for appointment as a Town of Southborough constable. I agree to fully cooperate with this process.

Appointees understand that violation of any of the Town of Southborough Qualifications for Constables may result in immediate disqualification from the position of constable.

I further understand that appointment as a constable does not constitute employment with the Town of Southborough or the Southborough Police Department or the Commonwealth.

I certify, under pains and penalties of perjury, that I have completed this application truthfully.

Applicant's Signature _____ Date June 9, 2021

Jonjy Ananth

This certifies that the Southborough Police Department has investigated the reputation and character of the above named applicant and finds him/her _____(suitable)_____unsuitable for appointment as constable.

K. Paulhus
Chief of Police

Home Address: [redacted]

Mailing Address: [redacted]

Phone Number(s): [redacted]

Email Address: [redacted]

Current Occupation/Employer: Atrius Health

Narrative: I work part-time and have a flexible schedule, so am able to devote as much time as is needed to the Noise Bylaw Ad Hoc Committee.

I have many years of experience working on town committees, including: Town Governance Study Committee, Open Space Commission (which I chaired), and the Advisory Committee where I was the liaison to the SPD for several years. During our 26 years in town I have attended most other board and committee meetings.

I have been a member of the American Public Health Association as well as the Massachusetts Public Health Association. Both organizations have put out policy statements on the importance of addressing noise issues as they can significantly impact community members' health and quality of life.

I think it's time for Southborough to research and develop a noise bylaw to provide guides for achieving noise levels ALARA (As Low as Reasonably Achievable) that would be easily understandable and enforceable. I appreciate your consideration of my candidacy for this Committee.

Town of Southborough
Board of Selectmen
17 Common Street
Southborough, MA 01772

Dear Chairperson Braccio,

Please be advised that pursuant to M.G.L. c. 30B, the Southborough Facilities Department recently solicited quotes for the purchase of #2 Fuel Oil for FY22. Attached is a copy of the specification - conditions for quoting, a quote summary sheet, and the subject bid.

I recommend that the contract be awarded to the lowest quoting firm, Falconi Energy.

Funding for this contract will be paid out of the Other Operations Budget, Line Item: 0100-5-159-***-52110.

Sincerely,
TOWN OF SOUTHBOROUGH

Specification

Supplying and Delivery of #2 Fuel Oil

CONDITIONS FOR QUOTING

GENERAL
Town of Southborough shall herein be referred to as the "Town".

ACCEPTANCE OF QUOTATIONS
Completed Quotation Forms shall be returned by mail to John Parent, Director of Facilities, 9 Cordaville Road, Southborough, MA 01772 or emailed to swood@southboroughma.com on or before 9:00 a.m. on June 22, 2021. The Town reserves the right to accept or reject any or all quotes or any part thereof.

INSURANCE
Contractor to provide certificates of insurance indicating statutory worker's compensation coverage in addition to $1,000,000 CSL minimum general liability/property damage/bodily injury coverage and $1,000,000 CSL automobile coverage. Certificates of insurance confirming that the Town of Southborough is named as additional insured and acceptable to the Town of Southborough shall be addressed to and filed with the Town of Southborough prior to commencement of the work. Renewal certificates shall be addressed to and filed with the Town of Southborough at least thirty (30) days prior to the expiration date of the required policies. The failure of the insurance policies to name the Town of Southborough as an additional insured will constitute a breach of this contract and will be a defense to any claim against the Town for payments under this contract.

QUOTATION FORM
All quotes must be submitted on the attached Quotation Form.

LENGTH OF CONTRACT
This specification shall cover the period from July 01, 2021 through June 30, 2022.

MINIMUM QUALIFICATIONS

Contractors submitting quotations must:

- Have a minimum of three (3) years of experience supplying and delivering #2 fuel oil to government entities.
- Be able to keep to an automatic delivery schedule in order to ensure that no delivery location will run out of fuel oil.
- Be able to routinely deliver fuel oil to any delivery location listed during normal business hours (M-F 6:30 AM to 4:00 PM).
- Be able to make emergency deliveries of fuel oil to any delivery location listed during all times outside of normal business hours.
- Be able to make deliveries of fuel oil within 24 hours of receiving notice.

NONDISCRIMINATION

The Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, religious creed, national origin, sex, age or ancestry in connection with the performance of the services under Agreement. The Contractor further agrees that it will comply with all laws, local by-laws, rules and regulations of the Massachusetts Department of Labor and all other regulatory bodies having jurisdiction.

INDEMNIFICATION

The Contractor agrees to guarantee and indemnify the Owner against all damages or loss the Owner may incur or sustain by or through the misconduct or negligence of any agent, servant or employee of the Contractor during the performance of services required by this contract. The Contractor further agrees to maintain adequate insurance to ensure compliance with the above provision.

The Contractor shall, to the maximum extent permitted by law, indemnify and save harmless the Political Subdivision, its officers, agents and employees from and against any and all damages, liabilities, actions, suits, proceedings, claims, demands, losses, costs and expenses (including reasonable attorney's fees) that may arise out of or in connection with the work being performed or to be performed by the Contractor, his/her employees, agents, subcontractors or material persons. The existence of insurance shall in no way limit the scope of this indemnification. The Contractor further agrees to reimburse the Political Subdivision for damage to its property caused by the Contractor, his/her employees, agents, subcontractors or material persons, including damages caused by his/her, its or their use of faulty, defective or unsuitable material or equipment, unless the damage is caused by the Political Subdivision's gross negligence or willful misconduct.

INQUIRIES CONTACT

Contact John Parent with any questions regarding this specification at (508) 485-8175 or jparent@southboroughma.com

CONTRACT AWARD

In accordance with M.G.L. c. 30B, the contract will be awarded to the responsive and responsible quoting entity with the lowest overall price to supply and deliver #2 fuel oil as specified.

CONTRACTS

The contractor will be required to execute a proper contract. A Sample contract form is available upon request.

FUEL OIL SPECIFICATIONS - #2 Fuel Oil

SPECIFIC - #2 Fuel Oil

1. The oil shall be distillate oil.
2. The gravity shall not be lower than 30 degrees APO at 60 degrees F.
3. The flash point shall not be lower than 150 degrees F. (Pensky-Martens closed cup tester).
4. The heating volume shall not be less than 137,000 BTU's per gallon at 60 degrees F.
5. The BS & W shall not exceed 0.05 percent

All grades of fuel oil with regard to sulfur content must conform to regulations of the Commonwealth of Massachusetts, and its subdivisions.

QUANTITIES

Quote pricing shall be based on fixed pricing per gallon. The gallon usages listed are estimated amounts to be to be purchased. The quote pricing listed on the contractor's Quotation Form shall be used for additional gallons purchased if needed. Additional quantities shall not exceed fifteen percent of the estimated gallons.

Cc: Lisa Braccio <lbraccio@southboroughma.com>
Subject: Capital Planning - Recommendation for Space Needs RFQ

Hi Mark,

For the Board's agenda on 7/13/2021, Capital Planning voted unanimously to recommend award of the Space Needs Designer Contract to Drummey, Rosane, Anderson Inc. (DRA), pending successful contract negotiation.

The Committee initially received five proposal responses, of which four were selected for interview based on the scoring matrix included in the RFQ. The interviews were conducted on July 7, 2021, in an open public meeting which is available for review.

Please let me know if you need anything further.

Thanks,

Jason Malinowski
Chair, Capital Planning Committee

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 1, 2021, 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA and via Zoom
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 6:30 P.M. and read the following announcement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via both in-person and remote participation to the greatest extent possible. Members of the public and/or parties with a right and/or requirement to attend this meeting may do so in-person. They also may watch or participate in the meeting remotely by finding the meeting at: https://www.southboroughtown.com/remotemeetings. Specific information and the general guidelines for remote participation can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. In the event that, despite best efforts, the public is not able to access the proceedings in real time via those technological means, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Chairman Braccio welcomed everyone and asked for patience as we move forward with our first in-person and Zoom meeting in a year.

II. Public Comment

None

III. Scheduled Appointments

Scholarship Committee – update

Ms. Braccio stated that a quorum of the Committee was not available for tonight, and she wanted to reiterate the deadline of Friday June 28th at noon for scholarship applications. She noted that the more information was available on the Town website under the Southborough Scholarship Advisory Committee page.

Draft IMA for Shared Services Health grant

Ms. Malinowski asked for Dr. Heather Alker to come over speak to the grant and how it will be implemented amongst the four communities of Southborough, Northborough, Westborough and Boylston. Ms. Malinowski explained that an IMA needed to be executed by all four communities to participate in the grant award, and the CMRPC had been helping to navigate the administrative requirements. Any comments on the draft IMA need to be sent to received prior to the next meeting on Monday; Selectmen in each community will need to executive the final IMA document. Each community has a representative on this shared services committee that will make decisions on how the grant is implemented.

Dr. Alker gave some background on the shared services grant, and noted that the grant was actually the culmination of work stated by the State to establish a blueprint for public health excellence in MA in 2019. The intent was to enhance, not supplement, existing health services, specifically to advance staffing in the key areas of nursing and inspectional services. The grant is for three years, and could be renewed for three additional 3-year terms. It was not the intent of the grant to create a regional health authority.

Ms. Malinowski said that the gentleman coordinating this effort is soliciting feedback on what the nursing needs were for each town, and how it fit within the 1.5FTE nurse position funded by the grant. She said that if we can get any questions or comments from this Board by end of week to bring them to our joint meeting with our other towns next Monday, that would be preferred. She also suggested that we have our town counsel review the IMA document.

Mr. Healey asked if decisions on the grant are being made collaboratively, and if the process was still ongoing. Dr. Alker said that the services under the grant are per the itemization that was submitted in the grant application. Regarding nursing, Mr. Healey asked how the decisions are being made. Dr. Alker said the four representatives for the towns will make the decisions.

Mr. Stivers questioned the required insurance coverage, and wanted to confirm that it was in place before we moved forward with the IMA. Mr. Purple confirmed that it was.

Mr. Dennington said that he had reviewed the draft IMA, and had some questions about the financial obligations imposed on the Town. He encouraged more clarity in the document before it is finalized. Dr. Alker said that she interprets it that if an inspector performs a service in Southborough, then the cost allocation from the grant would be to Southborough. The point of the grant is to hire staff to enhance public health services.

CB – one and ahalf for a nurse – what are the anticipation for inspectional side – DHA – my understanding is it is listed in the budget its basically the current food inspector I nnorthbooro – part time – 8 hour inspector who does food in northboro – hiring this inspector includes I belive 30 hours – that amt of hours will have same inspector for northboro, soubhtobor and Boylston for food and hosuing inspectiosn – northboro food inspector is incing their hours – cover the three towns for food and housing. CB if we don't have a great of need for inspectional services piece can we get more hours on nursing side. DHA – it's not what the four towns are looking for.

DHA with nursing and inspectional – we will look to get coverage for when someone's away on vacation . CM – on the 15th we will have final version to set off on. Please send comments to MP.

IV. Reports

Chairman's Report

i. Eagle Scout ceremony

CB for troop 1 on 13 – time and location forthcoming – 8 young men receiving this honor – any volunteer from board to attend and present procolimation – same day firefighter memorial form noon – 1 – great oppty – I've done it – SS I've done it previously – have conflict but can resolve that MH I've done it in past as well – I voluneteer to do it. CB Vanessa will forward info to MH as we get it.

ii. Board liaisons

From goal setting meeting – asking everyone send to mark up to 5 depts to liaison with – get new list – great oppty to better understand needs and workings of other comm – req by Tuesday the 8th. MH my initiation or the initiation of the dept or committee was a lot – do you have sense for depts think this a good idea – seems to be good idea from our perspective – any feedback. MP I think it's well received – helpful from your end – boots of ground undestasnding – impt for dept to give insights of what they do – you hear second or third hand – beenfits both ways. CB teamed up with liaison from advisory - - dept head woulnt have to meet with a bunch of us at the same time.

iii. Town Administrator contract

IF Board receptive – think chair and vice chair take this up or up for broader discussion – if anyone wants to step foreward – Board agrees for chair and vice chair to head this discussion.

iv. South Union – next steps

CB broader discussion at first step – path currently being exploring – capital comm discussed next steps – not substantitive – topic of afford housing – CAP COMM and SHOPC brief discussion – brief meeting on thrusday – discuss wethather subcommittee should be made – chairs of those talked. Just update – feedback that I have heard and other sources – something ppl wanted to explore – one path we're going to take – braoder discussion of bid process at next meeting MH is part of the discussion going to include someone from the Plannign Board – recent legislation that focuses on the zoning aspect – make sense to tie those together – probably bubble to surface at some point. CB good idea – the possibility of doing that – part of discussion – new grant oppty that re avail – creating new zonin district part of this ipieces CM Jesse Stein from Planning on SHOPC – overlap there.

v. 15 Main Street

CB Mr. Purple reached out to prior chair and healty to review process for demo delay process after concerns reaised by Building Commissioner and something – only building commissioner can do a bunch of stuff – draft update that discussed on historical commission on jan 12 to demo delay – not a discussion item – just an update – like to have hisotircal commission to a future meeting to help them fufuill their charge -

vi. Memorial Day recap

CB – weather held out – great thanks to public – unbelievable turnout – nice to see ppl for first time in over a year – over 150 ppl – great tribute for such a solumn day.

<u>Members' Reports</u>

SS – pleasure of listening on the sobo stewardship comm meeting recently – Jim DOrris longimte member of committee decided to leave town and not reviewing membership on committee – recognize jim's 40+ eyars of stewardships – key role in trail creation and maintaentnace mantjr forde int erms of use and appreciation of open space – greatituted and suggest we write a letter of thanks from board- will work with Lisa to get that done – thanks to Jim for many years of dedicated services

<u>Town Administrator Report</u>

i. MMA/Suffolk Program graduation

MP – acknowledyge – couple employees in past participated in MMA Suffolk program – cert of management progr – Tim Davis just graduated recently – he is now officially a Suffolk Grad – up to 12 credits towards master degree – human resources, budgeting and gen municipal

mamanangement – Tim did well – met with me couple occasions – job well done – good to have another Suffolk grad in town –

ii. One Stop grant update

MP – Marijke putting together info for rte 9 improvemet – getting to Ms. Hale tomorrow to upload – Mr. Healey can helpt to wordshmith was he did with expression of interested – met with Andrwe Pfaff from Capital and Karen Galligan to talk about Cordavilel Rd Project – we would not apply for it at this time it specifidally said if not immentent private development supported by this project – you wont get fudning – if something diff happened with south union – maybe could have tied that in – keep in queue and look to move forwad – grant submitted by deadline on June 1

V. Consent Agenda CM holds a and c SS holds a and b. AD hold g motion to accept d, e,f h by SS seconded by Healey all in favor roll call.

a. Approve Meeting Minutes: April 20, 2021 Open Session

CM – row 164 and 173 – the amount of town house – 200,030 not 2million 30$. SS line 92 – aid has extra e on it. Motion to approve with amendments by SS seconded by MH. All in favor roll call. By AD abstains!!

b. Reappointments of staff positions for Fiscal Year 2022

SS – says reappointment terms ending 6/30/2021 – should that be 22? MP yes. SS why are we reappointing Ms. Galligan – her contract runs through 6/20/22 – MP this is not for her specific positions as DPW superintentendt – but her memevership on these various committees – more committee work than it is her contract position – SS is line for DPW Super MP acknowledged – SS performance reviews for all ppl here we are reappointing as may be appropriate – disappointed in past – asked for perf review for BB ask about performance appraisal done verball and not written – perf appraisals for all these ppl as employees – great thing t o have in personnel file – history to go back to file and follow up on paperwork – sense there are gaps in that process – hope everyone here appraised as strong performaer and worthy of reappointment – structure that we have prerf appraisal fiel for everyone annually – MP – I know we did talk as Board in terms of my review of contracted pos - board indicated to make sure done in writing – the other piece of it was the board have oppty to provide comments – believe both of those things have been done for employees reviewed since then – CA and CP – now working on Mr. Ballantine's review – getting req for comments out and Ms. Galligan – both July 1 renewals. MH – in terms of – superintenednet of public works and Chief Paulhus – remembering back – that sort of belt and susupenders – statutory requirement -contract is the controlling doc for purpsoes of their employement – legal designations – we have to do titon an nanual basis. MP agrees. AD – site plan review comm – basically site plan review comm got abolished – maybe article at town meeting needs time to put into effect. SS yes. Motion of reappointments minus site plan review committee. AD keep it in there – would make sense to appoint ppl onto committee until new law comes into effect. CB reappointment for staff positions fy 22 – SS moves MH seconds. All in favor roll call.

c. Appoint Traffic Constables as recommended by Chief Paulhus, term ending June 30, 2023

CM – going ot abstain from this. Motion to appoint – SS MH seconds all in favor but CM ABSTAINS!!

d. Accept resignation from Police Officer John Officer, effective May 21, 2021

e. Accept resignation from Communications Officer John Terranova, effective June 4, 2021

f. Accept donation of $25.00 for Fire Department Ambulance Fund

g. Approve expenditure from Engineering article for Breakneck Hill work

AD – I'm supportive of the recommendation – work being proposed – just to survey and then another phase to actually remove it. MP – Danza had report it – this is the first step – just doing survey plan in area and delineating imits of dumping area – the next phase some clearing – just at the beg – we have an engineering article – Board ceded 25K – this amt going to finish that off- don't have anything else plan to do – concom paying for some of these expensis – trading on and off – last tradeoff we can d o- keep ball rooliing – some point have enough info are we capping – excavating? Real expense coming in – prelimeniry work done up fromnt. Motion SS second MH all in favor roll call.

h. Approve departmental expenditures for FY21 per Financial policy

VI. Other Matters Properly Before the Board

Town Meeting recap/next steps

i. Noise bylaw

CB great discussion at TM – direction that TM gave us to bring back to discuss – creating a committee to work on creating noise bylaw to braing forth to future TM – ppl that volunteered – my ask of board – if we agree with that path – we have someone step forward and craft a charge to bring back for discussion and potential approval on 15th – Mr. Stivers you've been atively invovlied – would like to see you come up with something and bring back to board on 15th. SS my int connection is unstanble – I'd be hapy to do that – tried this twice and failed both times – not sure I'm the best candidate – happy to try it though and come back with a charge.

ii. Illumination bylaw

CB – this was something we had discussed prior to TM and may be other discussion points – focusing on enforcement piee and how we're going to move fowrad with thise – one points made by Mr. Colleary – having right person with right equipment being able to go out to document and measure the light – something we really need to think about – as I talked to BI briefly – she can tell you where to put the light and type and trespass of what can come from that light and measuring – not really qualified to do – BI and assitants – try to put some sort of schedule putting together- don't expect a lot of enforcement – is working with homeowner – they may not allow access to the property as well – can start discussion tonight – path to right answer – get thoughts.

CM – I agree with comments that Mr. Colleary made at TM – think about how we would enforce this – like to see how other towns do it – do they hire ppl on ctract to investigate complaints as we receive them – what are other ppl doing –

MH – think this is going to be complicated – because of some things Chief Paulhus said – raised at our earlier meetings because of 4th amendment concerns – someone right to go on someone's property – what was said by PB and WPI professor are not only largely true – 99.9% of time case it will be relatively straightforward process – when not straightforward process that its going to get complicated – I don't have good idea right now – strikes me as working group might be best path with Chief, Mr. Colleary – he person at TM knew the most about it – BI and get her input – thought from PB – difficult cases are going to be complicated – layer on top that the applicability is floating – doesn't kick in until for most ppl until there's an event – putting toeghet plan for enforcement is going to take some work.

SS – CM and Marty make good point – sim between noise and illumintation – tech aspect as well as submective aspect – one suggestions – we are not reinventing the wheel -towns who have done this – getting aid of Hoolahan and Destin – get practical feedback – what experience – what

equip nec and not so nec – learn from ppls' experience – head start – first step – working group deals with not only more tech aspects – recommendatiosn for enforcement – how do you trade off thos things? Balance between reasonable – recommendation that applies to both noise and light.

AD – encouraging the Building Dept to start informing ppl – way to send out mailer to ppl to summarize what the new bylaw requires and stressing it doesn't become effective until luminare no longer operational – informing ppl – pieces of literature that article proponenets head out with visual – pretty effective – as dept put together budget – budget item for postage – simple mailer – then may get some calls – better to get info out sooner than later. SS have DPW include in water bill.

CB between now and next meeting – even in July – put together something – CM I was VOLUNTOLD – CB we move foreward from there to decide what setpes – educating and doing domsetimg along lines of education is smart. CM agreed.

iii. Flagg Road HCVE request

CB I spoke with Mr. Linden – no action on this tonight – think Ms. Galligan working on traffic counts – we'd like to get those – mentioned to Mr. Linden – invite back 15th and invite Karen – brief convo with Ms. Phaneuf- more info from her as well – my recommendation – acknowledge work Mr. Linden has done -

MH – Latisquama tossed around a lot – way to figure out CB that was for the 15 – Ms. Phaneuf will update on that and will have more concrete info prior to 15th SS – my recollection that there is a state standard for that – get detaisl on that for ppl to see and understand – heard Ms. Glaligan talk about this in past – regardless of what ppl want or thing -analygitical basis to be met – to qualify – if unlikely to – does it make sense to spend money on traffic study for that. MP agrees.

AD – Mr. Healey was saying part of info to look at how did the truck exclusion on l atisquama come to be and there's one on Gilmore too? LB I will have the info on Gilmore included as well. Summer schedule for Board meetings/office hours

<u>Summer Schedule</u>

CB September 7 is Jewsih Holiday – no school – can we do the 8th instead? MH a lot depend on legislature for remote meetings – I will be out o fstate for both meeting dates on Sept – hopefully I will be able to participate from afar – hopefully the revised legislation talked about will make it esasy to participate remotely. MP we can go old school with remote policy – fill out form – and participate by phone – or inZoom method - SS and AD agree to change to sept 8 – LB Nov 2 is ecltion date – may want to consider 3rd – tentateivle y set it and as we get closer and if issues we can address them – SS is epctecattion that aug meeting – special meting to do goals meeting or wrapped into aug meeting MP we had a special meeting – SS we could wrap it into august 17th. No tother comments of concerns – will be tentative dates.

VII. Public Comment

Lisa Dunderdale – I can reach out to you at your BOS email be in contact – ohpe that we can work great convo on TM part of committee for noise want to be on that committee – LB also atty general has to approve with all changes – enforcement goes through and BC – based on bylaw wondering if just knowing what type of light bulbs they should be using and how strong they are

– should be having convo with someone using – if light trespass – they an at least reach out – esp if reaching out to neighbor and not willing to make change - CB thank you for your feedback -on noise bylaw -solicitug participate – first have to create charge and once we get to that point – will be able to get that group.

CB Ms. Rosenbloom stated that the 8th is a two day holiday for some Jewish ppl – CB we will keep this and send out to board and we will go from there.

VIII. On a motion made by Ms. Stivers, seconded by Mr. Malinowski and voted all in favor by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye the meeting was adjourned at 7:37 P.M.

CB I want to thank our amazing IT director – thank you for putting this together and making sure we can be here tonight.

Upcoming Meetings

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 15, 2021, 6:00 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Marty Healey, Sam Stivers, Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 6:00 P.M.

II. At 6:00 P.M. the Board entered into Executive Session per M.G.L. Chapter 30A, Section 21, and returning to Open Session, to discuss strategy with respect to pending litigation (Exemption 3) for the following: (I) Huang vs. ZBA, et al.; and (2) Paul A. Dwiggins vs. Kenneth Paulhus, Chief of Southborough Police, as the Chair has determined that discussion in an open meeting may have a detrimental effect on the Town's litigating position.

III. Scheduled Appointments

Town Counsel Interview: Aldo Cipriano, Esq.

Ms. Malinowski read the information consistently presented to all interviewees outlining the process. Attorney Cipriano gave a brief background of his education and professional history. He introduced assistants Attorney James Lampke, Attorney James Scanlon and Attorney Michael Tromblay and gave a brief background on their education and professional history. He added that each of these attorneys act as a team along with Attorney Leger when needed and all have done work with the Town of Southborough. Ms. Braccio read the first question and Attorney Cipriano replied that his role is to give legal advice and guidance and not creating policy. Mr. Stivers read the second question and Attorney Cipriano described his most compelling ethical issue with the City of Marlborough. Ms. Malinowski read question number three and Attorney Cipriano explained that education is key for boards and committees to avoid risk of litigation. He explained the free workshops and seminars he provides for citizen volunteers. Mr. Healey asked the fifth question and Attorney Cipriano explained the challenges the Town has and will have in the future. He described issues with development and zoning, growth and the restatement of use of parcels and protection and preservation of assets of the Town. Ms. Braccio asked the sixth question and Attorney Cipriano explained his approach to determining whether he needs assistance with additional counsel as needed. Mr. Stivers asked the seventh question and Attorney Cipriano explained his system of organizing documents and informing the Town and boards and committees of decisions and litigation. Ms. Malinowski asked the eighth question and Attorney Cipriano gave examples of cases in the City of Marlborough and Town of Southborough regarding zoning and affordable housing. Mr. Healey asked for a closing argument for why he wants the Town Counsel position and why he would be the best fit along with what would be expected for the first year if selected for the position. Attorney Cipriano explained his deep understanding, passion and compassion for the Town. He stated he is not just a lawyer of the day and he takes pride in representing his Town and he has qualified backup if it is needed.

Chairman Braccio requested the Board take a two-minute recess at 6:55 P.M. and returned at 6:57 P.M.

IV. Public Comment

None

DRAFT

Supt. Of Schools Greg Martineau – SOI for Neary School

Mr. Martineau explained the District's interest in submitting a statement of interest to the MSPA. He explained the two programs the MSPA applied for by the District which included the Finn boiler which was successful. Another statement of interest was submitted for roof replacements at Neary, Finn and Trottier Schools. Mr. Martineau explained the CORE program and the grant he wishes to apply for in order to support the renovation of Neary School. He requested support to submit a statement of interest to the MSPA which is due June 21st. Mr. Martineau explained that this will not commit the schools to any work but opens the door for the possibility of funding for a town supported building project. Ms. Braccio asked if the School Committee supported the submittal of an SOI to the MSPA and Mr. Martineau replied they voted to support at the last meeting. Mr. Healey asked about the timeline for next steps after submitting the SOI and Mr. Martineau described the four to six-month eligibility review process from the MSPA. Mr. Martineau explained how and when a cost would be determined for the project. Mr. Stivers stated that he has reviewed the information and the work needs to be done. The right decision is to move forward. Chairman Braccio read the motion to authorize the Superintendent to submit to the Massachusetts School Building Authority the statement of interest form dated June 25, 2021 for the Margaret E. Neary Elementary School. Ms. Malinowski moved the motion. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Healey, aye; Dennington, aye; Stivers, aye; Braccio, aye.

Transfer Station Rules & Regulations for Fiscal Year 2022

DPW Superintendent, Karen Galligan gave an update on the fiscal year 2022 Transfer Station rules and regulations. She outlined the changes to the needs-based free sticker and the removal of replacement transfer station stickers fees. She explained the budgetary allotment for the funds from the sticker fees. Mr. Stivers stated usually there is a chart outlining options for fees. He said he felt that the Town should subsidize $100,000 for the Transfer Station, spoke to ideas about senior stickers, fees for replacement stickers and fees for multiple stickers which were not included. Ms. Galligan stated there was a fee for a third sticker and that came out and became unlimited. She added because the funds go to the general fund, it is a decision of the Board. She explained the reasons for the changes that were made previously. She added that the DPW will enforce any amendments by the Board. Mr. Dennington stated under the proposal that the senior sticker fee is free and asked if that is how it is currently and Ms. Galligan replied that it was. There was discussion regarding Town income if there was a $50 senior sticker fee. Ms. Malinowski stated she agreed with Mr. Stivers with the $100,000 coming from the general fund and suggested a fee for a second sticker or increasing the initial fee and having an additional sticker to be fee. She would like to steer away from having a senior sticker free. She explained a suggested streamlined process from Youth and Family Services regarding assistance for sticker fees. Ms. Malinowski explained a process similar to the Rent and Mortgage Assistance Plan. She added that the applications should not be discussed in a public meeting but it would be an electronic application. Ms. Malinowski volunteered to work with Youth and Family Services. Mr. Healey stated he agreed with this process and asked Ms. Galligan if there were many households with four or more stickers and she replied there was not. Chairman Braccio stated she was not in support of a senior sticker fee. She suggested instituting a $25-$50 fee for a second sticker. There was discussion regarding increasing fees. The Board agreed to not increase Transfer Station sticker fees. Mr. Stivers made a motion to accept the Transfer Station Rules & Regulations for Fiscal Year 2022 as written. Mr. Dennington seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio,

aye. Mr. Stivers made a motion to accept transfer sticker fee waiver form as shown in the packet with Ms. Malinowski representing the Board to review the paperwork submitted. The motion was econded by Mr. Healey. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Discussion of Flagg Road HCVE request

Mr. Linden walked the Board through his PowerPoint presentation as included in the packet. He asked the Board to begin submitting this to the State to have a truck exclusion on Flagg Road. Mr. Healey asked what the alternate route would be for the trucks to take instead of Flagg Road. Ms. Galligan stated that it would not be optimal for the trucks to turn further down to the end of Deerfoot Road and said the alternate route would be through Westborough. She explained that they would need to ask permission from the Town of Westborough to use their road as an alternate route. She explained that Route 30 is already excluded and how truck exclusions work. She explained the difference between Gilmore and Flagg Roads. Ms. Galligan then gave a summary of her report provided to the Board as included in the packet. Chairman Braccio asked for clarification on the process to begin and Ms. Galligan described the steps. Mr. Dennington stated that the truck exclusion would be aimed at only extremely large trucks and explained the options they had on Route 9 and 85 for use. He felt there is merit to a truck exclusion. Ms. Malinowski clarified that there were six trucks over a three-day period which she felt were not that many. She asked if there would be more trucks on Parkerville and if the problem will be diverted to another road if the truck exclusion were done on Flagg Road. She added she did not want to make a safety issue elsewhere. Ms. Galligan stated that is a concern. She explained current truck traffic, concerns and issues in these areas. Mr. Linden stated that Parkerville has sidewalks and speedhumps where Flagg Road does not. Ms. Malinowski replied that she understood but Parkerville also has a school which needs to be accommodating to students. There was discussion regarding possible alternate routes and the impact on those streets. Mr. Healey asked Ms. Galligan if it was known if the trucks on Flagg Road were from Ken's Foods, Inc. Ms. Galligan stated she did not know and Mr. Healey asked for this to be looked into. He asked if there could be an exclusion in one direction and Ms. Galligan replied that she will find an answer.

Mr. Stivers stated the amount of large trucks which are the primary concern are less than 10% of traffic and could be managed. He suggested finding a way to physically limit the intersection at Route 9 and Flagg Road so large trucks could not make the turn but a school bus or a fire truck could. Ms. Galligan replied that may be possible and explained potential issues this could cause. Mr. Stivers asked to inquire about permission from Westborough before any other steps are taken. Ms. Galligan explained the conversation had with Westborough for the Gilmore Road truck exclusion. Chairman Braccio requested to find out if a northbound exclusion could be done on Flagg Road. Mr. Healey suggested Ms. Galligan inquire about permission from Westborough for an alternate route and whether a northbound truck exclusion is possible. The Board agreed to continue the discussion at a future meeting.

V. Reports

Chairman's Report

i. Earmarking of funds

Chairman Braccio cautioned against earmarking funds because the Town is still understanding guidelines as far as distributing funds from grants and ARPA. The Board also has not discussed how to distribute these funds.

ii. Use of Town email by Town officials

Chairman Braccio stated that the Board enforced the use of Town emails and it is not being done globally. She stated that the Town email can be forwarded to a personal email but responses must copy the Town email as well. She suggested working with Mr. Montijo to put a path in place that Town business cannot be conducted on personal email in any way. Chairman Braccio stated Town email use is a requirement. She suggested a discussion at a future meeting and the Board agreed.

iii. Volunteer event

Chairman Braccio stated the volunteer appreciation breakfast is Thursday morning. She added the employee lunch was spectacular and she heard a lot of positive feedback. Chairman Braccio thanked the employees for all their work through COVID and throughout the year.

Members' Reports

i. Brian Shifrin Field dedication

Ms. Malinowski stated on June 2nd the Brian Shifrin Field signage was revealed and a beautiful ceremony was hosted by Recreation and Southborough Little League. She added Carolyn Dykema was in attendance and it lined up with ALS Day. The sign is up on the old Finn 1 Field. An Eric Green sign was erected that was similar.

ii. June 13th Eagle Scout Ceremony

Mr. Healey stated the ceremony was on Sunday at Neary and Representative Dykema was in attendance. He said he looked at all the Eagle Scouts projects done throughout Town and thought having a compilation of all the projects would be a great. He listed those who received their Eagle Scout as follows:

Gabrielius Lukas Bazikas who designed and installed an engraved granite bench honoring our long-term Town Moderator, Lt. Col (ret.) John Wilson at the All Wars Memorial in Southborough which also received some maintenance.

Garrett Evan Goodney who created an outdoor learning area consisting of a stage platform and benches at the Neary Elementary School in Southborough and installed two tetherball play areas.

Eric Christopher Hanson who designed and built several trailhead kiosks for the Southborough Trails Committee.

Brendan Patrick Hermanspan who replaced a railroad-tie bordered garden area at St. Matthews Church in Southborough with a masonry wall and all new plantings.

Adam Rainer Ramondo who refurbished the softball field at the Woodward Elementary School in Southborough including some landscaping and replacing the dugout benches.

Matthew Scott Richardson who designed, built, and placed a series of cedar benches along trails at the Chestnut Hill Farm in Southborough.

DRAFT

Zane J Walter who created a parking area with a kiosk at a trailhead adjacent to the Chestnut Hill Farm in Southborough.

Andrew Alexander Zalev who designed, manufactured, and installed 13 permanent flagpoles at the All Wars Memorial in Southborough.

iii. ARPA funding

Mr. Stivers stated he attended the groundbreaking ceremony for the new dorms at St. Mark's School. He added that they expressed appreciation for the Town's land swap with the Golf Course as it allowed them to place the dorm in an advantageous place.

Mr. Stivers stated that earmarking should not be done but boards and committees could begin to think about potential projects that could be done with funding from ARPA. He added there is value to understanding the details regarding guidelines and how the funding works as updates are released from the Treasury weekly. He stated the faster the Town is able to prepare, the more of an advantage Southborough will have to use some of these funds. Ms. Malinowski agreed that the Board should be aware of the guidelines as they come out. She stated she was disappointed watching the Conservation and subsequent Recreation Committee meeting in the last two weeks. She added that to have a member of the Board endorsing a presentation of a project not even on the radar gives the wrong impression from this Board. She asked the Board to hear department heads and listen to needs and ensure the Board is on the same page before misrepresentations are brought to other boards and committees. Mr. Stivers stated he appreciated the point and said he was responding to a resident request at the Conservation Commission and was not endorsing the project. Ms. McAuliffe gave an overview of the webinar she will be attending tomorrow regarding the ARPA funding. She explained they did apply and she is not aware of anyone who has received funds yet. Ms. McAuliffe explained that she will be continuing to investigate ARPA funding.

<u>Town Administrator's Report</u>

Mr. Purple reminded the public that scholarship applications are due to the Town House on Friday, June 18th by 12:00 P.M.

VI. Consent Agenda

a. Ms. Malinowski asked to hold agenda item "a." She asked that a change be made on page June 7th minutes, row 33. The Board agreed. Mr. Stivers stated that in the April 6th minutes, there should be a change on row 55. He asked for a change in the May 18th meeting minutes on line 205. The Board agreed. Mr. Healey made a motion to approve Open Session Meeting Minutes: April 6, 2021; May 18, 2021; June 7,2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.
b. Ms. Malinowski asked to hold agenda item "b." She informed the Board she is abstaining from this vote. Ms. Malinowski left the meeting while the Board discussed this topic. Chairman Braccio asked the Board to approve the makeup of the group change from seven to five members. She explained that they are losing two members. Mr. Healey stated he is ok with this and asked how the committee feels about it. Chairman Braccio stated she is unsure and added she will ask before the next Board meeting. The approval of new charge for Capital Planning Committee was held until the next meeting.

c. Ms. Malinowski returned to the meeting. She asked to hold agenda item "c." She stated she would like to wait to approve these and reach out to the chair of each committee to ensure that those identified here would like to be reappointed. She asked for the Selectmen's Office to reach out to the chairs to clarify who may not want to be appointed. Chairman Braccio stated that she knows of at least one person that is on the list that do not want to be reappointed. Mr. Healey stated that before he votes to reappoint anyone on the Historical Commission, there needs to be a conversation with the Board. The Board agreed to hold the appointment Board/Committee members FY22 until the June 22nd meeting.

d. Mr. Healey made a motion to accept donations totaling $135.00 for Fire Department Ambulance Fund. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

e. Mr. Healey made a motion to extend the charge term of the Capital Planning - School Research Subcommittee to December 31, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

f. Ms. Malinowski asked to hold agenda item "f." She informed the Board she will be abstaining. Mr. Healey made a motion to authorize Town Administrator to sign Statement of Commitment for Public Health Shared Services program. Mr. Stivers seconded. The motion passed all in favor (4-0-1) by roll call vote, Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye. Ms. Malinowski abstained.

g. Mr. Healey made a motion to approve departmental expenditures for FY21 per Financial policy. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

VII. Other Matters Properly Before the Board

Draft Charge for Noise Bylaw Ad Hoc Committee

Mr. Stivers walked the Board through the process he took to create the draft charge and why he chose the suggested members. Ms. Malinowski stated the Board of Health would like voting member or ex-officio on this committee. She added she was unsure of the Building Commissioner's role on the committee. Mr. Healey echoed Ms. Malinowski's comments and suggested including the Police Chief and a member of the Board of Health. He added he would not have a Board or Advisory member. He asked to see what was considered and rejected along with what was proposed as there are various ways a noise bylaw could be approached. Mr. Dennington gave his feedback which included having at least three at-large member. Chairman Braccio stated she had the same opinions regarding the Board and Advisory. She suggested the Building Commissioner be removed as she has no enforcement and asked a Board of Health member be added. She said she would approve three at-large members as Mr. Dennington suggested. Mr. Healey stated there should be five at-large members and two ex-officio members. The Board agreed. The Board discussed the timing of fall Town Meeting and suggested removing the language in the charge alluding to that timing. Chairman Braccio asked Mr. Stivers to make revisions based on the feedback for the June 22nd meeting. Mr. Stivers agreed.

Liability insurance for notary services provided by the Town

Ms. Malinowski stated MIIA changed their coverage for additional liability insurance for notarizing residential documents. She explained what will not be covered in the insurance beginning July 7th and the additional fees. She gave a summary of her discussion with those departments that have a notary which included the Town Clerk, Treasurer/Collector and Conservation Commission. Jim Hegarty, Town Clerk gave his thoughts on the matter. He asked

the Board to make the policy decision of whether it makes sense for the Town to offer these services when notaries are readily available outside of Town offices. He explained the amount of time it takes to notarize certain documents and the hours it is offered throughout the week. Mr. Hegarty explained the $1,000 increase in liability per year to notarize residential documents. Mr. Healey said he felt that cost was worth offering the service to the public. Mr. Stivers agreed. Ms. Malinowski made a motion to increase the liability insurance for the four employees that proved notary services to the Town with the limitations Mr. Hegarty outlined. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye

Review of Special Municipal Employee designations

Chairman Braccio stated the list of municipal employees are included in the packet and asked the Board review them with the Board. Mr. Purple stated he will review the Advisory designation and there was discussion regarding whether the committee members and EDC members should hold the exemption or not. Mr. Healey and Mr. Dennington stated they felt more people should have the designation and explained why. Ms. Malinowski and Chairman Braccio stated they felt the designation should be more restrictive. Mr. Stivers stated he would like to talk to the committees to understand their opinion on the designation. The Board agreed to reach out to the committee chairs to understand the interest of Advisory, Council on Aging and the EDC. This topic will be added to the June 22nd meeting.

Discussion of Counsel review of IMA for Shared Services

Ms. Malinowski reported an update on the Counsel review. MAHB will be conducting a legal review of the IMA document as well as KP Law, Town Counsel from Northborough. She asked the Board if they would prefer Southborough Town Counsel to review this as well. She stated she would like our Town Counsel to review. The Board discussed and Ms. Malinowski requested the IMA be sent to Town Counsel for review. The Board agreed.

Update/discussion of 15 Main Street

Chairman Braccio stated the Historical Commission was invited to attend tonight but could not attend. She stated the chair of the Historical Commission asked that the Board does not have any substantive discussion of 15 Main Street tonight. He requested the item be removed from the agenda. She added that this topic is on their next meeting on June 17th and read the agenda items which included a review of the discussions the Board had this evening, the legal opinion requested by the Board and revisions to the rules and regulations sheet. Ms. Braccio reviewed the timeline of 15 Main Street as included in the packet. She referenced sections of the bylaw that were violated during public hearings held by the Historical Commission regarding 15 Main Street. She shared concerns on the one-page fact sheet being used as rules and regulations by the Commission. She stated the homeowner was being required to sell her house. Chairman Braccio and Town Counsel do not believe the demo delay bylaw can enforce this nor does the Commission have the authority to stop a demolition permit. She stated that only the Building Commissioner can stop a permit. Chairman Braccio reviewed the processes outlined by Town Counsel that could have be done to mitigate issues but the permit was closed by the Commission which is not allowed. She concluded that nine months had passed since the Historical Commission public hearing and the applicant was then issued the demo permit by the Building Commissioner. Chairman Braccio and Mr. Purple support Ms. Livoli's decision to issue the permit. The Chair of the Historical Commission does not agree. Mr. Healey stated that he reviewed previous minutes and he does not think this is an isolated incident and that this was

done to other homeowners. He added that the actions of the Historical Commission may have opened the Town to significant liability. Mr. Healey stated he looked at 75 other demolition delay bylaws and it is clear that it is a delay and not a demolition deny. He stated that the Historical Commission created their own law. He added that forcing homeowners to sell their homes is not what Town Meeting voted on and he is embarrassed as a town official that this behavior has taken place. Mr. Healey committed to reaching out to previous homeowners treated in this way. He outlined more concerns regarding the rules and regulations and the lack of review from Town Counsel after being told it was approved by Attorney Cipriano. Mr. Healey stated it is dangerous to have the Historical Commission continue with this level of authority with the current member composition and it needs to be addressed.

Mr. Stivers stated he reviewed this as well and there are process steps that need to be fixed through education. He stated that he felt that after nine months of review with the Historical Commission, the demolition permit could be issued. He said Town Counsel's involvement is necessary in the demo delay process and reviewing the bylaw itself to correct any issues. Chairman Braccio gave a summary of Town Counsel's multiple offers to work with the Commission to refine their documents. She stated he was never taken up on his offers. Mr. Healey clarified that Attorney Cipriano is at not fault in this situation as he made himself available and made multiple offers to assist the Commission. Mr. Dennington pointed out parts of the Historical Commission documents that were inconsistent. Ms. Malinowski stated she was disappointed the actions of the Commission took away from the point of the demolition delay bylaw to preserve the historical nature of homes in Southborough and added it is the responsibility of the Board to ensure residents are being treated appropriately and appropriate processes are followed. She stated that this is very concerning and the Board needs to ensure the Historical Commission has the tools to enforce what is in their purview. There was discussion regarding including this topic on future meetings. Chairman Braccio stated she will invite the Historical Commission to their July 13th meeting.

Selectmen's Representative to SHOPC

Chairman Braccio volunteered to be the Board representative for SHOPC. She added she would like to speak with Mr. Dennington regarding his interests. The Board will discuss and vote at the next meeting. Ms. Jasinski told the Board that SHOPC meet Wednesday mornings at 8:00 A.M.

VIII. Public Comment

Howard Rose (2 Bantry Road) thanked the Board for reviewing the truck exclusion. He encouraged the Board to see the urgency for and to walk the road to see how dangerous it is. He explained the difference between Flagg and Parkerville Roads. Mr. Rose requested the hiring of an environmental noise specialist to work on a noise bylaw.

Tim Litt (148 Woodland Road) stated it is important to find out what the barriers are to board and committee members who are not using town email. He outlined some reasons given in the past. Mr. Litt stated he misses the table that was in the room previously. He stated that he is baffled that Board has not appointed the ex-officio member to the MTC. He asked the Board to do so.

IX. On a motion made by Mr. Stivers, seconded by Mr. Stivers and voted all in favor by roll call vote, the meeting was adjourned at 9:51 P.M.

Upcoming Meetings *June 22, 2021* *July 13, 2021*

Respectfully submitted,

Kathleen Barry, Recording Secretary

DRAFT

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, June 22, 2021, 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 6:30 P.M.

II. Public Comment

Betsy Rosenbloom (5 Strawberry Hill Road) asked if there will be painted crosswalks on Main Street and Route 85. Mr. Healey stated that DPW presented higher end crosswalks at Town Meeting and they were approved. He added that he is not sure when they will be added but it is in the plan.

Chris Robbins stated he is on the EDC but is speaking as resident. He stated that the downtown initiative has been worked on for years and if approved, will be a remarkable legacy for the Town. He stated there should be no more delay and now is the time to set the standard to revitalizing the community as other surrounding towns have. Mr. Robbins stated collaboration is key in order for the downtown initiative to be approved to leave a legacy everyone can be proud of.

Paul Cimino (3 Austin Kelly Lane) asked if there would be an opportunity for public comment during the agenda item regarding the appointment of town, special and labor counsel. Chairman Braccio stated now would be the time to comment. Mr. Cimino said that in his personal opinion, not as Moderator, that absent of a compelling difference between current counsel and those interviewed, the choice should be to keep current counsel. He added he watched all the interviews and did not see a compelling difference. He stated he hoped if a change is made that there would be good substantive reasons articulated for the change.

III. Scheduled Appointments

<u>Brian Ballantine & Carla McAuliffe – Award contract for Town Auditor, effective July 1, 2021</u>

Mr. Ballantine explained that the contract for Town Auditor expires June 30th. An RFQ was released and four responses were submitted. He stated interviews were conducted for all four forums and explained their professional experience and background. He explained the interview process and how each firm ranked. Both Ms. McAuliffe and Mr. Ballantine agreed that a major deciding factor was how much time on site the auditor was willing to make. They explained their reasons for asking to appoint Roselli, Clark and Associates. Ms. Malinowski asked when the Board could meet the associates. Mr. Ballantine stated he would set up a meeting. Mr. Healey stated he supported the recommendation. Mr. Stivers stated he was impressed with the reports this firm had given other towns.

Mr. Stivers made a motion to award the contract for Town Auditor effective July 1, 2021 to Roselli, Clark and Associates. Mr. Healey seconded. The motion passed all in favor (5-0-0).

<u>Jason Montijo – IT Update</u>

Mr. Montijo explained the work he has been doing with the Board of Health which includes installing a new multifunction printer, enabling HIPPA guidelines for the printer and scanner,

email encryption and supplying Ms. Spiri with a laptop. He explained an upcoming penetration test being conducted with the National Guard and the purchase of a DNS filter called Umbrella. Mr. Montijo outlined his meeting with the MTC and his need of a Senior IT Specialist. Chairman Braccio thanked him for putting the steps in place for cyber security. Mr. Healey asked about the process with the National Guard and Mr. Montijo explained. Mr. Healey stated the Board delayed the decision to hire an additional staff member to the IT Department and asked if the Senior IT Specialist is exactly what Mr. Montijo needed. Mr. Montijo stated that after taking the time to understand his goals and weaknesses he believes he needs someone with a high level of understanding of networking and systems. He added he is comfortable with requesting this role. Ms. Malinowski asked if this position was defined in the SAP. Mr. Purple stated it was not but he has had discussions with the Personnel Board. He added that there is potential this role could be hired under an existing position and work towards establishing a Senior IT Specialist job description. Ms. Rosenbloom stated that discussions have been had and the Personnel Board is ready to begin the process to including this into the SAP for fall town meeting. She added the Personnel Board has not taken a position on the role as it has not been presented to them on merit.

Ms. Braccio asked to discussion agenda item "6-E" regarding the continued use of virtual/zoom meetings for boards and committees. She asked for discussion and a recommendation to give boards and committees regarding the use of Zoom moving forward. She suggested permitting boards begin to meeting in person. The Board agreed that the use of Zoom has been very convenient and hopes some capacity could be used for remote participation for those not able to make an in-person meeting. They also agreed that public participation and viewing has increased since using Zoom and YouTube to broadcast meetings. Mr. Purple explained that an integral piece of equipment used by Southborough Access Media has broken and they have been meeting to create a plan to get back up and running. Mr. Purple explained that his expectation is for SAM to record at the same capacity as pre-pandemic schedules. Ms. Malinowski asked about the possibility of using a Zoom environment that is simpler to conduct in order to provide the public to participate remotely. Mr. Montijo explained he has been looking into this in other towns and will continue to do so.

Mr. Healey described a "Zoom Light" approach which included the use of SAM to create a visual record but also enabling Zoom to include those that cannot be present in the room without the entire environment being conducted through Zoom. He suggested a policy be created for this. Chairman Braccio asked if he would like to create a draft policy and Mr. Healey agreed to do so. Mr. Montijo stated that an ambassador for each board and committee would need to be able to handle the setup and breakdown of a hybrid Zoom environment. Chairman Braccio asked Mr. Purple to send an email to all boards and committees the directives of the Board regarding meetings. Mr. Purple agreed.

IV. Reports

Chairman's Report

i. Volunteer Breakfast

Chairman Braccio stated that this was a great turnout with over forty people in attendance. She said that many different boards and committees were able to network. She thanked all volunteers for their dedication and work throughout the year and thanked Ms. Hale for coordinating the breakfast.

Chairman Braccio reminded the Board that input for Ms. Galligan and Mr. Ballantine's reviews are due Friday to Mr. Purple.

Members' Reports

i. Master Plan Update

Mr. Dennington stated he spoke with Bill Sines from the Master Plan Committee and discussed collaborating to meet the goals from the Master Plan. He suggested working with the Planning Board to outline and prioritize objectives that the Board can assist to accomplish.

Mr. Stivers stated that the 2008 Master Plan had 100 objectives and 250 implementation steps. He stated the goal is to narrow the focus with the new Master Plan. He stated the Board should collaborate to identify and focus on priorities.

Town Administrator Report

Mr. Purple stated the vaccination clinic in Westborough closed its doors today after a successful effort to vaccinate the public throughout multiple communities. He thanked the Board of Health, Health Directors, CERT Teams, MRC, staff, Chiefs, volunteers and Ms. Black from Northborough in coordinating and executing the clinic.

V. Consent Agenda

a. Ms. Malinowski asked to hold agenda item "a." She requested that in the paragraph at line 34, include "monthly office hours and three board meetings." She asked to include language regarding infrastructure and funding needs as well as public safety compliance issues in row 52 and 53. The Board agreed to both. Mr. Healey made a motion to approve the Open Session Meeting Minutes: June 8, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
b. Chairman Braccio asked to hold agenda item "b." Chairman Braccio stated that Ms. Duka is not seeking reappointment and asked she be removed from the list. Mr. Healey made a motion to appoint Board/Committee members FY22 as amended. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
c. Mr. Healey made a motion to appoint Capital Planning Committee members FY22. Mr. Stivers seconded. The motion passed (4-0-1). Ms. Malinowski abstained.
d. Mr. Healey made a motion to reappoint staff positions for FY22. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
e. Mr. Healey made a motion to accept Crown Castle Flag Pole Assembly Bill of Sale. Mr. Stivers seconded. The motion passed (4-0-1). Ms. Malinowski abstained.
f. Mr. Healey made a motion to accept a donation of $15.00 for the Fire Dept. Ambulance Fund. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
g. Mr. Healey made a motion to award the contract for Golf Club improvements. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
h. Mr. Healey made a motion to approve the Hazard Mitigation Plan. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
i. Mr. Healey made a motion to approve departmental expenditures for FY21 per Financial policy. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
j. Ms. Malinowski stated she has revisions she would like to make to the Executive Session Meeting Minutes: June 15, 2021. She requested a meeting in Executive Session to discuss and the Board agreed.

VI. Other Matters Properly Before the Board

Discussion of Downtown District bylaw initiative

John Wood of the EDC stated the Committee called their meeting to order at 6:30 P.M. Chairman Braccio outlined the main outstanding issues with the Planning Board regarding the bylaw which included the 2,000-3,000 square feet per establishment, four story height allowance, FAR ground coverage and the zoning map. She explained an email was forwarded to the Board which included a conversation Attorney Costa had with Ms. Luttrell and Ms. Hoolahan of the Planning Board regarding mixed use. She also stated an email from the Planning Board that came in late afternoon was provided at the meeting and is included in the packet posted with the meeting minutes. She explained that Marijke Munsiff, EDC Coordinator, crafted design guidelines and provided them to the Planning Board in November. The feedback from Planning was that the guidelines were a great start. Chairman Braccio read part of the email from the Planning Board which in summary stated the Board consensus was they will be reviewing and not crafting design guidelines and the proposed bylaw should be in final draft and reviewed by a consultant. Chairman Braccio explained that the grant money for this project will expire in eight days which is an incredibly tight schedule. She added that consultant Judi Barrett strongly suggests the guidelines be completed in conjunction with the bylaw for Town Meeting.

Julie Connelly of the EDC gave a timeline summary of the creation of the guidelines in November with a clear message that the grant money was available through June. She explained that the design guidelines were well received by the Planning Board and had heard nothing substantive about them since. She explained the importance of design guidelines and the rationale for the Planning Board to have authority over enforcement. She expressed her concerns regarding funding and timing. Chairman Braccio stated she spoke briefly with Ms. Barrett regarding this issue and she will reach out to her tomorrow regarding next steps. John Wood of the EDC stated he will reach out to other consultants used previously by the EDC in hopes of reaching someone who had time to work with them in the eight remaining funding days.

Mr. Healey expressed his frustration in the timing of the feedback from the Planning Board and lack of support of this initiative from other boards and committees; specifically, the Master Plan Committee. He added that this feedback could have been expressed six to eight months ago. Mr. Stivers stated that the Master Plan Committee has the downtown as an open are a of focus. Mr. Healey replied that putting this initiative on a list and collaborating to bring it to Town Meeting are not the same idea. Mr. Stivers stated he is more hopeful and added that the guidelines proposed by the EDC are very good and part of the Planning Board public hearings is to revise and edit the document. Mr. Healey asked Mr. Stivers to commit to discussing this topic at the next Master Plan Committee meeting on June 30th and Mr. Stivers agreed.

Mr. Dennington asked if the design guidelines were discussed at the last joint meeting and Ms. Connelly replied that they were not. He explained that he felt the design guidelines did not have to be done in conjunction with the bylaw for Town Meeting. Ms. Connelly explained why the EDC felt they were an integral part of the bylaw passing at Town Meeting. Chairman Braccio explained why she agreed with Ms. Connelly. Chairman Braccio recommended making every attempt to find a consultant to review the design guidelines drafted by Ms. Munsiff in the last eight days of grant funding. Mr. Belniak of the EDC cautioned both Boards about analysis paralysis with the document. Chairman Braccio asked the Board if they agree to move forward with her suggestion. Mr. Dennington asked if the EDC agreed with that path. Mr. Wood stated he does not think the guidelines are imperative for Town Meeting and added that it was clearly stated these were not under the purview of the EDC. He added that the redesign of the map and

the design guidelines should be under the purview of the Planning Board. He expressed his frustration with the timing of the Planning Board feedback and suggested the Board and the EDC come to agreement on the four outstanding issues in the bylaw. Ms. Connelly asked the opinion of the Board regarding next steps and who will own the design guidelines and map if the Planning Board will not. Mr. Healey agreed that the Board could come to an agreement on the outstanding issues in the proposed bylaw and stated that there is a zoning map. He explained that the current zoning map will work with the bylaw and once all is delivered to the Planning Board, it is their responsibility to hold public hearings. There was lengthy discussion regarding the outstanding issues, next steps and timeframes.

Mr. Healey made a motion that for the purposes of the downtown district final bylaw draft, they Board adopt the 3,000 square feet per establishment under zoning as stated by Chairman Braccio earlier. There was discussion regarding where in the bylaw this motion would be applied. Mr. Healey withdrew his motion. Ms. Malinowski made a motion that the Board adopt under 174-8.12 (B) the 3,000 square feet for permitted use as well as under Section (C) (1) the 3,000 square feet being the lower part of the threshold for a special permit. Mr. Healey seconded. The motioned passed all in favor (5-0-0). Mr. Anderson made the same motion for the EDC. Mr. Robbins seconded. The motion passed all in favor (5-0-0).

Mr. Dennington made a motion that the Board support eliminating Section 174-8.12 (G) from the proposed bylaw together with the portion of Section 174-8.12 (F) (8) (a) after the comma following "three stories." Mr. Healey seconded. The motion passed all in favor (5-0-0). Mr. Anderson of the EDC made the same motion. Mr. Robbins seconded and the motion passed all in favor (5-0-0).

Mr. Dennington made a motion that on the top of page 4, Section 174-8.12 (F) (5) the Board strike the max lot coverage of 80% and replace the language with "max FAR: .35 as of right or max .5 with a special permit from the Planning Board." Mr. Healey seconded. The motion passed all in favor (5-0-0). Mr. Anderson of the EDC made the same motion. Mr. Robbins seconded and the motion passed (4-1-0). Ms. Connelly opposed.

Mr. Stivers made a motion to support the changes made in version eight of the document in blue to clarify several definitional issues as shown in this document. Mr. Stivers withdrew his motion. Mr. Healey made a motion to accept for purposes of transmitting to the Planning Board the downtown bylaw version eight with the blue amendments which were input from Attorney Costa and Planning Board as well as reflecting the votes taken on items 1, 2 and 3 as taken tonight. Mr. Stivers seconded. The motion passed all in favor (5-0-). Mr. Healey made a motion that the Board transmit version eight as voted on and transmit the draft design guidelines to the Planning Board as part of this package with the proviso that the Board designate Ms. Braccio on behalf of the Board to make any changes after input from a consultant between now and the end of the consultancy pay. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Mr. Healey made a motion that the current zoning map as written in the Town of Southborough Zoning Code be transmitted as part of the package. Mr. Stivers seconded. Ms. Malinowski asked the next steps for the map. There was lengthy discussion regarding using the current map, making changes this evening and receiving input from the public. There was discussion regarding the split lots on Latisquama Road. Mr. Healey amended his motion to state that the Board convey to the Planning Board that the proposed zoning article for the Downtown District as voted on tonight along with draft design guidelines as voted on tonight with the message that the Board

will continue to review and discuss the zoning map with landowners with the anticipation that the discussion of that map will be part of the public hearing regarding the downtown district bylaw being proposed. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Mr. Anderson made a motion to send the current zoning map to the Planning Board as a separate discussion from the bylaw. Mr. Robbins seconded. The motion passed all in favor (5-0-0). Mr. Anderson made a motion that the EDC send the downtown district bylaw version eight with the changes made tonight and edits from Attorney Costa along with the design guidelines. Mr. Belniak seconded. Chairman Braccio stated that the Board will not "transmit" but will be sending all documents voted on to the Planning Board. The motion passed all in favor (5-0-0). Mr. Wood made a motion to adjourn the EDC meeting at 9:26 P.M. Mr. Belniak seconded. The motion passed all in favor (5-0-0).

The Board went into recess at 9:27 P.M. The Board returned from recess at 9:34 P.M.

Review and approve Charge for Noise Bylaw Ad Hoc Committee

Mr. Stivers stated he made updates to the charge based on the discussion at the previous meeting. He stated there is a typo in the fifth bullet. Mr. Healey agreed that the proposed charge incorporated the points the Board discussed. Ms. Malinowski described an update on this charge as described at a Board of Health meeting. The concern was that the three Board of Health members are not able to participate on this committee. She suggested that a Board of Health employee and a resident be assigned as a voting member. Ms. Malinowski reminded the Board that the Board of Health owns the enforcement of a noise bylaw. Chairman Braccio stated she approved that change. She asked that interviews be conducted for the committee appointments at their July 13th meeting. Mr. Healey made a motion to approve the Noise Bylaw Ad Hoc Committee charge as proposed with the single amendment. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Chairman Braccio asked Mr. Purple to advertise volunteer openings on this committee and he agreed to do so.

Review and approve new charge for Capital Planning Committee

The Board discussed a change in membership number for the Capital Planning Committee from seven to five. The Board felt leaving the number at seven will suffice. Chairman Braccio discussed changing the word "oversight" to "collaboration" in the second bullet of the charge. Mr. Healey asked to change the wording in this section to "under the purview." The Board agreed. Mr. Healey made a motion to approve the Capital Planning Committee charge with the discussed amendment and no change in membership. Mr. Stivers seconded. The motion passed (4-0-1). Ms. Malinowski abstained.

Review and approve Capital Planning recommendation for oversight of FY22 Capital projects

Chairman Braccio explained that there is a self-explanatory email from Mr. Malinowski included in the packet. It referenced three projects; the Town House, the Fire tender and Library renovations. Chairman Braccio said the Conservation Preservation Committee agreed to have some oversight on these projects and is part of the request. Mr. Healey made a motion to approve the recommendation from the Capital Planning Committee regarding oversight of FY22 capital projects. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

Discussion of the continued use of virtual/Zoom meetings for boards/committees

This was discussed under agenda item III.

Discussion of date for Special Town Meeting

Mr. Purple explained the timeline from a finance and assessor's department perspective. He suggested the last week of September or the first week in October for the Board to consider for a fall town meeting. Chairman Braccio summarized her discussion with Town Clerk, Jim Hegarty and stated that the schools have availability these weeks. She added the Town is not bound to a Saturday. The Town Moderator, Paul Cimino gave his opinion on which weeks and days to hold a fall town meeting. The Board discussed their schedules. Mr. Hegarty explained why the town is not bound to a Saturday to hold a fall town meeting. Mr. Stivers made a motion to set the date of special town meeting for October 4th at 7:00 P.M. at the Trottier auditorium. Mr. Healey seconded. The motion passed (4-0-1). Ms. Malinowski abstained.

SHOPC & Capital Planning Committee Affordable Housing Subcommittee

i. Approve committee charge

Chairman Braccio explained that Andrew Pfaff of the Capital Planning Committee worked with SHOPC Chair, Doriann Jasinski and SHOPC approved the charge with five members. Mr. Dennington asked how this relates to the aftermath of the bid for South Union. Chairman Braccio replied that it does not except that the public response was to continue to explore options for the South Union School. Mr. Healey made a motion to approve the SHOPC and Capital Planning Committee 21 Highland Street Affordable Housing subcommittee as proposed. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

ii. ii. Appointment of committee members

Chairman Braccio updated the Board on board and committee votes to approve Mr. Bhisitkul, Mr. Frisch, Mr. Stein, Mr. Pfaff and Mr. Palmer. She informed the Board that they will need to vote to approve these members to their respective appointments as supplied in the packet. Mr. Dennington moved to approve the above appointments as presented in the packet. Mr. Healey seconded. The motion passed all in favor (5-0-0).

Discussion of Counsel appointments (Town, Special, Labor)

Mr. Dennington left the meeting at 9:59 P.M.

Chairman Braccio summarized that the Board brought in four candidates for bids for legal services and they had the opportunity to interview each. Mr. Healey summarized that the Board has been talking about putting legal services out to bid for two years and how they came to do so this year. He explained he felt the representatives from West Group Law, LLC had more experience in dealing with cities than towns. He stated that the other three representatives would be fine choices. Mr. Healey explained that Mead, Talerman & Costa, LLC stood out with their breadth of experience and the packets that they delivered in their bid. He explained that he felt the size of this firm is advantageous to the Town. Mr. Healey added that there would be a cost savings to the Town if this firm was chosen. He stated his first choice was Mead, Talerman & Costa, LLC.

Mr. Stivers stated Petrini & Associates, P.C. was his first choice based on their municipal law experience and the responses to the interview questions. He stated that he appreciated their firm approach and felt they could offer more than a solo practice. Mr. Stivers added that Petrini & Associates, P.C. were more expensive and Mead, Talerman & Costa, LLC were his second choice.

Chairman Braccio stated that the West Group was not one of her top choices and Petrini & Associates, P.C. were third on her list. She added that she was not impressed with their answers to the interview questions and had the same concerns for covering multiple states. She stated that current Town Counsel is her second choice. She outlined his longevity with the Town, vast experience and workshops provided to Town boards and committees as positives. She outlined concerns being the amount of turnaround time for a decision, tenor of current emails and the thought that lines could be blurred between being a tax payer and counsel to the Town. She stated that she has chosen Mead, Talerman & Costa, LLC as her first choice due to the experience she has had with Special Counsel and Attorney Costa, her impression of the other attorney brought to the interview, the office hours and availability and team approach they offer.

Ms. Malinowski stated Petrini & Associates, P.C. was her fourth choice as they did not have enough of an understanding of Southborough and she had the same concerns with West Group Law, LLC. She stated that Attorney Cipriano has served the Town well and had many successes here but felt Mead, Talerman & Costa, LLC were a better choice. She outlined the fact that deadlines are driven by the Town with this firm, the option for office hours and their breadth of education as reasons for her choice. She added that Attorney Cipriano is excelllent with tax title issues, dealing with Stockwell Lane and quarterly meetings provided to the Board. Ms. Malinowski stated that she liked the idea of a bigger firm as opposed to a solo practice. Mr. Stivers stated Mead, Talerman & Costa, LLC were second on his list and he would support that appointment.

Mr. Healey made a motion that the Town of Southborough appoint Town Counsel for fiscal year 2022 beginning July 1, 2021 to Mead, Talerman & Costa, LLC under the proposed fee structure "A" of $84,000 annually. Ms. Malinowski seconded. The motion passed all in favor (4-0-0).

Ms. Braccio thanked Town Counsel for his service of the years. Mr. Purple asked the Board if they were appointing labor counsel this evening. Chairman Braccio stated that Labor Counsel's contract would expire on June 30th. The Board decided they would like Mead, Talerman & Costa, LLC to present what they could offer for labor counsel. Mr. Healey made a motion to extend the labor counsel contract for 90 days. Mr. Stivers seconds. The motion passed all in favor (4-0-0).

VII. Public Comment

None

VIII. On a motion made by Mr. Healey, seconded by Mr. Stivers and voted all in favor, the meeting was adjourned at 10:24 P.M.

Upcoming Meetings
July 13, 2021
August 17, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

DRAFT

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, May 4, 2021, 6:30 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 6:30 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Public Comment

None

III. Scheduled Appointments

Karen Wheeler – Proposed Energy/Sustainability Committee

Mr. Healey asked Ms. Wheeler for an overview of her requests. Ms. Wheeler shared her screen to propose the establishment of an Energy and Sustainability Committee. She gave background about discussions about climate change at the federal, state and local levels. Ms. Wheeler expressed her concern about the "human cost" if we don't get our climate issues under control. She is looking to establish a committee that can research, advise, and advocate for these issues.

Mr. Healey asked if Ms. Wheeler looked at the committee charges in other Towns for similar committees. Ms. Wheeler said that she did, and that creating a committee charge would not be reinventing the wheel. Mr. Healey asked if she had spoken with John Parent. Ms. Wheeler said that she had, and Mr. Parent was initially a little concerned about a new committee infringing on his Green Community initiatives. She viewed the committee focusing on broader projects that may need more ideas and more funding. Mr. Healey said that he appreciates Ms. Wheeler's work on this, and asked that she continue to evaluate the best way to move this forward. Ms. Braccio thanked her for her presentation, and asked to bring Mr. Parent over.

Ms. Braccio asked Mr. Parent if he agrees with the direction that Ms. Wheeler is proposing for this committee. Mr. Parent said that the only problem he has with the committee as currently proposed is that it could conflict with the current and future Green Communities projects as

DRAFT

planned. Mr. Parent explained his work with State officials, his counterpart at the School, National Grid and others, and how much of the work is dictated by tight timelines and schedules. He said that any large projects would be run through Capital Committee, who would work with him to advocate for the project. Adding a committee into the mix may impact timelines, which in turn could impact funding opportunities. Mr. Parent did say that a committee could be helpful in trying to educate residents on green initiatives such as energy conservation and alternative energy sources. He would be supportive of reconstituting the Green Technology Committee, which is something that Town residents could relate to. Ms. Braccio said that her concern was creating redundancy, and that Ms. Wheeler should continue her conversations, including with Capital Committee, to create a committee focusing on educating residents. Mr. Healey asked Ms. Wheeler what percentage of the committee work she saw as educational, and she said about 30%. Ms. Wheeler also questioned the bandwidth of the Town to take on larger, more complex projects.

Mr. Healey thanked Ms. Wheeler for her presentation, adding that he really liked the idea of resident engagement on climate issues. He said that this committee could be following current issues, and keeping both Mr. Parent and residents updated, as well as any potential grant opportunities. Mr. Shea said that Ms. Wheeler came to Selectmen office hours a few months ago, and talked about what other towns were doing for energy and sustainability. He asked if Wayland, Sudbury and/or Stow have a residential education component to their committee charges. Ms. Wheeler said that at least one of them had something to that effect. Mr. Stivers said that while he supported the concept, he was unsure how to put something in place to make progress on these issues. While he was also concerned about creating another committee, he thought it was a worthy idea that should be explored further. Mr. Healey said that he didn't think this would be a committee that you'd have trouble getting people involved in, but that some due diligence still needed to be done. He asked Ms. Wheeler to continue her conversations with Mr. Parent and others, and that the Board would be back in touch with her. Ms. Wheeler thanked the Board for entertaining the discussion.

ZBA – ATM warrant article 34

Katie Barry gave an overview of the intent of the article, which was to clean up some of the existing language in the bylaw to make it consistent with recent legal decisions. Mr. Stivers concurred with what the article was trying to do, but said that a future town meeting should continue the effort. Mr. Healey said that the purpose seemed straightforward, but this was not something that the Board had to take a position on tonight.

Jonas Linden – ATM warrant article 39

Mr. Linden was not present for the discussion; he was at the earlier pre-Town Meeting with the Moderator. Mr. Stivers said that Mr. Linden likely understands the process now for getting an HCVE. The Board agreed to take no position on the article.

Police Chief Paulhus – Policy on Traffic Constables

Chief Paulhus spoke to his request, noting that the Department is filling 14-20 details a day, which is nearly impossible even with officers from neighboring towns. The City of Framingham and Town of Hopkinton both have this policy, and it has worked well for them for a number of years. The Chief said that his plan is to keep the pool of traffic constables within the public safety building, which would limit it to Dispatch and Fire personnel. Chief Achilles had already polled the firefighters, and there definitely is some interest. Chief Paulhus said it was also something

good to try and attract and retain dispatchers. Mr. Healey asked what changes on day one if this policy is approved. Chief Paulhus said that his preference is still to have sworn police officers maintain the details, and that traffic constables would fill in the vacancies. Mr. Healey asked if there is any training required, and the Chief said there would some minimal training for traffic control. Mr. Shea supports the plan to use Police officers first, and then supplement with constables, but wondered if there was any CBA language that could affect his plan. Chief Paulhus said it is spelled out clearly in the union contract, and explained why there were no conflicts.

Mr. Stivers questioned the Chief as to whether the constables would get the same rate of pay as the Police officers. Chief Paulhus said that they would get the same rate of pay per the CBA, and that he has already had the discussion with the Union and they didn't have any objections.

Ms. Braccio made a motion to approve the policy as presented by Chief Paulhus, seconded by Mr. Stivers. Roll call vote: Braccio – aye; Malinowski – aye; Shea – aye; Stivers – aye; Healey – aye. Motion passed unanimously, 5-0-0.

IV. Reports

Chairman's Report

i. Upcoming meeting schedule

Mr. Healey noted the number of RFPs that have been issued for Legal services and South Union School, which will require review and decisions. He said that it make sense to have a meeting on May 10, but also to meet on May 18 after the Town election. Given that there will be a new member, Mr. Healey suggested that the Board reorganize on May 18, and the Board concurred.

Members' Reports

i. Rent & Mortgage Assistance Program update

Ms. Malinowski informed the Board that she received 4 applications so far for the rent and mortgage assistance program. The Trust has approved another $25,000 to be used out of CARES funds to support additional applications. The application process is underway, and two checks have been issue, while two other application are under review. Ms. Malinowski said that overall the process is working well, and encouraged anyone who has suffered a loss of income due to COVID-19 to go to the town website and see if they qualify. Mr. Stivers asked for an agenda item concerning the federal stimulus program, which he continues to follow with great interest. He urged the Board to have a plan in place on how the federal funds should be spent.

Town Administrator Report

i. COVID-19 vaccination update

Mr. Purple updated the Board on the regional vaccination clinic in Westborough, and noted that things are going very well. He said that the Public Health Agent in Northborough, Kristen Black, deserved much of the credit for spearheading and shepherding the effort. He also recognized Chief Achilles, our Public Health Director Heather Alker, and the MRC and CERT teams. Mr. Purple said that the clinic was able to secure an additional tray of Pfizer vaccine, and this will be reserved for a special vaccination day for high school students in the participating communities. The data provided by Dr. Alker showed that 61% of all Southborough residents have at least 1 dose of vaccine, and that Southborough is trending better than our surrounding communities with vaccinating our younger populations.

Mr. Purple noted that the Town did receive notification that the shared services grant for health services, spearheaded by Northborough, was awarded at the full amount of $300,000 annually for three years. There are also 3 renewal options for three years each, and a work plan is being put in place by the four communities to determine how the funds will be used by each community. The grant focuses on nursing and inspectional services, and is used to enhance existing health services. Mr. Stivers offered his thanks to the Board of Health for maing this happen. He noted that the FDA is likely going to approve Pfizer for those in the 12-15 age group, and did we have a plan to vaccinate that population. Mr. Purple said that the group would be meeting to discuss that rollout soon. Ms. Braccio said that based on all the positive feedback that we have been hearing about our regional site, the Board should be sending a letter of thanks and recognition to Ms. Black in Northborough for her efforts on our behalf. Mr. Healey concurred and asked that Mr. Purple can work with Ms. Hale to put together a draft letter.

Mr. Purple informed the Board that Conservation Commissioner Judith Watson recently completed her Fundamentals Certificate from the Mass. Association of Conservation Commissions (MACC). He said that a majority of commissioners have this certification, as it helps them to be better prepared when discussing permits, and that it was nice to see our permitting boards staying up on continuing education.

Mr. Purple said that he received a message from Advisory Committee member Andrew Pfaff, who has been working with Ms. Danza on the MVP grant. The deadline is later this week, and the grant would be to develop an impervious surface layer for the Town's GIS system. Several other communities have used the grant for the same purpose, and have been successful. The dollar amount for the grant is $30,500, and the Town needs to match $7,625, which Advisory is willing to provide. Mr. Purple wanted to make sure that the Board was aware, and that there were no issues with submitting the grant. Mr. Stivers said that this is an important tool for stormwater management, and fully supported the effort.

Ms. Hale updated the Board on the subject of diversity, equity, and inclusion (DEI), which was discussed earlier in the year during goal setting sessions. At this time of year, we are looking at scheduling employee trainings, and wanted to use some of the training funds in the Selectmen budget for this purpose. Personnel Board would be asked to pay for half of the course. Mr. Healey said that it sounds like a good idea, but how much would it cost. Ms. Hale said between $2,500 and $4,000 three-part virtual sessions, to come out of the Selectmen's employee training line item. The Board agreed with the use of the funds for the training.

Ms. Hale talked about other municipalities are using technology to get their boards and committees back in the building to meet in-person. IT Manager Jay Montijo joined Ms. Hale for a site visit in Medfield to see how they do it, in conjunction with their local cable studio. SAM is not ready to come back yet, which could complicate efforts on our end, but we are exploring how to do it with Zoom. Mr. Healey said that he wants to have meetings in person as soon as possible, to send the message that things are moving toward normal. Ms. Braccio said that she is very happy to move in this direction. Ms. Malinowski asked if we are looking at outfitting the public safety meeting room and senior center the same way. Ms. Hale said that the goal was to start with the McAuliffe Room and go from there. Mr. Shea and Mr. Stivers agreed. Mr. Montijo said that Medfield had been very helpful in getting him information on their setup, and that he has been talking with SAM.

V. Consent Agenda

a. Approve Meeting Minutes: April 27, 2021
b. Accept donations totaling $125.00 for Fire Dept. Ambulance Fund
c. Accept donation of $750.00 for Southborough Youth and Family Services donation account
d. Appoint Julia Fontana as a Student Police Officer, effective May 10, 2021

Mr. Healey made a motion to approve all Consent Agenda items as presented, seconded by Mr. Shea. Roll call vote: Braccio – aye; Malinowski – aye; Shea – aye; Stivers – aye; Healey – aye. Motion passed unanimously, 5-0-0.

VI. Other Matters Properly Before the Board

Discussion regarding field dedication at Mooney Complex in honor of Brian G. Shifrin

Mr. Healey said that members of the Board had time to review the request from Southborough Little League, and Ms. Braccio noted that this effort has been going on for the better part of 18 months. She also said that she and Brian Shea served with Mr. Shifrin, and everyone felt strongly about the naming of the field when approached by baseball about this. The dedication would be held on June 2nd, which is Lou Gehrig's Day, and his daughter will have the honor of playing on that field. Kristine Shifin said that this acknowledgement of Brian means the world to her and her kids. Ms. Braccio said that we know how involved Brian was with baseball, which makes this decision a relatively easy one for to make. Mr. Shea said that discussions of getting this done sooner were put on hold with COVID-19, and that was beyond everyone's control. Ms. Braccio asked that the Recreation Commission be involved in the discussions for the dedication, and that it be reflected in the vote that both baseball and the Commission should work collaboratively on the signage.

Ms. Braccio made a motion that the Board support the naming of Brian Shifrin Memorial Field at Mooney Field at Finn School with the stipulation that the baseball league collaborate with the Recreation Commission on the event, seconded by Mr. Shea. Roll call vote: Braccio – aye; Malinowski – aye; Shea – aye; Stivers – aye; Healey – aye. Motion passed unanimously, 5-0-0. Ms. Shifrin thanked the Board for their support.

Discussion regarding flag placements at the Old Burial Ground

Mr. Healey set the table for proceeding with the discussion. He wanted to hear from the veterans to have them elaborate on their proposal for what they think should happen with the flag placements at the Old Burial Ground. He then would like to hear from the people who submitted a petition to express their concerns over the placement of the flags. Having talked to Mr. Kolenda, he was of the understanding that the veterans had a modest presentation, and he wanted to try to accommodate everyone within a reasonable amount of time. Mr. Healey also said that he wanted people to know that there will be a final opportunity to submit written materials before the Board takes a vote on how to proceed. Mr. Healey then gave a brief summary of the Gadson flag based on research he had done. He understands that in recent times the use of the flag has been corrupted by individuals and groups whose views are antithetical to those who fought in the armed services, but he has not found any indication that there's been any such co-opting here. Mr. Healey also discussed ways to identify the history of the flags, if it was decided that they remain in the Old Burial Ground. He said that he was expecting a civil discussion this evening, even if we have different views and disagree, and said that he would ask any speaker who could not follow the rules to be muted. Mr. Healey said he

DRAFT

wouldn't have any tolerance for any sort of personal attacks or suggestions that people's positions on this are anything but thoughtful and honorable in their views of the Town.

Mr. Kolenda said that he and Mr. Whynot were asked to represent the veterans, and thanked the Board for inviting them. He provided a history of the Gadsden flag. He said that veterans respect everyone's opinion, as they fought for the right of freedom of speech. Mr. Kolenda said that he and Mr. Whynot heard from many veterans about this issue, and not one thought that any of the flags, including the Gadsden flag, should be removed. He is requesting the flags be allowed to remain as they are. The historical nature of these flags cannot be understated. Mr. Kolenda broached the verbal threat made by Mr. Weishan against Mr. Whynot, and Mr. Healey intervened and said that particular issue would be discussed in due time. Mr. Kolenda then did a brief presentation on each of the flags flying in the Old Burial Ground. He referenced a recent case that came before the EEOC where a government employee was wearing a hat with a Gadsden emblem, and another employee found it offensive. The EEOC did not determine that the Gadsden flag was racist or discriminatory and did not ban it, so why should Southborough. Mr. Kolenda doesn't think that flags should lose their historical significance because some misguided people tried to misuse them.

Mr. Healey liked the idea of some literature or a plaque to explain the context of the flags, assuming that the Board votes for them to remain. Mr. Kolenda and Mr. Whynot said that they are both completely supportive, and that they think that this can only help to educate our residents about their history.

Ms. Braccio said that she had the opportunity to speak to some of the military contacts that she has as well. She asked about their thoughts on this particular flag, and they agreed it's a hot topic right now. Ms. Braccio said that she was told that the Gadsden flag was standard on the sleeve of their uniform, and on the front of their ship for the 2002 – 2019 mission global war on terror. She also said that our Navy officers are currently wearing this patch. Mr. Kolenda thanked Ms. Braccio for her comments, and that was his understanding as well. He said that he is an Army guy, but he knows that many Naval officers wear a version of the Gadsden flag that has the words "don't tread on me". Ms. Braccio said that she may have other comments, but will leave it at that for now.

Mr. Healey asked if when Mr. Stearns reached out to his counterparts, did he get feedback on other municipalities flying the Gadsden flag. Mr. Kolenda said that he reached out to his fellow colleagues, and that they were 100% in agreement that the flag is historic and should remain flying there. Mr. Shea and Mr. Stivers had no comments at this time.

Steve Whynot said that his thoughts were pretty well covered by Mr. Kolenda's opening statement, and noted that Mr. Stearns is here and asked him to be recognized to speak.

Brian Stearns, Veteran's Agent, did reach out to his counterparts in other Towns around the state. He reached out to the vast majority of communities in Worcester and Middlesex counties, and those he did reach were all in agreement to keep the Gadsden flag. He agreed with Mr. Kolenda's assertion that the Gadsden flag is a flag of hope, not hate, and wanted it to remain as a flag of hope for our soldiers and sailors.

Mr. WHynot offered additional information about the Gadsden Flag, and specifically about Mr. Bertonazzi, who is a Revolutionary War veteran buried in the Old Burial Ground.

Claire Deans Rowe said that she can't imagine when these flags were originally placed that they would take on the representation that they have. She noted that Gadsden was not just a slave owner, but also a slave trader. Ms. Deans Rowe brought forward a petition on March 14th with 262 signatures supporting the removal of the Gadsden flag from the Old Burial Ground. She said that the flag has been used pretty widely by hate groups for about 30 years now, and that the younger generation sees it as a symbol of hate. She said that she wants to honor veterans and the work they did to fight for our country, and she doesn't think the Gadsden flag represents what the veterans fought for. Mr. Healey asked Ms. Deans Rowe if she would be supportive if the various revolutionary flags were displayed with context. She said that she worried about people just driving through Town and seeing the flags would send the wrong message.

Pamela Saitta, 2 Brookside Road, said that she the signed petition because she was really concerned about the Gadsden flag serving as a symbol of the Town. She is asking to remove the flag display in the Old Burial Ground, including the Gadsden flag, and find a more suitable way to honor the veterans who are buried there. Ms. Saitta noted that 95% of those buried in the Old Burian Ground and not Revolutionary War veterans. She learned from Sally Watters that none of the people buried in that cemetery ever served in theaters that are represented by the flags that are displayed. Ms. Saitta suggested that the Gadsden flag be changed out with the Navy Jack flag, that it would be easy to switch it out. She is concerned with the message that we are sending to residents by flying this flag, and it is important to respond to modern times. Ms. Saitta feels that people can work together to find historically accurate flags that are non-controversial.

Michael Weishan said that he has nothing to add to the discussion this evening, and that it is more important to hear from Ms. Watters.

Sally Watters said that she has a great deal of respect for veterans, and she reached out to a few people that she knows who are veterans; two retired Navy captains, a Navy commander, and an Army colonel. They all concurred that the use of the flag in protest changed its meaning, unfortunately, and that it was not a great idea to be flying it on Town property. Ms. Watters has great reverence for those that are buried in the Old Burial Ground. 26 unmarked graves are Revolutionary War veterans; 36 marked graves are Revolutionary War veterans. She gave the history of some of the soldiers buried in the Old Burial Ground, and said that she would like to see historically appropriate flags being flown there. She said that that symbols change meaning to people, and this had unfortunately happened with the Gadson flag.

Rebecca Deans- Rowe spoke about the placement of the flags, and how the placement is problematic given the number of unmarked graves. She feels that it is more appropriate for the Town to find a different place to display the flags, and made it clear that this issue is not about not supporting the veterans.

Mr. Healey closed the discussion by thanking all who came and weighed in on the issue. He said that the Board will take a vote at their May 10 meeting.

DRAFT

Town Meeting preparation – Assignment of articles, presentations

Mr. Healey asked Mr. Purple if this needed to be tonight, or if it could be done at the May 10 meeting. Mr. Healey said that he went through the list, and he thought it was pretty straightforward to assign the 21 Selectmen articles amongst the four current members (three groups of five, and one member with six). Articles could be shuffled or reassigned when a new member is elected. Mr. Purple said that he was fine with that. Mr. Cimino added that he had not finalized his consent list of warrant articles yet. Mr. Purple said that based on the consent list, many of the Selectmen articles could be voted without individual motions. Ms. Braccio said that since she had been on the Board, it was the luck of the draw if one of your assigned articles was included in the consent list. Mr. Purple asked if there were any articles that people specifically wanted to speak to. Mr. Healey said he should talk about the PILOT article. He asked Mr. Purple to send out his suggested assignment of articles to the Board members, and that the Board would take them up on May 10. Mr. Healey also noted that the new member could be assigned articles that were not addressed in the consent agenda. The Board and Mr. Purple agree.

VII. Public Comment

None

VIII. On a motion made by Chairman Healey, seconded by Mr. Shea and voted all in favor by roll call vote: Braccio – aye; Malinowski – aye; Shea – aye; Stivers – aye; Healey – aye. Motion passed unanimously, 5-0-0. The meeting was adjourned at 9:09 P.M.

Upcoming Meetings
May 10, 2021
May 18, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

List of Documents referred to at the May 4, 2021 BOS Meeting:

- FY 2021 Goals - Boards and Committees
- Goals for Town Administrator
- Proposal to BOS - Energy and Sustainability Committee 5.4.2021
- 4.19 Traffic Constables Policy
- Vaccination Data as of 4.20.2021
- Draft Selectmen's Minutes 4.27.2021
- Donation Letters from Chief Achilles dated 4.20.21 and 4.29.2021
- Donation Letter from Youth and Family Services dated 4.29.21
- Letter from Chief Paulhus to BOS re: Appointment of Student Officer Julia Fontana
- Letter from Michael Murphy to BOS re: Naming of Finn 1 Field in Honor of Brian Shifrin
- Letters from Pam Saitta to BOS re: Gadsden Flags
- Letter from Daniel Kolenda to BOS re: More background on the Gadsden Flag
- Letter from Steve Whynot to BOS re: More background on the Gadsden Flag

- Letter from Claire Deans-Rowe to BOS re: Request to speak at meeting
- Letter from Daniel Kolenda to BOS re: Proposed letter to Southborough BOS
- Letters to BOS from multiple residents re: Gadsden Flags
- Warrant for Annual Town Meeting on May 22, 2021
- Letter from Michael Weishan to Marty Healey re: Down the garden path

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Monday, May 10, 2021, 7:00 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 7:00 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Public Comment

Tim Litt (148 Woodland Road) stated he sent an email to the Board to urge them to reconsider their vote to supersede the Board of Health budget and asked them to support the budget as presented. He cautioned the Board against disagreeing with the Board of Health at Town Meeting.

III. Scheduled Appointments

Joint Meeting with Advisory Committee – FY22 Budget

Kathy Cook, Chair of Advisory, called the meeting to order at 7:03 P.M. Ms. Cook provided a summary of the 90-minute Advisory meeting that was held at 5:30 P.M. and the Board of Health budget changes that were reviewed at that meeting. The changes included restoring employee training to the amount printed in the warrant ($2,000) and restoring $300 in advertising. The Advisory Committee voted (7-0) to support the health budget at $176,863 which would equal a $57,418 amendment.

Ms. Cook gave a summary of the budget as follows:

- Health Director and nurse – is $3,000 more than the column E numbers as it fixes an error. It provides 19 hours for the health director (salary of 110k/annually) and 15 hours for the nurse (salary of 90k/annually)

DRAFT

- Admin/Business Associate – Board of Health requests Barbara Spiri fully within in their budget (not in Assessors) and raise her step from 4 to 5 to make her a business associate. The salary in column G is at the step 4 rate with the SAP recommended 2.8% increase. The number is for 24 hours/week.
- Per diem nurse is in addition to the requested full-time nurse.
- $10,000 scanner as Board of Health has concerns about HIPPA violations – Advisory feels $10,000 should be taken out and put into the Reserve fund (increasing the fund from $180,000 to $190,000). The new IT Director will be making a recommendation as to HIPPA compliance for all departments, not just the Board of Health.
- Phones were moved to budget line item 159 Utilities – Facilities Department budget.
- Contracted services = $800 and remains unchanged.
- Instate travel was put back to the FY 21 (Advisory has an issue with instate travel from all departments, not just the Board of Health)

Ms. Cook explained that the $300K Shared Services grant (shared with 3 other towns) has a 1.5 full-time nurse that is included. Advisory felt that was sufficient and changed the Board of Health number to zero.

Regarding contracted services, the town has an inspector who works 3 days/week. (He also works for Boylston.) Boylston is one of the towns included in the Shared Services grant. Advisory felt that would be a way to work together for some shared services using the inspector. Advisory voted 4-3 to reduce the Health Department budget by $57,418 and amend the Reserve Fund to increase by $10,000.

Discussion continued regarding the $57,000 difference as outlined below:

- Contracted services and per diem nurse – assertion that the cost would be covered by the Shared Services Grant.
- Removal of the $10,000 for the scanner
- Salary (proposed) for the business associate
- Length of contracts for full-time nurse and full-time director. Ms. Cook corrected her previous understanding of the nurse's contract length. The contract is through 12/31/21. It was later clarified that the Director's contract ends 6/30/21. A new contract is planned to be written for the July '21 through June '22 fiscal year.

Marylou Woodford was brought in for explanation on the Shared Services Grant. She stated that no Title 5 inspections will be covered by the grant. She explained that she felt Southborough will not be getting much money from the grant and added the grant is $300,000 for 3 years to be shared among 4 towns. Northborough is the fiscal agent and will receive the $300k/annually for 3 years. There is an advisory team (with one person from each town) that will help manage the money.

The grant includes:

- 1.5 public health nurse that will be shared by 4 towns.

- Southborough will be getting software for managing inspection services for food and housing. Software will get paid out of the grant. Ms. Woodford stated that since the town

doesn't have a lot of food inspections and housing inspections/violations, the grant does not provide much funding to the town.

The $16,800 amount that Advisory removed (states "to be covered by Shared Services") will actually be covered by CARES Act funding. Also, the contracted services for septic inspections will not be covered by Shared Services and that needs to be removed.

The contractor services budget number increased $12,000 (from $52K to $64K). This is to increase inspection service availability from the current 3 days to 5 days. Ms. Woodford stated that almost 90% of the contracted services line (for inspection services) goes back to the town and that almost $50,000 has been received this year.

Ms. Woodford said there is a new requirement that every house and business that is bought and sold has to go through the Health Department. While she agreed with Ms. Cook that Title 5 inspections have been in place, she feels that since Mr. Pisinski's contract ends at the end of June, there will not be coverage for Mondays & Tuesdays when he used to be available for emergency inspections.

Mr. Stivers mentioned the pending American Rescue plan that has a lot of funding sources. It is a grant that Southborough will get potentially within a month at approximately 500k. It is for COVID related expenses and will be available to be used during the full FY22 period.

Ms. Cook continued that Advisory has worked with the Board of Health on their budget. The Board of Health has asked to leave Ms. Spiri at her 24/16 hour schedule (Health/Assessors) and Advisory worked out a plan to pay for more than the 24 hours, if needed. The Board of Health would like her to have her at the office daily, she needs to be given her own laptop (which would allow her to do Assessor work from the Health office). Mr. Cibelli said Ms. Spiri could work most of his 16-hour allocation and that he would only need her occasionally for special projects. Any additional hours above the 24 would be paid for by CARES Act funding.

Ms. Cook suggested that the CARES Act funding be maximized. Reimbursement will not be made if there is funding in the budget. She stated that the Board of Health budget is more likely to get funded than the Assessor's budget and that is why Advisory wanted to keep the 24/16 split. She feels that in the fall and with the status of COVID, there is an opportunity to revisit staffing needs versus what is being requested. Ms. Cook stated that she has an issue with comments that Advisory is micromanaging the Health Department budget. Advisory was trying to work with them in a fiscally responsible manner so they could take advantage of CARES Act funding and not double their budget in one year.

Ms. Woodford was still uncomfortable with not having all the business associate's hours in the Health budget due to possible unforeseen situations.

Chairman Healey made a motion to support the budget that was approved by the Advisory Committee this evening (7-0) with the exception of the contracted services line item. Ms. Braccio seconded. The motion passed by roll call vote (4-1-0), Braccio, aye; Malinowski, aye; Shea, aye; Stivers, nay; Healey, aye. Chairman Healey made a motion to amend the reserve fund amount from $180,000 to $190,000. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

The Capital Planning Committee joined the meeting and Chair, Jason Malinowski called the meeting to order at 8:14 P.M. Mr. Shea indicated that he was surprised at how high the bid

price was. He did not have any concerns with the façade and the demolition delay bylaw is still in play. Mr. Shea expressed concern with fact that one of partners that submitted the bid is also a part of the Capital Planning Committee and that this needs to be vetted, including timeframes for when this member participated in votes on the Capital Planning Committee with respect to the timing of the RFP. Placing a call to the AG's office is in order per Mr. Shea. Mr. Healey agreed that this was fair.

Ms. Malinowski wanted to see more than one bid to give residents a comparison on (1) the price and (2) what was going to be done with the property. Ms. Malinowski is on fence on whether to bring to Town Meeting.

Ms. Braccio was also surprised that there was only one bid. She was also surprised by the amount of the bid. Ms. Braccio indicated that the Town needs to weigh the opportunity of the bid and what the value is, as opposed to looking into affordable units. As it stands today, Ms. Braccio indicated that she was not ready to bring forward to Town Meeting.

Mr. Healey indicated that his initial inclination is to bring to Town Meeting. He also indicated that if the Town's requirement was to protect the façade, the amount of the bid will go way down. Taking into consideration that a decent amount of maintaining the structure was included in the bid, Mr. Healey indicated that $700,000 is a decent price, looking in the prism of what happened with Fayville Hall.

Mr. Malinowski prefaced to the Board that the Capital Planning Committee has not met since bid came in and scoring was performed. Mr. Malinowski reminded the BOS that the main reason that the Capital Planning Committee recommended that the BOS go out to RFP was: (1) $37k per year to maintain to house two departments; (2) over $500k of capital to be spent in the next ten years on the building, with a good majority coming sooner rather than later. Mr. Malinowski reconfirmed these numbers with Mr. Parent in advance of tonight's meeting and Mr. Parent stood by the aforementioned figures. Other items he outlined for the BOS to consider as they decide on next steps include the fact that two departments in South Union would need a home. Also, the playground was scoped out of the plan and there would be expenditures to repurpose. With respect to the scoring, it was all or none; for the façade, the intent was to say that they were trying to honor that request.

Mr. Healey asked the Board if the board needs more time and expressed that he is agnostic with respect to this. Ms. Cook, Chair of Advisory, added that the impact of adding heads on schools is a red herring; school costs are fixed. Ms. Cook also brought up the possibility of real estate tax income if the building were to be sold.

Ms. Braccio agreed the decision on South Union is the decision of Town Meeting. She is willing to change her opinion to let Town Meeting vote. Ms. Malinowski added that she is not opposed to bring to Town Meeting but the BOS needs to vet what Mr. Shea brought up earlier in the discussion. Mr. Shea would be in favor to bring to Town Meeting if there were a vote tonight, assuming a positive outcome from the vetting process. Mr. Stivers asked what would be brought to Town Meeting and Mr. Healey indicated that it would be the article in the Town Warrant with the bid figure added. Mr. Stivers added he is on the fence and it is call of the voters. Mr. Stivers felt the Town could get a better bid if they went back out with another RFP. Mr. Healey indicated

DRAFT

that the consensus is that this will be addressed more on May 18th. Mr. Purple agreed nothing needs to be done for Town meeting since it is already on a warrant article.

Ms. Braccio asked Mr. Healey how this would be presented at Town Meeting. Mr. Healey expects that the Capital Planning Committee would be heavily involved in a presentation and participation in any Q&A.

Mr. Malinowski asked the BOS if there was an appetite to reach out to the party that made the bid. He also opined that the BOS needs to be able to articulate why it is worth moving forward with, including pros and cons. Mr. Healey responded that he is not prepared to take a vote on the merits of the proposal. Ms. Cook offered her opinion to move to the Fall Town Meeting. When asked by Mr. Healey if this would be an option, Mr. Purple indicated that this is something that could be investigated, with counsel involvement.

Mr. Palmer asked if Town Meeting could be used as a forum to set the criteria for the P&S. Mr. Healey did not believe so and Ms. Braccio indicated that any suggestion by Town Meeting would not be binding. Ms. Cook thanked Mr. Shea for his service to the Town as a Board member. The Capital Planning Committee meeting adjourned at 8:43 P.M.

IV. Reports

Chairman's Report

Mr. Healey gave accolades to Mr. Shea for his time and effort given to the Town as his role on multiple boards and committees and especially the Board of Selectmen. Ms. Braccio thanked him for his work and stated she learned a lot from him and enjoyed working with him. Ms. Malinowski said she enjoyed working with Mr. Shea and thanked him for volunteering his time. Mr. Stivers echoed his colleagues' comments and he appreciates his service to the Town. Mr. Purple stated each member brings something different to the Board and Mr. Shea brings a calming presence to the Board and is very much a bridge builder. He added that Mr. Shea has helped navigate many difficult issues. Mr. Shea thanked Mr. Purple and Ms. Hale for their assistance over the years and all the department heads. He stated the Town is well served and thanked all nine members he served with over the years.

Members' Reports

Town Administrator Report

None

V. Consent Agenda

a. Chairman Healey made a motion to approve Meeting Minutes: April 13, 2021 Open Session. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

b. Chairman Healey made a motion to accept the donation of $250.00 from Main Street Bank for Recreation Summer Concert Series. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

c. Chairman Healey made a motion to approve Police Department Policy for Traffic Constables. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

DRAFT

VI. Other Matters

Continued discussion regarding flag placements at the Old Burial Ground

Mr. Healey stated he did some additional research on topics that was raised at the discussion last week including the EOC decision regarding this flag. He stated that none of the decisions found that any of the flags currently in the Old Burial Ground were problematic themselves. He summarized the purpose of the flags in the Old Burial Ground. He gave the recommendation that the Board do not vote whether to remove the flags as the authorization has been given to the veterans to fly the flags and he did not see any basis to do remove them. He added that concern was shown that the flags are being presented in an inappropriate way across the country. Chairman Healey stated that is not being done here, but there is concern that the Town could be seen in a bad light. He suggested a collaboration to solve that issue through a plaque, literature or other avenues to ensure that misappropriation of important American History is not represented here and to make clear that it is not the intent of the flags.

Ms. Braccio stated she also looked at some additional history of the flags. She said the foundation of the Country is to allow every person to stand up and be heard. She gave the example of athletes kneeling at the presentation of the flag and added that having the discussions of these flags is allowed but does not change history. Ms. Braccio stated the intent is not for misappropriation but education is key. She suggested adding literature and collaborating with the veterans and Historical Society to present both the positives and negatives of the flag. She stated she would like additional history added to the historical walk about the Burial Ground and she supports Chairman Healey's suggestion.

Ms. Malinowski thanked all the speakers from the previous meeting for educating her and giving all perspectives. She stated that the takeaway she took was the intent of the flag and its original meaning and about Ms. Deans-Rowe stating her generation has a different view of the flag. She likes the idea of educating the public on the original intent of the flag and what it is currently used for and how it's been misrepresented. Ms. Malinowski stated she supports Chairman Healey's suggestion to collaborate and to educate.

Mr. Shea gave an example of political parties and politicians using a popular song to tie their campaign theme to. He described some instances where there were agreements between the artists and politicians and some where it was not allowed. He stated that it is up to society to stand up for Mr. Gadsden who is no longer alive and to stand up for the original meaning of the flag. He suggested using CPC funds to share the information Mr. Kolenda presented regarding the flag at last meeting. He quoted James Madison and he felt the Board needs to provide the knowledge and education of the true meaning of the symbols. He added he is in favor of keeping the flags and teach the historical significance of all the flags.

Mr. Stivers stated he felt there should be historical materials for the entirety of the Old Burial Ground and suggested looking into making it a part of the National Register of Historic Places. He stated he appreciated the opinions of both the veterans and the younger generation who identified the flag with a different meaning than its original. He added that he hopes the continued conversations address the fact that Southborough does not support any misrepresentation of the flags and that some flags may be placed on grave locations. He asked for an investigation into whether flags are placed on graves sites and if so, that they are moved.

DRAFT

Chairman Healey stated he appreciated the presentations from Ms. Deans-Rowe and Ms. Watters regarding the history of the Old Burial Ground. He asked for authorization from the Board to invite those interested to continue conversations to honor those buried in the Old Burial Ground and educate the public on the intent and meaning of the flags. The Board agreed. Chairman Healey stated he will reach out to Mr. Kolenda, Mr. Whynot, Ms. Deans-Rowe, Ms. Watters and the Historical Commission to ensure the representation and placement of flags are accurate. Ms. Braccio said that she may be misinterpreting the text, but thought in the book "Lost Southborough" by Michael Weishan, he stated the Old Burial Ground is also a Nipmuc Indian Burial Ground. She added if this is true, she would like that to be included in the history. She asked Chairman Healey to reach out to Mr. Weishan for clarity and he agreed to do so.

Review of bid submittals for disposition of South Union School

This item was discussed under item three.

Town Meeting preparation – Assignment of articles, presentations

Mr. Purple explained the process for assigning articles to Board members as outlined and listed in the packet. Chairman Healey stated this was reasonable and asked that he be removed from the capital budget bonding article. Mr. Purple agreed to do so.

Discussion of next steps for bid submittals for Legal Services RFP

Chairman Healey asked Mr. Stivers and Mr. Purple to review the bid responses to ensure all five followed submittal protocols. He recommended that all applications that qualified for Board review be brought forward to a meeting for public discussion. The Board and Mr. Purple agreed. Chairman Healey asked that any representatives or firms whose applications meet the RFP requirements be contacted to schedule interviews for lead counsel. The Board agreed.

VII. Public Comment

None

VII. Chairman Healey made a motion to enter into Executive Session per M.G.L. Chapter 30A, Section 21, and not returning to Open Session – to discuss strategy with respect to litigation for the listed items (Exemption 3), Louise Barron, et al. v. Southborough Board of Selectmen, et al. [Exemption 3] and Huang, et al. v. Southborough Zoning Board of Appeals, et al. [Exemption 3] as the Chair declares that an open meeting may have a detrimental effect on the litigating position of the public body at 9:13 P.M. Mr. Shea seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

Upcoming Meetings

Subject: Re: ADA self assessment draft report
Attachments: ADA Assessment Category_Cost Overview.pdf

Vanessa:

I'll have some more detailed comments for next week's meeting, but at a high level, I'd be interested in discussing the following:
1) the report assigns "responsibility" for follow-up to various town organizations; I believe that a number of these need to be updated—the "municipal buildings" appear to be reasonably accurate, but I believe that the "recreation" areas need updating (e.g., I don't believe that the Recreation Commission or the Recreation Department actually owns any property, so I believe that the property owners should be the responsible party for follow-up);
2) it would be helpful to have a summary of costs and responsibilities for the various areas, as in the attached table; and
3) there doesn't appear to be a cost estimate for the "sidewalks and curb ramps" recommendations; this would be very helpful as we discuss priorities and funding sources for remediation work; maybe DPW could provide estimates for these costs?

Subject: ADA self assessment draft report

Good Afternoon-
I wanted to share with you the draft report the Town has received, as part of an ongoing ADA self-assessment being conducted. You may recall the Town received a grant to fund this study.

A transition plan is a component of reviewing all buildings, policies, programs and services. Although there is a list of remedial measures, this is a multi-layered process of which we are just at the first phase. Additional information related to setting priorities, cost estimates and funding mechanisms are all part of future discussion. On July 13, 2021, there will be a discussion of this report at the Selectmen's Meeting [with members of the ADA Committee being invited]. In addition, we will be seeking feedback from the public and other boards and committees prior to that meeting. All parties are encourage to send written comments to ADA@southboroughma.com by July 8, 2021.

Thanks.

Subject: Comments on draft ADA study
Attachments: ADA_draft report for review_combined file comments.txt; ADA_draft report for review_combined file with comments.pdf; OpenPGP_signature.dat

See attached. These are a somewhat revised version of the comments that I attempted to send last night.

However, it is unclear whether they were successfully transm itted, since I am currently away and connectivity is spotty.

In any case, this is a complete superset of the previous e-mail and should replace it.

8-July-2021

Thank you for the opportunity to review this draft report. As I have been away during most of the review period, my comments are somewhat less complete than usual. Nonetheless, I have a number of notes, both general and specific.

While compliance with the ADA is a worthwhile baseline goal, as noted in the recent bylaw that created a Public Accessibility Committee, Southborough needs to ensure that its services, programs, activities, and facilities are accessible to the entire population. This includes people who may not meet the federal or state definitions of "disabled", as well as ensuring compliance with many requirments for accessibility in statutes and regulations other than the ADA. There's also a "common sense" notion of accessibility - programs should be accessible to everyone - disabled or not.

For example, public buildings need to be safely accessible to people who don't drive (including those too young as well as those who choose not to or are incapable). The pandemic's reliance on "virtual" activities has demonstrated that virtualization has increased the participation of many citizens in programs and public/civic life, yet most of the new participants don't suffer from "a (traditionally defined) physical or mental impairment that substantially limits a major life activity". Unless you count participation in public life "a major life activity", which you should. On the other hand, the same technology has demonstrated its limitations: less effective interactions, people who remain silent due to being recorded, and people who multi-task (pay less attention) during meetings.

There is a great deal of boilerplate in this report - which should be customized to Southborough's situation.

There are many references to wheelchairs, but none to walkers or crutches.

I've attached a copy of the PDF with specific comments.

Postscript:
Town Meeting is held in Trottier Auditorium, not mentioned or evaluated.
Public meetings, including the School Committee meetings, are held in the library upstairs, also omitted. But voting in the school is included. While educational issues may be out of scope, all civic activities should be included.

Schools reportedly have one or more separate studies. THese should be an appendix to this study, or at least referenced from this one - as I pointed out at the beginning of this process.

Planning is about allocating scarce resources. Leaving out significant buildings impedes rational decision making, and provides an incomplete view of the town's risks and status.

Subject: RE: ADA self assessment draft report

Hi Vanessa,

The main comments that I have is that Chestnut Hill Farm property is owned, run, and maintained by the Trustees of Reservation – the Conservation Commission is only the holder of the Conservation Restriction. The Beals Preserve is owned by the Southborough Open Land Foundation with the Conservation Restriction held by the Sudbury Valley Trustees and so the town has no oversight of this property. The Turenne Trails, while adjacent to the Town Forest, are on Sudbury Valley Trustee's property and are not maintained by the town so this section may want to just reference the Town Forest.

Sincerely,

Melissa Danza

Feedback from the Southborough Library Board of Trustees-

Any lack of compliance in the very old library building indicates to me that it would be a good idea to do a major addition/renovation to the library sooner rather than later. After an addition/renovation we would hope to be fully ADA compliant.

My questions are mostly around budget for the items, is it from facilities or are these items we need to plan for in the library's operating budget, and if so, what is the timeframe for needing to deliver on these.

The Southborough Library Board of Trustees plan to discuss the results of the survey at their next meeting on July 20, 2021.

Good Morning,

I am pleased to announce that the Conservation Restriction for the Halloran property has been completed and approved by EEA for local signatures. Last night at the Conservation Commission meeting, the Commission voted to sign their portion and forward onto the BOS for their final signatures. I have attached both the word and pdf copies incase you need to change the order of the signatures for any reason. I kindly request that this gets put on your next meeting agenda so that we can send it to the state for their signature and ultimate recording of the documents.

Sometimes the word doc comes up with track changing still on, so please be sure to stop track changes if you are printing from there to ensure that the formatting is correct. If you have any questions, please do not hesitate to reach out. Thank you!

Sincerely,

Melissa Danza

Grantor: Town of Southborough (under the care, custody, and control of the Conservation Commission)
Grantee: Sudbury Valley Trustees, Inc.
Address of Premises: 0 Rockpoint Road, Southborough, MA
For Grantor's title see: Worcester District Registry of Deeds Book 59268, Page 318.

CONSERVATION RESTRICTION

The Town of Southborough, a municipal corporation with an address at 17 Common Street, Southborough, Worcester County, Massachusetts 01772, constituting all of the owner(s), and for its successors and assigns (the "Grantor"), acting pursuant to Sections 31, 32, and 33 of Chapter 184 of the Massachusetts General Laws, grant with quitclaim covenants to Sudbury Valley Trustees, Inc., a non-profit corporation duly organized and existing under the laws of the Commonwealth of Massachusetts, with an address of 18 Wolbach Road, Sudbury, Middlesex County, Massachusetts, its successors and permitted assigns ("Grantee"), for nominal consideration, in perpetuity and exclusively for conservation purposes, the following Conservation Restriction on land located off Rockpoint Road in Southborough containing the entirety of the 30.67 acre property (the "Premises"), which Premises is more particularly shown as Parcel 2 on a plan entitled " 'Approval Not Required' Plan of Land in Southborough, Mass." prepared by the Jillson Company, Inc., and recorded at the Worcester Registry of Deeds as Plan 58 in Plan Book 850 (the "Plan"), a copy of which is attached hereto in reduced form as Exhibit A.

I. PURPOSES:

This Conservation Restriction is defined in and authorized by Sections 31-33 of Chapter 184 of the General Laws and otherwise by law. The purpose of this Conservation Restriction is to assure that the Premises will be maintained in perpetuity for conservation purposes, in a natural, scenic and undeveloped condition, and to prevent any use or change that would materially impair or interfere with its conservation and preservation values ("conservation values").

The Premises was acquired using M.G.L. c. 44B Community Preservation Act (CPA) funds. A copy of the Town Meeting Vote authorizing the acquisition of the Premises and authorizing the expenditure of CPA funds is attached hereto as Exhibit B.

The conservation values include the following:

- **Open Space Preservation.** The Premises contributes to the protection of the scenic and natural character of Southborough and the protection of the Premises will enhance the open-space value of these and nearby lands. The subject parcel directly abuts a 7.53 acre Town of Southborough-owned open space parcel known as the Hubley parcel, through which the Town of Southborough will obtain principal access to the Premises.

- **Protection of Wildlife Habitat.** The Premises contain a large number of wetland resource areas including ponds, streams, vernal pools, and vegetated wetlands. The Premises contains a diverse woodland of mix-age stands and is a natural wildlife and greenery corridor. These areas provide wildlife habitat for birds, small and large mammals, amphibians, reptiles & insects.

- **Furtherance of Government Policy.** The Premises has been formally recognized for its significance for preservation as open space, wildlife habitat, and recreation in Open Space and Recreation Plans approved by the Southborough Board of Selectmen and the Massachusetts Executive Office of Energy and Environmental Affairs for decades, beginning in 1981.

- **Public access trails** for passive recreation, education, and nature study exist on the Premises in the form of old cart paths and a trail system.

- **Wetland and Vernal Pool Cores.** The Premises contains a unique and extensive system of wetland and vernal pool cores as well as a sizable, undeveloped upland buffer for these areas. These areas provide the natural hydrologic conditions that support critical wetland functions and support diverse plant and animal habitats.

- **Historical purposes.** This Conservation Restriction preserves as open space the last extant undeveloped portion of the historic Killam Farm.

These and other conservation values of the Premises, as well as its current uses and state of improvement, are described in a Baseline Documentation Report ("Baseline Report") prepared by Grantee with the cooperation of the Grantor, consisting of maps, photographs, and other documents and on file with the Grantee and referenced herein. The Baseline Report (i) is acknowledged by Grantor and Grantee to be a complete and accurate representation of the condition and values of the Premises as of the date of this Conservation Restriction, (ii) is intended to fully comply with applicable Treasury Regulations, and (iii) is intended to serve as an objective information baseline for subsequent monitoring of compliance with the terms of this Conservation Restriction as described herein. Notwithstanding the foregoing, the parties may utilize any evidence of the condition of the Premises at the time of this grant other than the Baseline Report, should the Baseline Report be unavailable or if it does not adequately address the issues presented.

II. PROHIBITED ACTS AND USES, EXCEPTIONS THERETO, AND PERMITTED USES

A. Prohibited Acts and Uses

Subject to the exceptions set forth herein, the Grantor will not perform or allow the following acts and uses which are prohibited on, above, and below the Premises:

(1) Constructing, placing or allowing to remain any temporary or permanent building, tennis court, landing strip, mobile home, swimming pool, asphalt or concrete pavement, sign, fence, billboard or other advertising display, antenna, utility pole, tower, solar panel, solar array, conduit, line or other temporary or permanent structure or facility on, above or under the Premises;

(2) Mining, excavating, dredging or removing from the Premises of soil, loam, peat, gravel, sand, rock or other mineral resource or natural deposit or otherwise making topographical changes to the area;

(3) Placing, filling, storing or dumping of soil, refuse, trash, vehicle bodies or parts, rubbish, debris, junk, waste or other substance or material whatsoever or the installation of underground storage tanks;

(4) Cutting, removing or otherwise destroying trees, grasses or other vegetation;

(5) Activities detrimental to drainage, flood control, water conservation, water quality, erosion control, soil conservation, wildlife habitat, or archaeological conservation;

(6) Use, parking or storage of vehicles including motorcycles, mopeds, all-terrain vehicles, or any other motorized vehicles on the Premises except for vehicles necessary for public safety (i.e., fire, police, ambulance, other government officials) in carrying out their official duties;

(7) Subdivision or conveyance of a part or portion of the Premises alone, or division or subdivision of the Premises (as compared to conveyance of the Premises in its entirety which shall be permitted), and no portion of the Premises may be used towards building or development requirements on this or any other parcel;

(8) The use of the Premises for more than *de minimis* commercial recreation, business, residential or industrial use;

(9) The disruption, removal, or destruction of the stone walls or granite fence posts on the Premises;

(10) Any other use of the Premises or activity thereon which is inconsistent with the purpose of this Conservation Restriction or which would materially impair its conservation values.

B. Reserved Rights and Exceptions

The Grantor reserves the right to conduct or permit the following activities and uses on the Premises, but only if such uses and activities do not materially impair the conservation values or purposes of this Conservation Restriction:

(1) Recreational Activities. Walking, cross-country skiing and other non-motorized outdoor recreational activities that do not materially alter the landscape, do not degrade environmental quality, and do not involve more than minimal use for commercial recreational activities;

(2) Vegetation Management. In accordance with generally accepted forest management practices, selective minimal removing of brush, pruning and cutting to prevent, control or remove hazards, disease, insect or fire damage, or to preserve the present condition of the Premises, woods, roads, fence lines and trails.

(3) Non-native or nuisance species. The removal of non-native or invasive species, the interplanting of native species, and the control of species in a manner that minimizes damage to surrounding, non-target species and preserves water quality;

(4) Composting. The stockpiling and composting of stumps, trees and brush limbs and similar biodegradable materials originating on the Premises, provided that such stockpiling and composting is in locations where the presence of such activities will not impair the conservation values of this Conservation Restriction. No such activities will take place closer than one hundred (100) feet from any wetland, waterbody or stream. All exercise of this Reserved Right shall take into account sensitive areas and avoid harm to nesting species during nesting season;

(5) Wildlife Habitat Improvement. With the prior written approval of Grantee, measures designed to restore native biotic communities, or to maintain, enhance or restore wildlife, wildlife habitat, or rare or endangered species including selective planting of native trees, shrubs and plant species;

(6) Archaeological Investigations. The conduct of archaeological activities, including without limitation survey, excavation and artifact retrieval, following submission of an archaeological field investigation plan and its approval in writing by Grantee and the State Archaeologist of the Massachusetts Historical Commission (or appropriate successor official).

(7) Trails. The marking, clearing, and maintenance of existing footpaths and the existing cart path, and the maintenance, repair, and replacement of the existing bridge and culvert, as documented in the Baseline Report. With the prior written approval of Grantee, new trails may be created, including the construction of boardwalks and bridges, provided that they are not wider than six (6) feet;

(8) Stone Walls. The maintenance, repair, and temporary relocation, but not the removal, of existing stone walls on the Premises.

(9) Signs. The erection, maintenance and replacement of signs with respect to hunting, trespass, trail access, identity and address of the occupants, sale of the Premises, the Grantee's interest in the Premises, the Reserved Rights, and the protected conservation values;

(10) Limited Landscaping. Exclusively in the "Encroachment Area" as shown on Exhibit D, the right to use and maintain the lawn and perennial gardens, provided that vegetation consists only of plants not considered invasive by the Commonwealth of Massachusetts, and that gardening follows organic and/or Integrated Pest Management practices. This reserved right shall be permitted so long as one or both of Alan Belniak and Lee Belniak hold the fee interest in 5 5 Boswell Lane, shown as Lot 5 on Exhibit D. The Grantor shall restore the Encroachment Area to natural conditions within 12 months after the conveyance of the fee interest in 5 Boswell Land from Alan Belniak and/or Lee Belniak to another party.

(11) Permits. The exercise of any right reserved by Grantor under this Paragraph II(B) shall be in compliance with zoning, the Wetlands Protection Act, and all other applicable federal, state and local laws, rules, regulations, and permits. The inclusion of any reserved right requiring a permit from a public agency does not imply that the Grantee or the Commonwealth takes any position whether such permit should be issued.

C. Notice and Approval.

Whenever notice to or approval by Grantee is required, Grantor shall notify Grantee in writing not less than 60 days prior to the date Grantor intends to undertake the activity in question. The notice shall describe the nature, scope, design, location, timetable and any other material aspect of the proposed activity in sufficient detail to permit the Grantee to make an informed judgment as to its consistency with the purposes of this Conservation Restriction. Where Grantee's approval is required, Grantee shall grant or withhold approval in writing within 60 days of receipt of Grantor's request. Grantee's approval shall not be unreasonably withheld, but shall only be granted upon a showing that the proposed activity shall not materially impair the purposes of this Conservation Restriction.

Failure of Grantee to respond in writing within 60 days shall be deemed to constitute approval by Grantee of the request as submitted, so long as the request sets forth the provisions of this section relating to deemed approval after 60 days in the notice, the requested activity is not prohibited herein, and the activity will not materially impair the conservation values or purposes of this Conservation Restriction.

III. LEGAL REMEDIES OF THE GRANTEE

A. Legal and Injunctive Relief

The rights hereby granted shall include the right to enforce this Conservation Restriction by appropriate legal proceedings and to obtain injunctive and other equitable relief against any violations, including, without limitation, relief requiring restoration of the Premises to their condition prior to the time of the injury complained of (it being agreed that the Grantee will have no adequate remedy at law). The rights hereby granted shall be in addition to, and not in limitation of, any other rights and remedies available to the Grantee for the enforcement of this Conservation Restriction. Grantee agrees to cooperate for a reasonable period of time prior to resorting to legal means in resolving issues concerning violations provided Grantor ceases objectionable actions and Grantee determines there is no ongoing diminution of the conservation values of the Conservation Restriction.

Grantor covenants and agrees to reimburse to Grantee all reasonable costs and expenses (including reasonable counsel fees) incurred in enforcing this Conservation Restriction or in taking reasonable measures to remedy, abate or correct any violation thereof, provided that a violation of this Conservation Restriction is acknowledged by Grantor or determined by a court of competent jurisdiction to have occurred.

B. Non-Waiver

Enforcement of the terms of this Conservation Restriction shall be at the discretion of Grantee. Any election by the Grantee as to the manner and timing of its right to enforce this Conservation Restriction or otherwise exercise its rights hereunder shall not be deemed or construed to be a waiver of such rights.

C. Disclaimer of Liability

By acceptance of this conservation restriction, the Grantee does not undertake any liability or obligation relating to the condition of the Premises pertaining to compliance with and including, but not limited to, hazardous materials, zoning, environmental laws and regulations, or acts not caused by the Grantee or its agents.

E. Acts Beyond the Grantor's Control

Nothing contained in this Conservation Restriction shall be construed to entitle the Grantee to bring any actions against the Grantor for any injury to or change in the Premises resulting from causes beyond the Grantor's control, including but not limited to fire, flood, storm and earth movement, or from any prudent action taken by the Grantor under emergency conditions to prevent, abate, or mitigate significant injury to the Premises resulting from such causes. In the event of any such occurrence, the Grantor and Grantee will cooperate in the restoration of the Premises, if desirable and feasible.

IV. ACCESS

The Grantor hereby grants to the Grantee, or its duly authorized agents or representatives, the right to enter the Premises upon reasonable notice and at reasonable times, for the purpose of inspecting the Premises to determine compliance with or to enforce this Conservation Restriction. The Grantor also grants to the Grantee, after notice of a violation and failure of the Grantor to cure said violation, the right to enter the Premises for the purpose of taking any and all actions with respect to the Premises as may be necessary or appropriate to remedy or abate any violation hereof, including but not limited to the right to perform a survey of boundary lines.

The Grantor also grants to the public the right to enter the Premises for the purposes of passive recreation, subject to the Grantor's reasonable rules and regulations governing such uses and designed to protect the conservation values.

V. EXTINGUISHMENT

A. If circumstances arise in the future such as render the purpose of this Conservation Restriction impossible to accomplish, this restriction can only be terminated or extinguished, whether in whole or in part, by a court of competent jurisdiction under applicable law after review and approval by the Secretary of Energy and Environmental Affairs. If any change in conditions ever gives rise to extinguishment or other release of the Conservation Restriction under applicable law, then Grantee, on a subsequent sale, exchange, or involuntary conversion of the Premises, shall be entitled to a portion of the proceeds in accordance with Paragraph V(B) below, subject, however, to any applicable law which expressly provides for a different disposition of the proceeds, including the Community Preservation Act (CPA). Grantee shall use its share of the proceeds in a manner consistent with the conservation purpose of this grant.

B. Proceeds. Grantor and Grantee agree that the donation of this Conservation Restriction gives rise to a real property right, immediately vested in the Grantee, with a fair market value that is at least equal to the proportionate value that this Conservation Restriction, determined at the time of the gift, bears to the value of the unrestricted property at that time. Such proportionate value of the Grantee's property right shall remain constant. Any proceeds will be distributed only after complying with the terms of any gift, grant, or other funding requirements, including the CPA.

C. Grantor/Grantee Cooperation Regarding Public Action

Whenever all or any part of the Premises or any interest therein is taken by public authority under power of eminent domain or other act of public authority, then the Grantor and the Grantee shall cooperate in recovering the full value of all direct and consequential damages resulting from such action. All related expenses incurred by the Grantor and the Grantee shall first be paid out of any recovered proceeds, and the remaining proceeds shall be distributed between the Grantor and Grantee in accordance with Paragraph V(B). If a less than fee interest is taken, the proceeds shall be equitably allocated according to the nature of the interest taken. The

Grantee shall use its share of the proceeds like a continuing trust in a manner consistent with the conservation purposes of this grant.

VI. ASSIGNABILITY

A. Running of the Burden

The burdens of this Conservation Restriction shall run with the Premises in perpetuity, and shall be enforceable against the Grantor and the successors and assigns of the Grantor holding any interest in the Premises.

B. Execution of Instruments

The Grantee is authorized to record or file any notices or instruments appropriate to assuring the perpetual enforceability of this Conservation Restriction; the Grantor, on behalf of itself and its successors and assigns, appoints the Grantee its attorney-in-fact to execute, acknowledge and deliver any such instruments on its behalf. Without limiting the foregoing, the Grantor and its successors and assigns agree themselves to execute any such instruments upon request.

C. Running of the Benefit

The benefits of this Conservation Restriction shall run to the Grantee, shall be in gross and shall not be assignable by the Grantee, except in the following instances:

As a condition of any assignment, the Grantee shall require that the purpose of this Conservation Restriction continues to be carried out; that the Assignee is not an owner of the fee in the Property, and the Assignee, at the time of the assignment, qualifies under Section 170(h) of the Internal Revenue Code of 1986, as amended, and applicable regulations thereunder, and is a donee eligible to receive this Conservation Restriction under Section 32 of Chapter 184 of the General Laws of Massachusetts. Any assignment will comply with Article 97 of the Amendments to the Constitution of the Commonwealth of Massachusetts, if applicable.

VII. SUBSEQUENT TRANSFERS

The Grantor agrees to incorporate by reference the terms of this Conservation Restriction in any deed or other legal instrument by which it divests itself of any interest in all or a portion of the Premises, including a leasehold interest and to notify the Grantee not less than twenty (20) days prior to the execution of any such transfer. Failure to do any of the above shall not impair the validity or enforceability of this Conservation Restriction. Any transfer will comply with Article 97 of the Amendments to the Constitution of the Commonwealth of Massachusetts, if applicable.

The Grantor shall not be liable for violations occurring after their ownership. Liability for any acts or omissions occurring prior to any transfer and liability for any transfer if in violation of this Conservation Restriction shall survive the transfer. Any new owner shall cooperate in the restoration of the Premises or removal of violations caused by prior owner(s) and may be held responsible for any continuing violations.

VIII. ESTOPPEL CERTIFICATES

Upon request by the Grantor, the Grantee shall, within thirty (30) days execute and deliver to the Grantor any document, including an estoppel certificate, which certifies the Grantor's compliance with any obligation of the Grantor contained in this Conservation Restriction.

IX. NON MERGER

The parties intend that any future acquisition of the Premises shall not result in a merger of the Conservation Restriction into the fee. The Grantor agrees that it will not grant, and the Grantee agrees that it will not take title, to any part of the Premises without having first assigned this Conservation Restriction to a non-fee owner that is qualified under Section 170(h) of the Internal Revenue Code of 1986, as amended, and applicable regulations thereunder and is eligible to receive this Conservation Restriction under Section 32 of Chapter 184 of the General Laws of Massachusetts in order to ensure that merger does not occur and that this Conservation Restriction continues to be enforceable by a non-fee owner.

X. AMENDMENT

If circumstances arise under which an amendment to or modification of this Conservation Restriction would be appropriate, Grantor and Grantee may jointly amend this Conservation Restriction; provided that no amendment shall be allowed that will affect the qualification of this Conservation Restriction or the status of Grantee under any applicable laws, including Section 170(h) of the Internal Revenue Code of 1986, as amended, or Sections 31-33 of Chapter 184 of the General Laws of Massachusetts. Any amendments to this conservation restriction shall occur only in exceptional circumstances. The Grantee will consider amendments only to correct an error or oversight, to clarify an ambiguity, or where there is a net gain in conservation value. All expenses of all parties in considering and/or implementing an amendment shall be borne by the persons or entity seeking the amendment. Any amendment shall be consistent with the purposes of this Conservation Restriction, shall not affect its perpetual duration, shall be approved by the Secretary of Energy and Environmental Affairs and if applicable, shall comply with the provisions of Art. 97 of the Amendments to the Massachusetts Constitution, and any gifts, grants or funding requirements. Any amendment shall be recorded in the Worcester County Registry of Deeds.

XI. EFFECTIVE DATE

This Conservation Restriction shall be effective when the Grantor and the Grantee have executed it, the administrative approvals required by Section 32 of Chapter 184 of the General Laws have been obtained, and it has been recorded in a timely manner in the Worcester County Registry of Deeds.

XII. NOTICES

Any notice, demand, request, consent, approval or communication that either party desires or is required to give to the other shall be in writing and either served personally or sent by first class mail, postage pre-paid, addressed as follows:

To Grantor: Town of Southborough
Conservation Commission
17 Common Street
Southborough, Massachusetts 01772

To Grantee: Sudbury Valley Trustees, Inc.
18 Wolbach Road
Sudbury, Massachusetts 01776

or to such other address as any of the above parties shall designate from time to time by written notice to the other or, if notice is returned to sender, to an address that is reasonably ascertainable by the parties.

XIII. GENERAL PROVISIONS

A. Controlling Law

The interpretation and performance of this Conservation Restriction shall be governed by the laws of the Commonwealth of Massachusetts.

B. Liberal Construction

Any general rule of construction to the contrary notwithstanding, this Conservation Restriction shall be liberally construed in favor of the grant to affect the purpose of this Conservation Restriction and the policy and purposes of Massachusetts General Laws Chapter 184, Sections 31-33. If any provision in this instrument is found to be ambiguous, any interpretation consistent with the purpose of this Conservation Restriction that would render the provision valid shall be favored over any interpretation that would render it invalid.

C. Severability

If any provision of this Conservation Restriction or the application thereof to any person or circumstance is found to be invalid, the remainder of the provision of this Conservation Restriction shall not be affected thereby.

D. Entire Agreement

This instrument sets forth the entire agreement of the parties with respect to this Conservation Restriction and supersedes all prior discussions, negotiations, understandings or agreements relating to the Conservation Restriction, all of which are merged herein.

XIV. MISCELLANEOUS

A. Pre-existing Public Rights. Approval of this Conservation Restriction pursuant to M.G.L. Chapter 184, Section 32 by any municipal officials and by the Secretary of Energy and Environmental Affairs is not to be construed as representing the existence or non-existence of any pre-existing rights of the public, if any, in and to the Premises, and any such pre-existing rights of the public, if any, are not affected by the granting of this Conservation Restriction.

B. Subordination. The Grantor shall record at the appropriate Registry of Deeds simultaneously with this Conservation Restriction all documents necessary to subordinate any mortgage, promissory note, loan, lien, equity credit line, refinance assignment of mortgage, lease, financing statement or any other agreement which gives rise to a surety interest affecting the Premises

C. Encumbrances: At the time of this Conservation Restriction's recording, the Premises was subject to encumbrances as described in Exhibit C.

TOWN OF SOUTHBOROUGH
Adjourned ANNUAL TOWN MEETING
April 10, 2018

ARTICLE 27: To see if the Town will vote to borrow and appropriate the sums of $50,000.00 in legal and acquisition costs and $125,000.00 in land purchase expense for a total appropriation of $175,000.00 to enable the Town of Southborough to acquire a parcel of land located off of Rock Point Road, designated 0 Rock Point Road, for conservation purposes, pursuant to Massachusetts General Laws c.44B, as amended, the Community Preservation Act consisting of 30.67 acres ± of open space owned by the Trustees of the Halloran Children's Trust, title reference the Worcester Registry of Deeds Book 43620, Page 250 and being Parcel 2 on a plan at Plan Book 850, Plan 58 in said Registry, subject to and with the benefit of any easements or rights that may exist of record. Said land to be under the care, custody and control of the Conservation Commission for the purpose of conservation and passive recreation, and to effect this appropriation that the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of up to $175,000.00 for five (5) years, excluding the term of any temporary loans issued in anticipation thereof, as authorized under the Community Preservation Program pursuant to Massachusetts General Laws c.44B, §11, as amended and to further authorize the Conservation Commission, the Board of Selectmen and/or a qualified Land Trust to submit on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from the Commonwealth of Massachusetts or the United States under the Self Help Act (Massachusetts General Laws c.132A §11, as amended) and/or any other state or federal programs including those in aid of conservation land acquisition; and/or any others in any way connected with the scope of this article. Said gifts or grants to be deposited in the Open Space Reserve Community Preservation Fund and that the Board of Selectmen be authorized to grant a perpetual Conservation Restriction in said parcel of land in conformance with the requirements of Massachusetts General Laws c.44B, §12 and c.184, §31-33 as amended and to enter into all agreements and execute any and all instruments as may be necessary to effect said purchase. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Board of Selectmen Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Project proponents are the Board of Selectmen; this article will allow the town to purchase over 30 acres of land identified as a top priority parcel in our Open Space and Recreation Plan, and designated as a highest priority for wildlife habitat protection in the survey done by Mass Audubon, while providing passive recreation opportunities on the existing system of trails traversing the beautiful woodlands. Using the best estimate available, it will provide funds to cover legal and acquisition costs as required by CPA legislation.*

MOTION MADE: That the Town vote to borrow and appropriate the sums of $50,000.00 in legal and acquisition costs and $125,000.00 in land purchase expense for a total appropriation of $175,000.00 to enable the Town of Southborough to acquire a parcel of land located off of Rock Point Road, designated 0 Rock Point Road, for conservation purposes, pursuant to Massachusetts General Laws c.44B, as amended, the Community Preservation Act consisting of 30.67 acres ± of open space owned by the Trustees of the Halloran Children's Trust, title reference the Worcester Registry of Deeds Book 43620, Page 250 and being Parcel 2 on a plan at Plan Book 850, Plan 58 in said Registry, subject to and with the benefit of any easements or rights that may exist of record. Said land to be under the care, custody and control of the Conservation Commission for the purpose of conservation and passive recreation, and to effect this appropriation that the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of up to $175,000.00 for five (5) years, excluding the term of any temporary loans issued in anticipation thereof, as authorized under the Community Preservation Program pursuant to Massachusetts General Laws c.44B, §11, as amended and to further authorize the Conservation Commission, the Board of Selectmen and/or a qualified Land Trust to submit on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from the Commonwealth of Massachusetts or the United States under the Self Help Act (Massachusetts General Laws c.132A §11, as amended) and/or any other state or federal programs including those in aid of conservation land acquisition; and/or any others in any way connected with the scope of this article. Said gifts or grants to be deposited in the Open Space Reserve Community Preservation Fund and that the Board of Selectmen be authorized to grant a perpetual Conservation Restriction in said parcel of land in conformance with the requirements of Massachusetts General Laws c.44B, §12 and c.184, §31-33 as amended and

TOWN OF SOUTHBOROUGH

Inter-Municipal Agreement (IMA) for Local Public Health Services

THIS AGREEMENT is entered into among the Towns of Boylston, Southborough, and Westborough, along with the Town of Northborough, Massachusetts in its capacity as Host Town of the Greater Boroughs Partnership for Health, (hereinafter "GBPH"), each Town hereinafter being referred to as a "TOWN" or, collectively, as "TOWNS").

WHEREAS, the TOWNS desire to share key public health services under the Public Health Excellence grant awarded to Northborough, as lead TOWN for the GBPH, by the Massachusetts Department of Public Health; and

WHEREAS, the TOWNS desire to equitably, efficiently and consistently promote, protect and preserve the public health; and

WHEREAS, the TOWNS have obtained authorization for this joint undertaking pursuant to G.L. c.40, §4A by vote of their authorizing authority, the Board of Selectmen or Select Board; and the approval by their respective Boards of Health;

NOW, THEREFORE, the TOWNS, in mutual consideration of the covenants contained herein, intending to be legally bound thereby, agree under seal as follows:

1. Term.
   The term of this Agreement shall be 3 years, coinciding with the grant term – July 1, 2021 to June 30, 2024. It will be reviewed 6 months prior to the end of the grant term for the purpose of making any necessary adjustments after funds have been expended.

2. Governance
   The GBPH shall have an Advisory Board ("BOARD'), which shall convene quarterly and shall select a Chair or Co-Chairs.
   - Composition of the BOARD: one member and one alternate, both appointed by the Board of Health from each TOWN as set forth below. Once convened, the Board shall elect a chair, vice-chair and clerk. The BOARD shall be a public body as such term is contemplated under the Massachusetts Open Meeting Law and shall be required to post meetings in each of the member TOWNS.

- Voting: One TOWN, one vote. Every TOWN shall have an equal voice in determining shared priorities, and services to be provided under this Agreement.

- Roles and Responsibilities of the BOARD:
    - Meet on a regular basis
    - Develop annual and long-term goals for the GBPH
    - Advise on GBPH staff priorities
    - Collaborate in developing a sustainability plan for GBPH
    - Adopt any GBPH -wide policies and recommended regulations
    - Review and provide recommendations on operating budgets for public health services
    - Review financial status of GBPH
    - Review and provide recommendations on reports from staff
    - Draft and Approve Nursing Scope of Services. It is the intention of this Agreement that each TOWN have flexibility to adapt services to the needs of their community.

3. For each TOWN, there shall be one full voting member of the BOARD, whose term shall be as determined by the TOWN's local Board of Health. This member should be either a Board of Health member or Health Department staff person. There shall also be an alternate member who may participate in BOARD meetings but may vote only when the full member is not in attendance. Each TOWN shall maintain its local Board of Health, which shall retain its own legal authority and autonomy as provided by law.

4. Quorum. A majority of the voting members of the BOARD shall constitute a quorum for the purposes of transacting business. The BOARD may act by a simple majority of members present and voting unless otherwise provided herein.

5. Meetings. The BOARD shall meet quarterly and may schedule additional meetings as necessary. All meetings shall be posted in each TOWN in compliance with the Massachusetts Open Meeting Law, G.L. c.30A, §§ 18-25.

6. Host Town. The Town of Northborough shall serve as the Host TOWN. The Host TOWN shall seek to provide the following services in coordination with the other TOWNS:
    a. Public Health Nursing services, utilizing 1.5 full-time equivalent nurses to be shared among the four TOWNS. These positions will be contracted out through a third-party nursing vendor and services will include infectious disease surveillance, preventative care, immunizations, education and outreach, and emergency planning activities.

i. Nurses will hold office hours in each of the four TOWNS, develop health education programs, and organize immunization and blood pressure clinics.
ii. Nurses will collaborate with schools in the TOWNS to expand Westborough's Childhood Immunization program to all four TOWNS.
iii. The Shared Nursing Contract will be developed and negotiated by Northborough in coordination with the other TOWNS.

b. Public Health Inspectional Services will be provided by increasing Northborough's Health Inspector position from 7 hours per week to 32 hours per week, with benefits.
    i. The TOWNS of Boylston and Southborough will receive routine food and housing inspections.
    ii. Based on availability, and at the Host TOWN'S discretion, this position may also serve as a back-up inspector to cover staff absences in Westborough.
c. Serve as employer and direct supervisor for any shared staff. Hiring processes and goal setting will be done in collaboration with members of the BOARD, but subject to requirements of state law and Northborough bylaws, regulations, and personnel policies.
d. Serve as the lead entity in facilitating any shared contracts, including a public health nursing contract in coordination with the other TOWNS.
e. Write and administer grants to further support GBPH goals in coordination with the other TOWNS.
f. Ensure compliance with all reporting requirements to Massachusetts Department of Public Health and all other grantor or oversight agencies.
g. Prepare reports on staff work, grant status, etc. to BOARD as needed.
h. Provide fiscal management for grant funds.
i. Ensure compliance with all state laws and regulations applicable to this Agreement, including procurement, purchasing, Open Meeting Law, Conflict of Interest, and Ethics.
j. Collaborate with the other TOWNS to create and maintain a tracking system for public health work under this Agreement.
k. Ensure that financial management and expenditures meet grantor agency, state, and federal standards, and municipal financial policies and practices, including providing an annual audit, payroll service, benefits administration, health insurance and bill processing.
l. Provide procurement services for GBPH staff and equipment, as needed.
m. Administer personnel policies and supervise staff and contractors.
n. Maintain liability insurance including workers' compensation for GBPH staff.
o. Provide office space for GBPH staff, as needed
p. Provide information technology support for GBPH staff.

q. Attend BOARD meetings through its designated members.

7. Obligations of the TOWNS

Boards of Health shall actively participate in the governance of the GBPH by attending and participating in BOARD meetings, reviewing reports, evaluating programs and staff and identifying unmet needs in their communities. The TOWNS agree to provide the following services to ensure that the GBPH provides quality, efficient delivery of services:

a. Appoint a member and alternate to the BOARD
b. Assist shared staff in establishing work tasks and priorities,
c. Communicate any concerns about GBPH programs first to the staff person involved, then, if needed, to the Host TOWN Health Director
d. Prompt review of staff reports and other materials
e. Board of Health members are welcome to visit programs conducted by Shared Staff. Board members interested in accompanying a staff person should communicate that request directly, on either a specific or general basis. The presence of a local Board of Health member is always a positive addition to code enforcement and public health work.
f. To efficiently deliver and document inspectional services across multiple TOWNS and improve regulatory compliance, each TOWN will implement FoodCode-Pro and HousingCode-Pro software. Each TOWN will have its own administrative access to the software and a generic inspectional account which will allow the shared inspector to perform and report inspections, but the data will remain with the TOWN for which the inspection is performed.

8. Funding

Annually, the BOARD will develop and approve a public health services budget for contractual shared services. These services are to be covered under a DPH Public Health Excellence Grant administered by the Town of Northborough. The grant term is three years. It is the intention of the participating TOWNS of the GBPH to seek additional grant funds to sustain these services after the end of the grant term, but if that is unsuccessful the TOWNS will need to revisit this Agreement and determine whether they will allocate TOWN funds to continue participation in this Agreement. Until the existing grant funds are expended, there will be no cost to participating TOWNS. Execution of this Inter-Municipal Agreement does not obligate any TOWN to fund the GBPH and an Agreement amendment would be required to do so. Any fees collected by the Host TOWN for inspections or other services from the constituents of the other TOWNS shall remain with the TOWN in which the inspection was performed.

9. Other Municipal Services

This Agreement solely governs the sharing and delivery of public health services by the GBPH to the TOWNS. If an inspection identifies the need for or forms the basis

for enforcement or other legal proceedings, such proceedings shall be the responsibility of the TOWN in which the inspection was performed. This Agreement applies only to those public health services statutorily and customarily rendered by local health departments under Massachusetts law and as defined in the attached Job Descriptions. The Job Descriptions are more extensive than the services to be provided under this Agreement, and the services to be provided are only those identified herein. By amendment of the Agreement, based on a vote of the BOARD, services may be added or removed from the scope of the Agreement.

10. Employees

An employee of one of the TOWNS who performs services pursuant to this Agreement on behalf of another TOWN shall be deemed to remain an employee of the employing TOWN, notwithstanding that such services are performed in or for another TOWN, and shall retain all accrued benefits and shall be subject to the standard personnel practices of such employing TOWN. Pursuant to G.L. c. 40, § 4A, and subject to the provisions of this section, each TOWN shall be liable for the acts and omissions of its own employees and not for the employees of any other TOWN in the performance of this Agreement to the extent provided by the Massachusetts Tort Claims Act, G.L. c. 258.

11. Indemnification

To the extent permitted by law, each TOWN shall indemnify the other TOWNS from and against any and all demands, actions, causes of action, suits, damages and any and all claims, demands and liabilities whatsoever of every name and nature both in law and in equity on account of injury to person or property or loss of life arising or resulting from the GBPH performance of this Agreement, but only to the extent and in an amount for which the TOWN would otherwise be liable pursuant to the Massachusetts Tort Claims Act, M.G.L. c. 258.

By entering into this Agreement, the TOWNS have not waived any governmental immunity or limitation of damages which may be extended to them by operation of law. The maximum extent of each TOWN'S financial liability in connection with this Agreement shall not exceed the amount validly appropriated by, or available to, each said TOWN for such purpose.

The TOWNS shall obtain and keep in full force and effect public liability insurance in the amount of One Million Dollars ($1,000,000) combined single limit for bodily injury, death and property damage arising out of any one occurrence, protecting the other party against any and all claims for bodily injury, $3,000,000 aggregate, death or property damage arising directly or indirectly out of the Indemnification Provisions of this Agreement.

12. Termination

Any TOWN, duly authorized, may withdraw from and terminate its participation in this Agreement upon the provision of at least thirty (30) days prior written notice to the Host TOWN and the other TOWNS. Upon such termination, the withdrawing TOWN shall be solely responsible for the provision of public health services for its benefit.

13. Assignment

No TOWN shall assign or transfer any of its rights or interests in or to this Agreement, or delegate any of its obligations hereunder.

14. Amendment

This Agreement may be amended only by a writing signed by all TOWNS, duly authorized.

15. Severability

If any provision of this Agreement is held by a court of appropriate jurisdiction to be invalid, illegal or unenforceable, or if any such term is so held as applied to any particular circumstance, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement, or affect the application of such provision to any other circumstances, and the remaining provisions hereof shall not be affected and shall remain in full force and effect.

16. Force Majeure

No TOWN shall be liable to another TOWN, nor be deemed to be in breach of this Agreement, for failure or delay in rendering performance arising out of causes factually beyond its control and without its fault or negligence. Such causes may include, but are not limited to: acts of God or public enemy, wars, fires, floods, epidemics, quarantine restrictions, strikes, unforeseen freight embargoes, or unusually severe weather. Dates and times of performance shall be extended to the extent of the delays excused by this section, provided that the TOWN whose performance is affected notifies the other TOWNS of the existence and nature of such failure or delay.

17. Waiver

The obligations and conditions set forth in this Agreement may be waived only by a writing signed by the TOWNS. Forbearance by a TOWN shall not be construed as a waiver, nor limit the remedies that would otherwise be available to that TOWN under this Agreement or applicable law. No waiver of any breach or default shall constitute or be deemed evidence of a waiver of any subsequent breach or default.

18. Governing Law

This Agreement shall be governed by, construed, and enforced in accordance with the laws of the Commonwealth of Massachusetts.

19. Non-Discrimination

Neither the GBPH nor any TOWN shall discriminate against any person because of race, color, religious creed, national origin, gender, ancestry, sexual orientation, age, handicap, gender identity, genetic information, military service or any other protected classification under the law with respect to admission to, access to, or operation of its programs, services or activities.

20. Notices

Any notice permitted or required hereunder to be given or served on any TOWN shall be in writing signed in the name of or on behalf of the TOWN giving or serving the same. Notice shall be deemed to have been received at the time of actual receipt of any hand delivery or three (3) business days after the date of any properly addressed notice sent by mail as set forth below:

21. Complete Agreement

This Agreement constitutes the entire agreement between and among the Host TOWN of Northborough and the other TOWNS concerning the subject matter hereof, superseding all prior agreements and understandings. There are no other agreements or understandings between the Host TOWN of Northborough and any of the other TOWNS concerning the subject matter hereof. Each TOWN acknowledges that it has not relied on any representations by any other TOWN or by anyone acting or purporting to act for another TOWN or for whose actions any other TOWN is responsible, other than the express, written representations set forth herein. This Agreement may be executed in multiple counterparts and electronic or scanned signatures shall be sufficient to bind the parties.

WITNESS OUR HANDS AND SEALS as of the first date written above.

To: Honorable Board of Selectmen

From: Chief Kenneth M. Paulhus

Subject: Officer Tyler Lu/Pay Status

Date: June 30, 2021

Dear Board of Selectmen:

I am requesting approval to move Student Officer Tyler Lu to Probationary Officer status effective July 3, 2021 (retro) from when this change is approved. He will graduate from the MPTC Randolph Academy on July 2, 2021.

His pay status will change from $700.00 per week to PS-7, Step 1, $1,008.87 per week, (Local 167 contract).

Please contact me with any questions you might have.

Kenneth M. Paulhus

Executive Officer

To: Board of Selectmen

From: Chief Kenneth M. Paulhus

Date: June 30, 2021

Subject: Police FY21 Budget

Dear Board of Selectmen:

Please be advised that the Salaries Overtime line item (0100-5-210-000-51300) will be in deficit greater than $5,000. The overage is due to several officers being out on FMLA and IOD.

I would like to amend my previous estimate of $8,000 of salary funds expended for non-salary items to $18,500.

Please feel free to contact me with any questions you might have.

Kenneth M. Paulhus
Chief of Police

TOWN OF SOUTHBOROUGH
OFFICE OF THE TOWN CLERK

Ms. Carolyn Teehan
State Ethics Commission
One Ashburton Place, Room 619
Boston, MA 02108

January 5, 2020

Dear Ms. Teehan,

I am writing to notify the State Ethics Commission that on December 17, 2019, the Southborough Board of Selectmen voted to designate the Special Counsel to the Conservation Commission for the Park Central project as a Special Municipal Employee.

The complete list of Special Municipal Employees now consists of:

- Advisory Committee
- Board of Assessors
- Council on Aging
- Economic Development Committee
- Election/Poll workers
- Special Counsel to the Conservation Commission for the Park Central project
- Tree Warden

If you have any questions, please contact me at 508.485.0710 ext. 3007.

Very truly yours,

James F. Hegarty

James F. Hegarty

MEMORANDUM

Date: July 08, 2021

To: Southborough Board of Selectmen

From: John Parent, Director of Facilities

Re: Consent to Hiring of New Employee

Dear Madame Chair:

After receiving several resumes and conducting interviews with candidates for the full-time position of Maintenance Technician within the Facilities Department, I strongly recommend that your Board consent to appoint Mr. Robert Esposito for said position.

Mr. Esposito is currently employed as a Building Custodian within the Town of Shrewsbury's Public Buildings Division. As many of the tasks performed by Mr. Esposito in this position mirror those of a Maintenance Technician within Southborough's Facilities Department, Mr. Esposito is highly qualified for this position. His skill set and understanding of the inner workings of a municipal facilities department will allow Mr. Esposito to hit the ground running and provide the department with a thoroughly seasoned facilities team member. I believe the combination of Mr. Esposito's skill set, demeanor, and desire to improve his surroundings would make him a valuable addition to the Facilities Department and the Town of Southborough.

Please contact me should you have any questions in regard to this matter.

Thank you,

John A. Parent
TOWN OF SOUTHBOROUGH
Director of Facilities

TOWN OF SOUTHBOROUGH

Economic Development Committee

TOWN HOUSE · 17 COMMON STREET · SOUTHBOROUGH, MASSACHUSETTS 01772
(508) 485-0710 x3011

21 June, 2021

Board of Selectmen,

The members of the Economic Development Committee (EDC) would like to retain Special Municipal Employee status.

"Special municipal employee" status was designed to permit and encourage individuals who may have business with a town (either individually or through a family member) to volunteer and serve in their community.

I understand that the State Ethics Commission encourages municipalities to grant "special municipal employee" status to any qualifying position, as this status provides flexibility and encourages volunteerism. This is particularly important on a committee like the EDC, which relies upon and encourages the participation of local businesses and non-profit organizations.

In the event that a conflict of interest arises with any individual EDC member, that individual will file any necessary disclosures and/or recuse him/herself from any EDC work and deliberations on that matter.

Sincerely,

John Wood

Chair EDC

Good morning,

Thank you as always for your service to the Town and I hope this email finds you well.

As you are aware, the federal government is in the process of distributing funding from the **American Rescue Plan** and debating the **American Jobs Plan** which will provide additional funding for infrastructure. Attached are fact sheets from Congresswoman Clark's office with more detail for your reference.

As you are also aware, there is funding that will be sent directly to municipalities. Earlier this month, the Executive Office of Administration and Finance will be disbursing funds to municipalities with populations under 50,000, including ours, and municipalities are asked to follow the application process to receive their funds. The allocation for Southborough is $3.1m.

On the state level, Massachusetts has already begun receiving additional funding from the American Rescue Plan, including $5.2 billion in funds that will be allocated by the Legislature in coordination with the Governor to meet pressing community needs. Discussion around the allocation of these funds will be occurring over the next few months.

As we begin the process for determining how to allocate these funds, I would appreciate any information you are able to share about local needs so that I can best advocate for the town. These needs might include affordable housing, water infrastructure, transportation, downtown recovery, behavioral health, and culture/tourism. Please provide as much detail as possible. These resource needs would be outside of those expected to be covered by the $3.1m in funding that Southborough will receive directly.

Thank you for your assistance. I will continue to advocate for Southborough's needs as we evaluate uses for this new federal funding. Please don't hesitate to contact my office with any questions.

Sincerely,

Carolyn

Hi Lisa and Chelsea,

My bad on not getting this on an agenda. It got lost in the shuffle with all of pre-ATM flurry and I've not replied to him. Sorry about that.

Good news, I suppose, is that the request is for August.

See ya,

Marty

Subject: Requesting response: Southborough, MA: Requesting permission: Indian & U.S Flag Raising Event 2021

[EXTERNAL]

Good Evening Ms. Braccio, Ms. Malinowski & Ms. Healey!

Hope this email finds you well. I had sent an email to a few of you over a month ago (please see email below) and didn't hear back. Hence following up to check in on that.
I am delighted to let you know that since the time I sent you the email below, and the present day, we have received confirmation from over 30 towns/cities in MA, each of whom have approved our request to raise/honor the Indian and U.S Flag to commemorate India's 75th Independence Day celebration. More towns/cities are in the process of approving the same.

We look forward to your whole-hearted support by giving us an opportunity to make your town a part of our celebration.
Best regards,
Tanu Basu.....

"IAGB Pride – Raising the Flags of India & U.S.A"

Raising the flags of India and USA, honoring India's 75th Independence Day

Respected Selectboard-Southborough,

Hope this letter finds your family, friends, and you in the best of health & spirits. As we all recognize, this COVID-19 pandemic re-routed our paths having adjusted to various new norms and has changed how we work, learn and interact. As social distancing guidelines have led to a more virtual existence, both personally and professionally, even as we get vaccinated in phases, we yet continue our pledge of virtual existence for the foreseeable future.

We continue to comply with the restriction on the number of people gathering in one place at the same time, thus continuing to find safer, low-key ways of celebrating various special milestone socio-cultural or historic occasions, which are traditionally and historically celebrated in a grand way welcoming a huge public gathering.

Last year, in August 2020, we created history by holding successful flag raising events in 32 towns and cities, by raising and honoring the Indian and U.S Flags in the heart of each town/city. Please read on to know pertinent details.

Who are we?

India Association of Greater Boston, known as IAGB is the oldest and one of the leading Indian American community organizations in New England. It is a non-profit, non-political, and non-religious organization, serving the Indian American communities in the New England region. IAGB strives to foster a strong Indian-American social, cultural, civic and community presence in New England.

How have we commemorated Indian Independence Day in the past?

For the past 60+ years, IAGB has been celebrating August 15, as India Day to commemorate India's Independence and celebrate Indian Americans' rich culture and traditions, with utmost vigor and grandeur. For more than 25 years, until 2017, we have celebrated India Day alongside Charles River at the Hatch Memorial Shell with a cheering crowd of over 12,000 people. From 2018 onwards, we have been doing the same in the heart of Boston – the City Hall Plaza, with an even larger crowd.

However, considering the unforeseeable repercussions of the pandemic, and swinging into the success of last year's low key flag hoisting events in over 32 towns/cities in MA and a few other New England towns, we would like to do it again. To commemorate this momentous day in a covid safe way, we want to bring this celebration to as many towns and cities in New England. This will not only help decentralize the celebration but also allow people to take pride in the fact that their towns and cities recognized and celebrated this historic event, while still being in the safe radar of their hometown and enjoy the cultural events we will conduct virtually.

What do we need from you?

We humbly seek your kind permission to hoist or raise the flags of India and the U.S at your Town Common/City Hall to commemorate India's momentous 75th Independence Day and honor the flag of our adopted country, the United States. It can be on any chosen day and time in the first or second week of August 2021.

How do we plan to do it?

- ✔ When?

  Any day from August 1st to August 15th, including weekdays.

- ✔ What time?

  Anytime between 8 am & 4 pm

- ✔ What will we do?

  - On the chosen day a few of the town residents will gather at town common, while following all social distancing guidelines

  - Sing the U.S National Anthem and honor the U.S flag

  - Sing the Indian national anthem and raise/hoist the Indian flag

- ✔ Who provides the flag?

  IAGB or the town as the case may be

- ✔ Who provides the pole?

  IAGB or the town as the case may be

- ✔ Who raises/hoists the flags?

  IAGB member/representative and Town/City officials

- ✔ What do we need?

  Your kind permission

While we take pride in originating from our native country, India, deemed the world's largest democracy, we are equally as proud and grateful for being able to call the United States of America our home, where democracy and personal freedom are held at utmost priority. We look forward to hearing back from you with a positive response to our request, just as 32 towns and cities in the New England area did last time, and create history again, perhaps even bigger!

With sincere regards,

Tanu Basu.....

Memo

To: Personnel Board
From: Vanessa Hale, Assistant Town Administrator
Re: Senior IT Specialist
Date: July 8, 2021
CC: Mark Purple, Town Administrator
Jay Montijo, IT Manager

Background

Over the past several months, there have been many discussions with various boards and committees about the need to increase staffing in the IT department. This plan is fully endorsed by our new IT Manager Jay Montijo. Subsequently, during the 2021 Annual Town Meeting, funding was secured for this position.

Proposal

Attached is a draft job description that has been formulated by Mr. Montijo, Mr. Purple and myself. We have based that language on sample job descriptions in other communities and trends in the technology field. The Municipal Technology Committee had agreed with the title of the new position. At their July 13, 2021 meeting, the Board of Selectmen will also weigh in on the proposed job description.

Request

We respectfully ask the Board to approve the draft job description for a full-time Senior IT Specialist and allow us to begin the JAQ process to properly classify this position. Furthermore, we also would request that this position be added to Schedule A in the Salary Administration Plan at the October 4, 2021 Special Town Meeting.

Thank you for your consideration of this request.

Position Description

Job Title	Senior IT Specialist
Department	Information Technology
Employment Status	Full-Time
Exempt/Non Exempt Status	Non-exempt

Scope of Work

This position provides network/desktop support and backup support as directed by the IT Manager; serves as the primary manager of one or more of the following: workstations, network, GIS, website, servers, and/or application(s).

Supervision

Received	IT Manager
Exercised	None

Essential Job Functions **The job functions listed herein are neither exclusive nor exhaustive, but are intended to be illustrative of the types of tasks the employee will most likely be expected to perform on a regular basis. The employee may be asked to perform different or additional tasks than the ones listed here, as the needs of the employer and/or the requirements of the position change.**

- Assist in tracking help desk calls pertaining to application(s), networking, systems problems and issues, up to and including resolution of work orders.
- Build rapport and elicit problem details from help desk customers.
- Identify, diagnose, and resolve problems for users regarding software and hardware, networking and infrastructure including cyber-security risk management; communicates solutions to end-users.
- Provide hardware support of end-user equipment, such as installing replacement hardware or upgrading hardware, maintaining computer inventory (including supplies) database.
- Performs daily checks of server event logs, scheduled backups, and intrusion-detection logs
- Support Software/Hardware on equipment such as, Scanners, Copiers, Printers, Monitors and other peripherals.

Date of approval:

SAP, SCHEDULE A, GRADE X

- Manage and administer various IT related services, such as telephone networks, municipal software, website and social media relations etc.

Southborough Select Board
17 Common Street
Southborough, MA 01772

Re: MWRTA Advisory Board

Dear Ms. Braccio,

Pursuant to Massachusetts General Law, Chapter 161B, Sections 3 & 5, each Chief Elected Executive Official of a city or town that is a member of the Authority, is that municipality's representative to the Authority's Advisory Board. The Chief Elected Executive may, in writing, appoint a designee to act for her/him on the Advisory Board.

Given that the majority of municipal elections in the MetroWest region are conducted in the spring, and that most of the boards of selectman are then re-organized where the Chairperson is likely to change, the MWRTA asks that each member community re-certify with the name and contact information of its representative to the Authority, in writing, as soon as a Chairperson is selected. The Federal Transit Administration under Title VI encourage participation by minorities on Boards such as this.

Advisory Board members have four major duties; hire an administrator, approve a budget, set fares, and finally, to advocate for their respective municipalities by working with the administrator to improve public transportation options as well as to be the conduit for their municipal officials to the Authority.

The Authority expects to meet at least on a quarterly basis, but may have a couple of monthly meetings when votes need to be taken. As the public transportation system grows and develops, the relationship between the Advisory Board members themselves has proven to be beneficial as a regional tool to begin initiatives in other important area of municipal concern, like planning and resource sharing. If I can provide assistance, or further information, please do not hesitate to contact me.

Sincerely,

Ed Carr
Administrator

ST. MARK'S SCHOOL

June 18, 2021

Mr. Lisa M. Braccio
Chair, Board of Selectmen
Town of Southborough
Town House
17 Common Street
Southborough, MA 01772

Dear Ms.Braccio,

Enclosed please find donations to the Town of Southborough from St. Mark's School. We have included three separate checks.

- The $50,050 payment represents our annual base donation which is the total from the prior year plus inflation. This represents a 25% increase over the value from 2019.
- The $20,000 payment is meant to cover turnout gear for the Fire Department.
- The $18,000 payment is meant to cover the cost of defibrillators.

Thank you and thank you to Mr. Healy for meeting with us this past year. We appreciate all that you, along with the entire Board of Selectmen, do for the Town and for St. Mark's School. We look forward to continuing to work together as a member of the Southborough community.

Sincerely,

Robert M. Kuklewicz, CPA

Subject: RE: Local Input Requested: Federal Stimulus Funding

Hi Vanessa,
Happy Friday! I have been thinking about possible uses for ARP funds and consulting with other YFS departments in neighboring communities. Below is a list of ideas that have been generated so far from those conversation as well as some of the outcomes identified from our community needs assessment and strategic plan that we just completed. I have also reached out to Heather Alker, Greg Martineau and Stephanie Reinhorn, and Chief Paulhus to ask for a meeting on how else these funds might address behavioral health needs in Southborough. My meetings with them are scheduled during the next couple of weeks and I will send additional ideas along if any more come up. Thank you for the opportunity to share these thoughts. I'm happy to discuss them further!

1. Part-time clinician to assist with influx of need for residents awaiting openings through their insurance
2. Consulting psychiatrist
3. IT Software
    - HIPAA compliant Database
    - HIPAA compliant Data collection and reporting
    - HIPAA compliant Client portal for communication and scheduling and case files
    - HIPAA compliant Video conferencing for individuals and groups
    - Program registration platform
    - Bulk email service
4. Clinical Consultation/Director supervision- $7,800 would be the ideal amount per year (currently have $5k in operating budget)
5. Interface- estimated $16,000 per year (the Southborough Community Fund, Friends of the Southborough Youth Commission and the school department expressed willingness to cover the cost for 2022)
6. Public Assistance program/Social Service consultant
7. Substance Abuse Prevention consultant
8. Suicide Prevention consultant
9. Graphic designer/marketing specialist and new marketing materials (critical for outreach)
10. Annual staff trainings on Diversity Equity and Inclusion (DEI)
11. DEI consultant
12. Language Interpretation services (really should be through the town not just YFS, for marketing materials and conversations)
13. Specialized consultants/trainers, such as GSA link

Have a nice weekend!

As you are aware, the federal government is in the process of distributing funding from the **American Rescue Plan** and debating the **American Jobs Plan** which will provide additional funding for infrastructure. Attached are fact sheets from Congresswoman Clark's office with more detail for your reference.

As you are also aware, there is funding that will be sent directly to municipalities. Earlier this month, the Executive Office of Administration and Finance will be disbursing funds to municipalities with populations under 50,000, including ours, and municipalities are asked to follow the application process to receive their funds. The allocation for Southborough is $3.1m.

On the state level, Massachusetts has already begun receiving additional funding from the American Rescue Plan, including $5.2 billion in funds that will be allocated by the Legislature in coordination with the Governor to meet pressing community needs. Discussion around the allocation of these funds will be occurring over the next few months.

As we begin the process for determining how to allocate these funds, I would appreciate any information you are able to share about local needs so that I can best advocate for the town. These needs might include affordable housing, water infrastructure, transportation, downtown recovery, behavioral health, and culture/tourism. Please provide as much detail as possible. These resource needs would be outside of those expected to be covered by the $3.1m in funding that Southborough will receive directly.

Thank you for your assistance. I will continue to advocate for Southborough's needs as we evaluate uses for this new federal funding. Please don't hesitate to contact my office with any questions.

Sincerely,

Carolyn

Subject: FW: TASERs and ARP update

Hi Vanessa,

I forwarded this to Mark several weeks ago.

In response to Rep. Dykema's inquiry (and the Town's plan for funds obtained), I would like to discuss upgrading our Taser units (technology is outdated from 2014, and five yr. replacement is coming on some of the units), and explore in-car camera options offered by Taser/Axon.

Also, spoke to Rep Dykema yesterday. Some word on Body Camera's should be coming shortly on EOPPS. Would like to discuss use of funds for purchase of these items as well.

All would have a positive effect on Capital moving forward in the short term (5 years or so).

Thanks,

Ken

Subject: FW: TASERs and ARP update

Hi Mark,

Just something to put on the radar when/if the Town decides to use these Federal funds.

We would look to upgrade our Tasers to the newest models (roughly 75-80k if bought outright). We would also eliminate any remaining payments on our current stock (roughly 40k).

New ones have two cartridge capability from the current one, and the technology has been vastly upgraded (so I'm told).

They would be good for five years.

Thx,

Ken

Subject: TASERs and ARP update

[EXTERNAL]

Chief Paulhus and Sgt. McCarthy,

Good morning gentlemen, tried calling earlier but was not able to connect. Multiple reasons for the call today, first and foremost wanted to make sure that the TASERs are working well and that you have sufficient batteries and cartridges on hand.

Also, left you the voicemail regarding the 5 TASERs X26P's that appeared to be coming up on the 5 year useful life recommendation this October, but on second look those ones should be good for a few at least another year.

This is the additional information on the American Rescue Plan which is set to assist many of my Police Departments and Sheriff's Offices obtain needed gear. I just submitted my first order today where those funds were the purchase method.

Some guidance I have seen regarding the funds:

"Axon's products and services fall under Eligible Use Category 3 for the Coronavirus State and Local Fiscal Recovery Funds (FRFs) established under ARP: provide government services to the extent of eligible governments' revenue losses. See the highlighted language that applies to public safety purchases in the draft Interim Final Rule that was released by the Department of Treasury on Monday. It appears on page 60.

Also note that the draft Interim Final Rule will be published in the Federal Register shortly. When it appears, you'll be able to provide agencies with a Federal Register citation for the public safety language."

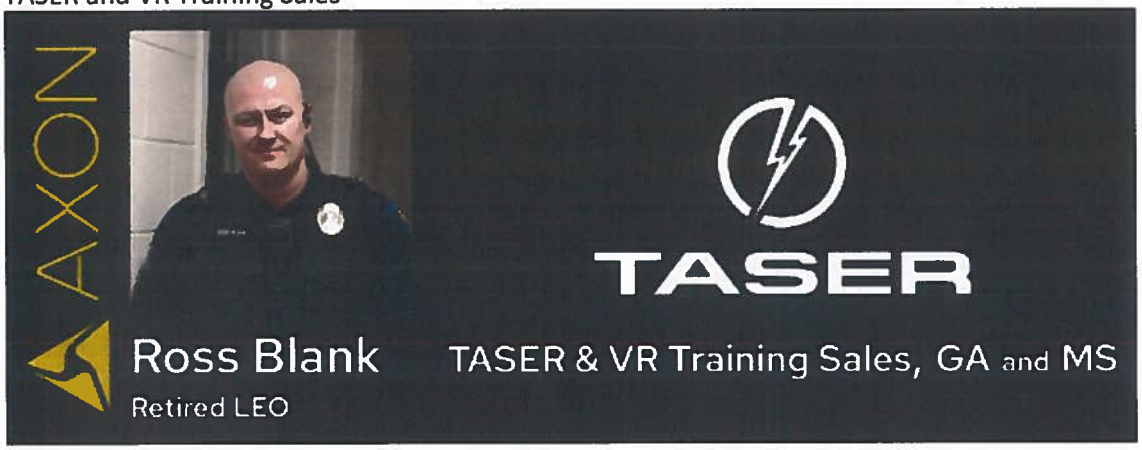
I've added the Department of the Treasury Interim Final Rule for your review and dissemination. The highlight:

Sections 602(c)(1)(C) and 603(c)(1)(C) of the Act provide recipients with br
use the Fiscal Recovery Funds for the provision of government services. Govern
can include, but are not limited to, maintenance or pay-go funded building[123] of
including roads; modernization of cybersecurity, including hardware, software, a
critical infrastructure; health services; environmental remediation; school or edu
services; and the provision of police, fire, and other public safety services. How

Lexipol has also leaned in on the matter, they seem to have a good finger on the pulse: https://info.lexipol.com/american-rescue-plan

One other update here: https://www.lexipol.com/resources/blog/american-rescue-plan-additional-guidance-on-state-and-local-fiscal-recovery-funds/

Additionally, Axon is hosting a webinar on this very topic on Tuesday, June 15th at 8AM Central / 7 AM EST. You can register here: https://axon.zoom.us/webinar/register/WN_GKLe_r2_TbSUgVfiJ-uiVw.



It appears these funds could be used on a TASER 7 upgrade, Body Worn Camera program, or VR Training Simulator. The webinar should provide the most up to date insight. I know Chief Paulhus was contemplating the upgrade, and it woould be my pleasure to work with y'all to make this happen.

I welcome you to call me to discuss, my direct line is 480-502-6269.

Alternatively, you can easily schedule a meeting with me using this link: https://calendly.com/rossblank

ARP CUSTOMER SUPPORT PROGRAM

CITY FACT SHEET – POPULATION OF LESS THAN 50,000

/ THE AMERICAN RESCUE PLAN ACT (ARP)

President Biden signed the American Rescue Plan (ARP) into law on March 11, 2021. The $1.9 trillion spending package is designed to accelerate the post-COVID-19 economic recovery.

ARP allocates $65.1 billion to cities as part of the Coronavirus Local Fiscal Recovery Fund.

- **Population of Less than 50,000: $19.53 billion will be allocated** to these municipalities, with allocations capped at 75% of a city's most recent budget as of January 27, 2020. Funds will be sent to the State and distributed to the local community based on population within 30 days of receipt unless an extension is granted.

/ USE OF ARP FUNDS FOR AXON PRODUCTS AND SERVICES

Axon products and services — such as Digital Evidence Management Systems (DEMS), body cameras, and TASERs — can be purchased with ARP state and local fiscal recovery funds.

- White House guidance on the use of stimulus funds explicitly allows for public safety purchases.
- In addition, the statute allows ARP monies to replace lost, delayed, or decreased revenue, relative to projections that would have been used for planned expenditures during the pandemic, such as Axon programs or other public safety programs.

Axon will be providing our customers timely information on ARP funds and programs and further documentation on public safety spending justification.

/ WHEN CITIES RECEIVE ARP FUNDS

Funding will be distributed by Treasury to cities in two tranches—one within 60 days of enactment (i.e., by May 10, 2021), and the second one year after the disbursement of the first tranche. Funds for municipalities with populations less than 50,000 will be disbursed to the States and distributed to the municipalities within 30 days of receipt (i.e., June 10, 2021 for the first tranche).

The Department of Treasury will issue final guidance and regulations on ARP to address questions related to funding allocations, eligible uses of payments, and statutory ambiguity. ARP funds will be available until December 31, 2024.

Mark/Brian/Carla,

See attached Treasury Fact Sheet. Haven't had a chance to digest, but this should help answer the questions everyone seems to be fielding about uses for the $3M of funds, with specific facts instead of theories. I'll defer to all of you on who you want to forward along to.

Thanks,

Jason

Noise Bylaw Ad-hoc Committee Charge

Charge and Process
The Noise Bylaw Ad-hoc Committee (the "Committee") is charged with the task of preparing a draft of a proposed Noise Bylaw for Southborough (the "Draft Bylaw").

The work of the Committee shall include, but not be limited to, the following:

- Review of previous versions of noise bylaws prepared for Southborough's Town Meetings;
- Review of the noise bylaw experience of other towns, particularly with respect to measurement of noise levels and flexibility for homeowners and commercial landscapers to maintain properties;
- Consideration of enforcement issues;
- Consideration and evaluation of other approaches to selected aspects of the Draft Bylaw, and providing a report describing the "pros" and "cons" of these other approaches and the reason(s) that these alternatives were not recommended; and
- Providing periodic progress reports, as may be requested by the Board of Selectmen.

Membership
The Committee shall consist of five (5) "at-large" voting members, and two (2) ex-officio, non-voting members as follows:

- Five (5) "at-large" residents of the Town of Southborough, appointed by the Board of Selectmen;
- The Southborough Chief of Police, as an ex-officio, non-voting member; and
- One member of, or designee of, the Southborough Board of Health, as an ex-officio, non-voting member.

Term, Administration and Organization

- The Committee members shall be appointed for a term ending June 30, 2022;
- Ex-officio, non-voting Committee members shall not be counted for purposes of determining a quorum;
- Members shall serve without financial compensation; and
- The Committee shall determine what, if any, officers should be elected.

Schedule

- The Committee shall perform the work as detailed in the charge to deliver the Draft Bylaw and related reports by no later than 30 days before the printing deadline for the warrant for a Town Meeting (regular or special, as applicable) where the bylaw will be considered.
- The Committee shall work to produce a Draft Bylaw for consideration by Town Meeting as soon as reasonably possible, with the timing objective of no later than the 2022 Annual Town Meeting.

Approved by BOS 6-22-2021

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, July 13, 2021, 6:00 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairman Braccio opened the meeting at 6:01 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via both in-person and remote participation to the greatest extent possible. Members of the public and/or parties with a right and/or requirement to attend this meeting may do so in-person. They also may watch or participate in the meeting remotely by finding the meeting at: https://www.southboroughtown.com/remotemeetings. Specific information and the general guidelines for remote participation can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. In the event that, despite best efforts, the public is not able to access the proceedings in real time via those technological means, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Public Comment

None

Chairman Braccio moved agenda item "m" to accommodate Town Clerk Jim Hegarty who was in attendance to notarize the document. Chairman Braccio made a motion to approve the Halloran Property Conservation Restriction. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

III. Scheduled Appointments

Volunteer Interviews

i. Matthew Berger – Economic Development Committee, term through 6/30/24

Chairman Braccio asked Mr. Berger to give his professional background and to describe his interest in this committee. Mr. Berger did so and highlighted his relevant expertise that would benefit the EDC. Chairman Braccio stated EDC Chair John Wood is supportive of this appointment. Ms. Malinowski asked about his goals with the EDC. Mr. Berger explained his interest in opportunities for small business in Town. Mr. Stivers asked if he had any specific suggestions for small businesses to form and foster in Southborough. Mr. Berger replied that he would like to educate himself regarding limitations with downtown and opportunities to meet the needs of small business owners. Mr. Dennington asked if he had thoughts on how to address vacancies in office buildings on Route 9. Mr. Berger described the vacant buildings on Route 9 by Parkerville Road and explained potential opportunity for a small retail facility. Mr. Stivers made a motion to appoint Matthew Berger to the Economic Development Committee, term through 6/30/24. Mr. Healey seconded. The motion passed all in favor (5-0-0).

ii. Isabelle B. Bogdanski – Stewardship Committee & Trails Committee, terms through 6/30/22

Chairman Braccio asked Ms. Bogdanski for a brief background and to describe her motivation for volunteering for these committees. Ms. Bogdanski outlined her educational background in environmental studies and environmental restoration and her desire to help connect residents with the trails available in Southborough. She outlined some initiatives she would like to undertake for both committees. There was discussion regarding appointing her to the Stewardship Committee and promoting the opening for the Trails Committee. Mr. Dennington stated he knew of someone who may be interested who would also be a good fit. Chairman Braccio asked Ms. Bogdanski for her preferences and she responded that she would like both but would choose the Stewardship Committee first. Mr. Healey made a motion to appoint Isabelle B. Bogdanski to the Stewardship Committee, term through 6/30/22 and the Board will promote the opening on the Trails Committee to appoint at the August 17th meeting. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

iii. Karen Wheeler – Capital Planning Committee

Chairman Braccio stated that Jason Malinowski, Chair of the Capital Planning Committee supported Ms. Wheeler. She asked Ms. Wheeler to give her professional background and reason for applying. Ms. Wheeler gave her background in finance and outlined how her skills could help contribute to the committee. Mr. Stivers asked about prospective initiatives she might have for the committee and she replied that she reviewed minutes and agendas but did not have enough information to recommend a path. Mr. Dennington asked about her opinion regarding historic preservation and investing in repairs of older buildings. She responded that there needs to be a balance to preserving historic structures and applying an economic element to the decision. Mr. Healey made a motion to appoint Karen Wheeler to the Capital Planning Committee, term through 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

iv. Noise Bylaw Ad-Hoc Committee

Chairman Braccio laid out the process for the interviews. She invited Mr. Lapine to the podium.

a. Peter Lapine

Chairman Braccio asked why he would like to join the committee. He stated he brought the previous bylaw to Town Meeting and gave background of the process he took to create the first warrant article. Chairman Braccio asked how restrictive he felt a noise bylaw should be. Mr. Lapine stated at a minimum hours and day limitations and noise types should be identified and restricted. Mr. Dennington asked for Mr. Lapine's professional background. Mr. Lapine stated he was retired and described his career in software and development. Mr. Healey clarified that the mandate of the committee is to create a proposed noise bylaw from scratch.

b. Betsy Rosenbloom

Chairman Braccio stated Ms. Rosenbloom withdrew her application.

c. Doris Cahill

Ms. Cahill gave her professional background as a CPA. She explained why she would like to be on the committee and that a bylaw should provide balance. She stated that she does believe in quiet enjoyment and explained her experience on the ZBA. Chairman Braccio asked about her thoughts regarding noise restrictions. Ms. Cahill replied that on a scale of one to ten, she is at an eight. Mr. Healey asked how she would have voted on the previous bylaw and she replied that she felt it needed development and would have voted against it. Mr. Stivers asked how she would interpret balance between rights of peace for residents and rights of small businesses like landscapers. Ms. Cahill explained how she interprets balance between the two including hours for higher volumes and hours for lower volumes.

d. Tabitha Bennet

Chairman Braccio stated Ms. Bennett withdrew her application.

e. Jake Hashash

Mr. Hashash gave background on his skills and expertise with noise measurement and control. He added that his desire to be on the committee is to assist the Town in their first noise bylaw and not to infringe on daily activity for residents or small businesses. He explained his views regarding balance between homeowner rights and small businesses. Mr. Healey asked how he would have voted on the previous bylaw and Mr. Hashash responded that he was not aware of the previous bylaw.

f. Lisa Dunderdale

Ms. Dunderdale gave her background as a health promotion specialist and her interest in the committee regarding health repercussions with loud noises. She stated she was a proponent of the previous noise bylaw brought to Town meeting. She explained her prior issues with construction noise and her challenge for enforcement. Chairman Braccio asked how restrictive she thought the bylaw should be and Ms. Dunderdale stated the Attorney General could provide guidance. Mr. Healey explained the Attorney General's role.

g. Cynthia Foster

Ms. Foster gave her professional background in project management for high-tech companies. She explained her work in Town departments. She said she currently works at a landscaping company and explained the concerns landscapers had with the previously proposed bylaw. She stated she would not support the original bylaw as it was too restrictive, complicated and not enforceable. Ms. Foster stated because of her jobs, she is skilled at conducting research and felt that much research should be done to ensure this bylaw is enforceable. Chairman Braccio asked her how she felt about restrictions and she replied that the homeowners should be allowed to use their property how they like and small business owners should be able to conduct their businesses as well.

h. Karen Muggeridge

Ms. Muggeridge gave a summary of her professional background as a nurse and her interest in public health. She explained that she has experience with construction near her home and why she feels a noise bylaw is important. Ms. Muggeridge gave an outline of her ideas for restrictions and stated she was leaning towards supporting the previously presented bylaw.

i. Krishna Kandarpa

Mr. Kandarpa was not present at the meeting.

Chairman Braccio explained her desire to have a diverse and balanced committee. Mr. Dennington said he felt balance and experience on other committees were important. He stated he is interested in hearing from Dr. Kandarpa as he felt he would make a good member of the committee. He asked the Board hold on a decision until he is heard from. Ms. Malinowski stated balance, understanding of financial impacts and understanding of Open Meeting Law should be a large factor in the layout of the bylaw. There was discussion regarding the candidates and the Board agreed to wait for appointment until they heard from Dr. Kandarpa on the July 22nd meeting. Mr. Healey made a motion to table the appointments for the Noise Bylaw Ad-Hoc Committee until July 22nd to give Dr. Kandarpa the opportunity to appear for an interview. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

The Board went into recess at 7:15 P.M. The Board returned from recess at 7:20 P.M.

Update on new IT position

Chairman Braccio asked to move this item to accommodate IT Manager Jason Montijo. Ms. Hale gave an overview of the job description. There was discussion regarding qualifications and Mr. Montijo described how the description would attract a candidate with the skills he requires. Mr. Purple stated that with Town Meeting scheduled for October, Mr. Montijo plans to outsource services to bridge the gap. Mr. Stivers made a motion to approve the Senior IT Specialist job description as presented. Mr. Healey seconded. The motion passed all in favor (5-0-0).

7:30 P.M.: ADA Hearing – CMRPC presentation of Draft Self-Evaluation and Transition Plan

Chairman Braccio opened the public hearing at 7:33 P.M. She stated that the ADA Committee has called their meeting to order. Mike Kennedy of the Center for Living and Working, Jim Mazik of James M. Mazik, AICP and Connor Robichaud of CMRPC joined the meeting and introduced themselves. Mr. Mazik informed the Board that the self-evaluation and transition plan should be a resource for the Town and provide guidance to the community. He explained the format of the plan and addressed the feedback from the Board that was provided to them. Mr. Mazik outlined the next steps for their review which included the schools. There was discussion regarding funding the projects and changes outlined in the review. Chairman Braccio opened the discussion to the ADA Committee. There was discussion regarding timeframes for changes, waivers, expectations and next steps. Mr. Robichaud and Mr. Mazik outlined many of the suggested updates and changes for the Town to undertake to be more compliant. Issues with Mr. Kennedy's technology were addressed as he was unable to be heard through his remote connection. Chairman Braccio informed the public that the entire document is on the Town website. Mr. Purple asked if Southborough is inline with other similar Towns. Mr. Mazik described other towns that had many more improvements to make and stated that Southborough is better than most towns when it comes to current ADA compliance. Ms. Phaneuf of the ADA Committee asked for the Board's support in asking for CPC funding for many of the suggested projects. Mr. Healey gave his full support and stated the Town may need to rethink the way they currently use CPC funds. Mr. Purple stated that through the MOD process, Complete Streets grants, the funding of the facility maintenance articles and CPC funding, the Town can aggressively work on the suggested list.

Mr. Mazik reminded the Board that the costs listed are estimates and he outlined less costly options for various suggested projects. Ms. Malinowski asked if there were remaining funds from the article for the self-evaluation to put towards this work. Mr. Purple replied that the school study needs to be completed to understand the needs and costs. Bill Sines, Chair of the ADA Committee asked about next steps. Chairman Braccio replied that prioritizing the list of suggested updates would be the first step. Mr. Healey stated that this will be a topic for the Board's August goal setting meeting.
Tim Litt (148 Woodland Road) stated that he made a lot of comments on the report and it was not distributed. He asked that they be distributed and reviewed.

Chairman Braccio moved agenda item "p." Ms. Malinowski gave an update on the shared IMA for Health shared services. She said both Town Counsel from Southborough and Northborough have reviewed and made minor revisions. She hopes that the Board and the Board of Health will sign off on the document soon. Mr. Healey made a motion to approve the Approval of Revised Health Shared Services IMA as written and presented. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

IV. Reports

Chairman's Report

j. Downtown District bylaw update

Chairman Braccio stated that Judi Barrett reviewed the draft design guidelines and she will continue to work with Ms. Connelly and Ms. Barrett to improve upon these. She added that Mr. Wood is comfortable with funding two hours of Ms. Barrett's time through the EDC consulting budget. Chairman Bracco informed the Board that the Planning Board will hold its first public hearing on this matter on July 19th.

k. July 22 meeting

Chairman Braccio informed the Board that the Historical Commission is unable to attend the July 22nd meeting but will have Town Counsel present to answer process questions. She stated they will discuss the Noise Bylaw Ad-Hoc Committee on the 22nd as well.

Members' Reports

i. Halloran property access update

Mr. Stivers informed the Board that a request was sent to MASSDOT and they are awaiting a response.

ii. Master Plan Committee update

Mr. Stivers updated the Board on the Master Plan Committee's position on the Downtown District bylaw. He said that as a board made up of representatives of other committees, they are not comfortable taking a position without the support of those respective boards and committees. He added that the Downtown District bylaw is inline with a major goal of the Master Plan Committee and he believes most boards and committees will be in support.

iii. YFS Strategic Plan presentation

Ms. Malinowski informed the Board that a strategic plan was done for Youth and Family Services by Ann Budner of ABudner Strategy Consulting. She stated the plan will be presented this evening through Zoom and she encouraged the public to watch.

Town Administrator Report

i. Update on new IT position

Mr. Purple stated this was taken care of and thanked the Board for their support.

ii. Police grant award

Mr. Purple stated that Chief Paulhus applied for the Executive Office of Public Safety and Security Competitive Grant and received $7,500.

iii. EOY update

Mr. Purple stated that the budgets are not yet finalized for fiscal year 2021 as there is another warrant but added that it will be included in the next quarterly update. He outlined the reserve fund transfers of $30,498.47 for fiscal year 2021. He explained each request which included $8,445 for the Board of Health, $997.81 for the Town Clerk, $7,759.47 for Facilities Department, $2586.19 for the school court judgement and $1,700 for Advisory. Ms. Malinowski asked if there were any interdepartmental transfers and Mr. Purple replied that there were not.

Mr. Purple updated the Board regarding SAM recording the Board meetings. He said the SAM Board has voted and approved the equipment needed to repair their system and an additional quote for Zoom integration. He explained that it can be used with or without SAM recording the meeting and

once that is setup they will look to duplicate the same system in the training room at the Public Safety Building.

Mr. Purple informed the Board that the Senior Tax Work-Off applications have been coming in and the submission deadline is open through the end of the week. He advised those submitting applications to do so through the drop box at the Senior Center.

V. Consent Agenda

a. Chairman Braccio asked to hold agenda item, "a." Chairman Braccio thanked Ms. Barry for her diligence in completing the meeting minutes. Chairman Braccio, Ms. Malinowski, Mr. Dennington and Mr. Stivers provided revision requests for the meeting minutes listed. Ms. Malinowski asked to hold the approval of the May 10, 2021 minutes to confirm a line regarding the Board of Health budget. The Board agreed. Mr. Healey made a motion to approve the May 4, 20201 regular session minutes as amended. Mr. Stivers seconded. The motion passed all in favor (4-0-1). Mr. Dennington abstained. Mr. Healey made a motion to approve the June 1, June 15 and June 22, 2021 regular session meeting minutes as amended. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

b. Mr. Healey made a motion to accept Luisa Vargas' resignation from Trails Committee, effective June 17, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

c. Mr. Healey made a motion to approve 1-day Alcohol License Application on behalf of RxAdvance events:

i. Flora's Wine Bar / Andrew Li, July 16, 2021 Employee Appreciation
ii. Latitude Beverage, July 23, 2021 Company Outing

Mr. Stivers seconded. The motion passed all in favor (5-0-0).

d. Chairman Braccio asked to hold agenda item, "d." She stated she would like Mr. Healey to speak to items "d, e and f." Accept donations from St. Mark's School totaling $88,050.00.

e. Chairman Braccio asked to hold agenda item, "e." Accept donations from Fay School totaling $20,000.00.

f. Chairman Braccio asked to hold agenda item, "f." Accept Recreation Department donations totaling $7,000.00 to support 2021 Southborough Summer Nights event.

Mr. Healey stated that he felt this was a successful year working with Fay and St. Mark's Schools. He spoke to past commitments from both schools compared to what is being contributed this year. He added both schools stated they appreciated the process and are amenable to ongoing discussions regarding contributing to the funding of the Town. Mr. Healey stated that they funded part of the Summer Nights event. He explained in-kind payments that both schools have contributed. Mr. Healey stated that Fay School and St. Mark's School would like to attend a meeting to speak to the Board. Mr. Healey made a motion to accept agenda items d, e, and f. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

g. The Board discussed the changes made to the remote participation form and the reasons for the changes. Mr. Healey voiced his concerns regarding meeting remotely and encouraged all boards and committees to meet in person if possible. Mr. Dennington made a motion to approve the revised policy and form for Remote Participation. Mr. Healey seconded. The motion passed all in favor (5-0-0).

h. Mr. Healey made a motion to appoint new Constables: Jonjy Ananth, Rajoo Ananth. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

i. Mr. Healey made a motion to appoint Student Officer Tyler Lu to Probationary Police Officer, effective July 2, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

j. Mr. Healey made a motion to appoint Jason Montijo, IT Manager:

i. Southborough Emergency Planning Committee, IT Representative (unlimited term)
ii. Municipal Technology Committee, IT Manager, Ex-Officio (unlimited term)

Mr. Stivers seconded. The motion passed all in favor (5-0-0).
k. Mr. Healey made a motion to appoint Marty Healey as MWRTA representative, term to expire 6/30/2022. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
l. Mr. Healey made a motion to appoint Police Chief Paulhus to the Noise Bylaw Ad-hoc Committee, Ex-Officio member, term 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
m. The approval of the Halloran Property Conservation Restriction was addressed at the beginning of the meeting.
n. Mr. Healey made a motion to award FY22 Heating Oil Contract to Falconi Energy as recommended by John Parent, Director of Facilities. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
o. Mr. Healey made a motion to award the contract for Space Needs Study. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
p. This item was addressed earlier in the meeting.
q. Mr. Healey made a motion to appoint the Facilities Maintenance position. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
r. Mr. Healey made a motion to accept the resignation of Chelsea Malinowski from SHOPC. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
s. Mr. Healey made a motion to approve departmental expenditures for FY21 per Financial policy. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

VI. Other Matters Properly Before the Board

Assignment of Board members as Department Liaisons

Chairman Braccio asked if the Board had any issues or concerns regarding the liaison assignments. Mr. Stivers asked about liaisons with the schools. There was discussion and it was agreed to review this item at the goal setting meeting in August.

Review of Special Municipal Employee designations

Chairman Braccio stated that in order for Andrew Pfaff to continue on the Advisory Committee, he would require this designation. She summarized the decision for EDC members to hold the designation. The Board agreed to leave the designations that are in place and to remove the designation for Special Counsel to the Conservation Commission for the Park Central project. Mr. Purple stated he will inform the Town Clerk of this decision.

Request to raise the Indian flag to commemorate India's 75th Independence Day celebration

Chairman Braccio stated that the Veterans submitted the section of the Massachusetts General Laws that outlines the requirements for flying another country's flag. Chairman Braccio suggested creating a proclamation instead of flying the Indian flag. The Board agreed and Chairman Braccio asked Mr. Purple to begin working on the creation of a proclamation for the July 22nd meeting.

Discussion of potential items for ARPA funding

Ms. Malinowski stated that Ms. Hale reached out to department heads and boards and committees for suggestions regarding the spending of the ARPA funding allotted to Southborough. She said she is looking for high priority projects and changes to guidelines are anticipated. She stated that Carla McAuliffe, Town Accountant suggested the Board reach out to DPW Superintendent Karen Galligan regarding infrastructure needs. Ms. Malinowski stated the needs must be prioritize and asked the Board if a working group should be created. Mr. Stivers and Mr. Healey agreed that a working group would not be needed and may slow progress. Mr. Dennington suggested the Board look at a larger and more ambitious project as he views this funding as once in a lifetime. Ms. Malinowski cautioned the Board to ensure they followed the four Connors of the Federal guidelines. The Board agreed to put this item on the June 22nd goal setting agenda.

Discussion of Special Town Meeting date

Chairman Braccio stated that concerns were raised from the Chair of the Planning Board regarding timing of required public hearings for warrant articles for the October 4th date. She added that there could be potential timing issues from the Assessor with setting the tax rate. Chairman Braccio proposed a new Town Meeting date of November 1st. Mr. Healey made a motion to reset the date for Special Town Meeting from October 4, 2021 to November 1, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Chairman Braccio stated she will speak to the Town Moderator before the July 22nd meeting.

VII. Public Comment

None

At 10:26 P.M. the Board entered into Executive Session per M.G.L. Chapter 30A, Section 21, and not returning to Open Session, to comply with, or act under the authority of, any general or special law (Exemption 7) to review and approve the Executive Session minutes of May 10, 2021 and June 15, 2021; and to discuss strategy with respect to litigation (assignment of pending legal cases), as the Chair has determined that an open meeting may have a detrimental effect on the Town's litigating position (Exemption 3) by roll call vote, Malinowski, aye; Healey, aye; Dennington, aye; Stivers, aye; Braccio, aye.

BOARD OF SELECTMEN
EXECUTIVE SESSION MEETING MINUTES
Tuesday July 13, 2021
MCAULIFFE HEARING ROOM, SOUTHBOROUGH TOWN HOUSE

Present: Lisa Braccio, Chelsea Malinowski, Marty Healey, Andrew Dennington, Sam Stivers and Town Administrator Mark Purple.

Executive Session

At 10:30 P.M. the Board entered into Executive Session per M.G.L. Chapter 30A, Section 21, and will not return to Open Session, to comply with, or act under the authority of, any general or special law (Exemption 7) to review and approve the Executive Session minutes of May 10, 2021 and June 15, 2021; and to discuss strategy with respect to litigation (assignment of pending legal cases), as the Chair has determined that an open meeting may have a detrimental effect on the Town's litigating position (Exemption 3).

Meeting Minutes: The Board reviewed the Executive Session meeting minutes from May 10, 2021 and June 15, 2021. After discussion, the Board voted by roll call to approve both sets of minutes as amended. Braccio, aye; Malinowski, aye; Stivers, aye; Dennington, aye; Healey, aye. Unanimously approved, 5-0-0.

Assignment of pending legal cases: The Board reviewed memos from Town Counsel Talerman and former Town Counsel Cipriano which detailed pending cases Attorney Cipriano could continue to handle and which cases should be transferred to new counsel [Attorney Talerman].

Attorney Cipriano felt that there were some tax cases in play. Going forward, Town Counsel Talerman would like to talk to town finance officials whether representation is needed in these cases. Attorney Talerman suggested he absorb all other pending cases, which would include Dwiggins and Park Central. Mr. Purple noted that Attorney Talerman will discuss payment terms with Attorney Cipriano regarding coverage of tax cases. The Board voted by roll call to adopt Attorney Talerman's recommendation regarding case assignment. Braccio, aye; Malinowski, aye; Stivers, aye; Dennington, aye; Healey, aye. Unanimously approved, 5-0-0.

Labor Counsel

Mr. Purple noted that Labor Counsel Tim Norris is under agreement for 90 days. Ms. Braccio inquired if Attorney Kate Feodoroff from Mead, Talerman and Costa would take over labor and employment cases. [redacted] Mr. Purple will meet with Attorney Feodoroff to assess her ability to do so and advise the Board.

On a motion made by Mr. Healey, seconded by Mr. Stivers and voted by roll call all in favor, Braccio, aye; Malinowski, aye; Stivers, aye; Healey, aye, Dennington, aye, the Executive Session adjourned at 10:50 P.M. Unanimously approved, 5-0-0.

Respectfully submitted by Vanessa Hale, Assistant Town Administrator

BOS approved 9.8.21

TOWN OF SOUTHBOROUGH

DATE: August 12, 2021

MEMORANDUM

TO: **Southborough Board of Selectmen**
CC: **Mark Purple, Town Administrator**
FROM: **Karen Galligan, DPW Superintendent**
SUBJECT: **Miscellaneous Agenda Items/Updates**

The following updates are based on the August 17th agenda.

Main Street Project:

- The Town has a punch list put together for the project. This includes:
  - Reducing the wall height at School Street and Main
  - Fixing the entrances to the Town House from Common Street
  - Completing the plantings and landscaping
  - Replacing several dead trees
  - Replacing the stone marker
  - Re-installing the cast iron street signs and dedication sign
  - Fixing the street sign that is mis-placed
- MassDOT has been in touch with Verizon about completing their utility work. They have completed their copper work, but the fiber work still needs to be completed. This work has to be done at night due to customer use and down time for the cable.
- When Verizon's work is complete, tentatively by October 1st, NGrid can remove the poles and the contractor can complete the sidewalk work, curbing and miscellaneous street work on the State's punch list.

CSX:

- CSX crossing is not part of the Downtown and Various Streets Project
- Crossing work is designed and contracted by CSX
- $44,626 design fee paid from Chapter 90 Main Street funds
- Construction costs estimated by CSX at $540,000
- Funding source needs to be determined

Shared Streets Grant:

- Work is part of the Main Street Downtown and Various Streets Project

Complete Streets:

- Southborough's Complete Streets Prioritization List approved by MassDOT on 4/21/21
- Southborough can begin requesting Complete Streets Grants, up to $400,000 per year, for work on the list

Flagg Road HCVE:

- HCVE needs to be in both directions
- Westborough DPW not supportive of using part of their Route 30 as part of our truck route
- MassDOT is looking into what signs might be allowed on Route 9 to deter TT from using Flagg Road
- If send in the request and report – need to vote alternate route

Newton Street Water Main:

- Project in design
- Design funded through Water Budget
- Construction could be funded through re-allocation of funds from Article 9 2014ATM

Northborough Road:

- Looking into costs and consequences to open road and re-create stream across right-of-way
- Looking into costs to install new, compliant culvert
- Hoping to be ready for funding article at STM

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, July 22, 2021, 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 6:30 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via both in-person and remote participation to the greatest extent possible. Members of the public and/or parties with a right and/or requirement to attend this meeting may do so in-person. They also may watch or participate in the meeting remotely by finding the meeting at: https://www.southboroughtown.com/remotemeetings. Specific information and the general guidelines for remote participation can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. In the event that, despite best efforts, the public is not able to access the proceedings in real time via those technological means, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Public Comment

None

Reconsideration of Senior IT Specialist job description

Chairman Braccio moved this agenda item and explained to the Board that the MTC and Mr. Montijo made joint changes to the description. She added that Ms. Rosenbloom had a revision and told the Board that all parties agree with the job description as presented. Mr. Stivers made a motion for the reconsideration of the Senior IT Specialist job description. Mr. Healey seconded. The motion passed all in favor (5-0-0). Mr. Healey suggested that vote should be two steps. Mr. Stivers made a motion to accept the Senior IT Specialist job description as amended. Mr. Healey seconded. The motion passed all in favor (5-0-0).

III. Scheduled Appointments

Town Counsel Jay Talerman – Demolition Delay bylaw

Chairman Braccio asked for clarity on procedures regarding §63-3 (G) and §63-3 (H) of the Town of Southborough Town Code. Attorney Talerman stated that §63-3 (H) does not outline any additional time outside of the nine-month delay period. He added the provision allows the demolition prior to the end of the nine-month period if the Commission agrees the home cannot be saved. He added that this provision allows the demolition to proceed early if the Commission is satisfied that the homeowner has exhausted their preservation efforts. He stated that section H is an exception to the nine-month period and does not add any time or contingencies to the bylaw. Attorney Talerman stated that most municipal attorneys are mindful that nine-months is an elongated timeframe and many are uncomfortable with bylaws such as these. Mr. Healey added that he has looked extensively at other demolition delay bylaws throughout the State and many are a two to three-month process and most grant a decision prior to the lapse of timeframe. Attorney Talerman agreed. Annie Pfaff

(50 Oak Hill Road) a Historical Commission member asked for a clear definition of bonafide and reasonable efforts as described in the bylaw. Attorney Talerman stated that the bylaw reads that if the Commission is satisfied the homeowner has done all they could to preserve the home, they could grant a permit prior to the nine months. He gave examples of when this could occur. Mr. Healey stated that language had been imported into other documents that gives a broader scope to the Commission to deny the permit altogether. He added that the Commission could not deny the permit.

Jim Blaschke (69 Sears Road) a Historical Commission member asked Attorney Talerman to opine regarding requiring a homeowner to put their home on the market to shorten the nine-month delay window. Attorney Talerman explained that the bylaw is a delay and the Commission cannot deny a permit. He added that the fact sheet that was adopted gave the Commission more jurisdiction as if they were handling a property in a Historical District. He said that requiring a homeowner to put their house on the market is not only unusual but likely illegal. Attorney Talerman stated that this could open the Town up to regulatory taking and explained. Chairman Braccio outlined the fact sheet and rules and regulations adopted by the Commission and outlined an opinion from Attorney Cipriano. She asked Attorney Talerman to give guidance as to the Commission's authority. Mr. Healey stated that it needs to be clear that these documents can no longer be used as they are inaccurate and potentially contain illegal information. Mr. Dennington asked if there was a process for adopting rules and regulations for any board and committee. Attorney Talerman explained that there is no clear process for boards to adopt rules and regulations in Massachusetts. He added that they cannot add regulations that are stricter than the bylaw. There was discussion regarding the creation of a process for adopting rules and regulations. Attorney Talerman outlined some potential conflicts with this and he and Mr. Dennington gave some suggestions regarding simple processes that could be made.

There was discussion regarding the three Historical Commission documents. Attorney Talerman stated that the fact sheet must be rewritten. He added that the idea of a flow chart for homeowners of historical properties is very helpful and the content needs to be reworked to be consistent with the bylaw. Mr. Stivers agreed that the Historical Commission Rules and Regulations also must be rewritten and suggested an internal flow chart be created for the Building Department and Commission. Attorney Talerman stated that the guidelines for the Building Commission should be clear and free or discretion as the Historical Commission holds all discretionary power. He added that the steps for the Building Commission should be mechanical only.

Mr. Healey made a motion to have Town Counsel continue to complete and review the three documents listed as follows: Q & A one-page sheet, the three-page Fact Sheet and the two-page document entitled "demo Delay Bylaw Southborough, MA," to advise the Historical Commission to cease the use of these documents and for the Board to instruct the Town Clerk to remove the three-page document from the website. Ms. Malinowski seconded. She asked if the Historical Commission had any comment regarding the motion. Ms. Pfaff requested the mechanical aspect of the Building Department to include checks and balances. There was discussion regarding Middle Road. The motion passed all in favor (5-0-0). Attorney Talerman stated he will work with Mr. Purple and the Commission to move forward. Mr. Healey encouraged Town employees and boards and committees to attend Attorney Talerman's Office Hours held the third Wednesday of every month from 10:00 A.M. – 12:00 P.M.

IV. Consent Agenda

a. Mr. Stivers made a motion to reappoint Jamie Mieth to ZBA, Alternate Member, term 6/30/22. Mr. Healey seconded. The motion passed all in favor (5-0-0).
b. Mr. Stivers asked to hold agenda item "b." Mr. Stivers pointed out typos on lines 45 and 223. Mr. Stivers made a motion to approve Open Session minutes: May 10, 2021 as amended. Mr. Healey seconded. The motion passed (4-0-1). Mr. Dennington abstained.
c. Mr. Healey asked to hold agenda item "c." Mr. Healey thanked Ms. Esposito for her work creating a beautiful proclamation to recognize India's Independence Day on August 15th. Mr. Healey made a motion to approve and adopt the proclamation for India's 75th Independence Day. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
d. Mr. Healey made a motion to approve January 1, 2022 as implementation date for Meals Tax. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Mr. Dennington asked about the process for implementation of the meals tax. Mr. Purple stated that the Town Clerk will communicate with the Department of Revenue of the vote the Board has taken and the date of implementation. The Town then informs the Department of Revenue with a list of establishments that will be impacted. He stated that the DOR then contacts those establishments outlining the details of implementation and provides a list of items to do to prepare. He believes there will be an approximate three-month delay in revenues and the Town will see their first most likely in April.

V. Other Matters Properly Before the Board

Appoint Noise Bylaw Ad-hoc Committee, terms 6/30/22:

i. Five (5) At-Large resident volunteers

Chairman Braccio stated she had many conversations with residents who were unaware of the creation of this committee. She suggested that the Board continue with outreach and postpone the appointment of committee members until September. She added that she was unsure if the balance of applicants regarding restriction was achieved. Ms. Malinowski stated that she felt that the charge lacked any specification on holding public forums and suggested modifying the charge. She added that she also has concerns that there was a lack of outreach to the public regarding filling the committee. Mr. Healey stated that if there is any discomfort in appointing this evening, he is in favor of postponing until the September meeting. Mr. Stivers agreed. Mr. Dennington stated he felt that the committee was being created to submit a recommended draft bylaw that the Board could then modify as needed. He added it would be a challenge to find the perfect balance of committee members. Ms. Malinowski stated that she is hoping for a more finalized draft that satisfies the majority of residents in Town. She suggested submitting a simplistic noise bylaw that consists of hour limitations only for Fall Town Meeting in order to alleviate some short-term noise issues among residents.

Jake Hashash, a committee member candidate informed the Board that five of the interviewees from the previous meeting spoke and had come to an informal agreement of what they felt was a fair and simple noise bylaw that would not be too restrictive. He added that he felt that there could be appointments made this evening to continue to move the process forward. Chairman Braccio stated that the decision to wait for appointment is in no way a reflection of those interviewed. She added for the sake of transparency and resident awareness, the Board felt this was the right thing to do. Mr. Healey made a motion to table further discussion on the appointment of the Noise Bylaw Ad-hoc Committee with the idea of revisiting at the first meeting in September and to review the charge on the August 17th meeting. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

Downtown District bylaw update

Chairman Braccio updated the Board on the latest Planning Board public hearing held for the Downton District bylaw article. She stated that the zoning map was the main topic of discussion. She

summarized suggestions and feedback from residents in the area. Ms. Braccio stated that Planning Board Chairman Don Morris suggested a joint meeting be held between the Planning Board, Board of Selectmen and EDC to move forward with the zoning map. She said she reiterated to the Town Planner that all concerns, questions or discussions of the article should be held during the public hearings. Mr. Stivers stated that the EDC had made suggestions regarding the map at their meeting that he felt would make the district more buildable. He asked that those suggestions be forwarded to the Planning Board before their next hearing. Mr. Dennington stated that he attended the hearing and he was happy to see progress being made. He added that he is more optimistic that the bylaw will be endorsed by both the Board and Planning Board.

VI. Public Comment

Chairman Braccio moved this item to accommodate for Mr. Parry who has been in attendance waiting to speak. David Parry (22 Main Street) handed out a statement to the Board members. He read the statement to the Board as included in the packet. Chairman Braccio stated the Board took a position to not expand the zoning map for the Downtown District bylaw. She added that the public hearings are where the public can voice their opinion. She added that simply because there is a lot of feedback on the zoning map, does not mean it will change. Chairman Braccio said that as it stands today, she has no intentions of expanding the map in the future. Mr. Parry stated that he felt the position of the Board is not clear on this issue for residential Main Street west of downtown. Chairman Braccio stated she will forward Mr. Parry's statement to the Planning Board.

<u>Goal setting for FY22 for Board of Selectmen</u>

Chairman Braccio thanked Mr. Healey for updating the goal list with the Board's progress and felt it proves that this process works. There was discussion regarding the currently in-progress goals and which to update and remove. The Board agreed to remove the Regional Dispatch item and invite the Chiefs to an upcoming meeting for an update. The Board agreed to remove any goal that has been completed. There was discussion regarding the item to provide Town water for the fire department at Pine Hill Road. The Board agreed to make updates to the current list and spoke about the current and future financial software for the Town.

Mr. Healey outlined his goals which included following up with the ADA consulting report, creating a committee regarding the creation of a Senior/Community Center, planning for the tricentennial, creation of bike paths, the Golf Course Committee items and follow through with the proposal for a history walk in Town.

Ms. Malinowski outlined her goals which included a continued plan for ARPA funding, follow up on the ADA Consulting report and identifying long-term projects and potential bonding, continued focus on financial transparency and she suggested adding a name change from "Board of Selectmen" to a "Select Board" to the fall town meeting warrant.

Mr. Stivers stated he was happy to see an overlap on this list. He outlined opportunities to use federal funding for larger projects, would like to work towards a continued effort to increase affordable and diverse housing, investing in the opportunity to create a Community Center/Recreation Center and focusing on neighborhood parks such as Maplecrest. Chairman Braccio added that there is Town owned land that could be utilized by the Trails Committee such as property on Liberty Drive. Mr. Stivers agreed and stated that the Board should continue to focus on ARPA funding.

Mr. Dennington stated that he felt that prioritizing ARPA funding should be first on the list of goals. He added that the Board should consider big infrastructure goals for this funding while continuing to understand deadlines and processes. He added that his other goals are to finish the Downtown Initiative, follow through with the IT work underway and implement best practices, create a process for Town boards to implement rules and regulations and assist in the perpetuation of town initiatives laid out in the Master Plan upon completion.

Chairman Braccio outlined her goals to include providing training and resources on open meeting law to new volunteers, focus on revamping Route 9, instituting a yearly resident survey, bringing in boards and committees to more meetings for updates, and cleaning the Town House basement of old records. Mr. Purple stated that as part of the First Community Compact, a plan was created to address the records in the basement but there was no funding to implement the plan. He added funds have not yet been found to do so. Chairman Braccio described the current status of the basement and asked that the tools be provided to ensure the basement is cleaned and all records that need to be stored are protected/scanned and those that do not be removed.

Mr. Healey agreed to update the goal list and include the new goals discussed tonight to be provided at a future meeting.

VII. On a motion made by Mr. Healey, seconded by Mr. Stivers and voted all in favor, the meeting was adjourned at 9:01 P.M.

Good Government Starts with You

Date Submitted: July 4, 2021

Name: Cynthia R Foster

Home Address: [redacted]

Mailing Address: [redacted]

Current Occupation/Employer: Retired

Narrative: I am concerned that the original proposed by-law was far too restrictive and impossible to enforce. I am a Town of Southborough retiree and am familiar with the requirements of committee members and the Town Meeting process. I currently work part time for a landscape company and would like to participate in a committee that works to develop a bylaw that Southborough needs, is enforceable, and will still allow landscape vendors to operate in Town.

Board(s) / Committee(s): NOISE BYLAW AD-HOC COMMITEE CHARGE

Southborough, MA
17 Common Street

Phone: 508-485-0710

Citizen Activity Form

Good Government Starts with You

Date Submitted: July 1, 2021

Name: Jake R. Hashash

Home Address: [redacted]

Mailing Address: [redacted]

Current Occupation/Employer: Student- new high school graduate, college locally in the fall

Narrative: I would like to serve on the committee that will propose a noise by-law for Southborough (Noise Bylaw Ad-Hoc Committee). I am an 18-year-old registered voter, and my hobbies include sound engineering and noise measurement; I have my own noise level meter and have conducted many tests of sound levels of various machines and activities. I am an audiophile, and on my parent's property I help to cut the grass with a tractor, fell dead trees with a chain saw, run a leaf blower, and test and tune my 2000 Jeep Cherokee, all of which can be loud activities. Additionally, in California, I was the neighbor to many people who violated the evenings with loud parties, illegal fireworks, obnoxious motorcycles, and I lived in a town that worked to create a noise ordinance to cover the local, private airport. The reduction in daytime and nighttime noise from that ordinance made an unbelievable difference to the quality of life in that town (Pleasant Hill, CA). I feel I could add a balanced perspective by representing a young resident while also working to preserve the peaceful, rural town of Southborough, which I highly value. I am available to meet regularly as I will be attending college locally in the fall. I have a vested interest in the outcome of this law, and have always found it odd that Southborough doesn't already have one. Thank you for your consideration.

Narrative: I work part-time and have a flexible schedule, so am able to devote as much time as is needed to the Noise Bylaw Ad Hoc Committee.

I have many years of experience working on town committees, including: Town Governance Study Committee, Open Space Commission (which I chaired), and the Advisory Committee where I was the liaison to the SPD for several years. During our 26 years in town I have attended most other board and committee meetings.

I have been a member of the American Public Health Association as well as the Massachusetts Public Health Association. Both organizations have put out policy statements on the importance of addressing noise issues as they can significantly impact community members' health and quality of life.

I think it's time for Southborough to research and develop a noise bylaw to provide guides for achieving noise levels ALARA (As Low as Reasonably Achievable) that would be easily understandable and enforceable. I appreciate your consideration of my candidacy for this Committee.

Subject: 15 Main Street Demolition application closed, no permit to be granted

Dear Laurie

At a meeting of the Southborough Historical Commission, last night 10 December 2020, the Commission voted 6-0 to close the demolition application for 15 Main Street. The owners, Kristen and Karen Connell, have indicated that they are unwilling to follow the requirements of the Demolition Delay Bylaw in offering the property for sale, and the Commission felt that the plans submitted constituted a re-creation of a new structure rather than the preservation of the street facades of the existing home. Thus no permit for demolition may be granted at this time.

The Commission did indicate however its willingness to consider a new application for partial demolition of the later additions to the rear which would preserve the street facades of the original portion of the home and the slightly smaller ell to the left of the original structure. This preservation would include maintaining the size and location of current windows, the height of the current rooftops and chimney stacks, and other features of the facades such as clapboard and trim, with the possible exception of the Victorian bay window to the right of the front door if the owner so chose to remove it.

Please confirm the receipt of this email at your earliest convenience.

Michael Weishan
Chair, Southborough Historical Commission.

Mark,

I respectfully suggest you review the bylaw and the subsequent rules and regulations we have published, which were all OK'd by Town Counsel. If the owner doesn't play by the rules, they start over. If Ms Connel wishes to put her house up for sale, and no one will buy it, then she can demolish it. If not, she can't. Amen.

Thanks, M.

No, you are totally mistaken there, and we need to be clear about this. We instructed Ms. Livoli to close the previous demolition permit as the owner was unwilling to make the "continuing, bona fide efforts" required by the bylaw, in this case, to offer the property to other buyers. As the owner didn't make these efforts, it's within our power to deny the permit, which we did. The previous permit should have been closed months ago.

We are now working with her on a new plan that would preserve the front facades and the general appearance of the house.

Michael:

I don't believe that Laurie closed the demolition permit; she simply cannot issue it earlier than nine months from the date of historical significance by the Commission, which was more than 10 months ago. The issue of selling the property, which I understand the homeowner has no intention of doing, only comes into play if the demolition permit is issued before the nine months have expired with the consent of the Commission.

I have copied Laurie on this email in case I'm missing something.

Subject: Re: 15 Main Street Southborough

The demolition permit was denied and closed because the owner refused to go through the Demolition Delay process, which would mandate offering the property for sale to other interested buyers before the structure could be demolished.

She is back with us tonight with some new plans, but unless she choses to pull another permit, whatever we say is only advisory.

Michael:

Good afternoon.

I was going through some open issues, and came across this email. From what I have been able to gather, the demolition permit was filed in June 2020, and no permit of any kind has been issued to date. It would seem that even with a demolition delay, the permit should have been issued by now. Can you give me an update, as I see it is on your agenda for this evening.

Thanks.

Subject: Fwd: Legal Opinion - Historical Commission

Hi Lisa

Please see the opinion below from Aldo which clearly states that the SHC is able to promulgate additional rules and regulations relating to the DDBL. Here are those rules and regulations as pulled from the Town website.

https://www.southboroughtown.com/sites/g/files/vyhlif1231/f/uploads/revised_action_plan.pdf

The relevant section is this: 4. SHOULD THE APPLICANT BE UNWILLING TO CONSIDER RENOVATION

Should the applicant be unwilling to restore the property, the applicant must prove that he or she has made *bona fide* efforts to find an alternative buyer before a demolition order will be granted. These must include the name and contact information of a licensed real estate broker, along with a letter to the broker from the owner of recordinstructing him or her to share all information with the Southborough Historical Commission regarding the sales efforts on the property, including, but not limited to: names and contact information for all people attending showings; details of the marketing/listing campaign for the property; and all offers made on the property. The active sales effort for the property may under no circumstances be less that 120 days.NOTE: If the Commission finds that the applicant or his/her agents are not making good faith effort to find an alternative to demolition of the property, the process will halt and will not restart until the Historical Commission decides reasonable good faith efforts are being made, as determined by the facts and circumstances of each individual case

Unlike all the other property owners that have come before us, the owner of 15 Main Street was unwilling to go through this process. Therefore, the SHC notified the building commissioner that the 2020 permit was denied and no demolition permit could be granted per that permit. There should be no question about the finality of this decision, or that the original application is in anyway valid. We have continued to work with the homeowner and come up with a reasonable compromise that was on track to be completed before these issues were raised by Mr. Purple, who has repeatedly been informed that his opinions on the matter are not only erroneous but deleterious to the ongoing discussions.

Please call me at your earliest convenience to discuss.

Re: Legal Opinion – Demolition of Structure, Historical Commission Review
TCO No. 20-3103

Dear Mr. Chairman,

We have reviewed your approved opinion request, copy attached, received by this office on November 2, 2020.

In that regard, "substantial demolition" within the Southborough Demolition Delay Bylaw does need to be more specifically defined. As to your suggestion, it would be permissible to clarify a definition by quantum or percentage of the demolition, which could be at least at 25% or more, as calculated by some formula, based upon the square footage of the building and specifically, its exterior features.

Section 63-9 of the Bylaw entitled "*Additional Rules and Regulations*" grants the Commission significant authority to promulgate rules and regulations necessary to administer the Bylaw, so long as not inconsistent with applicable state law.

Accordingly, the Commission could amend its existing rules and regulations to include a clarification of the term "substantial demolition" via a specific percentage to be determined.

Eventually, however, that definition should find its way into a General Bylaw change.

Also, the form that you have furnished, which is informational to any owner/applicant, copy attached, is in acceptable legal form.

Very truly yours,

Aldo A. Cipriano, Esq.
Town Counsel

Cc: Lisa Braccio <lbraccio@southboroughma.com>

Mark

Thank you for sending this.

Regarding the 15 Main the rules and regulations: regardless of the views of certain members of the BOS regarding the validity of our rules and regulations, which I will add, have been essentially the same for the last 3 years and predate me, it remains our unanimous opinion that the owner of 15 Main failed to fulfill section H (2) of the DDBL, which clearly states: ***The Commission is satisfied that for at least nine months the owner has made continuing, bona fide and reasonable efforts to locate a purchaser to preserve, rehabilitate or restore the subject building, and that such efforts have been unsuccessful.***

The owner publicly declined to make such efforts, therefore, she is non-compliant and the demolition permit is refused. Any issuance of a demolition permit by the Building Commissioner without resubmitting a new demolition application is in fact illegal and would subject both the town and the owner to potential lawsuits.

Regarding the Old Burial Ground, I believe there has been misunderstanding. This is not a question of ownership, but rather of curatorial control. As the chief archaeological asset in the Town, the curation, care and restoration of the Old Burial Ground should be under the jurisdiction of the Historical Commission, and we are seeking to make that clear through a bylaw change at TM. Cemetery Commissions, for example, are common throughout Massachusetts and fulfill exactly these roles. We will be seeking further legal guidance on these issues.

Lisa, it might be helpful if you attended our meeting this Thursday at the museum at 6PM. It might save a lot of time and trouble if you heard this directly from us rather than the distortions of Mr. Healey.

[EXTERNAL]

Greetings Lisa,

We will attempt to answer these follow up questions in short order, furnished to us this morning, soon after our submittal of the prior legal opinion prior to 9AM this date.

Question 1: Can Historical Commission (HC) require a house to be put on the market for sale in a non-Historic District?

Answer 1: There is no statutory historical district in the Town of Southborough. Section 63-8 of the Demolition Delay Bylaw referencing such historical districts, we presume, was inserted if, in fact, the Town did decide to designate one or more areas of the Town as Chapter 40C, Historic Districts. The Historical Commission cannot compel the sale of a qualifying historical structure, but, in conjunction with the Building Commission, can compel compliance with the detailed provisions of Chapter 63.

Question 2: Does HC have the authority to deny a permit, or restart a process under the demolition delay bylaw?

Judicial intervention

Answer 2: The authority to approve or deny building or demolition permits is vested in a Building Commissioner, under the State Building Code. However, the issuance of such permits can be delayed based upon the interactive authority of the Historical Commission, under Chapter 63.

For example, in Subsection 63-3G, no demolition permit may be issued until nine-months after the date of determination by the Historical Commission that a significant building should be preferentially preserved with the Historical Commission and so informing the Building Commissioner. Also, the only way to "restart a process" is legal non-compliance, based upon the responsibility of owners contained in Section 63-4 whereby record owner must assist in the facilitation of the review process by providing information, allowing access and participating in the investigation of preservation options and finally, for actively cooperating in seeking alternatives with the Commission and any interested parties.

By way of example, if the time clock started and the record owner failed to cooperate during the nine-month timeline, then judicial intervention could be sought, both to compel compliance or to determine a violation of the provisions of the Bylaw. Enforcement of these matters is vested, as with all regulatory matters of similar nature, with the Building Commissioner's office.

Question 3: Does HC have the authority to extend a demolition delay beyond nine months after determining historical significance?

Answer 3: The Historical Commission in and of itself does not have that authority, but see Answer 2 above relative to potential judicial intervention.

Question 4: If there are other examples of where the three-page HC Fact Sheet are not in compliance with allowable authority, please cite those.

Answer 4: Per our above analysis, portions of Section 4 of the so-called Fact Sheet may not be in compliance with the intent and purpose of the bylaw. Again, this so-called Fact Sheet (which is supposed to be rules and regulations) needs significant restatement based upon the process we indicated earlier in the day, in our prior legal opinion furnished.

Restating our offer at the end of our June 14 th opinion on this issue, the Board may consider directing this office to conduct another no-cost workshop or class whereby the Historical Commission members would attend in conjunction with the Building Commissioner's officials, and possibly even yourself, as Chairperson of the Board, so that the issues may be laid out in the workshop format, with me present, to address legal and administrative issues that may exist. This is the most cost effective and expedited approach which has always resulted in success in our experience.

We hope this helps. If you need to speak on any of these points further, please do not hesitate to contact me.

Re: Legal Opinion Request, "Fact Sheet for Owners Requesting Demolition of Listing Properties" (Undated) – Southborough Historical Commission

Greetings Madam Chairperson and Board Members,

We have been asked to review a three-page document above-referenced together with our prior detailed comprehensive legal opinion to the Building Department as it related to a prior existing non-conforming structure at 45 Highland Street.

In that regard, we have evaluated and reviewed all prior opinions and proceedings with the Historical Commission subsequent to the enactment of the Demolition Delay Bylaw which we note, is a General Bylaw creating a form of moratorium for certain qualified historical properties relative to demolition.

In this regard, please be advised of the following.

We have no record of ever reviewing the three-page so-called undated Fact Sheet furnished. This document is not in the form of administrative rules and regulations, although it does include certain provisions that would be found in regulatory regulations (i.e., plan specifics, reasons for demolition, supportive other documentation).

To be valid rules and regulations of this nature, under the Historical Commission's rule making authority, we had previously advised that the regulations be prepared, reviewed by our office and subsequently submitted for public review after some form of agenda publication, that is, that the regulations would be listed on an agenda to be reviewed in public. Although this would not be a public hearing, public input would be permissible in the discretion of the Commission.

By way of example, there are potential issues in this Fact Sheet which may go beyond the intended rule making authority. One example would be the need to submit a mortgage or real estate appraisal.

Also, we note that there is much of the application process already contained in the Bylaw. This normally would be part of rules and regulations, but is not needed as it is incorporated in the Bylaw.

Accordingly, as we have indicated, we have no record of reviewing this and it is not in the proper form of rules and regulations.

We have issued several detailed legal opinions to the Historical Commission to help guide them in carrying out the provisions of the Demolition Delay Bylaw and conducted a workshop several years ago, but for not only the Historical Commission, but with a former Building Commissioner, Mark Robidoux. There has been no such follow up with the current make-up of the Historical Commission and the current Building Commissioner.

At that particular workshop, we suggested some form of a guide to be part of the application process for informational purposes and we believe that the attached was a result of that recommendation.

Relative to the legal opinion issued on January 19, 2021 for 45 Highland Street, the comprehensive substance of that opinion related to the status of the structure under the provisions applicable for prior existing, but protected non-conforming structures. We note in that opinion that the structure at 45 Highland Street qualified under Chapter 63 and we suggested that, once any form of demolition is applied for on such a qualified historical structure, that as much detail as possible be obtained as to what, specifically, is to be demolished and supervision on site by the Building Department so as to ensure compliance with local bylaws.

We hope that this clarifies the current status of fact sheets, informational sheets and rules and regulations.

Overall, we continue to stress and recommend integration of Town agencies that are responsible to carry out local Bylaw provisions and suggest that a segregation of duties and responsibilities normally does not work.

Accordingly, we again recommend some form of meeting or workshop with the Building Department and Historical Commission members present to clarify and discuss issues, concerns and particularly, jurisdictional limitations of those involved. As we have said in the past, given the compelling nature of these workshops as educational forums, so as to mitigate legal challenges, we offer these at no cost to the Town.

If we may be of further assistance, please advise.

Respectfully submitted,

Aldo A. Cipriano, Esq.
Town Counsel

August 19, 2020

To: Kristen and Karen Connell
15 Main Street
Southborough, MA 01772

Cc: Laurie Livoli, Building Commissioner

Dear Mses. Connell,

On August 18, 2020 the Southborough Historical Commission determined the home at 15 Main Street, Southborough, MA should be preferentially preserved.

Chapter 63 of Town Code refers to the Demolition Delay By-Law. Section 63-1 of Town Code is the intent and purpose of this by-law and reads as follows:

63-1 Intent and purpose.
A. This bylaw is enacted for the purpose of protecting and preserving significant buildings and structures within the Town of Southborough which constitute or reflect distinctive features of the architectural or historical resources of the Town, and to encourage owners of such buildings and structures to seek out alternative options to preserve, rehabilitate or restore such buildings rather than to demolish them, thereby promoting the public welfare and preserving the cultural heritage of the Town.

In accordance with the demolition delay By-law, we are hereby issuing an action plan for your property that details your responsibilities in this regard. This plan must be completed in full to ensure you have made *"continuing, bona fide, and reasonable efforts"* to conform to provisions of the bylaw. It is the obligation of the owner to submit a proactive plan to work with the Historical Commission either to preserve the property, in whole or in part, or find another buyer willing to do so. In

order to guide you through the process and outline your responsibilities, the following action plan has been developed.

ACTION PLAN

1. Please provide documentation of assessments of rehabilitation made by a licensed contractor or engineer.

2. Please provide all plans and documentation for future development that have been submitted to any board or commission in the Town of Southborough. The Commission requires that no demolition permit can be issued by the Building Inspector on a building/structure found by the Historical Commission to be historically or architecturally significant until all permits and approvals for use and development of the property have been obtained and issued from all other town boards. Any material change, as solely determined by the Historical Commission, in the development and/or preservation plan during the evaluation process or the delay period may require, at the sole discretion of the Historical Commission, the process to restart.

3. Please provide a copy of the most recent tax assessment of the property.

4. Please provide a copy of a recent real estate/mortgage appraisal not more than three months old.

5. Please provide details of any efforts you have made to find a buyer willing to purchase the property at the appraised value. If the commission determines that the applicant is not making good faith efforts, as determined by the Historical Commission, to find an alternative to demolition of the property, the process will halt and will not restart until the Historical Commission determines reasonable good faith efforts are being made, this will be determined by the facts and circumstances of each individual case.

STATEMENT OF REASONS - A detailed description and statement of reasons for the proposed demolition/removal. Major elevations of the building detailing the width, height, depth and setbacks as described in this application and any deterioration of the building/structure should be documented. The existing uses and proposed uses of the property must be documented along with all improvements (including but not limited to walkways, driveways, fences, swimming pools, etc.) to be completed by the proposed project for the site.

PHOTOGRAPHS – Seven sets of 3x5 or larger photographs of the property and surrounding areas and properties affected by the proposed demolition must be submitted. Each photograph must be labeled with the address of the property and the date the photograph was taken. All photographs must be keyed to a plot plan (see below) to provide a thorough location description. Slides and/or a PowerPoint

presentation may be added (but not substituted for the required photographs) at the Commission hearing.

MAP – A map containing the location of the property affected by the proposed demolition must be submitted with this application. An 8-½"x11" portion of an assessors street map showing the property may be sufficient.

PLOT PLAN – A plot plan showing (1) the building/structure footprint, (2) the structure or portion thereof sought to be demolished, and (3) the dimensions of the building/structure must be submitted with this application.

SIGNATURES and/or PROOF OF OWNERSHIP – All applications for demolition delay review must be submitted and signed by the owner of record of the property as the applicant. Proof of ownership must also be submitted with the application evidenced by a copy of the current deed to the property showing the applicant's name and/or ownership interest.

Sincerely,

Rebecca Deans-Rowe
Chair, Southborough Historical Commission

Demolition Delay By-Law, Southborough Massachusetts

Rules and Guidelines

Step 1: When a property owner decides to demolish a structure in Southborough, the property owner files an application for demolition with the Building Inspector. The person who files the application is known as the "Applicant."

Step 2: Within 7 business days of receiving the Application for Demolition, the Building Inspector forwards the application to the Historical Commission. The application must contain, in addition to the paperwork required by the Building Inspector, photos showing all sides of the building to be demolished, and a plot plan showing its location.

Step 3: Within 10 business days of receiving the Application, the Historical Commission must make an initial determination if the structure to be demolished is "significant."* This will require members of the Commission to visit the property at a mutually agreed time with the building inspector to assess the property's condition. The Commission members then inform the chairman whether or not they feel the property is significant. If the majority decide:

NO, it is not significant

The Commission then notifies the Building Inspector that a demolition permit may be issued.

The building may be demolished.

YES, it is significant

The Historical Commission then notifies the building inspector that no demolition permit shall be issued.

The Commission will next hold a public hearing within 15 business days, and will post, at the applicant's expense, notice of such hearing in the local newspaper and at the Town Hall. If after a public hearing the Commission determines that significant building should not be "preferentially preserved" the Commission shall notify the Building Inspector, and the Building Inspector may issue a demolition permit upon receipt of the written decision.

If however the Commission determines the structure to be "Preferably Preserved" the Historical Commission notifies the Applicant and Building Inspector. No demolition permit may be issued for a period of 9 months. Within 10 business days, the Commission will issue to the applicant an action plan, which will outline the efforts the Commission expects the applicant to take.

During the 9-month delay period the Applicant must make continuing, *bona fide* and reasonable efforts to locate a purchaser to preserve, rehabilitate or restore the subject building, and show that such efforts have been unsuccessful. If no alternative solution can be found, the Historical Commission will notify the Applicant and the Building Inspector, who then may issue a demolition permit.

** A "significant structure" may meet one or more of the following criteria: built in or before 1925; on, or eligible for the National Register; important to the history of the town; of significant architectural importance*

Frequently Asked Questions

What properties does this by-law affect?

This by-law only affects properties that possess buildings or structures that were constructed prior to 1925 that are included in the Southborough Massachusetts Historical Properties Survey prepared by the Commission in 2000 (with revisions and updates in 2015). A copy of this report is on file at the Town Clerk's office and at the Southborough Public Library.

What is the difference between demolition and demolition by neglect?

Demolition is defined as "*any act of pulling down, destroying, removing or razing a building or commencing the work of total or substantial exterior destruction with the intent of completing the same.*" Demolition by neglect is defined as "*a process of ongoing damage to the fabric, viability and/or functionality of an unoccupied building leading towards and/or causing its eventual demolition due to decay and/or structural failure and/or severe degradation over a period of time as a result of a general lack of maintenance, and/or failure to secure the building from pests or vandals, and/or failure to take reasonable measures to prevent the ingress of water, snow, ice, and wind through the roof, walls, or apertures.*" Demolition by neglect of potentially significant structures is signaled to the Commission by the Building Inspector, who will have first contacted the owner in an attempt to rectify the situation through mutually agreeable means. Should that fail, the Commission will hold a public meeting to determine whether the building is in fact both "significant" and "preferentially preferred." If that is determined to be the case, the Commission will then work with the Building Inspector to secure the structure.

The by-law mandates access to the property by the Historical Commission. How is that arranged?

Typically, the building inspector will contact the owner to set up a mutually agreeable time to visit the property. The owner does not need to be present; members of the Commission simply need full access to the property, inside and out. It is in the interest of the owner to make expeditious arrangements for this inspection, as no demolition permit will be granted until access to the structure is achieved.

What happens if the structure is determined to be "'preferentially preserved?" How do you define "continuing, bona fide, reasonable efforts" on the part of the applicant?

When the Commission makes the judgment that a property is preferentially preserved, the Commission shall, within 10 business days, provide the applicant with an action plan, which shall vary from property to property but may include placing notices in local and regional publications, meeting with various interested parties engaged in restoration and/or exploring alternatives to demolition as well as allowing access to the property by various experts and consultants recommended by the Historical Commission to assess rehabilitation options.

Who pays for the costs of these efforts?

Like other permitting charges and fees, these costs are borne by the applicant.

Does this process always take 9 months?

Not necessarily. If at any time the Commission is satisfied that there is no reasonable likelihood that either the owner or some other person or group is willing to purchase, preserve, rehabilitate or restore such building, and/or the Commission is satisfied that the owner has made continuing, *bona fide* and reasonable efforts to locate a purchaser to preserve, rehabilitate or restore the subject building, and that such efforts have been unsuccessful, the Commission can recommend that the Building Inspector grant the demolition permit.

What happens if the applicant doesn't make these bona fide efforts?

If the Commission determines that the applicant has not made continuing, *bona fide*, and reasonable efforts as outlined in the property action plan supplied to the applicant by the Commission, the Commission may recommend that the Building Inspector not grant a demolition permit, in which case the applicant may re-apply. The applicant should also be aware that demolishing a structure without the proper authorization may result in a substantial fine, legal action or the refusal of building permits on adjacent parcels, as outlined in section 63.7 of Southborough's demolition delay by-law.

SOUTHBOROUGH HISTORICAL COMMISSION

Fact Sheet for Owners Requesting Demolition of Listed Properties

INTENT AND PURPOSE

The Demolition Delay Bylaw is enacted for the purpose of protecting and preserving significant buildings and structures within the Town of Southborough which constitute or reflect distinctive features of the architectural or historical resources of the Town, and to encourage owners of such buildings and structures to seek out alternative options to preserve, rehabilitate or restore such buildings rather than to demolish them, thereby promoting the public welfare and preserving the cultural heritage of the Town.

In accordance with the demolition delay Bylaw, property owners requesting a demolition permit on a listed property will be sent an action plan. This plan must be completed in full to ensure you have made *"continuing, bona fide, and reasonable efforts"* to conform to provisions of the bylaw. It is the obligation of the owner to submit a proactive plan to work with the Historical Commission either to preserve the property, in whole or in part, or find another buyer willing to do so. In order to guide you through the process and outline your responsibilities, the following action plan has been developed.

ACTION PLAN SPECIFICS

The following documentation must be submitted as an PDF electronic packet to the Chair of the Southborough Historical Commission in order to consider your demolition request. Under normal circumstances, the Commission would expect the applicant to assemble and submit this information within 30 days of initiating a Demolition Permit Application with the Town. **Incomplete or partial submissions will not be considered and will extend the delay.**

1. **STATEMENT OF REASONS**

Please list your main reasons for wishing to demolish the property. For each reason, please supply an estimate by a licensed contractor or engineer to remediate each issue: i.e sills and foundation are crumbling and will require $XXK to repair; the house needs new windows-$YYK; the house needs new heating/cooling systems $ZZK etc.

2. **REDEVELOPMENT PLANS**

Please provide all plans and documentation for future development that have been submitted to any board or commission in the Town of Southborough, or that you plan to submit over the next calendar year. Plans must include major elevations of the revised building detailing its width, height, depth and setbacks along with all improvements visible

from any public way (including but not limited to walkways, driveways, fences, swimming pools, etc.) to be completed for the site. The Commission requires that no demolition permit can be issued by the Building Inspector on a building/structure found by the Historical Commission to be historically or architecturally significant until all permits and approvals for use and development of the property have been obtained and issued from all other town boards. Any material change, as solely determined by the Historical Commission, in the development and/or preservation plan during the evaluation process or the delay period may require, at the sole discretion of the Historical Commission, the process to restart.

3. PROPERTY DOCUMENTATION

The following must be provided in support of this Bylaw review for your property:

The most recent **TAX ASSESSMENT** of the property.

A REAL ESTATE/MORTGAGE APPRAISAL not more than three months old.

A SET of PHOTOGRAPHS of the property and surrounding areas and properties affected by the proposed demolition with a resolution of at least 300 DPI must be submitted. Each photograph must be captioned with the address of the property and the date the photograph was taken. All photographs must be keyed to a plot plan (see below) to provide a thorough location description. Slides and/or a PowerPoint presentation may be added (but not substituted for the required photographs) at the Commission hearing.

A MAP containing the location of the property affected by the proposed demolition must be submitted with this application. An 8-½"x11" portion of an assessor's street map showing the property will be sufficient.

A PLOT PLAN – A plot plan showing (1) the current building/structure footprint, (2) the structure or portion thereof sought to be demolished, (3) the dimensions of the building/structure, and (4) any requested changes to the footprint or building location.

SIGNATURES and/or PROOF OF OWNERSHIP – All applications for demolition delay review must be submitted and signed by the owner of record of the property as the applicant. Proof of ownership must also be submitted with the application evidenced by a copy of the current deed to the property showing the applicant's name and/or ownership interest. If the owner wishes a third party to represent him/her before the Commission, a notarized power of attorney must be submitted with the application.

Once the above materials have been gathered, the Commission will meet and review the materials. If upon such the Commission decides that the structure has fallen into such

decrepitude that cannot be restored, the Commission may vote to allow the demolition to proceed. If, however, there is a reasonable possibility for restoration, either by the applicant or other parties, the demolition delay process will continue.

4. **SHOULD THE APPLICANT BE UNWILLING TO CONSIDER RENOVATION**

Should the applicant be unwilling to restore the property, the applicant must prove that he or she has made *bona fide* efforts to find an alternative buyer before a demolition order will be granted. These must include the name and contact information of a licensed real estate broker, along with a letter to the broker from the owner of record instructing him or her to share all information with the Southborough Historical Commission regarding the sales efforts on the property, including, but not limited to: names and contact information for all people attending showings; details of the marketing/listing campaign for the property; and all offers made on the property. **The active sales effort for the property may under no circumstances be less that 120 days.**

NOTE: If the Commission finds that the applicant or his/her agents are not making good faith effort to find an alternative to demolition of the property, the process will halt and will not restart until the Historical Commission decides reasonable good faith efforts are being made, as determined by the facts and circumstances of each individual case.

5. NOTICE OF DETERMINATION

The Demolition Delay Bylaw calls for the Historical Commission to notify the Building Commissioner in writing of any determination within five business days of a hearing that reviews an affected property.

Questions? We're here to help. Please email: historical@southboroughma.com. (Note: due to Massachusetts Open Meeting Law requirements we are unable to answer questions via phone or text. All questions must be addressed in person at a Commission meeting or via email.

PROCLAMATION

WHEREAS, on August 15, 1947, India gained its independence from the United Kingdom, and is now the largest democracy in the world; and

WHEREAS, India's Independence Day is one of India's three national holidays and is celebrated by 1.3 billion people across the country with flag-hoisting ceremonies, kite-flying, and parades; and

WHEREAS, Indian Americans are the second-largest immigrant group in the United States, with nearly four million people of Indian origin residing in the United States, who contribute greatly to the social, economic and civic well-being of our Nation; and

WHEREAS, the Town of Southborough recognizes and values diversity of its residents and people everywhere, and joins with our Indian American community in celebrating their independence, rich culture and traditions.

NOW, THEREFORE, we, The Southborough Board of Selectmen, do hereby recognize August 15, 2021, as **INDIA'S 75th INDEPENDENCE DAY** and we call this observance to the attention of all of our residents.

Subj: **Disagreement between BOS and SHC Regarding Demolition Delay Bylaw Requirements and Applicability**

Honorable BOS Members:

We believe the events in the last few weeks, especially the unfavorable descriptors attached to the Historical Commission on June 15th 2021 in a public BOS session without SHC presence, are unwarranted.

We also believe that the BOS actions to override the SHC determinations regarding 15 Main Street may be contrary to the legal authority granted us within the Southborough Demolition Delay Bylaw (DDBL – see Southborough Town website https://ecode360.com/30371651). The Demolition Delay Bylaw states in Section 63.3 D through G that the Historical Commission is the body to determine whether a structure is to be Preferentially Preserved, and the sole body empowered to release a structure from this requirement (Section 63.3 H).

That said, there is an apparent disconnect between the intent of the DDBL (as evidenced by the DDBL Rules and Guidelines issued in 2016, attached) and its exact legal wording. In particular, the language in 63.3 (H) specifies that for nine months the owner must make "continuing, bona fide and reasonable efforts to locate a purchaser" to assure the Commission that no one else is willing to buy the property at market rates before demolition can be granted, but this appears to have been overlooked regarding 15 Main Street.

We wish to set aside the rhetoric on both sides and work with the BOS to affirm, and if necessary, to clarify the requirements of the Southborough Demolition Delay Bylaw. Thus, we as a unanimous body are reaching out to seek a consistent approach to managing demolition requests for this property and others that will come before the SHC.

SHC @ the Historical Museum • 25 Common Street • Southborough, Massachusetts • 01772-1662
PHONE (508) 485-0710 - FAX (508) 480-0161 – EMAIL: historical@southboroughma.com

To this end, we request a joint, public resolution session between the BOS and full SHC. To prepare and ensure this larger group time is efficiently spent, we are also formally requesting access (form attached) to the Town's legal Counsel prior to our meeting with the BOS to assist in the correct interpretation of the DDBL provisions, the degree to which the Rules and Guidelines are binding on homeowners, and identify any recommended changes for clarity. Following that session, we will be happy to meet collaboratively with the Selectmen and reach mutual accord regarding the process of ongoing review of Preferentially Preserved properties built before 1925 and thus subject to the DDBL.

Our straightforward goal is simply this: an improved spirit of cooperation and an agreement on a consistent, even-handed approach to historic properties so that we both can better serve our citizens and our history.

We should point out that the current discord and lack of cooperation between the BOS and the SHC has been distressing to all of us, bringing into question whether several members will wish to continue to serve in our volunteer SHC capacities. It should not be this way, and we would sincerely like to 'get on the same page' with you so that there is mutual understanding of the requirements and a consistent approach. We ask that you join with us in restoring mutually-respectful interactions.

Approving the attached request for access to Town Counsel is the first step; a joint meeting to resolve any difference in opinion between BOS and SHC is the second. We therefore look forward to your affirmative response and to coordinating a joint meeting as soon as possible.

Sincerely,

Kathleen Battles

New Selectmen goals to be considered for Fiscal Year 2022

Lisa

1) Provide better training and tools to our volunteers, from required OML/Agenda training to additional training and resources to allow better facilitation of the Board/Committee/Commission charges as warranted. We need to invest in our volunteers to allow them to excel. A good example is when Aldo met with Planning Board, ZBA and ConCom individually to discuss roles and answer questions as needed.
2) I would like to see more focus on Affordable Housing and RT 9 business options, the two paths may cross through repurpose, but utilizing all current, forthcoming and new grant opportunities to stay current with the economic times with vacancies and such.
3) I would like to institute a yearly survey of all employees regarding process, room for improvement, morale and general thoughts that can help us stay efficient.
4) Quarterly Committee/Commission/Board updates on what they are working on and if there is any way we can assist via email. Would like to incorporate a quarterly meeting (break into 4 groups) and have each group come to a quarterly meeting to better network and potentially be more efficient and work in less silos. So each would be required once a year to attend.

Marty

1) Develop ADA priority and funding options
2) Develop process/ad hoc committee for Senior Ctr/Community Center locations
3) Develop Infrastructure Priority List
4) 2 new committees (an FY 21 retread): 1) Tricentennial; 2) Bike
5) Review (w/ Town Counsel) - Existing committees and charges
6) Golf Course - Address Long-Term Planning
7) Walking History Park and Planning

Chelsea

1) Plan for ARPA
2) Implementation of ADA report
3) Continued focus on financial transparency

Sam

1) Enhance downtown area (e.g., proposed rezoning; acquire Parcel 54-40)
2) Add affordable/diverse housing (e.g., new units goals; "housing choice" zoning; "friendly" 40B)
3) Upgrade basic infrastructure elements (e.g., ADA gap closure; Rt 9 wastewater capacity; stormwater system upgrades; close water system gaps)
4) Enhance recreation/open space infrastructure (e.g., close sidewalk/bike path gaps, key open space parcel acquisition; neighborhood parks (Liberty, Pinecone/Maplecrest, others?))
5) Create structure/skills/staffing to maximize access to current and future Federal funding (including ARPA, proposed "Jobs Plan" legislation, proposed "Families Plan" legislation, proposed "Sanders Plan", legislation, etc.)

Andrew

Existing priorities in process that I think should be carried over into FY22:

1) Downtown Initiative
2) Get a long-term fiscal projection from Brian this quarter to set the stage for this coming budget cycle

Additional priorities, some of which are in process:

3) Integrate new IT hire - improve cybersecurity - continue working towards best practices in IT.
4) Redevelopment of aging office buildings on Route 9
    a. Increase frequency of update meetings/discussions with EDC in order to identify opportunities for same?

New priorities:

5) Identify a long-term capital goal that can be funded with ARPA and act on it - Sewer? Sidewalks?
6) Identify a long-term capital goal that emerges from Master Plan and act on it - Sidewalks?
7) Activate meals tax for 1/1/2022, per Town Meeting vote

Noise Bylaw Ad-hoc Committee Charge

Charge and Process
The Noise Bylaw Ad-hoc Committee (the "Committee") is charged with the task of preparing a draft of a proposed Noise Bylaw for Southborough (the "Draft Bylaw").

The work of the Committee shall include, but not be limited to, the following:

- Review of previous versions of noise bylaws prepared for Southborough's Town Meetings;
- Review of the noise bylaw experience of other towns, particularly with respect to measurement of noise levels and flexibility for homeowners and commercial landscapers to maintain properties;
- Consideration of enforcement issues;
- Consideration and evaluation of other approaches to selected aspects of the Draft Bylaw, and providing a report describing the "pros" and "cons" of these other approaches and the reason(s) that these alternatives were not recommended; and
- Providing periodic progress reports, as may be requested by the Board of Selectmen.

Membership
The Committee shall consist of five (5) "at-large" voting members, and two (2) ex-officio, non-voting members as follows:

- Five (5) "at-large" residents of the Town of Southborough, appointed by the Board of Selectmen;
- The Southborough Chief of Police, as an ex-officio, non-voting member; and
- One member of, or designee of, the Southborough Board of Health, as an ex-officio, non-voting member.

Term, Administration and Organization

- The Committee members shall be appointed for a term ending June 30, 2022;
- Ex-officio, non-voting Committee members shall not be counted for purposes of determining a quorum;
- Members shall serve without financial compensation; and
- The Committee shall determine what, if any, officers should be elected.

Schedule

- The Committee shall perform the work as detailed in the charge to deliver the Draft Bylaw and related reports by no later than 30 days before the printing deadline for the warrant for a Town Meeting (regular or special, as applicable) where the bylaw will be considered.
- The Committee shall work to produce a Draft Bylaw for consideration by Town Meeting as soon as reasonably possible, with the timing objective of no later than the 2022 Annual Town Meeting.

Approved by BOS 6-22-2021

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Monday, May 10, 2021, 7:00 P.M.
Location: Virtual Meeting through Zoom
Present: Marty Healey, Lisa Braccio, Chelsea Malinowski, Brian Shea, Sam Stivers and Town Administrator Mark Purple

I. Chairman Healey opened the meeting at 7:00 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. For this meeting, members of the public who wish to watch or participate in the meeting may do so in the following manner by finding the meeting at: https://www.southboroughtown.com/remotemeetings. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. **Public Comment**

Tim Litt (148 Woodland Road) stated he sent an email to the Board to urge them to reconsider their vote to supersede the Board of Health budget and asked them to support the budget as presented. He cautioned the Board against disagreeing with the Board of Health at Town Meeting.

III. **Scheduled Appointments**

Joint Meeting with Advisory Committee – FY22 Budget

Kathy Cook, Chair of Advisory, called the meeting to order at 7:03 P.M. Ms. Cook provided a summary of the 90-minute Advisory meeting that was held at 5:30 P.M. and the Board of Health budget changes that were reviewed at that meeting. The changes included restoring employee training to the amount printed in the warrant ($2,000) and restoring $300 in advertising. The Advisory Committee voted (7-0) to support the health budget at $176,863 which would equal a $57,418 amendment.

Ms. Cook gave a summary of the budget as follows:

- Health Director and nurse – is $3,000 more than the column E numbers as it fixes an error. It provides 19 hours for the health director (salary of 110k/annually) and 15 hours for the nurse (salary of 90k/annually)

- Admin/Business Associate – Board of Health requests Barbara Spiri fully within in their budget (not in Assessors) and raise her step from 4 to 5 to make her a business associate. The salary in column G is at the step 4 rate with the SAP recommended 2.8% increase. The number is for 24 hours/week.
- Per diem nurse is in addition to the requested full-time nurse.
- $10,000 scanner as Board of Health has concerns about HIPPA violations – Advisory feels $10,000 should be taken out and put into the Reserve fund (increasing the fund from $180,000 to $190,000). The new IT Director will be making a recommendation as to HIPPA compliance for all departments, not just the Board of Health.
- Phones were moved to budget line item 159 Utilities – Facilities Department budget.
- Ms. Cook stated she was going to skip over contracted services and the $800 for office supplies remains unchanged.
- Instate travel was put back to the FY 21 (Advisory has an issue with instate travel from all departments, not just the Board of Health)

Ms. Cook explained that the $300K Shared Services grant (shared with 3 other towns) has a 1.5 full-time nurse that is included. Advisory felt that was sufficient and changed the Board of Health number to zero.

Regarding contracted services, the town has an inspector who works 3 days/week. (He also works for Boylston.) Boylston is one of the towns included in the Shared Services grant. Advisory felt that would be a way to work together for some shared services using the inspector. Advisory voted 4-3 to reduce the Health Department budget by $57,418 and amend the Reserve Fund to increase by $10,000.

Discussion continued regarding the $57,000 difference as outlined below:

- Contracted services and per diem nurse – assertion that the cost would be covered by the Shared Services Grant.
- Removal of the $10,000 for the scanner
- Salary (proposed) for the business associate
- Length of contracts for full-time nurse and full-time director. Ms. Cook corrected her previous understanding of the nurse's contract length. The contract is through 12/31/21. It was later clarified that the Director's contract ends 6/30/21. A new contract is planned to be written for the July '21 through June '22 fiscal year.

Marylou Woodford was brought in for explanation on the Shared Services Grant. She stated that no Title 5 inspections will be covered by the grant. She explained that she felt Southborough will not be getting much money from the grant and added the grant is $300,000 for 3 years to be shared among 4 towns. Northborough is the fiscal agent and will receive the $300k/annually for 3 years. There is an advisory team (with one person from each town) that will help manage the money.

The grant includes:

- 1.5 public health nurse that will be shared by 4 towns.

- Southborough will be getting software for managing inspection services for food and housing. Software will get paid out of the grant. Ms. Woodford stated that since the town

DRAFT

doesn't have a lot of food inspections and housing inspections/violations, the grant does not provide much funding to the town.

The $16,800 amount that Advisory removed (states "to be covered by Shared Services") will actually be covered by CARES Act funding. Also, the contracted services for septic inspections will not be covered by Shared Services and that needs to be removed.

The contractor services budget number increased $12,000 (from $52K to $64K). This is to increase inspection service availability from the current 3 days to 5 days. Ms. Woodford stated that almost 90% of the contracted services line (for inspection services) goes back to the town and that almost $50,000 has been received this year.

Ms. Woodford said there is a new requirement that every house and business that is bought and sold has to go through the Health Department. While she agreed with Ms. Cook that Title 5 inspections have been in place, she feels that since Mr. Pisinski's contract ends at the end of June, there will not be coverage for Mondays & Tuesdays when he used to be available for emergency inspections.

Mr. Stivers mentioned the pending American Rescue plan that has a lot of funding sources. It is a grant that Southborough will get potentially within a month at approximately 500k. It is for COVID related expenses and will be available to be used during the full FY22 period.

Ms. Cook continued that Advisory has worked with the Board of Health on their budget. The Board of Health has asked to leave Ms. Spiri at her 24/16 hour schedule (Health/Assessors) and Advisory worked out a plan to pay for more than the 24 hours, if needed. The Board of Health would like her to have her at the office daily, she needs to be given her own laptop (which would allow her to do Assessor work from the Health office). Mr. Cibelli said Ms. Spiri could work most of his 16-hour allocation and that he would only need her occasionally for special projects. Any additional hours above the 24 would be paid for by CARES Act funding.

Ms. Cook suggested that the CARES Act funding be maximized. Reimbursement will not be made if there is funding in the budget. She stated that the Board of Health budget is more likely to get funded than the Assessor's budget and that is why Advisory wanted to keep the 24/16 split. She feels that in the fall and with the status of COVID, there is an opportunity to revisit staffing needs versus what is being requested. Ms. Cook stated that she has an issue with comments that Advisory is micromanaging the Health Department budget. Advisory was trying to work with them in a fiscally responsible manner so they could take advantage of CARES Act funding and not double their budget in one year.

Ms. Woodford was still uncomfortable with not having all the business associate's hours in the Health budget due to possible unforeseen situations.

Chairman Healey made a motion to support the budget that was approved by the Advisory Committee this evening (7-0) with the exception of the contracted services line item. Ms. Braccio seconded. The motion passed by roll call vote (4-1-0), Braccio, aye; Malinowski, aye; Shea, aye; Stivers, nay; Healey, aye. Chairman Healey made a motion to amend the reserve fund amount from $180,000 to $190,000. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

The Capital Planning Committee joined the meeting and Chair, Jason Malinowski called the meeting to order at 8:14 P.M. Mr. Shea indicated that he was surprised at how high the bid

price was. He did not have any concerns with the façade and the demolition delay bylaw is still in play. Mr. Shea expressed concern with fact that one of partners that submitted the bid is also a part of the Capital Planning Committee and that this needs to be vetted, including timeframes for when this member participated in votes on the Capital Planning Committee with respect to the timing of the RFP. Placing a call to the AG's office is in order per Mr. Shea. Mr. Healey agreed that this was fair.

Ms. Malinowski wanted to see more than one bid to give residents a comparison on (1) the price and (2) what was going to be done with the property. Ms. Malinowski is on fence on whether to bring to Town Meeting.

Ms. Braccio was also surprised that there was only one bid. She was also surprised by the amount of the bid. Ms. Braccio indicated that the Town needs to weigh the opportunity of the bid and what the value is, as opposed to looking into affordable units. As it stands today, Ms. Braccio indicated that she was not ready to bring forward to Town Meeting.

Mr. Healey indicated that his initial inclination is to bring to Town Meeting. He also indicated that if the Town's requirement was to protect the façade, the amount of the bid will go way down. Taking into consideration that a decent amount of maintaining the structure was included in the bid, Mr. Healey indicated that $700,000 is a decent price, looking in the prism of what happened with Fayville Hall.

Mr. Malinowski prefaced to the Board that the Capital Planning Committee has not met since bid came in and scoring was performed. Mr. Malinowski reminded the BOS that the main reason that the Capital Planning Committee recommended that the BOS go out to RFP was: (1) $37k per year to maintain to house two departments; (2) over $500k of capital to be spent in the next ten years on the building, with a good majority coming sooner rather than later. Mr. Malinowski reconfirmed these numbers with Mr. Parent in advance of tonight's meeting and Mr. Parent stood by the aforementioned figures. Other items he outlined for the BOS to consider as they decide on next steps include the fact that two departments in South Union would need a home. Also, the playground was scoped out of the plan and there would be expenditures to repurpose. With respect to the scoring, it was all or none; for the façade, the intent was to say that they were trying to honor that request.

Mr. Healey asked the Board if the board needs more time and expressed that he is agnostic with respect to this. Ms. Cook, Chair of Advisory, added that the impact of adding heads on schools is a red herring; school costs are fixed. Ms. Cook also brought up the possibility of real estate tax income if the building were to be sold.

Ms. Braccio agreed the decision on South Union is the decision of Town Meeting. She is willing to change her opinion to let Town Meeting vote. Ms. Malinowski added that she is not opposed to bring to Town Meeting but the BOS needs to vet what Mr. Shea brought up earlier in the discussion. Mr. Shea would be in favor to bring to Town Meeting if there were a vote tonight, assuming a positive outcome from the vetting process. Mr. Stivers asked what would be brought to Town Meeting and Mr. Healey indicated that it would be the article in the Town Warrant with the bid figure added. Mr. Stivers added he is on the fence and it is call of the voters. Mr. Stivers felt the Town could get a better bid if they went back out with another RFP. Mr. Healey indicated

DRAFT

that the consensus is that this will be addressed more on May 18th. Mr. Purple agreed nothing needs to be done for Town meeting since it is already on a warrant article.

Ms. Braccio asked Mr. Healey how this would be presented at Town Meeting. Mr. Healey expects that the Capital Planning Committee would be heavily involved in a presentation and participation in any Q&A.

Mr. Malinowski asked the BOS if there was an appetite to reach out to the party that made the bid. He also opined that the BOS needs to be able to articulate why it is worth moving forward with, including pros and cons. Mr. Healey responded that he is not prepared to take a vote on the merits of the proposal. Ms. Cook offered her opinion to move to the Fall Town Meeting. When asked by Mr. Healey if this would be an option, Mr. Purple indicated that this is something that could be investigated, with counsel involvement.

Mr. Palmer asked if Town Meeting could be used as a forum to set the criteria for the P&S. Mr. Healey did not believe so and Ms. Braccio indicated that any suggestion by Town Meeting would not be binding. Ms. Cook thanked Mr. Shea for his service to the Town as a Board member. The Advisory meeting adjourned at 8:42 P.M. The Capital Planning Committee meeting adjourned at 8:43 P.M.

IV. Reports

Chairman's Report

Mr. Healey gave accolades to Mr. Shea for his time and effort given to the Town as his role on multiple boards and committees and especially the Board of Selectmen. Ms. Braccio thanked him for his work and stated she learned a lot from him and enjoyed working with him. Ms. Malinowski said she enjoyed working with Mr. Shea and thanked him for volunteering his time. Mr. Stivers echoed his colleagues' comments and he appreciates his service to the Town. Mr. Purple stated each member brings something different to the Board and Mr. Shea brings a calming presence to the Board and is very much a bridge builder. He added that Mr. Shea has helped navigate many difficult issues. Mr. Shea thanked Mr. Purple and Ms. Hale for their assistance over the years and all the department heads. He stated the Town is well served and thanked all nine members he served with over the years.

Members' Reports

None

Town Administrator Report

None

V. Consent Agenda

a. Chairman Healey made a motion to approve Meeting Minutes: April 13, 2021 Open Session. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

b. Chairman Healey made a motion to accept the donation of $250.00 from Main Street Bank for Recreation Summer Concert Series. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

DRAFT

c. Chairman Healey made a motion to approve Police Department Policy for Traffic Constables. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

VI. Other Matters

Continued discussion regarding flag placements at the Old Burial Ground

Mr. Healey stated he did some additional research on topics that was raised at the discussion last week including the EOC decision regarding this flag. He stated that none of the decisions found that any of the flags currently in the Old Burial Ground were problematic themselves. He summarized the purpose of the flags in the Old Burial Ground. He gave the recommendation that the Board do not vote whether to remove the flags as the authorization has been given to the veterans to fly the flags and he did not see any basis to do remove them. He added that concern was shown that the flags are being presented in an inappropriate way across the country. Chairman Healey stated that is not being done here, but there is concern that the Town could be seen in a bad light. He suggested a collaboration to solve that issue through a plaque, literature or other avenues to ensure that misappropriation of important American History is not represented here and to make clear that it is not the intent of the flags.

Ms. Braccio stated she also looked at some additional history of the flags. She said the foundation of the Country is to allow every person to stand up and be heard. She gave the example of athletes kneeling at the presentation of the flag and added that having the discussions of these flags is allowed but does not change history. Ms. Braccio stated the intent is not for misappropriation but education is key. She suggested adding literature and collaborating with the veterans and Historical Society to present both the positives and negatives of the flag. She stated she would like additional history added to the historical walk about the Burial Ground and she supports Chairman Healey's suggestion.

Ms. Malinowski thanked all the speakers from the previous meeting for educating her and giving all perspectives. She stated that the takeaway she took was the intent of the flag and its original meaning and about Ms. Deans-Rowe stating her generation has a different view of the flag. She likes the idea of educating the public on the original intent of the flag and what it is currently used for and how it's been misrepresented. Ms. Malinowski stated she supports Chairman Healey's suggestion to collaborate and to educate.

Mr. Shea gave an example of political parties and politicians using a popular song to tie their campaign theme to. He described some instances where there were agreements between the artists and politicians and some where it was not allowed. He stated that it is up to society to stand up for Mr. Gadsden who is no longer alive and to stand up for the original meaning of the flag. He suggested using CPC funds to share the information Mr. Kolenda presented regarding the flag at last meeting. He quoted James Madison and he felt the Board needs to provide the knowledge and education of the true meaning of the symbols. He added he is in favor of keeping the flags and teach the historical significance of all the flags.

Mr. Stivers stated he felt there should be historical materials for the entirety of the Old Burial Ground and suggested looking into making it a part of the National Register of Historic Places. He stated he appreciated the opinions of both the veterans and the younger generation who identified the flag with a different meaning than its original. He added that he hopes the continued conversations address the fact that Southborough does not support any

misrepresentation of the flags and that some flags may be placed on grave locations. He asked for an investigation into whether flags are placed on graves sites and if so, that they are moved.

Chairman Healey stated he appreciated the presentations from Ms. Deans-Rowe and Ms. Watters regarding the history of the Old Burial Ground. He asked for authorization from the Board to invite those interested to continue conversations to honor those buried in the Old Burial Ground and educate the public on the intent and meaning of the flags. The Board agreed. Chairman Healey stated he will reach out to Mr. Kolenda, Mr. Whynot, Ms. Deans-Rowe, Ms. Watters and the Historical Commission to ensure the representation and placement of flags are accurate. Ms. Braccio said that she may be misinterpreting the text, but thought in the book "Lost Southborough" by Michael Weishan, he stated the Old Burial Ground is also a Nipmuc Indian Burial Ground. She added if this is true, she would like that to be included in the history. She asked Chairman Healey to reach out to Mr. Weishan for clarity and he agreed to do so.

Review of bid submittals for disposition of South Union School

This item was discussed under item three.

Town Meeting preparation – Assignment of articles, presentations

Mr. Purple explained the process for assigning articles to Board members as outlined and listed in the packet. Chairman Healey stated this was reasonable and asked that he be removed from the capital budget bonding article. Mr. Purple agreed to do so.

Discussion of next steps for bid submittals for Legal Services RFP

Chairman Healey asked Mr. Stivers and Mr. Purple to review the bid responses to ensure all five followed submittal protocols. He recommended that all applications that qualified for Board review be brought forward to a meeting for public discussion. The Board and Mr. Purple agreed. Chairman Healey asked that any representatives or firms whose applications meet the RFP requirements be contacted to schedule interviews for lead counsel. The Board agreed.

VII. Public Comment

None

VII. Chairman Healey made a motion to enter into Executive Session per M.G.L. Chapter 30A, Section 21, and not returning to Open Session – to discuss strategy with respect to litigation for the listed items (Exemption 3), Louise Barron, et al. v. Southborough Board of Selectmen, et al. [Exemption 3] and Huang, et al. v. Southborough Zoning Board of Appeals, et al. [Exemption 3] as the Chair declares that an open meeting may have a detrimental effect on the litigating position of the public body at 9:13 P.M. Mr. Shea seconded. The motion passed all in favor (5-0-0) by roll call vote, Braccio, aye; Malinowski, aye; Shea, aye; Stivers, aye; Healey, aye.

Upcoming Meetings
May 18, 2021
Annual Town Meeting May 22, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

List of Documents referred to at the May 10, 2021 BOS Meeting:

Position Description

Job Title	Senior IT Specialist
Department	Information Technology
Employment Status	Full-Time
Exempt/Non Exempt Status	Non-exempt

Scope of Work

This position provides network/desktop support and backup support as directed by the IT Manager; serves as the primary manager of one or more of the following: workstations, network, GIS, website, servers, and/or application(s).

Acts in the capacity of the IT Manager when he/she is unavailable.

Supervision

Received	IT Manager
Exercised	None

Essential Job Functions **The job functions listed herein are neither exclusive nor exhaustive, but are intended to be illustrative of the types of tasks the employee will most likely be expected to perform on a regular basis. The employee may be asked to perform different or additional tasks than the ones listed here, as the needs of the employer and/or the requirements of the position change.**

- Assist in tracking help desk calls pertaining to application(s), networking, systems problems and issues, up to and including resolution of work orders.
- Build rapport and elicit problem details from help desk customers.
- Identify, diagnose, analyze data and resolve problems for users regarding software and hardware, networking and infrastructure including cyber-security risk management; communicates solutions to end-users.
- Contribute to the development of IT related policy and strategy development to enhance services, research relevant technology protocol that would benefit and sustain mission of all town departments, initiate changes that improve efficiency of all departments

Date of approval:

SAP, SCHEDULE A, GRADE X

- Provide hardware support of end-user equipment, such as installing replacement hardware or upgrading hardware, maintaining computer inventory (including supplies) database.
- Performs daily checks of server event logs, scheduled backups, and intrusion-detection logs
- Support Software/Hardware on equipment such as, Scanners, Copiers, Printers, Monitors and other peripherals.
- Manage and administer various IT related services, such as telephone networks, municipal software, website and social media relations etc.
- Primary employee on-call for emergency situations for town departments, such as the Police Department, the Fire Department, etc.
- Supports the goals of the IT Department through creative problem solving, decision making and a commitment to customer service.
- Administers e-mail accounts, network user accounts and monitors internet bandwidth.
- Facilitate technology needs for board/committee meetings and other internal functions of municipal government.

Other Job Functions

- Performs related duties as assigned.

Requirements of Work

High School Diploma / GED Required. A ~~,~~ b~~B~~achelors d~~D~~egree or higher is strongly preferred, as are relevant certifications~~.~~. Five years or more of responsible experience in an information technology environment; or an equivalent combination of education and experience.

Knowledge of	• Comprehensive knowledge of Windows operating systems. • Networking fundamentals (Network+, Security+ or Cisco certification a plus) • Comprehensive knowledge of Windows Servers (Microsoft Server Certification MCSA). • Office 365 & Azure.
Ability to	• Ability to manage multiple projects with time related constraints in a fast- paced environment. • Ability to establish and maintain cooperative relationships with town officials, employees community partners and vendors • Possess wherewithal to influence others with supporting relevant research and documentation • Provide excellent judgement when reviewing potential errors, program development and cost analysis for procurement of supplies and services • Conduct employee training for various applications to a wide variety of end users

Skill in	• Must be well organized, an effective communicator at multiple levels and able to grasp system concepts and communicate their applications. • Must be capable of quickly learning new systems and associated software applications for proficient execution of tasks. • Liaise I.T. initiatives between disparate groups of internal and/or external customers, appointed/elected officials or employees. • High level of integrity and accountability • Diagnostic and problem solving skills

Necessary Special Requirements

Current drivers license

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Work is performed mostly in an office setting; hand-eye coordination is necessary to operate computers and various pieces of office equipment. Specific vision abilities required by this job include close vision, prolonged visual concentration, and the ability to adjust focus.
- While performing the duties of this job, the employee is frequently required to sit, stand, walk, talk and hear; use hands and fingers to handle, feel, or operate objects, tools, or controls and reach with hands and arms.
- The employee is occasionally required to climb, balance, stoop, kneel, crouch, or crawl.
- The employee is occasionally exposed to unpleasant conditions, such as heat, cold; dim or bright lights, dust, and noise.
- The employee must occasionally lift and/or move up to 50 pounds.

Town of Southborough is an equal opportunity employer. We recruit, employ, train, compensate, and promote without regard to race, religion, creed, national origin, age, gender sexual orientation, sexual identity, marital status, military or veteran status, disability, genetic information, or any other category protected by applicable federal, state or local

SOUTHBOROUGH HISTORICAL COMMISSION

Before planning to demolish a structure in the Town of Southborough, in whole or in part, here are some important things to keep in keep in mind.

Southborough in 2016 enacted a Demolition Delay Bylaw that may place a demolition delay on "*Any building, in whole or in part, which was constructed prior to 1925 and is included in the Southborough Massachusetts Historic Properties Survey prepared by the Commission in 2000 (with revisions and updates in 2015) on file with the Town Clerk's office.*"

It is the homeowner's responsibility to ascertain whether or not their property is subject to the bylaw. You may check online HERE, or inquire directly with the Southborough Historical Commission at historical@southboroughma.com. Substantial penalties may be incurred through failure to comply with the bylaw. The text of the law may be found HERE.

For the purposes of the ByLaw, the Commission has determined that "total or substantial exterior destruction" is defined as any change that will permanently alter any façade of an historically significant structure viewable from any public way by more than XX%.

The purview of the Historical Commission extends only to the exterior of the structure. Interior renovations are not subject to SHC review, but of course require appropriate permitting from the Building Commissioner and other Town departments.

Some commonly asked questions:

I have a property listed in the Massachusetts Historic Properties Survey: Do I need to Historical Commission permission to:	
Paint my house a different color?	NO
Replace my windows or doors?	NO (though we would suggest looking at historically appropriate styles)
Build an addition or add a garage?	NO
Alter the interior in any way?	NO
Remove a tower, porch or gable on the front of my house?	YES
Tear down a wing of my house viewable from a public way?	YES
Permanently alter any street façade by more than XX%?	YES
Demolish any listed structure entirely?	YES

Questions? We're happy to help. Email us: historical@southboroughma.com

Town of Southborough, MA
Monday, June 14, 2021

Chapter 63. Demolition Delay

§ 63-1. Intent and purpose.

A. This bylaw is enacted for the purpose of protecting and preserving significant buildings and structures within the Town of Southborough which constitute or reflect distinctive features of the architectural or historical resources of the Town, and to encourage owners of such buildings and structures to seek out alternative options to preserve, rehabilitate or restore such buildings rather than to demolish them, thereby promoting the public welfare and preserving the cultural heritage of the Town.

B. To achieve these purposes, the Southborough Historical Commission is authorized to advise the Building Inspector with respect to the issuance of permits for the demolition of significant buildings. The issuance of demolition permits for significant buildings is regulated as provided by this bylaw.

§ 63-2. Definitions.

BUILDING INSPECTOR
The person occupying the office of Building Inspector or otherwise authorized to issue demolition permits.

BUILDINGS AND STRUCTURES
Any combination of materials forming a shelter for persons, animals, or property that constitute the historic built environment of the Town.

COMMISSION
The Southborough Historical Commission.

DEMOLITION
Any act of pulling down, destroying, removing or razing a building or commencing the work of total or substantial exterior destruction with the intent of completing the same.

DEMOLITION BY NEGLECT
A process of ongoing damage to the features, viability and/or functionability of an unoccupied building leading towards and/or causing its eventual demolition due to decay and/or structural failure and/or severe degradation over a period of time as a result of a general lack of maintenance, and/or failure to secure the building from pests or vandals, and/or failure to take reasonable measures to prevent the ingress of water, snow, ice, and wind through the roof, walls, or apertures.

DEMOLITION PERMIT
The permit issued by the Building Inspector for a demolition, substantial demolition or removal of a building, excluding a demolition permit issued solely for the demolition of the interior of a building.

HISTORICALLY OR ARCHITECTURALLY SIGNIFICANT BUILDING

Any building, in whole or in part, which was constructed prior to 1925 and is included in the Southborough Massachusetts Historic Properties Survey prepared by the Commission in 2000 (with revisions and updates in 2015) on file with the Town Clerk's office.

PREFERENTIALLY PRESERVED

Any historically or architecturally significant building which the Commission determines is in the public interest to be preserved or rehabilitated rather than to be demolished.

§ 63-3. Procedure.

A. No permit for the demolition of a historically or architecturally significant building shall be issued other than in conformity with the provisions of this bylaw, as well as in conformity with the provisions of other laws applicable to the demolition of buildings and the issuance of permits generally.

B. Application contents: Every application for a demolition permit for a historically or architecturally significant building shall be filed with the Building Inspector and shall contain the following information: (i) the address of the building to be demolished; (ii) the owner's name, address and telephone number; (iii) a brief description of the type of building and the condition requiring issuance of the permit; (iv) date of building as established by the Board of Assessors, deed or documentation verifying year of construction; and (v) a brief description of the proposed reuse, reconstruction or replacement on the premises upon which the building is located.

C. Within seven business days from receipt of an application for a demolition permit of a historically or architecturally significant building, the Building Inspector shall forward a copy to the Commission. No demolition permit shall be issued during this time.

D. Within 10 business days after receipt of the application for demolition permit by the Commission, the Commission shall make a determination of architectural and/or historical significance based upon the federal Secretary of the Interior's standards for historic buildings. Upon determination by the Commission that the building is not architecturally and/or historically significant, the Commission shall so notify the Building Inspector in writing. Upon receipt of such notification, or after the expiration of 15 business days from the date of submission to the Commission, if the Building Inspector has not received notification from the Commission, the Building inspector may issue the demolition permit.

E. Upon determination by the Commission that the building is historically and/or architecturally significant, the Building Inspector and applicant shall be so notified in writing, and a demolition permit shall not be issued. The Commission shall hold a public hearing within 45 business days of the determination of significance to determine whether the building should be preferentially preserved. Public notice of the time, place and purpose of the hearing shall be published by the Building Department at the expense of the applicant in a newspaper of general circulation in the Town not less than seven days before the day of said hearing and shall be posted in a conspicuous place in the Town Hall for a period of not less than seven days before the day of said hearing.
[Amended 3-23-2019 ATM by Art. 26]

F. If after a public hearing the Commission determines that the significant building should not be preferentially preserved, the Commission shall notify the Building Inspector, in writing, within five business days of the hearing, and the Building Inspector may issue a demolition permit upon receipt of the written decision.

G. If after a public hearing the Commission determines that the significant buildings should be preferentially preserved, the Commission shall so notify the Building Inspector in writing within

five business days of the hearing, and no demolition permit may be issued until nine months after the date of the determination by the Commission.

H. Notwithstanding anything contained in Subsection **G**, the Building Inspector may issue a demolition permit for a preferably preserved building at any time after receipt of written advice from the Commission to the effect that either:

(1) The Commission is satisfied that there is no reasonable likelihood that either the owner or some other person or group is willing to purchase, preserve, rehabilitate or restore such building; or

(2) The Commission is satisfied that for at least nine months the owner has made continuing, bona fide and reasonable efforts to locate a purchaser to preserve, rehabilitate or restore the subject building, and that such efforts have been unsuccessful.

§ 63-4. Responsibility of owners.

It shall be the responsibility of the owner of record or his designee to assist in the facilitation of the above process by providing information, allowing access to the property and securing the premises; for participating in the investigation of preservation options; and for actively cooperating in seeking alternatives with the Commission and any interested parties.

§ 63-5. Emergency demolition.

Nothing in this bylaw shall prohibit the Building Inspector from immediately ordering the demolition of any building in the event of imminent danger to the safety of the public pursuant to the applicable standards under the State Building Code.

§ 63-6. Demolition by neglect.

A. If the Building Inspector has reason to believe, through visual inspection or other means, that a significant building may be undergoing demolition by neglect, then the Building Inspector shall notify the Commission and the owner, and the Commission and the Building Inspector shall jointly hold a public hearing to i) confirm whether or not the building is a significant building, and ii) determine whether or not it is undergoing demolition by neglect, which shall require the concurrence of the Commission. In furtherance of determining its condition, the Commission may, at any time, request an inspection of the building by the Building Inspector.

B. If the Commission and the Building Inspector agree that the building is undergoing demolition by neglect, the Commission and the Building Inspector shall attempt to negotiate a voluntary agreement with the owner for appropriate and timely repairs sufficient to structurally stabilize the building and/or prevent further deterioration. The Building Inspector will report the result to the Commission.

C. In the event that the Building Inspector determines that he is not able to negotiate such an agreement with the owner, for any reason, or that the owner has agreed to undertake but has failed to satisfactorily complete such repairs in a timely manner, then the Building Inspector may take such action as is permitted, including seeking a court order that specific repairs be undertaken to secure the building against the elements, vandals and vermin, to halt further deterioration, and to stabilize it structurally. The Building Inspector may forbear from commencing an action in court for any reason and will preferentially consider any claim of undue economic hardship by the owner.

D. Upon completion of all repairs that have been agreed upon between the owner and the Building Inspector or that have been ordered by the Building Inspector, or that have been ordered by the court, and upon certification by the Building Inspector that said repairs have been completed, the Building Inspector shall certify that the building is no longer undergoing demolition by neglect.

§ 63-7. Enforcement and remedies.

The Building Inspector is specifically authorized to institute any and all actions and proceedings, in law or equity, as he or she may deem necessary and appropriate to obtain compliance with the requirements of this bylaw or to prevent a threatened violation thereof. No building permit shall be issued with respect to any premises upon which a significant building has been voluntarily demolished in violation of this bylaw for a period of two years after the date of the completion of such demolition. As used herein, "premises" refers to the parcel of land upon which the demolished significant building was located and all adjoining parcels of land under common ownership or control.

§ 63-8. Historic Districts Act.

Nothing in this bylaw shall be deemed to conflict with the provisions of the Historic Districts Act, MGL c. 40C. If any of the provisions of this bylaw do so conflict, that Act shall prevail.

§ 63-9. Additional rules and regulations.

The Historical Commission is authorized to promulgate from time to time rules and regulations it deems necessary to administer the bylaw that are not inconsistent with applicable state law.

STATEMENT FROM DAVID PARRY TO BD OF SEL. Thurs July 22, 2021

You, the BOS, are the official sponsor of the new Downtown Zoning article.

You have forwarded your article to the Plg Bd, and they are now reviewing it at public hearings.

If you watched the PB hearing 4 days ago, you witnessed the start of big, new problem for passage of your article.

Because some owners of resid prop along Main, west of dntn, now request their resid lots be INCLUDED in your Zn

They want to allow commercial uses on their lots, which are now zoned residential.

Some of you may recall that in the 1980s, this same issue arose, causing a storm of protest at the ZBA.

It was called "creeping commercialism". A lawsuit was filed which was finally resolved at the State Ct of Appeals. No commercial uses were allowed to spread westward onto resid lots.

Also – every Tn M Plan since then included GOAL of preserving historic resid character of Main St, west of dntn.

So WHY is this happening AGAIN, now?

FIRST ONE owner of resid lot on NORTH side Main, asked to be in the cmcl zone. Then SECOND owner SOUTH side.

Then a resid suggested that the cmcl zone be extended to include ALL lots , north and south sides, all the way to 85, or even to Fay Sch and the Tn Hs.

All these suggestions are now being MAPPED by the town planner, for presentation at the next PB hearing Aug16.

This is domino effect. First one homeowner, then another, makes a request to profit INDIVIDUALLY from cmcl zoning, at the expense of OTHERS.
Because allowing new cmcl uses on these resid lots, will make ALL resid lots vulnerable, and will reduce the property value of ALL resid lots along Main west of dntn.
This is just starting to pit neighbor against neighb.
What can stop this? ... Is there a way for you, the BOS to head off this coming storm? Yes there is.
The problem has arisen because the BOS has not been sufficiently clear about its policy position, relative the future zoning of Main St, west of dntn.
You have not yet clearly stated that you agree with the Tn M Plan – namely, to preserve the hist resid character of Main, west of dntn.
In CONCLUSION, I respectfully request, that the BOS send a letter to the Plg Bd, to make clear your support of the M Plan goal of preserving the hist resid character of Main St West of dntn, and FURTHER, that the BOS does NOT support expansion of the proposed Dntn Zone to the west of the existing dntn boundary of the zoning map.
Please would one of you make a motion and act on this tonight, before it is too late.

TOWN OF SOUTHBOROUGH
DEPARTMENT OF PUBLIC WORKS

147 Cordaville Road
Southborough, MA 01772

Tel: 508-485-1210
Fax: 508-229-4444

DATE: August 12, 2021

MEMORANDUM

TO: **Southborough Board of Selectmen**
CC: **Mark Purple, Town Administrator**
FROM: **Karen Galligan, DPW Superintendent**
SUBJECT: **Miscellaneous Agenda Items/Updates**

The following updates are based on the August 17th agenda.

Main Street Project:

- The Town has a punch list put together for the project. This includes:
  - Reducing the wall height at School Street and Main
  - Fixing the entrances to the Town House from Common Street
  - Completing the plantings and landscaping
  - Replacing several dead trees
  - Replacing the stone marker
  - Re-installing the cast iron street signs and dedication sign
  - Fixing the street sign that is mis-placed
- MassDOT has been in touch with Verizon about completing their utility work. They have completed their copper work, but the fiber work still needs to be completed. This work has to be done at night due to customer use and down time for the cable.
- When Verizon's work is complete, tentatively by October 1st, NGrid can remove the poles and the contractor can complete the sidewalk work, curbing and miscellaneous street work on the State's punch list.

CSX:

- CSX crossing is not part of the Downtown and Various Streets Project
- Crossing work is designed and contracted by CSX
- $44,626 design fee paid from Chapter 90 Main Street funds
- Construction costs estimated by CSX at $540,000
- Funding source needs to be determined

Shared Streets Grant:

- Work is part of the Main Street Downtown and Various Streets Project

Complete Streets:

- Southborough's Complete Streets Prioritization List approved by MassDOT on 4/21/21
- Southborough can begin requesting Complete Streets Grants, up to $400,000 per year, for work on the list

Flagg Road HCVE:

- HCVE needs to be in both directions
- Westborough DPW not supportive of using part of their Route 30 as part of our truck route
- MassDOT is looking into what signs might be allowed on Route 9 to deter TT from using Flagg Road
- If send in the request and report – need to vote alternate route

Newton Street Water Main:

- Project in design
- Design funded through Water Budget
- Construction could be funded through re-allocation of funds from Article 9 2014ATM

Northborough Road:

- Looking into costs and consequences to open road and re-create stream across right-of-way
- Looking into costs to install new, compliant culvert
- Hoping to be ready for funding article at STM

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, August 17, 2020, 6:15 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA and Virtual Meeting through Zoom
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairwoman Braccio called the meeting to order at 6:18 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via both in-person and remote participation to the greatest extent possible. Members of the public and/or parties with a right and/or requirement to attend this meeting may do so in-person. They also may watch or participate in the meeting remotely by finding the meeting at: https://www.southboroughtown.com/remotemeetings. Specific information and the general guidelines for remote participation can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. In the event that, despite best efforts, the public is not able to access the proceedings in real time via those technological means, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Scholarship Committee recipients

Chairwoman Braccio asked to move this item to the first on the agenda to accommodate the attendees. She welcomed the recipients and commended them for their educational achievements. The Board announced each recipient and gave a background on their accomplishments.

The two Carol Harris Scholarships were awarded to the following:

Emmelia Habib whose extracurricular activities and work experience include Algonquin Tiny Tomahawks Pre-School Teachers, Teacher Assistant ant NextGeneration Children's Center. Ms. Habib will be attending Westfield State University.

Grace Hartnett (participated remotely through Zoom) whose extracurricular activities and work experience include the Special Olympics, National Honor Society, DECA and Global Goals. Ms. Hartnett will be attending the University of Maryland.

The three Town Scholarships were awarded to the following:

Olivia Battles whose extracurricular activities and work experience include Best Buddies, Harbinger, Freshman Orientation Leader, Administrative Assistant to the Southborough Town Clerk. Ms. Battles will be attending the College of the Holy Cross.

Erin Desmond whose extracurricular activities and work experience include Best Buddies, Varsity Field Hockey, Varsity Rugby and employment at Beaumont Nursing Home. Ms. Desmond will be attending Mount Holyoke College.

Bennet Yee whose extracurricular activities and work experience include Special Olympics, Volleyball, Green Earth Club and Algonquin Full Orchestra. Mr. Yee will be attending Washington University in St. Louis.

II. Public Comment

Laura Scott (37 Presidential Drive) handed out photos of 35 Presidential Drive to the Board and described her pending court appeal of a ZBA appeal decision regarding building permit BP-21-92. She asked that Town Counsel review the process followed to permit the building permit and review the correspondence from the Building Commissioner to the builder. She asked that the Board issue a stop work order on the project at 35 Presidential Drive and that the Planning Board and Board of Health review the project while her case proceeds. Mr. Purple informed Ms. Scott that the documents have been scanned and distributed to those members participating remotely.

Scheduled Appointments

Volunteer Interviews for Youth Commission vacancy, term 6/30/24

i. David Joyner

Mr. Joyner described his reasons for volunteering and his experience on the Community Preservation Committee. He stated he was approached by Ms. Cassell to volunteer and gave a background of his work within the community and his career. He stated he recently joined the Big Brother- Big Sister Maisy Program and explained how that aligns with Youth and Family Services. The Board asked Mr. Joyner questions regarding his background and his goals with the Commission. He listed his goals and the experience he could bring to the Commission. Lauren Richey, Chair of the Southborough Youth Commission summarized her conversation with Mr. Joyner and stated she felt he was very qualified to join the Commission. Mr. Healey stated he is impressed with Mr. Joyner and Ms. Bancroft and asked how many vacancies there were on the Commission. Chairwoman Braccio stated there was one vacancy and asked the Board to wait to appoint until the September 8th meeting in order for Ms. Bancroft to attend. The Board and Ms. Richey agreed.

ii. Stacie Bancroft

Ms. Bancroft was not in attendance.

Police Chief Paulhus – Request to appoint Luke Soccorso as Probationary Police Officer, effective August 19, 2021

Chief Paulhus introduced Mr. Soccorso and stated he was the best fit for the department out of twenty-seven applicants. Mr. Soccorso gave a background of his experience which included working for the Nantucket Police Department, TSA and graduating from Curry College. He stated his goal is to work in a small municipal town and to be involved in the community. The Board welcomed him and praised him for his work. Mr. Healey made a motion to appoint Luke Soccorso as Probationary Police Officer, effective August 19, 2021. Mr. Stivers seconded. The motion passed all in favor by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Chairwoman Braccio called for a recess at 7:04 P.M. The Board returned at 7:07 P.M.

Fire Chief Achilles & Police Chief Paulhus – Update on Public Safety communications

Chief Paulhus stated that the State is allotting funds for communities to regionalize their dispatch and he and Chief Achilles are asking the Board approve their exploring this option to gather information. Chief Achilles stated that it would be remiss to not gather information when it is available. He added that he felt both the Fire and Police Departments are currently stable and identified ways in which

regionalization communications could improve the departments and its services. Chief Paulhus stated that now is the time to commit to the exploration of regional dispatch to leverage funds and resources offered by the State. Chairwoman Braccio stated she visited the Foxboro regional dispatch center and supported the Chiefs exploring the option. Ms. Malinowski asked about the next steps and timeline. Chief Achilles responded that Westborough, Marlborough and Grafton had strong interest and gave an overview of next steps. Ms. Malinowski stated she would be in favor of exploring this option. Chief Achilles explained the future needs and costs of the current dispatch operations and stated he would like to identify what is best for the community regarding services and cost. Mr. Healey supported the idea to explore this option. Mr. Stivers asked if Southborough could host. Chief Paulhus replied that Southborough could not and he explained why the conglomerate would need to be in a separate building. Mr. Purple gave additional background regarding the commitment and stated that once the Town decides to enter into a regionalized dispatch center they cannot go back to an independent system. Mr. Healey asked if requiring a standalone facility for regional dispatch would be a non-starter for Chief Paulhus. Chief Paulhus replied that regionalization is the wave of the future and there are issues he can identify but would like to have more information. Mr. Healey stated he is comfortable with Mr. Purple coordinating with the Chiefs to move forward.

Chief Paulhus told the Board that the current dispatch will need to expand and he explained the one operating dispatcher per shift and how it is currently staffed with overtime and part-time employees. He added that he will be looking to add at least one additional full-time personnel and some supervision in the budget. Ms. Malinowski stated she was supportive of Mr. Purple working with the Chief to gather more information about regionalization. Mr. Stivers asked to review the Acton/Concord regionalization to understand their process. Mr. Purple stated he will move forward with the Chiefs.

<u>Chief Achilles – Article requests for STM – Authority of Fire Department</u>

Chairwoman Braccio explained that new information was brought forward after the agenda was posted and this item no longer needs to be addressed. Mr. Purple explained the history behind MGL Chapter 48 Section 42, 43 and 44 and the Special Act of 1920. The Board was comfortable that the Fire Chief holds the authority needed.

<u>Carla McAuliffe, Town Accountant – COVID-19 update & proposed consultant contract</u>

Ms. McAuliffe updated the Board on the statues of the CARES Act, FEMA reimbursement and ARPA funding. She stated the Town has been reimbursed $66,000 of the $350,000 spent through FEMA; $59,000 of the 218,000 allocated from the CARES Act and the Town received $1.5million from ARPA. There was discussion regarding how often an update to the Board should be given and the Board agreed monthly was appropriate. Ms. McAuliffe outlined the proposed contract from Capital Strategic Solutions. Ms. Malinowski stated she felt the project manager was a good fit and hiring a consultant would be beneficial to the Town Accountant and Treasurer Collector. Mr. Stivers felt this would be assist in moving swiftly to pursue all opportunities for funding through federal programs. Mr. Purple felt the consultants' role could provide recommendations and options for priorities to apply the funding. Mr. Healey stated the consultant is essential. Ms. McAuliffe stated the funding for the consultant would be through the CARES Act and would be of no cost to the Town. Mr. Healey stated he would like to meet the consultants and the Board agreed to invite them to the September 9th meeting. Mr. Healey made a motion that the Board approve and authorize the proposal for the American Rescue Plan Act support services by CSS to include $160 per hour rate and to make it clear that there is no fixed duration for the proposal and is terminal at will by the Town and overall subject

to review by Town Counsel. Mr. Stivers seconded. The motion passed (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Chairwoman Braccio called the meeting to recess at 8:27 P.M. The Board returned at 8:31 P.M.

Karen Galligan, DPW Superintendent

i. Update on repair work in the Rural Cemetery

Ms. Galligan updated the Board on the work being done at the Rural Cemetery which included hiring a conservator to review the condition of the stones and Ms. Galligan's team restored over 100 stones in eight weeks. Chairwoman Braccio thanked Ms. Galligan and her team for their diligent work.

ii. Update on Main Street project; recommendation for bid award

Ms. Galligan outlined outstanding items needed to conclude the Main Street project including Verizon and National Grid poles. She updated the Board on the DOT bridge work that has taken place and stated they have kept the public well informed of each step of the process.

iii. Update on Northboro Road

Ms. Galligan outlined the status of Northboro Road and stated that once costs are acquired for contracting work, she will present options to the Board. She outlined project implications that would impact cost and work scope and added she would like to include an article at Special Town Meeting to approve the cost of this project. There was discussion regarding potential proposals and cost.

iv. Update on water project for Newton Street

Ms. Galligan stated that they are in the design phase of this project and she hopes to reallocate $900,000 left over from the replacement of a water main on Route 9 to this project. Mr. Healey encouraged Ms. Galligan to reach out to the consultants at CSS to inquire whether this and other projects could fall under ARPA funding. Ms. Galligan stated she supplied a list to Mr. Purple for Representative Dykema. She added that this design should be completed in late fall. Mr. Purple explained the steps needed to be taken to reallocate the funds from other sources to this project. Chairwoman Braccio asked if the project would likely start next year and Ms. Galligan confirmed that was most likely.

v. Update on Shared Streets grant

Ms. Galligan explained the bid process for fixing the St. Mark's Street and Route 85 intersection. The project needs to be completed by December 31st in order to use the $290,000 in Shared Spaces Grant funds. She explained the status of additional projects and stated that the bid explanation is included in the packet. There was discussion of Chapter 90 funds and other projects that it could be distributed to. Ms. Malinowski asked if Ms. Galligan anticipated the need to increase the fiscal year 2022 road maintenance and explained that she is not in favor of moving a playground to the proposed park at the corner of St. Mark's Street and Route 85. She added that because of this, she is also not in favor of the bid alternative. Mr. Healey asked what the park would look like and what options are available under the existing bid. Ms. Galligan described options that work in the same price range and within both bid alternatives. There was discussion regarding drainage in this area, ADA project goals and possible CPC funding. Ms. Galligan explained that the $290,000 needs to be used by the end of the year and outlined options for approval this evening. Mr. Healey stated he was in favor of the project and asked if there was flexibility from a grant perspective and additional federal infrastructure if the Board approved the bid. Ms. Galligan confirmed that was the case. There was discussion regarding an extension and the possibility of fixing the sidewalks in this area. The Board discussed whether this would impact routine road maintenance and the ability for the

Town to begin larger projects in the future. There was discussion regarding costs and funding sources.

Mr. Stivers made a motion to award the Various Streets Project base bid taking out the alternatives to the lowest bidder, EH Perkins Construction of 56 Main Street Hudson, MA 01749. Mr. Healey seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Mr. Healey made a motion to allocate remaining unallocated funds from Southborough's 2020 Chapter 90 apportionment and Southborough's 2021 and 2022 Chapter 90 apportionment to the Various Streets Project as necessary for the full bid amount. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Mr. Healey made a motion to pursue Complete Streets and SITS grants for portions of Various Streets Projects. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

vi. Update on Complete Streets; authorization of grant applications

This topic was discussed in the above agenda items.

vii. Update on Chapter 90; recommendation for allocation of funds

This topic was discussed in the above agenda items.

viii. Update on Flagg Road HCVE request

Ms. Galligan explained that in order to create a truck exclusion an alternative route has to be put forward and if it includes another town, that town must agree to it. She explained the challenges that arise from possible alternative routes and there was consensus that the problem would most likely be moved to another road and not solved. The Board discussed options to deter truck traffic and Ms. Galligan suggested a more global view of traffic patterns. Ms. Galligan explained the results of the recent traffic study on Flagg Road. Mr. Healey stated that he felt a global traffic study is appropriate and felt that if most of the trucks that are currently taking this route would be exempt, then the problem is not fixable. Mr. Stivers suggested reaching out to MASSDOT and speaking to traffic engineers who have worked with similar communities. Ms. Malinowski suggested relooking at the Main Street truck exclusion and Ms. Galligan explained alternate route options. Mr. Dennington agreed to relook at the Main Street truck exclusion. The Board discussed investigating the cost of such a study. Chairwoman Braccio asked that more information be presented at the September 8th meeting. She volunteered to work with Mr. Purple, Ms. Galligan and MASSDOT.

Jonas Linden (39 Flagg Road) stated that the results of the most current traffic study on Flagg Road meets the criteria for a truck exclusion and asked the Board to submit the request to MASSDOT without incurring more costs through another traffic study. Mr. Healey stated he agreed with the need to address the Flagg Road traffic issues but stated he would like more input regarding alternate routes; specifically, from the Police Chief and Fire Chief.

Kristine Dameri (18 Flagg Road) outlined the dangers of trucks and high-speed traffic on Flagg Road specifically in regards to the number of children walking and biking on this and neighboring roads. Chairwoman Braccio read a comment from Nicole Rhind asking to remove the truck exclusion from Main Street and put one on Flagg and Deerfoot Roads.

ix. Review of proposed Tree Policy

Mr. Stivers stated that he has had conversations with Ms. Luttrell from the Planning Board, Mr. Purple and Town Counsel to record and create an explicit public policy on various state laws and regulations on tree removal and trimming. He described the process to research and create the document. Ms. Galligan explained her concerns which included holding a lengthy hearing process that is not required by law for the removal of dead trees. She explained the Mass General Law regarding tree removal and the current process. Mr. Stivers stated that there were two separate hearings for tree removals this past fall and explained that he felt the decision process was quick and effective. Mr. Healey asked if Town Counsel has reviewed this document and Mr. Stivers replied that he had not. Mr. Healey asked for Town Counsel to review the proposed tree policy. He asked what problem the policy will solve and Mr. Stivers replied increased public transparency and participation. There was discussion regarding whether the Board of Selectmen would be the appellate board and Mr. Healey explained his concerns if the Board were to be the appellate body for another elected board. Ms. Luttrell explained that any scenic road project that affected a public tree should have joint hearings with the Tree Warden and Planning Board with no opportunity for appeal. She explained the history of tree hearings and Ms. Galligan explained that the DPW has not taken down a live tree since 2014. She explained the process taken and that only live trees require a hearing. Mr. Stivers stated that state law does not distinguish between live and dead trees and Chairwoman Braccio stated that the Board will get clarity from Town Counsel and speak to this matter at their next meeting.

III. Reports

Chairwoman's Report

i. Barbara Jandrue retirement

Chairwoman Braccio stated she attended her retirement celebration after over twenty-five years as director there. She stated Ms. Jandrue was presented with a citation of award from Representative Dykema. She thanked Ms. Jandrue for all her work.

ii. September 25th CERT recognition

Chairwoman Braccio asked the Board to mark their calendars to attend the recognition luncheon to acknowledge the volunteers for the work they've done at the vaccination clinic.

Chairwoman Braccio informed that Board the Town Clerk Jim Hegarty will have a dedication from the Post Master and Regional Manager of the Post Office to unveil a new "thank you" stamp. The stamp is dedicated to all those in the Town of Southborough that assisted in holding safe and effective elections. The dedication will be held September 1st at the Town House.

Members' Reports

i. Language interpreter services

Ms. Malinowski stated that the Police Department currently has access to these services and she is working on creating access to more departments. She gave background on the cost and services offered. Mr. Stivers suggested including Youth and Family Services for these services and Ms. Malinowski stated she is already in discussion with them to do so.

Town Administrator Report

Mr. Purple stated that the Town does have a contract for language interpreter services and he has been in contact with the vendor to provide new contracts for other departments. He stated he will

be working with Ms. Malinowski to identify those departments and creating their access to the services.

Mr. Purple stated that Southborough Access Media has notified him that the equipment needed for Zoom integration is backordered and they are looking at mid-September for those items to come in. He stated the target is to have the system ready by the first meeting in October.

IV. Consent Agenda

a. Mr. Healey held agenda item "a." Mr. Healey stated he held this item previously and was encouraged by the meeting held with the Historical Commission a month ago. He stated that he had a conversation with some members after that meeting and was very encouraged the Historical Commission is moving in the right direction. Mr. Healey made a motion to reappoint Rebecca Deans-Rowe to Historical Commission, term 6/30/24. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

b. Mr. Healey made a motion to award the OPM contract to Central Mass Projects for Town House renovations. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

c. Mr. Healey made a motion to award catch basin cleaning contract through MAPC consortium bid. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

d. Mr. Healey made a motion to accept donations totaling $300.00 for Fire Department Ambulance Fund. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

e. Mr. Healey made a motion to appoint Daniel Moreira as Full-Time Communications Officer, effective August 19, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

f. Mr. Healey made a motion to appoint Nancy Dauteuil as Part-Time Telecommunications Officer, effective August 19, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

g. Mr. Healey made a motion to appoint Isabella B. Bogdanski to Trails Committee, term 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

h. Mr. Healey made a motion to appoint Taylor West to Southborough Emergency Planning Committee / Health Dept. Rep., unlimited term. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

i. Mr. Healey made a motion to reappoint Mary Ann Anderson to Taxation Aid Committee, term 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

j. Mr. Healey made a motion to open the warrant for Special Town Meeting on November 1, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

k. Mr. Healey made a motion to appoint Dr. Heather Alker to Noise Bylaw Ad-Hoc Committee. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

l. Mr. Healey made a motion to authorize Chairwoman Braccio to accept the renewal pricing for Municipal Aggregation Program. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

b. Other Matters Properly Before the Board

Review updated Noise Bylaw Ad-Hoc Committee charge

Ms. Malinowski requested including a minimum of three public hearings to gather public input, adding language to bullet three to clarify and outline enforcement and reincluding bullet two which outlines the research of neighboring town's noise bylaws. Mr. Healey stated that requiring public forums is important and stressed that he does not want the committee to use the previously proposed noise bylaw as a reference point. Mr. Healey made a motion to approve the Noise Bylaw Ad-Hoc Committee charge with the discussed changes. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Warrant articles for Special Town Meeting

Chairwoman Braccio outlined the potential increase in the Board of Health budget and the additional IT position which would be an article presented at Special Town Meeting. Mr. Purple listed the change from "Board of Selectmen" to "Select Board," a traffic study article, and the Downtown District bylaw as additional articles for the warrant. The timing of submitting articles and closing the warrant were discussed. Mr. Purple stated the vote to close the final warrant would be scheduled for the first meeting in October.

Mask mandate for Town buildings

Chairwoman Braccio stated that Dr. Alker has informed her that the number of positive COVID-19 cases in Southborough exceeds the number from this time last year and suggested a mask mandate for Town buildings. She suggested the Board require employees and the public to wear masks indoors through September 21st when the Board can reevaluate. There was discussion regarding the need for a mask mandate. Chairwoman Braccio made a motion to mandate masks for Town buildings for visitors and employees in common areas and working with the public and if an employee is at their desk and inside the allowed six feet of space, they can remain mask-less. Mr. Dennington seconded. The motion passed (3-2-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, nay; Stivers, nay; Braccio, aye. Chairwoman Braccio made a motion requiring all boards and committees to conduct meetings through Zoom only through September 21st. Mr. Dennington seconded. The motion passed (3-2-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, nay; Stivers, nay; Braccio, aye.

Process to fill Board of Health vacancy

Ms. Malinowski recused herself from this discussion. Chairwoman Braccio summarized her conversation with the Board of Health regarding the hiring of the vacant position. She stated there was one applicant and there were concerns that being advertised in the summer could have been the reason there were not more. There was discussion whether the application deadline should be extended in order to receive more applicants. Chairwoman Braccio stated she will reach out to the Board of Health to inform them to conduct the interview for the Board to review their recommendation before August 30th.

c. Public Comment

Tim Litt (148 Woodland Road) stated that there are multiple ways to regionalize dispatch communications and suggested investigating distributing the organization which he felt would be less costly. He added that the there needs to be a sidewalk leading to the Public Safety Building in order for the public to have full accessibility to it.

d. Executive Session

On a motion made by Chairwoman Braccio at 11:36 P.M. the Board entered into Executive Session per M.G.L. Chapter 30A, Section 21, and not returning to Open Session, to discuss contract negotiations for the Town Administrator (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's litigating position. Roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio aye.

Upcoming Meetings
September 8, 2021
September 21, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

Subject: Board of Selectmen Request for minutes 8-17-2021

Southborough Town Code § 9-25 requires that minutes of each public meeting and the documents used at the meeting be submitted to the Town Clerk within 45 days of the meeting and that the Town Clerk notify the board or committee chair when that reporting requirement is not met.

I'm writing to advise you that as of today, the Town Clerk's Office has not received the minutes and documents used at the **8/17/2021** meeting of the **Board of Selectmen**.

The Attorney General has determined that a document is considered to be "**used at a meeting**" when the document is:

- Physically present, and
- Identified by name, and
- Its contents are discussed at the meeting.

As a reminder, please submit the documents as individual files and ensure the name of **each separate file** matches how it is identified in the **Documents Used at This Meeting** section of the minutes.

Please reply to this email with your response which will be posted on the town website until the minutes and documents are received.

Please advise if you are unable to provide minutes for one of the following reasons:

1. The meeting was cancelled.
2. No meeting was held due to the lack of a quorum.

The meeting involved executive session(s) and the minutes for the executive session portion(s) cannot be released at this time. Note that minutes for the open session portion of a meeting must be released. Also, the board or committee must review any withheld executive session minutes regularly to ensure there is still a valid reason to withhold minutes from the public. We suggest you consult with Town Counsel on any matters concerning the release of executive session minutes.

Thank you, Amy

Amy Berry
Town of Southborough
Assistant Town Clerk
17 Commons St.

Southborough, MA 01772
Phone: 508-485-0710 ext. 5513

ARTICLE XX:

To see if the Town will accept the provisions of Chapter 48, Sec. 42 of the Massachusetts General Laws "Establishment of fire departments; appointment of fire chief; removal; powers and duties":

"Towns accepting the provisions of this section and sections forty-three and forty-four, or which have accepted corresponding provisions of earlier laws may establish a fire department to be under the control of an officer to be known as the chief of the fire department. The chief shall be appointed by the selectmen, and shall receive such salary as the selectmen may from time to time determine, not exceeding in the aggregate the amount annually appropriated therefor. He may be removed for cause by the selectmen at any time after a hearing. He shall have charge of extinguishing fires in the town and the protection of life and property in case of fire. He shall purchase subject to the approval of the selectmen and keep in repair all property and apparatus used for and by the fire department. He shall have and exercise all the powers and discharge all the duties conferred or imposed by statute upon engineers in towns except as herein provided, and shall appoint a deputy chief and such officers and firemen as he may think necessary, and may remove the same at any time for cause and after a hearing. He shall have full and absolute authority in the administration of the department, shall make all rules and regulations for its operation, shall report to the selectmen from time to time as they may require, and shall annually report to the town the condition of the department with his recommendations thereon; he shall fix the compensation of the permanent and call members of the fire department subject to the approval of the selectmen. In the expenditure of money the chief shall be subject to such further limitations as the town may from time to time prescribe. The appointment of the chief of the fire department in any town or district having a population of five thousand or less may be for a period of three years.";

Or do or act anything in relation thereto.

Proposed by: FIRE CHIEF
Board of Selectmen Recommendation:
Advisory Committee Recommendation:

Summary: *Acceptance of this provision of the General Law would formally establish the responsibilities and authority of the Fire Chief.*

Noise Bylaw Ad-hoc Committee Charge

Charge and Process
The Noise Bylaw Ad-hoc Committee (the "Committee") is charged with the task of preparing a draft of a proposed Noise Bylaw for Southborough (the "Draft Bylaw").

The work of the Committee shall include, but not be limited to, the following:

- Review of previous versions of noise bylaws prepared for Southborough's Town Meetings;
- Review of the noise bylaw experience of other towns, particularly with respect to measurement of noise levels and flexibility for homeowners and commercial landscapers to maintain properties;
- Conduct a minimum of three (3) public forums for community (residents, businesses, etc.) input
- ~~Consideration of~~Clearly define purpose and enforcement that address current issues ~~issues~~;
- Consideration and evaluation of other approaches to selected aspects of the Draft Bylaw, and providing a report describing the "pros" and "cons" of these other approaches and the reason(s) that these alternatives were not recommended; and
- Providing periodic progress reports, as may be requested by the Board of Selectmen.

Membership
The Committee shall consist of five (5) "at-large" voting members, and two (2) ex-officio, non-voting members as follows:

- Five (5) "at-large" residents of the Town of Southborough, appointed by the Board of Selectmen;
- The Southborough Chief of Police, as an ex-officio, non-voting member; and
- One member of, or designee of, the Southborough Board of Health, as an ex-officio, non-voting member.

Term, Administration and Organization

- The Committee members shall be appointed for a term ending June 30, 2022;
- Ex-officio, non-voting Committee members shall not be counted for purposes of determining a quorum;
- Members shall serve without financial compensation; and
- The Committee shall determine what, if any, officers should be elected.

Schedule

- The Committee shall perform the work as detailed in the charge to deliver the Draft Bylaw and related reports by no later than 30 days before the printing deadline for the warrant for a Town Meeting (regular or special, as applicable) where the bylaw will be considered.

- The Committee shall work to produce a Draft Bylaw for consideration by Town Meeting as soon as reasonably possible, with the timing objective of no later than the 2022 Annual Town Meeting.

TO: Board of Selectmen
FROM: Carla McAuliffe, Town Accountant
DATE: June 12, 2017
SUBJECT: Update on COVID-19 Funding

I wanted to provide the Board with an update on the status of the various State and Federal funding sources, issued to help communities deal with the financial obligations of effectively responding to the COVID-19 pandemic. While some of these funding sources appear to be winding down, such as FEMA and CARES, others such as ARPA are just beginning to ramp up. The requirements for determining funding eligibility, tracking expenses, and filing for reimbursement will only be increasing from what they currently are now. I would estimate that 50% of my time is currently spent on COVID-19 related work, which is in addition to my normal accounting responsibilities that presently includes closing out the previous Fiscal Year with the Dept. of Revenue and providing required information to our new audit firm.

CARES:

- Scheduled to end 12/31/2021;
- Reporting #5 is due 9/2/2021;
- Final Drawdown application, which includes anticipated expenditures through 12/31/2021, is due 10/29/2021;
- The US Department of the Treasury requires quarterly reports for CARES and have advised municipalities to continue to submit quarterly spending reports until September 2, 2022.

FEMA PA and Vaccine:

- FEMA PA Application #2 in process for expenses through 6/30/2021;
- FEMA Vaccine Application in process for COVID vaccine clinic expenses through 8/4/2021;
- We anticipate a 3rd FEMA PA application to be filed by the end of the calendar year for expenses 7/1/2021 through 9/30/2021;

- FEMA PA is scheduled to end on 9/30/2021, but they are required to provide a 30-day notice of the termination of the program, which has not yet been received.

ARPA:

- We have received $534,228 this fiscal year. We are still awaiting news on the disbursement of the county portion. All funds must be encumbered by 12/31/2024 and spent by 12/31/2026.
- The federal public comment period for ARPA closed on 7/16/2021 the final ruling should be released on or about 9/1/2021.
- Revised Amount $3,051,241 (includes County portion)

Federal Infrastructure Bill:

- Senate passed by a vote of 69-30 on August 10, 2021. Awaiting deliberation and vote in the House, TBD.

U.S. DEPARTMENT OF THE TREASURY

Coronavirus State and Local Fiscal Recovery Funds

The American Rescue Plan will deliver $350 billion for state, local, territorial, and Tribal governments to respond to the COVID-19 emergency and bring back jobs.

The Coronavirus State and Local Fiscal Recovery Funds provide a substantial infusion of resources to help turn the tide on the pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery.

Funding Objectives

- **Support urgent COVID-19 response efforts** to continue to decrease spread of the virus and bring the pandemic under control
- **Replace lost public sector revenue** to strengthen support for vital public services and help retain jobs
- **Support immediate economic stabilization** for households and businesses
- **Address systemic public health and economic challenges** that have contributed to the inequal impact of the pandemic

Eligible Jurisdictions & Allocations

Direct Recipients

- States and District of Columbia ($195.3 billion)
- Counties ($65.1 billion)
- Metropolitan cities ($45.6 billion)
- Tribal governments ($20.0 billion)
- Territories ($4.5 billion)

Indirect Recipients

- Non-entitlement units ($19.5 billion)

Support Public Health Response
Fund COVID-19 mitigation efforts, medical expenses, behavioral healthcare, and certain public health and safety staff

Address Negative Economic Impacts
Respond to economic harms to workers, families, small businesses, impacted industries, and the public sector

Replace Public Sector Revenue Loss
Use funds to provide government services to the extent of the reduction in revenue experienced due to the pandemic

Premium Pay for Essential Workers
Offer additional support to those who have and will bear the greatest health risks because of their service in critical infrastructure sectors

Water and Sewer Infrastructure
Make necessary investments to improve access to clean drinking water and invest in wastewater and stormwater infrastructure

Broadband Infrastructure
Make necessary investments to provide unserved or underserved locations with new or expanded broadband access

For More Information: Please visit www.treasury.gov/SLFRP
For Media Inquiries: Please contact the U.S. Treasury Press Office at (202) 622-2960
For General Inquiries: Please email SLFRP@treasury.gov for additional information

U.S. DEPARTMENT OF THE TREASURY

Example Uses of Funds

Support Public Health Response

- **Services to contain and mitigate the spread of COVID-19,** including vaccination, medical expenses, testing, contact tracing, quarantine costs, capacity enhancements, and many related activities
- **Behavioral healthcare services,** including mental health or substance misuse treatment, crisis intervention, and related services
- **Payroll and covered benefits** for public health, healthcare, human services, and public safety staff to the extent that they work on the COVID-19 response

Address Negative Economic Impacts

- **Deliver assistance to workers and families,** including support for unemployed workers, aid to households, and survivor's benefits for families of COVID-19 victims
- **Support small businesses** with loans, grants, in-kind assistance, and counseling programs
- **Speed the recovery of impacted industries,** including the tourism, travel, and hospitality sectors
- **Rebuild public sector capacity** by rehiring staff, replenishing state unemployment insurance funds, and implementing economic relief programs

Replace Public Sector Revenue Loss

- **Ensure continuity of vital government services** by filling budget shortfalls
- **Revenue loss is calculated** relative to the expected trend, beginning with the last full fiscal year pre-pandemic and adjusted annually for growth
- **Recipients may re-calculate revenue loss** at multiple points during the program, supporting those entities that experience revenue loss with a lag

Premium Pay for Essential Workers

- **Provide premium pay to essential workers,** both directly and through grants to third-party employers
- **Prioritize low- and moderate-income workers,** who face the greatest mismatch between employment-related health risks and compensation
- **Key sectors include** healthcare, grocery and food services, education, childcare, sanitation, and transit
- **Must be fully additive** to a worker's wages

Water & Sewer Infrastructure

- **Includes improvements to infrastructure,** such as building or upgrading facilities and transmission, distribution, and storage systems
- **Eligible uses aligned to Environmental Protection Agency project categories** for the Clean Water State Revolving Fund and Drinking Water State Revolving Fund

Broadband Infrastructure

- **Focus on households and businesses** without access to broadband and those with connections that do not provide minimally acceptable speeds
- **Fund projects that deliver reliable service** with minimum 100 Mbps download / 100 Mbps upload speeds unless impracticable
- **Complement broadband investments** made through the Capital Projects Fund

Equity-Focused Services

- **Additional flexibility for the hardest-hit communities and families** to address health disparities, invest in housing, address educational disparities, and promote healthy childhood environments
- **Broadly applicable** to Qualified Census Tracts, other disproportionately impacted areas, and when provided by Tribal governments

Ineligible Uses

- **Changes that reduce net tax revenue** must not be offset with American Rescue Plan funds
- **Extraordinary payments into a pension fund** are a prohibited use of this funding
- **Other restrictions apply** to eligible uses

The examples listed in this document are non-exhaustive, do not describe all terms and conditions associated with the use of this funding, and do not describe all the restrictions on use that may apply. The U.S. Department of the Treasury provides this document, the State and Local contact channels, and other resources for informational purposes. Although efforts have been made to ensure the accuracy of the information provided, the information is subject to change or correction. Any Coronavirus State and Local Fiscal Recovery Funds received will be subject to the terms and conditions of the agreement entered into by Treasury and the respective jurisdiction, which shall incorporate the provisions of the Interim Final Rule and/or Final Rule that implements this program.

Proposal for American Rescue Plan Act (ARPA) Grant Support Services for the Town of Southborough

Presented by

CAPITAL STRATEGIC SOLUTIONS

Overview

Capital Strategic Solutions (CSS) is a certified **Women-Owned Business** that specializes in grant writing and administration, community/public relations, community engagement, crisis communication, website design services and tactical social media outreach. At CSS, we provide specialized grant writing and administration focused on state and federal grant programs. We offer professional consulting services through an authentic exchange with our clients and by building meaningful relationships. CSS provides support services to assist our clients in developing the tools that they need for success. Our team focuses on the organization and flow of information and will conduct research to allow our clients to increase their productivity. We strive to obtain sustainable results that benefit the community.

Primary Goal

Capital Strategic Solutions will provide specialized consulting services to include grant management and reporting in an effort to maximize the Town of Southborough's drawdown of state and federal funding streams from the American Rescue Plan Act (ARPA) and other Covid-19 pandemic recovery programs.

CSS is prepared to offer the following services including, but not limited to:

- **Preparation of a proposed plan of projects to be undertaken through available funding related to ARPA and any other Covid-19 recovery program**
- **Development of a comprehensive portfolio with multiple funding streams to support the Town of Southborough's Covid-19 pandemic disaster response and economic recovery**
- **Financial, procurement and administrative support services associated with ARPA and COVID-19 funding**
- **Management of the Town's disaster recovery funding streams in compliance with the Office of Management and Budgets (OMB) Uniform Administrative Requirements, cost principles and audit requirements for federal awards**

Project Planning for ARPA and Covid-19 Funding

Working with input from the town's designated staff members, CSS will create and provide the Town of Southborough with a comprehensive list of potential projects that could be considered for funding through various federal and state programs including:

- **American Rescue Plan Act (ARPA) Coronavirus Local Fiscal Recovery Fund**
- **CARES Act: Coronavirus Relief Fund – Municipal Program**
- **Federal Emergency Management Agency (FEMA) Public Assistance Programs related to the Covid-19 Pandemic**
- **Department of Environmental Protection (DEP) and Environmental Protection Agency (EPA) programs for infrastructure projects related to pandemic economic recovery**
- **Other grants and funding related to response and recovery from the Covid-19 pandemic**

Capital Strategic Solutions will provide the Town of Southborough with a Project Plan so that officials and staff members can make informed decisions on which projects should receive available funding.

Covid-19 Pandemic Recovery Funding Portfolio

Capital Strategic Solutions will develop a comprehensive recovery funding portfolio for the Town of Southborough with multiple funding streams to support the Town's Covid-19 pandemic disaster response and economic recovery. The portfolio will include reimbursement programs, stimulus funding, grants or loans from various federal or state programs, especially those identified in Covid-19 related state and federal legislation.

CSS will manage the flow of recovery funding programs through submission, approval, denial and appeals, and/or implementation and closeout of all related projects. This effort shall augment and expand the Town's capacity for cost tracking, recordkeeping, records retention and fiscal management to support the recovery programs associated with the pandemic. CSS will develop a fiscal management tool to assist in tracking all Covid-19 pandemic recovery funding and expenditures and shall provide appropriate written and oral reporting of all funding streams related to Covid-19 pandemic recovery funding.

Financial, Procurement & Administrative Support Services

Capital Strategic Services has decades of experience working with municipal finance, state and federal procurement requirements. The Project Manager also possesses extensive experience and training related to emergency management and federal grants management. CSS is prepared to provide the administrative support that is necessary to appropriately file

for reimbursements through state and federal funding and shall supply the Town of Southborough will full reporting on all grant activities related to the Covid-19 pandemic recovery funding on a weekly, bi-weekly or monthly basis at the discretion of the Town.

Project Manager:

Designated Project Manager: Jennifer Thompson, MPA
With over twenty years of experience in the public sector, Jennifer has spent much of her career managing multimillion dollar budgets, infrastructure funding, and administering state and federal grants in both large and small communities. She has a strong background and training in emergency management and is MCPPO certified. Jennifer holds a Masters Degree in Public Administration, a Bachelors Degree in Communications, as well as many professional certifications.

A *Not to Exceed* proposal for the fiscal management and reporting of grant funding related to recovery from the Covid-19 pandemic for a period covering one year is ***Forty-Nine Thousand Six Hundred Dollars ($49,600)***. Work will commence upon the signed acceptance of the proposed services as described above.

Subject: Full-Time Telecommunications Officer

Date: July 27, 2021

Dear Board of Selectmen:

Please consider my recommendation to elevate Mr. Daniel Moreira as a Full-Time Telecommunications Officer, effective on August 19, 2021. He is currently a Part-Time T/C Officer for the Department. The opening became available when T/C Officer John Terranova resigned from the position on June 5, 2021, to pursue other employment.

The recommended pay rate for the position will be **Step 1 of the Local 44 Contract, $22.41 per hour**, based on his past training and experience.

Please feel free to contact me with any questions you might have.

Subject: Appointment of Probationary Officer Luke Soccorso

Date: July 28, 2021

Dear Board of Selectmen:

Please consider my request to appoint Mr. Luke Soccorso as a Probationary Police Officer with the Town of Southborough, effective August 19, 2021. He is a resident of Worcester. Mr. Soccorso is currently working as a Campus Police Officer at Framingham State University. In addition, he holds a B.A. Degree in Criminal Justice from Curry College, and is a 2018 graduate of the MPTC Special State Police Officer Academy in New Braintree.

As you can see from his resume, Mr. Soccorso holds advanced training and experience in the public safety profession that will be of great benefit to the Southborough Police Department.

The position is available due to the resignation of Patrolman John Officer in May of this year.

Mr. Soccorso's compensation will be PS-7 Step 1, $1,008.87 per week (Local 167 Contract).

Please contact me with any questions or concerns.

Kenneth M. Paulhus
Chief of Police

OBJECTIVE

Law enforcement professional with a strong interest in helping and serving people. Seeking a job that requires strong leadership, composure and an employer with a high level of productivity. Currently working at Framingham State University Police Department and interested in a job with a local city/town. Starting July 1st my SSPO academy will be accepted by the MPTC as an equivalent to a full-time academy.

EDUCATION

Foxboro High School, Foxboro, MA
Graduated in 2010
Curry College, Milton, MA
Bachelor of Arts, May 2014
Major: Criminal Justice
Minor: Communications
GPA: 3.53

EXPERIENCE

Police Officer, Framingham State University — January 2019- Present

- Full time police officer patrolling campus and answering calls for service
- Assist Framingham Police Department when requested with matters within the vicinity of campus

Police Officer, Western New England University (Springfield MA) — June 2017- January 2019

- Full time police officer patrolling campus and answering calls for service
- Assist Springfield Police Department with off campus parties and various issues involving students
- Work police details on campus for large events such as football games, school dances, and graduation

Reserve Police Officer, Mansfield Police Department — June 2015-June 2017

- Various road details directing traffic and providing security for various venues
- Police patrol at concerts and events enforcing laws and keeping peace
- A first responder to a wide variety of calls

Transportation Security Administration Officer (TSA), Boston/Logan — January 2015 - April 2016

- Effectively screened thousands of passengers each day keeping the traveling public safe
- Preformed bag searches confiscating prohibited items from passengers
- Interpreted thousands of x-ray images daily looking for prohibited items in carry-on bags
- Confirmed identities of passengers checking travel documents and various government issued ID's

Massachusetts Police Academy's

SSPO #29, (Special State Police Officer Academy) — April 2018- August 2018
- Held at the Massachusetts State Police Academy in New Braintree MA
- 18 week program, upon graduation returned to Western New England University as a Police Officer

South Suburban Police Institute (Basic Reserve Program) — August 2014- February 2015
-MPTC Basic Reserve Academy held at 35 Neponset Avenue, Foxboro, MA 02035

To: Southborough Board of Selectmen

From: Police Chief Kenneth M. Paulhus

Subject: Part-Time Telecommunications Officer/Dispatcher

Date: August 4, 2021

Dear Board of Selectmen:

Please consider my recommendation to appoint Ms. Nancy Dauteuil as a Part-Time Telecommunications Officer with the Southborough Police. The Department is looking to expand the number of P/T Staff in order to fill open shifts.

Ms. Dauteuil is a resident of Grafton. She is currently a part-time dispatcher with the Grafton Police Department, and holds all of the necessary certifications. As you see from her resume, Ms. Dauteuil has vast experience in public service that will be of great benefit to the Southborough Police Department.

Her starting date will be determined shortly after successful completion of a number of screening checks, and the Boards approval.

The recommended pay rate would be Grade 3 of the SAP, $22.00 per hour based on her past experience. Please feel free to contact me with any questions you might have.

Lori Esposito

From: Jason W. Malinowski
Sent: Tuesday, August 10, 2021 9:55 AM
To: Mark Purple
Cc: John Parent; Lori Esposito; Lisa Braccio
Subject: Town House OPM RFQ

Hi Mark,

The Capital Planning Committee met last night and voted unanimously to recommend that the BOS award the OPM contract for the Town House project to Central Mass Projects. John Parent and Lori Esposito did an initial scoring of the five submissions which left three finalists. We interviewed each finalist in an open public meeting to reach this consensus.

Can you also facilitate notifications/updates to the firms consistent with what we just did on the Space Needs Designer RFQ.

Please let me know if you have any questions.

Thanks,

Jason

TOWN OF SOUTHBOROUGH
DEPARTMENT OF PUBLIC WORKS

147 Cordaville Road
Southborough, MA 01772

Tel: 508-485-1210
Fax: 508-229-4444

DATE: August 11, 2021

MEMORANDUM

TO: **Southborough Board of Selectmen**
CC: **Mark Purple, Town Administrator**
FROM: **Karen Galligan, DPW Superintendent**
SUBJECT: **Catch Basin Cleaning Contract**

As you all know the Town of Southborough is a member of the Metropolitan Planning Commission (MAPC).

The MAPC has developed some consortium bids for Public Works Maintenance that we participate in regularly. These bids are evaluated yearly for renewal and are rebid a minimum of every three years.

The Catch Basin Cleaning contract is one contract that we use every year. This contract was rebid in 2021 and although there were two bidders, only one was pre-qualified, so there was only one responsive bidder. The bid tabulation is attached. The money for this work is in the DPW Budget in line item 53880.

Therefore, I am requesting that the Selectmen award the Catch Basin Cleaning Contract to R.J. Gabriel Construction Co. Inc., 785 Bedford Street, Bridgewater, MA 02324.

Town of Southborough—Public Shade Tree Policy

The Town of Southborough (the "Town") is a designated Tree City. Town residents value the benefits that trees bring to the community—including providing shade, beauty and wildlife refuge, providing clean air, stabilizing land and filtering water. The Town is committed to preserving this important asset to the greatest extent reasonably possible, and to pursuing opportunities to enhance this asset through tree planting programs.

Massachusetts has adopted a variety of laws designed to protect "public shade trees" (as defined by MGL Ch 87). There are additional State regulations (in MGL Ch 40 Sec 15C) relative to trees located along roads that have been designated as "scenic ways" (and there are approximately 18 of these scenic ways in the Town). Chapter 153 of the Town Code also contains regulations relative to trees and 220 CMR 22.03 details "vegetation management" activities by utility companies.

The Town, through this policy, intends to clarify how the Town will work within, and where appropriate, will expand on, the State regulations for tree-related activities by Town departments and non-Town entities.

Public Shade Tree Definition
All trees within a public way or on the boundaries thereof are public shade trees. To determine if a particular tree is a public shade tree an individual may call the DPW office at 508-485-1210 and a determination will be made.

Tree Warden
The Tree Warden ("TW") shall be responsible for the care and control of all public shade trees, shrubs and vegetation along Town roadways, and shall enforce all the provisions of State and local regulations for the preservation of such trees, shrubs and vegetation.

Planting Public Shade Trees
The TW, or an individual or an organization acting with the written consent of the TW, may plant shade trees acquired with public or private funds in a public way, or if the TW deems it expedient, upon adjoining land at a distance not exceeding 20 feet from the layout of such public way, for the purpose of improving, protecting, shading or ornamenting the same; provided, however, that the written consent of the owner of such adjoining land shall first be obtained.

Southborough residents and/or business owners interested in planting a public shade tree or in contributing to the Town's tree planting program can find more information at: https://www.southboroughtown.com/planning-board/webforms/tree-planting-program.

Reporting Of Public Shade Tree Issues
To report a public shade tree that appears to be dead or dying, as well as to report dead limbs on such a tree that may pose a hazard to sidewalks, roadways, or privately-owned structures, an individual may call the DPW office during business hours at 508-485-1210. The TW will determine if the tree at issue is a public shade tree, will assess the situation, and will report his findings to the DPW Office. The DPW Office will contact the reporter to inform them of the status of their issue.

DRAFT

Public Shade Tree Management in Southborough

The Southborough DPW does not have a "Tree Division". Tree removals and most tree trimming in the Town is done by third-party contractors. The Town's contractors cannot work near utility wires. Trees that are threats to utility wires will be referred to National Grid or other utility companies, as appropriate, and the utility company will arrange for necessary trimming or removal (subject to State regulations and Town policy) of such trees.

The TW shall work to create and maintain a database of the public shade trees in the Town. This database shall include, but not be limited to, the following information: location, species, size (approximate diameter and height), and general condition.

Public Shade Tree Cutting, Trimming or Removal

Public Shade Trees shall not be cut, trimmed or removed on whole or in part (except, for example, in an "emergency situation" involving danger to the public, as described in MGL Ch 87 Sec 5) without approval through a Public Shade Tree Hearing ("PSTH") or without being part of an approved "Annual Plan" submitted by a utility company.

QUESTION FOR THE BOS: Which of the following two sentence versions will apply?

[DPW version of the following sentence:]

If a public shade tree that is being considered for cutting, trimming or removal is located on a scenic way, a PSTH with the Planning Board and a PSTH with the TW is required; when possible, or when required by law, the two hearings will be consolidated . Otherwise, the PSTHs will be conducted separately by the TW and the Planning Board.

[Planning Board version of the following sentence:]

If a public shade tree that is being considered for cutting, trimming or removal is located on a scenic way, a consolidated PSTH with the Planning Board and the TW is required.

Appeals for all PSTH decisions about tree cutting, trimming or removal are heard by the Board of Selectmen. The attached flowchart summarizes the process for tree work in a variety of circumstances. Anyone with additional questions about this process can contact the DPW.

Public Shade Tree Hearings

Any PSTH shall be held in accordance with MGL chapter 87 section 3 and/or MGL chapter 40 section 15C and/or the Town's public shade tree policy. The PSTH process shall include a public "Viewing" of each tree to be considered at a PSTH, with notice of such Viewing to be posted on the Town website and with such Viewing to be conducted by the TW, to occur at least one week prior to the PSTH. The Viewing may include the TW, any technical experts (such as an arborist) deemed appropriate by TW, interested members of any Town boards or committees, and any interested members of the public. The date and time of a PSTH hearing and the related Viewing shall be publicized on a placard affixed to the tree, publicized in the legal notices section of a local newspaper, publicized on the DPW web site and included on the "meetings calendar" on the Town web site. Notices of PSTHs and a list of trees associated with those hearings shall be provided to the Town Planner and the Town Administrator for distribution to their respective Boards and to

the public. Any objection to the cutting, trimming or removal of a public shade tree that is the subject of a PSTH may be communicated in writing, including e-mail, to the TW or DPW Superintendent, either prior to the PSTH or at the PSTH. The TW shall not authorize the cutting, trimming or removal or grant a permit for the cutting, trimming or removal of a public shade tree if a written objection is made by one or more persons, unless and until the Board of Selectman approves such cutting, trimming or removal.

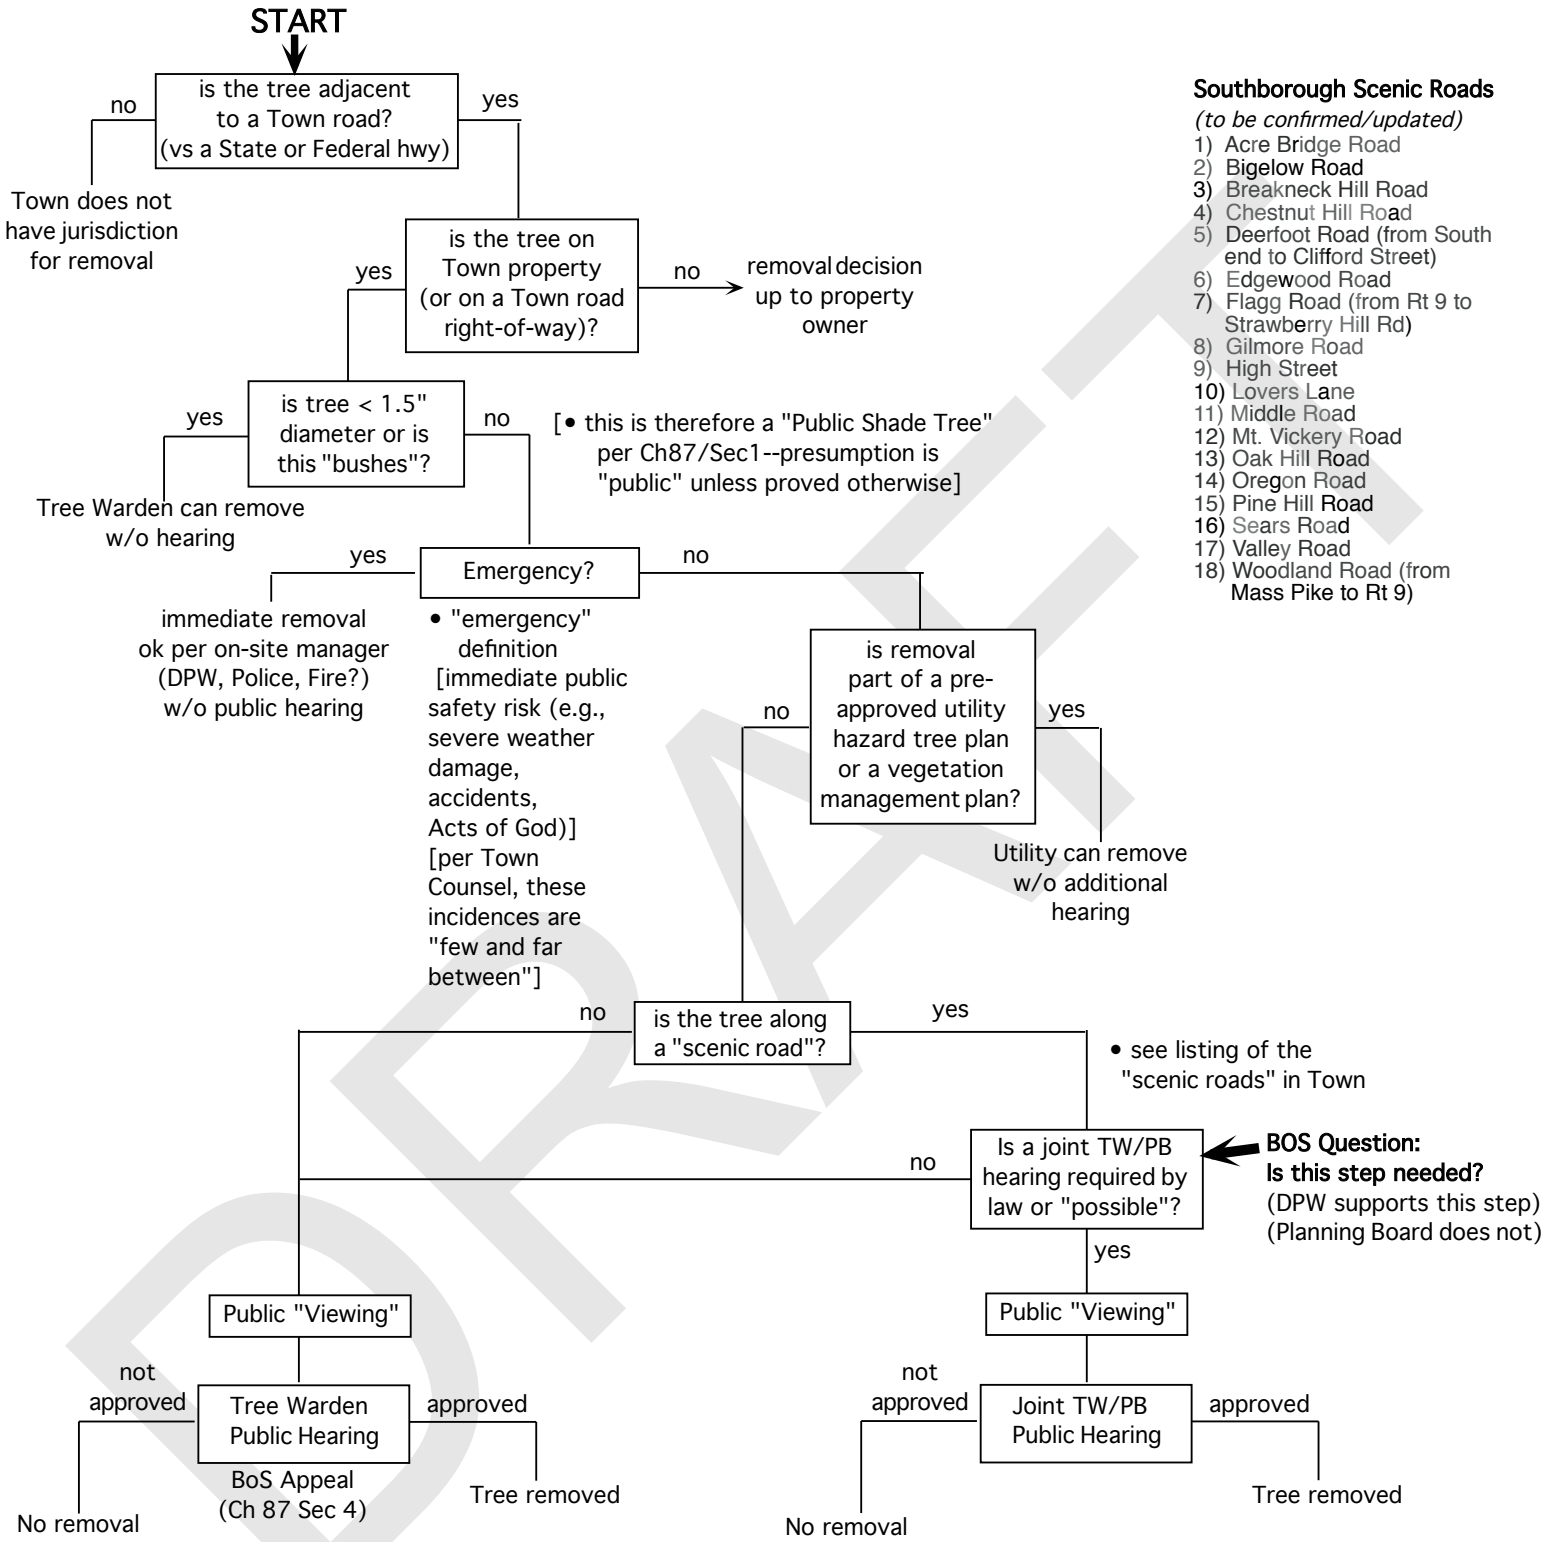
A resident who requests the cutting, trimming or removal of a living public shade tree that is approved for such cutting, trimming or removal is legally responsible for all costs associated with this process, including PSTH advertisement/notification, and cutting, trimming or removing the tree or any tree debris related to such cutting, trimming or removal (including the removal to ground level of the stump of such tree).

Utility Company Tree and Vegetation Management Activities

There are non-local provisions regarding tree work and vegetation management by utility companies as well as Town policy applicable for such work, as follows:

- The TW shall request from utility companies, and such utility companies shall submit (per MGL Ch 87 Sec 14), an annual "Hazard Tree Removal Plan" and/or a "Vegetation Management Plan", as applicable (separately, and together, an "Annual Plan") describing any planned tree trimming or removal work or vegetation management work in the Town. Such Annual Plan shall include at least the following information: a map of the utility circuits or structures where maintenance will occur; a listing of any public shade tree (including the location of such tree(s)) expected to be affected by such work (i.e., either to be removed or to be trimmed to a degree that adversely affects the viability or structural integrity of such tree); and a map showing the location of any public shade tree affected by the Annual Plan. A map showing the work locations and the listing of any affected public shade tree(s) for each Annual Plan shall be posted on the DPW's website and sent to the Town Planner and the Town Administrator for distribution to their respective Boards and to the public.
- Any public shade tree expected to be affected by such work (as above) will be appropriately marked by the utility company, so that the public may be made aware of the proposed work. The TW and the utility representative(s) will visit the proposed work site(s) to inspect the proposed work (and for any such public shade tree located on a scenic way, this visit shall include a representative of the Planning Board).
- Any Annual Plan shall be submitted to the TW no less than 90 days prior to the date the utility company proposes to begin its maintenance work or tree removal work. Upon receipt of the Annual Plan the TW shall submit the plan to the Board of Selectmen and the Planning Board for their review and comment.
- The TW will notify the utility within 60 days of receipt of an Annual Plan if the plan is approved or not approved by the TW and the Board of Selectmen (and, for tree work along scenic ways, by the Planning Board). No tree removal or trimming work or vegetation management work affecting a public shade tree that is not part of an Annual Plan approved by the TW and the Board of Selectmen shall be done by the utility company without approval through a PSTH.
- In addition to the Annual Plan submission, a utility will provide at least 30 days advance written notice to the TW before beginning tree trimming or tree removal work pursuant to an approved Annual Plan.

DRAFT



- If during trimming operations the utility discovers a hollow or compromised tree, the utility may contact the TW to request advance approval for removal. For any such proposed cutting, trimming or removal that is not included in an approved Annual Plan and that does not qualify as "emergency" cutting, trimming or removal (pursuant to the Town's tree removal policy), the TW will arrange for a PSTH, per the Town's standard tree removal process—with approval pursuant to this process required before such cutting, trimming or removal can take place.
- Per 220 CMR 22.03 (Electric Utility Vegetation Maintenance Notice), any "transmission company" is required to notify the Town no later than March 31 each year about any vegetation maintenance activities to be performed during the following calendar year. Such plans shall include identification and marking of each public shade tree to be removed (or trimmed to a degree that adversely affects the viability or structural integrity of such a tree).

Adopted by the Board of Selectmen on _____, 2021

DRAFT

TREE REMOVAL PROCESS OVERVIEW

Draft 8/11/21

Southborough Scenic Roads

Board of Selectmen
Executive Session Meeting Minutes
Tuesday, August 17, 2021
McAuliffe Meeting Room
Town House, 17 Common Street, Southborough, MA

Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey and Sam Stivers

The Board voted to enter Executive Session at 11:36 P.M. per M.G.L. Chapter 30A, Section 21, and not returning to Open Session, to discuss contract negotiations for the Town Administrator (Exemption 2), as the Chair has determined that an open meeting may have a detrimental effect on the Town's litigating position. Roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio aye.

Negotiations for the Town Administrator [Exemption 2]

Chair Braccio summarized her meeting with Mr. Purple regarding his contract. She stated that the raise would be based on the completion of four goals which included ways to institute cost savings, successful negotiations with unions, improve tracking performance with employees and taking the lead on funding options for the list of ADA initiatives outlined in the 2021 report.

Ms. Malinowski stated she would like to see Mr. Purple create staffing efficiencies to improve cost efficiencies. She gave the example of transitioning the previous administrative assistant in the Board of Selectmen Office to a hybrid position between the Selectmen's Office and Treasurer Collector. Mr. Healey stated that he did not understand how the four goals could have measurable metrics tied to them. There was discussion regarding how Mr. Purple conducts employee reviews. They discussed ways in which he could be more effective which included identifying three items for improvement for each employee and ways to improve performance tracking. Mr. Stivers shared his concern regarding the inability to measure Mr. Purple's goal attainment. He stated his frustration in not seeing his employee feedback reflected in their respective reviews. He stated that he felt the goal pertaining to successful union negotiations could be easily tracked but taking the lead on ADA initiatives was somewhat subjective. Mr. Dennington stated that he is not familiar with Mr. Purple's current contract or performance and Chair Braccio agreed to forward Mr. Purple's contract executed in 2018.

Ms. Malinowski asked Mr. Stivers to reword the goals section of the contract to incorporate three areas of improvement for each employee review and include ways in which Mr. Purple could motivate his employees for higher productivity. Chair Braccio told the Board they have agreed to renew Mr. Purple's contract on the same schedule as the rest of the contract employees and stated she recommended a 2.8-year contract to bring him into the July 1 timeframe. She stated that Mr. Purple is requesting a 3.8-year contract term. Ms. Malinowski stated she is not comfortable agreeing to more than a three-year term as the Board could be comprised of different members in the time. Chair Braccio said Mr. Purple suggested his rate increase be tied to the SAP and driven by performance; discussion ensued relative to the pros of tying the increase to the SAP. Mr. Healey was open to the idea but asked for time to review this option. Ms. Malinowski suggested including an appendix to the contract (to outline the tie to Mr. Purple's goals) in lieu of updating his contract with specific goals that could change. She suggested working with Town Counsel on this option. There was discussion regarding goal measurement and contract items including mileage, stipends and insurance benefits. Chair Braccio stated that there has

been no discussion with Town Counsel regarding any changes the Board may want to institute. Chair Braccio summarized the discussion and stated she will meet with Mr. Purple to speak about the goals discussed and a proposed 2.8-year contract term. She stated the Board will discuss this item at a future meeting.

On a motion made by Mr. Healey, seconded by Mr. Stivers and voted by roll call all in favor, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye, Executive Session was closed at 12:06 A.M.

Respectfully submitted,

Kathleen Barry, Recording Secretary

By Town Clerk/amb at 6:33 pm, Sep 21, 2021

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Wednesday, August 25, 2021, 7:30 A.M.
Location: Zoom Meeting (virtual)
Present: Lisa Braccio, Chelsea Malinowski, Marty Healey, Sam Stivers, Andrew Dennington, Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 7:32 A.M. Mary Lou Woodford and Chelsea Malinowski from the Board of Health joined the meeting, and Ms. Woodford called the Board of Health meeting into session at 7:33 A.M. Public Health Director Heather Alker was also in attendance.

II. Public Comment – None.

III. **Scheduled Appointments**

Vote to fill the unexpired term (8/30/21 – 5/10/22) of Mary Lou Woodford who will be resigning from the Board of Health on 8/30/21. Chairman Braccio explained the process for filling the vacancy, and Ms. Woodford concurred. Dr. Medina spoke to his candidacy for the vacancy. He has been in the community for 17 years and has always had a focus on public health. Also took on the role of District physician for the schools and has collaborated with the Board of Health. The pandemic made him realize the important role that the Board of Health serves in the community.

Mr. Healey spoke in favor of Dr. Medina's candidacy, and said that we were lucky he stepped forward. Mr. Stivers said he was impressed by his broad view of public health, and thought he was a perfect fit for the Board. Mr. Dennington spoke in favor of Dr. Medina, and thanked Ms. Woodford for her service to the Town during the pandemic. Ms. Braccio said that while she still has some issues with the process, it does not reflect on Dr. Medina, and she fully supports him. Ms. Woodford thanked Dr. Medina for stepping up, and spoke to the benefits of having him on the Board. She also reflected on her role on the Board of Health and the response to the pandemic. Ms. Malinowski also thanked Dr. Medina for his candidacy, and noted her work with him on the Youth and Family Services plan. She asked if he would continue to serve on the Medical Advisory Team, and Dr. Medina said that he would as that collaboration would remain complimentary to his role on the Board of Health.

Mr. Stivers moved to appoint Dr. Medina to the Board of Health, effective upon the resignation of Ms. Woodford, seconded by Mr. Healey. Roll call vote in the affirmative, 4-0-1 (Healey – aye; Stivers – aye; Dennington – aye; Braccio – aye; Malinowski – abstain). Ms. Woodford voted to appoint Dr. Medina to the Board of Health, effective upon the resignation of Ms. Woodford, seconded by Ms. Malinowski. Unanimous roll call vote, 2-0-0 (Malinowski – aye; Woodford – aye). Ms. Braccio congratulated Dr. Medina on his appointment. Dr. Medina thanked everyone for their support, and said he was looking forward to working with everyone. Ms. Braccio also thanked Ms. Woodford for her 11 years of service to the Town.

IV. On a motion made by Mr. Healey, seconded by Mr. Stivers and voted all in favor by roll call vote 5-0-0, the Board of Selectmen meeting was adjourned at 7:45 A.M. On a motion made by Ms.

Woodford, seconded by Ms. Malinowski and voted all in favor by roll call vote 2-0-0, the Board of Health meeting adjourned 7:45 A.M.

Upcoming Meetings
September 8, 2021
September 21, 2021

Respectfully submitted,

Mark J. Purple, Town Administrator

List of Documents referred to at the August 25, 2021 BOS Meeting:

- Letter of interest from Dr. Safdar Medina for Board of Health vacancy

Safdar Medina, MD

Southborough, MA
01772

Respected Board of Health Members and Board of Selectmen:

I am honored to have been asked to apply for the vacancy on The Southborough Board of Health. I have been a resident of Southborough for over 16 years and have taken on many roles in our town over this time period. As a pediatrician in Central Massachusetts, my career is devoted to the physical and emotional well being of children, families and their communities.

I have been the physician for our school district for the past three years and have been a member of the Northborough-Southborough Substance Use Prevention Coalition. In both of these roles, I have collaborated with our Board Of Health. I see my work in all three positions as integrated. Throughout the pandemic, I worked on safety protocols in our schools, in consultation with our local public health experts. I have given presentations on substance use, both for parents and teenagers and have advocated for changes in policy.

I am looking forward to working with my future colleagues to keep our citizens healthy through prevention work and education, advocating for policy changes, and supporting endeavors such as vaccine clinics. My experience and work with both our School District and Southborough Youth and Family Services will allow for collaboration.

Thank you for considering me for this position.

Sincerely,

Safdar Medina, MD
Assistant Professor of Pediatrics, University of Massachusetts School of Medicine
Pediatric Director, Tri River Family Health Center, Uxbridge, MA
School Physician, Northborough Southborough School District

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, September 8, 2021 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

Pursuant to Chapter 20 of the Acts of 2021, An Act Relative to Extending Certain COVID-19 Measures Adopted During the State of Emergency, signed into law on June 16, 2021, this meeting will be conducted via remote participation. No in person attendance by members of the public will be permitted.

I. Chairwoman Braccio called the meeting to order at 6:34 P.M.

II. Public Comment

None

III. Scheduled Appointments

Volunteer Interviews

i. Trails Committee – Tony Schoener

Mr. Schoener explained he was one of the original Trails Committee members and gave a background on his professional and town experience. Mr. Healey stated he felt Mr. Schoener would be a great fit for the Committee. Chairwoman Braccio thanked Mr. Schoener for attending and informed him that this appointment will be discussed later in the meeting.

ii. Noise Bylaw Ad Hoc Committee

Chairwoman Braccio updated the Board that they previously interviewed six volunteers and one has since withdrawn. She added that another seven volunteers have stepped forward. She instructed the Board they will conduct interviews, discuss the committee charge and then vote on appointments. The interviews are below:

a. Krishna Kandarpa

Dr. Kandarpa gave background of his work at Brigham and Women's Hospital and explained his vision for a noise bylaw for the Town of Southborough. He explained how noise can impact the public's health and his experience on committees in his professional career. The Board thanked him for his time and informed him that appointments will be made later in the meeting.

b. Timothy Fling

Mr. Fling explained that he does his own property maintenance and was in opposition to the previously proposed bylaw. He explained his background in acoustics and his hourly limitation approach to a noise bylaw. The Board thanked him for his time and informed him that appointments will be made later in the meeting.

c. Shawn Rose

Mr. Rose explained his professional background and that he is new to Southborough. He explained that he does his own yardwork and also hires contractors. He outlined his vision for a balanced bylaw and his focus on researching other town's bylaws. The Board thanked him for his time and informed him that appointments will be made later in the meeting.

d. Joao (John) Melo

Mr. Melo explained his history managing acoustic projects and his engineer background. He told the Board his wife manages the MySouthborough blog and outlined his thoughts regarding a minimal and less intrusive bylaw. The Board thanked him for his time and informed him that appointments will be made later in the meeting.

e. Patrick Stanton

Mr. Stanton described his professional background and how he felt the previously proposed bylaw was too restrictive and unenforceable. There was discussion regarding noise measurement and hour restrictions. The Board thanked him for his time and informed him that appointments will be made later in the meeting.

f. Lee Perrin

Mr. Perrin explained his career as an anesthesiologist at St. Elizabeth's Medical Center and his background on various boards and committees in Town. He summarized his vision for a noise bylaw which would include hour restrictions and receiving input from boards, committees and residents. The Board thanked him for his time and informed him that appointments will be made later in the meeting.

g. Peter Goodney

Mr. Goodney described his professional background as police sergeant and his experience dealing with noise complaints. He outlined his experience on Town board and committees including the Public Safety Study and Building Committees. He gave an outline of his vision for a noise bylaw which included restrictions by district and duration and frequency of noise. The Board thanked him for his time and informed him that appointments will be made later in the meeting.

<u>Kathryn McKee, Trails Committee – Update on Aqueduct Trail Connector project; revisions to Committee charge</u>

Ms. McKee described the potential Eagle Scout project to expand the Aqueduct Trail Connector off of Pine Hill Road. She explained that the Committee needs to conduct outreach regarding this project through MWRA and abutters to the trail. She added that they must also survey the lot.

Ms. McKee described the revisions proposed to the Trails Committee charge and reasons for the request to expand the number of members. There was discussion regarding forming a "Friends of the Trails" committee. Ms. Malinowski outlined her concerns regarding expanding the committee and potential Open Meeting Law issues. Mr. Healey asked if Town Counsel had opined. Mr. Purple responded that Attorney Talerman stated he had some concerns regarding the creation of associate members and suggested additional members become ad-hoc. Chairwoman Braccio stated she is in support of expansion but also has concerns with the addition of associate members. Ms. McKee explained her request for additional non-voting members. There was discussion regarding alternates and comparisons to the Zoning Board of Appeals. Ms. McKee agreed to investigate other towns who have done this and will report back to the Board at their first meeting in October.

<u>Jennifer Thompson, CSS – Update on ARPA consulting services</u>

Chairwoman Braccio explained that the Board signed a contract with CSS at a previous meeting to review Federal and State funds relate to COVID funding; specifically, ARPA, FEMA and CARES. Ms. Thompson introduced herself and outlined the services CSS provides. She explained her collaboration with Town Accountant Carla McAuliffe, Treasurer/Collector Brian Ballantine and Town Administrator Mark Purple. There was discussion regarding a CSS collaboration with department

heads to identify avenues for State and Federal funding. Ms. Thompson explained their focus on compliance and their ability to produce monthly expenditure and reimbursement reports. Chairwoman Braccio recognized Ms. Malinowski for her work to bring CSS onboard.

IV. Reports

Chairwoman's Report

i. Update on Swap Shop

Chairwoman Braccio stated she spoke with Linda David regarding a complaint to the DPW Superintendent on work volunteers were conducting there. Chairwoman Braccio stated the volunteers were doing work to organize the Swap Shop but Superintendent Galligan was not aware of the work taking place there. Ms. Galligan was concerned that she was not aware of the volunteers or their work and the liability and legal issues this could cause. There was discussion regarding the creation of an official volunteer group.

ii. Update for Downtown District

Chairwoman Braccio updated the Board on the status of the review of the design guidelines with the Historical Commission, Planning Board, Economic Development Committee, Sarah Hoecker from the Planning Department and contractor Judi Barrett. She stated the goal is to meet again to review the bylaw language.

iii. Office hours

Chairwoman Braccio stated that Ms. Malinowski and she will host the first Office Hours in September over Zoom. She outlined the schedule through January.

Members' Reports

i. Summer Nights

Ms. Malinowski thanked the Recreation Commission, Friends of Recreation, Police and Fire Departments, Health Department, Tim Davis and all the sponsors for supporting a successful Summer Nights. Mr. Stivers stated the band and food trucks were great. Chairwoman Braccio reminded the public that the Rotary Club's first Food Truck Festival is this coming Wednesday at St. Mark's.

Town Administrator Report

i. ALS fundraiser at Southborough Golf Club

Mr. Purple informed the public that the Southborough Golf Club will be holding their annual fundraiser for ALS One in memory of John Wilson and Brian Shifrin over Columbus Day Weekend. He stated a portion of fees will go to ALS One and Brian Shea is coordinating on behalf of the Town to hold the event Friday, Saturday and Sunday of Columbus Day weekend.

ii. 9/11 Ceremony

Mr. Purple informed the public that the ceremony will be held at 9:55 A.M. at the Public Safety Building. He invited all to attend.

iii. Update on Flagg Road HCVE request

Mr. Purple outlined the proposal from VHB as supplied in the packet for a truck circulation study. He informed the Board the total cost would be $22,000 to conduct and report on the study which would need to be approved at Town Meeting. He suggested the Board request $25,000 for contingencies. Mr. Purple asked the Board if they wanted this included on the Special Town Meeting warrant. The Board discussed and agreed to move forward with this as an article for Special Town Meeting.

iv. Consent Agenda

a. Mr. Stivers held agenda item "a." Mr. Stivers outlined revisions from the July 13th meeting minutes on line 45 and 318. Mr. Dennington outlined revisions on line 86 and 322 and had a question on line 290. Ms. Malinowski outlined revisions on line 332 and 336. Mr. Stivers outlined revisions from the August 25th meetings on lines 33, 37, 34 and 45. Mr. Stivers made a motion to approve Open Session Meeting Minutes: July 13, 2021, August 25, 2021 as revised. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

b. Mr. Stivers made a motion to approve Executive Session Meeting Minutes: July 13, 2021. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

c. Mr. Stivers made a motion to appoint Program Coordinator for Recreation Department. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

d. Mr. Stivers made a motion to appoint Business Assistant for Zoning Board of Appeals. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

e. Mr. Stivers made a motion appoint David Joyner to Youth Commission, term 6/30/24. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

f. Mr. Stivers made a motion to appoint Jake Murphy as PT Telecommunications Officer, start date September 9, 2021. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

g. Mr. Stivers made a motion to appoint Martin Healey to SHOPC/Selectmen's Rep., term 6/30/24 Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

h. Mr. Stivers made a motion to reappoint Cultural Arts Council Members:
   i. Mary Piekarcz – term 10/3/21 – 10/2/23
   ii. Kimberly D. Galbraith – term 10/3/21 – 10/2/23
   iii.Catherine M. Weber – term 10/15/21 – 10/14/23

Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

i. Mr. Healey held agenda item "i. - approve five (5) 1-day Alcohol License applications for Chestnut Hill Farm "Fall Fun on the Farm" events: October 3, October 10, October 17, October 24, October 31." Mr. Healey reminded the Board that the same applications were submitted last year and the Board denied them on the basis that the serving of alcohol was not an appropriate use based on the Conservation Restriction and the Management Plan for the property. He stated he was still opposed to the same request specifically because it was described as an educational event. Mr. Healey asked that Town Counsel review the Conservation Restriction and request. Mr. Stivers stated he is in support of these events. The Board agreed to have Town Counsel review and submit an opinion for the September 21st meeting. Mr. Purple agreed to reach out to the Trustees to inform them of next steps.

v. Other Matters Properly Before the Board

<u>Board/Committee updates</u>

Chairwoman Braccio stated that this will be a new line item moving forward and asked Mr. Stivers to update the Board on his items from meetings he has attended. He stated that at their last meeting, the ADA Committee spoke to concerns regarding the recent consultant report and the little amount of input received from departments, committees and the Town. He stated that they spoke about

attending a Board meeting to discuss this and the potential for ADA review of building permits and work done through the Facilities Department, Conservation Commission, Planning Board and other various departments and committees to apply ADA requirements before work is started.

Mr. Stivers stated he had a conversation with the Golf Course Committee and they are looking into ways to better utilize the Golf Course which included adding an irrigation system, paving the parking lot and driveway, food and beverage upgrades and adding screening on Latisquama Road.

Mr. Stivers stated the Historical Commission had concerns regarding the condition of the Old Burial Ground and that he will inform Ms. Galligan of these concerns.

Review of proposed policy on Remote Work

Chairman Braccio stated Ms. Hale has been doing a tremendous amount of work to create the policy as the pandemic has demonstrated that Town employees can work effectively from home. Mr. Purple stated his concerns regarding consistency and the need for the Town to implement a policy such as this. Ms. Hale described the questions she received regarding a remote work policy while conducting interviews and felt it was good for morale. Mr. Stivers outlined his concerns which included the approval authority of elected boards and the length of time to needed to rescind a work from home setting that was not working. Mr. Dennington was in support of the document and felt there should be clarity on who the approving authority is for each department and that office coverage was paramount. Ms. Hale stated she would solicit feedback from departments heads. Mr. Stivers agreed to send his revisions to Ms. Hale. The Board agreed to add this item to a future agenda to sign and approve.

Noise bylaw Ad-Hoc Committee

The Board discussed increasing the membership from five to seven. Mr. Stivers made a motion to change the charge of the Noise bylaw Ad-Hoc Committee to consist of seven at large members. Ms. Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

The Board discussed the applicants to the Noise bylaw Ad-Hoc Committee. The Board voted for members as follows:

Ms. Malinowski: Peter Goodney, Lee Perrin, John Melo, Lisa Dunderdale, Peter LaPine, Timothy Fling and Patrick Stanton.

Mr. Healey: Peter Goodney, Lee Perrin, John Melo, Lisa Dunderdale, Patrick Stanton, Timothy Fling and Krishna Kandarpa.

Mr. Stivers: Peter LaPine, Cynthia Foster, Jake Hashash, Lee Perrin, Peter Goodney and John Melo.

Mr. Dennington: Peter LaPine, Cynthia Foster, Doris Cahill, John Melo, Timothy Fling, Peter Goodney and Lee Perrin.

Chairwoman Braccio: Peter LaPine, Lisa Dunderdale, Cynthia Foster, Krishan Kandarpa, Timothy Fling, John Melo and Peter Goodney.

Mr. Stivers made a motion to appoint Peter Goodney, Lee Perrin, John Melo, Timothy Fling, Cynthia Foster, Lisa Dunderdale and Peter LaPine to the Noise bylaw Ad-Hoc Committee, terms 6/30/22. Ms.

Malinowski seconded. The motion passed all in favor (5-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Chairwoman Braccio informed the candidates that the decision was difficult for the Board and encouraged those not appointed to volunteer for the Town in the future.

Discussion of traffic concerns on Oak Hill Road

Andrew Pfaff (50 Oak Hill Road) shared his screen and walked the Board through his presentation regarding speeding and traffic concerns on Oak Hill Road. He introduced his neighbor, Eric Fernandez (26 Oak Hill Road) who stated he spoke with residents on Oak Hill Road who were all in favor of lowering the speed limits to make this road safer. He reviewed request made to the DPW, MASSDOT and the Board and described his concerns and recent accidents on this road. Mr. Healey said he felt this conversation ties in with the study that needs to be conducted on all roads in Southborough. He added that the accident shown to the Board may have more to do with distracted driving rather than speeding. Mr. Stivers added that he has witnessed speeding on Oak Hill Road and felt radar speed and jake brake signage would be beneficial in the short-term. Mr. Dennington agreed that there are reasonable solutions that could be done at a low cost. Ms. Malinowski stated she would like to hear from Chief Paulhus regarding the referenced accident to clarify if speed was a factor. There was discussion regarding the requests for sidewalks at Oak Hill Road and other neighborhoods in Town. Chairwoman Braccio stated she would like to hear from Chief Paulhus and DPW Superintendent Karen Galligan regarding these issues at Oak Hill Road and throughout Southborough. Mr. Fernandez described concerns regarding an increase in children and their safety in the Oak Hill Road neighborhood, limited sidewalks, increase in accidents and change in demographics.

Jonas Linden (39 Flagg Road) stated that there has been a lot of similar requests and concerns brought to the Board and little action. He urged the Board to ask Ms. Galligan to implement some of these requests. Chairwoman Braccio stated she will be having a conversation with Ms. Galligan to get feedback on these issues.

Roger Challen (29 Oak Hill Road) stated that he hopes that the Board does not fail to look into these speed and traffic concerns due to the fact that many other neighborhoods have the same issues. Chairwoman Braccio replied that the Board is very receptive to listening to concerns and coming to a solution. There was discussion regarding adding crosswalks to Oak Hill Road. Ms. Malinowski clarified that she felt that the requests regarding traffic safety need to be balanced and responded to appropriately and consistently. Chairwoman Braccio thanked the Oak Hill Road residents for their presentation and participation and stated this topic will be on a future agenda once more information is collected.

vi. Public Comment

Jonas Linden (39 Flagg Road) asked that truck decibel levels be included into a noise bylaw for the Town. He stated that Flagg Road qualifies for a truck exclusion per MGL and asked that the Board move forward with this instead of adding a $22,000 cost to tax payers. Chairwoman Braccio stated she has received calls from residents on Main Street who are opposed to lifting the truck exclusion. She added that the traffic study proposed will be global and fair to tax payers.

Tim Fling (18 Main Street) asked if the funds from the DPW road repair line item could be used to fund the traffic study. Mr. Purple stated he will inquire with Ms. Galligan.

vii. On a motion made by Mr. Stivers seconded by Mr. Healey and voted all in favor by roll call

vote, the meeting was adjourned at 10:14 P.M. Roll call: Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Upcoming Meetings

Sent: Monday, October 25, 2021 4:28 PM
To: Amy Berry <aberry@southboroughma.com>
Subject: RE: Request for Minutes - Board of Selectmen 9/8/2021

Thank you for reaching out. These minutes will be on the agenda for the next Board of Selectmen meeting for approval.

From: Amy Berry
Sent: Monday, October 25, 2021 3:20 PM
To: Katie Barry <kbarry@southboroughma.com>
Subject: Request for Minutes - Board of Selectmen 9/8/2021

Southborough Town Code § 9-25 requires that minutes of each public meeting and the documents used at the meeting be submitted to the Town Clerk within 45 days of the meeting and that the Town Clerk notify the board or committee chair when that reporting requirement is not met.

I'm writing to advise you that as of today, the Town Clerk's Office has not received the minutes and documents used at the **9/8/2021** meeting of the **Board of Selectmen**.

The Attorney General has determined that a document is considered to be "**used at a meeting**" when the document is:

- Physically present, and
- Identified by name, and
- Its contents are discussed at the meeting.

As a reminder, please submit the documents as individual files and ensure the name of **each separate file** matches how it is identified in the **Documents Used at This Meeting** section of the minutes.

Please reply to this email with your response which will be posted on the town website until the minutes and documents are received.

Please advise if you are unable to provide minutes for one of the following reasons:

1. The meeting was cancelled.
2. No meeting was held due to the lack of a quorum.

The meeting involved executive session(s) and the minutes for the executive session portion(s) cannot be released at this time. Note that minutes for the open session portion of a meeting must be released. Also, the board or committee must review any withheld executive session minutes regularly

to ensure there is still a valid reason to withhold minutes from the public. We suggest you consult with Town Counsel on any matters concerning the release of executive session minutes.

Thank you, Amy

Name: Cynthia R Foster

Home Address: 3 Aspenwood Lane
Southborough

Mailing Address: 3 Aspenwood Lane
Southborough

Current Occupation/Employer: Retired

Narrative: I am concerned that the original proposed by-law was far too restrictive and impossible to enforce. I am a Town of Southborough retiree and am familiar with the requirements of committee members and the Town Meeting process. I currently work part time for a landscape company and would like to participate in a committee that works to develop a bylaw that Southborough needs, is enforceable, and will still allow landscape vendors to operate in Town.

SOUTHBOROUGH, MA 01772

Mailing Address: 5 OLAND LN
SOUTHBOROUGH, MA 01772

Current Occupation/Employer: Student- new high school graduate, college locally in the fall

Narrative: I would like to serve on the committee that will propose a noise by-law for Southborough (Noise Bylaw Ad-Hoc Committee). I am an 18-year-old registered voter, and my hobbies include sound engineering and noise measurement; I have my own noise level meter and have conducted many tests of sound levels of various machines and activities. I am an audiophile, and on my parent's property I help to cut the grass with a tractor, fell dead trees with a chain saw, run a leaf blower, and test and tune my 2000 Jeep Cherokee, all of which can be loud activities. Additionally, in California, I was the neighbor to many people who violated the evenings with loud parties, illegal fireworks, obnoxious motorcycles, and I lived in a town that worked to create a noise ordinance to cover the local, private airport. The reduction in daytime and nighttime noise from that ordinance made an unbelievable difference to the quality of life in that town (Pleasant Hill, CA). I feel I could add a balanced perspective by representing a young resident while also working to preserve the peaceful, rural town of Southborough, which I highly value. I am available to meet regularly as I will be attending college locally in the fall. I have a vested interest in the outcome of this law, and have always found it odd that Southborough doesn't already have one. Thank you for your consideration.

Current Occupation/Employer:	Retired Anesthesiologist
Narrative:	I've been a town resident since 2003. Now that I have retired from the practice of medicine I have a substantial amount of time available to me. I'd like to get more involved with Town government and thought the Noise Bylaw Ad-Hoc Committee might be a good way to do so. I am the President of the Anesthesiologist's PAC. My legal counsel has informed me that it is legal for me to volunteer for this committee so long as I receive no pay and nothing of value in return. Our PAC contributes to candidates for office in the MA senate and house.

TOWN OF SOUTHBOROUGH
REMOTE WORK POLICY

Background:

This Remote Work policy was developed as the result of the COVID-19 pandemic which has had a significant impact on how the Town conducts business and serves the public. The Town, similar to many private businesses and entities has had to rethink how it operates following the sudden shift of some departments to remote work as a result of the COVID-19 pandemic and Governor Baker's public emergency declaration. That, coupled with the fact that many Town employees continue to grapple with the effects of the pandemic, has led to the development of a Remote Work Policy.

Work-from-home or remote work policies are traditionally viewed as a strategy to provide more flexibility or a work-life balance options for employees. However, the Town believes that moving forward and post-COVID-19, providing a remote work option, when possible, can increase employee productivity and satisfaction, help recruit and retain talent, save employees hours spent commuting, address office space needs and significantly reduce the Town's workforce carbon footprint.

Policy:

This policy establishes guidelines for administering and evaluating remote work requests or assignments. The option to work remotely allows employees to work from home or another location on a part-time or intermittent basis. It is expected that most remote work arrangements will permit a portion of an individual's hours to be conducted off site and not every employee will have the ability to work remotely due to their specific job responsibilities or work productivity. The ability to work remotely is not an entitlement or benefit of employment. *It is an alternative means of meeting the needs of the Town outside of the office.* In some cases, employees may be mandated to work remotely to ensure continuity of operations in the event of an emergency such as inclement weather, a pandemic, a lack of available space, or under other extenuating circumstances. While remote work provides some flexibility in an employee's schedule, the remote work arrangement is not designed to be a substitute or replacement for childcare.

DRAFT

The option to work remotely requires the approval of the employee's Department Head, the Town Administrator and/or the appointing authority of the employee's position. Participation in the remote work arrangement will not alter the employee's terms or conditions of employment with the Town, except for those specifically addressed as part of a Remote Work Agreement. Any decision regarding the eligibility to work remotely shall be at the sole discretion of the Town and shall not be grievable.

Eligibility:

An employee may request, or a Department Head may initiate a discussion about a remote work arrangement. Eligibility to work remotely on a consistent or routine basis is contingent on job responsibilities (rather than job title), type of position (supervisory or public facing), work habits, and work schedule. Employees may also request a short-term remote working arrangement for circumstances such as family or medical leave with the consent of the employee's health care provider, if appropriate. Moreover, jobs acceptable for remote work are those that can be performed without diminishing the quality of work, level of services provided [including office coverage], and without disrupting productivity. This policy does not apply to introductory/ probationary, seasonal, or temporary employees.

Occasional Remote Work

- Occasional remote work requests are approved on a case-by-case basis, are intermittent, and are not regularly scheduled. Approval by a Department Head must be documented. For example, this type of remote work arrangement may be appropriate when a supervisor or Department head assigns a specific task or project to an employee who is likely to be more productive and efficient at home without workplace distractions.

Routine Remote Work

- Routine remote work arrangements are for ongoing purposes and must be supported by a written agreement that specifies the requirements and details of the arrangement. Routine part-time remote working arrangements must be approved in advance and will be reviewed and renewed annually [by June 30 of each year].

DRAFT

Procedures

Employees- Requesting a Remote Work Assignment

1. An employee interested in working remotely must first initiate a discussion with their Department Head to determine eligibility.
2. If the Department Head is supportive of the request to work remotely, the employee must submit the Remote Work application to their appointing authority.
3. The request will be elevated if deemed eligible.
4. After all paperwork is completed, the employee can begin their remote work assignment.

Department Head – Managing Remote Work Assignments

Each Department Head is responsible for evaluating remote work requests. The arrangement is intended to benefit the Town and its employees without putting an added burden on other employees, individual departments, or the services provided by the Town [i.e. office coverage]. Department Heads should contact the Assistant Town Administrator with any questions.

1. When evaluating a remote work request, the Department Head should consider whether the employee has a record of satisfactory performance (evaluation) in the workplace, and has demonstrated the ability to:
   - Prioritize work to meet deadlines
   - Accomplish job duties with minimal supervision
   - Communicate effectively with officials, stakeholders, supervisors and team members
   - Manage time effectively; and that
   - Operational demands are unaffected & met without an impact to overtime or other employees.
2. Set clear expectations with staff by creating a communication plan and regularly checking in.
3. An initial review of the remote work plan should take place at two weeks and again at one month. After the first month, the department head should review the remote work plan with the employee at least quarterly to discuss the success/shortcomings of the arrangement and to make any necessary adjustments based on those reviews.

Contingency Plans

Each department head reserves the right to cancel, modify, or suspend a work-from-home assignment as necessary, to address planned or unplanned short-term and long-term employee absences, emergencies, office coverage and vacations. This also includes mandatory meetings, trainings, or other work assignments.

DRAFT

Expectations

Employees working remotely are required to comply with all Town policies and regulations that would apply if the employee were at their normal worksite. Employees working remotely are expected to be actively working during the agreed upon hours of work and must be available to communicate in a timely fashion via email, telephone or any other means of virtual communication. Supervisors and/or Department Heads may require employees to provide reports/updates of work performed or accomplished while working remotely.

Work Schedule, Environment & Equipment

Work Schedule

Employees who are classified as non-exempt under the Fair Labor Standards Act must obtain advance approval from their Department Head prior to working in excess of their scheduled hours per day or per workweek, including overtime hours.

Employees who are classified as non-exempt continue to be required to work the number of hours needed to accomplish their assigned duties. Participation in a remote work plan does not limit the number of hours that an exempt employee must work to accomplish those responsibilities.

All employees on a remote work plan will be required to take leave to accommodate personal business at their home or sick leave if the employee is unable to work remotely due to illness. While remote work provides some flexibility in an employee's schedule, the remote work arrangement is not designed to be a substitute or replacement for childcare.

Work Environment

The employee is responsible for setting up or establishing a suitable work environment for purposes of working remotely. The area should be free from obvious safety hazards and suitable for the type of work being performed by the employee. The Town will not be responsible for costs associated with setup of the employee's home office, such as remodeling, furniture or lighting, nor for repairs or modifications to the home office space.

Equipment & Software

The Department Head, in coordination with the IT department, will determine the equipment needs for each employee in accordance with the Town's standard policies and procedures. Equipment supplied by the Town is to be used for work purposes only and may not be used by anyone other than the employee. The employee understands that all Town-issued equipment issued to the employee remains the property of the Town at all times. Employees must sign an inventory of all Town property received and agree to take appropriate action to protect items from damage and theft. Employees shall report any damage to or theft of Town-issued property to their supervisor immediately.

- The Town accepts no responsibility for damage or repairs to employee-owned equipment.
- Upon the end of the remote work assignment or termination of employment, all Town property will be promptly returned, unless other arrangements have been made.

Security and Safety

Consistent with the Town's expectation of information security for employees who have a physical presence working at the office, employees working remotely will be expected to ensure the protection of confidential information accessible while working from home. As such, the employee must sign out of their remote connection and/or Town-owned computer when not at their computer to ensure the security and the integrity of the Town's network. Any information that is considered confidential or protected will not be removed from Town premises unless expressly approved in advance by a supervisor or Senior. The employee is also expected to adhere to all Town policies concerning information security and technology use

Workers' Compensation

Employees are expected to maintain a home workspace that is free from safety hazards and other dangers to the employee and Town-issued equipment. Employees working remotely are covered by workers' compensation for job-related injuries that occur in the course and scope of employment. When the employee is working from home, workers' compensation does not cover injuries that are **not job related** and the Town assumes no liability for injuries to the employee or others occurring in the employee's home work space outside the agreed-upon work hours. Further, the Town is not liable for loss, destruction, or personal injury that may occur in or to the employee's home and/or non-employee property. This includes family members, visitors, or others that become injured within or around the employee's home. Employees are responsible for the timely reporting of workers' compensation injuries per normal protocol.

Compensation & Benefits

Unless otherwise agreed due to changes in responsibilities or hours worked, an employee's compensation, benefits, work status, and work responsibilities will not change due to working from home.

Leave Time

Vacation or sick time leave used on a scheduled remote workday will be administered under the same provisions as leave used on days an employee would otherwise be in the office.

Termination of Agreement

An employee's remote working assignment is at the sole discretion of the Town. The Town reserves the right to modify or terminate such agreement with ten (10) days' notice, at any time for any reason. As such, no Town employee is entitled to or guaranteed the opportunity to work remotely. The Town further reserves the right to terminate an employee's remote work arrangement with ten (10) days' notice in the event that the employee fails to maintain satisfactory performance as determined by the employee's supervisor and/or Department Head. The Town will not be held responsible for costs, damages, or losses resulting from termination of an employee's participation in the remote working program. The Remote Work Agreement is not a contract of employment and may not be construed as such.

DRAFT

Roles and Responsibilities

Employees

Employees who work remotely or plan to work remotely are responsible for:

- Ensuring that a high level of public service is maintained, and that abuses of this policy do not occur.
- Initiating an application if they are interested in entering into a remote work agreement.
- Reporting to their supervisor as early as possible if they are unable to work on a remote work day.
- Establishing and maintaining an adequate, safe and ergonomic workspace in their home.
- Maintaining appropriate care and security of any Town equipment used at the employee's home. Employees who work remotely from home are subject to the same internal Town policies regarding the use of Town provided equipment (hardware and software) and services as that of employees at the centrally located worksite. Employees are responsible for maintenance and repair of their personally owned equipment.
- Maintaining the confidentiality of Town information and documents, preventing unauthorized access to any Town system or information, and disposing of work-related documents in a manner that will not jeopardize the interests of the Town.
- Abiding by all of the terms of Town of Southborough's Remote Work Policy.

Department Directors/Division Heads

Department Heads are responsible for:

- Reviewing employee requests for working remotely and making recommendation for approval or denial to the appointing authority
- Ensuring that a high level of public service is maintained, and that abuses of this policy do not occur.
- Communicating to the employee performance expectations & monitoring accomplishment of those expectations.
- Abiding by all of the terms of Town of Southborough's Remote Work Policy.
- Monitoring policy use to ensure that the policy is being applied consistently.

DRAFT

Town Administrator

Town Administrator is responsible for:

- Reviewing employee requests and recommendations from Department Heads or Board/ Commission/Committee for remote work and either approving or denying the requests. If an employee's request is denied, a reason must be provided to the employee.
- Providing written notice granting or denying requests and written notice for termination of agreements to employees.

For more information or questions please contact the Assistant Town Administrator.

APPLICATION FOR ONE-DAY ALCOHOL LICENSE

ALCOHOL AWARENESS SERVER TRAINING AFFIDAVIT

I hereby certify that I have read the Training Requirements for Liquor License Holders and Employees. I understand that failure to comply with this policy may result in the revocation or non-renewal of the license. Below is a current roster of my employees and the related alcohol awareness server training information.

*****NOTE: Copies of all original certificates MUST accompany this form. *****

The Trustees of Reservations, Chestnut Hill Farm
Company/Organization

D.A. Hayden — 8/31/21
Manager [Note: Manager training MUST be current] **Date**

Manager/Employee Name	Date of Hire	Type of Training [certification]	Date Valid	Date of Expiration
D.A. Hayden		AIM	N/A	5/15/22

Any applicant for a one-day liquor license shall, as a condition of their being granted the license, ensure that at least one person to be engaged in the sale/service of alcoholic beverages at their event has been certified in a program from the list of Board of Selectmen sanctioned programs. On-line ["e-training"] training is not an acceptable means of obtaining certification. A copy of their certification must accompany the application.

Listed below are the only programs currently available that meet the requirements of this policy approved by Board of Selectmen on September 17, 2013 [telephone numbers and contacts are provided as of date of policy]:

1. **ServSafe Alcohol** offered by the National Restaurant Association [www.servsafe.com/alcohol, then click on "Find a Class"]
2. **SAFE ID Check** offered by J.B.S. Professional Services, LLC [617-539-0118]
3. **Alcohol Intervention Methods [A.I.M.]** offered by Campbell/Trent [508-756-8542]
4. **Training for Intervention Procedures by Servers of Alcohol [TIPS]** offered by Health Communication, Inc. [www.gettips.com, then click on "Get Tips Certified, 'training session'" to find a class. NOTE: "Online training with eTIPS" is NOT ACCEPTABLE]
5. Approved for OFF-PREMISE sales license only: Beverage Alcohol Training [B.A.T.] offered by the Massachusetts Package Store Association [Mass Pack Contact: Frank Anzalotti 800-322-1383, or, to find a class, go to www.masspack.org/servertraining]

I understand that anyone holding a Special License must purchase alcoholic beverages from a licensed wholesaler/importer, manufacturer, farmer-winery, farmer-brewery or special permit holder. Purchasing alcoholic beverages from a package store is prohibited by the ABCC. A list of authorized sources to purchase alcohol can be found on the ABCC website www.mass.gov/abcc or you can contact the ABCC directly at (617) 727-3040.

Initial MH

I understand that the license holder must provide a Certificate of Liability Insurance with a liquor liability policy with $1M coverage, naming the Town of Southborough as the certificate holder.

Initial MH

I certify under penalty of perjury that I shall be responsible for the proper observance of all applicable Alcohol Control Laws of the State of Massachusetts, policies and regulations of the Town of Southborough, and conditions governing this license; all information contained in this application is true and correct; and this License is being sought for the exclusive benefit and use of the Non-Profit Sponsor and its members.

Initial MH

LIABILITY DISCLAIMER FOR ONE-DAY ALCOHOL LICENSES

By exercising the privileges of this license in serving persons with alcoholic beverages, the licensee is potentially exposed to significant liability for injuries and damages to persons served or to others who are injured or damaged by the persons served. Your acceptance and exercise of this license will be deemed to be acknowledgement that you are aware of this potential liability. You are encouraged to discuss the risks associated with exercising your privileges of the license and the precautions appropriate to avoid injuries, damage, and liability to others with your legal and/or insurance advisors. The Town of Southborough, and the Select Board as Local Licensing Authority, shall not be liable to the licensee or others if injury or damage shall result from the exercise of the license.

I, Michaela Hughes, in consideration of having been granted a special
(Event Manager/Applicant)
license for the service of alcoholic beverages, hereby agree to defend, indemnify and hold harmless the Town of Southborough ("Town"), its officers, boards, employees and agents, from any liability for any and all loss, damage, cost, claim, expense, compensation and cause of action arising out of, or in connection with, the issuance or exercise of the special license granted to me by the Select Board acting as the Town's Local Licensing Authority.

Michaela Hughes, 8/31/21

Event Manager/Applicant Signature Date

APPLICATION FOR ONE-DAY ALCOHOL LICENSE

REQUIRED FORMS TO SUBMIT WITH APPLICATION:

☒ Completed license application with cash/check

☒ A Certificate of General Liability Insurance with a Liquor Liability for $1M, naming the Town of Southborough (17 Common Street, Southborough MA 01772) as Certificate Holder*

☒ Completed 'Alcohol Awareness Server Training Affidavit' form, including copies of training cards

☒ List of designated drivers to be available for transporting attendees considered unable to drive

IF APPLICABLE:

☒ Invitation/flyer/letter of explanation regarding event

☐ Proof of non-profit status (for 'All Alcohol License' only)

*Voted May 18, 1993: To maintain the policy that was put in effect October 25, 1988 with the stipulation that the Board of Selectmen does have the authority to waive the requirement for a one-million-dollar insurance policy if it is so voted by a majority of the Board.

GUIDELINES:

- Application for Special One-day License must be submitted at least 30 days prior to event
- A police detail may be required, depending upon the number of people and the event. *It is the applicant's responsibility to contact the Southborough Police Department prior to application submission: 508-485-2147*
- Events can only be held on day and date approved on license. No refund is possible after a Special One-Day License has been issued. Rain dates for events must be noted on the application prior to approval. If no rain date is listed, the event cannot be held on date other than date specified.
- Special One-day Licenses can only be issued for events occurring between 11:00 a.m. – midnight on Monday – Saturday, and noon - midnight on Sundays.
- License must be posted in the most conspicuous place at the location of event
- DO NOT allow anyone to bring their own alcoholic beverages to your event
- A one-day license CAN NOT be granted to:
  - any person for more than a total of 30 days per calendar year
  - any person that has an on-premises annual license application pending
  - any premises that has an alcoholic beverages license.

KENNETH M. PAULHUS
CHIEF OF POLICE

TOWN OF SOUTHBOROUGH
POLICE DEPARTMENT

32 Cordaville Road
Southborough, Massachusetts 01772

Emergency: 9-1-1
All Other: (508)485-2121
Business: (508)485-2147
Fax: (508)485-4634
kp.aulhus@southboroughma.com

To: Southborough Board of Selectmen

From: Police Chief Kenneth M. Paulhus

Subject: Part-Time Telecommunications Officer/Dispatcher

Date: August 30, 2021

Dear Board of Selectmen:

Please consider my recommendation to appoint Mr. Jake Murphy as a Part-Time Telecommunications Officer with the Southborough Police. The Department is looking to expand the number of P/T Staff in order to fill open shifts.

Mr. Murphy is a resident of Worcester. He is currently a Telecommunications Supervisor at the Wachusett Regional Emergency Communications Center, and holds all of the necessary certifications. As you can see from his resume, Mr. Murphy has vast experience in public service/dispatch that will be of great benefit to the Southborough Police Department.

His starting date will be determined shortly after successful completion of a number of screening checks, and the Boards approval.

The recommended pay rate would be Grade 3 of the SAP, $22.00 per hour based on his past experience. Please feel free to contact me with any questions you might have.

Kenneth M. Paulhus
Chief of Police

Protecting Our Community...Together!

Jake Murphy

[redacted]

Career objective

Communications professional with demonstrated customer service and organizational skills, experience in various settings, and a quick and willing learner. Skills include exceptional verbal and written communication abilities developed through rigorous coursework and job experience, problem solving skills, and the ability to work collaboratively, as well as independently, in a team environment. Additional abilities include the fair resolution of situations in a timely manner, willingness to accept a leadership role, and the production of high quality work.

Education

Westfield State University: Westfield, MA
Bachelor of Science: Criminal Justice - May 2012
Honors: Partial Tuition Scholarship
242-Hour Reserve Intermittent Police Academy: Boylston, MA
Graduated: May 2013
CPR/First Responder Certified

Work Experience

Regional Dispatch Supervisor/ Special Police Officer,
Wachusett Regional Emergency Communications Center, Holden MA
Part Time: June 2015, Full Time: January 2016

- Receive and process 911 emergency calls and non-emergency calls
- Dispatch Police, Fire and EMS units for the towns of Holden, Princeton, West Boylston and Paxton
- APCO PST1, EMD Instructor certified
- Certified Training Officer through APCO International
- Additional certifications available upon request

Dispatcher III, Worcester Emergency Communications, Worcester MA
January 2014- January 2016

- Receive and process 911 emergency calls and non-emergency calls
- Dispatch Police and Fire units for the busiest combined dispatch center in New England
- APCO PST1 and EMD certified
- Additional certifications available upon request

Retail Clerk, A.P. Fish Co., Worcester, MA
March 2008 –January 2014

- Provide excellent direct customer service
- Complete inventory and the ordering of supplies
- Train new staff members to meet high standards of service

MEMORANDUM

TO: BOARD OF SELECTMEN
FROM: VANESSA D. HALE, ASSISTANT TOWN ADMINISTRATOR
SUBJECT: STAFF RECOMMENDATIONS
DATE: SEPTEMBER 2, 2021

On behalf of the Building Department and the Recreation Department, I would respectfully request the Board of Selectmen appoint the following two individuals:

Business Assistant, Zoning Board of Appeals
I am pleased to recommend Ms. Kelly Boyd as the next Business Assistant for the Zoning Board of Appeals. Ms. Boyd possess excellent customer services skills and great office management experience. Her organizational abilities will be an asset to the ZBA as will her capability to multi-task and serve the needs of the Building Department. Ms. Boyd has past experience in the financial services and human resources industries and we would welcome her ability to make many administrative procedures easier for applicants. She will be an enthusiastic addition to the staff. Laurie Livoli, Building Commissioner worked with me to review and interview all applicants.

Program Coordinator, Recreation Department
I am pleased to recommend Mr. Joe Durant as the next Program Coordinator for the Recreation Department. Mr. Durant has been vetted by an interview panel which included Tim Davis, Recreation Director, Ryan Donovan, Library Director, and Sarah Cassell, Youth and Family Services Director. All members agreed that Joe's experience as a Recreation Director in an assisted living facility has prepared him well for a transition to our organization. The breadth of programs and resources he has developed have taught him a skill set that will be well utilized in Southborough. We all appreciated his suggestions for collaboration across our organization. Lastly, his degree, internship in municipal recreation and dynamic personality are a perfect match for this position.

Thank you for your consideration.

Noise Bylaw Ad-hoc Committee Charge

Charge and Process
The Noise Bylaw Ad-hoc Committee (the "Committee") is charged with the task of preparing a draft of a proposed Noise Bylaw for Southborough (the "Draft Bylaw").

The work of the Committee shall include, but not be limited to, the following:

- Collect previous versions of noise bylaws prepared for Southborough's Town Meetings;
- Review of the noise bylaw experience of other towns, particularly with respect to measurement of noise levels and flexibility for homeowners and commercial landscapers to maintain properties;
- Conduct a minimum of three (3) public forums for community (residents, businesses, etc.) input;
- Clearly define purpose and enforcement that address current issues;
- Consideration and evaluation of other approaches to selected aspects of the Draft Bylaw, and providing a report describing the "pros" and "cons" of these other approaches and the reason(s) that these alternatives were not recommended; and
- Providing periodic progress reports, as may be requested by the Board of Selectmen.

Membership
The Committee shall consist of five (5) "at-large" voting members, and two (2) ex-officio, non-voting members as follows:

- Five (5) "at-large" residents of the Town of Southborough, appointed by the Board of Selectmen;
- The Southborough Chief of Police, as an ex-officio, non-voting member; and
- One member of, or designee of, the Southborough Board of Health, as an ex-officio, non-voting member.

Term, Administration and Organization

- The Committee members shall be appointed for a term ending June 30, 2022;
- Ex-officio, non-voting Committee members shall not be counted for purposes of determining a quorum;
- Members shall serve without financial compensation; and
- The Committee shall determine what, if any, officers should be elected.

Schedule

- The Committee shall perform the work as detailed in the charge to deliver the Draft Bylaw and related reports by no later than 30 days before the printing deadline for the warrant for a Town Meeting (regular or special, as applicable) where the bylaw will be considered.
- The Committee shall work to produce a Draft Bylaw for consideration by Town Meeting as soon as reasonably possible, with the timing objective of no later than the 2022 Annual Town Meeting.

Approved by BOS 6-22-2021; amended 8-17-2021

Subject: RE: Member's Reports
Attachments: Oak Hill NB - Compliance and Risk.pdf; Oak Hill NB - Ext Speed Summary.pdf; Oak Hill SB - Compliance and Risk.pdf; Oak Hill SB - Ext Speed Summary.pdf

Here are the traffic speeds for Oak Hill. We took them in July after the original complaint about speeds, which might have stemmed from the accidents that Andrew mentioned, which I didn't know happened.

Average speed heading north to 9 is 37, 85th% is 41.
Average speed heading south to Ashland is 36, 85th% is 40.

Sign was set up at 44 Oak Hill.

Doesn't seem like speeding is a huge issue. It's a main road, carrying around 5k cars per day, and most people are driving within 5mph of the speed limit.

Thx - *kg*

NFPA 1141

Standard for Fire Protection Infrastructure for Land Development in Wildland, Rural, and Suburban Areas. 2017

(Access, Driveways, Fire Lanes, Access Road Widths, and Premises Numbering.)

Chapter 5 Means of Access:

5.2.3 Roadways shall have a minimum clear width of 12 ft. for each lane of travel, excluding shoulders and parking.

5.2.13 Roadways shall not be designed or constructed with speed bumps or speed humps.

5.2.14 Alternative traffic calming devices such as chicanes and roundabouts shall be acceptable with the approval of the AHJ.

5.2.15 Roadways design shall incorporate provisions for emergency pull-offs, spaced accordingly according to the AHJ.

*AHJ – Authority Having Jurisdiction (Fire Department).

A.5.2.13 The Influence of Traffic Calming Devices on Fire Vehicle Travel Times (see attached study).

The Influence of Traffic Calming Devices upon Fire Vehicle Travel Times

Michael A. Coleman

INTRODUCTION

The City of Portland is well known for its high quality of life and the efforts that have been made to maintain and enhance neighborhood livability. Part of this success is a result of the City's Traffic Calming Program which has been effective in minimizing the impacts of traffic on neighborhood streets. The program's primary goal is to reduce overall traffic speeds on residential streets and in school zones. Traffic circles and speed bumps are the program's most effective tools. To date, 65 traffic circles and approximately 300 speed bumps have been installed on numerous neighborhood collector and local service streets throughout the City.

Unfortunately, traffic calming devices that reduce overall vehicular speeds can also impact some emergency response vehicles by increasing their response times. Given the number of existing and planned traffic calming devices, the City of Portland's Fire Bureau has become more concerned in recent years about the cumulative impact of these devices on their ability to respond quickly to emergencies. Neighborhoods are also struggling with how to best address the problem of speeding traffic on their neighborhood streets while not significantly reducing response times for emergency service providers.

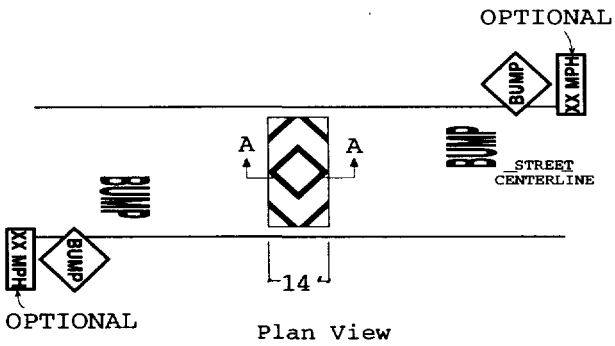
A survey of other cities found no information on this subject that would help Portland deal with it's problem. Thus, to gain a better understanding of the impacts of traffic calming, the City conducted a research project to measure the affects of both traffic circles and speed bumps on response times for various types of fire apparatus. This information is now available for planning and designing individual traffic calming projects. More importantly, though, it will be useful as part of community-wide discussions on the broader public safety policy issue; this being the implications associated with slowing vehicular traffic on neighborhood streets while increasing emergency vehicle response times.

The City is currently addressing this policy issue with an 18-month planning process that will take this question out to the community for a public discussion and review of the competing safety issues. From this, an adopted set of emergency response routes will be incorporated into the City's transportation master plan. Policies will be written based on the type of emergency response route and the extent to which traffic calming may be used on those routes.

PURPOSE

There are two purposes for this paper. The first is to show how traffic calming devices affect fire vehicle travel times and to describe the testing that quantified the relationship between the two. The second purpose is to describe the City of Portland's planning-based approach to addressing the conflict between traffic calming and emergency service response.

CALMING DEVICE IMPACTS ON FIRE RESPONSE TIMES



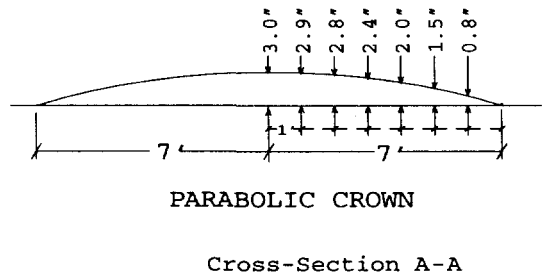
During the Fall of 1995 Portland's Fire Bureau and Bureau of Traffic Management conducted a thorough data collection effort to help quantify the relationship between three types of traffic calming devices and fire vehicle travel times. Six different types of fire vehicles were driven on streets calmed with traffic circles, 22-foot speed bumps, and 14-foot speed bumps. The resulting test data were the basis for determining the travel time impacts of the calming devices. Figures 1, 2, and 3 illustrate the three devices. Table 1 lists basic information about the fire vehicles used in the study.

Table 1
Fire Vehicle Specifications

Vehicle	Overall Length	Wheel-base	Weight (lbs)	Horse-power (HP)	Wt./HP Ratio (lbs/HP)	0-40 mph Accel. Time (sec)
Engine 18	29'10"	15'5"	34,860	185	188	19
Rescue 41	21'0"	11'6"	na	185	na	12
Squad 1	27'0"	14'6"	23,170	275	84	17
Truck 1	48'0"	21'0"	53,000	450	118	20
Truck 4	57'0"	13'0"	53,960	450	120	22
Truck 41	37'6"	16'9"	42,100	350	120	27

The testing attempted to take into account four factors that might influence the speed at which fire vehicles are driven around traffic circles or across speed bumps. The four factors were: the driver, the type of fire vehicle, the desirable vehicle speed, and the type of calming device.

Six different fire vehicles were tested. Test runs were conducted on a total of six streets. Two streets had 22-foot speed bumps. Two streets had 14-foot speed bumps, and two had traffic circles. A total of 36 different drivers participated in the testing. The total number of test runs on each street was four per vehicle, or 24 runs per street.



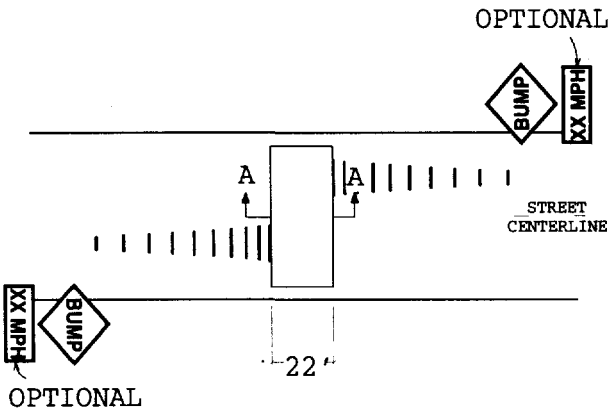


Figure 1: 14' Speed Bump (Typical)

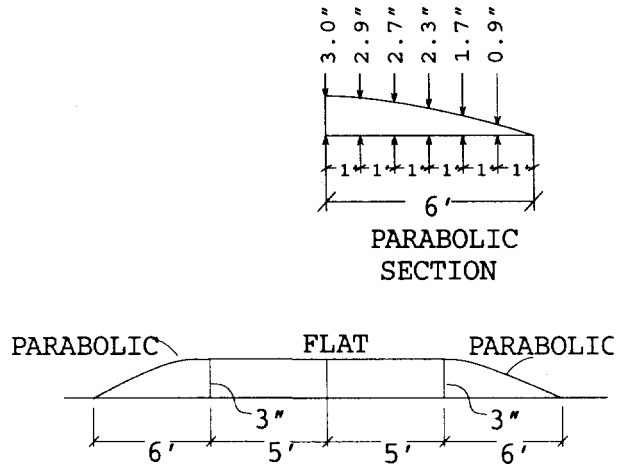

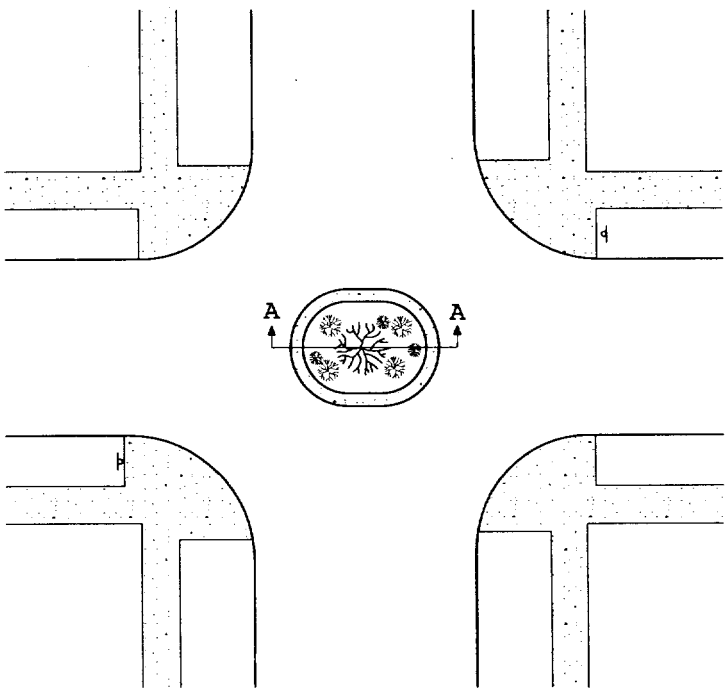

Figure 2: 22' Speed Bump (Typical)

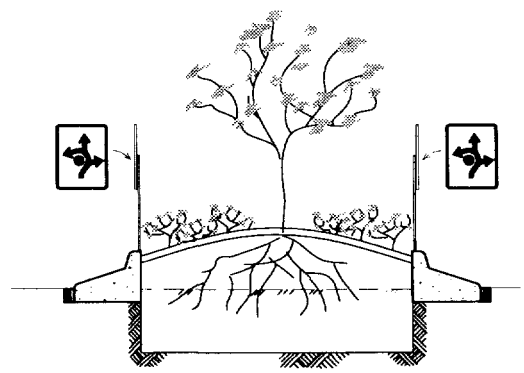

Figure 3: Traffic Circle (Typical)

Each test run was video taped. The camera recorded the vehicle speeds that were detected and displayed by a radar gun. Also the time of day, to the nearest second, was superimposed on the recording.

The speed and time information for each test run was transcribed from the video tapes to a spreadsheet. The data was manipulated to create a table of speed-vs-time and speed-vs-distance information for each test run.

For the various combinations of the four variables, the time needed to travel a length of street that had no calming device was compared to the time needed to travel the same length with a calming device. The average time and distance required for each vehicle to decelerate from a desirable response speed, negotiate the calming device, and accelerate back to the desirable speed was determined from the data. The time required to travel the same distance without a calming device's influence was calculated. The difference between the two travel times equals the delay associated with the calming device. This delay-per-device was determined for all six vehicles as they negotiated every calming device on the six test streets. Delays-per-device were calculated for desirable response speeds of 25, 30, 35, and 40 mph.

RESEARCH FINDINGS

The results of the testing are presented in Tables 2, 3, and 4. As one would expect, the delay-per-device increases as the desirable response speed increases. Depending on the type of fire vehicle and the desirable response speed, the three devices were found to create a range of delays:

22-foot bumps:	0.0 to 9.2 seconds of delay per bump
14-foot bumps:	1.0 to 9.4 seconds of delay per bump
Traffic circles:	1.3 to 10.7 seconds of delay per circle

The drivers' performances did not appear to significantly influence the results. Their choices of deceleration and acceleration rates as well as their choices of minimum speeds near the devices were very consistent.

Of the three traffic calming devices, the 22-foot bumps had the least impact on vehicle travel times. For the longer heavier vehicles the traffic circles impacted travel times the most. For the shorter more maneuverable vehicles the 14-foot bumps had the most impact.

For a given emergency response route, the test results can be used to predict the impacts of one or more traffic calming devices on fire response times.

The results provide new quantitative data to help weigh the pros and cons of traffic calming. The findings can be added to the findings already confirming that traffic circles and speed bumps effectively reduce the frequency of collisions, the speed of passenger cars, and the amount of traffic on a street.

Table 2
Typical Impacts of Traffic Circles on Emergency Vehicles

Vehicle	Lowest Speed (mph)	Desirable Speed (mph)	Travel Time Delay (seconds)	Impact Distance (feet)
Engine 18	14	25	2.8	260
	14	30	4.3	490
	14	35	6.1	670
	14	40	8.5	810
Rescue 41	16	25	1.3	170
	16	30	2.3	300
	16	35	3.1	470
	16	40	5.1	610
Squad 1	17	25	1.2	170
	17	30	2.3	330
	17	35	3.7	500
	17	40	5.3	780
Truck 1	10	25	4.8	320
	10	30	6.4	520
	10	35	8.4	750
	10	40	10.7	1030
Truck 4	11	25	4.3	320
	11	30	6.2	550
	11	35	8.1	800
	11	40	10.3	1140
Truck 41	11	25	3.9	340
	11	30	5.2	560
	11	35	7.3	850
	11	40	9.2	1260

Lowest Speed: This is the lowest speed at which a vehicle travels when driven around a traffic circle.

Desirable Speed: This is the speed at which a driver might wish to travel if there were no traffic circles.

Travel Time Delay: This is the additional time required to travel to a destination because of a traffic circle's influence.

Impact Distance: This is the length of street where a given vehicle cannot be driven at a given desirable speed because of a traffic circle's influence.

Table 3

Typical Impacts of 14-foot Speed Bumps on Emergency Vehicles

Vehicle	Lowest Speed (mph)	Desirable Speed (mph)	Travel Time Delay (seconds)	Impact Distance (feet)
Engine 18	13	25	2.3	240
	13	30	3.7	400
	13	35	5.2	580
	13	40	7.7	810
Rescue 41	17	25	1.0	150
	17	30	1.7	270
	17	35	2.9	480
	17	40	4.9	630
Squad 1	12	25	2.7	240
	12	30	4.1	440
	12	35	5.9	610
	12	40	8.3	850
Truck 1	11	25	3.4	270
	11	30	4.9	460
	11	35	6.6	650
	11	40	9.4	930
Truck 4	12	25	3.4	320
	12	30	4.9	490
	12	35	6.8	730
	12	40	9.1	1050
Truck 41	12	25	3.5	330
	12	30	4.7	470
	12	35	6.6	760
	12	40	8.6	1150

Lowest Speed: This is the lowest speed at which a vehicle travels when crossing a 14-foot speed bump.

Desirable Speed: This is the speed at which a driver might wish to travel if there were no speed bumps.

Travel Time Delay: This is the additional time required to travel to a destination because of a 14-foot speed bump's influence.

Impact Distance: This is the length of street where a given vehicle cannot be driven at a given desirable speed because of a speed bump's influence.

Table 4

Typical Impacts of 22-foot Speed Bumps on Emergency Vehicles

Vehicle	Lowest Speed (mph)	Desirable Speed (mph)	Travel Time Delay (seconds)	Impact Distance (feet)
Engine 18	21	25	0.8	140
	21	30	1.7	320
	21	35	3.0	510
	21	40	5.0	750
Rescue 41	34	25	0.0	0
	34	30	0.0	0
	34	35	0.3	120
	34	40	1.5	260
Squad 1	24	25	0.4	80
	24	30	1.0	210
	24	35	2.1	430
	24	40	3.4	710
Truck 1	22	25	0.6	140
	22	30	1.4	320
	22	35	3.0	600
	22	40	4.9	890
Truck 4	16	25	1.8	250
	16	30	3.4	450
	16	35	5.9	670
	16	40	7.7	1040
Truck 41	14	25	3.0	320
	14	30	4.8	620
	14	35	7.2	910
	14	40	9.2	1320

Lowest Speed: This is the lowest speed at which a vehicle travels when crossing a 22-foot speed bump.

Desirable Speed: This is the speed at which a driver might wish to travel if there were no speed bumps.

Travel Time Delay: This is the additional time required to travel to a destination because of a 22-foot speed bump's influence.

Impact Distance: This is the length of street where a given vehicle cannot be driven at a given desirable speed because of a speed bump's influence.

PUBLIC POLICY DEVELOPMENT

In an effort to provide both good emergency service response times and slower overall traffic speeds on neighborhood streets, a public process has been undertaken to address the trade-offs between these two community values and to provide policy direction for implementing traffic calming on a city-wide basis. This is being done by revising the Transportation Element of Portland's Comprehensive Plan to include a network of emergency response routes and policies to guide the treatment and operation of those routes.

The Transportation Element classifies Portland's streets according to their intended role in serving the various transportation modes and provides policies meant to accomplish the objectives of each classification. The Transportation Element currently defines networks and policies for serving pedestrians, traffic, bikes, transit, and trucks.

A classification system and set of policies is now being developed for emergency response routes and will be added to the Transportation Element upon its completion. Transportation and Fire Bureau staff are working together to develop a draft version of the "Emergency Response" classification. A citizen advisory committee has also been established to advise the two bureaus in the following areas:

- defining the criteria to be used in selecting emergency response routes
- applying the criteria to identify the recommended routes
- developing a hierarchy of emergency response routes
- developing classification policies and procedures
- recommending ways to manage and mitigate conflicts between traffic calming and prompt response.

The final product will be a written report recommending changes to the Transportation Element of the Comprehensive Plan . It will include the criteria, definition, and policies for the response routes, as well as a map that identifies the network of routes. A series of public meetings will be held to present the recommendations and take testimony. The resulting final version of the report will be presented to the Portland City Council which has the final approval authority.

Subject: Oak Hill Crash Data

Mark,

We went back three years (from 9/1/2018 till today):

7/16/19 1118 hrs. Unable to locate
9/4/19 1835 MV pulling out of Walnut St. struck MV operating south on Oak Hill.
10/10/19 0936 Minor. Operators exchanged info. No report.
11/4/19 1952 Resident backing out of driveway struck MV operating on Oak Hill.
1/12/20 0308 Cruiser grazed in rear on Turnpike Rd. at corner of Oak Hill Rd. (very minor damage).
3/6/20 0741 MV struck while pulling out of Leeds Way onto Oak Hill.
4/9/20 0429 MV struck in rear on Turnpike Rd. by distracted driver at corner of Oak Hill at the light.
4/20/20 0214 Car vs. Deer.
8/4/20 1823 Tree branch and wires fell on car during a storm.
7/13/21 0609 Car ran off roadway and flipped. Driver claims road rage. Evidence does not support his claim.
7/15/21 1123 Car passing truck pulls into opposite lane. Driver in opposite lane distracted. Result is head on crash.
7/24/21 1451 MV on Oak Hill waiting at Turnpike Rd. light. Very minor tap in the rear end. Other driver left the scene without exchanging info.
8/3/21 0831 Minor MV crash at Turnpike Rd. and Oak Hill light. Paper exchange. No report.
8/27/21 1438 Minor damage. Vehicle backing out of driveway on Oak Hill struck by passing car.

Thx,

Ken

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, July 13, 2021, 6:00 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairman Braccio opened the meeting at 6:01 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via both in-person and remote participation to the greatest extent possible. Members of the public and/or parties with a right and/or requirement to attend this meeting may do so in-person. They also may watch or participate in the meeting remotely by finding the meeting at: https://www.southboroughtown.com/remotemeetings. Specific information and the general guidelines for remote participation can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. In the event that, despite best efforts, the public is not able to access the proceedings in real time via those technological means, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. Public Comment

None

Chairman Braccio moved agenda item "m" to accommodate Town Clerk Jim Hegarty who was in attendance to notarize the document. Chairman Braccio made a motion to approve the Halloran Property Conservation Restriction. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

III. Scheduled Appointments

Volunteer Interviews

i. Matthew Berger – Economic Development Committee, term through 6/30/24

Chairman Braccio asked Mr. Berger to give his professional background and to describe his interest in this committee. Mr. Berger did so and highlighted his relevant expertise that would benefit the EDC. Chairman Braccio stated EDC Chair John Wood is supportive of this appointment. Ms. Malinowski asked about his goals with the EDC. Mr. Berger explained his interest in opportunities for small business in Town. Mr. Stivers asked if he had any specific suggestions for small businesses to form and foster in Southborough. Mr. Berger replied that he would like to educate himself regarding limitations with downtown and opportunities to meet the needs of small business owners. Mr. Dennington asked if he had thoughts on how to address vacancies in office buildings on Route 9. Mr. Berger described the vacant buildings on Route 9 by Parkerville Road and explained potential opportunity for a small retail facility. Mr. Stivers made a motion to appoint Matthew Berger to the Economic Development Committee, term through 6/30/24. Mr. Healey seconded. The motion passed all in favor (5-0-0).

ii. Isabelle B. Bogdanski – Stewardship Committee & Trails Committee, terms through 6/30/22

Chairman Braccio as Ms. Bogdanski for a brief background and to describe her motivation for volunteering for these committees. Ms. Bogdanski outlined her educational background in environmental studies and environmental restoration and her desire to help connect residents with the trails available in Southborough. She outlined some initiatives she would like to undertake for both committees. There was discussion regarding appointing her to the Stewardship Committee and promoting the opening for the Trails Committee. Mr. Dennington stated he knew of someone who may be interested who would also be a good fit. Chairman Braccio asked Ms. Bogdanski for her preferences and she responded that she would like both but would choose the Stewardship Committee first. Mr. Healey made a motion to appoint Isabelle B. Bogdanski to the Stewardship Committee, term through 6/30/22 and the Board will promote the opening on the Trails Committee to appoint at the August 17th meeting. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

iii. Karen Wheeler – Capital Planning Committee

Chairman Braccio stated that Jason Malinowski, Chair of the Capital Planning Committee supported Ms. Wheeler. She asked Ms. Wheeler to give her professional background and reason for applying. Ms. Wheeler gave her background in finance and outlined how her skills could help contribute to the committee. Mr. Stivers asked about prospective initiatives she might have for the committee and she replied that she reviewed minutes and agendas but did not have enough information to recommend a path. Mr. Dennington asked about her opinion regarding historic preservation and investing in repairs of older buildings. She responded that there needs to be a balance to preserving historic structures and applying an economic element to the decision. Mr. Healey made a motion to appoint Karen Wheeler to the Capital Planning Committee, term through 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

iv. Noise Bylaw Ad-Hoc Committee

Chairman Braccio laid out the process for the interviews. She invited Mr. Lapine to the podium.

a. Peter Lapine

Chairman Braccio asked why he would like to join the committee. He stated he brought the previous bylaw to Town Meeting and gave background of the process he took to create the first warrant article. Chairman Braccio asked how restrictive he felt a noise bylaw should be. Mr. Lapine stated at a minimum hours and day limitations and noise types should be identified and restricted. Mr. Dennington asked for Mr. Lapine's professional background. Mr. Lapine stated he was retired and described his career in software and development. Mr. Healey clarified that the mandate of the committee is to create a proposed noise bylaw from scratch.

b. Betsy Rosenbloom

Chairman Braccio stated Ms. Rosenbloom withdrew her application.

c. Doris Cahill

Ms. Cahill gave her professional background as a CPA. She explained why she would like to be on the committee and that a bylaw should provide balance. She stated that she does believe in peace and explained her experience on the ZBA. Chairman Braccio asked about her thoughts regarding noise restrictions. Ms. Cahill replied that on a scale of one to ten, she is at an eight. Mr. Healey asked how she would have voted on the previous bylaw and she replied that she felt it needed development and would have voted against it. Mr. Stivers asked how she would interpret balance between rights of

peace for residents and rights of small businesses like landscapers. Ms. Cahill explained how she interprets balance between the two including hours for higher volumes and hours for lower volumes.

d. Tabitha Bennet

Chairman Braccio stated Ms. Bennett withdrew her application.

e. Jake Hashash

Mr. Hashash gave background on his skills and expertise with noise measurement and control. He added that his desire to be on the committee is to assist the Town in their first noise bylaw and not to infringe on daily activity for residents or small businesses. He explained his views regarding balance between homeowner rights and small businesses. Mr. Healey asked how he would have voted on the previous bylaw and Mr. Hashash responded that he was not aware of the previous bylaw.

f. Lisa Dunderdale

Ms. Dunderdale gave her background as a health promotion specialist and her interest in the committee regarding health repercussions with loud noises. She stated she was a proponent of the previous noise bylaw brought to Town meeting. She explained her prior issues with construction noise and her challenge for enforcement. Chairman Braccio asked how restrictive she thought the bylaw should be and Ms. Dunderdale stated the Attorney General could provide guidance. Mr. Healey explained the Attorney General's role.

g. Cynthia Foster

Ms. Foster gave her professional background in project management for high-tech companies. She explained her work in Town departments. She said she currently works at a landscaping company and explained the concerns landscapers had with the previously proposed bylaw. She stated she would not support the original bylaw as it was too restrictive, complicated and not enforceable. Ms. Foster stated because of her jobs, she is skilled at conducting research and felt that much research should be done to ensure this bylaw is enforceable. Chairman Braccio asked her how she felt about restrictions and she replied that the homeowners should be allowed to use their property how they like and small business owners should be able to conduct their businesses as well.

h. Karen Muggeridge

Ms. Muggeridge gave a summary of her professional background as a nurse and her interest in public health. She explained that she has experience with construction near her home and why she feels a noise bylaw is important. Ms. Muggeridge gave an outline of her ideas for restrictions and stated she was leaning towards supporting the previously presented bylaw.

i. Krishna Kandarpa

Mr. Kandarpa was not present at the meeting.

Chairman Braccio explained her desire to have a diverse and balanced committee. Mr. Dennington said he felt balance and experience on other committees were important. He stated he is interested in hearing from Dr. Kandarpa as he felt he would make a good member of the committee. He asked the Board hold on a decision until he is heard from. Ms. Malinowski stated balance, understanding of financial impacts and understanding of Open Meeting Law should be a large factor in the layout of the bylaw. There was discussion regarding the candidates and the Board agreed to wait for appointment until they heard from Dr. Kandarpa on the July 22nd meeting. Mr. Healey made a

motion to table the appointments for the Noise Bylaw Ad-Hoc Committee until July 22nd to give Dr. Kandarpa the opportunity to appear for an interview. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

The Board went into recess at 7:15 P.M. The Board returned from recess at 7:20 P.M.

Update on new IT position

Chairman Braccio asked to move this item to accommodate IT Manager Jason Montijo. Ms. Hale gave an overview of the job description. There was discussion regarding qualifications and Mr. Montijo described how the description would attract a candidate with the skills he requires. Mr. Purple stated that with Town Meeting scheduled for October, Mr. Montijo plans to outsource services to bridge the gap. Mr. Stivers made a motion to approve the Senior IT Specialist job description as presented. Mr. Healey seconded. The motion passed all in favor (5-0-0).

7:30 P.M.: ADA Hearing – CMRPC presentation of Draft Self-Evaluation and Transition Plan

Chairman Braccio opened the public hearing at 7:33 P.M. She stated that the ADA Committee has called their meeting to order. Mike Kennedy of the Center for Living and Working, Jim Mazik of James M. Mazik, AICP and Connor Robichaud of CMRPC joined the meeting and introduced themselves. Mr. Mazik informed the Board that the self-evaluation and transition plan should be a resource for the Town and provide guidance to the community. He explained the format of the plan and addressed the feedback from the Board that was provided to them. Mr. Mazik outlined the next steps for their review which included the schools. There was discussion regarding funding the projects and changes outlined in the review. Chairman Braccio opened the discussion to the ADA Committee. There was discussion regarding timeframes for changes, waivers, expectations and next steps. Mr. Robichaud and Mr. Mazik outlined many of the suggested updates and changes for the Town to undertake to be more compliant. Issues with Mr. Kennedy's technology were addressed as he was unable to be heard through his remote connection. Chairman Braccio informed the public that the entire document is on the Town website. Mr. Purple asked if Southborough is inline with other similar Towns. Mr. Mazik described other towns that had many more improvements to make and stated that Southborough is better than most towns when it comes to current ADA compliance. Ms. Phaneuf of the ADA Committee asked for the Board's support in asking for CPC funding for many of the suggested projects. Mr. Healey gave his full support and stated the Town may need to rethink the way they currently use CPC funds. Mr. Purple stated that through the MOD process, Complete Streets grants, the funding of the facility maintenance articles and CPC funding, the Town can aggressively work on the suggested list.

Mr. Mazik reminded the Board that the costs listed are estimates and he outlined less costly options for various suggested projects. Ms. Malinowski asked if there were remaining funds from the article for the self-evaluation to put towards this work. Mr. Purple replied that the school study needs to be completed to understand the needs and costs. Bill Sines, Chair of the ADA Committee asked about next steps. Chairman Braccio replied that prioritizing the list of suggested updates would be the first step. Mr. Healey stated that this will be a topic for the Board's August goal setting meeting.
Tim Litt (148 Woodland Road) stated that he made a lot of comments on the report and it was not distributed. He asked that they be distributed and reviewed.

Chairman Braccio moved agenda item "p." Ms. Malinowski gave an update on the shared IMA for Health shared services. She said both Town Counsel from Southborough and Northborough have

reviewed and made minor revisions. She hopes that the Board and the Board of Health will sign off on the document soon. Mr. Healey made a motion to approve the Approval of Revised Health Shared Services IMA as written and presented. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

IV. Reports

Chairman's Report

j. Downtown District bylaw update

Chairman Braccio stated that Judi Barrett reviewed the draft design guidelines and she will continue to work with Ms. Connelly and Ms. Barrett to improve upon these. She added that Mr. Wood is comfortable with funding two hours of Ms. Barrett's time through the EDC consulting budget. Chairman Bracco informed the Board that the Planning Board will hold its first public hearing on this matter on July 19th.

k. July 22 meeting

Chairman Braccio informed the Board that the Historical Commission is unable to attend the July 22nd meeting but will have Town Counsel present to answer process questions. She stated they will discuss the Noise Bylaw Ad-Hoc Committee on the 22nd as well.

Members' Reports

i. Halloran property access update

Mr. Stivers informed the Board that a request was sent to MASSDOT and they are awaiting a response.

ii. Master Plan Committee update

Mr. Stivers updated the Board on the Master Plan Committee's position on the Downtown District bylaw. He said that as a board made up of representatives of other committees, they are not comfortable taking a position without the support of those respective boards and committees. He added that the Downtown District bylaw is inline with a major goal of the Master Plan Committee and he believes most boards and committees will be in support.

iii. YFS Strategic Plan presentation

Ms. Malinowski informed the Board that a strategic plan was done for Youth and Family Services by Ann Budner of ABudner Strategy Consulting. She stated the plan will be presented this evening through Zoom and she encouraged the public to watch.

Town Administrator Report

i. Update on new IT position

Mr. Purple stated this was taken care of and thanked the Board for their support.

ii. Police grant award

Mr. Purple stated that Chief Paulhus applied for the Executive Office of Public Safety and Security Competitive Grant and received $7,500.

iii. EOY update

Mr. Purple stated that the budgets are not yet finalized for fiscal year 2021 as there is another warrant but added that it will be included in the next quarterly update. He outlined the reserve fund

transfers of $30,498.47 for fiscal year 2021. He explained each request which included $8,445 for the Board of Health, $997.81 for the Town Clerk, $7,759.47 for Facilities Department, $2586.19 for the school court judgement and $1,700 for Advisory. Ms. Malinowski asked if there were any interdepartmental transfers and Mr. Purple replied that there were not.

Mr. Purple updated the Board regarding SAM recording the Board meetings. He said the SAM Board has voted and approved the equipment needed to repair their system and an additional quote for Zoom integration. He explained that it can be used with or without SAM recording the meeting and once that is setup they will look to duplicate the same system in the training room at the Public Safety Building.

Mr. Purple informed the Board that the Senior Tax Work-Off applications have been coming in and the submission deadline is open through the end of the week. He advised those submitting applications to do so through the drop box at the Senior Center.

V. Consent Agenda

a. Chairman Braccio asked to hold agenda item, "a." Chairman Braccio thanked Ms. Barry for her diligence in completing the meeting minutes. Chairman Braccio, Ms. Malinowski, Mr. Dennington and Mr. Stivers provided revision requests for the meeting minutes listed. Ms. Malinowski asked to hold the approval of the May 10, 2021 minutes to confirm a line regarding the Board of Health budget. The Board agreed. Mr. Healey made a motion to approve the May 4, 20201 regular session minutes as amended. Mr. Stivers seconded. The motion passed all in favor (4-0-1). Mr. Dennington abstained. Mr. Healey made a motion to approve the June 1, June 15 and June 22, 2021 regular session meeting minutes as amended. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

b. Mr. Healey made a motion to accept Luisa Vargas' resignation from Trails Committee, effective June 17, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

c. Mr. Healey made a motion to approve 1-day Alcohol License Application on behalf of RxAdvance events:

i. Flora's Wine Bar / Andrew Li, July 16, 2021 Employee Appreciation
ii. Latitude Beverage, July 23, 2021 Company Outing

Mr. Stivers seconded. The motion passed all in favor (5-0-0).

d. Chairman Braccio asked to hold agenda item, "d." She stated she would like Mr. Healey to speak to items "d, e and f." Accept donations from St. Mark's School totaling $88,050.00.

e. Chairman Braccio asked to hold agenda item, "e." Accept donations from Fay School totaling $20,000.00.

f. Chairman Braccio asked to hold agenda item, "f." Accept Recreation Department donations totaling $7,000.00 to support 2021 Southborough Summer Nights event.

Mr. Healey stated that he felt this was a successful year working with Fay and St. Mark's Schools. He spoke to past commitments from both schools compared to what is being contributed this year. He added both schools stated they appreciated the process and are amenable to ongoing discussions regarding contributing to the funding of the Town. Mr. Healey stated that they funded part of the Summer Nights event. He explained in-kind payments that both schools have contributed. Mr. Healey stated that Fay School and St. Mark's School would like to attend a meeting to speak to the Board. Mr. Healey made a motion to accept agenda items d, e, and f. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

g. The Board discussed the changes made to the remote participation form and the reasons for the changes. Mr. Healey voiced his concerns regarding meeting remotely and encouraged all boards and

committees to meet in person if possible. Mr. Dennington made a motion to approve the revised policy and form for Remote Participation. Mr. Healey seconded. The motion passed all in favor (5-0-0).

h. Mr. Healey made a motion to appoint new Constables: Jonjy Ananth, Rajoo Ananth. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

i. Mr. Healey made a motion to appoint Student Officer Tyler Lu to Probationary Police Officer, effective July 2, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

j. Mr. Healey made a motion to appoint Jason Montijo, IT Manager:

i. Southborough Emergency Planning Committee, IT Representative (unlimited term)

ii. Municipal Technology Committee, IT Manager, Ex-Officio (unlimited term)

Mr. Stivers seconded. The motion passed all in favor (5-0-0).

k. Mr. Healey made a motion to appoint Marty Healey as MWRTA representative, term to expire 6/30/2022. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

l. Mr. Healey made a motion to appoint Police Chief Paulhus to the Noise Bylaw Ad-hoc Committee, Ex-Officio member, term 6/30/22. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

m. The approval of the Halloran Property Conservation Restriction was addressed at the beginning of the meeting.

n. Mr. Healey made a motion to award FY22 Heating Oil Contract to Falconi Energy as recommended by John Parent, Director of Facilities. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

o. Mr. Healey made a motion to award the contract for Space Needs Study. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

p. This item was addressed earlier in the meeting.

q. Mr. Healey made a motion to appoint the Facilities Maintenance position. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

r. Mr. Healey made a motion to accept the resignation of Chelsea Malinowski from SHOPC. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

s. Mr. Healey made a motion to approve departmental expenditures for FY21 per Financial policy. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

VI. Other Matters Properly Before the Board

Assignment of Board members as Department Liaisons

Chairman Braccio asked if the Board had any issues or concerns regarding the liaison assignments. Mr. Stivers asked about liaisons with the schools. There was discussion and it was agreed to review this item at the goal setting meeting in August.

Review of Special Municipal Employee designations

Chairman Braccio stated that in order for Andrew Pfaff to continue on the Advisory Committee, he would require this designation. She summarized the decision for EDC members to hold the designation. The Board agreed to leave the designations that are in place and to remove the designation for Town Counsel to the Conservation Commission. Mr. Purple stated he will inform the Town Clerk of this decision.

Request to raise the Indian flag to commemorate India's 75th Independence Day celebration

Chairman Braccio stated that the Veterans submitted the section of the State Code that outlines the requirements for flying another country's flag. Chairman Braccio suggested creating a proclamation instead of flying the Indian flag. The Board agreed and Chairman Braccio asked Mr. Purple to begin working on the creation of a proclamation for the July 22nd meeting.

Discussion of potential items for ARPA funding

Ms. Malinowski stated that Ms. Hale reached out to department heads and boards and committees for suggestions regarding the spending of the ARPA funding allotted to Southborough. She said she is looking for high priority projects and changes to guidelines are anticipated. She stated that Carla McAuliffe, Town Accountant suggested the Board reach out to DPW Superintendent Karen Galligan regarding infrastructure needs. Ms. Malinowski stated the needs must be prioritize and asked the Board if a working group should be created. Mr. Stivers and Mr. Healey agreed that a working group would not be needed and may slow progress. Mr. Dennington suggested the Board look at a larger and more ambitious project as he views this funding as once in a lifetime. Ms. Malinowski cautioned the Board to ensure that the projects fall under the four corners of the State guidelines. The Board agreed to put this item on the June 22nd goal setting agenda.

Discussion of Special Town Meeting date

Chairman Braccio stated that concerns were raised from the Chair of the Planning Board regarding timing of required public hearings for warrant articles for the October 4th date. She added that there could be potential timing issues from the Assessor with setting the tax rate. Chairman Braccio proposed a new Town Meeting date of November 1st. Mr. Healey made a motion to reset the date for Special Town Meeting from October 4, 2021 to November 1, 2021. Mr. Stivers seconded. The motion passed all in favor (5-0-0). Chairman Braccio stated she will speak to the Town Moderator before the July 22nd meeting.

VII. Public Comment

None

At 10:26 P.M. the Board entered into Executive Session per M.G.L. Chapter 30A, Section 21, and not returning to Open Session, to comply with, or act under the authority of, any general or special law (Exemption 7) to review and approve the Executive Session minutes of May 10, 2021 and June 15, 2021; and to discuss strategy with respect to litigation (assignment of pending legal cases), as the Chair has determined that an open meeting may have a detrimental effect on the Town's litigating position (Exemption 3) by roll call vote, Malinowski, aye; Healey, aye; Dennington, aye; Stivers, aye; Braccio, aye.

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Wednesday, August 25, 2021, 7:30 A.M.
Location: Zoom Meeting (virtual)
Present: Lisa Braccio, Chelsea Malinowski, Marty Healey, Sam Stivers, Andrew Dennington, Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 7:32 A.M. Mary Lou Woodford and Chelsea Malinowski from the Board of Health joined the meeting, and Ms. Woodford called the Board of Health meeting into session at 7:33 A.M. Public Health Director Heather Alker was also in attendance.

II. Public Comment – None.

III. **Scheduled Appointments**

Vote to fill the unexpired term (8/30/21 – 5/10/22) of Mary Lou Woodford who will be resigning from the Board of Health on 8/30/21. Chairman Braccio explained the process for filling the vacancy, and Ms. Woodford concurred. Dr. Medina spoke to his candidacy for the vacancy. He has been in the community for 17 years and has always had a focus on public health. Also took on the role of District physician for the schools and has collaborated with the Board of Health. The pandemic made him realize the important role that the Board of Health serves in the community.

Mr. Healey spoke in favor of Dr. Medina's candidacy, and said that we were lucky he stepped forward. Mr. Stivers said he was impressed by his broad view of public health, and thought he was a perfect fit for the Board. Mr. Dennington spoke in favor of Dr. Medina, and thanked Ms. Woodford for her service to the Town during the pandemic. Ms. Braccio said that while she still has some issues with the process, it does not reflect on Dr. Medina, and she fully supports him. Ms. Woodford thanked Dr. Medina for stepping up, and spoke to the benefits of having him on the Board. She also reflected on her role on the Board of Health and the response to the pandemic. Ms. Malinowski also thanked Dr. Medina for his candidacy, and noted her work with him on the Youth and Family Services plan. She asked if he would continue to serve on the Medical Advisory Team, and Dr. Medina said that he would as that collaboration would remain complimentary to his role on the Board of Health.

Mr. Stivers motion to appoint Dr. Medina to the Board of Health, effective upon the resignation of Ms. Woodford, seconded by Mr. Healey. Roll call vote in the affirmative, 4-0-1 (Healey – aye; Stivers – aye; Dennington – aye; Braccio – aye; Malinowski – abstain). Mr. Woodford voted to appoint Dr. Medina to the Board of Health, effective upon the resignation of Ms. Woodford, seconded by Ms. Malinowski. Unanimous roll call vote, 2-0-0 (Malinowski – aye; Woodford – aye). Ms. Braccio congratulated Dr. Medina on his appointment. Dr. Medina thanked everyone for their support, and said he was looking forward to working with everyone. Ms. Braccio also thanked Ms. Woodford for her 11 years of service to the Town.

IV. On a motion made by Mr. Healey, seconded by Mr. Stivers and voted all in favor by roll call vote 5-0-0, the meeting was adjourned at 7:45 A.M. Ms. Woodford motion to adjourn the Board of

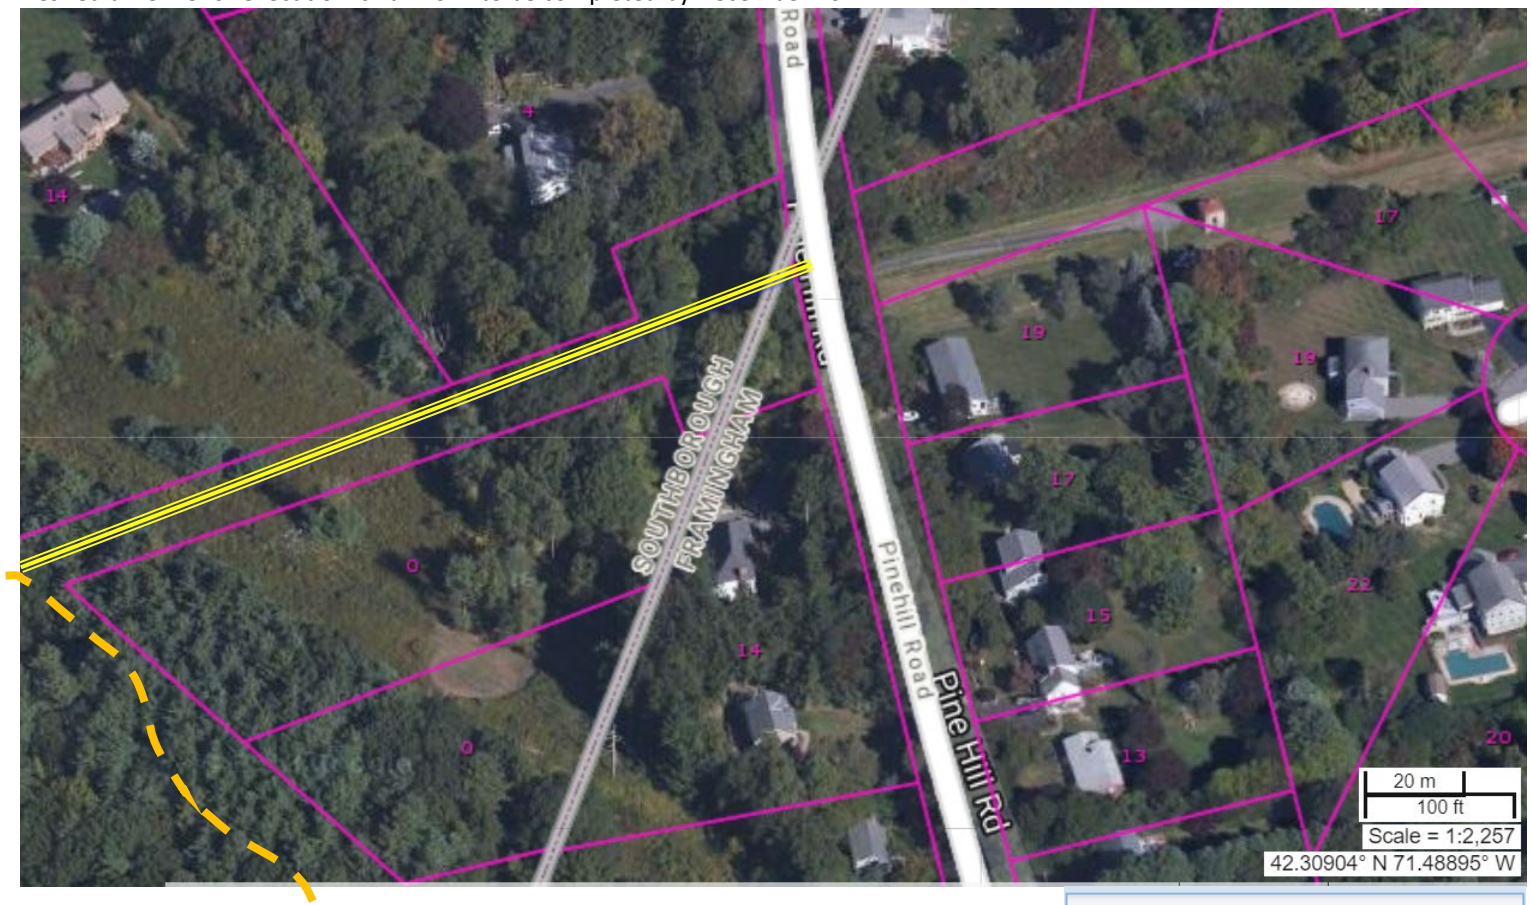
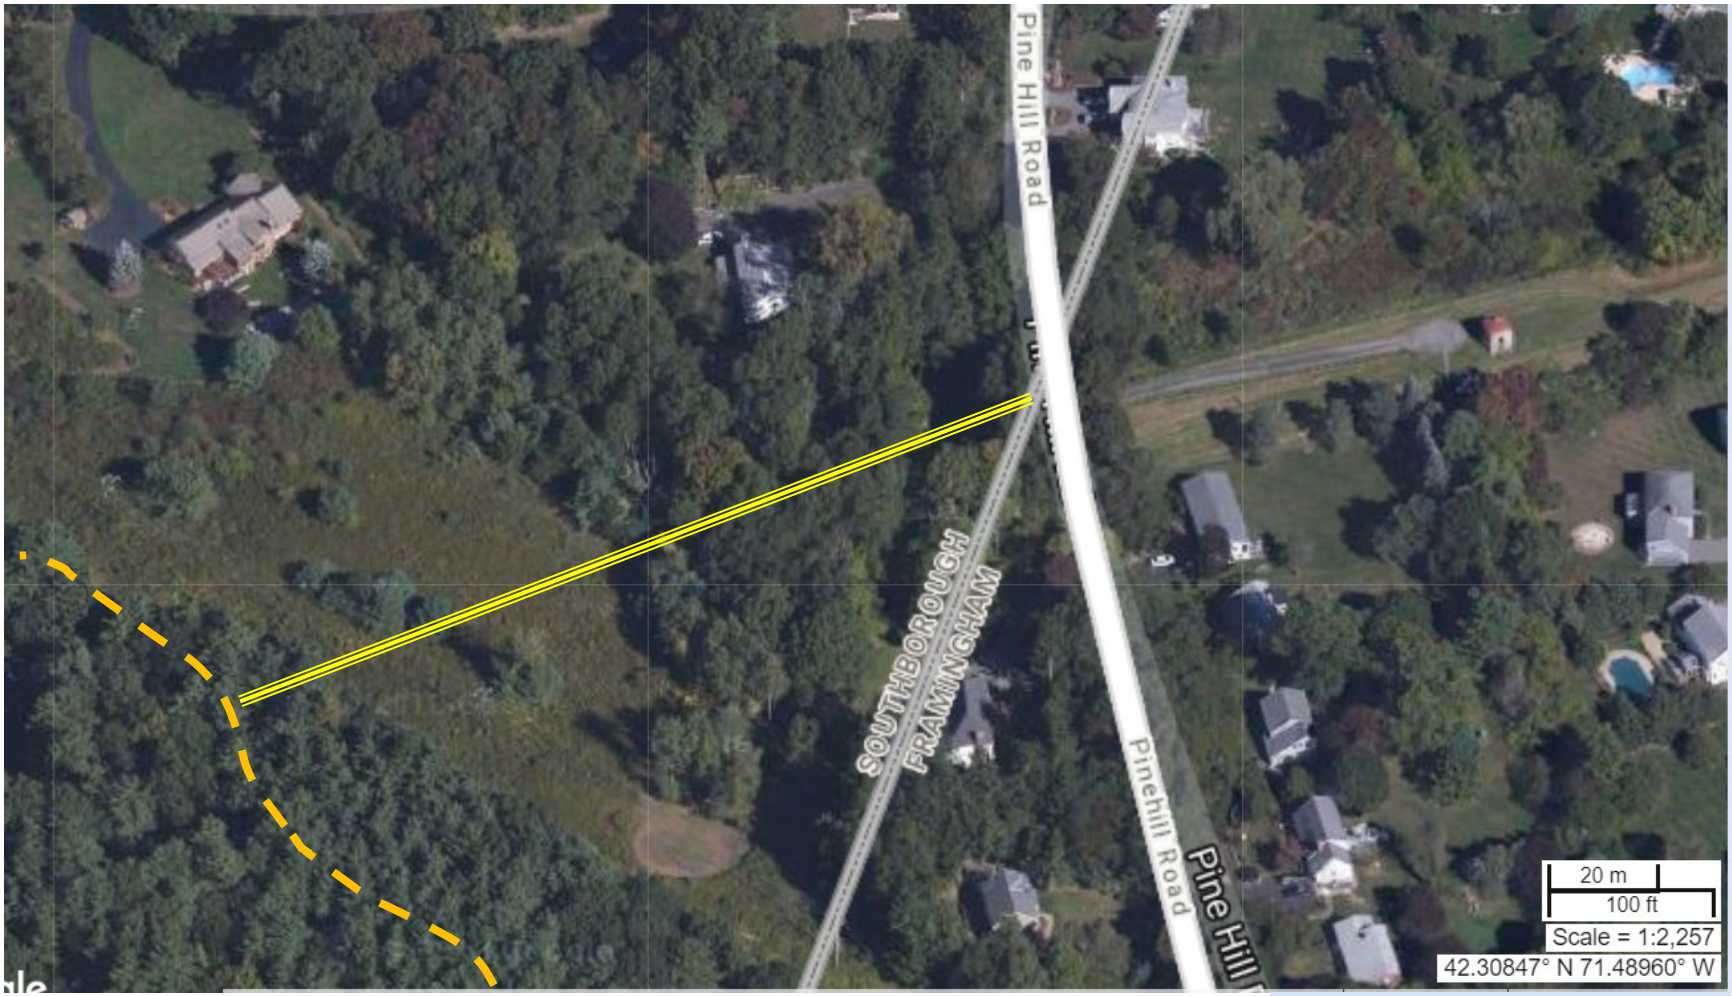
Southborough Trails Committee – Aqueduct Connector Trail Construction Plan 2021

Trail Name: Aqueduct Connector

Description: 572.11 feet section of trail extending from the existing Bay Circuit/Boroughs Loop/Aqueduct Trail to Weston Aqueduct on Pine Hill Road. The straight yellow line extending from Pine Hill Road represents the section of trail we are proposing to build.

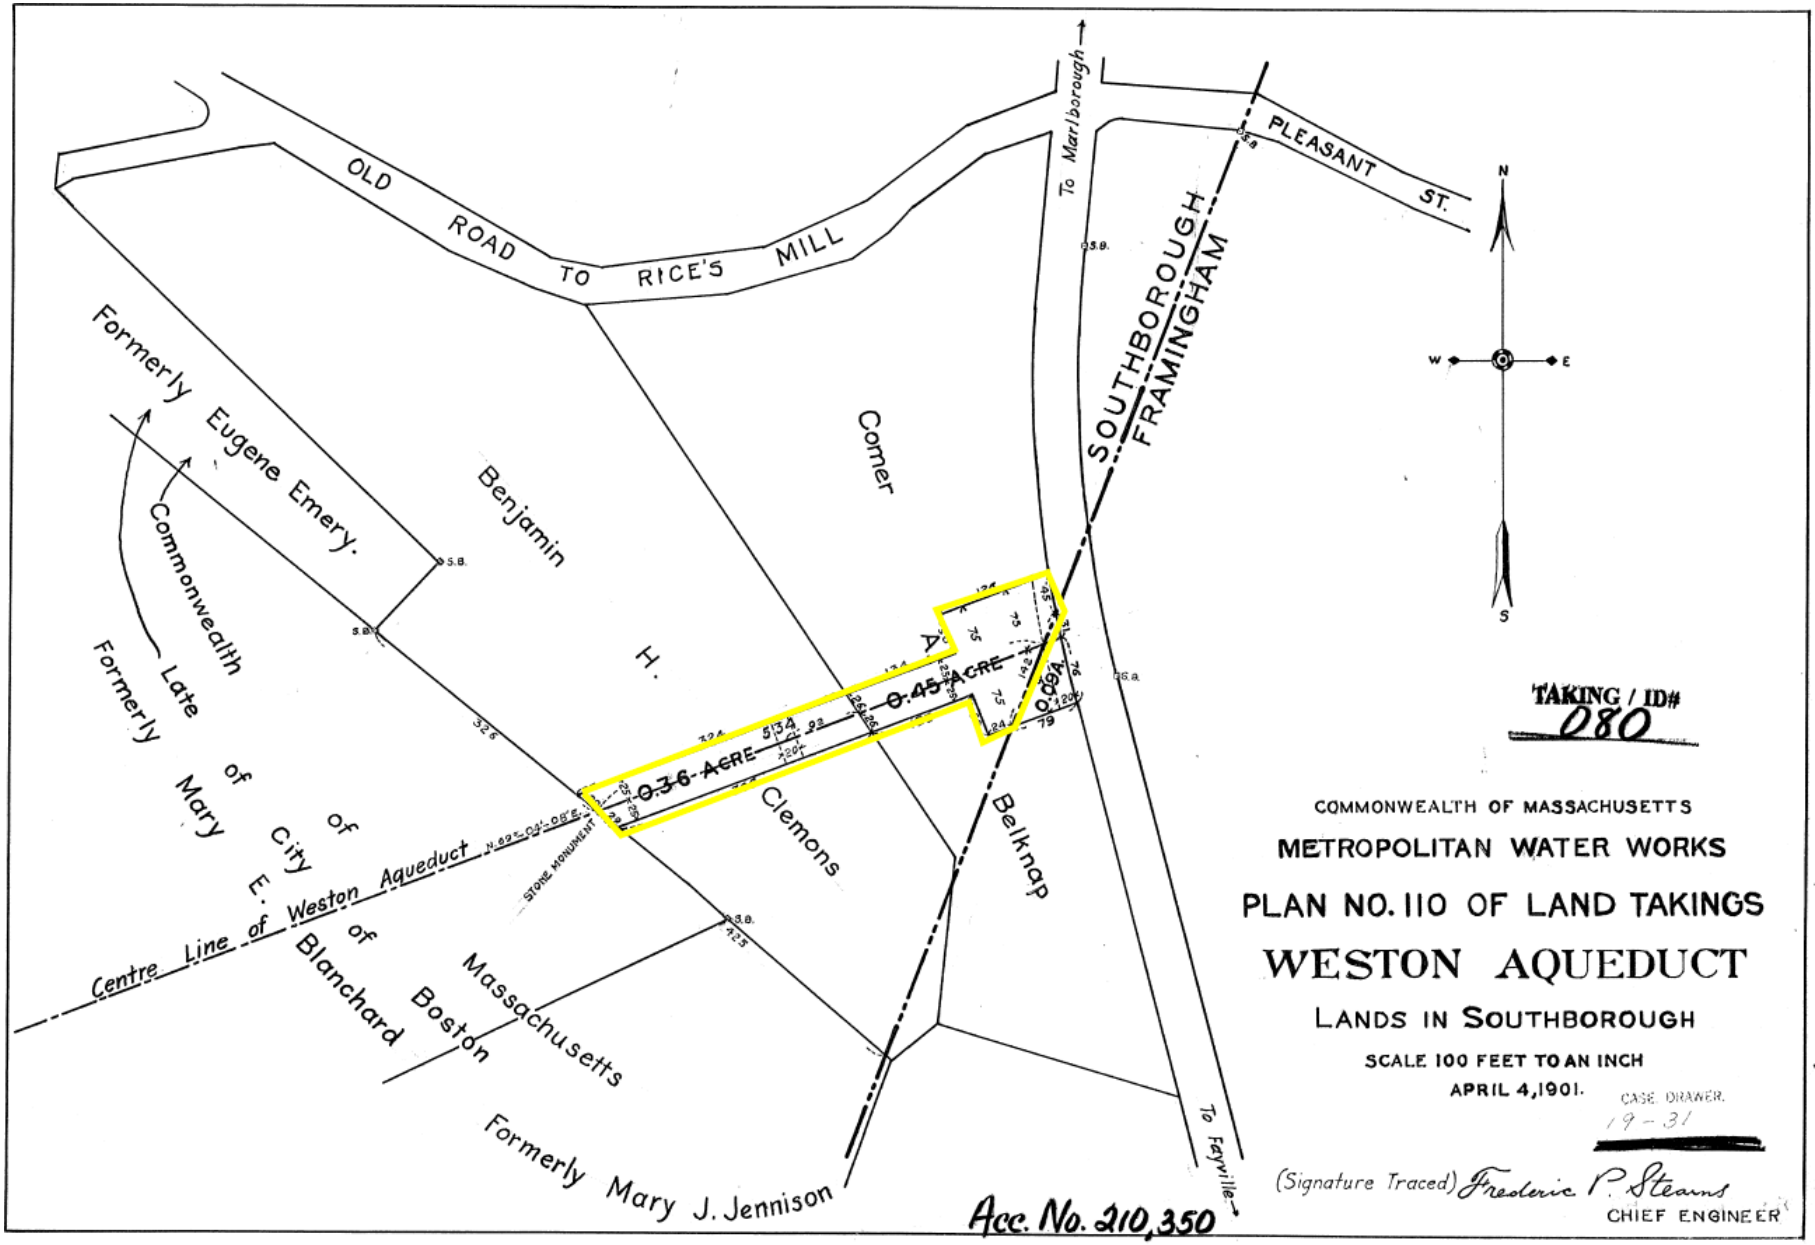


Trail Construction Required:



- Clear path by removing existing ground cover, small shrubs, branches, tree limbs, and protruding rocks.
- Tread maintenance will require the removal of top layer of organic matter, roots, and rocks.

Volunteers: Eagle Scout, Nick McEvoy of Southborough Troop 92 will lead the scouts and volunteers. Trails committee will oversee the project.



Trails Committee Contact: Kathryn McKee, Chair, kmckee@southboroughma.com, 508-479-0971

Timeline: Once the existing 8(m) permit has been amended to include this parcel of land (MWRA's easement), and the easement boundary has been clearly defined, the trail work can begin. Desired timeline for execution is Fall 2021 to be completed by December 2021.

Paul J. Berry, Town Clerk
Town House
Southborough, MA 01772

Dear Mr. Berry:

At the meeting of the Board of Selectmen held on Tuesday, January 8, 2013, it was voted unanimously to create an ad hoc committee, consisting of five [5] members, to be called "Southborough Trails Committee" terms to expire June 30, 2013.

Very truly yours,

Mark J. Purple
Town Administrator

SOUTHBOROUGH TRAILS COMMITTEE

The Southborough Trails Committee will oversee volunteers to create, monitor and maintain town resource trails in Southborough in coordination with any entities that are public or private, and will coordinate with the Regional trail organizations. Additionally, the STC shall be responsible for oversight of all required monitoring and maintenance obligations under the town's trail licensing agreements with both DCR and MWRA. This mission is exclusive of Breakneck Hill Conservation Land.

September 1, 2021

Dear Board of Selectman:

I am writing to you on behalf of the Southborough Trails Committee (STC) to request the Board consider the following changes to the Committee's charter. This topic is included on the upcoming September 8th BOS meeting for discussion:

1. Near-term change: add two (2) non-voting associate members
    a. Timeline: September/October 2021
    b. Non-voting Associate members would be appointed to the committee to participate in the work and discussions of the STC
    c. Associate members will be required to adhere to all rules & regulations (open meeting law, conflicts of interest, etc.)
    d. Associate members will have all rights and responsibilities as other members, will be listed as a STC volunteer on the town website, will not be able to vote or included in quorum
    e. More details to be defined if the decision to move forward is approved by the BOS
    f. Reason for the change:
        i. Broaden experience level of the STC by including others with diverse backgrounds and leverage connections to other committees that associate members may have
        ii. Enable residents who are interested in regularly participating on the STC but may not have the time to attend every meeting/activity. This option provides an opportunity to participate as an individuals' availability permits without negatively impacting the STC's ability to meet quorum.
        iii. More members to assist with the labor required to maintain the trails and contribute to the STC's activities (e.g. participate or lead trail maintenance work parties, trail projects, guided hikes, Heritage Day, grant proposal development, etc.)
    g. We have two individuals who have expressed interest in the associate position and are ready to serve in this capacity
    h. The STC considered adding two permanent members but given the difficulty of meeting quorum, at times, we are seeking an alternative approach
    i. The practice of having non-voting associate members who serve on committees can be found in other municipalities: Westborough, Foxborough
2. Long-term change: Change the structure of the STC from an ad hoc to a standing committee
    a. Timeline: Spring Town Meeting 2022
        i. The STC was formed as an ad hoc committee in 2013 (charter documents included below). Given an ad hoc committee is typically formed for a limited period to address a specific need and a standing committee is formed to provide ongoing services with a continued purpose, the STC is asking the BOS to consider changing the charter from ad hoc to standing.

ii. The STC reached out to the Town Counsel (via Mark Purple) to inquire about any legal reasons why this change would not be possible. The Town Counsel confirmed the change is under the discretion of the selectman and would require the BOS to sponsor a warrant article. Town Counsel also suggested that since the STC is ad-hoc under the selectman, it may make more sense to add more members. As noted above, the STC does not want to add more members. We would like keep the count at five members and add two non-voting associate members if possible.

The STC appreciates the Board's consideration of this request, and we look forward to a productive discussion at the meeting.

Kind regards,

Kathryn McKee
Southborough Trails Committee Chair

DOWNTOWN DISTRICT (DD)

June 23, 2021 Revisions

Part 1. Amend Article I, Miscellaneous Provisions, **§ 174-2** Definitions, by adding the following new terms and definitions in appropriate alphabetical order.

BED AND BREAKFAST

Bed and breakfast is an establishment on owner-occupied property offering transient lodging accommodations to the general public, with not more than four guest rooms and food service limited to breakfast for guests.

CO-WORK CENTER

A building or portion thereof used for flexible work spaces offering short-term, monthly, or longer lease periods for self-employed people or people working for different employers, and typically providing shared furnishings, equipment, and business support services.

ESTABLISHMENT

An institutional, business, commercial, or industrial activity that occupies all or a portion of a building; a place of business.

FAÇADE

The external faces of a building.

FRONTAGE OCCUPANCY

The percent of a lot's street frontage that is occupied by a building between the minimum and maximom front setback range.

MICROBREWERY

A microbrewery is a licensed establishment that produces and distributes beer, ale, or other malt beverages, and which may include accessory uses such as tours of the microbrewery, retail sales, and a taproom for on-site consumption. In addition to selling beer at retail on the premises, a microbrewery may act as wholesaler for beer of its own production for off-site consumption if it has a valid pub brewery license from the Commonwealth of Massachusetts.

MIXED-USE DEVELOPMENT

A development that includes any combination of permitted nonresidential uses and one or more dwelling units within a single structure; provided, however, that the inclusion of two (2) or more dwelling units in a mixed-use development shall not be deemed a multifamily dwelling. The ground floor facing the street shall be used only for permitted nonresidential uses, ~~and the total gross floor area occupied by nonresidential uses shall be~~

~~at least 10 percent of the gross floor area of the structure.~~

Part 2. Amend Article II, Establishment of Districts, **§ 174-3 Districts enumerated,** by adding the following new district:

M. Downtown District, referred to as DD

Part 3. Amend Article III, Use Regulations, **§ 174-8.C.(2)** as follows (amendment shown in italics)

Not more than one principal permitted use shall be located on any lot, provided that a multiple occupancy building used for the same category of use, such as retail sales and services, light manufacturing or offices in a business district or Industrial Park District, *or a mixed-use development in the Downtown District*, shall be deemed to be in a single principal permitted use. . . .

Part 4. Amend **Article III, Use Regulations**, § 174-8, Schedule of Use Regulations, by adding the following new section:

§ 174-8.12 Downtown District

A. Permitted uses are as follows:

(1) All uses permitted in the residential districts (RA and RB).

(2) Mixed-use development, provided that each nonresidential use in the development is a permitted use under this Section 174-8.12(A) or Section 174-8.12(B) and provided that the number of dwelling units does not exceed eight (8).

(3) Professional or business office, or bank, but not including a medical or dental office.

(4) Custom manufacturing of custom goods sold primarily on the premises, such as a woodworking shop, shop for artisan or craftsperson, or bakery.

(5) Bed and breakfast.

(6) Child care center.

(7) Co-work center.

B. Permitted uses, up to a maximum of 3,000 square feet per establishment.

(1) Retail sales and services.

(2) Ice cream shop, sandwich shop, candy shop, other specialty food service establishment serving walk-in customers (drive-through service is prohibited).

(3) Restaurant, with indoor seating and outdoor seating on an adjacent patio (drive-through service is prohibited).

(4) Personal services such as barber shop, beauty salon, tailor, or shoe repair.

C. Permitted uses by special permit from the Planning Board are as follows:

(1) Any use listed in Subsection B exceeding 3,000 sq. ft. per establishment.

(2) Mixed-use development that includes a nonresidential use that is a permitted use under Section 174-8.12(A) or Section 174-8.12(B) but with nine (9) or more dwelling units.

(3) Mixed-use development that includes a nonresidential use requiring a special permit under this Section 174-8.12.

(4) Microbrewery.

(5) Veterinarian, animal hospital, or animal clinic.

(6) Medical or dental office.

(7) Multifamily dwelling, up to twelve units.

(8) Private garage or parking for more than three cars or more than one truck or other commercial vehicle.

(9) Indoor recreation, athletic or exercise facility.

D. Uses by special permit from the Zoning Board of Appeals are as follows:

(1) Accessory apartment.

(2) Conversion of a one-family house in existence for two years or longer to a two-family dwelling, on a lot with a minimum of 15,000 square feet.

(3) A mobile home or travel trailer used as a dwelling or business quarters for more than 30 days in a year.

E. Prohibited uses. All uses which are not listed above, legally nonconforming or otherwise allowable by the provisions of the zoning regulations are prohibited.

F. Development standards are as follows:

(1) Minimum lot area: 5,000 square feet.

(2) Minimum frontage: 60 feet.

(3) Minimum setbacks:

(a) Front: 10 feet.

(b) Rear: 35 feet.

(c) Side: 10 feet; 25 feet if adjacent to a residential district.

(d) Other street: 10 feet

(4) Maximum front setback: 20 feet unless waived by the Planning Board.

(5) Maximum Floor Area Ratio: ~~0.35 as of right, or a maximum of 0.50 by special permit from the Planning Board~~. The FAR should be replaced by a maximum lot coverage (I suggest 70%) as per Judi Barrett's recommendation. "As long as the Planning Board has a coverage limit, height limit, and setbacks, the Town does not need another tool" The architects who are working on renderings also found that the façade requirements in conjunction with a FAR, don't really work. If a FAR is the preferred standard, I suggest using a tiered approach:

(a) For lots of 2 acres or less: 0.50 as of right, or a maximum of 0.70 by special permit from the Planning Board.

(b) For lots greater than 2 acres: 0.35 as of right, or a maximum of 0.5 by special permit from the Planning Board

(6) Minimum landscaped green space: 20 percent. At least 50 percent of the landscaped open space shall be ~~contiguous and~~ located between the front building line and front lot line unless the Planning Board approves a different placement of the open space as part of Site Plan Review.

(7) Minimum Façade Buildout (% Lot Width) unless waived by the Planning Board.

(a) With less than 50 feet of frontage: N/A

(b) 50-80 feet of frontage: 60%

(c) Over 80-100 feet of frontage: 70%

(d) Over 100 feet of frontage: 75%

(8) Height regulations:

(a) Maximum building height: 40 feet and three stories,

(b) Minimum ground floor height: 12 feet

(c) Maximum ground floor height: 18 feet

(9) Residential dwellings. Single-family or two-family dwellings in the Downtown District shall comply with RB District standards.

G. Building Regulations

(1) The principal entrance(s) to the building shall be on the front façade, which shall face the street.

(2) The maximum distance between street-level entrances in a single building shall be 35 feet unless waived by the Planning Board.

(3) The maximum depth of street-level commercial spaces shall be the lesser of 30 feet or 60 percent of the depth of the building unless waived by the Planning Board.

(4) The maximum front setback in Section F(4) may be increased for purposes of amenities such as landscaping, a plaza, square, courtyard, recessed entrance, sidewalk, multi-use path, raised terrace, façade offsets, or outdoor dining, but not for vehicle use.

(5) Affordable housing. In any multifamily or mixed-use building with four or more units, at least 12.5 percent of the units shall be affordable housing that is eligible for the Chapter 40B Subsidized Housing Inventory (SHI) in accordance with the Chapter 40B regulations and Guidelines of the Massachusetts Department of Housing and Community Development (DHCD). In consultation with the Southborough Housing Opportunity Partnership Committee (SHOPC), the Planning Board may adopt a guidance document interpreting the Chapter 40B Guidelines as they apply to development under this section.

H. The operation of any marijuana establishment as defined in MGL c. 94C, § 1, including without limitation a marijuana cultivator, marijuana testing facility, marijuana product manufacturer, marijuana retailer or any other type of licensed marijuana facility is prohibited in all zoning districts of the Town. This prohibition shall not apply to the sale, distribution or cultivation of marijuana for medical purposes, licensed under Chapter 369 of the Acts of 2012 and currently permitted in the Town of Southborough.

Part 5. Amend Article III, Use Regulations, by adding the following new section, **§ 174-10.2 Downtown District plan approval.**

In the Downtown District, major site plan approval shall be by special permit from the Planning Board for any use requiring a special permit. In such cases, the procedural requirements and decision criteria of § 174-9, § 174-10, and 174-10.1(A) through (C) shall apply. The Planning Board may adopt design guidelines and apply them to major site plan approval applications regardless of whether a special permit is required.

Part 6. Amend Article III, Use Regulations, § 174-12 **Parking and loading regulations**, by inserting the new Section F below and relabeling the existing Section F. Egress to Section G.

F. Exceptions in the Downtown District. Off-street parking requirements for development in the Downtown District shall comply with Section E above except for the following uses:

(1) Dwellings: two spaces for each dwelling unit, plus one space for each 80 square feet of floor area devoted to a customary home occupation or a professional use.

(2) Bed and breakfast: one space for each guest room plus two spaces for the owners of the premises.

(3) Restaurants and other places serving food or beverages: one space for each four seats.

(4) Mixed-use development: one space per dwelling unit and one space per 300 square feet of nonresidential floor area.

(5) Professional or business office: one space per 300 square feet for ground floor offices and one space per 350 square feet for offices above the first floor.

Part 7. Amend Article II, Establishment of District,, § 174-4 **Zoning Map**, by adding the new *Downtown District* to the Southborough zoning map.

DRAFT

DESIGN GUIDELINES: PURPOSE

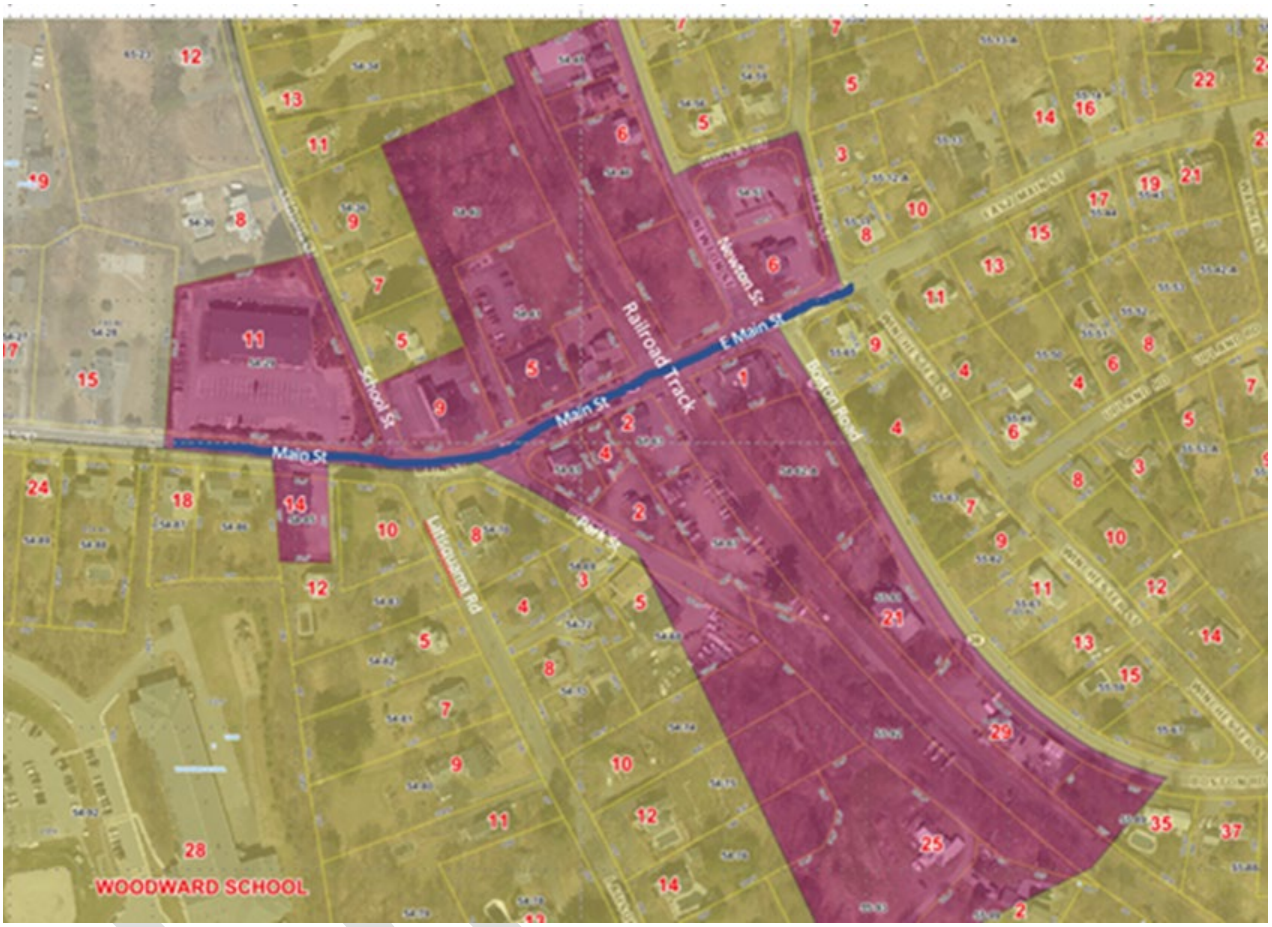
The overall goal and purpose Southborough's Downtown District Design Guidelines is to support the revitalization of the Downtown through the design of attractive buildings and public spaces that will enhance, protect and promote Downtown Southborough's historic small town Main Street identity and character, create a sense of place through preservation and desirable development, bring people to the district, and generate an active and vibrant pedestrian environment. These guidelines are intended to assist property owners, proponents, architects, and landscape architects with project planning by providing the guidance on the Town's expectations for the design of development, redevelopment and rehabilitation projects in the Downtown District and will provide the Planning Board with criteria for the review and evaluation of projects proposed in the Downtown District during the site plan review process. These guidelines are intended to supplement the Town of Southborough's zoning regulations for the Downtown District 174-8.12. and Site Plan Approval 174-10 and articulate the following design objectives:

1. Strengthen the character of Downtown Southborough as the focal point of a prosperous rural New England community and as a destination for shopping and services
2. Encourage village-style streetscapes
3. Encourage a vibrant environment to live, work and play, and create pedestrian and bicycle-friendly spaces where the community can gather
4. Preserve existing historic structures whenever possible and to restore and retain original architectural features of historic buildings (guidance of what would be historic structures, specific buildings or built before date?)
5. Renovation, rehabilitation, and adaptive reuse are generally preferred to the demolition of old historic buildings.



This workbook is not intended to substitute for the requirements of the established Zoning Bylaw. **In the case of any actual or perceived conflict between the contents of these guidelines and the Southborough Zoning Bylaw, the Bylaw is the binding regulation.**

These guidelines have been compiled as a joint effort with representatives of the Board of Selectmen, the Planning Board, the Economic Development Committee, and the Historical Commission; with the intention that they be periodically updated to reflect technological or other advancements in best practices.

DRAFT

DESIGN GUIDELINES: MAP

Replace with final map of Downtown District Zoning

DESIGN GUIDELINES: PROCESS/SUBMITTAL MATERIALS

The proponent must submit the proposed project for design review as part of the site plan approval or special permit with site plan approval process. Submittal requirements for projects in the Downtown District shall be in accordance with Southborough Zoning Bylaw Site Plan Approval 174-10 or 174-10.1 if special permit with site plan approval. In addition, Submittals must also include floor plans and architectural elevations of all proposed buildings and a schedule of all exterior materials and colors.

DRAFT

SOUTHBOROUGH HISTORIC PROPERTIES

There are some extraordinary buildings within the Downtown District with outstanding design qualities that make them representative of their time and period style of architecture. It is to these buildings that we can refer as models and fine examples of good design, from which we can derive lessons and inspiration.

Given the historic nature of Southborough's downtown, existing structures of historical or architectural value should be preserved wherever possible. Alterations to the street facades of historical structures should be minimized and incorporate measures to protect and preserve the historic character of the structure. Proponents should refer to the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings and should adhere to these guidelines as closely as possible in projects involving historic buildings.

The architectural character of new buildings should respect the character of adjacent, existing historical buildings in the Southborough National Register District, and utilize traditional facing materials, paint colors, window, and door designs to harmonize with adjacent buildings.

DRAFT

OVERALL GOALS AND ORGANIZATION

These design guidelines are intended to provide for a coherent and attractive business and civic environment in Southborough's Downtown Business Village District. They are intended to apply to those portions of buildings that can be seen from public vantage points and apply to the interior of buildings only to the degree that this influences the appearance from the streets or sidewalks. Overall goals include the following:

- Restore and protect the historic character – Southborough has multiple buildings that have historic merit, and represent the architecture of past eras and the historic culture of the town. These guidelines seek to preserve characteristics that are genuine and remain, and to restore historic characteristics once associated with existing buildings where they can be reasonably and practically restored.
- Enhance downtown Southborough as a commercial area - Downtown Southborough contains multiple service and retail businesses. As such, the guidelines promote a consistently high quality that will be attractive to visitors and patrons of the area.
- Reinforce Downtown as a civic place - Downtown Southborough serves its residents as a civic center, and contains public uses in addition to the businesses and residences. As such, the downtown center should have an attractive appearance and display the unique qualities of its past and present.

These guidelines are organized into subsections that address design elements and components within the Downtown District. The information within each subsection contains specific intentions and directions for new designs or renovations, along with pictures illustrating desired outcomes.

DRAFT

I. Building Placement and Orientation

Guidelines

- The principal entrance(s) to the building must be clearly articulated using architectural detailing and shall be on the front façade, which shall face the street according to Section 174-8.12 G (1).
- For residential buildings in the Downtown District, the front entrance must be defined by at least one of the following: a porch of at least 6 feet in width and depth, pent roof, roof overhang, hooded front door, or similar architectural elements.
- The maximum distance between street-level entrances in a single building shall be 35 feet unless waived by the Planning Board in compliance with Section 174-8.12 G (2)
- To create a unified and defined street and facilitate public pedestrian access, a consistent alignment of buildings is encouraged. The front building line must be within the minimum and maximum front setbacks established in the Zoning Bylaw Section 174-8.12 F (3) (a) and (4) and should be sensitive to the placement of adjacent buildings.

ALLOWED

NOT ALLOWED

DRAFT

II. Building Massing

Guidelines

- Articulation of massing and the ground level of a building along its primary street frontage should visually anchor the building and provide human-scaled elements that improve the pedestrian environment.
- Building massing should be consistent with the surrounding environment and within the floor area ratio (FAR) and height requirements of Section 174-8.12 F (5) and (8) of the Zoning Bylaw.
- Domestic scale should be produced through massing devices such as breaks in wall and roof planes and through design of architectural features. Upper stories may be set back, treated with a different material, or incorporated into the roofline, to diminish building mass or to make a building more compatible with the design of adjacent buildings.
- There should be some element of consistency with any buildings on abutting premises facing the same street, such as consistency in eave height, wall materials or window proportions.
- The building façade should clearly define commercial ground-floor spaces, where they exist, and differentiate through articulation the ground floor from residential or office spaces on the stories above.

ALLOWED

NOT ALLOWED

DRAFT

III. Setback and Green Space

Aesthetically pleasing landscaping with visual interest such as mixed flowers and plantings are encouraged. Maintenance of landscaping should be ongoing to create a consistent curb appeal. Existing zoning in the Town Bylaws regulate Setbacks and open space as referenced below.

Guidelines

- Landscaping is required per Sections 174-8.12 F (6) and 174-13
- Minimum front, side, and rear yard setbacks are established in Sections 174-8.12 F (3) and (4)
- A minimum of 20 percent of the site must be left as landscaped open space
- Abundant, well chosen, and well-maintained planting and landscaping should become a notable theme to be reinforced throughout. In the Downtown District, outdoor gathering places close to open spaces, shops, and residences should provide benches, and plantings that reflect the natural surroundings
- Landscaped open space should be designed to be visually and physically accessible to the extent feasible and should enhance the visual impact of the project and adjacent properties. At least 50 percent of the minimum landscaped open space shall be contiguous and located between the front building line and front lot line 174-8.12 F (6)
- The use of native species of trees, shrubs, vines, groundcovers, and perennials is encouraged in order to make gardens compatible with the existing wildlife habitat and its regional context.

ALLOWED

NOT ALLOWED

IV. Exterior Materials

Use of materials traditionally found and historically utilized in Southborough are required in the district. This includes an emphasis on wood, masonry, brick, stone accents, and wood clapboard finishes for renovation or new construction. Exterior materials should be consistent with the historic style used to compose the façade.

Guidelines

- Consistent use of a dominant building material for the façade is encouraged, rather than multiple materials, such as brick and clapboard combinations.
- Imitation materials, such as vinyl siding, plastic tile roofing, or brick veneer are prohibited.
- Durable, eco-friendly materials should be used whenever possible
- Materials used to patch or repair existing façades should match original materials. If metal is used, it should be appropriate to the building, and convey a sense of quality.
- Plywood or other wood panel sheathing materials should be avoided unless incorporated as a panel within a frame, durable for exterior use.
- Minor decorative elements, such as façade ornaments, or small accents can be of any rigid, durable material in harmony with the façade.
- Downspouts and gutters should be of a material and color compatible with the building walls. If the building is historic, the style of downspouts and gutters must conform with the original character of the façade.
- Flashing materials should not be conspicuous. In the case of historic structures, traditional flashing materials such as copper may be appropriate and are encouraged.
- Repointing of brick or other masonry façades should employ grout materials and tooling that are appropriate to the architectural style of the building.
- The colors of exterior materials are required to complement the surrounding area. No bright colors.

NOT ALLOWED

DRAFT

V. Façade Design/Entrances

Building and façade designs should be harmonious with the immediate neighbors and historic site organization within the Downtown District, with primary orientation towards the street, and doors and storefronts facing the sidewalk. Façades and visible roofs should strive to be visually interesting and attractive along areas that will be seen by the public. Façade improvements, in general, should respect a building's original style where the building is historic, or where the original building design is of high quality and distinctive character.

Previous renovations that have taken place over the course of time are sometimes evidence of the history of a building and its environment. If these alterations have acquired their own significance, they should be respected. A unified architectural style should be determined for each project and used consistently for all elements of the building wall and roof. Building doors and windows should be consistent in proportion, size and configuration with the architectural styles that are determined to be appropriate for the building.

However, in the case of a use that is housed in multiple buildings, the underlying integrity of each building should be preserved to the extent that historic qualities remain.

Where rear parking is provided, the provision of secondary rear entrances and pleasing rear facades is strongly encouraged. The design of the rear entrances and facades should be appropriately detailed to provide an attractive appearance but should not be overly embellished to compete with the main storefront.

Where a new building is to be located on a corner, each side visible from a street should be considered a primary storefront facade and incorporate these fenestration patterns, unless doing so would unduly obtrude into a primarily residential street.

Guidelines

- Distinguishing original qualities and features of a façade should be preserved; elements that make a building special should be identified and preserved to the extent commercially reasonable.
- Façade design should take into account the locations and proportions of the façade elements and signage bands of adjacent buildings.
- Façade colors should be complementary to the natural materials used on a building and to the buildings adjacent to it.
- The palette of colors used on a building should be in accord with the materials of the building façade.
- Generally muted tones and colors are appropriate for most façade materials except for trim and special storefront elements and signage.
- The use of historic colors in the renovation or replacement of historic elements is highly encouraged. Lists of historic color suppliers are available at local historical organizations and the Society for the Preservation of New England Antiquities.
- Blank walls without any visual content or interest should be avoided along pedestrian sidewalks and parking areas, and on front façades in general.
- Individual buildings and their storefronts should appear distinct, even when a single use spans multiple storefronts.
- Historic roof forms should be retained or restored. Additions should have roof forms that are compatible with the forms of the building to which they are attached.

DRAFT

VI. Storefront Design

Storefronts refer to those portions of the façade that directly relate to the street and the commerce inside. Most commercial façades consist of an architectural framework designed intentionally for one or more storefronts to occur. The expression of the storefronts should respect the framework and not expand beyond it. Storefronts should be consistent in style with the building architecture, provide clarity and interest to the façade, provide for a high level of transparency, and be harmonious with other adjacent storefronts. It is also important that the distinction between the storefront and the rest of the façade is maintained. Storefront display windows that display products or services, signs with the name of the organization, local business logos, hours, public service messages or displays, or views to an activity in which people are involved frequently during hours of operation are encouraged.

Guidelines

- Primary entrances should be largely transparent, as was traditionally the case with storefront design. This will promote a sense of welcome and safe access.
- Where a storefront does not serve a retail use and transparency is not practical, window treatments should be employed to create an attractive appearance.
- A horizontal band or frieze that serves as a signage band should be incorporated at the top of storefronts.
- A base panel and sill course design is traditional for most, although not all, storefront styles. Where it is appropriate for the existing or proposed architectural style, a base panel and sill course should be provided.
- The base panels and sill course should continue across the entire width of the storefront bay and terminate at doors or the vertical elements framing the bay.
- The base panel and sill course should be 24" or lower, measured above the sidewalk. y Incorporating a glazed transom above the door is encouraged when storefront heights are sufficient to allow for it. This could be used to display the building address.
- Storefront window transoms should be consistent with door transoms.
- Transparent storefronts are not necessary for some businesses, such as professional offices. Nevertheless, it is recommended to maintain substantial storefront glazing and provide attractive window treatments rather than opaque panels in order to avoid blank façades along the sidewalk.
- Items should not be placed in storefront windows that block views to internal activity, such as the backs of display cases, unless they are part of a display to the outside sidewalk or street.
- Storefront lighting should be confined to highlighting signage and the window display itself. Lighting that attracts attention to itself should be avoided.
- The use of seasonal planters and window boxes to adorn storefronts and entrances is highly encouraged.

ALLOWED

NOT ALLOWED

DRAFT

VII. Pedestrian & Cycle Access

Projects should be designed to provide efficient and safe pedestrian circulation within the site. Pedestrian connections are required between focal points of pedestrian activities such as sidewalks, parking areas, public spaces, and building entrances. Where possible, pedestrian linkages should be made to adjacent properties. Pedestrian walkways should be integrated into internal landscaping wherever possible.

In locations not currently served by a public sidewalk, projects should provide a sidewalk at in compliance with state and local ADA regulations or other accessibility documents, located between the principal entrance facing the street and the road right-of-way.

Parking areas should include a bike rack to allow for safe and secure storage of bicycles.

ALLOWED

NOT ALLOWED

VIII. Doors and Windows

Architectural detail should be incorporated into the ground-floor facade to create an easily identifiable and welcoming entrance. As one of the most important parts of the facade, the main entrance should be clearly identifiable. Doors and entryways should follow a traditional storefront design (usually recessed) and should be compatible with the architectural style of the structure. The entrances should also address the primary street or pedestrian pathway. Windows and glass portions of front doors should be clear, non-mirrored, non-opaque glass.

Windows should respect spacing and size patterns appropriate to the architectural style that is chosen for either renovation or new construction. In general, multiple smaller window openings are preferred for upper stories of buildings. Lower story windows should be appropriate to the uses behind them, but transparency and indication of activity are important.

Fenestration (the arrangement of windows on a wall) should be architecturally related to the style, materials, colors, and details of the building. Windows and door openings should be proportioned so that verticals dominate horizontals. To the extent possible, upper-story windows should be double-hung type and vertically-aligned with the location of the windows and doors on the ground level, including storefront or display windows. Upper stories should incorporate window patterns and designs that are compatible with and complimentary to existing upper-story window patterns in the district.

First-floor window and display design should create a feeling of transparency on the ground floor of the building. This contributes to a sense of safety and is welcoming to pedestrians. The viewing zone of the first-floor facade should be made up of approximately 75% transparent non- reflective glass. Window displays are encouraged, but visibility into the building from the sidewalk should be maintained.

With the exception of retail storefronts, modestly scaled, vertically proportioned windows articulated with muntins (dividers of panes of glass) are most appropriate to the local building vernacular. Shutters are also an appropriate element to include on windows.

Guidelines

- Street numbers should be located near the front address and be of adequate size and distinctive color to be visible to the passing motorist.
- The street number should not be located so that it is obscured when the front door is open.
- Any special loading and service entrances should be screened from streets, other public ways, and adjacent properties, and their visual impact minimized.
- Unused entrances should be transformed into other architectural elements appropriate to the architectural style of the building, such as a store window.
- Entrances should meet the requirements of the Massachusetts Architectural Access regulations.
- Historic door material and hardware should be restored or repaired where possible. Repair should match existing size, species, profile and configuration.
- Divided lite doors or side lites should be employed only if appropriate for the style of the building façade.
- Whenever possible, the original window patterns of a building should be restored or retained; avoid blocking, reducing, or changing any original and appropriate pattern of windows when renovating older buildings.

DRAFT

- An individual, "punched" window expression rather than continuous horizontal or vertical "strip" windows is encouraged whenever possible and appropriate to the building style.
- Larger scale windows should be used at the ground level.
- Transparent glazing should be used, and reflective or dark tinted glass avoided.
- Opaque panels, such as painted metal or spandrel glass, should not be used to replace vision glazing in windows.
- Where ceilings need to be lowered below the window head, a ceiling soffit should be provided between the lower ceiling and the window head that allows the vision glass to be full height.
- Shutters should be employed only if they are consistent with the architectural style of the façade. Shutters should not be employed with casement-style windows, bay windows, or broad picture or display windows.
- Repairing existing historic windows with in-kind materials is preferable to replacement. When existing historic windows are irreparable, replacement windows should replicate existing historic window details.

ALLOWED

NOT ALLOWED

DRAFT

IX. Signage

Signage must comply with Section 174-11 of the Southborough bylaws. In general, the number of signs on a façade should be kept to the minimum necessary to effectively communicate the messages being conveyed.

Guidelines

- Signage should employ colors and type face that complement the primary architectural style of the building.
- All signs should be of durable materials compatible with the materials of the building served.
- Plastic in general is not recommended for use in a historic center.
- In a multiple storefront building, the signage should be of a size, location, material and color that relates harmoniously between bays.
- Freestanding signs should generally be limited to buildings that have a significant setback or are otherwise not visible from the street or sidewalk, or where other signage is not appropriate to the architecture.

DRAFT

X. Awnings

Awnings, canopies and marquees with a traditional design and appearance are encouraged as façade elements, especially when they serve to protect pedestrians from the sun and rain, provide a secondary location for signage, or add color and interest to building storefronts and façades. Awnings should reflect the overall façade organization and storefront locations of a building. Traditional and simple shapes are encouraged, rather than unusual profiles.

Guidelines

- Awnings on a multiple storefront building should be consistent in character, but need not be identical. y Awnings should be located within the building elements framing storefront openings.
- Awnings of a round or bullnose shape should be avoided unless used for a single door or window opening that is not part of a framed storefront.
- The rigid framework for awnings, canopies or marquees should be no lower than 8 feet above the sidewalk under it. Suspended fabric panels of awnings should be no lower than 7 feet above the sidewalk
- Awnings made of soft fabrics such as canvas are encouraged, unless replicating prior historical features.
- Backlit awnings should not be used.

DRAFT

XI. Lighting -SH

Lighting must be appropriate to the building's architectural style. Building lighting must comply with Section 174-12.1 Outdoor Illumination of the Southborough bylaws and the Rules and Regulations adopted by the Planning Board.

Guidelines

- Historically appropriate lighting should be applied to match the building type and style.
- Building lighting should provide an even illumination level while operating. Flashing, pulsating or similar dynamic lighting is prohibited.

ALLOWED

NOT ALLOWED

DRAFT

XII. Utilities and Mechanical Equipment -SH

Components of building mechanical, electrical and plumbing systems must be concealed from view wherever possible. Exposed storage areas, machinery, garbage dumpsters, service areas, truck loading areas, and utility buildings must be screened from the view of abutting properties and streets using plantings, fences, and other approved methods.

Guidelines

- Rooftop mechanical equipment should be completely screened by the building parapet
- Air conditioning units should not be placed into windows or any other openings visible from the street.
- Units located in non-window openings are appropriate if they are screened with a grille within the storefront or façade or building wall.
- Screening of utility feeds and metering devices from public view is encouraged when appropriate.

ALLOWED

NOT ALLOWED

DRAFT

XIII. Parking

It is important to create an inviting pedestrian environment, while offering convenient parking, accessible to all individuals.

- Parking should be placed on the rear side of the building and should not be located closer to the front lot line than the principal structure.
- When an existing building with an existing front parking lot is significantly renovated, proponents should explore opportunities for mitigating the impact of the parking on the streetscape, including adding landscaping or architectural design elements, or, if feasible, moving the placement of the building to allow for rear parking.
- Parking facilities with more than five (5) parking spaces should be bordered on three sides with a landscaped buffer incorporating natural vegetation where possible.
- All commercial parking areas including more than five (5) parking spaces shall also include bicycle parking facilities.

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Monday, September 20, 2021, 7:00 P.M.
Location: Zoom Meeting (virtual)
Present: Lisa Braccio, Chelsea Malinowski, Sam Stivers, Andrew Dennington, Town Administrator Mark Purple

I. Vice-Chairwoman Malinowski called the Selectmen meeting to order at 7:07 P.M.

II. Scheduled Appointments

Joint meeting with Planning Board – Downtown District bylaw. Planning Board Chairman Don Morris outlined the process for tonight's public hearing. The Planning Board planned to take up the bylaw language (Town Code) first, then the design guidelines, and then the map. Mr. Morris explained the following three components would be discussed, in the following order, at the Public Hearing: the language for the Draft Bylaw, the Design Guidelines, and the Zoning Map. The Planning Board will then provide their recommendations ahead of the printing of the Warrant.

Mr. Morris reviewed the Draft Bylaw. In Part 1 of the proposed Warrant Article, Mr. Stein felt the definition for "dwelling units" referred to residential properties and requested it be added to the definitions. Ms. Luttrell stated it was already defined in the Town Code. Mr. Mills asked if "landscaped green space" was different from "open-space." The Board supported the addition of the definition of "landscaped green space." In the definition for Mixed-Use Development, the Board supported the deletion of the minimum 10% non-residential gross floor area on the ground floor. Ms. Luttrell and Ms. Hoolahan felt it was important to consider handicapped accessibility as well as parameters to ensure commercial development was promoted. Mr. Mills suggested no more than 40% of the total building should be residential. Mr. Morris proposed the entire first floor "shall be non-residential." Mr. Mills explained that limiting the residential to 40% would help assure residents who expressed concern that what was being presented was a "housing" plan. Mr. Mills reviewed other towns and felt it was an appropriate percentage. Mr. Mills suggested wording, "residential dwellings cannot exceed 40% for the gross floor area above ground for the building" which the Board supported.

For proposed Warrant Article Part 4: A(2), Mr. Stein asked what the total number of "use units" in a mixed-use development scenario would be as the Draft Bylaw read "dwelling units does not exceed eight (8)." Mr. Stein and Mr. Mills expressed concern that a finite number was not stipulated in the Bylaw. Mr. Mills suggested it be three units By Right and any number above would be via Special Permit. He felt it made sense based on the size of the buildings in the Downtown District (DD.) Mr. Stein agreed with Mr. Mills. Ms. Hoolahan suggested they come back to this after reviewing other proposed specifications. Mr. Stein identified section C(7) which states, "multifamily dwelling, up to twelve units." Mr. Mills proposed it should be a maximum of ten units, to which Ms. Luttrell suggested "multi-family dwelling not to exceed ten (10.)" Mr. Mills indicated that C(2) "nine units" should be adjusted also to "four or more dwelling units." The Planning Board supported the changes. Mr. Stein suggested in D(1) that accessory apartments be By Right and not via a Zoning Board of Appeals (ZBA) Special Permit. Mr. Stein explained there is a lack of Affordable Housing in Southborough and he felt accessory apartments were a way to increase Affordable Housing in town. He stated a Deed Restriction would allow it to count towards the Affordable Housing Inventory. Mr. Morris felt it was beneficial for accessory

apartments to go through the ZBA as they reviewed egress, parking, and other important factors. Item (5): Maximum Floor Area Ratio (FAR) revisions were reviewed. Ms. Luttrell felt Zoning could not be "looked at in a vacuum." She felt that having a "% maximum lot coverage" in the DD Zoning different from all the other Zoning criteria of an FAR was not ideal. She was also not supportive of the proposed tiered FAR. She supported 0.30 By Right to which the Board agreed. Mr. Morris asked if the Maximum should remain the same at 0.50 to which the Board agreed. Item (6): the Planning Board discussed removal of the "contiguous" requirement for landscaped green space. Ms. Luttrell felt it should remain in place as the Planning Board could waive if needed Ms. Luttrell stated the phrase "landscaped open space" should be changed to "landscaped green space." The Planning Board supported that and for "contiguous and" to remain in the language. Item (8) Height regulations: Mr. Mills felt 40' maximum building height should change to 35'. Mr. Mills clarified the goal was not to exceed 35' for the height of the overall building. Discussion ensued as to the necessity of referring to a minimum and maximum floor height, to which the Planning Board recommended the removal of that criteria and also recommended the maximum building height changed from 40' to 35'. Item G(5) Affordable Housing: Mr. Morris suggested deletion of "In consultation with the Southborough Housing Opportunity Partnership Committee (SHOPC) the Planning Board may adopt a guidance document..." As it referred to 40B, Mr. Morris suggested it was not under the purview of the Planning Board and should be removed to which the Board agreed.

Part 5: Ms. Quinn requested clarification that if a proponent comes to the Planning Department for a Major Site Plan in the DD, should they complete applications for both the Major Site Plan and the Special Permit for Downtown District plan approval. Mr. Morris agreed the two applications should be completed.

For proposed Warrant Article Part 6: Mr. Stein asked if Exceptions in the DD to parking requirements items 1-3 pertained to off-street parking. Mr. Mills felt it was unclear as well. Mr. Stein opined it should refer to off-street parking. Mr. Mills felt overnight parking should be off-street parking, but restaurants should be allowed to accommodate on-street parking. Ms. Quinn clarified that part (F) was outside of the standard parking requirements already included in the Town Code. Ms. Quinn and Mr. Morris opined that on-street parking could not be relied on. Ms. Luttrell suggested "except for the off-street parking requirements for the following uses", the Planning Board agreed.

Part 7: Mr. Morris explained it was required that if the name of the district is changed, the map must be revised even if only the name is changed. Ms. Quinn explained the name "Downtown District" will be added to the Zoning Map and the color will be changed to apply to the DD. Currently, the proposed Zoning Map does not propose any revisions to the boundaries of the district at this time.

Back to Part 4 Section A(2), it was suggested to change the number of not to exceed dwelling units from 8 to 3 dwelling units. Ms. Luttrell stated 4 dwelling units would trigger the Affordable Housing threshold so any dwelling units above 3 should be done via Special Permit. The Planning Board agreed to the change. Also for Item C(2): change from "9" or more dwelling units to "4".

Mr. Morris gave the Board of Selectmen and the Economic Development Committee (EDC) an opportunity to opine on the recommendations proposed by the Planning Board for the proposed Downtown District bylaw. Chairwoman Braccio stated the BOS will discuss the details at their meeting on September 21, 2021. Mr. Belniak, the Vice-Chair of the EDC expressed concern that the proposed changes were "bringing them closer in line with currently restricting zoning and obviated the need to do this altogether." Mr. Stivers requested further clarification on the

possibility of a first floor residential unit. Ms. Quinn confirmed the proposed language does not appear to restrict a residential unit from the first floor. Ms. Connelly, member of the EDC, expressed concern that the restrictions being proposed would undermine the original intent of the proposal. She expressed concern about the 40% maximum residential development as well as the reduction from a 40' building to 35'. Ms. Connelly stated the proposed reduction in the Floor Area Ratio (FAR) would make it too restrictive to build a 3-story building. She proposed a tiered approach to FAR. Mr. Morris asked if the Planning Board wanted to revisit the FAR. Ms. Luttrell felt it was appropriate to remain as they proposed and felt a larger size would be inappropriate to a "small town downtown with a village style street scape." Ms. Luttrell reviewed the building heights in several similar towns and they had a 35' maximum building height. The Planning Board agreed to let the proposed changes stand.

Mr. Morris presented the Draft Downtown Guidelines and thanked Ms. Hoecker for her hard work on their development. Mr. Morris noted the Planning Board can make changes to the Design Guidelines as needed as they do not require town meeting vote, to which Ms. Hoolahan suggested such language be added to the Bylaw. The Planning Board reviewed each section for format and content providing comments for revisions. In addition to minor typos and word inserts/deletions, some of the narrative was adjusted and clarified. Ms. Luttrell stated a list of historical properties in the Downtown District will be added. On page 4, a note should be added under the Zoning Map, source and date. On page 5 Process/Submittal Materials, the following bolded words should be added: "The proponent must submit the proposed project for design review as part of the Site Plan approval **process** or Special Permit **process** with Site Plan Approval **section 174.10.2**." The intent being that both Site Plan Approval (Section 174-10) and Special Permit for Downtown District Plan Approval (Section 174-10.2) is required for developments that require a Downtown District special permit from the Planning Board. In section Southborough Historic Properties, Mr. Mills suggested the addition of "the architectural character of new buildings should respect the character of the **majority** of adjacent, existing historical buildings…" Mr. Morris suggested the use of the word "**nearby**" instead of "majority" which was supported. In section Setbacks & Green Space on page 10: The term "landscaped open space" should be changed to "landscaped green space" throughout. In section Exterior Materials on page 11, "are required" is used and the second bullet ends with "prohibited." Mr. Morris asked the intention of the document and whether it was to "prohibit." Ms. Hoolahan suggested the Draft Design Guidelines should be recommendations rather than requirements to which the Planning Board agreed and further indicated to use terms such as encourage, discourage, recommend, or should vs prohibit, require, shall, or must, as applicable. In section Utilities & Mechanical Equipment in bullet 3, Ms. Quinn requested clarification on what type of "units" were being referenced. Ms. Hoecker stated it should reference "mechanical equipment units." Ms. Quinn asked if "utilities should be added underground" should be included. Ms. Hoolahan agreed it should be added as a Code reference. It was agreed that a bullet should be added regarding "underground utilities and services in compliance with Town Code. In reference to the "example" images, Ms. Hoecker suggested the terms "allowed" or "not allowed" be changed to "encouraged" and "discouraged." Mr. Mills expressed thanks to the Design Guidelines working group for their significant efforts. Ms. Luttrell expressed her thanks to Mr. Weishan, Ms. Connelly, and Ms. Braccio.

Mr. Morris requested feedback from the Board and the EDC. Chairwoman Braccio thanked everyone for their collaborative efforts, and in particular, Ms. Hoecker. Mr. Belniak felt it was inappropriate for the EDC to opine on the Design Guidelines so declined to provide feedback. Ms. Connelly expressed thanks to Ms. Braccio, Ms. Luttrell, Mr. Weishan, and Ms. Hoecker for the collaborative effort. She emphasized that the Design Guidelines are intended to have more flexibility than the Bylaw. Mr. Weishan opined that the Guidelines should be enforceable in a

Zoning By Right situation and encouraged the Planning Board to continue the use of the word "shall." Ms. Connelly clarified that the By Right portion of the Draft Bylaw is only for the "use" and is separate from the Design Guidelines.

Mr. Morris presented the Zoning Map and the proposed Mock-Up, Map #2. Mr. Morris stated the Planning Board was in receipt of three abutter emails in support of Mock-up Map #2. One abutter suggested the CSX parcel be removed. Mock-up Map #2 has the split lots (total of 7) excluded from the DD and remaining in the Business Village District (BVD) and under the BVD Zoning requirements. Mr. Morris asked if any Planning Board members were open to revisions to the Zoning Map. Mr. Stein expressed support for Mock-up Map #2. Ms. Hoolahan and Ms. Luttrell supported Mock-up Map #2 but requested the CSX parcel be removed. Discussion ensued as to the location on the map of the CSX property in relation to other properties in the Downtown District. The Planning Board supported Mock-up Map #2 excluding the CSX property and excluding al of the "split lots" from the Downtown District.

Mr. Morris requested feedback from the Board and the EDC. Chairwoman Braccio stated she will bring the proposal to the Board meeting on September 21, 2021. She personally felt it was a great compromise and indicated the Board would take a position at their meeting. Ms. Munsiff asked for the reasoning behind the Zoning Map changes. She stated she heard from residents who wanted to be included in the Downtown District. Mr. Morris stated that adding to the district was unnecessarily complicated and could be addressed at a later date if the Warrant Article passed. He also felt it was important to listen to all residents and abutters. Ms. Hoolahan felt the removal of the split-lots simplified the Map and created "clean lines." Mr. Stein stated during his time on the Planning Board, the Planning Board listened to abutter input in every situation. Ms. Munsiff expressed concern that there would be several districts and felt it would be more confusing. Ms. Hoolahan stated the Planning Board responded to the bylaw amendment proposed by the EDC, listened to feedback from abutters and residents, and then provided their recommendations to the Board and the EDC. Mr. Mills felt it was important to focus on the development primarily on Main Street. Mr. Wood thanked the Planning Board for their work on the Design Guidelines. He emphasized that By Right is only applicable to "uses." Ms. Luttrell stated the Planning Board has listened to everyone. Mr. Morris asked Ms. Quinn how the Board would receive the changes ahead of their meeting on September 21, 2021. Ms. Quinn explained she would make the changes on the morning of September 21, 2021 and email them to the Mr. Purple for delivery to the Board. She would also email them to the EDC and the Planning Board. Mr. Weishan asked if there would be a vote on the final map. Mr. Morris stated the Planning Board would provide their recommendations to the "owner" of the proposed Bylaw which is the Board of Selectmen. Mr. Purple explained Town Counsel would review the "final draft" provided by the Board at which point it would go to print. Mr. Morris stated the Public Hearing would be open through Special Fall Town Meeting on November 1, 2021 so the Planning Board is legally allowed to take in more information and make changes if necessary. At the Planning Board meeting on September 27, 2021, Mr. Morris will provide an update from the Board regarding the Planning Board recommendations.

III. On a motion made by Mr. Dennington, seconded by Mr. Stivers and voted all in favor by roll call vote 5-0-0, the Board of Selectmen meeting was adjourned at 10:37 P.M. Roll call: Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Upcoming Meetings
September 21, 2021

Respectfully submitted,

Mark J. Purple, Town Administrator

List of Documents referred to at the September 20, 2021 BOS Meeting:

From: Katie Barry
To: Kathleen Battles
Subject: RE: Request for Minutes - BOS Meeting 9/20/21
Date: Tuesday, November 9, 2021 12:50:16 PM

Good afternoon,

These minutes are on the Board's 11/16 agenda for approval.

Thank you,

Katie

From: Kathleen Battles
Sent: Tuesday, November 09, 2021 12:47 PM
To: Katie Barry <kbarry@southboroughma.com>
Subject: Request for Minutes - BOS Meeting 9/20/21

Southborough Town Code § 9-25 requires that minutes of each public meeting and the documents used at the meeting be submitted to the Town Clerk within 45 days of the meeting and that the Town Clerk notify the board or committee chair when that reporting requirement is not met.

I'm writing to advise you that as of today, the Town Clerk's Office has not received the minutes and documents used at the **9/20/21** meeting of the **Board of Selectmen.**

The Attorney General has determined that a document is considered to be "**used at a meeting**" when the document is:

- Physically present, and
- Identified by name, and
- Its contents are discussed at the meeting.

As a reminder, please submit the documents as individual files and ensure the name of **each separate file** matches how it is identified in the **Documents Used at This Meeting** section of the minutes.

Please reply to this email with your response which will be posted on the town website until the minutes and documents are received.

Please advise if you are unable to provide minutes for one of the following reasons:

1. The meeting was cancelled.
2. No meeting was held due to the lack of a quorum.

The meeting involved executive session(s) and the minutes for the executive session portion(s) cannot be released at this time. Note that minutes for the open session portion of a meeting must be released. Also, the board or committee must review any withheld executive session minutes regularly to ensure there is still a valid reason to withhold minutes from the public. We suggest you consult with Town Counsel on any matters concerning the release of executive session minutes.

Thank you, Kate

Kate Battles

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, September 21, 2021 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

Pursuant to Chapter 20 of the Acts of 2021, An Act Relative to Extending Certain COVID-19 Measures Adopted During the State of Emergency, signed into law on June 16, 2021, this meeting will be conducted via remote participation. No in person attendance by members of the public will be permitted.

I. Chairwoman Braccio called the meeting to order at 6:31 P.M.

II. Public Comment

Kevin Miller (18 Latisquama Road) stated he attended the Planning Board meeting last night and described the zoning map for the proposed Downtown District that was unanimously approved by the Planning Board. He described the concerns with the split lots currently in the map and those that were proposed to be added in other versions. He strongly urged the Board to endorse the same map the Planning Board endorsed.

III. Scheduled Appointments

Volunteer Interview: Neetu Sehgal, Scholarship Advisory Committee, term 6/30/24

Ms. Sehgal was not in attendance.

Financial quarterly review – closeout of FY2021

Chairwoman Braccio praised the Finance Department and Ms. Malinowski for their work on the quarterly review. Treasurer Collector Brian Ballantine walked the Board through his end of year presentation included in the packet. He stated there was a $200,000 surplus on the revenue side over the previous year and outlined the large events that created this which included building fees and settled tax liens. Mr. Dennington asked if CARES reimbursements fit into this report. Town Accountant Carla McAuliffe explained that the DOR requires that FEMA and CARES reimbursements to be charged to a special revenue fund and not the general budget. Ms. Malinowski highlighted there were only five reserve fund transfers totaling approximately $30,000 this year and the Library and Council on Aging saw reduced operating hours and returned funds to the Town. She praised Ms. McAuliffe and her team for their diligence working with the department heads and the department heads for being receptive to and following the new financial policy put in place last year. Ms. Malinowski stated she will be following up with Ms. Munsiff from the Economic Development Department with questions regarding the expense portion of the EEA grant. She requested this topic be added to a future meeting and the Board agreed. Ms. Malinowski suggested the office equipment and repair budget line be consolidated through the IT Department for Mr. Montijo to review and be made aware of for procurement purposes. The Board agreed.

Review of Draft Lighting Bylaw Rules and Regulations

Chairwoman Braccio invited Planning Board member Marnie Hoolahan to speak to the enforcement piece of the lighting bylaw. Ms. Hoolahan outlined the changes made to enforcement which included encouraging neighbor disputes to be resolved between the two parties with an escalation resulting with a complaint to the Building Commissioner. She described the process residents would use to

resolve a lighting issue which included picture taking from the property line showing light trespass and measurements from a mobile app to take a light reading. A complaint would then be filed to the Building Commissioner which could prompt a site visit if the previous two steps did not resolve the issue. Mr. Stivers felt this was the proper route to take. Mr. Dennington asked if an informational flier could be sent to residents regarding these changes to zoning. Ms. Hoolahan stated that could not be done until the Attorney General has reviewed and approve the language. Ms. Malinowski asked if the Building Commissioner has reviewed these changes and what other resources she would have to follow up with a complaint. Mr. Purple stated the Building Commissioner has not reviewed the changes and he would ensure that she does. He added that the Building Commissioner has said previously that she would rely on the Electrical Inspector for assistance in these complaints. Mr. Healey stated he would like Town Counsel to review these rules and regulations. He asked the Planning Board to clarify the purpose and intent of the letter from the Building Commissioner as described in the rules and regulations. Ms. Hoolahan agreed to do so and have Town Counsel review the document.

Cable Committee – Recommendation for Comcast cable license renewal

The recommendation was not ready for this evening and the item has been moved to a future meeting.

Downtown District bylaw update

Chairwoman Braccio summarized the Planning Board positions taken at their meeting last evening. She shared her screen and walked the Board through the document that included the Planning Board's feedback. She described the changes made by the Planning Board which included a definition for landscaped greenspace, additions to the mixed-use definition, changes to the permitted uses and floor area ratio. Julie Connelly of the EDC outlined her concerns that the changes made undermine the intent of the bylaw which is to add by right mixed-use zoning. She described her concerns with the restrictions of a 40% maximum for residential use, a .30 floor area ratio which was lower than previously agreed to and suggested using lot coverage as a simpler and more sensical measurement option. Chairwoman Braccio replied with reasons a .30 floor area ratio could work and suggested that it was a good starting point that could be changed in the future. Mr. Healey stated the he does not feel floor area ratio makes sense for the intent of the bylaw nor would it encourage housing diversification. He stated that his concerns are similar to Ms. Connelly's. Meme Luttrell, Planning Board member, stated that this bylaw will be part of zoning and floor area ratio should be used to stay consistent with the rest of the Town Code.

Mr. Stivers made a motion to accept downtown district version 9 as edited from the Planning Board dated 9.20.21. Mr. Dennington seconded. Mr. Healey stated he is in support but has reservations on the 40% maximum residential space permitted. The motion passed all in favor (5-0-0) by roll call, Malinowski, aye; Dennington, aye; Healey, aye; Stivers, aye; Braccio, aye.

Mask mandate extension for public buildings and meetings

Ms. Malinowski stated that the Board took position in August to implement a mask mandate in all municipal buildings in Southborough through September. She stated the Board of Health met and voted to continue the mask mandate extension indefinitely given the large number of cases in town and the schools over the last week. Dr. Alker gave an overview of the COVID-19 positive numbers from the summer and the previous year. She explained the COVID-19 positive numbers in the schools and the vaccination rates for residents. Mr. Healey explained his concerns with implementing a mask mandate to those that are already vaccinated. Mr. Dennington stated he is in support of extending the mask mandate for municipal buildings. There was discussion regarding the

scheduled November 1st Special Town Meeting and how the COVID-19 positive numbers could impact attendance. The Board agreed to discuss Special Town Meeting at their October 5th meeting. The Board agreed to continue with Zoom meetings for all boards and committees. Mr. Healey left the meeting at 8:39 P.M. Mr. Stivers made a motion that the Board continue with a mask mandate for all municipal buildings per the Board of Health. Ms. Malinowski seconded. The motion passed all in favor (4-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Stivers, aye; Braccio, aye.

Board of Health votes impacting Special Town Meeting

Chairwoman Braccio stated that the Board of Health discussed this topic with Town Clerk Jim Hegarty and did not take a formal position. She stated that the Board of Health met on September 9th to discuss social distancing and masking at Town Meeting.

IV. Reports

Chairwoman's Report

i. CERT/MRC recognition event on 9/25

Chairwoman Braccio reminded the Board and public that the CERT/MRC recognition event is this Saturday at the Public Safety Building. She stated this is to recognize the volunteers for giving over 300 hours for COVID-19 assistance.

ii. Selectmen Office Hours

Chairwoman Braccio stated that Ms. Malinowski and she held Office Hours and two residents attended to talk about trails and truck exclusions.

iii. Letter to discontinue section of Chestnut Hill Road

Chairwoman Braccio stated she is acknowledging that the Board received this letter. She spoke to Whitney Beals and he is attending the October 19th meeting which gives the Board opportunity to work with Town Counsel and the DPW regarding this issue. Mr. Dennington suggested reaching out to the Police and Fire Departments for their input. Chairwoman Braccio asked that any information the Board would like to discuss or consider be sent to Mr. Purple as soon as possible.

Members' Reports

i. 9-11 Ceremony

Ms. Malinowski stated the ceremony at the Public Safety Building was well done and thanked Chief Achilles and the Fire and Police Departments for their attendance.

Town Administrator Report

Mr. Purple informed the Board that the Cable Committee item has been tabled until October 5th as the Committee did not have a quorum to officially vote on the license that has been completed. He added that all three cable licenses are done and current.

i. Funding for HCVE traffic study

Mr. Purple stated that the Board received a proposal from VHB for the traffic study to be conducted for $25,000. He stated that the study should take approximately two and a half months and he is creating the article for this item for the November 1st Special Town Meeting.

ii. Regional dispatch update

Mr. Purple stated that the communities of Hopkinton, Grafton, Marlboro, Westborough and Southborough are looking to put in a request for a feasibility study to establish or joining a Regional

Dispatch Center. He explained what the study would entail and the information that would be needed to determine if a regional dispatch center is a fit for Southborough.

iii. Update for SAM Zoom integration for meetings

Mr. Purple updated the Board on the status of the equipment needed for the Southborough Access Media Zoom integration. He explained the reason for the delay and the possibility of using ARPA funding to provide more locations for live meetings.

V. Consent Agenda

a. Mr. Stivers asked to hold agenda item "a." Mr. Stivers requested a change to line 104-105. Ms. Malinowski requested a change to line 41. Mr. Stivers made a motion to approve Open Session Meeting Minutes: July 22, 2021 as amended. Ms. Malinowski seconded. The motion passed all in favor (4-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Stivers, aye; Braccio, aye.

b. Ms. Malinowski made a motion to appoint Mead, Talerman and Costa, LLC as Labor Counsel. Mr. Stivers seconded. The motion passed all in favor (4-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Stivers, aye; Braccio, aye.

c. Ms. Malinowski made a motion to appoint the Recording Clerk for Selectmen meetings. Mr. Stivers seconded. The motion passed all in favor (4-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Stivers, aye; Braccio, aye.

d. Ms. Malinowski asked to put the approval of Executive Session Meeting Minutes: July 22, 2021 on an Executive Session agenda for the next meeting for revisions. The Board agreed.

VI. Other Matters Properly Before the Board

<u>Update on Halloran property access from MassDOT</u>

Mr. Stivers stated he has been in contact with the MassDOT Engineering Department and they are working on the issue. He added DPW Superintendent Karen Galligan has filed an access permit application through MassDOT and they have asked for additional information. She is now on a critical path to complete the information they have requested. He stated that the Town would not be infringing on the right of way which will help the momentum to gain access to the property. Mr. Stivers stated he will update the Board as he receives more information. Mr. Dennington asked for information regarding the location of this property and Mr. Stivers explained.

<u>Approve five (5) 1-day Alcohol License applications for Chestnut Hill Farm "Fall Fun on the Farm" events: October 3, October 10, October 17, October 24, October 31</u>

Chairwoman Braccio stated that the Trustees requested this item be deferred to October 5th. Mr. Purple summarized his conversation with Town Counsel which indicated that the applicant must demonstrate that the activities for these events are primarily educational and the sale of alcohol and food trucks are insular to those events. He added it does not appear that Trustees have demonstrated this but both Ms. Haden and Mr. Warren of the Trustees are unclear as to why the Board will not approve these licenses. Mr. Stivers stated that the concern is that the events are not an acceptable use to include alcohol. Mr. Purple stated the Board needs more information from the applicant and he will touch base with the Conservation Agent for her perspective. Mr. Stivers asked that the Conservation Commission weigh in on this topic at their next meeting.

<u>Closing the STM warrant for 11/1/2021</u>

Chairwoman Braccio asked for additional time and suggested a Tuesday morning meeting to review the warrant. The Board agreed to meet on Wednesday September 29th at 7:30 A.M. to close the warrant.

Ms. Malinowski gave an update on the Board of Health article regarding salaries and benefits. There was discussion regarding the order of the articles and the potential need for an additional article to propose a new zoning map for the Down District bylaw. The Board discussed their position for article two. Ms. Malinowski, Mr. Dennington and Mr. Stivers were in support of article two. There was discussion regarding timing and town meeting funding for Northboro Road. The Board agreed to move forward with this item to Special Town Meeting and to inquire with Town Counsel regarding an additional article for a zoning map change.

Office Hours for Town Counsel

The Board discussed the option of opening Town Counsel office hours to board and committees. There were concerns regarding circumventing the Town Counsel legal request form, the amount of time the discussions could take and losing control over legal requests. Ms. Malinowski suggested initially submitting a legal request through Mr. Purple and he could confer with Attorney Talerman as to whether an office hour discussion is appropriate. The Board agreed to move forward with this process for a few months and to then reevaluate whether it held value.

Remote Work policy

Mr. Stivers stated he had some minor edits he would send to Ms. Hale. Ms. Hale stated she received general feedback from department heads and most were happy this policy was being put in place. Mr. Dennington stated that the departure of Ms. Hoecker from the Planning Department was a prime example of why a remote work policy is needed. Mr. Stivers made a motion to approve the Remote Work Policy as presented and edited. Ms. Malinowski seconded. The motion passed all in favor (4-0-0) by roll call vote, Malinowski, aye; Dennington, aye; Stivers, aye; Braccio, aye.

VII. Public Comment

Tim Fling (18 Main Street) asked the Board to inquire whether the heavy vehicle exclusion request could be funded through the DPW road maintenance fund to expedite the process. Chairwoman Braccio replied that she will look into this.

VIII. On a motion made by Mr. Stivers, seconded by Ms. Malinowski and voted all in favor (4-0-0) by roll call vote, the meeting was adjourned at 9:45 P.M. Roll call Malinowski, aye; Dennington, aye; Stivers, aye; Braccio, aye.

Upcoming Meetings
October 5, 2021
October 19, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

From: Katie Barry
To: Kathleen Battles
Subject: RE: Request for Minutes - BOS Meeting 9/21/21
Date: Tuesday, November 9, 2021 12:50:19 PM

Good afternoon,

These minutes are on the Board's 11/16 agenda for approval.

Thank you,

Katie

From: Kathleen Battles
Sent: Tuesday, November 09, 2021 12:48 PM
To: Katie Barry <kbarry@southboroughma.com>
Subject: Request for Minutes - BOS Meeting 9/21/21

Southborough Town Code § 9-25 requires that minutes of each public meeting and the documents used at the meeting be submitted to the Town Clerk within 45 days of the meeting and that the Town Clerk notify the board or committee chair when that reporting requirement is not met.

I'm writing to advise you that as of today, the Town Clerk's Office has not received the minutes and documents used at the **9/21/21** meeting of the **Board of Selectmen.**

The Attorney General has determined that a document is considered to be "**used at a meeting**" when the document is:

- Physically present, and
- Identified by name, and
- Its contents are discussed at the meeting.

As a reminder, please submit the documents as individual files and ensure the name of **each separate file** matches how it is identified in the **Documents Used at This Meeting** section of the minutes.

Please reply to this email with your response which will be posted on the town website until the minutes and documents are received.

Please advise if you are unable to provide minutes for one of the following reasons:

1. The meeting was cancelled.
2. No meeting was held due to the lack of a quorum.

The meeting involved executive session(s) and the minutes for the executive session portion(s) cannot be released at this time. Note that minutes for the open session portion of a meeting must be released. Also, the board or committee must review any withheld executive session minutes regularly to ensure there is still a valid reason to withhold minutes from the public. We suggest you consult with Town Counsel on any matters concerning the release of executive session minutes.

Thank you, Kate

Kate Battles

APPLICATION FOR ONE-DAY ALCOHOL LICENSE

ALCOHOL AWARENESS SERVER TRAINING AFFIDAVIT

I hereby certify that I have read the Training Requirements for Liquor License Holders and Employees. I understand that failure to comply with this policy may result in the revocation or non-renewal of the license. Below is a current roster of my employees and the related alcohol awareness server training information.

*****NOTE: Copies of all original certificates MUST accompany this form. *****

The Trustees of Reservations, Chestnut Hill Farm
Company/Organization

D.A. Hayden — 8/31/21
Manager [Note: Manager training MUST be current] **Date**

Manager/Employee Name	Date of Hire	Type of Training [certification]	Date Valid	Date of Expiration
D.A. Hayden		AIM	N/A	5/15/22

Any applicant for a one-day liquor license shall, as a condition of their being granted the license, ensure that at least one person to be engaged in the sale/service of alcoholic beverages at their event has been certified in a program from the list of Board of Selectmen sanctioned programs. On-line ["e-training"] training is not an acceptable means of obtaining certification. A copy of their certification must accompany the application.

Listed below are the only programs currently available that meet the requirements of this policy approved by Board of Selectmen on September 17, 2013 [telephone numbers and contacts are provided as of date of policy]:

1. **ServSafe Alcohol** offered by the National Restaurant Association [www.servsafe.com/alcohol, then click on "Find a Class"]
2. **SAFE ID Check** offered by J.B.S. Professional Services, LLC [617-539-0118]
3. **Alcohol Intervention Methods [A.I.M.]** offered by Campbell/Trent [508-756-8542]
4. **Training for Intervention Procedures by Servers of Alcohol [TIPS]** offered by Health Communication, Inc. [www.gettips.com, then click on "Get Tips Certified, 'training session'" to find a class. NOTE: "Online training with eTIPS" is NOT ACCEPTABLE]
5. Approved for OFF-PREMISE sales license only: Beverage Alcohol Training [B.A.T.] offered by the Massachusetts Package Store Association [Mass Pack Contact: Frank Anzalotti 800-322-1383, or, to find a class, go to www.masspack.org/servertraining]

I understand that anyone holding a Special License must purchase alcoholic beverages from a licensed wholesaler/importer, manufacturer, farmer-winery, farmer-brewery or special permit holder. Purchasing alcoholic beverages from a package store is prohibited by the ABCC. A list of authorized sources to purchase alcohol can be found on the ABCC website www.mass.gov/abcc or you can contact the ABCC directly at (617) 727-3040.

Initial MH

I understand that the license holder must provide a Certificate of Liability Insurance with a liquor liability policy with $1M coverage, naming the Town of Southborough as the certificate holder.

Initial MH

I certify under penalty of perjury that I shall be responsible for the proper observance of all applicable Alcohol Control Laws of the State of Massachusetts, policies and regulations of the Town of Southborough, and conditions governing this license; all information contained in this application is true and correct; and this License is being sought for the exclusive benefit and use of the Non-Profit Sponsor and its members.

Initial MH

LIABILITY DISCLAIMER FOR ONE-DAY ALCOHOL LICENSES

By exercising the privileges of this license in serving persons with alcoholic beverages, the licensee is potentially exposed to significant liability for injuries and damages to persons served or to others who are injured or damaged by the persons served. Your acceptance and exercise of this license will be deemed to be acknowledgement that you are aware of this potential liability. You are encouraged to discuss the risks associated with exercising your privileges of the license and the precautions appropriate to avoid injuries, damage, and liability to others with your legal and/or insurance advisors. The Town of Southborough, and the Select Board as Local Licensing Authority, shall not be liable to the licensee or others if injury or damage shall result from the exercise of the license.

I, Michaela Hughes, in consideration of having been granted a special
(Event Manager/Applicant)
license for the service of alcoholic beverages, hereby agree to defend, indemnify and hold harmless the Town of Southborough ("Town"), its officers, boards, employees and agents, from any liability for any and all loss, damage, cost, claim, expense, compensation and cause of action arising out of, or in connection with, the issuance or exercise of the special license granted to me by the Select Board acting as the Town's Local Licensing Authority.

Michaela Hughes, 8/31/21

Event Manager/Applicant Signature Date

APPLICATION FOR ONE-DAY ALCOHOL LICENSE

REQUIRED FORMS TO SUBMIT WITH APPLICATION:

☒ Completed license application with cash/check

☒ A Certificate of General Liability Insurance with a Liquor Liability for $1M, naming the Town of Southborough (17 Common Street, Southborough MA 01772) as Certificate Holder*

☒ Completed 'Alcohol Awareness Server Training Affidavit' form, including copies of training cards

☒ List of designated drivers to be available for transporting attendees considered unable to drive

IF APPLICABLE:

☒ Invitation/flyer/letter of explanation regarding event

☐ Proof of non-profit status (for 'All Alcohol License' only)

*Voted May 18, 1993: To maintain the policy that was put in effect October 25, 1988 with the stipulation that the Board of Selectmen does have the authority to waive the requirement for a one-million-dollar insurance policy if it is so voted by a majority of the Board.

GUIDELINES:

- Application for Special One-day License must be submitted at least 30 days prior to event
- A police detail may be required, depending upon the number of people and the event. *It is the applicant's responsibility to contact the Southborough Police Department prior to application submission: 508-485-2147*
- Events can only be held on day and date approved on license. No refund is possible after a Special One-Day License has been issued. Rain dates for events must be noted on the application prior to approval. If no rain date is listed, the event cannot be held on date other than date specified.
- Special One-day Licenses can only be issued for events occurring between 11:00 a.m. – midnight on Monday – Saturday, and noon - midnight on Sundays.
- License must be posted in the most conspicuous place at the location of event
- DO NOT allow anyone to bring their own alcoholic beverages to your event
- A one-day license CAN NOT be granted to:
  - any person for more than a total of 30 days per calendar year
  - any person that has an on-premises annual license application pending
  - any premises that has an alcoholic beverages license.

DESIGN GUIDELINES: PURPOSE

The overall goal and purpose Southborough's Downtown District Design Guidelines is to support the revitalization of the Downtown through the design of attractive buildings and public spaces that will enhance, protect and promote Downtown Southborough's historic small town Main Street identity and character, create a sense of place through preservation and desirable development, bring people to the district, and generate an active and vibrant pedestrian environment. These guidelines are intended to assist property owners, proponents, architects, and landscape architects with project planning by providing the guidance on the Town's expectations for the design of development, redevelopment and rehabilitation projects in the Downtown District and will provide the Planning Board with criteria for the review and evaluation of projects proposed in the Downtown District during the site plan review process. These guidelines are intended to supplement the Town of Southborough's zoning regulations for the Downtown District 174-8.12. and Site Plan Approval 174-10 and articulate the following design objectives:

1. Strengthen the character of Downtown Southborough as the focal point of a prosperous rural New England community and as a destination for shopping and services
2. Encourage village-style streetscapes
3. Encourage a vibrant environment to live, work and play, and create pedestrian and bicycle-friendly spaces where the community can gather
4. Preserve existing historic structures whenever possible and to restore and retain original architectural features of historic buildings (guidance of what would be historic structures, specific buildings or built before date?)
5. Renovation, rehabilitation, and adaptive reuse are generally preferred to the demolition of old historic buildings.

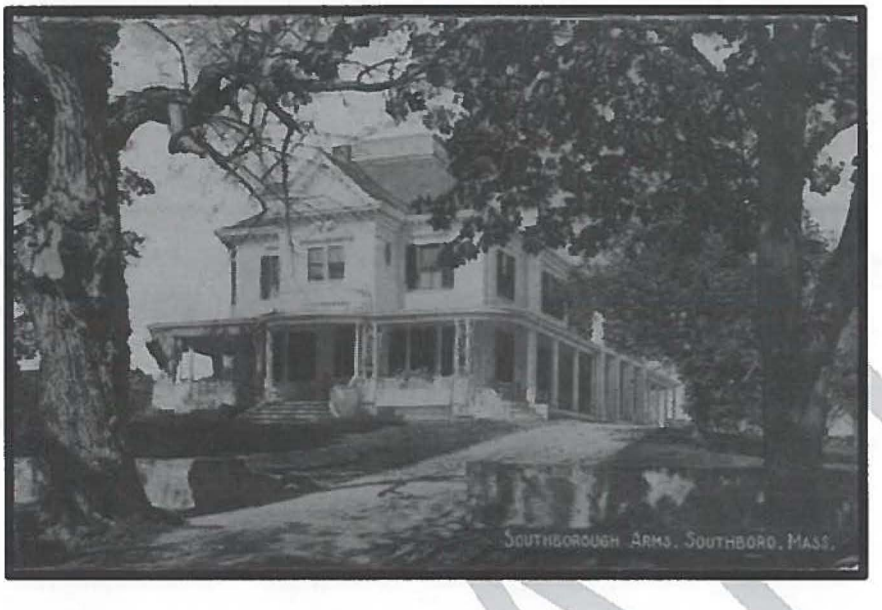
This workbook is not intended to substitute for the requirements of the established Zoning Bylaw. **In the case of any actual or perceived conflict between the contents of these guidelines and the Southborough Zoning Bylaw, the Bylaw is the binding regulation.**

These guidelines have been compiled as a joint effort with representatives of the Board of Selectmen, the Planning Board, the Economic Development Committee, and the Historical Commission; with the intention that they be periodically updated to reflect technological or other advancements in best practices.

DRAFT

DESIGN GUIDELINES: MAP

Replace with final map of Downtown District Zoning



DESIGN GUIDELINES: PROCESS/SUBMITTAL MATERIALS

The proponent must submit the proposed project for design review as part of the site plan approval or special permit with site plan approval process. Submittal requirements for projects in the Downtown District shall be in accordance with Southborough Zoning Bylaw Site Plan Approval 174-10 or 174-10.1 if special permit with site plan approval. In addition, Submittals must also include floor plans and architectural elevations of all proposed buildings and a schedule of all exterior materials and colors.

DRAFT

SOUTHBOROUGH HISTORIC PROPERTIES

There are some extraordinary buildings within the Downtown District with outstanding design qualities that make them representative of their time and period style of architecture. It is to these buildings that we can refer as models and fine examples of good design, from which we can derive lessons and inspiration.

Given the historic nature of Southborough's downtown, existing structures of historical or architectural value should be preserved wherever possible. Alterations to the street facades of historical structures should be minimized and incorporate measures to protect and preserve the historic character of the structure. Proponents should refer to the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings and should adhere to these guidelines as closely as possible in projects involving historic buildings.

The architectural character of new buildings should respect the character of adjacent, existing historical buildings in the Southborough National Register District, and utilize traditional facing materials, paint colors, window, and door designs to harmonize with adjacent buildings.

OVERALL GOALS AND ORGANIZATION

These design guidelines are intended to provide for a coherent and attractive business and civic environment in Southborough's Downtown Business Village District. They are intended to apply to those portions of buildings that can be seen from public vantage points and apply to the interior of buildings only to the degree that this influences the appearance from the streets or sidewalks. Overall goals include the following:

- Restore and protect the historic character – Southborough has multiple buildings that have historic merit, and represent the architecture of past eras and the historic culture of the town. These guidelines seek to preserve characteristics that are genuine and remain, and to restore historic characteristics once associated with existing buildings where they can be reasonably and practically restored.
- Enhance downtown Southborough as a commercial area - Downtown Southborough contains multiple service and retail businesses. As such, the guidelines promote a consistently high quality that will be attractive to visitors and patrons of the area.
- Reinforce Downtown as a civic place - Downtown Southborough serves its residents as a civic center, and contains public uses in addition to the businesses and residences. As such, the downtown center should have an attractive appearance and display the unique qualities of its past and present.

These guidelines are organized into subsections that address design elements and components within the Downtown District. The information within each subsection contains specific intentions and directions for new designs or renovations, along with pictures illustrating desired outcomes.

DRAFT

I. Building Placement and Orientation

Guidelines

- The principal entrance(s) to the building must be clearly articulated using architectural detailing and shall be on the front façade, which shall face the street according to Section 174-8.12 G (1).
- For residential buildings in the Downtown District, the front entrance must be defined by at least one of the following: a porch of at least 6 feet in width and depth, pent roof, roof overhang, hooded front door, or similar architectural elements.
- The maximum distance between street-level entrances in a single building shall be 35 feet unless waived by the Planning Board in compliance with Section 174-8.12 G (2)
- To create a unified and defined street and facilitate public pedestrian access, a consistent alignment of buildings is encouraged. The front building line must be within the minimum and maximum front setbacks established in the Zoning Bylaw Section 174-8.12 F (3) (a) and (4) and should be sensitive to the placement of adjacent buildings.

ALLOWED

NOT ALLOWED

DRAFT

II. Building Massing

Guidelines

- Articulation of massing and the ground level of a building along its primary street frontage should visually anchor the building and provide human-scaled elements that improve the pedestrian environment.
- Building massing should be consistent with the surrounding environment and within the floor area ratio (FAR) and height requirements of Section 174-8.12 F (5) and (8) of the Zoning Bylaw.
- Domestic scale should be produced through massing devices such as breaks in wall and roof planes and through design of architectural features. Upper stories may be set back, treated with a different material, or incorporated into the roofline, to diminish building mass or to make a building more compatible with the design of adjacent buildings.
- There should be some element of consistency with any buildings on abutting premises facing the same street, such as consistency in eave height, wall materials or window proportions.
- The building façade should clearly define commercial ground-floor spaces, where they exist, and differentiate through articulation the ground floor from residential or office spaces on the stories above.

ALLOWED

NOT ALLOWED

III. Setback and Green Space

Aesthetically pleasing landscaping with visual interest such as mixed flowers and plantings are encouraged. Maintenance of landscaping should be ongoing to create a consistent curb appeal. Existing zoning in the Town Bylaws regulate Setbacks and open space as referenced below.

Guidelines

- Landscaping is required per Sections 174-8.12 F (6) and 174-13
- Minimum front, side, and rear yard setbacks are established in Sections 174-8.12 F (3) and (4)
- A minimum of 20 percent of the site must be left as landscaped open space
- Abundant, well chosen, and well-maintained planting and landscaping should become a notable theme to be reinforced throughout. In the Downtown District, outdoor gathering places close to open spaces, shops, and residences should provide benches, and plantings that reflect the natural surroundings
- Landscaped open space should be designed to be visually and physically accessible to the extent feasible and should enhance the visual impact of the project and adjacent properties. At least 50 percent of the minimum landscaped open space shall be contiguous and located between the front building line and front lot line 174-8.12 F (6)
- The use of native species of trees, shrubs, vines, groundcovers, and perennials is encouraged in order to make gardens compatible with the existing wildlife habitat and its regional context.

ALLOWED

NOT ALLOWED

IV. Exterior Materials

Use of materials traditionally found and historically utilized in Southborough are required in the district. This includes an emphasis on wood, masonry, brick, stone accents, and wood clapboard finishes for renovation or new construction. Exterior materials should be consistent with the historic style used to compose the façade.

Guidelines

- Consistent use of a dominant building material for the façade is encouraged, rather than multiple materials, such as brick and clapboard combinations.
- Imitation materials, such as vinyl siding, plastic tile roofing, or brick veneer are prohibited.
- Durable, eco-friendly materials should be used whenever possible
- Materials used to patch or repair existing façades should match original materials. If metal is used, it should be appropriate to the building, and convey a sense of quality.
- Plywood or other wood panel sheathing materials should be avoided unless incorporated as a panel within a frame, durable for exterior use.
- Minor decorative elements, such as façade ornaments, or small accents can be of any rigid, durable material in harmony with the façade.
- Downspouts and gutters should be of a material and color compatible with the building walls. If the building is historic, the style of downspouts and gutters must conform with the original character of the façade.
- Flashing materials should not be conspicuous. In the case of historic structures, traditional flashing materials such as copper may be appropriate and are encouraged.
- Repointing of brick or other masonry façades should employ grout materials and tooling that are appropriate to the architectural style of the building.
- The colors of exterior materials are required to complement the surrounding area. No bright colors.

ALLOWED

NOT ALLOWED

DRAFT

V. Façade Design/Entrances

Building and façade designs should be harmonious with the immediate neighbors and historic site organization within the Downtown District, with primary orientation towards the street, and doors and storefronts facing the sidewalk. Façades and visible roofs should strive to be visually interesting and attractive along areas that will be seen by the public. Façade improvements, in general, should respect a building's original style where the building is historic, or where the original building design is of high quality and distinctive character.

Previous renovations that have taken place over the course of time are sometimes evidence of the history of a building and its environment. If these alterations have acquired their own significance, they should be respected. A unified architectural style should be determined for each project and used consistently for all elements of the building wall and roof. Building doors and windows should be consistent in proportion, size and configuration with the architectural styles that are determined to be appropriate for the building.

However, in the case of a use that is housed in multiple buildings, the underlying integrity of each building should be preserved to the extent that historic qualities remain.

Where rear parking is provided, the provision of secondary rear entrances and pleasing rear facades is strongly encouraged. The design of the rear entrances and facades should be appropriately detailed to provide an attractive appearance but should not be overly embellished to compete with the main storefront.

Where a new building is to be located on a corner, each side visible from a street should be considered a primary storefront facade and incorporate these fenestration patterns, unless doing so would unduly obtrude into a primarily residential street.

Guidelines

- Distinguishing original qualities and features of a façade should be preserved; elements that make a building special should be identified and preserved to the extent commercially reasonable.
- Façade design should take into account the locations and proportions of the façade elements and signage bands of adjacent buildings.
- Façade colors should be complementary to the natural materials used on a building and to the buildings adjacent to it.
- The palette of colors used on a building should be in accord with the materials of the building façade.
- Generally muted tones and colors are appropriate for most façade materials except for trim and special storefront elements and signage.
- The use of historic colors in the renovation or replacement of historic elements is highly encouraged. Lists of historic color suppliers are available at local historical organizations and the Society for the Preservation of New England Antiquities.
- Blank walls without any visual content or interest should be avoided along pedestrian sidewalks and parking areas, and on front façades in general.
- Individual buildings and their storefronts should appear distinct, even when a single use spans multiple storefronts.
- Historic roof forms should be retained or restored. Additions should have roof forms that are compatible with the forms of the building to which they are attached.

DRAFT

VI. Storefront Design

Storefronts refer to those portions of the façade that directly relate to the street and the commerce inside. Most commercial façades consist of an architectural framework designed intentionally for one or more storefronts to occur. The expression of the storefronts should respect the framework and not expand beyond it. Storefronts should be consistent in style with the building architecture, provide clarity and interest to the façade, provide for a high level of transparency, and be harmonious with other adjacent storefronts. It is also important that the distinction between the storefront and the rest of the façade is maintained. Storefront display windows that display products or services, signs with the name of the organization, local business logos, hours, public service messages or displays, or views to an activity in which people are involved frequently during hours of operation are encouraged.

Guidelines

- Primary entrances should be largely transparent, as was traditionally the case with storefront design. This will promote a sense of welcome and safe access.
- Where a storefront does not serve a retail use and transparency is not practical, window treatments should be employed to create an attractive appearance.
- A horizontal band or frieze that serves as a signage band should be incorporated at the top of storefronts.
- A base panel and sill course design is traditional for most, although not all, storefront styles. Where it is appropriate for the existing or proposed architectural style, a base panel and sill course should be provided.
- The base panels and sill course should continue across the entire width of the storefront bay and terminate at doors or the vertical elements framing the bay.
- The base panel and sill course should be 24" or lower, measured above the sidewalk. y Incorporating a glazed transom above the door is encouraged when storefront heights are sufficient to allow for it. This could be used to display the building address.
- Storefront window transoms should be consistent with door transoms.
- Transparent storefronts are not necessary for some businesses, such as professional offices. Nevertheless, it is recommended to maintain substantial storefront glazing and provide attractive window treatments rather than opaque panels in order to avoid blank façades along the sidewalk.
- Items should not be placed in storefront windows that block views to internal activity, such as the backs of display cases, unless they are part of a display to the outside sidewalk or street.
- Storefront lighting should be confined to highlighting signage and the window display itself. Lighting that attracts attention to itself should be avoided.
- The use of seasonal planters and window boxes to adorn storefronts and entrances is highly encouraged.

ALLOWED

NOT ALLOWED

DRAFT

VII. Pedestrian & Cycle Access

Projects should be designed to provide efficient and safe pedestrian circulation within the site. Pedestrian connections are required between focal points of pedestrian activities such as sidewalks, parking areas, public spaces, and building entrances. Where possible, pedestrian linkages should be made to adjacent properties. Pedestrian walkways should be integrated into internal landscaping wherever possible.

In locations not currently served by a public sidewalk, projects should provide a sidewalk at in compliance with state and local ADA regulations or other accessibility documents, located between the principal entrance facing the street and the road right-of-way.

Parking areas should include a bike rack to allow for safe and secure storage of bicycles.

ALLOWED

NOT ALLOWED

VIII. Doors and Windows

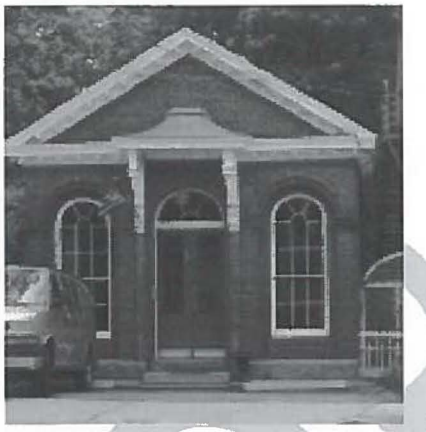
Architectural detail should be incorporated into the ground-floor facade to create an easily identifiable and welcoming entrance. As one of the most important parts of the facade, the main entrance should be clearly identifiable. Doors and entryways should follow a traditional storefront design (usually recessed) and should be compatible with the architectural style of the structure. The entrances should also address the primary street or pedestrian pathway. Windows and glass portions of front doors should be clear, non-mirrored, non-opaque glass.

Windows should respect spacing and size patterns appropriate to the architectural style that is chosen for either renovation or new construction. In general, multiple smaller window openings are preferred for upper stories of buildings. Lower story windows should be appropriate to the uses behind them, but transparency and indication of activity are important.

Fenestration (the arrangement of windows on a wall) should be architecturally related to the style, materials, colors, and details of the building. Windows and door openings should be proportioned so that verticals dominate horizontals. To the extent possible, upper-story windows should be double-hung type and vertically-aligned with the location of the windows and doors on the ground level, including storefront or display windows. Upper stories should incorporate window patterns and designs that are compatible with and complimentary to existing upper-story window patterns in the district.

First-floor window and display design should create a feeling of transparency on the ground floor of the building. This contributes to a sense of safety and is welcoming to pedestrians. The viewing zone of the first-floor facade should be made up of approximately 75% transparent non- reflective glass. Window displays are encouraged, but visibility into the building from the sidewalk should be maintained.

With the exception of retail storefronts, modestly scaled, vertically proportioned windows articulated with muntins (dividers of panes of glass) are most appropriate to the local building vernacular. Shutters are also an appropriate element to include on windows.



Guidelines

- Street numbers should be located near the front address and be of adequate size and distinctive color to be visible to the passing motorist.
- The street number should not be located so that it is obscured when the front door is open.
- Any special loading and service entrances should be screened from streets, other public ways, and adjacent properties, and their visual impact minimized.
- Unused entrances should be transformed into other architectural elements appropriate to the architectural style of the building, such as a store window.
- Entrances should meet the requirements of the Massachusetts Architectural Access regulations.
- Historic door material and hardware should be restored or repaired where possible. Repair should match existing size, species, profile and configuration.
- Divided lite doors or side lites should be employed only if appropriate for the style of the building façade.
- Whenever possible, the original window patterns of a building should be restored or retained; avoid blocking, reducing, or changing any original and appropriate pattern of windows when renovating older buildings.

DRAFT

- An individual, "punched" window expression rather than continuous horizontal or vertical "strip" windows is encouraged whenever possible and appropriate to the building style.
- Larger scale windows should be used at the ground level.
- Transparent glazing should be used, and reflective or dark tinted glass avoided.
- Opaque panels, such as painted metal or spandrel glass, should not be used to replace vision glazing in windows.
- Where ceilings need to be lowered below the window head, a ceiling soffit should be provided between the lower ceiling and the window head that allows the vision glass to be full height.
- Shutters should be employed only if they are consistent with the architectural style of the façade. Shutters should not be employed with casement-style windows, bay windows, or broad picture or display windows.
- Repairing existing historic windows with in-kind materials is preferable to replacement. When existing historic windows are irreparable, replacement windows should replicate existing historic window details.

ALLOWED

NOT ALLOWED

DRAFT

IX. Signage

Signage must comply with Section 174-11 of the Southborough bylaws. In general, the number of signs on a façade should be kept to the minimum necessary to effectively communicate the messages being conveyed.

Guidelines

- Signage should employ colors and type face that complement the primary architectural style of the building.
- All signs should be of durable materials compatible with the materials of the building served.
- Plastic in general is not recommended for use in a historic center.
- In a multiple storefront building, the signage should be of a size, location, material and color that relates harmoniously between bays.
- Freestanding signs should generally be limited to buildings that have a significant setback or are otherwise not visible from the street or sidewalk, or where other signage is not appropriate to the architecture.

DRAFT

X. Awnings

Awnings, canopies and marquees with a traditional design and appearance are encouraged as façade elements, especially when they serve to protect pedestrians from the sun and rain, provide a secondary location for signage, or add color and interest to building storefronts and façades. Awnings should reflect the overall façade organization and storefront locations of a building. Traditional and simple shapes are encouraged, rather than unusual profiles.

Guidelines

- Awnings on a multiple storefront building should be consistent in character, but need not be identical. y Awnings should be located within the building elements framing storefront openings.
- Awnings of a round or bullnose shape should be avoided unless used for a single door or window opening that is not part of a framed storefront.
- The rigid framework for awnings, canopies or marquees should be no lower than 8 feet above the sidewalk under it. Suspended fabric panels of awnings should be no lower than 7 feet above the sidewalk
- Awnings made of soft fabrics such as canvas are encouraged, unless replicating prior historical features.
- Backlit awnings should not be used.

DRAFT

XI. Lighting -SH

Lighting must be appropriate to the building's architectural style. Building lighting must comply with Section 174-12.1 Outdoor Illumination of the Southborough bylaws and the Rules and Regulations adopted by the Planning Board.

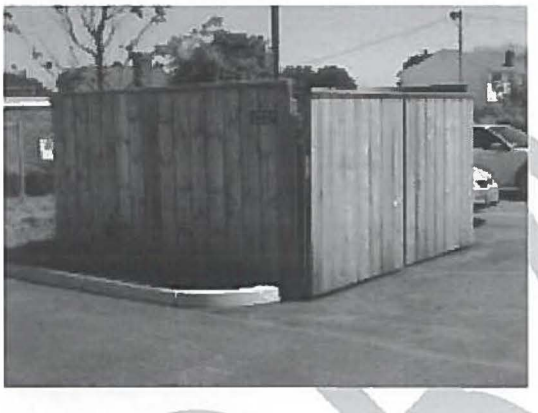
Guidelines

- Historically appropriate lighting should be applied to match the building type and style.
- Building lighting should provide an even illumination level while operating. Flashing, pulsating or similar dynamic lighting is prohibited.

ALLOWED

NOT ALLOWED

DRAFT



XII. Utilities and Mechanical Equipment -SH

Components of building mechanical, electrical and plumbing systems must be concealed from view wherever possible. Exposed storage areas, machinery, garbage dumpsters, service areas, truck loading areas, and utility buildings must be screened from the view of abutting properties and streets using plantings, fences, and other approved methods.

Guidelines

- Rooftop mechanical equipment should be completely screened by the building parapet
- Air conditioning units should not be placed into windows or any other openings visible from the street.
- Units located in non-window openings are appropriate if they are screened with a grille within the storefront or façade or building wall.
- Screening of utility feeds and metering devices from public view is encouraged when appropriate.

ALLOWED

NOT ALLOWED

DRAFT

XIII. Parking

It is important to create an inviting pedestrian environment, while offering convenient parking, accessible to all individuals.

- Parking should be placed on the rear side of the building and should not be located closer to the front lot line than the principal structure.
- When an existing building with an existing front parking lot is significantly renovated, proponents should explore opportunities for mitigating the impact of the parking on the streetscape, including adding landscaping or architectural design elements, or, if feasible, moving the placement of the building to allow for rear parking.
- Parking facilities with more than five (5) parking spaces should be bordered on three sides with a landscaped buffer incorporating natural vegetation where possible.
- All commercial parking areas including more than five (5) parking spaces shall also include bicycle parking facilities.

TOWN OF SOUTHBOROUGH

BOARD OF SELECTMEN Meeting Minutes

Meeting Date: Tuesday, July 22, 2021, 6:30 P.M.
Location: McAuliffe Hearing Room, 17 Common Street, Southborough, MA
Present: Lisa Braccio, Chelsea Malinowski, Andrew Dennington, Marty Healey, Sam Stivers and Town Administrator Mark Purple

I. Chairman Braccio called the meeting to order at 6:30 P.M. and read the following statement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §18, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Southborough Board of Selectmen will be conducted via both in-person and remote participation to the greatest extent possible. Members of the public and/or parties with a right and/or requirement to attend this meeting may do so in-person. They also may watch or participate in the meeting remotely by finding the meeting at: https://www.southboroughtown.com/remotemeetings. Specific information and the general guidelines for remote participation can be found on the Town of Southborough's website, at https://www.southboroughtown.com/. In the event that, despite best efforts, the public is not able to access the proceedings in real time via those technological means, we will post on Southborough's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

II. **Public Comment**

None

Reconsideration of Senior IT Specialist job description

Chairman Braccio moved this agenda item and explained to the Board that the MTC and Mr. Montijo made joint changes to the description. She added that Ms. Rosenbloom had a revision and told the Board that all parties agree with the job description as presented. Mr. Stivers made a motion for the reconsideration of the Senior IT Specialist job description. Mr. Healey seconded. The motion passed all in favor (5-0-0). Mr. Healey suggested that vote should be two steps. Mr. Stivers made a motion to accept the Senior IT Specialist job description as amended. Mr. Healey seconded. The motion passed all in favor (5-0-0).

III. **Scheduled Appointments**

Town Counsel Jay Talerman – Demolition Delay bylaw

Chairman Braccio asked for clarity on procedures regarding §63-3 (G) and §63-3 (H) of the Town of Southborough Town Code. Attorney Talerman stated that §63-3 (H) does not outline any additional time outside of the nine-month delay period. He added the provision allows the demolition prior to the end of the nine-month period if the Commission agrees the home cannot be saved. He added that this provision allows the demolition to proceed early if the Commission is satisfied that the homeowner is continuing their preservation efforts. He stated that section H is an exception to the nine-month period and does not add any time or contingencies to the bylaw. Attorney Talerman stated that most municipal attorneys are mindful that nine-months is an elongated timeframe and many are uncomfortable with bylaws such as these. Mr. Healey added that he has looked extensively at other demolition delay bylaws throughout the State and many are a two to three-month process and most grant a decision prior to the lapse of timeframe. Attorney Talerman agreed. Annie Pfaff

(50 Oak Hill Road) a Historical Commission member asked for a clear definition of bonafide and reasonable efforts as described in the bylaw. Attorney Talerman stated that the bylaw reads that if the Commission is satisfied the homeowner has done all they could to preserve the home, they could grant a permit prior to the nine months. He gave examples of when this could occur. Mr. Healey stated that language had been imported into other documents that gives a broader scope to the Commission to deny the permit altogether. He added that the Commission could not deny the permit.

Jim Blaschke (69 Sears Road) a Historical Commission member asked Attorney Talerman to opine regarding requiring a homeowner to put their home on the market to shorten the nine-month delay window. Attorney Talerman explained that the bylaw is a delay and the Commission cannot deny a permit. He added that the fact sheet that was adopted gave the Commission more jurisdiction as if they were handling a property in a Historical District. He said that requiring a homeowner to put their house on the market is not only unusual but likely illegal. Attorney Talerman stated that this could open the Town up to regulatory taking and explained. Chairman Braccio outlined the fact sheet and rules and regulations adopted by the Commission and outlined an opinion from Attorney Cipriano. She asked Attorney Talerman to give guidance as to the Commission's authority. Mr. Healey stated that it needs to be clear that these documents can no longer be used as they are inaccurate and potentially contain illegal information. Mr. Dennington asked if there was a process for adopting rules and regulations for any board and committee. Attorney Talerman explained that there is no clear process for boards to adopt rules and regulations in Massachusetts. He added that they cannot add regulations that are stricter than the bylaw. There was discussion regarding the creation of a process for adopting rules and regulations. Attorney Talerman outlined some potential conflicts with this and he and Mr. Dennington gave some suggestions regarding simple processes that could be made.

There was discussion regarding the three Historical Commission documents. Attorney Talerman stated that the fact sheet must be rewritten. He added that the idea of a flow chart for homeowners of historical properties is very helpful and the content needs to be reworked to be consistent with the bylaw. Mr. Stivers agreed that the Historical Commission Rules and Regulations also must be rewritten and suggested an internal flow chart be created for the Building Department and Commission. Attorney Talerman stated that the guidelines for the Building Commission should be clear and free or discretion as the Historical Commission holds all discretionary power. He added that the steps for the Building Commission should be mechanical only.

Mr. Healey made a motion to have Town Counsel continue to complete and review the three documents listed as follows: Q & A one-page sheet, the three-page Fact Sheet and the two-page document entitled "demo Delay Bylaw Southborough, MA," to advise the Historical Commission to cease the use of these documents and for the Board to instruct the Town Clerk to remove the three-page document from the website. Ms. Malinowski seconded. She asked if the Historical Commission had any comment regarding the motion. Ms. Pfaff requested the mechanical aspect of the Building Department to include checks and balances. There was discussion regarding Middle Road. The motion passed all in favor (5-0-0). Attorney Talerman stated he will work with Mr. Purple and the Commission to move forward. Mr. Healey encouraged Town employees and boards and committees to attend Attorney Talerman's Office Hours held the third Wednesday of every month from 10:00 A.M. – 12:00 P.M.

IV. Consent Agenda

a. Mr. Stivers made a motion to reappoint Jamie Mieth to ZBA, Alternate Member, term 6/30/22. Mr. Healey seconded. The motion passed all in favor (5-0-0).
b. Mr. Stivers asked to hold agenda item "b." Mr. Stivers pointed out typos on lines 45 and 223. Mr. Stivers made a motion to approve Open Session minutes: May 10, 2021 as amended. Mr. Healey seconded. The motion passed (4-0-1). Mr. Dennington abstained.
c. Mr. Healey asked to hold agenda item "c." Mr. Healey thanked Ms. Esposito for her work creating a beautiful proclamation to recognize India's Independence Day on August 15th. Mr. Healey made a motion to approve and adopt the proclamation for India's 75th Independence Day. Mr. Stivers seconded. The motion passed all in favor (5-0-0).
d. Mr. Healey made a motion to approve January 1, 2022 as implementation date for Meals Tax. Mr. Healey seconded. The motion passed all in favor (5-0-0). Mr. Dennington asked about the process for implementation of the meals tax. Mr. Purple stated that the Town Clerk will communicate with the Department of Revenue of the vote the Board has taken and the date of implementation. The Town then informs the Department of Revenue with a list of establishments that will be impacted. He stated that the DOR then contacts those establishments outlining the details of implementation and provides a list of items to do to prepare. He believes there will be an approximate three-month delay in revenues and the Town will see their first most likely in April.

V. Other Matters Properly Before the Board

Appoint Noise Bylaw Ad-hoc Committee, terms 6/30/22:

i. Five (5) At-Large resident volunteers

Chairman Braccio stated she had many conversations with residents who were unaware of the creation of this committee. She suggested that the Board continue with outreach and postpone the appointment of committee members until September. She added that she was unsure if the balance of applicants regarding restriction was achieved. Ms. Malinowski stated that she felt that the charge lacked any specification on holding public forums and suggested modifying the charge. She added that she also has concerns that there was a lack of outreach to the public regarding filling the committee. Mr. Healey stated that if there is any discomfort in appointing this evening, he is in favor of postponing until the September meeting. Mr. Stivers agreed. Mr. Dennington stated he felt that the committee was being created to submit a recommended draft bylaw that the Board could then modify as needed. He added it would be a challenge to find the perfect balance of committee members. Ms. Malinowski stated that she is hoping for a more finalized draft that satisfies the majority of residents in Town. She suggested submitting a simplistic noise bylaw that consists of hour limitations only for Fall Town Meeting in order to alleviate some short-term noise issues among residents.

Jake Hashash, a committee member candidate informed the Board that five of the interviewees from the previous meeting spoke and had come to an informal agreement of what they felt was a fair and simple noise bylaw that would not be too restrictive. He added that he felt that there could be appointments made this evening to continue to move the process forward. Chairman Braccio stated that the decision to wait for appointment is in no way a reflection of those interviewed. She added for the sake of transparency and resident awareness, the Board felt this was the right thing to do. Mr. Healey made a motion to table further discussion on the appointment of the Noise Bylaw Ad-hoc Committee with the idea of revisiting at the first meeting in September and to review the charge on the August 17th meeting. Mr. Stivers seconded. The motion passed all in favor (5-0-0).

Downtown District bylaw update

Chairman Braccio updated the Board on the latest Planning Board public hearing held for the Downton District bylaw article. She stated that the zoning map was the main topic of discussion. She summarized suggestions and feedback from residents in the area. Ms. Braccio stated that Planning Board Chairman Don Morris suggested a joint meeting be held between the Planning Board, Board of Selectmen and EDC to move forward with the zoning map. She said she reiterated to the Town Planner that all concerns, questions or discussions of the article should be held during the public hearings. Mr. Stivers stated that the EDC had made suggestions regarding the map at their meeting that he felt would make the district more buildable. He asked that those suggestions be forwarded to the Planning Board before their next hearing. Mr. Dennington stated that he attended the hearing and he was happy to see progress being made. He added that he is more optimistic that the bylaw will be endorsed by both the Board and Planning Board.

VI. Public Comment

Chairman Braccio moved this item to accommodate for Mr. Parry who has been in attendance waiting to speak. David Parry (22 Main Street) handed out a statement to the Board members. He read the statement to the Board as included in the packet. Chairman Braccio stated the Board took a position to not expand the zoning map for the Downtown District bylaw. She added that the public hearings are where the public can voice their opinion. She added that simply because there is a lot of feedback on the zoning map, does not mean it will change. Chairman Braccio said that as it stands today, she has no intentions of expanding the map in the future. Mr. Parry stated that he felt the position of the Board is not clear on this issue for residential Main Street west of downtown. Chairman Braccio stated she will forward Mr. Parry's statement to the Planning Board.

<u>Goal setting for FY22 for Board of Selectmen</u>

Chairman Braccio thanked Mr. Healey for updating the goal list with the Board's progress and felt it proves that this process works. There was discussion regarding the currently in-progress goals and which to update and remove. The Board agreed to remove the Regional Dispatch item and invite the Chiefs to an upcoming meeting for an update. The Board agreed to remove any goal that has been completed. There was discussion regarding the item to provide Town water for the fire department at Pine Hill Road. The Board agreed to make updates to the current list and spoke about the current and future financial software for the Town.

Mr. Healey outlined his goals which included following up with the ADA consulting report, creating a committee regarding the creation of a Senior/Community Center, planning for the tricentennial, creation of bike paths, the Golf Course Committee items and follow through with the proposal for a history walk in Town.

Ms. Malinowski outlined her goals which included a continued plan for ARPA funding, follow up on the ADA Consulting report and identifying long-term projects and potential bonding, continued focus on financial transparency and she suggested adding a name change from "Board of Selectmen" to a "Select Board" to the fall town meeting warrant.

Mr. Stivers stated he was happy to see an overlap on this list. He outlined opportunities to use federal funding for larger projects, would like to work towards a continued effort to increase affordable and diverse housing, investing in the opportunity to create a Community Center/Recreation Center and focusing on neighborhood parks such as Maplecrest. Chairman Braccio added that there is Town owned land that could be utilized by the Trails Committee such as

property on Liberty Drive. Mr. Stivers agreed and stated that the Board should continue to focus on ARPA funding.

Mr. Dennington stated that he felt that prioritizing ARPA funding should be first on the list of goals. He added that the Board should consider big infrastructure goals for this funding while continuing to understand deadlines and processes. He added that his other goals are to finish the Downtown Initiative, follow through with the IT work underway and implement best practices, create a process for Town boards to implement rules and regulations and assist in the perpetuation of town initiatives laid out in the Master Plan upon completion.

Chairman Braccio outlined her goals to include providing training and resources on open meeting law to new volunteers, focus on revamping Route 9, instituting a yearly resident survey, bringing in boards and committees to more meetings for updates, and cleaning the Town House basement of old records. Mr. Purple stated that as part of the First Community Compact, a plan was created to address the records in the basement but there was no funding to implement the plan. He added funds have not yet been found to do so. Chairman Braccio described the current status of the basement and asked that the tools be provided to ensure the basement is cleaned and all records that need to be stored are protected/scanned and those that do not be removed.

Mr. Healey agreed to update the goal list and include the new goals discussed tonight to be provided at a future meeting.

VII. On a motion made by Mr. Healey, seconded by Mr. Stivers and voted all in favor, the meeting was adjourned at 9:01 P.M.

Upcoming Meetings
August 17, 2021
September 8, 2021

Respectfully submitted,

Kathleen Barry, Recording Secretary

TOWN OF SOUTHBOROUGH
REMOTE WORK POLICY

Background:

This Remote Work policy was developed as the result of the COVID-19 pandemic which has had a significant impact on how the Town conducts business and serves the public. The Town, similar to many private businesses and entities has had to rethink how it operates following the sudden shift of some departments to remote work as a result of the COVID-19 pandemic and Governor Baker's public emergency declaration. That, coupled with the fact that many Town employees continue to grapple with the effects of the pandemic, has led to the development of a Remote Work Policy.

Work-from-home or remote work policies are traditionally viewed as a strategy to provide more flexibility or a work-life balance options for employees. However, the Town believes that moving forward and post-COVID-19, providing a remote work option, when possible, can increase employee productivity and satisfaction, help recruit and retain talent, save employees hours spent commuting, address office space needs and significantly reduce the Town's workforce carbon footprint.

Policy:

This policy establishes guidelines for administering and evaluating remote work requests or assignments. The option to work remotely allows employees to work from home or another location on a part-time or intermittent basis. It is expected that most remote work arrangements will permit a portion of an individual's hours to be conducted off site and not every employee will have the ability to work remotely due to their specific job responsibilities or work productivity. The ability to work remotely is not an entitlement or benefit of employment. *It is an alternative means of meeting the needs of the Town outside of the office.* In some cases, employees may be mandated to work remotely to ensure continuity of operations in the event of an emergency such as inclement weather, a pandemic, a lack of available space, or under other extenuating circumstances. While remote work provides some flexibility in an employee's schedule, the remote work arrangement is not designed to be a substitute or replacement for childcare.

DRAFT

The option to work remotely requires the approval of the employee's Department Head and the ~~, the Town Administrator and/or the a~~ppointing authority of the employee's position; for departments under the jurisdiction of the Board of Selectmen, the Town Administrator shall be required to approve applications. Participation in the remote work arrangement will not alter the employee's terms or conditions of employment with the Town, except for those specifically addressed as part of a Remote Work Agreement. Any decision regarding the eligibility to work remotely shall be at the sole discretion of the Town and shall not be grievable.

Eligibility:

An employee may request, or a Department Head may initiate a discussion about a remote work arrangement. Eligibility to work remotely on a consistent or routine basis is contingent on job responsibilities (rather than job title), type of position (supervisory or public facing), work habits, and work schedule. Employees may also request a short-term remote working arrangement for circumstances such as family or medical leave with the consent of the employee's health care provider, if appropriate. Moreover, jobs acceptable for remote work are those that can be performed without diminishing the quality of work, level of services provided [including office coverage], and without disrupting productivity. This policy does not apply to introductory/probationary, seasonal or temporary employees.

Occasional Remote Work

- Occasional remote work requests are approved on a case-by-case basis, are intermittent, and are not regularly scheduled. Approval by a Department Head must be documented. For example, this type of remote work arrangement may be appropriate when a supervisor or Department head assigns a specific task or project to an employee who is likely to be more productive and efficient at home without workplace distractions.

Routine Remote Work

- Routine remote work arrangements are for ongoing purposes and must be supported by a written agreement that specifies the requirements and details of the arrangement. Routine part-time remote working arrangements must be approved in advance and will be reviewed and renewed annually [by June 30 of each year].

DRAFT

Procedures

Employees- Requesting a Remote Work Assignment

1. An employee interested in working remotely must first initiate a discussion with their Department Head to determine eligibility.
2. If the Department Head is supportive of the request to work remotely, the employee must submit the Remote Work application to their appointing authority.
3. The request will be elevated to the appointing authority if deemed eligible.
4. After all paperwork is completed, the employee can begin their remote work assignment.

Department Head – Managing Remote Work Assignments

Each Department Head is responsible for evaluating remote work requests. The arrangement is intended to benefit the Town and its employees without putting an added burden on other employees, individual departments, or the services provided by the Town [i.e. office coverage]. Department Heads should contact the Assistant Town Administrator with any policy questions.

1. When evaluating a remote work request, the Department Head should consider whether the employee has a record of satisfactory performance (evaluation) in the workplace, and has demonstrated the ability to:
   - Prioritize work to meet deadlines
   - Accomplish job duties with minimal supervision
   - Communicate effectively with officials, stakeholders, supervisors and team members
   - Manage time effectively; and that
   - Operational demands are unaffected & met without an impact to overtime or other employees.
2. Set clear expectations with staff by creating a communication plan and regularly checking in.
3. An initial review of the remote work plan should take place at two weeks and again at one month. After the first month, the department head should review the remote work plan with the employee at least quarterly to discuss the success/shortcomings of the arrangement and to make any necessary adjustments based on those reviews.

Contingency Plans

Each department head reserves the right to cancel, modify, or suspend a work-from-home assignment as necessary, to address planned or unplanned short-term and long-term employee absences, emergencies, office coverage and vacations. This also includes mandatory meetings, trainings, or other work assignments.

Expectations

Employees working remotely are required to comply with all Town policies and regulations that would apply if the employee were at their normal worksite. Employees working remotely are expected to be actively working during the agreed upon hours of work and must be available to communicate in a timely fashion via email, telephone or any other means of virtual communication. Supervisors and/or Department Heads may require employees to provide reports/updates of work performed while working remotely.

Work Schedule, Environment & Equipment

Work Schedule

Employees who are classified as non-exempt under the Fair Labor Standards Act must obtain advance approval from their Department Head prior to working in excess of their scheduled hours per day or per workweek, including overtime hours.

Employees who are classified as ~~non-~~exempt continue to be required to work the number of hours needed to accomplish their assigned duties. Participation in a remote work plan does not limit the number of hours that an exempt employee must work to accomplish those responsibilities.

All employees on a remote work plan will be required to take leave to accommodate personal business at their home or sick leave if the employee is unable to work remotely due to illness. While remote work provides some flexibility in an employee's schedule, the remote work arrangement is not designed to be a substitute or replacement for childcare.

Work Environment

The employee is responsible for setting up or establishing a suitable work environment for purposes of working remotely. The area should be free from obvious safety hazards and suitable for the type of work being performed by the employee. The Town will not be responsible for costs associated with setup of the employee's home office, such as remodeling, furniture or lighting, nor for repairs or modifications to the home office space.

Equipment & Software

The Department Head, in coordination with the IT department, will determine the equipment needs for each employee in accordance with the Town's standard policies and procedures. Equipment supplied by the Town is to be used for work purposes only and may not be used by anyone other than the employee. The employee understands that all Town-issued equipment issued to the employee remains the property of the Town at all times. Employees must sign an inventory of all Town property received and agree to take appropriate action to protect items from damage and theft. Employees shall report any damage to or theft of Town-issued property to their supervisor immediately.

- The Town accepts no responsibility for damage or repairs to employee-owned equipment.
- Upon the end of the remote work assignment, or termination of employment, all Town property will be promptly returned, unless other arrangements have been made.

Security and Safety

Consistent with the Town's expectation of information security for employees who have a physical presence working at the office, employees working remotely will be expected to ensure the protection of confidential information accessible while working from home. As such, the employee must sign out of their remote connection and/or Town-owned computer when not at their computer to ensure the security and the integrity of the Town's network. Any information that is considered confidential or protected will not be removed from Town premises unless expressly approved in advance by a supervisor or IT Manager. The employee is also expected to adhere to all Town policies concerning information security and technology use

Workers' Compensation

Employees are expected to maintain a home workspace that is free from safety hazards and other dangers to the employee and Town-issued equipment. Employees working remotely are covered by workers' compensation for job-related injuries that occur in the course and scope of employment. When the employee is working from home, workers' compensation does not cover injuries that are **not job related** and the Town assumes no liability for injuries to the employee or others occurring in the employee's home work space outside the agreed-upon work hours. Further, the Town is not liable for loss, destruction, or personal injury that may occur in or to the employee's home and/or non-employee property. This includes family members, visitors, or others that become injured within or around the employee's home. Employees are responsible for the timely reporting of workers' compensation injuries per normal protocol.

Compensation & Benefits

Unless otherwise agreed due to changes in responsibilities or hours worked, an employee's compensation, benefits, work status, and work responsibilities will not change due to working from home.

Leave Time

Vacation or sick time leave used on a scheduled remote workday will be administered under the same provisions as leave used on days an employee would otherwise be in the office.

Termination of Agreement

An employee's remote working assignment is at the sole discretion of the Town. The Town reserves the right to modify or terminate such agreement with ten (10) days' notice, at any time for any reason. As such, no Town employee is entitled to or guaranteed the opportunity to work remotely. The Town further reserves the right to terminate an employee's remote work arrangement with ten (10) days' notice in the event that the employee fails to maintain satisfactory performance as determined by the employee's supervisor and/or Department Head. The Town will not be held responsible for costs, damages, or losses resulting from termination of an employee's participation in the remote working program. The Remote Work Agreement is not a contract of employment and may not be construed as such.

DRAFT

Roles and Responsibilities

Employees

Employees who work remotely or plan to work remotely are responsible for:

- Ensuring that a high level of public service is maintained, and that abuses of this policy do not occur.
- Initiating an application if they are interested in entering into a remote work agreement.
- Reporting to their supervisor as early as possible if they are unable to work on a remote work day.
- Establishing and maintaining an adequate, safe and ergonomic workspace in their home.
- Maintaining appropriate care and security of any Town equipment used at the employee's home. Employees who work remotely from home are subject to the same internal Town policies regarding the use of Town provided equipment (hardware and software) and services as that of employees at the centrally located worksite. Employees are responsible for maintenance and repair of their personally owned equipment.
- Maintaining the confidentiality of Town information and documents, preventing unauthorized access to any Town system or information, and disposing of work-related documents in a manner that will not jeopardize the interests of the Town.
- Abiding by all of the terms of Town of Southborough's Remote Work Policy.

Department Directors/Division Heads

Department Heads are responsible for:

- Reviewing employee requests for working remotely and making recommendation for approval or denial to the appointing authority
- Ensuring that a high level of public service is maintained, and that abuses of this policy do not occur.
- Communicating to the employee performance expectations & monitoring accomplishment of those expectations.
- Abiding by all of the terms of Town of Southborough's Remote Work Policy.
- Monitoring policy use to ensure that the policy is being applied consistently.

DRAFT

Town Administrator

Town Administrator is responsible for:

- Reviewing approved ~~employee~~ requests which have been completed and submitted to determine if the program is successful and not a detriment to any service provided by the Town of Southborough. ~~and recommendations from Department Heads or Board/ Commission/Committee for remote work and either approving or denying the requests. If an employee's request is denied, a reason must be provided to the employee.~~
- ~~Ascertaining that Providing~~ written notice has been provided to an employee if their request has been denied; ~~granting or denying requests and written notice for termination of agreements to employees.~~
- Although employees of elected boards do have jurisdiction over their own employees, it should be noted that Section 15 b of the Salary Administration Plan denotes that the Town Administrator is the de facto Personnel Director and is responsible for promulgating policies and procedures on behalf of the Board of Selectmen that benefit all town employees.

DRAFT 9-17-2021

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions.

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a none-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

DRAFT 9-17-2021

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Board of Selectmen. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

DRAFT 9.17.2021

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group have are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless it's substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

DRAFT 9-17-2021

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

DRAFT 9-17-2021

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

ANNUAL TOWN MEETING

Worcester, ss. October 5, 2021

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the P. Brent Trottier Middle School, 49 Parkerville Road, in said Southborough, on

Monday, November 1, 2021

at ***7:00 p.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to amend the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL, to add a new position entitled "Senior IT Specialist" in Grade 6 of the Classification Schedule A of Section 20, or do or act anything in relation thereto.

Proposed by: PERSONNEL BOARD
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 2: To see if the Town will vote to change "Board of Selectmen" to "Selectboard".

, or act or do anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 3: BOH budget increase for Nurse position funding & benefits

Proposed by: BOARD OF HEALTH
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 4: Capital – IT servers

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 5: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $50,000 to replace an existing culvert on Northboro Road, or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation:

DRAFT 9-17-2021

Advisory Committee Recommendation:
Summary: *The Town maintains a culvert pipe that bisects Northboro Road, allowing the stream to pass under the roadway. Several years ago, the culvert began to fail, and the DPW installed a steel plate over the culvert in an attempt to delay the expense of replacing the culvert pipe. Unfortunately, the pipe has further eroded which has caused DPW to close the road to vehicular traffic. These funds would allow for the culvert pipe to be replaced, and the road to be reopened.*

ARTICLE 6: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the purpose of funding a comprehensive traffic study for the Town of Southborough that will determine the most optimal routes for heavy commercial vehicles travelling through Town, or act or do anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 7: Change membership from 9 to 7 members; add a Vice-Chair position.

Proposed by: ADVISORY COMMITTEE
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 8: To see if the Town will vote to amend the provisions of the Southborough Code, Chapter 41-2 entitled Notice of Town Meetings by appending the following language to the section:

"and fourteen days at least before the time appointed for a Special Town Meeting."

, or act or do anything in relation thereto.

Proposed by: TOWN CLERK
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary: *This language clarifies the existing bylaw so it complies with G.L. Ch 39, S 10.*

ARTICLE 9: To see if the Town will vote to amend the provisions of the Southborough Code, by creating a new section §41-2.1 entitled Location of Town Meeting by adding the following:

§ 41-2.1 Location of Town Meeting
Due to reasons such as a lack of physical capacity in a suitable auditorium or other facility in Southborough, or an emergency, the Board of Selectmen may specific in a warrant for an annual or special town meeting that the meeting is to be held or in any town contiguous to Southborough. Town meeting may also vote to adjourn to such a facility if it deems appropriate.

, or act or do anything in relation thereto.

Proposed by: TOWN CLERK
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary: *This article would give the Board of Selectmen the option to direct that a town meeting be held in any of the towns contiguous to Southborough. For example, a town meeting could be held at Algonquin Regional High School if the town were unable to hold the meeting in Southborough due to a lack of physical capacity or an emergency.*

DRAFT 9-17-2021

ARTICLE 10: To see if the Town will vote to amend the provisions of the Southborough Code, by renaming Section III to Annual Report, by deleting section 41-26 in its entity, and creating a new section 41-26.1 entitled Availability of Annual Report.

§ 41-26.1 Availability of Annual Report
No later than seven days before an annual town meeting, the Selectmen shall make copies of the Annual Town Report available to the public by placing it on the town website and at the Southborough Town House.

, or act or do anything in relation thereto.

Proposed by: TOWN CLERK
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary: *This article would correct the conflicting language in Southborough Town Code sections 41-2 and 41-26.*

ARTICLE 11: Downtown District bylaw

; or do or act anything in relation thereto.

Proposed by: BOARD OF SELECTMEN
Board of Selectmen Recommendation:
Advisory Committee Recommendation:
Summary:

DRAFT 9-17-2021

And you are to give notice hereby by posting true and attested copies of the Warrant on the Town website, the Southborough Town House, 17 Common Street, Southborough Senior Center, 9 Cordaville Road, Southborough Library, 25 Main Street, and Southborough Transfer Station, 147 Cordaville Road; seven (7) days at least before the time appointed for such meeting.

Given under our hand this fifth (5th) day of October, 2021.

DRAFT 9-17-2021

September 13, 2021

BY HAND

Board of Selectmen
Town of Southborough
Southborough Town House
17 Common Street
Southborough, Massachusetts 01772
Attn: Lisa Braccio, Chairman

Re: Abandonment of a Portion of Chestnut Hill Road

Dear Chairman Braccio and Members of the Board:

We write this letter to request that the Board of Selectmen (the "Board"), acting in its capacity as the Town's road commissioners, abandon a certain portion of Chestnut Hill Road. We write as neighbors and members of the community who have witnessed firsthand the dangers caused by the existing unsafe roadway conditions, and to share a vision for a simple change that will significantly enhance some of the most important community assets within the Town of Southborough. This letter describes:

- The unsafe conditions affecting Chestnut Hill Road, which is a designated scenic road, and their effects on the roadway's residents and visitors;
- The benefits that abandoning the roadway will provide by enhancing protected and publicly beneficial land on both sides of the road; and
- The proposed path forward to abandon and potentially discontinue a section of the road.

As described in greater detail below, abandoning a section of the road would create a welcoming and safe environment for the public to utilize the Town's natural, cultural, agricultural, and outdoor recreational resources – which are more important now than ever – while at the same time reducing significant costs and potential liabilities for the Town.

1. **Unsafe Conditions.**

The section of Chestnut Hill Road proposed for abandonment (the "Abandoned Roadway") is a narrow and slightly hilly portion that runs northwesterly from the driveway at 10 Chestnut Hill Road (just northwest beyond the public entrance to the Chestnut Hill Farm trailhead parking area), goes around a slight curve, and then proceeds down a hill to the road's intersection with the newly created Dairy Farm Lane. Unlike the portion of Chestnut Hill Road to the south of Chestnut Hill Farm, which is maintained for two-way travel, the Abandoned Roadway allows vehicular travel in only one direction (away from Main Street, toward Dairy Farm Lane). Like the rest of Chestnut Hill Road, it cuts a path through bucolic scenery of stone walls, heavily wooded areas, and open fields. The beautiful scenery and nearby community resources attract outdoor recreationalists of all types. Chestnut Hill Farm, the Boroughs Loop Trail, and the Beals Preserve are all located along or within a short walking distance of the Abandoned Roadway. Given the lack of paved recreational pathways and sidewalks within the Town of Southborough, it is no surprise that runners, walkers, and cyclists can be found on the road all

year long, enjoying the fresh air, surrounded by nature. However, the quietude of the surrounding properties belies the hazards posed by the roadway itself.

The Abandoned Roadway was designed and originally constructed long before the invention of motor vehicles. In its current condition, the roadway is wholly unsuitable for high-speed vehicular travel. For most of its length, the Abandoned Roadway is hemmed in on each side by embankments and drainage ditches. Wildlife ranging from chipmunks to deer often dart across the roadway. Large, mature (and in some cases dying due to age and pestilence) trees grow almost right up to the edge of the pavement. In other places, visibility is limited due to hill crests and bends in the road. These hazards make the roadway unforgiving in the event of pedestrian-vehicle conflict.

It is hard to overstate the danger. As an apparent "short-cut" between Main Street (Route 30) and Northboro Road (which leads toward the nearest entrance ramp to Interstate 495), vehicles regularly travel down Chestnut Hill Road at distressingly high speeds, likely in an effort to shave time off their morning or evening commute, or the drive to Algonquin Regional High School. Surprisingly, it actually takes longer, at posted speed limits, to travel the 0.8 mile of Chestnut Hill Road from its southern end to Northboro Road than it takes to travel the 1.0 mile between the same points via Northboro Road. Worsening the problem are distracted drivers and the frequency with which nearby residents have witnessed vehicles driving – often at high speeds (!) – in the wrong direction. Large trucks also frequently use the road, ignoring the "No Trucks" signs placed at the road entrance on Main Street. Not surprisingly, these dangerous trends are coming at the same time that outdoor recreational activity on the Abandoned Roadway has increased as result of the current pandemic that affects us all. The growing threat of vehicular/pedestrian conflict has the potential for serious harm. And if no action is taken, it is likely only a matter of time before such potential is realized.

2. **Benefits of Abandonment.**

The most obvious and important benefit of abandonment is alleviating the grave potential for harm outlined above. Adjacent residents – including young children – pedestrians, cyclists, runners, and motorists would all be much safer by eliminating the enticement of a high-speed short-cut via Chestnut Hill Road. People visiting Chestnut Hill Farm would be safe as they enter and exit the two parking areas. It is our collective conviction that abandoning and/or discontinuing the Abandoned Roadway will save lives.
